12 Section 6-601 of the Illinois Highway Code for a road  
13 district's permanent road fund whether levied annually or not.  
14 The extension for a special service area is not included in the  
15 aggregate extension.

16 "Aggregate extension base" means the taxing district's  
17 last preceding aggregate extension as adjusted under Sections  
18 18-135, 18-215, and 18-230. An adjustment under Section 18-135  
19 shall be made for the 2007 levy year and all subsequent levy

22 extending taxes in the taxing district for the last preceding  
23 levy year that resulted in the over or under extension of  
24 taxes, or (ii) increased or decreased the tax extension for the  
25 last preceding levy year as required by Section 18-135(c).  
26 Whenever an adjustment is required under Section 18-135, the

1 aggregate extension base of the taxing district shall be equal  
2 to the amount that the aggregate extension of the taxing  
3 district would have been for the last preceding levy year if  
4 either or both (i) actual, rather than estimated, valuations or  
5 rates had been used to calculate the extension of taxes for the  
6 last levy year, or (ii) the tax extension for the last  
7 preceding levy year had not been adjusted as required by  
8 subsection (c) of Section 18-135.

9 "Levy year" has the same meaning as "year" under Section  
10 1-155.

11 "New property" means (i) the assessed value, after final  
12 board of review or board of appeals action, of new improvements  
13 or additions to existing improvements on any parcel of real

15 during the levy year multiplied by the equalization factor  
16 issued by the Department under Section 17-30, (ii) the assessed  
17 value, after final board of review or board of appeals action,  
18 of real property not exempt from real estate taxation, which  
19 real property was exempt from real estate taxation for any  
20 portion of the immediately preceding levy year, multiplied by  
21 the equalization factor issued by the Department under Section  
22 17-30, including the assessed value, upon final stabilization  
23 of occupancy after new construction is complete, of any real  
24 property located within the boundaries of an otherwise or  
25 previously exempt military reservation that is intended for  
26 residential use and owned by or leased to a private corporation

1 or other entity, and (iii) in counties that classify in  
2 accordance with Section 4 of Article IX of the Illinois  
3 Constitution, an incentive property's additional assessed  
4 value resulting from a scheduled increase in the level of  
5 assessment as applied to the first year final board of review  
6 market value. In addition, the county clerk in a county  
7 containing a population of 3,000,000 or more shall include in  
8 the 1997 recovered tax increment value for any school district,  
9 any recovered tax increment value that was applicable to the  
10 1995 tax year calculations.

11 "Qualified airport authority" means an airport authority  
12 organized under the Airport Authorities Act and located in a  
13 county bordering on the State of Wisconsin and having a  
14 population in excess of 200,000 and not greater than 500,000.

15 "Recovered tax increment value" means, except as otherwise  
16 provided in this paragraph, the amount of the current year's  
17 equalized assessed value, in the first year after a  
18 municipality terminates the designation of an area as a  
19 redevelopment project area previously established under the  
20 Tax Increment Allocation Development Act in the Illinois  
21 Municipal Code, previously established under the Industrial  
22 Jobs Recovery Law in the Illinois Municipal Code, previously  
23 established under the Economic Development Project Area Tax  
24 Increment Act of 1995, or previously established under the  
25 Economic Development Area Tax Increment Allocation Act, of each  
26 taxable lot, block, tract, or parcel of real property in the

1 redevelopment project area over and above the initial equalized  
2 assessed value of each property in the redevelopment project  
3 area. For the taxes which are extended for the 1997 levy year,  
4 the recovered tax increment value for a non-home rule taxing  
5 district that first became subject to this Law for the 1995  
6 levy year because a majority of its 1994 equalized assessed  
7 value was in an affected county or counties shall be increased  
8 if a municipality terminated the designation of an area in 1993  
9 as a redevelopment project area previously established under  
10 the Tax Increment Allocation Development Act in the Illinois  
11 Municipal Code, previously established under the Industrial  
12 Jobs Recovery Law in the Illinois Municipal Code, or previously  
13 established under the Economic Development Area Tax Increment  
14 Allocation Act, by an amount equal to the 1994 equalized  
15 assessed value of each taxable lot, block, tract, or parcel of  
16 real property in the redevelopment project area over and above  
17 the initial equalized assessed value of each property in the  
18 redevelopment project area. In the first year after a  
19 municipality removes a taxable lot, block, tract, or parcel of  
20 real property from a redevelopment project area established  
21 under the Tax Increment Allocation Development Act in the  
22 Illinois Municipal Code, the Industrial Jobs Recovery Law in  
23 the Illinois Municipal Code, or the Economic Development Area  
24 Tax Increment Allocation Act, "recovered tax increment value"  
25 means the amount of the current year's equalized assessed value  
26 of each taxable lot, block, tract, or parcel of real property

1 removed from the redevelopment project area over and above the  
2 initial equalized assessed value of that real property before  
3 removal from the redevelopment project area.

