1 AMENDMENT TO SENATE BILL 2678

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 2678 by replacing  
3 everything after the enacting clause with the following:

4 "Section 5. The Illinois Municipal Code is amended by  
5 changing Sections 11-74.4-3 and 11-74.4-7 and by adding Section  
6 11-74.4-3.5 as follows:

7 (65 ILCS 5/11-74.4-3) (from Ch. 24, par. 11-74.4-3)

8 Sec. 11-74.4-3. Definitions. The following terms, wherever  
9 used or referred to in this Division 74.4 shall have the  
10 following respective meanings, unless in any case a different  
11 meaning clearly appears from the context.

12 (a) For any redevelopment project area that has been  
13 designated pursuant to this Section by an ordinance adopted  
14 prior to November 1, 1999 (the effective date of Public Act  
15 91-478), "blighted area" shall have the meaning set forth in  
16 this Section prior to that date.

1           On and after November 1, 1999, "blighted area" means any  
2 improved or vacant area within the boundaries of a  
3 redevelopment project area located within the territorial  
4 limits of the municipality where:

5           (1) If improved, industrial, commercial, and  
6 residential buildings or improvements are detrimental to  
7 the public safety, health, or welfare because of a  
8 combination of 5 or more of the following factors, each of  
9 which is (i) present, with that presence documented, to a  
10 meaningful extent so that a municipality may reasonably  
11 find that the factor is clearly present within the intent  
12 of the Act and (ii) reasonably distributed throughout the  
13 improved part of the redevelopment project area:

14           (A) Dilapidation. An advanced state of disrepair  
15 or neglect of necessary repairs to the primary  
16 structural components of buildings or improvements in  
17 such a combination that a documented building  
18 condition analysis determines that major repair is  
19 required or the defects are so serious and so extensive  
20 that the buildings must be removed.

21           (B) Obsolescence. The condition or process of  
22 falling into disuse. Structures have become ill-suited  
23 for the original use.

24           (C) Deterioration. With respect to buildings,  
25 defects including, but not limited to, major defects in  
26 the secondary building components such as doors,

1 windows, porches, gutters and downspouts, and fascia.  
2 With respect to surface improvements, that the  
3 condition of roadways, alleys, curbs, gutters,  
4 sidewalks, off-street parking, and surface storage  
5 areas evidence deterioration, including, but not  
6 limited to, surface cracking, crumbling, potholes,  
7 depressions, loose paving material, and weeds  
8 protruding through paved surfaces.

9 (D) Presence of structures below minimum code  
10 standards. All structures that do not meet the  
11 standards of zoning, subdivision, building, fire, and  
12 other governmental codes applicable to property, but  
13 not including housing and property maintenance codes.

14 (E) Illegal use of individual structures. The use  
15 of structures in violation of applicable federal,  
16 State, or local laws, exclusive of those applicable to  
17 the presence of structures below minimum code  
18 standards.

19 (F) Excessive vacancies. The presence of buildings  
20 that are unoccupied or under-utilized and that  
21 represent an adverse influence on the area because of  
22 the frequency, extent, or duration of the vacancies.

23 (G) Lack of ventilation, light, or sanitary  
24 facilities. The absence of adequate ventilation for  
25 light or air circulation in spaces or rooms without  
26 windows, or that require the removal of dust, odor,

1 gas, smoke, or other noxious airborne materials.  
2 Inadequate natural light and ventilation means the  
3 absence of skylights or windows for interior spaces or  
4 rooms and improper window sizes and amounts by room  
5 area to window area ratios. Inadequate sanitary  
6 facilities refers to the absence or inadequacy of  
7 garbage storage and enclosure, bathroom facilities,  
8 hot water and kitchens, and structural inadequacies  
9 preventing ingress and egress to and from all rooms and  
10 units within a building.

11 (H) Inadequate utilities. Underground and overhead  
12 utilities such as storm sewers and storm drainage,  
13 sanitary sewers, water lines, and gas, telephone, and  
14 electrical services that are shown to be inadequate.  
15 Inadequate utilities are those that are: (i) of  
16 insufficient capacity to serve the uses in the  
17 redevelopment project area, (ii) deteriorated,  
18 antiquated, obsolete, or in disrepair, or (iii)  
19 lacking within the redevelopment project area.

20 (I) Excessive land coverage and overcrowding of  
21 structures and community facilities. The  
22 over-intensive use of property and the crowding of  
23 buildings and accessory facilities onto a site.  
24 Examples of problem conditions warranting the  
25 designation of an area as one exhibiting excessive land  
26 coverage are: (i) the presence of buildings either

1           improperly situated on parcels or located on parcels of  
2           inadequate size and shape in relation to present-day  
3           standards of development for health and safety and (ii)  
4           the presence of multiple buildings on a single parcel.  
5           For there to be a finding of excessive land coverage,  
6           these parcels must exhibit one or more of the following  
7           conditions: insufficient provision for light and air  
8           within or around buildings, increased threat of spread  
9           of fire due to the close proximity of buildings, lack  
10          of adequate or proper access to a public right-of-way,  
11          lack of reasonably required off-street parking, or  
12          inadequate provision for loading and service.

13           (J) Deleterious land use or layout. The existence  
14          of incompatible land-use relationships, buildings  
15          occupied by inappropriate mixed-uses, or uses  
16          considered to be noxious, offensive, or unsuitable for  
17          the surrounding area.

18           (K) Environmental clean-up. The proposed  
19          redevelopment project area has incurred Illinois  
20          Environmental Protection Agency or United States  
21          Environmental Protection Agency remediation costs for,  
22          or a study conducted by an independent consultant  
23          recognized as having expertise in environmental  
24          remediation has determined a need for, the clean-up of  
25          hazardous waste, hazardous substances, or underground  
26          storage tanks required by State or federal law,

1 provided that the remediation costs constitute a  
2 material impediment to the development or  
3 redevelopment of the redevelopment project area.

4 (L) Lack of community planning. The proposed  
5 redevelopment project area was developed prior to or  
6 without the benefit or guidance of a community plan.  
7 This means that the development occurred prior to the  
8 adoption by the municipality of a comprehensive or  
9 other community plan or that the plan was not followed  
10 at the time of the area's development. This factor must  
11 be documented by evidence of adverse or incompatible  
12 land-use relationships, inadequate street layout,  
13 improper subdivision, parcels of inadequate shape and  
14 size to meet contemporary development standards, or  
15 other evidence demonstrating an absence of effective  
16 community planning.

17 (M) The total equalized assessed value of the  
18 proposed redevelopment project area has declined for 3  
19 of the last 5 calendar years prior to the year in which  
20 the redevelopment project area is designated or is  
21 increasing at an annual rate that is less than the  
22 balance of the municipality for 3 of the last 5  
23 calendar years for which information is available or is  
24 increasing at an annual rate that is less than the  
25 Consumer Price Index for All Urban Consumers published  
26 by the United States Department of Labor or successor

1           agency for 3 of the last 5 calendar years prior to the  
2           year in which the redevelopment project area is  
3           designated.

4           (2) If vacant, the sound growth of the redevelopment  
5           project area is impaired by a combination of 2 or more of  
6           the following factors, each of which is (i) present, with  
7           that presence documented, to a meaningful extent so that a  
8           municipality may reasonably find that the factor is clearly  
9           present within the intent of the Act and (ii) reasonably  
10          distributed throughout the vacant part of the  
11          redevelopment project area to which it pertains:

12           (A) Obsolete platting of vacant land that results  
13           in parcels of limited or narrow size or configurations  
14           of parcels of irregular size or shape that would be  
15           difficult to develop on a planned basis and in a manner  
16           compatible with contemporary standards and  
17           requirements, or platting that failed to create  
18           rights-of-ways for streets or alleys or that created  
19           inadequate right-of-way widths for streets, alleys, or  
20           other public rights-of-way or that omitted easements  
21           for public utilities.

22           (B) Diversity of ownership of parcels of vacant  
23           land sufficient in number to retard or impede the  
24           ability to assemble the land for development.

25           (C) Tax and special assessment delinquencies exist  
26           or the property has been the subject of tax sales under

1 the Property Tax Code within the last 5 years.

2 (D) Deterioration of structures or site  
3 improvements in neighboring areas adjacent to the  
4 vacant land.

5 (E) The area has incurred Illinois Environmental  
6 Protection Agency or United States Environmental  
7 Protection Agency remediation costs for, or a study  
8 conducted by an independent consultant recognized as  
9 having expertise in environmental remediation has  
10 determined a need for, the clean-up of hazardous waste,  
11 hazardous substances, or underground storage tanks  
12 required by State or federal law, provided that the  
13 remediation costs constitute a material impediment to  
14 the development or redevelopment of the redevelopment  
15 project area.

16 (F) The total equalized assessed value of the  
17 proposed redevelopment project area has declined for 3  
18 of the last 5 calendar years prior to the year in which  
19 the redevelopment project area is designated or is  
20 increasing at an annual rate that is less than the  
21 balance of the municipality for 3 of the last 5  
22 calendar years for which information is available or is  
23 increasing at an annual rate that is less than the  
24 Consumer Price Index for All Urban Consumers published  
25 by the United States Department of Labor or successor  
26 agency for 3 of the last 5 calendar years prior to the

1           year in which the redevelopment project area is  
2           designated.

3           (3) If vacant, the sound growth of the redevelopment  
4           project area is impaired by one of the following factors  
5           that (i) is present, with that presence documented, to a  
6           meaningful extent so that a municipality may reasonably  
7           find that the factor is clearly present within the intent  
8           of the Act and (ii) is reasonably distributed throughout  
9           the vacant part of the redevelopment project area to which  
10          it pertains:

11                 (A) The area consists of one or more unused  
12                 quarries, mines, or strip mine ponds.

