13 specifications, terms of delivery, quality and serviceability,

19 reports; (iii) contracts for the printing or engraving of
20 bonds, tax warrants and other evidences of indebtedness; (iv)
21 contracts for the purchase of perishable foods and perishable
22 beverages; (v) contracts for materials and work which have been
23 awarded to the lowest responsible bidder after due

1 advertisement, but due to unforeseen revisions, not the fault
2 of the contractor for materials and work, must be revised
3 causing expenditures not in excess of 10% of the contract
4 price; (vi) contracts for the maintenance or servicing of, or

9 agent; (vii) purchases and contracts for the use, purchase,
10 delivery, movement, or installation of data processing
11 equipment, software, or services and telecommunications and
12 interconnect equipment, software, and services; (viii)

14 contracts for the purchase of natural gas when the cost is less
15 than that offered by a public utility; (x) purchases of
16 equipment previously owned by some entity other than the
17 district itself; (xi) contracts for repair, maintenance,

20 involving a change or increase in the size, type, or extent of
21 an existing facility; (xii) contracts for goods or services
22 procured from another governmental agency; (xiii) contracts
23 for goods or services which are economically procurable from
24 only one source, such as for the purchase of magazines, books,
25 periodicals, pamphlets and reports, and for utility services
26 such as water, light, heat, telephone or telegraph; (xiv) where

1 funds are expended in an emergency and such emergency

3 (xv) State master contracts authorized under Article 28A of
4 this Code; and (xvi) contracts providing for the transportation
5 of pupils ~~with special needs or disabilities~~, which contracts
6 must be advertised in the same manner as competitive bids and
7 awarded by first considering the bidder or bidders most able to
8 provide safety and comfort for the pupils ~~with special needs or~~
9 ~~disabilities~~, stability of service, and any other factors set
10 forth in the request for proposal regarding quality of service,
11 and then price.

12 All competitive bids for contracts involving an
13 expenditure in excess of \$25,000 or a lower amount as required
14 by board policy must be sealed by the bidder and must be opened
15 by a member or employee of the school board at a public bid
16 opening at which the contents of the bids must be announced.
17 Each bidder must receive at least 3 days' notice of the time
18 and place of the bid opening. For purposes of this Section due
19 advertisement includes, but is not limited to, at least one
20 public notice at least 10 days before the bid date in a
21 newspaper published in the district, or if no newspaper is
22 published in the district, in a newspaper of general
23 circulation in the area of the district. State master contracts
24 and certified education purchasing contracts, as defined in
25 Article 28A of this Code, are not subject to the requirements
26 of this paragraph.

1 Under this Section, the acceptance of bids sealed by a
2 bidder and the opening of these bids at a public bid opening
3 may be permitted by an electronic process for communicating,
4 accepting, and opening competitive bids. However, bids for
5 construction purposes are prohibited from being communicated,
6 accepted, or opened electronically. An electronic bidding
7 process must provide for, but is not limited to, the following
8 safeguards:

9 (1) On the date and time certain of a bid opening, the
10 primary person conducting the competitive, sealed,
11 electronic bid process shall log onto a specified database
12 using a unique username and password previously assigned to
13 the bidder to allow access to the bidder's specific bid
14 project number.

15 (2) The specified electronic database must be on a
16 network that (i) is in a secure environment behind a
17 firewall; (ii) has specific encryption tools; (iii)
18 maintains specific intrusion detection systems; (iv) has
19 redundant systems architecture with data storage back-up,
20 whether by compact disc or tape; and (v) maintains a
21 disaster recovery plan.

22 It is the legislative intent of Public Act 96-841 to maintain
23 the integrity of the sealed bidding process provided for in
24 this Section, to further limit any possibility of bid-rigging,
25 to reduce administrative costs to school districts, and to
26 effect efficiencies in communications with bidders.

1 (b) To require, as a condition of any contract for goods
2 and services, that persons bidding for and awarded a contract
3 and all affiliates of the person collect and remit Illinois Use
4 Tax on all sales of tangible personal property into the State
5 of Illinois in accordance with the provisions of the Illinois
6 Use Tax Act regardless of whether the person or affiliate is a
7 "retailer maintaining a place of business within this State" as
8 defined in Section 2 of the Use Tax Act. For purposes of this
9 Section, the term "affiliate" means any entity that (1)
10 directly, indirectly, or constructively controls another
11 entity, (2) is directly, indirectly, or constructively
12 controlled by another entity, or (3) is subject to the control
13 of a common entity. For purposes of this subsection (b), an
14 entity controls another entity if it owns, directly or
15 individually, more than 10% of the voting securities of that
16 entity. As used in this subsection (b), the term "voting
17 security" means a security that (1) confers upon the holder the
18 right to vote for the election of members of the board of
19 directors or similar governing body of the business or (2) is
20 convertible into, or entitles the holder to receive upon its
21 exercise, a security that confers such a right to vote. A
22 general partnership interest is a voting security.

23 To require that bids and contracts include a certification
24 by the bidder or contractor that the bidder or contractor is
25 not barred from bidding for or entering into a contract under
26 this Section and that the bidder or contractor acknowledges

1 that the school board may declare the contract void if the
2 certification completed pursuant to this subsection (b) is
3 false.

4 (b-5) To require all contracts and agreements that pertain
5 to goods and services and that are intended to generate
6 additional revenue and other remunerations for the school
7 district in excess of \$1,000, including without limitation
8 vending machine contracts, sports and other attire, class
9 rings, and photographic services, to be approved by the school
10 board. The school board shall file as an attachment to its
11 annual budget a report, in a form as determined by the State
12 Board of Education, indicating for the prior year the name of
13 the vendor, the product or service provided, and the actual net
14 revenue and non-monetary remuneration from each of the
15 contracts or agreements. In addition, the report shall indicate
16 for what purpose the revenue was used and how and to whom the
17 non-monetary remuneration was distributed.

18 (c) If the State education purchasing entity creates a
19 master contract as defined in Article 28A of this Code, then
20 the State education purchasing entity shall notify school
21 districts of the existence of the master contract.

22 (d) In purchasing supplies, materials, equipment, or
23 services that are not subject to subsection (c) of this
24 Section, before a school district solicits bids or awards a
25 contract, the district may review and consider as a bid under
26 subsection (a) of this Section certified education purchasing

1 contracts that are already available through the State
2 education purchasing entity.

6 Sec. 29-6.1. Contracts for transportation. Subject to
7 Section 6-106.11 of the Illinois Vehicle Code, school boards
8 may enter into contracts for up to 3 years for transportation
9 of pupils to and from school. Such contracts may be extended
10 for up to 2 additional years by mutual agreement of the
11 parties, and thereafter may be extended on a year-to-year basis
12 by mutual agreement of the parties, ~~however no such contract~~
13 ~~may be extended on a year-to-year basis if a school board~~
14 ~~receives a timely request from another interested contractor~~
15 ~~that a contract be let by bid.~~
