1 AMENDMENT TO HOUSE BILL 1887

2 AMENDMENT NO. _____. Amend House Bill 1887 as follows:

3 on page 1, by replacing lines 5 and 6 with "amended by changing
4 Sections 15, 30, and 35 as follows:"; and

5 by deleting line 7 on page 1 through line 1 on page 5; and

6 on page 9, line 24, after "insurance" by inserting "i
7 renewals"; and

8 on page 10, by replacing lines 3 through 18 with the following:

9 "(b) Each license must be renewed every 2 years. Each
10 licensee must complete 16 hours of continuing education in the
11 2-year period following his or her renewal or initial licensure
12 after the effective date of this amendatory Act of the 97th
13 General Assembly. Current licensure as a professional engineer
14 or proof of current NICET certification in Level III or IV

1 shall satisfy this requirement for designated certified
2 persons. Continuing education offered through nationally
3 recognized building and fire code organizations and their
4 affiliates; nationally recognized fire sprinkler organizations
5 and their affiliates; institutions of higher education;
6 educational bodies specializing in automatic fire suppression
7 system technology; as well as other entities approved by the
8 State Fire Marshal shall be also acceptable. All continuing
9 education entities seeking to be approved providers of
10 continuing education shall make application to the State Fire
11 Marshal and offer programs that:

12 (1) contribute to the advancement, extension, or
13 enhancement of the professional skills or technical
14 knowledge of the licensee in the practice of fire sprinkler
15 contracting; and

16 (2) are developed and presented by persons with
17 education or experience in the subject manner of the
18 program."
