1

AN ACT concerning State government.

2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

Section 1. Short title. This Act may be cited as the High
Speed Internet Services and Information Technology Act.

6 Section 5. Findings. With respect to high speed Internet 7 services and information technology, the General Assembly 8 finds the following:

9 (1) The deployment and adoption of high speed Internet 10 services and information technology has resulted in 11 enhanced economic development and public safety for the 12 State's communities, improved health care and educational 13 opportunities, and a better quality of life for the State's 14 residents.

15 (2) Continued progress in the deployment and adoption
16 of high speed Internet services and information technology
17 is vital to ensuring that this State remains competitive
18 and continues to create business and job growth.

19 (3) The State must encourage and support the 20 partnership of the public and private sectors in the 21 continued growth of high speed Internet and information 22 technology for the State's residents and businesses.

assessing the needs of their communities with respect to high speed Internet services and information technology.

3 Section 10. Nonprofit organization defined. In this Act: "Nonprofit organization" means an organization that (i) is 4 5 a nonprofit organization as described in Section 501(c)(3) of 6 the federal Internal Revenue Code of 1986 and exempt from tax under Section 501(a) of that Code; (ii) has no part of the net 7 8 earnings of which inures to the benefit of any member, founder, 9 contributor, or individual; (iii) is organized under, subject 10 to, and has all the powers and duties of a not-for-profit 11 corporation under the General Not For Profit Corporation Act of 12 1986; (iv) has statewide representation; and (v) has a board of directors that is not composed of a majority of individuals who 13 14 are also employed by, or otherwise associated with, any 15 federal, State, or local government or agency.

16 "Department" means the Department of Commerce and Economic 17 Opportunity.

18 Section 15. Enlistment of a nonprofit organization.

(a) Notwithstanding any other statute, the Department of Commerce and Economic Opportunity shall enlist a nonprofit organization to implement a comprehensive, statewide high speed Internet deployment strategy and demand creation initiative with the purpose of:

24

(1) ensuring that all State residents and businesses

SB0766 Engrossed - 3 - LRB095 05415 RCE 25505 b

have access to affordable and reliable high speed Internet
 service;

3 (2) achieving improved technology literacy, increased
4 computer ownership, and home high speed Internet use among
5 State residents and businesses;

6 (3) establishing and empowering local technology 7 planning teams in each county to plan for improved 8 technology use across multiple community sectors; and

9 (4) establishing and sustaining an environment ripe 10 for high speed Internet access and technology investment 11 statewide.

(b) The nonprofit organization shall have an established competency and proven record of working with public and private sectors to accomplish wide-scale deployment and adoption of broadband and information technology in Illinois.

16 (c) The Department shall adopt rules regarding the 17 enlistment of a nonprofit organization.

18 Section 20. Duties of the enlisted nonprofit organization.

19 (a) The high speed Internet deployment strategy and demand 20 creation initiative to be performed by the nonprofit 21 organization shall include, but not be limited to, the 22 following actions:

(1) Create a geographic statewide inventory of high
 speed Internet service and other relevant broadband and
 information technology services. The inventory shall:

SB0766 Engrossed

- 4 - LRB095 05415 RCE 25505 b

1 (A) identify geographic gaps in high speed 2 Internet service through a method of GIS mapping of 3 service availability and GIS analysis at the census 4 block level; and

5 (B) provide a baseline assessment of statewide 6 high speed Internet deployment in terms of percentage 7 of Illinois households with high speed Internet 8 availability.

9 (2) Track and identify, through customer interviews 10 and surveys and other publicly available sources, 11 statewide residential and business adoption of high speed 12 Internet, computers, and related information technology 13 and any barriers to adoption.

(3) Build and facilitate in each county or designated 14 15 region a local technology planning team with members 16 representing a cross section of the community, including, 17 but not limited to, representatives of business, K-12 education, health care, libraries, higher education, 18 19 community-based organizations, local government, tourism, 20 parks and recreation, and agriculture. Each team shall 21 benchmark technology use across relevant community 22 sectors, set goals for improved technology use within each 23 sector, and develop a plan for achieving its goals, with 24 specific recommendations for online application 25 development and demand creation.

26

(4) Collaborate with high speed Internet providers and

SB0766 Engrossed - 5 - LRB095 05415 RCE 25505 b

technology companies to encourage deployment and use, especially in underserved areas, by aggregating local demand, mapping analysis, and creating market intelligence to improve the business case for providers to deploy.

5 (5) Collaborate with the Department in developing a increase computer ownership and broadband 6 program to access for disenfranchised populations across the State. 7 8 program may include grants to local The community 9 technology centers that provide technology training, 10 promote computer ownership, and increase broadband access.

(b) The nonprofit organization may apply for federal grantsconsistent with the objectives of this Act.

(c) The Department of Commerce and Economic Opportunity shall use the funds in the High Speed Internet Services and Information Technology Fund to (1) provide grants to the nonprofit organization enlisted under this Act and (2) for any costs incurred by the Department to administer this Act.

(d) The nonprofit organization shall have the power to
obtain or to raise funds other than the grants received from
the Department under this Act.

(e) The nonprofit organization and its Board of Directors shall exist separately and independently from the Department and any other governmental entity, but shall cooperate with other public or private entities it deems appropriate in carrying out its duties.

26

(f) Notwithstanding anything in this Act or any other Act

SB0766 Engrossed - 6 - LRB095 05415 RCE 25505 b

the 1 contrary, any information that is designated to confidential or proprietary by an entity providing the 2 3 information to the nonprofit organization or any other entity to accomplish the objectives of this Act shall be deemed 4 5 confidential, proprietary, and a trade secret and treated by 6 the nonprofit organization or anyone else possessing the 7 information as such and shall not be disclosed.

8 (g) The nonprofit organization shall provide a report to 9 the Commission on Government Forecasting and Accountability on 10 an annual basis for the first 3 complete State fiscal years 11 following its enlistment.

Section 25. Scope of authority. Nothing in this Act shall be construed as giving the Department of Commerce and Economic Opportunity, the nonprofit organization, or other entities any additional authority, regulatory or otherwise, over providers of telecommunications, broadband, and information technology.

Section 30. High Speed Internet Services and InformationTechnology Fund.

(a) There is created in the State treasury a special fund to be known as the High Speed Internet Services and Information Technology Fund, to be used, subject to appropriation, by the Department of Commerce and Economic Development for purposes of providing grants to the nonprofit organization enlisted under this Act. SB0766 Engrossed - 7 - LRB095 05415 RCE 25505 b

1 (b) On the effective date of this Act, \$4,000,000 in the 2 Digital Divide Elimination Infrastructure Fund shall be 3 transferred to the High Speed Internet Services and Information 4 Technology Fund. Nothing contained in this subsection (b) shall 5 affect the validity of grants issued with moneys from the 6 Digital Divide Elimination Infrastructure Fund before June 30, 7 2007.

8 Section 35. Local broadband projects. Any municipality or 9 county may undertake local broadband projects and the provision 10 of services in connection therewith; may lease infrastructure 11 that it owns or controls; may aggregate customers or demand for 12 broadband services; may apply for and receive funds or 13 technical assistance to undertake such projects to address the level of broadband access available to its businesses and 14 15 residents. To the extent that it seeks to serve as a retail 16 provider of telecommunications services, the municipality or county shall be required to obtain appropriate certification 17 from the Illinois Commerce Commission as a telecommunications 18 carrier. 19

20 Section 90. The State Finance Act is amended by adding 21 Section 5.675 as follows:

22 (30 ILCS 105/5.675 new)
23 Sec. 5.675. The High Speed Internet Services and
