7 Sec. 2. Definitions. For the purposes of this Act, unless
8 clearly required otherwise, the terms defined in this Section
9 have the meaning ascribed herein:

10 (a) "Fireman" means a person who is a "firefighter" or
11 "fireman" as defined in Sections 4-106 or 6-106 of the Illinois
12 Pension Code, a paramedic employed in a unit of local
13 government's fire service, an EMT employed in a unit of local
14 government's fire service, and includes a person who is an

16 Code and whose primary duties relate to firefighting.

17 (b) "Informal inquiry" means a meeting by supervisory or
18 command personnel with a fireman upon whom an allegation of
19 misconduct has come to the attention of such supervisory or
20 command personnel, the purpose of which meeting is to mediate a

22 formal investigation should be commenced.

23 (c) "Formal investigation" means the process of

1 investigation ordered by a commanding officer during which the

15 removal, discharge, or suspension from duty in excess of 24
16 duty hours.

17 (e) "Administrative proceeding" means any non-judicial
18 hearing which is authorized to recommend, approve or order the
