1 AN ACT concerning regulation.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Private Sewage Disposal Licensing Act is amended by changing Section 10 as follows:

(225 ILCS 225/10) (from Ch. 111 1/2, par. 116.310)

Sec. 10. (a) This Act does not prohibit the enforcement of ordinances of units of local government establishing a system for the regulation and inspection of private sewage disposal contractors and a minimum code of standards for design, construction, materials, operation and maintenance of private sewage disposal systems, for the transportation and disposal of wastes therefrom and for private sewage disposal systems servicing equipment, provided such ordinance establishes a system at least equal to state regulation and inspection.

Such units of local government who wish to be approved, shall submit a copy of such ordinance including all amendments to the Department requesting approval for such system of regulation and inspection. If such plan is approved by the Department the ordinance shall prevail in lieu of the state licensure, fee and inspection program, and the Department shall issue written approval. Not less than once each year the Department shall evaluate the program to determine whether such

program is being operated in accordance with the approved

provisions of existing ordinances. If the Department finds

after investigation that such program is not in accordance with

the approved program or is not being enforced, the Director

shall give written notice of the findings to the chief

administrative officer of such unit of local government. If the

Department thereafter finds, not less than 30 days after the

giving of such notice that the program is not being conducted

in a manner consistent with existing ordinances, the Director

shall give written notice of such findings to the chief

administrative officer of the unit of local government, and

after administrative hearing as provided in this Act, all

persons then operating under such unit of local government

shall be immediately subject to the state licensure, fee and

inspection program.

16 (b) This Act does not prohibit the enforcement of

ordinances of units of local government that require homeowners

who maintain a private sewage disposal system within the unit

of local government to provide verification, no more frequently

than once every 3 years, to the unit of local government of a

valid contract with a licensed private sewage disposal system

installation contractor. However, no additional fee may be

charged for such verification.
