1 AN ACT concerning criminal law.

2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

4 Section 5. The Capital Crimes Litigation Act is amended by 5 changing Sections 10 and 15 as follows:

6 (725 ILCS 124/10)

Sec. 10. Court appointed trial counsel; compensation andexpenses.

9 (a) This Section applies only to compensation and expenses 10 of trial counsel appointed by the court as set forth in Section 11 5, other than public defenders, for the period after 12 arraignment and so long as the State's Attorney has not, at any 13 time, filed a certificate indicating he or she will not seek 14 the death penalty or stated on the record in open court that 15 the death penalty will not be sought.

16 (a-5) Litigation budget.

(1) In a case in which the State has filed a statement of intent to seek the death penalty, the court shall require appointed counsel, including those appointed in Cook County, after counsel has had adequate time to review the case and prior to engaging trial assistance, to submit a proposed estimated litigation budget for court approval, that will be subject to modification in light of facts and HB0869 Enrolled - 2 - LRB096 09114 RLC 19258 b

1 developments that emerge as the case proceeds. Case budgets 2 should be submitted ex parte and filed and maintained under 3 seal in order to protect the defendant's right to effective assistance of counsel, right not to incriminate him or 4 5 herself and all applicable privileges. Case budgets shall be reviewed and approved by the judge assigned to try the 6 7 case. As provided under subsection (c) of this Section, 8 petitions for compensation shall be reviewed by both the 9 trial judge and the presiding judge or the presiding 10 judge's designee.

11 (2) The litigation budget shall serve purposes 12 comparable to those of private retainer agreements by 13 both the court's confirming and the attorney's 14 expectations regarding fees and expenses. Consideration 15 should be given to employing an ex parte pretrial 16 conference in order to facilitate reaching agreement on a 17 litigation budget at the earliest opportunity.

18 (3) The budget shall be incorporated into a sealed 19 initial pretrial order that reflects the understandings of 20 the court and counsel regarding all matters affecting 21 counsel compensation and reimbursement and payments for 22 investigative, expert and other services, including but 23 not limited to the following matters:

24 (A) The hourly rate at which counsel will be25 compensated;

26

(B) The hourly rate at which private

investigators, other than investigators employed by the Office of the State Appellate Defender, will be compensated; and

4 (C) The best preliminary estimate that can be made 5 of the cost of all services, including, but not limited 6 to, counsel, expert, and investigative services, that 7 are likely to be needed through the guilt and penalty 8 phases of the trial. The court shall have discretion to 9 require that budgets be prepared for shorter intervals 10 of time.

11 (4) Appointed counsel may obtain, subject to later 12 review, investigative, expert or other services without prior authorization if necessary for an adequate defense. 13 14 If such services are obtained, the presiding judge or the 15 presiding judge's designee shall consider in an ex parte 16 proceeding that timely procurement of necessary services 17 could not await prior authorization. If an ex parte hearing is requested by defense counsel or deemed necessary by the 18 19 trial judge prior to modifying a budget, the ex parte 20 hearing shall be before the presiding judge or the presiding judge's designee. The judge may then authorize 21 22 such services nunc pro tunc. If the presiding judge or the 23 presiding judge's designee finds that the services were not 24 reasonable, payment may be denied.

(5) An approved budget shall guide counsel's use of
 time and resources by indicating the services for which

compensation is authorized. The case budget shall be 1 2 re-evaluated when justified by changed or unexpected circumstances and shall be modified by the court when 3 reasonable and necessary for an adequate defense. If an ex 4 5 parte hearing is requested by defense counsel or deemed necessary by the trial judge prior to modifying a budget, 6 the ex parte hearing shall be before the presiding judge or 7 8 the presiding judge's designee.

9 (b) Appointed trial counsel shall be compensated upon 10 presentment and certification by the circuit court of a claim 11 for services detailing the date, activity, and time duration 12 for which compensation is sought. Compensation for appointed trial counsel may be paid at a reasonable rate not to exceed 13 \$125 per hour. The court shall not authorize payment of bills 14 15 that are not properly itemized. A request for payment shall be 16 presented under seal and reviewed ex parte with a court 17 reporter present.

Beginning in 2001, every January 20, the statutory rate 18 prescribed in this subsection shall be automatically increased 19 20 or decreased, as applicable, by a percentage equal to the percentage change in the consumer price index-u during the 21 22 preceding 12-month calendar year. "Consumer price index-u" 23 means the index published by the Bureau of Labor Statistics of 24 the United States Department of Labor that measures the average 25 change in prices of goods and services purchased by all urban 26 consumers, United States city average, all items, 1982-84=100.

1 The new rate resulting from each annual adjustment shall be 2 determined by the State Treasurer and made available to the 3 chief judge of each judicial circuit.

