13 (110 ILCS 805/3-7) (from Ch. 122, par. 103-7)

14 Sec. 3-7. (a) The election of the members of the board of
15 trustees shall be nonpartisan and shall be held at the time and
16 in the manner provided in the general election law.

17 (b) Unless otherwise provided in this Act, members shall be
18 elected to serve 6 year terms. The term of members elected in
19 1985 and thereafter shall be from the date the member is
20 officially determined to be elected to the board by a canvass
21 conducted pursuant to the Election Code, to the date that the
22 winner of the seat is officially determined by the canvass
23 conducted pursuant to the Election Code the next time the seat
24 on the board is to be filled by election.

25 (c) ~~(e)~~ Each member must on the date of his election be a

1 citizen of the United States, of the age of 18 years or over,
2 and a resident of the State and the territory which on the date
3 of the election is included in the community college district
4 for at least one year immediately preceding his election. In
5 Community College District No. 526, each member elected at the
6 consolidated election in 2005 or thereafter must also be a
7 resident of the trustee district he or she represents for at
8 least one year immediately preceding his or her election,
9 except that in the first consolidated election for each trustee
10 district following reapportionment by the General Assembly, a
11 candidate for the board may be elected from any trustee
12 district that contains a part of the trustee district in which
13 he or she resided at the time of the reapportionment and may be
14 reelected if a resident of the new trustee district he or she
15 represents for one year prior to reelection. In Community
16 College District No. 502, each member elected at the
17 consolidated election in 2013 or thereafter must also be a
18 resident of the trustee district he or she represents for at
19 least one year immediately preceding his or her election,
20 except that in the first consolidated election for each trustee
21 district following reapportionment by the board of trustees, a
22 candidate for the board may be elected from any trustee
23 district that contains a part of the trustee district in which
24 he or she resided at the time of the reapportionment and may be
25 reelected if a resident of the new trustee district he or she
26 represents for one year prior to reelection. In the event a

1 person who is a member of a common school board is elected or
2 appointed to a board of trustees of a community college
3 district, that person shall be permitted to serve the remainder
4 of his or her term of office as a member of the common school
5 board. Upon the expiration of the common school board term,
6 that person shall not be eligible for election or appointment
7 to a common school board during the term of office with the
8 community college district board of trustees.

9 (d) ~~(f)~~ Whenever a vacancy occurs, the remaining members
10 shall fill the vacancy, and the person so appointed shall serve
11 until a successor is elected at the next regular election for
12 board members and is certified in accordance with Sections
13 22-17 and 22-18 of the Election Code. If the remaining members
14 fail so to act within 60 days after the vacancy occurs, the
15 chairman of the State Board shall fill that vacancy, and the
16 person so appointed shall serve until a successor is elected at
17 the next regular election for board members and is certified in
18 accordance with Sections 22-17 and 22-18 of the Election Code.
19 The person appointed to fill the vacancy shall have the same
20 residential qualifications as his predecessor in office was
21 required to have. In either instance, if the vacancy occurs
22 with less than 4 months remaining before the next scheduled
23 consolidated election, and the term of office of the board
24 member vacating the position is not scheduled to expire at that
25 election, then the term of the person so appointed shall extend
26 through that election and until the succeeding consolidated

1 election. If the term of office of the board member vacating
2 the position is scheduled to expire at the upcoming
3 consolidated election, the appointed member shall serve only
4 until a successor is elected and qualified at that election.

5 (e) ~~(g)~~ Members of the board shall serve without
6 compensation but shall be reimbursed for their reasonable
7 expenses incurred in connection with their service as members.
8 Compensation, for purposes of this Section, means any salary or
9 other benefits not expressly authorized by this Act to be
10 provided or paid to, for or on behalf of members of the board.
11 The board of each community college district may adopt a policy
12 providing for the issuance of bank credit cards, for use by any
13 board member who requests the same in writing and agrees to use
14 the card only for the reasonable expenses which he or she
15 incurs in connection with his or her service as a board member.
16 Expenses charged to such credit cards shall be accounted for
17 separately and shall be submitted to the chief financial
18 officer of the district for review prior to being reported to
19 the board at its next regular meeting.

20 (f) ~~(h)~~ Except in an election of the initial board for a
21 new community college district created pursuant to Section
22 6-6.1, the ballot for the election of members of the board for
23 a community college district shall indicate the length of term
24 for each office to be filled. In the election of a board for
25 any community college district, the ballot shall not contain
26 any political party designation.

2 (110 ILCS 805/3-7a new) (was 110 ILCS 805/3-7, subsec. (c))

3 Sec. 3-7a. Trustee districts. ~~(c)~~ A board of trustees of a

4 community college district which is contiguous or has been

5 contiguous to an experimental community college district as

6 authorized and defined by Article IV of this Act may, on its

7 own motion, or shall, upon the petition of the lesser of 1/10

8 or 2,000 of the voters registered in the district, order

9 submitted to the voters of the district at the next general

10 election the proposition for the election of board members by

11 trustee district rather than at large, and such proposition

12 shall thereupon be certified by the secretary of the board to

13 the proper election authority in accordance with the general

14 election law for submission.

15 If the proposition is approved by a majority of those

16 voting on the proposition, the State Board of Elections, in

17 1991, shall reapportion the trustee districts to reflect the

18 results of the last decennial census, and shall divide the

19 community college district into 7 trustee districts, each of

20 which shall be compact, contiguous and substantially equal in

21 population to each other district. In 2001, and in the year

22 following each decennial census thereafter, the board of

23 trustees of community college District #522 shall reapportion

24 the trustee districts to reflect the results of the census, and

25 shall divide the community college district into 7 trustee

1 districts, each of which shall be compact, contiguous, and
2 substantially equal in population to each other district. The
3 division of the community college district into trustee
4 districts shall be completed and formally approved by a
5 majority of the members of the board of trustees of community
6 college District #522 in 2001 and in the year following each
7 decennial census. At the same meeting of the board of trustees,
8 the board shall, publicly by lot, divide the trustee districts
9 as equally as possible into 2 groups. Beginning in 2003 and
10 every 10 years thereafter, trustees or their successors from
11 one group shall be elected for successive terms of 4 years and
12 6 years; and members or their successors from the second group
13 shall be elected for successive terms of 6 years and 4 years.
14 One member shall be elected from each such trustee district.
15 Each member elected in 2001 shall be elected at the 2001
16 consolidated election from the trustee districts established
17 in 1991. The term of each member elected in 2001 shall end on
18 the date that the trustees elected in 2003 are officially
19 determined by a canvass conducted pursuant to the Election
20 Code.

25 (a) ~~(d)~~ In Community College District No. 526, the election

2 large beginning with the consolidated election in 2005.