4 Except as otherwise provided in this Section, "limiting  
5 rate" means a fraction the numerator of which is the last  
6 preceding aggregate extension base times an amount equal to one  
7 plus the extension limitation defined in this Section and the  
8 denominator of which is the current year's equalized assessed  
9 value of all real property in the territory under the  
10 jurisdiction of the taxing district during the prior levy year.  
11 For those taxing districts that reduced their aggregate  
12 extension for the last preceding levy year, the highest  
13 aggregate extension in any of the last 3 preceding levy years  
14 shall be used for the purpose of computing the limiting rate.  
15 The denominator shall not include new property or the recovered  
16 tax increment value. If a new rate, a rate decrease, or a  
17 limiting rate increase has been approved at an election held  
18 after March 21, 2006, then (i) the otherwise applicable  
19 limiting rate shall be increased by the amount of the new rate  
20 or shall be reduced by the amount of the rate decrease, as the  
21 case may be, or (ii) in the case of a limiting rate increase,  
22 the limiting rate shall be equal to the rate set forth in the  
23 proposition approved by the voters for each of the years  
24 specified in the proposition, after which the limiting rate of  
25 the taxing district shall be calculated as otherwise provided.

3 Section 10. The School Code is amended by adding Section  
4 17-2.4a as follows:

5 (105 ILCS 5/17-2.4a new)

6 Sec. 17-2.4a. Tax for area vocational education programs.

7 (a) The school board of any district participating in a  
8 joint agreement for an area vocational education center, as  
9 described in Section 10-22.20a of this Code, and having a  
10 population of less than 500,000 inhabitants may, by proper  
11 resolution and upon condition that there are insufficient funds  
12 available in the education fund of the district to pay the cost  
13 of the area vocational education center, levy an annual tax  
14 upon the value of the taxable property within its territory, as  
15 equalized or assessed by the Department of Revenue, for area  
16 vocational education purposes, including the purposes  
17 authorized by Section 10-22.20a, as follows:

18 (1) for districts maintaining only grades 9 through 12:  
19 0.02%; and

20 (2) for districts maintaining only grades kindergarten  
21 through 12: 0.04%.

22 No school board may vote on a resolution under this  
23 subsection (a) until 2 public hearings regarding the proposed  
24 resolution are held at the vocational education center. Notice

1 of the public hearings shall be given by the school board of  
2 each district that participates in the joint agreement by (i)  
3 posting the notice at the last regularly scheduled meeting of  
4 the school board to occur prior to the public hearing and (ii)  
5 publishing notice of the public hearing in a newspaper of  
6 general circulation published within the school district. If  
7 there is no newspaper of general circulation published within  
8 the school district, then notice shall be published in a  
9 newspaper of general circulation published within the county in  
10 which the school district is located. If there is no newspaper  
11 of general circulation published within the school district and  
12 the school district is located in more than one county, then  
13 notice shall be published in a newspaper of general circulation  
14 published in each county in which any part of the school  
15 district is located. The notice shall appear not more than 14  
16 days nor less than 7 days prior to the date of the public  
17 hearing. The notice shall not be placed in the portion of the  
18 newspaper where legal notices and classified advertisements  
19 appear. The notice shall appear before each public hearing.

20 The revenue raised by the tax imposed under this Section  
21 shall be used only for area vocational education center  
22 purposes, including the construction and maintenance of area  
23 vocational center education facilities. Upon proper resolution  
24 of the school board, the district shall distribute the funds  
25 for area vocational center education purposes to the area  
26 vocational center within 60 days after receipt.

1       (b) If the school board of any district that has levied a  
2 tax authorized by this Section withdraws from the joint  
3 agreement for area vocational education purposes, that  
4 district shall no longer be allowed to levy an annual tax for  
5 area vocational education purposes, except as specified in  
6 subsection (c) of this Section.

7       (c) The tax rate limits specified in subsection (a) of this  
8 Section may be increased to 0.40% by districts maintaining only  
9 grades 9 through 12 and to 0.80% by districts maintaining  
10 grades kindergarten through 12, upon the approval of a  
11 proposition submitted at a regularly scheduled election. The  
12 proposition may be initiated by resolution and shall be  
13 certified by the secretary to the proper election authorities  
14 for submission in accordance with the general election law. If  
15 a majority of votes cast on the proposition is in favor  
16 thereof, then the school board may annually levy the tax as  
17 authorized until such authority is revoked.

18       When the school boards of 2 or more districts enter into a  
19 joint agreement for area vocational education programs under  
20 Section 10-22.20a, their agreement may provide, or be amended  
21 to provide, that the question of the levy of the tax authorized  
22 by this Section shall be certified to the proper election  
23 authorities for submission to the voters of each of the  
24 participating districts in accordance with the general  
25 election law at the same election and that the approval of the  
26 levy by a majority of the electors voting upon the proposition

1 in the area comprising the participating districts, considered  
2 as a whole, shall be deemed to authorize the levy in each  
3 participating district without regard to the passage or failure  
4 of the proposition in any district considered separately.  
5 However, any district may withdraw from the joint agreement by  
6 reason of the failure of the electors of that district to  
7 approve the proposed levy.

8 Any tax imposed under this Section is in addition to all  
9 other taxes authorized by law to be levied and collected by a  
10 school board of any district participating in a joint agreement  
11 for an area vocational education center, and shall not be  
12 included within any limitation of rate contained in this Code  
13 or any other law.

14 (d) This Section is repealed on January 1, 2014.

15 Section 99. Effective date. This Act takes effect upon  
16 becoming law.
