4 Section 5. The Illinois Pension Code is amended by changing
5 Sections 9-169 and 10-107 as follows:

6 (40 ILCS 5/9-169) (from Ch. 108 1/2, par. 9-169)

7 Sec. 9-169. Financing - Tax levy.

8 (a) The county board shall levy a tax annually upon all
9 taxable property in the county at the rate that will produce a
10 sum which, when added to the amounts deducted from the salaries
11 of the employees or otherwise contributed by them is sufficient
12 for the requirements of this Article.

13 For the years before 1962 the tax rate shall be as provided
14 in "The 1925 Act". For the years 1962 and 1963 the tax rate
15 shall be not more than .0200 per cent; for the years 1964 and
16 1965 the tax rate shall be not more than .0202 per cent; for
17 the years 1966 and 1967 the tax rate shall be not more than
18 .0207 per cent; for the year 1968 the tax rate shall be not
19 more than .0220 per cent; for the year 1969 the tax rate shall
20 be not more than .0233 per cent; for the year 1970 the tax rate
21 shall be not more than .0255 per cent; for the year 1971 the
22 tax rate shall be not more than .0268 per cent of the value, as
23 equalized or assessed by the Department of Revenue upon all

1 taxable property in the county. Beginning with the year 1972
2 and for each year thereafter the county shall levy a tax
3 annually at a rate on the dollar of the value, as equalized or
4 assessed by the Department of Revenue of all taxable property
5 within the county that will produce, when extended, not to
6 exceed an amount equal to the total amount of contributions
7 made by the employees to the fund in the calendar year 2 years
8 prior to the year for which the annual applicable tax is levied
9 multiplied by .8 for the years 1972 through 1976; by .8 for the
10 year 1977; by .87 for the year 1978; by .94 for the year 1979;
11 by 1.02 for the year 1980 and by 1.10 for the year 1981 and by
12 1.18 for the year 1982 and by 1.36 for the year 1983 and by 1.54
13 for the years year 1984 through 2012 and by 2.25 for the years
14 2013 through 2015 and by 3.00 for the years 2016 through 2019.
15 Beginning in the year 2020 and for each year thereafter, the
16 county shall levy a tax annually upon all taxable property
17 within the county at a rate that will produce a sum that, when
18 added to the amounts deducted from the salaries of the
19 employees or otherwise contributed by them and revenues from
20 other sources, will equal a sum sufficient to meet the annual
21 actuarial requirements of the pension fund as determined by a
22 qualified actuary retained by the pension fund. For the
23 purposes of this subsection (a), the annual actuarial
24 requirements of the pension fund are equal to (1) the
25 employer's normal cost of the pension fund, plus (2) the annual
26 amount necessary to amortize the fund's unfunded accrued

1 liabilities over a period of 30 years from the effective date
2 of the evaluation.

3 This tax shall be levied and collected in like manner with
4 the general taxes of the county, and shall be in addition to
5 all other taxes which the county is authorized to levy upon the
6 aggregate valuation of all taxable property within the county
7 and shall be exclusive of and in addition to the amount of tax
8 the county is authorized to levy for general purposes under any
9 laws which may limit the amount of tax which the county may
10 levy for general purposes. The county clerk, in reducing tax
11 levies under any Act concerning the levy and extension of
12 taxes, shall not consider this tax as a part of the general tax
13 levy for county purposes, and shall not include it within any
14 limitation of the per cent of the assessed valuation upon which
15 taxes are required to be extended for the county. It is lawful
16 to extend this tax in addition to the general county rate fixed
17 by statute, without being authorized as additional by a vote of
18 the people of the county.

19 Revenues derived from this tax shall be paid to the
20 treasurer of the county and held by him for the benefit of the
21 fund.

22 If the payments on account of taxes are insufficient during
23 any year to meet the requirements of this Article, the county
24 may issue tax anticipation warrants against the current tax
25 levy.

26 (b) By January 10, annually, the board shall notify the

1 county board of the requirement of this Article that this tax
2 shall be levied. The board shall make an annual determination
3 of the required county contributions, and shall certify the
4 results thereof to the county board.

5 (c) The various sums to be contributed by the county board
6 and allocated for the purposes of this Article and any interest
7 to be contributed by the county shall be taken from the revenue
8 derived from this tax and no money of the county derived from
9 any source other than the levy and collection of this tax or
10 the sale of tax anticipation warrants, except state or federal
11 funds contributed for annuity and benefit purposes for
12 employees of a county department of public aid under "The
13 Illinois Public Aid Code", approved April 11, 1967, as now or
14 hereafter amended, may be used to provide revenue for the fund.

15 If it is not possible or practicable for the county to make
16 contributions for age and service annuity and widow's annuity
17 concurrently with the employee contributions made for such
18 purposes, such county shall make such contributions as soon as
19 possible and practicable thereafter with interest thereon at
20 the effective rate until the time it shall be made.

