shall direct that person to file a written answer to the Board 1 under oath within 20 days after the service of the notice and inform that person that failure to file an answer may result in default being taken and the person's license or certificate may be suspended, revoked, placed on probationary status, or other disciplinary action may be taken, including limiting the scope, nature or extent of practice, as the <u>Secretary</u> Director may 7 deem proper. The Department shall afford the licensee an opportunity to be heard in person or by counsel in reference to the charges. In case the person fails to file an answer after receiving notice, his or her license or certificate may, in the discretion of the Department, be suspended, revoked, or placed on probationary status, or the Department may take whatever disciplinary action proper, including limiting the scope, nature, or extent of the person's practice or the imposition of a fine, without a hearing, if the act or acts charged constitute sufficient grounds for such action under this Act. The hearing on the charges shall be at a time and place as the Department shall prescribe. The Department may appoint a hearing officer to conduct the hearing. The Department shall notify the Board of the time and place of the hearing and Board members shall be allowed to sit at the hearing. The Department has the power to 26 subpoena and bring before it any person in this State, or take

testimony of any person by deposition, with the same fees and

2 mileage, in the same manner as prescribed by law in judicial

proceedings in circuit courts of this State in civil cases. If

4 the Department determines that any licensee is guilty of a

5 violation of any of the provisions of this Code, disciplinary

6 action shall be taken against the licensee. The Department may

take disciplinary action without a formal hearing subject to

Section 10-70 of the Illinois Administrative Procedure Act.

9 The Secretary may summarily suspend the license of any 10 person licensed under this Act without a hearing,

11 simultaneously with the institution of proceedings for a

hearing provided for in this Section, if the Secretary finds

that evidence in the possession of the Secretary indicates that

the continuation of practice by the licensee would constitute

an imminent danger to the public. In the event that the

Secretary summarily suspends the license of an individual

without a hearing, a hearing must be held within 30 days after

18 <u>the suspension has occurred.</u>
