1 AMENDMENT TO HOUSE BILL 2652

2 AMENDMENT NO. \_\_\_\_\_. Amend House Bill 2652, AS AMENDED, by  
3 replacing everything after the enacting clause with the  
4 following:

5 "Section 5. The Illinois Insurance Code is amended by  
6 renumbering Section 356z.14 as added by Public Act 95-1005, by  
7 changing and renumbering Section 356z.15 as added by Public Act  
8 96-639, and by adding Section 356z.18 as follows:

9 (215 ILCS 5/356z.15)

10 Sec. 356z.15 ~~356z.14~~. Habilitative services for children.

11 (a) As used in this Section, "habilitative services" means  
12 occupational therapy, physical therapy, speech therapy, and  
13 other services prescribed by the insured's treating physician  
14 pursuant to a treatment plan to enhance the ability of a child  
15 to function with a congenital, genetic, or early acquired  
16 disorder. A congenital or genetic disorder includes, but is not

1 limited to, hereditary disorders. An early acquired disorder  
2 refers to a disorder resulting from illness, trauma, injury, or  
3 some other event or condition suffered by a child prior to that  
4 child developing functional life skills such as, but not  
5 limited to, walking, talking, or self-help skills. Congenital,  
6 genetic, and early acquired disorders may include, but are not  
7 limited to, autism or an autism spectrum disorder, cerebral  
8 palsy, and other disorders resulting from early childhood  
9 illness, trauma, or injury.

10 (b) A group or individual policy of accident and health  
11 insurance or managed care plan amended, delivered, issued, or  
12 renewed after the effective date of this amendatory Act of the  
13 95th General Assembly must provide coverage for habilitative  
14 services for children under 19 years of age with a congenital,  
15 genetic, or early acquired disorder so long as all of the  
16 following conditions are met:

17 (1) A physician licensed to practice medicine in all  
18 its branches has diagnosed the child's congenital,  
19 genetic, or early acquired disorder.

20 (2) The treatment is administered by a licensed  
21 speech-language pathologist, licensed audiologist,  
22 licensed occupational therapist, licensed physical  
23 therapist, licensed physician, licensed nurse, licensed  
24 optometrist, licensed nutritionist, licensed social  
25 worker, or licensed psychologist upon the referral of a  
26 physician licensed to practice medicine in all its

1 branches.

2 (3) The initial or continued treatment must be  
3 medically necessary and therapeutic and not experimental  
4 or investigational.

5 (c) The coverage required by this Section shall be subject  
6 to other general exclusions and limitations of the policy,  
7 including coordination of benefits, participating provider  
8 requirements, restrictions on services provided by family or  
9 household members, utilization review of health care services,  
10 including review of medical necessity, case management,  
11 experimental, and investigational treatments, and other  
12 managed care provisions.

13 (d) Coverage under this Section does not apply to those  
14 services that are solely educational in nature or otherwise  
15 paid under State or federal law for purely educational  
16 services. Nothing in this subsection (d) relieves an insurer or  
17 similar third party from an otherwise valid obligation to  
18 provide or to pay for services provided to a child with a  
19 disability.

20 (e) Coverage under this Section for children under age 19  
21 shall not apply to treatment of mental or emotional disorders  
22 or illnesses as covered under Section 370 of this Code as well  
23 as any other benefit based upon a specific diagnosis that may  
24 be otherwise required by law.

25 (f) The provisions of this Section do not apply to  
26 short-term travel, accident-only, limited, or specific disease

1 policies.

2 (g) Any denial of care for habilitative services shall be  
3 subject to appeal and external independent review procedures as  
4 provided by Section 45 of the Managed Care Reform and Patient  
5 Rights Act.

6 (h) Upon request of the reimbursing insurer, the provider  
7 under whose supervision the habilitative services are being  
8 provided shall furnish medical records, clinical notes, or  
9 other necessary data to allow the insurer to substantiate that  
10 initial or continued medical treatment is medically necessary  
11 and that the patient's condition is clinically improving. When  
12 the treating provider anticipates that continued treatment is  
13 or will be required to permit the patient to achieve  
14 demonstrable progress, the insurer may request that the  
15 provider furnish a treatment plan consisting of diagnosis,  
16 proposed treatment by type, frequency, anticipated duration of  
17 treatment, the anticipated goals of treatment, and how  
18 frequently the treatment plan will be updated.

19 (i) Rulemaking authority to implement this amendatory Act  
20 of the 95th General Assembly, if any, is conditioned on the  
21 rules being adopted in accordance with all provisions of the  
22 Illinois Administrative Procedure Act and all rules and  
23 procedures of the Joint Committee on Administrative Rules; any  
24 purported rule not so adopted, for whatever reason, is  
25 unauthorized.

1 (215 ILCS 5/356z.17)

2 Sec. 356z.17 ~~356z.15~~. Wellness coverage.

3 (a) A group or individual policy of accident and health  
4 insurance or managed care plan amended, delivered, issued, or  
5 renewed after January 1, 2010 (the effective date of Public Act  
6 96-639) ~~this amendatory Act of the 96th General Assembly~~ that  
7 provides coverage for hospital or medical treatment on an  
8 expense incurred basis may offer a reasonably designed program  
9 for wellness coverage that allows for a reward, a contribution,  
10 a reduction in premiums or reduced medical, prescription drug,  
11 or equipment copayments, coinsurance, or deductibles, or a  
12 combination of these incentives, for participation in any  
13 health behavior wellness, maintenance, or improvement program  
14 approved or offered by the insurer or managed care plan. The  
15 insured or enrollee may be required to provide evidence of  
16 participation in a program. Individuals unable to participate  
17 in these incentives due to an adverse health factor shall not  
18 be penalized based upon an adverse health status.

