A BILL FOR

1 AN ACT concerning safety.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Environmental Protection Act is amended by
5 changing Section 3 as follows:

6 (415 ILCS 5/3) (from Ch. 111 1/2, par. 1003)

7 Sec. 3. Definitions.

8 (a) For the ~~the~~ purposes of this Act, the words and terms
9 defined in the Sections which follow this Section and precede
10 Section 4 shall have the meaning therein given, unless the
11 context otherwise clearly requires.

12 (b) This amendatory Act of the 92nd General Assembly
13 renumbers the definition Sections formerly included in this Act
14 as Sections 3.01 through 3.94. The new numbering scheme is
15 intended to alphabetize the defined terms and to leave room for
16 additional terms to be added in alphabetical order in the
17 future. It does not reuse any of the original numbers.

18 In the bill for this amendatory Act, the renumbered
19 Sections are shown in the manner commonly used to show
20 renumbering in revisory bills. The Sections being renumbered
21 are shown as existing (rather than new) text; only the changes
22 being made to the existing text are shown with striking and
23 underscoring. The original source lines have been retained.

1 (c) In a statute, rule, permit, or other document in
2 existence on the effective date of this amendatory Act of the
3 92nd General Assembly, a reference to one of the definition
4 Sections renumbered by this amendatory Act shall be deemed to
5 refer to the corresponding Section as renumbered by this
6 amendatory Act.
