1 AMENDMENT TO HOUSE BILL 588

2 AMENDMENT NO. \_\_\_\_\_. Amend House Bill 588 by replacing  
3 everything after the enacting clause with the following:

4 "Section 5. The Illinois Library System Act is amended by  
5 changing Section 8.1 as follows:

6 (75 ILCS 10/8.1) (from Ch. 81, par. 118.1)

7 Sec. 8.1. The State Librarian shall make grants annually  
8 under this Section to all qualified public libraries in the  
9 State from funds appropriated by the General Assembly. Such  
10 grants shall be in the amount of up to \$1.25 per capita for the  
11 population of the area served by the respective public library  
12 and, in addition, the amount of up to \$0.19 per capita to  
13 libraries serving populations over 500,000 under the Illinois  
14 Major Urban Library Program. If the moneys appropriated for  
15 grants under this Section are not sufficient the State  
16 Librarian shall reduce the per capita amount of the grants so

1 that the qualifying public libraries receive the same amount  
2 per capita.

3 To be eligible for grants under this Section, a public  
4 library must:

5 (1) Provide, as determined by the State Librarian,  
6 library services which either meet or show progress toward  
7 meeting the Illinois library standards, as most recently  
8 adopted by the Illinois Library Association.

9 (2) Be a public library for which is levied a tax for  
10 library purposes at a rate not less than .13% or a county  
11 library for which is levied a tax for library purposes at a  
12 rate not less than .07%. If a library is subject to the  
13 Property Tax Extension Limitation Law in the Property Tax  
14 Code and its tax levy for library purposes has been lowered  
15 to a rate of less than .13%, this requirement will be  
16 waived if the library qualified for this grant in the  
17 previous year and if the tax levied for library purposes in  
18 the current year produces tax revenue for library purposes  
19 that is an increase over the previous year's extension of  
20 5% or the percentage increase in the Consumer Price Index,  
21 whichever is less. Beginning in State Fiscal Year 2012 and  
22 continuing through and including State Fiscal Year 2015,  
23 the eligibility requirement in this subsection shall be  
24 waived if a library's tax levy for library purposes has  
25 been lowered to a rate of less than 0.13%, and the State  
26 Librarian determines that the library (i) continues to meet

1       the requirements of item (1) of this Section and (ii)  
2       received a grant under this Section in the previous fiscal  
3       year.

4       Any other language in this Section to the contrary  
5       notwithstanding, grants under this Section 8.1 shall be made  
6       only upon application of the public library concerned, which  
7       applications shall be entirely voluntary and within the sole  
8       discretion of the public library concerned.

9       In order to be eligible for a grant under this Section, the  
10      corporate authorities, in lieu of a tax levy at a particular  
11      rate, may provide funds from other sources, an amount  
12      equivalent to the amount to be produced by that levy.