13                 (B) The area consists of unused rail yards, rail  
14                 tracks, or railroad rights-of-way.

15                 (C) The area, prior to its designation, is subject  
16                 to (i) chronic flooding that adversely impacts on real  
17                 property in the area as certified by a registered  
18                 professional engineer or appropriate regulatory agency  
19                 or (ii) surface water that discharges from all or a  
20                 part of the area and contributes to flooding within the  
21                 same watershed, but only if the redevelopment project  
22                 provides for facilities or improvements to contribute  
23                 to the alleviation of all or part of the flooding.

24                 (D) The area consists of an unused or illegal  
25                 disposal site containing earth, stone, building  
26                 debris, or similar materials that were removed from

1 construction, demolition, excavation, or dredge sites.

2 (E) Prior to November 1, 1999, the area is not less  
3 than 50 nor more than 100 acres and 75% of which is  
4 vacant (notwithstanding that the area has been used for  
5 commercial agricultural purposes within 5 years prior  
6 to the designation of the redevelopment project area),  
7 and the area meets at least one of the factors itemized  
8 in paragraph (1) of this subsection, the area has been  
9 designated as a town or village center by ordinance or  
10 comprehensive plan adopted prior to January 1, 1982,  
11 and the area has not been developed for that designated  
12 purpose.

13 (F) The area qualified as a blighted improved area  
14 immediately prior to becoming vacant, unless there has  
15 been substantial private investment in the immediately  
16 surrounding area.

17 (b) For any redevelopment project area that has been  
18 designated pursuant to this Section by an ordinance adopted  
19 prior to November 1, 1999 (the effective date of Public Act  
20 91-478), "conservation area" shall have the meaning set forth  
21 in this Section prior to that date.

22 On and after November 1, 1999, "conservation area" means  
23 any improved area within the boundaries of a redevelopment  
24 project area located within the territorial limits of the  
25 municipality in which 50% or more of the structures in the area  
26 have an age of 35 years or more. Such an area is not yet a

1 blighted area but because of a combination of 3 or more of the  
2 following factors is detrimental to the public safety, health,  
3 morals or welfare and such an area may become a blighted area:

4 (1) Dilapidation. An advanced state of disrepair or  
5 neglect of necessary repairs to the primary structural  
6 components of buildings or improvements in such a  
7 combination that a documented building condition analysis  
8 determines that major repair is required or the defects are  
9 so serious and so extensive that the buildings must be  
10 removed.

11 (2) Obsolescence. The condition or process of falling  
12 into disuse. Structures have become ill-suited for the  
13 original use.

14 (3) Deterioration. With respect to buildings, defects  
15 including, but not limited to, major defects in the  
16 secondary building components such as doors, windows,  
17 porches, gutters and downspouts, and fascia. With respect  
18 to surface improvements, that the condition of roadways,  
19 alleys, curbs, gutters, sidewalks, off-street parking, and  
20 surface storage areas evidence deterioration, including,  
21 but not limited to, surface cracking, crumbling, potholes,  
22 depressions, loose paving material, and weeds protruding  
23 through paved surfaces.

24 (4) Presence of structures below minimum code  
25 standards. All structures that do not meet the standards of  
26 zoning, subdivision, building, fire, and other

1 governmental codes applicable to property, but not  
2 including housing and property maintenance codes.

3 (5) Illegal use of individual structures. The use of  
4 structures in violation of applicable federal, State, or  
5 local laws, exclusive of those applicable to the presence  
6 of structures below minimum code standards.

7 (6) Excessive vacancies. The presence of buildings  
8 that are unoccupied or under-utilized and that represent an  
9 adverse influence on the area because of the frequency,  
10 extent, or duration of the vacancies.

11 (7) Lack of ventilation, light, or sanitary  
12 facilities. The absence of adequate ventilation for light  
13 or air circulation in spaces or rooms without windows, or  
14 that require the removal of dust, odor, gas, smoke, or  
15 other noxious airborne materials. Inadequate natural light  
16 and ventilation means the absence or inadequacy of  
17 skylights or windows for interior spaces or rooms and  
18 improper window sizes and amounts by room area to window  
19 area ratios. Inadequate sanitary facilities refers to the  
20 absence or inadequacy of garbage storage and enclosure,  
21 bathroom facilities, hot water and kitchens, and  
22 structural inadequacies preventing ingress and egress to  
23 and from all rooms and units within a building.

24 (8) Inadequate utilities. Underground and overhead  
25 utilities such as storm sewers and storm drainage, sanitary  
26 sewers, water lines, and gas, telephone, and electrical

1 services that are shown to be inadequate. Inadequate  
2 utilities are those that are: (i) of insufficient capacity  
3 to serve the uses in the redevelopment project area, (ii)  
4 deteriorated, antiquated, obsolete, or in disrepair, or  
5 (iii) lacking within the redevelopment project area.

6 (9) Excessive land coverage and overcrowding of  
7 structures and community facilities. The over-intensive  
8 use of property and the crowding of buildings and accessory  
9 facilities onto a site. Examples of problem conditions  
10 warranting the designation of an area as one exhibiting  
11 excessive land coverage are: the presence of buildings  
12 either improperly situated on parcels or located on parcels  
13 of inadequate size and shape in relation to present-day  
14 standards of development for health and safety and the  
15 presence of multiple buildings on a single parcel. For  
16 there to be a finding of excessive land coverage, these  
17 parcels must exhibit one or more of the following  
18 conditions: insufficient provision for light and air  
19 within or around buildings, increased threat of spread of  
20 fire due to the close proximity of buildings, lack of  
21 adequate or proper access to a public right-of-way, lack of  
22 reasonably required off-street parking, or inadequate  
23 provision for loading and service.

24 (10) Deleterious land use or layout. The existence of  
25 incompatible land-use relationships, buildings occupied by  
26 inappropriate mixed-uses, or uses considered to be

1 noxious, offensive, or unsuitable for the surrounding  
2 area.

3 (11) Lack of community planning. The proposed  
4 redevelopment project area was developed prior to or  
5 without the benefit or guidance of a community plan. This  
6 means that the development occurred prior to the adoption  
7 by the municipality of a comprehensive or other community  
8 plan or that the plan was not followed at the time of the  
9 area's development. This factor must be documented by  
10 evidence of adverse or incompatible land-use  
11 relationships, inadequate street layout, improper  
12 subdivision, parcels of inadequate shape and size to meet  
13 contemporary development standards, or other evidence  
14 demonstrating an absence of effective community planning.

15 (12) The area has incurred Illinois Environmental  
16 Protection Agency or United States Environmental  
17 Protection Agency remediation costs for, or a study  
18 conducted by an independent consultant recognized as  
19 having expertise in environmental remediation has  
20 determined a need for, the clean-up of hazardous waste,  
21 hazardous substances, or underground storage tanks  
22 required by State or federal law, provided that the  
23 remediation costs constitute a material impediment to the  
24 development or redevelopment of the redevelopment project  
25 area.

26 (13) The total equalized assessed value of the proposed

1 redevelopment project area has declined for 3 of the last 5  
2 calendar years for which information is available or is  
3 increasing at an annual rate that is less than the balance  
4 of the municipality for 3 of the last 5 calendar years for  
5 which information is available or is increasing at an  
6 annual rate that is less than the Consumer Price Index for  
7 All Urban Consumers published by the United States  
8 Department of Labor or successor agency for 3 of the last 5  
9 calendar years for which information is available.

10 (c) "Industrial park" means an area in a blighted or  
11 conservation area suitable for use by any manufacturing,  
12 industrial, research or transportation enterprise, of  
13 facilities to include but not be limited to factories, mills,  
14 processing plants, assembly plants, packing plants,  
15 fabricating plants, industrial distribution centers,  
16 warehouses, repair overhaul or service facilities, freight  
17 terminals, research facilities, test facilities or railroad  
18 facilities.

19 (d) "Industrial park conservation area" means an area  
20 within the boundaries of a redevelopment project area located  
21 within the territorial limits of a municipality that is a labor  
22 surplus municipality or within 1 1/2 miles of the territorial  
23 limits of a municipality that is a labor surplus municipality  
24 if the area is annexed to the municipality; which area is zoned  
25 as industrial no later than at the time the municipality by  
26 ordinance designates the redevelopment project area, and which

1 area includes both vacant land suitable for use as an  
2 industrial park and a blighted area or conservation area  
3 contiguous to such vacant land.

4 (e) "Labor surplus municipality" means a municipality in  
5 which, at any time during the 6 months before the municipality  
6 by ordinance designates an industrial park conservation area,  
7 the unemployment rate was over 6% and was also 100% or more of  
8 the national average unemployment rate for that same time as  
9 published in the United States Department of Labor Bureau of  
10 Labor Statistics publication entitled "The Employment  
11 Situation" or its successor publication. For the purpose of  
12 this subsection, if unemployment rate statistics for the  
13 municipality are not available, the unemployment rate in the  
14 municipality shall be deemed to be the same as the unemployment  
15 rate in the principal county in which the municipality is  
16 located.

17 (f) "Municipality" shall mean a city, village,  
18 incorporated town, or a township that is located in the  
19 unincorporated portion of a county with 3 million or more  
20 inhabitants, if the county adopted an ordinance that approved  
21 the township's redevelopment plan.

22 (g) "Initial Sales Tax Amounts" means the amount of taxes  
23 paid under the Retailers' Occupation Tax Act, Use Tax Act,  
24 Service Use Tax Act, the Service Occupation Tax Act, the  
25 Municipal Retailers' Occupation Tax Act, and the Municipal  
26 Service Occupation Tax Act by retailers and servicemen on

1 transactions at places located in a State Sales Tax Boundary  
2 during the calendar year 1985.

