1 of performance-enhancing substances on the association's most
2 current banned drug classes list in the students' bodies. The
3 association may alter its current performance-enhancing
4 substance testing program to comply with this subsection (d).

15 (3) be administered at approximately 25% of the high
16 schools in this State that participate in athletic
17 competitions sponsored or sanctioned by the association;

18 (4) provide for a process for confirming any initial
19 positive test result through a subsequent test conducted as
20 soon practicable after the initial test, using a sample
21 that was obtained at the same time as the sample used for
22 the initial test;

23 (5) require the testing to be performed only by a
24 performance-enhancing substance testing laboratory with
25 current certification from the Substance Abuse and Mental
26 Health Services Administration of the United States

1 Department of Health and Human Services, the World
2 Anti-Doping Agency, or another appropriate national or

11 delivering the test sample;

12 (8) provide for a period of ineligibility from
13 participation in an athletic competition sponsored or

15 confirmed positive test result or any student who refuses
16 to submit to random testing;

17 (9) provide for a school or team penalty on a

2 association.

3 The Department of Public Health may adopt rules for the
4 administration of this Section.

5 (e) Results of a performance-enhancing substance test
6 conducted under subsection (d) of this Section are confidential

10 attended by the student.

11 (f) The Performance-enhancing Substance Testing Fund is
12 created as a special fund in the State treasury. All money in
13 the Fund shall be used, subject to appropriation, by the
14 Department of Public Health to distribute as grants to pay the
15 costs of the performance-enhancing substance testing program
16 established under subsection (d) of this Section. The General
17 Assembly may appropriate additional funding for the testing
18 program, to be distributed as grants through the Department of
19 Public Health.

21 not apply to the use by a student of a performance-enhancing
22 substance that is dispensed, prescribed, delivered, or
23 administered by a medical practitioner for a valid medical
24 purpose and in the course of professional practice, and the
25 student is not subject to a period of ineligibility under
26 subdivision (8) of subsection (d) of this Section on the basis

1 of that use as long as the student's coach has provided the
2 student with a copy of the association's most current banned
3 drug classes list, the student has consulted with his or her
4 medical practitioner to confirm the valid use of the substance,
5 and the student has notified his or her coach or a school
6 administrator of a prescription for the use of the substance
7 for valid medical purposes. Students that are prescribed such a
8 substance, after receiving a copy of the association's most
9 current banned drug classes list, are required to provide
10 notice of that prescription at the time the prescription is
11 issued. Any information concerning a student's use of a
12 performance-enhancing substance obtained by a coach or school
13 administrator under this subsection (g) is confidential and may
14 be disclosed only to those persons necessary to the
15 determination of eligibility under this subsection (g).

16 (h) Neither the association nor any of its directors or
17 employees shall be liable and no cause of action may be brought
18 against the association or any of its directors or employees
19 for damages in connection with the performance of the