19 (b) For purposes of this Section, "wellness coverage" means  
20 health care coverage with the primary purpose to engage and  
21 motivate the insured or enrollee through: incentives;  
22 provision of health education, counseling, and self-management  
23 skills; identification of modifiable health risks; and other  
24 activities to influence health behavior changes.

25 For the purposes of this Section, "reasonably designed

1 program" means a program of wellness coverage that has a  
2 reasonable chance of improving health or preventing disease; is  
3 not overly burdensome; does not discriminate based upon factors  
4 of health; and is not otherwise contrary to law.

5 (c) Incentives as outlined in this Section are specific and  
6 unique to the offering of wellness coverage and have no  
7 application to any other required or optional health care  
8 benefit.

9 (d) Such wellness coverage must satisfy the requirements  
10 for an exception from the general prohibition against  
11 discrimination based on a health factor under the federal  
12 Health Insurance Portability and Accountability Act of 1996  
13 (P.L. 104-191; 110 Stat. 1936), including any federal  
14 regulations that are adopted pursuant to that Act.

15 (e) A plan offering wellness coverage must do the  
16 following:

17 (i) give participants the opportunity to qualify for  
18 offered incentives at least once a year;

19 (ii) allow a reasonable alternative to any individual  
20 for whom it is unreasonably difficult, due to a medical  
21 condition, to satisfy otherwise applicable wellness  
22 program standards. Plans may seek physician verification  
23 that health factors make it unreasonably difficult or  
24 medically inadvisable for the participant to satisfy the  
25 standards; and

26 (iii) not provide a total incentive that exceeds 20% of

1 the cost of employee-only coverage. The cost of  
2 employee-only coverage includes both employer and employee  
3 contributions. For plans offering family coverage, the 20%  
4 limitation applies to cost of family coverage and applies  
5 to the entire family.

6 (f) A reward, contribution, or reduction established under  
7 this Section and included in the policy or certificate does not  
8 violate Section 151 of this Code.

13 "Customized orthotic device" means a supportive device for  
14 the body or a part of the body, the head, neck, or extremities,  
15 and includes the replacement or repair of the device based on  
16 the patient's physical condition as medically necessary,  
17 excluding foot orthotics defined as an in-shoe device designed  
18 to support the structural components of the foot during  
19 weight-bearing activities.

20 "Licensed provider" means a prosthetist, orthotist, or  
21 pedorthist licensed to practice in this State.

22 "Prosthetic device" means an artificial device to replace,  
23 in whole or in part, an arm or leg and includes accessories  
24 essential to the effective use of the device and the  
25 replacement or repair of the device based on the patient's

1 physical condition as medically necessary.

2 (b) This amendatory Act of the 96th General Assembly shall  
3 provide benefits to any person covered thereunder for expenses  
4 incurred in obtaining a prosthetic or custom orthotic device  
5 from any Illinois licensed prosthetist, licensed orthotist, or  
6 licensed pedorthist as required under the Orthotics,  
7 Prosthetics, and Pedorthics Practice Act.

8 (c) A group or individual major medical policy of accident  
9 or health insurance or managed care plan or medical, health, or  
10 hospital service corporation contract that provides coverage  
11 for prosthetic or custom orthotic care and is amended,  
12 delivered, issued, or renewed after July 1, 2010 must provide  
13 coverage for prosthetic and orthotic devices under terms and  
14 conditions that are no less favorable than the terms and  
15 conditions applicable to substantially all medical and  
16 surgical benefits provided under the plan or coverage. The  
17 coverage required under this Section shall be subject to the  
18 other general exclusions, limitations, and financial  
19 requirements of the policy, including coordination of  
20 benefits, participating provider requirements, utilization  
21 review of health care services, including review of medical  
22 necessity, case management, and experimental and  
23 investigational treatments.

24 (d) The policy or plan or contract may require prior  
25 authorization for the prosthetic or orthotic devices in the  
26 same manner that prior authorization is required for any other

1 covered benefit.

2 (e) Repairs and replacements of prosthetic and orthotic  
3 devices are also covered, subject to the co-payments and  
4 deductibles, unless necessitated by misuse or loss.

5 (f) A policy or plan or contract may require that, if  
6 coverage is provided through a managed care plan, the benefits  
7 mandated pursuant to this Section shall be covered benefits  
8 only if the prosthetic or orthotic devices are provided by a  
9 licensed provider employed by a provider service who contracts  
10 with or is designated by the carrier, to the extent that the  
11 carrier provides in-network and out of network service, the  
12 coverage for the prosthetic or orthotic device shall be offered  
13 no less extensively.

14 (g) The policy or plan or contract shall also meet adequacy  
15 requirements as established by the Health Care Reimbursement  
16 Reform Act of 1985 of the Illinois Insurance Code.