3 (g-1) "Revised Initial Sales Tax Amounts" means the amount  
4 of taxes paid under the Retailers' Occupation Tax Act, Use Tax  
5 Act, Service Use Tax Act, the Service Occupation Tax Act, the  
6 Municipal Retailers' Occupation Tax Act, and the Municipal  
7 Service Occupation Tax Act by retailers and servicemen on  
8 transactions at places located within the State Sales Tax  
9 Boundary revised pursuant to Section 11-74.4-8a(9) of this Act.

10 (h) "Municipal Sales Tax Increment" means an amount equal  
11 to the increase in the aggregate amount of taxes paid to a  
12 municipality from the Local Government Tax Fund arising from  
13 sales by retailers and servicemen within the redevelopment  
14 project area or State Sales Tax Boundary, as the case may be,  
15 for as long as the redevelopment project area or State Sales  
16 Tax Boundary, as the case may be, exist over and above the  
17 aggregate amount of taxes as certified by the Illinois  
18 Department of Revenue and paid under the Municipal Retailers'  
19 Occupation Tax Act and the Municipal Service Occupation Tax Act  
20 by retailers and servicemen, on transactions at places of  
21 business located in the redevelopment project area or State  
22 Sales Tax Boundary, as the case may be, during the base year  
23 which shall be the calendar year immediately prior to the year  
24 in which the municipality adopted tax increment allocation  
25 financing. For purposes of computing the aggregate amount of  
26 such taxes for base years occurring prior to 1985, the

1 Department of Revenue shall determine the Initial Sales Tax  
2 Amounts for such taxes and deduct therefrom an amount equal to  
3 4% of the aggregate amount of taxes per year for each year the  
4 base year is prior to 1985, but not to exceed a total deduction  
5 of 12%. The amount so determined shall be known as the  
6 "Adjusted Initial Sales Tax Amounts". For purposes of  
7 determining the Municipal Sales Tax Increment, the Department  
8 of Revenue shall for each period subtract from the amount paid  
9 to the municipality from the Local Government Tax Fund arising  
10 from sales by retailers and servicemen on transactions located  
11 in the redevelopment project area or the State Sales Tax  
12 Boundary, as the case may be, the certified Initial Sales Tax  
13 Amounts, the Adjusted Initial Sales Tax Amounts or the Revised  
14 Initial Sales Tax Amounts for the Municipal Retailers'  
15 Occupation Tax Act and the Municipal Service Occupation Tax  
16 Act. For the State Fiscal Year 1989, this calculation shall be  
17 made by utilizing the calendar year 1987 to determine the tax  
18 amounts received. For the State Fiscal Year 1990, this  
19 calculation shall be made by utilizing the period from January  
20 1, 1988, until September 30, 1988, to determine the tax amounts  
21 received from retailers and servicemen pursuant to the  
22 Municipal Retailers' Occupation Tax and the Municipal Service  
23 Occupation Tax Act, which shall have deducted therefrom  
24 nine-twelfths of the certified Initial Sales Tax Amounts, the  
25 Adjusted Initial Sales Tax Amounts or the Revised Initial Sales  
26 Tax Amounts as appropriate. For the State Fiscal Year 1991,

1 this calculation shall be made by utilizing the period from  
2 October 1, 1988, to June 30, 1989, to determine the tax amounts  
3 received from retailers and servicemen pursuant to the  
4 Municipal Retailers' Occupation Tax and the Municipal Service  
5 Occupation Tax Act which shall have deducted therefrom  
6 nine-twelfths of the certified Initial Sales Tax Amounts,  
7 Adjusted Initial Sales Tax Amounts or the Revised Initial Sales  
8 Tax Amounts as appropriate. For every State Fiscal Year  
9 thereafter, the applicable period shall be the 12 months  
10 beginning July 1 and ending June 30 to determine the tax  
11 amounts received which shall have deducted therefrom the  
12 certified Initial Sales Tax Amounts, the Adjusted Initial Sales  
13 Tax Amounts or the Revised Initial Sales Tax Amounts, as the  
14 case may be.

15 (i) "Net State Sales Tax Increment" means the sum of the  
16 following: (a) 80% of the first \$100,000 of State Sales Tax  
17 Increment annually generated within a State Sales Tax Boundary;  
18 (b) 60% of the amount in excess of \$100,000 but not exceeding  
19 \$500,000 of State Sales Tax Increment annually generated within  
20 a State Sales Tax Boundary; and (c) 40% of all amounts in  
21 excess of \$500,000 of State Sales Tax Increment annually  
22 generated within a State Sales Tax Boundary. If, however, a  
23 municipality established a tax increment financing district in  
24 a county with a population in excess of 3,000,000 before  
25 January 1, 1986, and the municipality entered into a contract  
26 or issued bonds after January 1, 1986, but before December 31,

1 1986, to finance redevelopment project costs within a State  
2 Sales Tax Boundary, then the Net State Sales Tax Increment  
3 means, for the fiscal years beginning July 1, 1990, and July 1,  
4 1991, 100% of the State Sales Tax Increment annually generated  
5 within a State Sales Tax Boundary; and notwithstanding any  
6 other provision of this Act, for those fiscal years the  
7 Department of Revenue shall distribute to those municipalities  
8 100% of their Net State Sales Tax Increment before any  
9 distribution to any other municipality and regardless of  
10 whether or not those other municipalities will receive 100% of  
11 their Net State Sales Tax Increment. For Fiscal Year 1999, and  
12 every year thereafter until the year 2007, for any municipality  
13 that has not entered into a contract or has not issued bonds  
14 prior to June 1, 1988 to finance redevelopment project costs  
15 within a State Sales Tax Boundary, the Net State Sales Tax  
16 Increment shall be calculated as follows: By multiplying the  
17 Net State Sales Tax Increment by 90% in the State Fiscal Year  
18 1999; 80% in the State Fiscal Year 2000; 70% in the State  
19 Fiscal Year 2001; 60% in the State Fiscal Year 2002; 50% in the  
20 State Fiscal Year 2003; 40% in the State Fiscal Year 2004; 30%  
21 in the State Fiscal Year 2005; 20% in the State Fiscal Year  
22 2006; and 10% in the State Fiscal Year 2007. No payment shall  
23 be made for State Fiscal Year 2008 and thereafter.

24 Municipalities that issued bonds in connection with a  
25 redevelopment project in a redevelopment project area within  
26 the State Sales Tax Boundary prior to July 29, 1991, or that

1 entered into contracts in connection with a redevelopment  
2 project in a redevelopment project area before June 1, 1988,  
3 shall continue to receive their proportional share of the  
4 Illinois Tax Increment Fund distribution until the date on  
5 which the redevelopment project is completed or terminated. If,  
6 however, a municipality that issued bonds in connection with a  
7 redevelopment project in a redevelopment project area within  
8 the State Sales Tax Boundary prior to July 29, 1991 retires the  
9 bonds prior to June 30, 2007 or a municipality that entered  
10 into contracts in connection with a redevelopment project in a  
11 redevelopment project area before June 1, 1988 completes the  
12 contracts prior to June 30, 2007, then so long as the  
13 redevelopment project is not completed or is not terminated,  
14 the Net State Sales Tax Increment shall be calculated,  
15 beginning on the date on which the bonds are retired or the  
16 contracts are completed, as follows: By multiplying the Net  
17 State Sales Tax Increment by 60% in the State Fiscal Year 2002;  
18 50% in the State Fiscal Year 2003; 40% in the State Fiscal Year  
19 2004; 30% in the State Fiscal Year 2005; 20% in the State  
20 Fiscal Year 2006; and 10% in the State Fiscal Year 2007. No  
21 payment shall be made for State Fiscal Year 2008 and  
22 thereafter. Refunding of any bonds issued prior to July 29,  
23 1991, shall not alter the Net State Sales Tax Increment.

24 (j) "State Utility Tax Increment Amount" means an amount  
25 equal to the aggregate increase in State electric and gas tax  
26 charges imposed on owners and tenants, other than residential

1 customers, of properties located within the redevelopment  
2 project area under Section 9-222 of the Public Utilities Act,  
3 over and above the aggregate of such charges as certified by  
4 the Department of Revenue and paid by owners and tenants, other  
5 than residential customers, of properties within the  
6 redevelopment project area during the base year, which shall be  
7 the calendar year immediately prior to the year of the adoption  
8 of the ordinance authorizing tax increment allocation  
9 financing.

10 (k) "Net State Utility Tax Increment" means the sum of the  
11 following: (a) 80% of the first \$100,000 of State Utility Tax  
12 Increment annually generated by a redevelopment project area;  
13 (b) 60% of the amount in excess of \$100,000 but not exceeding  
14 \$500,000 of the State Utility Tax Increment annually generated  
15 by a redevelopment project area; and (c) 40% of all amounts in  
16 excess of \$500,000 of State Utility Tax Increment annually  
17 generated by a redevelopment project area. For the State Fiscal  
18 Year 1999, and every year thereafter until the year 2007, for  
19 any municipality that has not entered into a contract or has  
20 not issued bonds prior to June 1, 1988 to finance redevelopment  
21 project costs within a redevelopment project area, the Net  
22 State Utility Tax Increment shall be calculated as follows: By  
23 multiplying the Net State Utility Tax Increment by 90% in the  
24 State Fiscal Year 1999; 80% in the State Fiscal Year 2000; 70%  
25 in the State Fiscal Year 2001; 60% in the State Fiscal Year  
26 2002; 50% in the State Fiscal Year 2003; 40% in the State

1 Fiscal Year 2004; 30% in the State Fiscal Year 2005; 20% in the  
2 State Fiscal Year 2006; and 10% in the State Fiscal Year 2007.  
3 No payment shall be made for the State Fiscal Year 2008 and  
4 thereafter.