21 (d) With respect to employees whose wages are funded as
22 participants under the Comprehensive Employment and Training
23 Act of 1973, as amended (P.L. 93-203, 87 Stat. 839, P.L.
24 93-567, 88 Stat. 1845), hereinafter referred to as CETA,
25 subsequent to October 1, 1978, and in instances where the board
26 has elected to establish a manpower program reserve, the board

1 shall compute the amounts necessary to be credited to the
2 manpower program reserves established and maintained as herein
3 provided, and shall make a periodic determination of the amount
4 of required contributions from the County to the reserve to be
5 reimbursed by the federal government in accordance with rules
6 and regulations established by the Secretary of the United
7 States Department of Labor or his designee, and certify the
8 results thereof to the County Board. Any such amounts shall
9 become a credit to the County and will be used to reduce the
10 amount which the County would otherwise contribute during
11 succeeding years for all employees.

12 (e) In lieu of establishing a manpower program reserve with
13 respect to employees whose wages are funded as participants
14 under the Comprehensive Employment and Training Act of 1973, as
15 authorized by subsection (d), the board may elect to establish
16 a special County contribution rate for all such employees. If
17 this option is elected, the County shall contribute to the Fund
18 from federal funds provided under the Comprehensive Employment
19 and Training Act program at the special rate so established and
20 such contributions shall become a credit to the County and be
21 used to reduce the amount which the County would otherwise
22 contribute during succeeding years for all employees.

24 (40 ILCS 5/10-107) (from Ch. 108 1/2, par. 10-107)

25 Sec. 10-107. Financing - Tax levy. The forest preserve

1 district may levy an annual tax on the value, as equalized or
2 assessed by the Department of Revenue, of all taxable property
3 in the district for the purpose of providing revenue for the
4 fund. The rate of such tax in any year may not exceed the rate
5 herein specified for that year or the rate which will produce,
6 when extended, the sum herein stated for that year, whichever
7 is higher: for any year prior to 1970, .00103% or \$195,000; for
8 the year 1970, .00111% or \$210,000; for the year 1971, .00116%
9 or \$220,000. For the year 1972 and each year thereafter, the
10 Forest Preserve District shall levy a tax annually at a rate on
11 the dollar of the value, as equalized or assessed by the
12 Department of Revenue upon all taxable property in the county,
13 when extended, not to exceed an amount equal to the total
14 amount of contributions by the employees to the fund made in
15 the calendar year 2 years prior to the year for which the
16 annual applicable tax is levied, multiplied by 1.25 for the
17 year 1972; and by 1.30 for the years year 1973 through 2012 and
18 by 2.25 for the years 2013 through 2015 and by 3.00 for the
19 years 2016 through 2019. Beginning in the year 2020 and for
20 each year thereafter, the forest preserve district shall levy a
21 tax annually upon all taxable property within the district at a
22 rate that will produce a sum that, when added to the amounts
23 deducted from the salaries of the employees or otherwise
24 contributed by them, and revenues from other sources, will
25 equal a sum sufficient to meet the annual actuarial
26 requirements of the pension fund as determined by a qualified

1 actuary retained by the pension fund. For the purposes of this
2 Section, the annual actuarial requirements of the pension fund
3 are equal to (1) the employer's normal cost of the pension
4 fund, plus (2) the annual amount necessary to amortize the
5 fund's unfunded accrued liabilities over a period of 30 years
6 from the effective date of the evaluation.

7 The tax shall be levied and collected in like manner with
8 the general taxes of the district and shall be in addition to
9 the maximum of all other tax rates which the district may levy
10 upon the aggregate valuation of all taxable property and shall
11 be exclusive of and in addition to the maximum amount and rate
12 of taxes the district may levy for general purposes or under
13 and by virtue of any laws which limit the amount of tax which
14 the district may levy for general purposes. The county clerk of
15 the county in which the forest preserve district is located in
16 reducing tax levies under the provisions of "An Act concerning
17 the levy and extension of taxes", approved May 9, 1901, as
18 amended, shall not consider any such tax as a part of the
19 general tax levy for forest preserve purposes, and shall not
20 include the same in the limitation of 1% of the assessed
21 valuation upon which taxes are required to be extended, and
22 shall not reduce the same under the provisions of that Act. The
23 proceeds of the tax herein authorized shall be kept as a
24 separate fund.

25 The Board may establish a manpower program reserve, or a
26 special forest preserve district contribution rate, with

1 respect to employees whose wages are funded as program
2 participants under the Comprehensive Employment and Training
3 Act of 1973 in the manner provided in subsection (d) or (e),
4 respectively, of Section 9-169.
