1 (40 ILCS 5/14-152.1)

2 Sec. 14-152.1. Application and expiration of new benefit
3 increases.

4 (a) As used in this Section, "new benefit increase" means
5 an increase in the amount of any benefit provided under this
6 Article, or an expansion of the conditions of eligibility for
7 any benefit under this Article, that results from an amendment
8 to this Code that takes effect after June 1, 2005 (the
9 effective date of Public Act 94-4) ~~this amendatory Act of the~~
10 ~~94th General Assembly~~. "New benefit increase", however, does
11 not include any benefit increase resulting from the changes
12 made to this Article by this amendatory Act of the 96th General
13 Assembly.

14 (b) Notwithstanding any other provision of this Code or any
15 subsequent amendment to this Code, every new benefit increase
16 is subject to this Section and shall be deemed to be granted
17 only in conformance with and contingent upon compliance with
18 the provisions of this Section.

19 (c) The Public Act enacting a new benefit increase must
20 identify and provide for payment to the System of additional
21 funding at least sufficient to fund the resulting annual
22 increase in cost to the System as it accrues.

23 Every new benefit increase is contingent upon the General
24 Assembly providing the additional funding required under this
25 subsection. The Commission on Government Forecasting and

1 Accountability shall analyze whether adequate additional
2 funding has been provided for the new benefit increase and
3 shall report its analysis to the Public Pension Division of the
4 Department of Financial and Professional Regulation. A new
5 benefit increase created by a Public Act that does not include
6 the additional funding required under this subsection is null
7 and void. If the Public Pension Division determines that the
8 additional funding provided for a new benefit increase under
9 this subsection is or has become inadequate, it may so certify
10 to the Governor and the State Comptroller and, in the absence
11 of corrective action by the General Assembly, the new benefit
12 increase shall expire at the end of the fiscal year in which
13 the certification is made.

14 (d) Every new benefit increase shall expire 5 years after
15 its effective date or on such earlier date as may be specified
16 in the language enacting the new benefit increase or provided
17 under subsection (c). This does not prevent the General
18 Assembly from extending or re-creating a new benefit increase
19 by law.

20 (e) Except as otherwise provided in the language creating
21 the new benefit increase, a new benefit increase that expires
22 under this Section continues to apply to persons who applied
23 and qualified for the affected benefit while the new benefit
24 increase was in effect and to the affected beneficiaries and
25 alternate payees of such persons, but does not apply to any
26 other person, including without limitation a person who

1 continues in service after the expiration date and did not
2 apply and qualify for the affected benefit while the new
3 benefit increase was in effect.