5 Municipalities that issue bonds in connection with the  
6 redevelopment project during the period from June 1, 1988 until  
7 3 years after the effective date of this Amendatory Act of 1988  
8 shall receive the Net State Utility Tax Increment, subject to  
9 appropriation, for 15 State Fiscal Years after the issuance of  
10 such bonds. For the 16th through the 20th State Fiscal Years  
11 after issuance of the bonds, the Net State Utility Tax  
12 Increment shall be calculated as follows: By multiplying the  
13 Net State Utility Tax Increment by 90% in year 16; 80% in year  
14 17; 70% in year 18; 60% in year 19; and 50% in year 20.  
15 Refunding of any bonds issued prior to June 1, 1988, shall not  
16 alter the revised Net State Utility Tax Increment payments set  
17 forth above.

18 (l) "Obligations" mean bonds, loans, debentures, notes,  
19 special certificates or other evidence of indebtedness issued  
20 by the municipality to carry out a redevelopment project or to  
21 refund outstanding obligations.

22 (m) "Payment in lieu of taxes" means those estimated tax  
23 revenues from real property in a redevelopment project area  
24 derived from real property that has been acquired by a  
25 municipality which according to the redevelopment project or  
26 plan is to be used for a private use which taxing districts

1 would have received had a municipality not acquired the real  
2 property and adopted tax increment allocation financing and  
3 which would result from levies made after the time of the  
4 adoption of tax increment allocation financing to the time the  
5 current equalized value of real property in the redevelopment  
6 project area exceeds the total initial equalized value of real  
7 property in said area.

8 (n) "Redevelopment plan" means the comprehensive program  
9 of the municipality for development or redevelopment intended  
10 by the payment of redevelopment project costs to reduce or  
11 eliminate those conditions the existence of which qualified the  
12 redevelopment project area as a "blighted area" or  
13 "conservation area" or combination thereof or "industrial park  
14 conservation area," and thereby to enhance the tax bases of the  
15 taxing districts which extend into the redevelopment project  
16 area. On and after November 1, 1999 (the effective date of  
17 Public Act 91-478), no redevelopment plan may be approved or  
18 amended that includes the development of vacant land (i) with a  
19 golf course and related clubhouse and other facilities or (ii)  
20 designated by federal, State, county, or municipal government  
21 as public land for outdoor recreational activities or for  
22 nature preserves and used for that purpose within 5 years prior  
23 to the adoption of the redevelopment plan. For the purpose of  
24 this subsection, "recreational activities" is limited to mean  
25 camping and hunting. Each redevelopment plan shall set forth in  
26 writing the program to be undertaken to accomplish the

1 objectives and shall include but not be limited to:

2 (A) an itemized list of estimated redevelopment  
3 project costs;

4 (B) evidence indicating that the redevelopment project  
5 area on the whole has not been subject to growth and  
6 development through investment by private enterprise;

7 (C) an assessment of any financial impact of the  
8 redevelopment project area on or any increased demand for  
9 services from any taxing district affected by the plan and  
10 any program to address such financial impact or increased  
11 demand;

12 (D) the sources of funds to pay costs;

13 (E) the nature and term of the obligations to be  
14 issued;

15 (F) the most recent equalized assessed valuation of the  
16 redevelopment project area;

17 (G) an estimate as to the equalized assessed valuation  
18 after redevelopment and the general land uses to apply in  
19 the redevelopment project area;

20 (H) a commitment to fair employment practices and an  
21 affirmative action plan;

22 (I) if it concerns an industrial park conservation  
23 area, the plan shall also include a general description of  
24 any proposed developer, user and tenant of any property, a  
25 description of the type, structure and general character of  
26 the facilities to be developed, a description of the type,

1 class and number of new employees to be employed in the  
2 operation of the facilities to be developed; and

3 (J) if property is to be annexed to the municipality,  
4 the plan shall include the terms of the annexation  
5 agreement.

6 The provisions of items (B) and (C) of this subsection (n)  
7 shall not apply to a municipality that before March 14, 1994  
8 (the effective date of Public Act 88-537) had fixed, either by  
9 its corporate authorities or by a commission designated under  
10 subsection (k) of Section 11-74.4-4, a time and place for a  
11 public hearing as required by subsection (a) of Section  
12 11-74.4-5. No redevelopment plan shall be adopted unless a  
13 municipality complies with all of the following requirements:

14 (1) The municipality finds that the redevelopment  
15 project area on the whole has not been subject to growth  
16 and development through investment by private enterprise  
17 and would not reasonably be anticipated to be developed  
18 without the adoption of the redevelopment plan.

19 (2) The municipality finds that the redevelopment plan  
20 and project conform to the comprehensive plan for the  
21 development of the municipality as a whole, or, for  
22 municipalities with a population of 100,000 or more,  
23 regardless of when the redevelopment plan and project was  
24 adopted, the redevelopment plan and project either: (i)  
25 conforms to the strategic economic development or  
26 redevelopment plan issued by the designated planning

1 authority of the municipality, or (ii) includes land uses  
2 that have been approved by the planning commission of the  
3 municipality.

4 (3) The redevelopment plan establishes the estimated  
5 dates of completion of the redevelopment project and  
6 retirement of obligations issued to finance redevelopment  
7 project costs. Those dates may not be later than the dates  
8 set forth under Section 11-74.4-3.5.: ~~shall not be later~~

~~11-74.4-8 only, shall be not more than 35 years for redevelopment project areas that were established on or after December 1, 1981 but before January 1, 1982 and for which at least \$1,500,000 worth of tax increment revenue bonds were authorized on or after September 30, 1990 but before July 1, 1991; provided that the municipality elects to extend the life of the redevelopment project area to 35 years by the adoption of an ordinance after at least 14 but not more than 30 days' written notice to the taxing bodies, that would otherwise constitute the joint review board for the redevelopment project area, before the adoption of the ordinance.~~

(3.5) The municipality finds, in the case of an industrial park conservation area, also that the municipality is a labor surplus municipality and that the implementation of the redevelopment plan will reduce unemployment, create new jobs and by the provision of new facilities enhance the tax base of the taxing districts that extend into the redevelopment project area.

(4) If any incremental revenues are being utilized under Section 8(a)(1) or 8(a)(2) of this Act in redevelopment project areas approved by ordinance after January 1, 1986, the municipality finds: (a) that the redevelopment project area would not reasonably be developed without the use of such incremental revenues, and (b) that such incremental revenues will be exclusively

1 utilized for the development of the redevelopment project  
2 area.

3 (5) If the redevelopment plan will not result in  
4 displacement of residents from 10 or more inhabited  
5 residential units, and the municipality certifies in the  
6 plan that such displacement will not result from the plan,  
7 a housing impact study need not be performed. If, however,  
8 the redevelopment plan would result in the displacement of  
9 residents from 10 or more inhabited residential units, or  
10 if the redevelopment project area contains 75 or more  
11 inhabited residential units and no certification is made,  
12 then the municipality shall prepare, as part of the  
13 separate feasibility report required by subsection (a) of  
14 Section 11-74.4-5, a housing impact study.

15 Part I of the housing impact study shall include (i)  
16 data as to whether the residential units are single family  
17 or multi-family units, (ii) the number and type of rooms  
18 within the units, if that information is available, (iii)  
19 whether the units are inhabited or uninhabited, as  
20 determined not less than 45 days before the date that the  
21 ordinance or resolution required by subsection (a) of  
22 Section 11-74.4-5 is passed, and (iv) data as to the racial  
23 and ethnic composition of the residents in the inhabited  
24 residential units. The data requirement as to the racial  
25 and ethnic composition of the residents in the inhabited  
26 residential units shall be deemed to be fully satisfied by

1 data from the most recent federal census.

2 Part II of the housing impact study shall identify the  
3 inhabited residential units in the proposed redevelopment  
4 project area that are to be or may be removed. If inhabited  
5 residential units are to be removed, then the housing  
6 impact study shall identify (i) the number and location of  
7 those units that will or may be removed, (ii) the  
8 municipality's plans for relocation assistance for those  
9 residents in the proposed redevelopment project area whose  
10 residences are to be removed, (iii) the availability of  
11 replacement housing for those residents whose residences  
12 are to be removed, and shall identify the type, location,  
13 and cost of the housing, and (iv) the type and extent of  
14 relocation assistance to be provided.

15 (6) On and after November 1, 1999, the housing impact  
16 study required by paragraph (5) shall be incorporated in  
17 the redevelopment plan for the redevelopment project area.

18 (7) On and after November 1, 1999, no redevelopment  
19 plan shall be adopted, nor an existing plan amended, nor  
20 shall residential housing that is occupied by households of  
21 low-income and very low-income persons in currently  
22 existing redevelopment project areas be removed after  
23 November 1, 1999 unless the redevelopment plan provides,  
24 with respect to inhabited housing units that are to be  
25 removed for households of low-income and very low-income  
26 persons, affordable housing and relocation assistance not

1 less than that which would be provided under the federal  
2 Uniform Relocation Assistance and Real Property  
3 Acquisition Policies Act of 1970 and the regulations under  
4 that Act, including the eligibility criteria. Affordable  
5 housing may be either existing or newly constructed  
6 housing. For purposes of this paragraph (7), "low-income  
7 households", "very low-income households", and "affordable  
8 housing" have the meanings set forth in the Illinois  
9 Affordable Housing Act. The municipality shall make a good  
10 faith effort to ensure that this affordable housing is  
11 located in or near the redevelopment project area within  
12 the municipality.

