

1 AN ACT concerning finance.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Illinois Coal and Energy Development Bond  
5 Act is amended by changing Section 6 as follows:

6 (20 ILCS 1110/6) (from Ch. 96 1/2, par. 4106)

7 Sec. 6. The Department of Commerce and Economic Opportunity  
8 is authorized to use general obligation bond funds for the  
9 purposes of issuing grants in accordance with this Act and the  
10 General Obligation Bond Act. ~~The Department of Commerce and~~  
11 ~~Economic Opportunity is authorized to use \$120,000,000 for the~~  
12 ~~purposes specified in this Act. These funds shall be expended~~  
13 ~~only for a grant to the owner of a generating station located~~  
14 ~~in Illinois and having at least three coal fired generating~~  
15 ~~units with accredited summer capacity greater than 500~~  
16 ~~megawatts each at such generating station as specifically~~  
17 ~~authorized by this paragraph. Notwithstanding any of the other~~  
18 ~~provisions of this Act, in considering the approval of projects~~  
19 ~~to be funded under this Act, the Department of Commerce and~~  
20 ~~Economic Opportunity shall give special consideration to~~  
21 ~~projects which are designed to remove sulfur and other~~  
22 ~~pollutants in the preparation and utilization of coal, and in~~  
23 ~~the use and operation of electric utility generating plants and~~

1 ~~industrial facilities which utilize Illinois coal as their~~  
2 ~~primary source of fuel. The Department of Commerce and~~  
3 ~~Community Affairs (now Department of Commerce and Economic~~  
4 ~~Opportunity) is directed to enter into a contract with the~~  
5 ~~owner of a generating station located in Illinois and having at~~  
6 ~~least three coal fired generating units with accredited summer~~  
7 ~~capability greater than 500 megawatts each at such generating~~  
8 ~~station for a grant of \$35,000,000 to be made by the State of~~  
9 ~~Illinois to such owner to be used to pay costs of designing,~~  
10 ~~acquiring, constructing, installing and testing facilities to~~  
11 ~~reduce sulfur dioxide emissions at one such generating unit to~~  
12 ~~allow that unit to meet the requirements of the Federal Clean~~  
13 ~~Air Act Amendments of 1990 (P.L. 101-549) while continuing to~~  
14 ~~use coal mined in Illinois as its source of fuel.~~

16 Section 10. The General Obligation Bond Act is amended by  
17 changing Section 7 as follows:

18 (30 ILCS 330/7) (from Ch. 127, par. 657)

19 Sec. 7. Coal and Energy Development. The amount of  
20 \$698,200,000 is authorized to be used by the Department of  
21 Commerce and Economic Opportunity (formerly Department of  
22 Commerce and Community Affairs) for coal and energy development  
23 purposes, pursuant to Sections 2, 3 and 3.1 of the Illinois  
24 Coal and Energy Development Bond Act, for the purposes

1 specified in Section 8.1 of the Energy Conservation and Coal  
2 Development Act, for the purposes specified in Section 605-332  
3 of the Department of Commerce and Economic Opportunity Law of  
4 the Civil Administrative Code of Illinois, and for the purpose  
5 of facility cost reports prepared pursuant to Sections 1-58  
6 ~~1-56~~ or 1-75(d) (4) of the Illinois Power Agency Act and for the  
7 purpose of development costs pursuant to Section 8.1 of the  
8 Energy Conservation and Coal Development Act. Of this amount:

9 (a) \$115,000,000 is for the specific purposes of  
10 acquisition, development, construction, reconstruction,  
11 improvement, financing, architectural and technical planning  
12 and installation of capital facilities consisting of  
13 buildings, structures, durable equipment, and land for the  
14 purpose of capital development of coal resources within the  
15 State and for the purposes specified in Section 8.1 of the  
16 Energy Conservation and Coal Development Act;

17 (b) \$35,000,000 is for the purposes specified in Section  
18 8.1 of the Energy Conservation and Coal Development Act and  
19 making grants ~~a grant~~ to generating stations and coal  
20 gasification facilities within the State of Illinois and to the  
21 owner of a generating station located in Illinois and having at  
22 least three coal-fired generating units with accredited summer  
23 capability greater than 500 megawatts each at such generating  
24 station as provided in Section 6 of that Bond Act;

25 (c) \$13,200,000 is for research, development and  
26 demonstration of forms of energy other than that derived from

1 coal, either on or off State property;

2 (d) \$500,000,000 is for the purpose of providing financial  
3 assistance to new electric generating facilities as provided in  
4 Section 605-332 of the Department of Commerce and Economic  
5 Opportunity Law of the Civil Administrative Code of Illinois;  
6 and

7 (e) \$35,000,000 is for the purpose of facility cost reports  
8 prepared for not more than one facility pursuant to Section  
9 1-75(d)(4) of the Illinois Power Agency Act and not more than  
10 one facility pursuant to Section 1-58 ~~1-56~~ of the Illinois  
11 Power Agency Act and for the purpose of up to \$6,000,000 of  
12 development costs pursuant to Section 8.1 of the Energy  
13 Conservation and Coal Development Act.