(c) Appointed trial counsel may also petition the court for 4 5 certification of expenses for reasonable and necessary capital 6 litigation expenses including, but not limited to, 7 investigatory and other assistance, expert, forensic, and 8 other witnesses, and mitigation specialists. Each provider of 9 proposed services must specify the best preliminary estimate that can be made in light of information received in the case 10 11 at that point, and the provider must sign this estimate under 12 the provisions of Section 1-109 of the Code of Civil Procedure. 13 A provider of proposed services must also specify (1) his or 14 her hourly rate; (2) the hourly rate of anyone else in his or her employ for whom reimbursement is sought; and (3) the hourly 15 16 rate of any person or entity that may be subcontracted to 17 perform these services. Counsel may not petition for certification of expenses that may have been provided or 18 19 compensated by the State Appellate Defender under item (c)(5) 20 of Section 10 of the State Appellate Defender Act. The petitions shall be filed under seal and considered ex parte but 21 22 with a court reporter present for all ex parte conferences. If 23 the requests are submitted after services have been rendered, 24 the requests shall be supported by an invoice describing the 25 services rendered, the dates the services were performed and 26 the amount of time spent. These petitions shall be reviewed by

HB0869 Enrolled - 6 - LRB096 09114 RLC 19258 b

both the trial judge and the presiding judge of the circuit 1 2 court or the presiding judge's designee. The petitions and orders shall be kept under seal and shall be exempt from 3 Freedom of Information requests until the conclusion of the 4 5 trial, even if the prosecution chooses not to pursue the death penalty prior to trial or sentencing. If an ex parte hearing is 6 7 requested by defense counsel or deemed necessary by the trial 8 judge, the hearing shall be before the presiding judge or the 9 presiding judge's designee.

10 (d) Appointed trial counsel shall petition the court for 11 certification of compensation and expenses under this Section 12 periodically during the course of counsel's representation. 13 The petitions shall be supported by itemized bills showing the 14 date, the amount of time spent, the work done and the total being charged for each entry. The court shall not authorize 15 16 payment of bills that are not properly itemized. The court must 17 certify reasonable and necessary expenses of the petitioner for travel and per diem (lodging, meals, and incidental expenses). 18 19 These expenses must be paid at the rate as promulgated by the 20 United States General Services Administration for these 21 expenses for the date and location in which they were incurred, 22 unless extraordinary reasons are shown for the difference. The 23 petitions shall be filed under seal and considered ex parte but with a court reporter present for all ex parte conferences. The 24 petitions shall be reviewed by both the trial judge and the 25 26 presiding judge of the circuit court or the presiding judge's

designee. If an ex parte hearing is requested by defense 1 2 counsel or deemed necessary by the trial judge, the ex parte hearing shall be before the presiding judge or the presiding 3 4 judge's designee. If the court determines that the compensation 5 and expenses should be paid from the Capital Litigation Trust 6 Fund, the court shall certify, on a form created by the State 7 Treasurer, that all or a designated portion of the amount 8 requested is reasonable, necessary, and appropriate for 9 payment from the Trust Fund. The form must also be signed by 10 lead trial counsel under the provisions of Section 1-109 of the 11 Code of Civil Procedure verifying that the amount requested is 12 reasonable, necessary, and appropriate. Bills submitted for 13 payment by any individual or entity seeking payment from the 14 Capital Litigation Trust Fund must also be accompanied by a form created by the State Treasurer and signed by the 15 16 individual or responsible agent of the entity under the 17 provisions of Section 1-109 of the Code of Civil Procedure that the amount requested is accurate and truthful and reflects time 18 19 spent or expenses incurred. Certification of compensation and expenses by a court in any county other than Cook County shall 20 be delivered by the court to the State Treasurer and must be 21 22 paid by the State Treasurer directly from the Capital 23 Litigation Trust Fund if there are sufficient moneys in the 24 Trust Fund to pay the compensation and expenses. If the State 25 Treasurer finds within 14 days of his or her receipt of a certification that the compensation and <u>expenses to be paid are</u> 26

The State Treasurer must send the claimant a copy of the objection or objections. The State Treasurer may 6 only seek a review of a specific objection once. The claimant 7 has 7 days from his or her receipt of the objections to file a 8 9 response with the court. With or without further hearing, the 10 court must promptly rule on the objections. The petitions and 11 orders shall be kept under seal and shall be exempt from 12 Freedom of Information requests until the conclusion of the trial and appeal of the case, even if the prosecution chooses 13 not to pursue the death penalty prior to trial or sentencing. 14 15 Certification of compensation and expenses by a court in Cook 16 County shall be delivered by the court to the county treasurer 17 and paid by the county treasurer from moneys granted to the county from the Capital Litigation Trust Fund. 18