13 (8) On and after November 1, 1999, if, after the  
14 adoption of the redevelopment plan for the redevelopment  
15 project area, any municipality desires to amend its  
16 redevelopment plan to remove more inhabited residential  
17 units than specified in its original redevelopment plan,  
18 that change shall be made in accordance with the procedures  
19 in subsection (c) of Section 11-74.4-5.

20 (9) For redevelopment project areas designated prior  
21 to November 1, 1999, the redevelopment plan may be amended  
22 without further joint review board meeting or hearing,  
23 provided that the municipality shall give notice of any  
24 such changes by mail to each affected taxing district and  
25 registrant on the interested party registry, to authorize  
26 the municipality to expend tax increment revenues for

1 redevelopment project costs defined by paragraphs (5) and  
2 (7.5), subparagraphs (E) and (F) of paragraph (11), and  
3 paragraph (11.5) of subsection (q) of Section 11-74.4-3, so  
4 long as the changes do not increase the total estimated  
5 redevelopment project costs set out in the redevelopment  
6 plan by more than 5% after adjustment for inflation from  
7 the date the plan was adopted.

8 (o) "Redevelopment project" means any public and private  
9 development project in furtherance of the objectives of a  
10 redevelopment plan. On and after November 1, 1999 (the  
11 effective date of Public Act 91-478), no redevelopment plan may  
12 be approved or amended that includes the development of vacant  
13 land (i) with a golf course and related clubhouse and other  
14 facilities or (ii) designated by federal, State, county, or  
15 municipal government as public land for outdoor recreational  
16 activities or for nature preserves and used for that purpose  
17 within 5 years prior to the adoption of the redevelopment plan.  
18 For the purpose of this subsection, "recreational activities"  
19 is limited to mean camping and hunting.

20 (p) "Redevelopment project area" means an area designated  
21 by the municipality, which is not less in the aggregate than 1  
22 1/2 acres and in respect to which the municipality has made a  
23 finding that there exist conditions which cause the area to be  
24 classified as an industrial park conservation area or a  
25 blighted area or a conservation area, or a combination of both  
26 blighted areas and conservation areas.

1 (q) "Redevelopment project costs" mean and include the sum  
2 total of all reasonable or necessary costs incurred or  
3 estimated to be incurred, and any such costs incidental to a  
4 redevelopment plan and a redevelopment project. Such costs  
5 include, without limitation, the following:

6 (1) Costs of studies, surveys, development of plans,  
7 and specifications, implementation and administration of  
8 the redevelopment plan including but not limited to staff  
9 and professional service costs for architectural,  
10 engineering, legal, financial, planning or other services,  
11 provided however that no charges for professional services  
12 may be based on a percentage of the tax increment  
13 collected; except that on and after November 1, 1999 (the  
14 effective date of Public Act 91-478), no contracts for  
15 professional services, excluding architectural and  
16 engineering services, may be entered into if the terms of  
17 the contract extend beyond a period of 3 years. In  
18 addition, "redevelopment project costs" shall not include  
19 lobbying expenses. After consultation with the  
20 municipality, each tax increment consultant or advisor to a  
21 municipality that plans to designate or has designated a  
22 redevelopment project area shall inform the municipality  
23 in writing of any contracts that the consultant or advisor  
24 has entered into with entities or individuals that have  
25 received, or are receiving, payments financed by tax  
26 increment revenues produced by the redevelopment project

1 area with respect to which the consultant or advisor has  
2 performed, or will be performing, service for the  
3 municipality. This requirement shall be satisfied by the  
4 consultant or advisor before the commencement of services  
5 for the municipality and thereafter whenever any other  
6 contracts with those individuals or entities are executed  
7 by the consultant or advisor;

8 (1.5) After July 1, 1999, annual administrative costs  
9 shall not include general overhead or administrative costs  
10 of the municipality that would still have been incurred by  
11 the municipality if the municipality had not designated a  
12 redevelopment project area or approved a redevelopment  
13 plan;

14 (1.6) The cost of marketing sites within the  
15 redevelopment project area to prospective businesses,  
16 developers, and investors;

17 (2) Property assembly costs, including but not limited  
18 to acquisition of land and other property, real or  
19 personal, or rights or interests therein, demolition of  
20 buildings, site preparation, site improvements that serve  
21 as an engineered barrier addressing ground level or below  
22 ground environmental contamination, including, but not  
23 limited to parking lots and other concrete or asphalt  
24 barriers, and the clearing and grading of land;

25 (3) Costs of rehabilitation, reconstruction or repair  
26 or remodeling of existing public or private buildings,

1 fixtures, and leasehold improvements; and the cost of  
2 replacing an existing public building if pursuant to the  
3 implementation of a redevelopment project the existing  
4 public building is to be demolished to use the site for  
5 private investment or devoted to a different use requiring  
6 private investment;

7 (4) Costs of the construction of public works or  
8 improvements, except that on and after November 1, 1999,  
9 redevelopment project costs shall not include the cost of  
10 constructing a new municipal public building principally  
11 used to provide offices, storage space, or conference  
12 facilities or vehicle storage, maintenance, or repair for  
13 administrative, public safety, or public works personnel  
14 and that is not intended to replace an existing public  
15 building as provided under paragraph (3) of subsection (q)  
16 of Section 11-74.4-3 unless either (i) the construction of  
17 the new municipal building implements a redevelopment  
18 project that was included in a redevelopment plan that was  
19 adopted by the municipality prior to November 1, 1999 or  
20 (ii) the municipality makes a reasonable determination in  
21 the redevelopment plan, supported by information that  
22 provides the basis for that determination, that the new  
23 municipal building is required to meet an increase in the  
24 need for public safety purposes anticipated to result from  
25 the implementation of the redevelopment plan;

26 (5) Costs of job training and retraining projects,

1 including the cost of "welfare to work" programs  
2 implemented by businesses located within the redevelopment  
3 project area;

4 (6) Financing costs, including but not limited to all  
5 necessary and incidental expenses related to the issuance  
6 of obligations and which may include payment of interest on  
7 any obligations issued hereunder including interest  
8 accruing during the estimated period of construction of any  
9 redevelopment project for which such obligations are  
10 issued and for not exceeding 36 months thereafter and  
11 including reasonable reserves related thereto;

12 (7) To the extent the municipality by written agreement  
13 accepts and approves the same, all or a portion of a taxing  
14 district's capital costs resulting from the redevelopment  
15 project necessarily incurred or to be incurred within a  
16 taxing district in furtherance of the objectives of the  
17 redevelopment plan and project.

18 (7.5) For redevelopment project areas designated (or  
19 redevelopment project areas amended to add or increase the  
20 number of tax-increment-financing assisted housing units)  
21 on or after November 1, 1999, an elementary, secondary, or  
22 unit school district's increased costs attributable to  
23 assisted housing units located within the redevelopment  
24 project area for which the developer or redeveloper  
25 receives financial assistance through an agreement with  
26 the municipality or because the municipality incurs the

1 cost of necessary infrastructure improvements within the  
2 boundaries of the assisted housing sites necessary for the  
3 completion of that housing as authorized by this Act, and  
4 which costs shall be paid by the municipality from the  
5 Special Tax Allocation Fund when the tax increment revenue  
6 is received as a result of the assisted housing units and  
7 shall be calculated annually as follows:

8 (A) for foundation districts, excluding any school  
9 district in a municipality with a population in excess  
10 of 1,000,000, by multiplying the district's increase  
11 in attendance resulting from the net increase in new  
12 students enrolled in that school district who reside in  
13 housing units within the redevelopment project area  
14 that have received financial assistance through an  
15 agreement with the municipality or because the  
16 municipality incurs the cost of necessary  
17 infrastructure improvements within the boundaries of  
18 the housing sites necessary for the completion of that  
19 housing as authorized by this Act since the designation  
20 of the redevelopment project area by the most recently  
21 available per capita tuition cost as defined in Section  
22 10-20.12a of the School Code less any increase in  
23 general State aid as defined in Section 18-8.05 of the  
24 School Code attributable to these added new students  
25 subject to the following annual limitations:

26 (i) for unit school districts with a district

1 average 1995-96 Per Capita Tuition Charge of less  
2 than \$5,900, no more than 25% of the total amount  
3 of property tax increment revenue produced by  
4 those housing units that have received tax  
5 increment finance assistance under this Act;

6 (ii) for elementary school districts with a  
7 district average 1995-96 Per Capita Tuition Charge  
8 of less than \$5,900, no more than 17% of the total  
9 amount of property tax increment revenue produced  
10 by those housing units that have received tax  
11 increment finance assistance under this Act; and

12 (iii) for secondary school districts with a  
13 district average 1995-96 Per Capita Tuition Charge  
14 of less than \$5,900, no more than 8% of the total  
15 amount of property tax increment revenue produced  
16 by those housing units that have received tax  
17 increment finance assistance under this Act.

