A BILL FOR

1 AN ACT concerning appropriations.

2 WHEREAS, Approximately 1,000 people in Illinois have  
3 amyotrophic lateral sclerosis, also known as ALS or Lou  
4 Gehrig's disease; and

5 WHEREAS, About 250 more are diagnosed each year, but  
6 thousands more are actually affected by the disease, as  
7 friends and family members become caregivers for people with  
8 ALS; and

9 WHEREAS, Working closely with both Northwestern  
10 University Feinberg School of Medicine, the Northwestern  
11 Medical Faculty Foundation, and Northwestern Memorial  
12 Hospital, the Les Turner ALS Foundation currently serves  
13 almost 400 patients throughout the Chicagoland area;

14 WHEREAS, This number is approximately 80% of the ALS  
15 population in the Chicagoland areas; and

16 WHEREAS, Although the Les Turner ALS Foundation is able  
17 to provide grants to families for equipment and care, as well  
18 as home visits, this is only a fraction of the actual costs  
19 incurred by families caring for a loved one with ALS; and

1           WHEREAS, Because the State of Illinois, federal  
2 government, and private health insurers provide limited  
3 funding for these services, the Les Turner ALS Foundation,  
4 and similar organizations have taken on the responsibility of  
5 ensuring a quality life for patients with ALS and their  
6 families; therefore

8 **in the General Assembly:**
