26 implement or enforce the provisions of this amendatory Act

1       of the 95th General Assembly. If, however, the Governor  
2       believes that rules are necessary to implement or enforce  
3       the provisions of this amendatory Act of the 95th General  
4       Assembly, the Governor may suggest rules to the General  
5       Assembly by filing them with the Clerk of the House and the  
6       Secretary of the Senate and by requesting that the General  
7       Assembly authorize such rulemaking by law, enact those  
8       suggested rules into law, or take any other appropriate  
9       action in the General Assembly's discretion. Nothing  
10       contained in this amendatory Act of the 95th General  
11       Assembly shall be interpreted to grant rulemaking  
12       authority under any other Illinois statute where such  
13       authority is not otherwise explicitly given. For the  
14       purposes of this amendatory Act of the 95th General  
15       Assembly, "rules" is given the meaning contained in Section  
16       1-70 of the Illinois Administrative Procedure Act, and  
17       "agency" and "agency head" are given the meanings contained  
18       in Sections 1-20 and 1-25 of the Illinois Administrative  
19       Procedure Act to the extent that such definitions apply to  
20       agencies or agency heads under the jurisdiction of the  
21       Governor.

24       becoming law."