18 (B) For alternate method districts, flat grant  
19 districts, and foundation districts with a district  
20 average 1995-96 Per Capita Tuition Charge equal to or  
21 more than \$5,900, excluding any school district with a  
22 population in excess of 1,000,000, by multiplying the  
23 district's increase in attendance resulting from the  
24 net increase in new students enrolled in that school  
25 district who reside in housing units within the  
26 redevelopment project area that have received

1 financial assistance through an agreement with the  
2 municipality or because the municipality incurs the  
3 cost of necessary infrastructure improvements within  
4 the boundaries of the housing sites necessary for the  
5 completion of that housing as authorized by this Act  
6 since the designation of the redevelopment project  
7 area by the most recently available per capita tuition  
8 cost as defined in Section 10-20.12a of the School Code  
9 less any increase in general state aid as defined in  
10 Section 18-8.05 of the School Code attributable to  
11 these added new students subject to the following  
12 annual limitations:

13 (i) for unit school districts, no more than 40%  
14 of the total amount of property tax increment  
15 revenue produced by those housing units that have  
16 received tax increment finance assistance under  
17 this Act;

18 (ii) for elementary school districts, no more  
19 than 27% of the total amount of property tax  
20 increment revenue produced by those housing units  
21 that have received tax increment finance  
22 assistance under this Act; and

23 (iii) for secondary school districts, no more  
24 than 13% of the total amount of property tax  
25 increment revenue produced by those housing units  
26 that have received tax increment finance

1 assistance under this Act.

2 (C) For any school district in a municipality with  
3 a population in excess of 1,000,000, the following  
4 restrictions shall apply to the reimbursement of  
5 increased costs under this paragraph (7.5):

6 (i) no increased costs shall be reimbursed  
7 unless the school district certifies that each of  
8 the schools affected by the assisted housing  
9 project is at or over its student capacity;

10 (ii) the amount reimbursable shall be reduced  
11 by the value of any land donated to the school  
12 district by the municipality or developer, and by  
13 the value of any physical improvements made to the  
14 schools by the municipality or developer; and

15 (iii) the amount reimbursed may not affect  
16 amounts otherwise obligated by the terms of any  
17 bonds, notes, or other funding instruments, or the  
18 terms of any redevelopment agreement.

19 Any school district seeking payment under this  
20 paragraph (7.5) shall, after July 1 and before  
21 September 30 of each year, provide the municipality  
22 with reasonable evidence to support its claim for  
23 reimbursement before the municipality shall be  
24 required to approve or make the payment to the school  
25 district. If the school district fails to provide the  
26 information during this period in any year, it shall

1           forfeit any claim to reimbursement for that year.  
2           School districts may adopt a resolution waiving the  
3           right to all or a portion of the reimbursement  
4           otherwise required by this paragraph (7.5). By  
5           acceptance of this reimbursement the school district  
6           waives the right to directly or indirectly set aside,  
7           modify, or contest in any manner the establishment of  
8           the redevelopment project area or projects;

9           (7.7) For redevelopment project areas designated (or  
10          redevelopment project areas amended to add or increase the  
11          number of tax-increment-financing assisted housing units)  
12          on or after January 1, 2005 (the effective date of Public  
13          Act 93-961), a public library district's increased costs  
14          attributable to assisted housing units located within the  
15          redevelopment project area for which the developer or  
16          redeveloper receives financial assistance through an  
17          agreement with the municipality or because the  
18          municipality incurs the cost of necessary infrastructure  
19          improvements within the boundaries of the assisted housing  
20          sites necessary for the completion of that housing as  
21          authorized by this Act shall be paid to the library  
22          district by the municipality from the Special Tax  
23          Allocation Fund when the tax increment revenue is received  
24          as a result of the assisted housing units. This paragraph  
25          (7.7) applies only if (i) the library district is located  
26          in a county that is subject to the Property Tax Extension

1           Limitation Law or (ii) the library district is not located  
2           in a county that is subject to the Property Tax Extension  
3           Limitation Law but the district is prohibited by any other  
4           law from increasing its tax levy rate without a prior voter  
5           referendum.

6           The amount paid to a library district under this  
7           paragraph (7.7) shall be calculated by multiplying (i) the  
8           net increase in the number of persons eligible to obtain a  
9           library card in that district who reside in housing units  
10          within the redevelopment project area that have received  
11          financial assistance through an agreement with the  
12          municipality or because the municipality incurs the cost of  
13          necessary infrastructure improvements within the  
14          boundaries of the housing sites necessary for the  
15          completion of that housing as authorized by this Act since  
16          the designation of the redevelopment project area by (ii)  
17          the per-patron cost of providing library services so long  
18          as it does not exceed \$120. The per-patron cost shall be  
19          the Total Operating Expenditures Per Capita as stated in  
20          the most recent Illinois Public Library Statistics  
21          produced by the Library Research Center at the University  
22          of Illinois. The municipality may deduct from the amount  
23          that it must pay to a library district under this paragraph  
24          any amount that it has voluntarily paid to the library  
25          district from the tax increment revenue. The amount paid to  
26          a library district under this paragraph (7.7) shall be no

1 more than 2% of the amount produced by the assisted housing  
2 units and deposited into the Special Tax Allocation Fund.

3 A library district is not eligible for any payment  
4 under this paragraph (7.7) unless the library district has  
5 experienced an increase in the number of patrons from the  
6 municipality that created the tax-increment-financing  
7 district since the designation of the redevelopment  
8 project area.

9 Any library district seeking payment under this  
10 paragraph (7.7) shall, after July 1 and before September 30  
11 of each year, provide the municipality with convincing  
12 evidence to support its claim for reimbursement before the  
13 municipality shall be required to approve or make the  
14 payment to the library district. If the library district  
15 fails to provide the information during this period in any  
16 year, it shall forfeit any claim to reimbursement for that  
17 year. Library districts may adopt a resolution waiving the  
18 right to all or a portion of the reimbursement otherwise  
19 required by this paragraph (7.7). By acceptance of such  
20 reimbursement, the library district shall forfeit any  
21 right to directly or indirectly set aside, modify, or  
22 contest in any manner whatsoever the establishment of the  
23 redevelopment project area or projects;

24 (8) Relocation costs to the extent that a municipality  
25 determines that relocation costs shall be paid or is  
26 required to make payment of relocation costs by federal or

1 State law or in order to satisfy subparagraph (7) of  
2 subsection (n);

3 (9) Payment in lieu of taxes;

4 (10) Costs of job training, retraining, advanced  
5 vocational education or career education, including but  
6 not limited to courses in occupational, semi-technical or  
7 technical fields leading directly to employment, incurred  
8 by one or more taxing districts, provided that such costs

9 (i) are related to the establishment and maintenance of  
10 additional job training, advanced vocational education or  
11 career education programs for persons employed or to be  
12 employed by employers located in a redevelopment project  
13 area; and (ii) when incurred by a taxing district or taxing  
14 districts other than the municipality, are set forth in a  
15 written agreement by or among the municipality and the  
16 taxing district or taxing districts, which agreement  
17 describes the program to be undertaken, including but not  
18 limited to the number of employees to be trained, a  
19 description of the training and services to be provided,  
20 the number and type of positions available or to be  
21 available, itemized costs of the program and sources of  
22 funds to pay for the same, and the term of the agreement.

23 Such costs include, specifically, the payment by community  
24 college districts of costs pursuant to Sections 3-37, 3-38,  
25 3-40 and 3-40.1 of the Public Community College Act and by  
26 school districts of costs pursuant to Sections 10-22.20a

1 and 10-23.3a of The School Code;

2 (11) Interest cost incurred by a redeveloper related to  
3 the construction, renovation or rehabilitation of a  
4 redevelopment project provided that:

5 (A) such costs are to be paid directly from the  
6 special tax allocation fund established pursuant to  
7 this Act;

8 (B) such payments in any one year may not exceed  
9 30% of the annual interest costs incurred by the  
10 redeveloper with regard to the redevelopment project  
11 during that year;

12 (C) if there are not sufficient funds available in  
13 the special tax allocation fund to make the payment  
14 pursuant to this paragraph (11) then the amounts so due  
15 shall accrue and be payable when sufficient funds are  
16 available in the special tax allocation fund;

17 (D) the total of such interest payments paid  
18 pursuant to this Act may not exceed 30% of the total  
19 (i) cost paid or incurred by the redeveloper for the  
20 redevelopment project plus (ii) redevelopment project  
21 costs excluding any property assembly costs and any  
22 relocation costs incurred by a municipality pursuant  
23 to this Act; and

24 (E) the cost limits set forth in subparagraphs (B)  
25 and (D) of paragraph (11) shall be modified for the  
26 financing of rehabilitated or new housing units for

1 low-income households and very low-income households,  
2 as defined in Section 3 of the Illinois Affordable  
3 Housing Act. The percentage of 75% shall be substituted  
4 for 30% in subparagraphs (B) and (D) of paragraph (11).

5 (F) Instead of the eligible costs provided by  
6 subparagraphs (B) and (D) of paragraph (11), as  
7 modified by this subparagraph, and notwithstanding any  
8 other provisions of this Act to the contrary, the  
9 municipality may pay from tax increment revenues up to  
10 50% of the cost of construction of new housing units to  
11 be occupied by low-income households and very  
12 low-income households as defined in Section 3 of the  
13 Illinois Affordable Housing Act. The cost of  
14 construction of those units may be derived from the  
15 proceeds of bonds issued by the municipality under this  
16 Act or other constitutional or statutory authority or  
17 from other sources of municipal revenue that may be  
18 reimbursed from tax increment revenues or the proceeds  
19 of bonds issued to finance the construction of that  
20 housing.

