A BILL FOR

1 AN ACT concerning transportation.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Bikeway Act is amended by changing Section 1  
5 as follows:

6 (605 ILCS 30/1) (from Ch. 121, par. 601)

7 Sec. 1. Legislative declarations and findings. The ~~The~~  
8 General Assembly declares that since a third of the population  
9 owns bicycles, there is an urgent need for safe bikeways, for  
10 the use of both children and adults for transportation, healthy  
11 exercise and recreation.

12 The General Assembly finds that to coordinate plans for  
13 bikeways most effectively with those of the State and local  
14 governments as they affect roads, streets, schools, parks, and  
15 other publicly owned lands, lands not owned by a municipality,  
16 local unit of government, county, or the State of Illinois or  
17 one of its agencies or authorities by agreement, abandoned  
18 roadbeds and conservation areas, while maximizing the benefits  
19 from the use of tax dollars, a single State agency, eligible to  
20 receive federal matching funds, should be designated to  
21 establish and maintain a State-wide bikeways program.
