

HB0009

96TH GENERAL ASSEMBLY

State of Illinois

2009 and 2010

HB0009

Introduced 1/14/2009, by Rep. Jil Tracy

SYNOPSIS AS INTRODUCED:

New Act

Creates the Reflex Sympathetic Dystrophy Syndrome Education Act. Provides that the Department of Public Health, subject to appropriation, shall establish the Reflex Sympathetic Dystrophy Syndrome Education Program to promote public awareness of the syndrome and the importance of early detection, diagnosis, and treatment. Provides that the Department shall work with health care providers, local public health agencies, and other appropriate agencies to coordinate and promote professional education programs. Provides that the Department may accept gifts, grants, and donations from any source for the purposes of carrying out its duties under the Act.

FISCAL NOTE ACT
MAY APPLY

A BILL FOR

1 AN ACT concerning health.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 1. Short title. This Act may be cited as the Reflex
5 Sympathetic Dystrophy Syndrome Education Act.

6 Section 5. Reflex Sympathetic Dystrophy Syndrome Education
7 Program.

8 (a) In this Act, "syndrome" means Reflex Sympathetic
9 Dystrophy Syndrome, a chronic neurologic syndrome of unknown
10 etiology characterized by severe burning pain, pathological
11 changes in bone and skin, tissue swelling, and extreme
12 sensitivity to touch that, if untreated, results in permanent
13 deformity and chronic pain.

14 (b) The Department of Public Health, subject to
15 appropriation, shall establish the Reflex Sympathetic
16 Dystrophy Syndrome Education Program to promote public
17 awareness of the syndrome and the importance of early
18 detection, diagnosis, and treatment.

19 (c) The program shall promote public awareness of the
20 syndrome through written materials and other forms of
21 communication designed to provide education about the
22 syndrome. The program shall distribute information that
23 includes:

- 1 (1) the nature and possible causes of the syndrome;
- 2 (2) risk factors that may contribute to the
- 3 manifestation of the syndrome;
- 4 (3) available treatment options, including the risks
- 5 and benefits of treatment; and
- 6 (4) the availability of diagnostic, treatment, and
- 7 support services in this State.

8 (d) The Department shall work with health care providers,
9 local public health agencies, and other appropriate agencies to
10 coordinate and promote professional education programs that
11 will educate health care professionals about:

- 12 (1) current research about the syndrome;
- 13 (2) the nature of the syndrome;
- 14 (3) diagnostic procedures;
- 15 (4) medical and surgical treatment options; and
- 16 (5) the availability of diagnostic, treatment, and
- 17 support services in Illinois communities.

18 (e) The Department may accept gifts, grants, and donations
19 from any source for the purposes of carrying out its duties
20 under this Act.