21 The eligible costs provided under this  
22 subparagraph (F) of paragraph (11) shall be an eligible  
23 cost for the construction, renovation, and  
24 rehabilitation of all low and very low-income housing  
25 units, as defined in Section 3 of the Illinois  
26 Affordable Housing Act, within the redevelopment

1 project area. If the low and very low-income units are  
2 part of a residential redevelopment project that  
3 includes units not affordable to low and very  
4 low-income households, only the low and very  
5 low-income units shall be eligible for benefits under  
6 subparagraph (F) of paragraph (11). The standards for  
7 maintaining the occupancy by low-income households and  
8 very low-income households, as defined in Section 3 of  
9 the Illinois Affordable Housing Act, of those units  
10 constructed with eligible costs made available under  
11 the provisions of this subparagraph (F) of paragraph  
12 (11) shall be established by guidelines adopted by the  
13 municipality. The responsibility for annually  
14 documenting the initial occupancy of the units by  
15 low-income households and very low-income households,  
16 as defined in Section 3 of the Illinois Affordable  
17 Housing Act, shall be that of the then current owner of  
18 the property. For ownership units, the guidelines will  
19 provide, at a minimum, for a reasonable recapture of  
20 funds, or other appropriate methods designed to  
21 preserve the original affordability of the ownership  
22 units. For rental units, the guidelines will provide,  
23 at a minimum, for the affordability of rent to low and  
24 very low-income households. As units become available,  
25 they shall be rented to income-eligible tenants. The  
26 municipality may modify these guidelines from time to

1           time; the guidelines, however, shall be in effect for  
2           as long as tax increment revenue is being used to pay  
3           for costs associated with the units or for the  
4           retirement of bonds issued to finance the units or for  
5           the life of the redevelopment project area, whichever  
6           is later.

7           (11.5) If the redevelopment project area is located  
8           within a municipality with a population of more than  
9           100,000, the cost of day care services for children of  
10          employees from low-income families working for businesses  
11          located within the redevelopment project area and all or a  
12          portion of the cost of operation of day care centers  
13          established by redevelopment project area businesses to  
14          serve employees from low-income families working in  
15          businesses located in the redevelopment project area. For  
16          the purposes of this paragraph, "low-income families"  
17          means families whose annual income does not exceed 80% of  
18          the municipal, county, or regional median income, adjusted  
19          for family size, as the annual income and municipal,  
20          county, or regional median income are determined from time  
21          to time by the United States Department of Housing and  
22          Urban Development.

23          (12) Unless explicitly stated herein the cost of  
24          construction of new privately-owned buildings shall not be  
25          an eligible redevelopment project cost.

26          (13) After November 1, 1999 (the effective date of

1 Public Act 91-478), none of the redevelopment project costs  
2 enumerated in this subsection shall be eligible  
3 redevelopment project costs if those costs would provide  
4 direct financial support to a retail entity initiating  
5 operations in the redevelopment project area while  
6 terminating operations at another Illinois location within  
7 10 miles of the redevelopment project area but outside the  
8 boundaries of the redevelopment project area municipality.  
9 For purposes of this paragraph, termination means a closing  
10 of a retail operation that is directly related to the  
11 opening of the same operation or like retail entity owned  
12 or operated by more than 50% of the original ownership in a  
13 redevelopment project area, but it does not mean closing an  
14 operation for reasons beyond the control of the retail  
15 entity, as documented by the retail entity, subject to a  
16 reasonable finding by the municipality that the current  
17 location contained inadequate space, had become  
18 economically obsolete, or was no longer a viable location  
19 for the retailer or serviceman.

20 If a special service area has been established pursuant to  
21 the Special Service Area Tax Act or Special Service Area Tax  
22 Law, then any tax increment revenues derived from the tax  
23 imposed pursuant to the Special Service Area Tax Act or Special  
24 Service Area Tax Law may be used within the redevelopment  
25 project area for the purposes permitted by that Act or Law as  
26 well as the purposes permitted by this Act.

1           (r) "State Sales Tax Boundary" means the redevelopment  
2 project area or the amended redevelopment project area  
3 boundaries which are determined pursuant to subsection (9) of  
4 Section 11-74.4-8a of this Act. The Department of Revenue shall  
5 certify pursuant to subsection (9) of Section 11-74.4-8a the  
6 appropriate boundaries eligible for the determination of State  
7 Sales Tax Increment.

8           (s) "State Sales Tax Increment" means an amount equal to  
9 the increase in the aggregate amount of taxes paid by retailers  
10 and servicemen, other than retailers and servicemen subject to  
11 the Public Utilities Act, on transactions at places of business  
12 located within a State Sales Tax Boundary pursuant to the  
13 Retailers' Occupation Tax Act, the Use Tax Act, the Service Use  
14 Tax Act, and the Service Occupation Tax Act, except such  
15 portion of such increase that is paid into the State and Local  
16 Sales Tax Reform Fund, the Local Government Distributive Fund,  
17 the Local Government Tax Fund and the County and Mass Transit  
18 District Fund, for as long as State participation exists, over  
19 and above the Initial Sales Tax Amounts, Adjusted Initial Sales  
20 Tax Amounts or the Revised Initial Sales Tax Amounts for such  
21 taxes as certified by the Department of Revenue and paid under  
22 those Acts by retailers and servicemen on transactions at  
23 places of business located within the State Sales Tax Boundary  
24 during the base year which shall be the calendar year  
25 immediately prior to the year in which the municipality adopted  
26 tax increment allocation financing, less 3.0% of such amounts

1 generated under the Retailers' Occupation Tax Act, Use Tax Act  
2 and Service Use Tax Act and the Service Occupation Tax Act,  
3 which sum shall be appropriated to the Department of Revenue to  
4 cover its costs of administering and enforcing this Section.  
5 For purposes of computing the aggregate amount of such taxes  
6 for base years occurring prior to 1985, the Department of  
7 Revenue shall compute the Initial Sales Tax Amount for such  
8 taxes and deduct therefrom an amount equal to 4% of the  
9 aggregate amount of taxes per year for each year the base year  
10 is prior to 1985, but not to exceed a total deduction of 12%.  
11 The amount so determined shall be known as the "Adjusted  
12 Initial Sales Tax Amount". For purposes of determining the  
13 State Sales Tax Increment the Department of Revenue shall for  
14 each period subtract from the tax amounts received from  
15 retailers and servicemen on transactions located in the State  
16 Sales Tax Boundary, the certified Initial Sales Tax Amounts,  
17 Adjusted Initial Sales Tax Amounts or Revised Initial Sales Tax  
18 Amounts for the Retailers' Occupation Tax Act, the Use Tax Act,  
19 the Service Use Tax Act and the Service Occupation Tax Act. For  
20 the State Fiscal Year 1989 this calculation shall be made by  
21 utilizing the calendar year 1987 to determine the tax amounts  
22 received. For the State Fiscal Year 1990, this calculation  
23 shall be made by utilizing the period from January 1, 1988,  
24 until September 30, 1988, to determine the tax amounts received  
25 from retailers and servicemen, which shall have deducted  
26 therefrom nine-twelfths of the certified Initial Sales Tax

1 Amounts, Adjusted Initial Sales Tax Amounts or the Revised  
2 Initial Sales Tax Amounts as appropriate. For the State Fiscal  
3 Year 1991, this calculation shall be made by utilizing the  
4 period from October 1, 1988, until June 30, 1989, to determine  
5 the tax amounts received from retailers and servicemen, which  
6 shall have deducted therefrom nine-twelfths of the certified  
7 Initial State Sales Tax Amounts, Adjusted Initial Sales Tax  
8 Amounts or the Revised Initial Sales Tax Amounts as  
9 appropriate. For every State Fiscal Year thereafter, the  
10 applicable period shall be the 12 months beginning July 1 and  
11 ending on June 30, to determine the tax amounts received which  
12 shall have deducted therefrom the certified Initial Sales Tax  
13 Amounts, Adjusted Initial Sales Tax Amounts or the Revised  
14 Initial Sales Tax Amounts. Municipalities intending to receive  
15 a distribution of State Sales Tax Increment must report a list  
16 of retailers to the Department of Revenue by October 31, 1988  
17 and by July 31, of each year thereafter.

18 (t) "Taxing districts" means counties, townships, cities  
19 and incorporated towns and villages, school, road, park,  
20 sanitary, mosquito abatement, forest preserve, public health,  
21 fire protection, river conservancy, tuberculosis sanitarium  
22 and any other municipal corporations or districts with the  
23 power to levy taxes.

24 (u) "Taxing districts' capital costs" means those costs of  
25 taxing districts for capital improvements that are found by the  
26 municipal corporate authorities to be necessary and directly

1 result from the redevelopment project.

2 (v) As used in subsection (a) of Section 11-74.4-3 of this  
3 Act, "vacant land" means any parcel or combination of parcels  
4 of real property without industrial, commercial, and  
5 residential buildings which has not been used for commercial  
6 agricultural purposes within 5 years prior to the designation  
7 of the redevelopment project area, unless the parcel is  
8 included in an industrial park conservation area or the parcel  
9 has been subdivided; provided that if the parcel was part of a  
10 larger tract that has been divided into 3 or more smaller  
11 tracts that were accepted for recording during the period from  
12 1950 to 1990, then the parcel shall be deemed to have been  
13 subdivided, and all proceedings and actions of the municipality  
14 taken in that connection with respect to any previously  
15 approved or designated redevelopment project area or amended  
16 redevelopment project area are hereby validated and hereby  
17 declared to be legally sufficient for all purposes of this Act.  
18 For purposes of this Section and only for land subject to the  
19 subdivision requirements of the Plat Act, land is subdivided  
20 when the original plat of the proposed Redevelopment Project  
21 Area or relevant portion thereof has been properly certified,  
22 acknowledged, approved, and recorded or filed in accordance  
23 with the Plat Act and a preliminary plat, if any, for any  
24 subsequent phases of the proposed Redevelopment Project Area or  
25 relevant portion thereof has been properly approved and filed  
26 in accordance with the applicable ordinance of the

1 municipality.

2 (w) "Annual Total Increment" means the sum of each  
3 municipality's annual Net Sales Tax Increment and each  
4 municipality's annual Net Utility Tax Increment. The ratio of  
5 the Annual Total Increment of each municipality to the Annual  
6 Total Increment for all municipalities, as most recently  
7 calculated by the Department, shall determine the proportional  
8 shares of the Illinois Tax Increment Fund to be distributed to  
9 each municipality.

23 Section 11-74.4-7) may be extended by municipal ordinance to  
24 December 31, 2013. The termination procedures of subsection (b)  
25 of Section 11-74.4-8 are not required for these redevelopment  
26 project areas in 2009 but are required in 2013. The extension

1 allowed by Public Act 87-1272 shall not apply to real property  
2 tax increment allocation financing under Section 11-74.4-8.

3 (e) Those dates, for purposes of real property tax  
4 increment allocation financing pursuant to Section 11-74.4-8  
5 only, shall be not more than 35 years for redevelopment project  
6 areas that were adopted on or after December 16, 1986 and for  
7 which at least \$8 million worth of municipal bonds were  
8 authorized on or after December 19, 1989 but before January 1,  
9 1990; provided that the municipality elects to extend the life  
10 of the redevelopment project area to 35 years by the adoption  
11 of an ordinance after at least 14 but not more than 30 days'  
12 written notice to the taxing bodies, that would otherwise  
13 constitute the joint review board for the redevelopment project  
14 area, before the adoption of the ordinance.

15 (f) Those dates, for purposes of real property tax  
16 increment allocation financing pursuant to Section 11-74.4-8  
17 only, shall be not more than 35 years for redevelopment project  
18 areas that were established on or after December 1, 1981 but  
19 before January 1, 1982 and for which at least \$1,500,000 worth  
20 of tax increment revenue bonds were authorized on or after  
21 September 30, 1990 but before July 1, 1991; provided that the  
22 municipality elects to extend the life of the redevelopment  
23 project area to 35 years by the adoption of an ordinance after  
24 at least 14 but not more than 30 days' written notice to the  
25 taxing bodies, that would otherwise constitute the joint review  
26 board for the redevelopment project area, before the adoption

1 of the ordinance.

2 (g) In consolidating the material relating to completion  
3 dates from Sections 11-74.4-3 and 11-74.4-7 into this Section,  
4 it is not the intent of the 95th General Assembly to make any  
5 substantive change in the law, except for the extension of the  
6 completion date for the City of Aurora set forth under item  
7 (67) of subsection (c) of this Section.

8 (65 ILCS 5/11-74.4-7) (from Ch. 24, par. 11-74.4-7)

9 Sec. 11-74.4-7. Obligations secured by the special tax  
10 allocation fund set forth in Section 11-74.4-8 for the  
11 redevelopment project area may be issued to provide for  
12 redevelopment project costs. Such obligations, when so issued,  
13 shall be retired in the manner provided in the ordinance  
14 authorizing the issuance of such obligations by the receipts of  
15 taxes levied as specified in Section 11-74.4-9 against the  
16 taxable property included in the area, by revenues as specified  
17 by Section 11-74.4-8a and other revenue designated by the  
18 municipality. A municipality may in the ordinance pledge all or  
19 any part of the funds in and to be deposited in the special tax  
20 allocation fund created pursuant to Section 11-74.4-8 to the  
21 payment of the redevelopment project costs and obligations. Any  
22 pledge of funds in the special tax allocation fund shall  
23 provide for distribution to the taxing districts and to the  
24 Illinois Department of Revenue of moneys not required, pledged,  
25 earmarked, or otherwise designated for payment and securing of

1 the obligations and anticipated redevelopment project costs  
2 and such excess funds shall be calculated annually and deemed  
3 to be "surplus" funds. In the event a municipality only applies  
4 or pledges a portion of the funds in the special tax allocation  
5 fund for the payment or securing of anticipated redevelopment  
6 project costs or of obligations, any such funds remaining in  
7 the special tax allocation fund after complying with the  
8 requirements of the application or pledge, shall also be  
9 calculated annually and deemed "surplus" funds. All surplus  
10 funds in the special tax allocation fund shall be distributed  
11 annually within 180 days after the close of the municipality's  
12 fiscal year by being paid by the municipal treasurer to the  
13 County Collector, to the Department of Revenue and to the  
14 municipality in direct proportion to the tax incremental  
15 revenue received as a result of an increase in the equalized  
16 assessed value of property in the redevelopment project area,  
17 tax incremental revenue received from the State and tax  
18 incremental revenue received from the municipality, but not to  
19 exceed as to each such source the total incremental revenue  
20 received from that source. The County Collector shall  
21 thereafter make distribution to the respective taxing  
22 districts in the same manner and proportion as the most recent  
23 distribution by the county collector to the affected districts  
24 of real property taxes from real property in the redevelopment  
25 project area.

26 Without limiting the foregoing in this Section, the

1 municipality may in addition to obligations secured by the  
2 special tax allocation fund pledge for a period not greater  
3 than the term of the obligations towards payment of such  
4 obligations any part or any combination of the following: (a)  
5 net revenues of all or part of any redevelopment project; (b)  
6 taxes levied and collected on any or all property in the  
7 municipality; (c) the full faith and credit of the  
8 municipality; (d) a mortgage on part or all of the  
9 redevelopment project; or (e) any other taxes or anticipated  
10 receipts that the municipality may lawfully pledge.

11 Such obligations may be issued in one or more series  
12 bearing interest at such rate or rates as the corporate  
13 authorities of the municipality shall determine by ordinance.  
14 Such obligations shall bear such date or dates, mature at such  
15 time or times not exceeding 20 years from their respective  
16 dates, be in such denomination, carry such registration  
17 privileges, be executed in such manner, be payable in such  
18 medium of payment at such place or places, contain such  
19 covenants, terms and conditions, and be subject to redemption  
20 as such ordinance shall provide. Obligations issued pursuant to  
21 this Act may be sold at public or private sale at such price as  
22 shall be determined by the corporate authorities of the  
23 municipalities. No referendum approval of the electors shall be  
24 required as a condition to the issuance of obligations pursuant  
25 to this Division except as provided in this Section.

26 In the event the municipality authorizes issuance of

1 obligations pursuant to the authority of this Division secured  
2 by the full faith and credit of the municipality, which  
3 obligations are other than obligations which may be issued  
4 under home rule powers provided by Article VII, Section 6 of  
5 the Illinois Constitution, or pledges taxes pursuant to (b) or  
6 (c) of the second paragraph of this section, the ordinance  
7 authorizing the issuance of such obligations or pledging such  
8 taxes shall be published within 10 days after such ordinance  
9 has been passed in one or more newspapers, with general  
10 circulation within such municipality. The publication of the  
11 ordinance shall be accompanied by a notice of (1) the specific  
12 number of voters required to sign a petition requesting the  
13 question of the issuance of such obligations or pledging taxes  
14 to be submitted to the electors; (2) the time in which such  
15 petition must be filed; and (3) the date of the prospective  
16 referendum. The municipal clerk shall provide a petition form  
17 to any individual requesting one.

18 If no petition is filed with the municipal clerk, as  
19 hereinafter provided in this Section, within 30 days after the  
20 publication of the ordinance, the ordinance shall be in effect.  
21 But, if within that 30 day period a petition is filed with the  
22 municipal clerk, signed by electors in the municipality  
23 numbering 10% or more of the number of registered voters in the  
24 municipality, asking that the question of issuing obligations  
25 using full faith and credit of the municipality as security for  
26 the cost of paying for redevelopment project costs, or of

1 pledging taxes for the payment of such obligations, or both, be  
2 submitted to the electors of the municipality, the corporate  
3 authorities of the municipality shall call a special election  
4 in the manner provided by law to vote upon that question, or,  
5 if a general, State or municipal election is to be held within  
6 a period of not less than 30 or more than 90 days from the date  
7 such petition is filed, shall submit the question at the next  
8 general, State or municipal election. If it appears upon the  
9 canvass of the election by the corporate authorities that a  
10 majority of electors voting upon the question voted in favor  
11 thereof, the ordinance shall be in effect, but if a majority of  
12 the electors voting upon the question are not in favor thereof,  
13 the ordinance shall not take effect.

14 The ordinance authorizing the obligations may provide that  
15 the obligations shall contain a recital that they are issued  
16 pursuant to this Division, which recital shall be conclusive  
17 evidence of their validity and of the regularity of their  
18 issuance.

19 In the event the municipality authorizes issuance of  
20 obligations pursuant to this Section secured by the full faith  
21 and credit of the municipality, the ordinance authorizing the  
22 obligations may provide for the levy and collection of a direct  
23 annual tax upon all taxable property within the municipality  
24 sufficient to pay the principal thereof and interest thereon as  
25 it matures, which levy may be in addition to and exclusive of  
26 the maximum of all other taxes authorized to be levied by the

1 municipality, which levy, however, shall be abated to the  
2 extent that monies from other sources are available for payment  
3 of the obligations and the municipality certifies the amount of  
4 said monies available to the county clerk.

5 A certified copy of such ordinance shall be filed with the  
6 county clerk of each county in which any portion of the  
7 municipality is situated, and shall constitute the authority  
8 for the extension and collection of the taxes to be deposited  
9 in the special tax allocation fund.

10 A municipality may also issue its obligations to refund in  
11 whole or in part, obligations theretofore issued by such  
12 municipality under the authority of this Act, whether at or  
13 prior to maturity, provided however, that the last maturity of  
14 the refunding obligations may not be later than the dates set  
15 forth under Section 11-74.4-3.5. ~~shall not be expressed to~~  
16 ~~mature later than December 31 of the year in which the payment~~
