(30 ILCS 105/5.826 new)
Sec. 5.826. The Driver Services Administration Fund.

Section 10. The Illinois Vehicle Code is amended by changing Sections 6-105.1 and 6-601 as follows:

(625 ILCS 5/6-105.1)
Sec. 6-105.1. Temporary visitor's driver's license.
(a) The Secretary of State may issue a temporary visitor's driver's license to a foreign national who (i) resides in this State, (ii) is ineligible to obtain a social security number, and (iii) presents to the Secretary documentation, issued by United States Citizenship and Immigration Services, authorizing the person's presence in this country.
(a-5) The Secretary of State may issue a temporary visitor's driver's license to an applicant who (i) has resided in this State for a period in excess of one year, (ii) is ineligible to obtain a social security number, and (iii) is...
unable to present documentation issued by the United States Citizenship and Immigration Services authorizing the person's presence in this country. The applicant shall submit a valid unexpired passport from the applicant's country of citizenship or a valid unexpired consular identification document issued by a consulate of that country as defined in Section 5 of the Consular Identification Document Act (5 ILCS 230/5).

(a-10) Applicants for a temporary visitor's driver's license who are under 18 years of age at the time of application shall be subject to the provisions of Sections 6-107 and 6-108 of this Code.

(b) A temporary visitor's driver's license issued under subsection (a) is valid for 3 years, or for the period of time the individual is authorized to remain in this country, whichever ends sooner. A temporary visitor's driver's license issued under subsection (a-5) shall be valid for a period of 3 years.

(b-5) A temporary visitor's driver's license issued under this Section may not be accepted for proof of the holder's identity. A temporary visitor's driver's license issued under this Section shall contain a notice on its face, in capitalized letters, stating that the temporary visitor's driver's license may not be accepted for proof of identity.

(c) The Secretary shall adopt rules for implementing this Section, including rules:

(1) regarding the design and content of the temporary
visitor's driver's license;

(2) establishing criteria for proof of identification and residency of an individual applying under subsection (a-5);

(3) designating acceptable evidence that an applicant is not eligible for a social security number; and

(4) regarding the issuance of temporary visitor's instruction permits.

(d) Any person to whom the Secretary of State may issue a temporary visitor's driver's license shall be subject to any and all provisions of this Code and any and all implementing regulations issued by the Secretary of State to the same extent as any person issued a driver's license, unless otherwise provided in this Code or by administrative rule, including but not limited to the examination requirements in Section 6-109 as well as the mandatory insurance requirements and penalties set forth in Article VI of Chapter 7 of this Code.

(d-5) A temporary visitor's driver's license is invalid if the holder is unable to provide proof of liability insurance as required by Section 7-601 of this Code upon the request of a law enforcement officer, in which case the holder commits a violation of Section 6-101 of this Code.

(e) Temporary visitor's driver's licenses shall be issued from a central location after the Secretary of State has verified the information provided by the applicant.

(f) There is created in the State treasury a special fund
to be known as the Driver Services Administration Fund. All fees collected for the issuance of temporary visitor's driver's licenses shall be deposited into the Fund. These funds shall, subject to appropriation, be used by the Office of the Secretary of State for costs related to the issuance of temporary visitor's driver's licenses, and other operational costs, including personnel, facilities, computer programming, and data transmission.

(625 ILCS 5/6-601) (from Ch. 95 1/2, par. 6-601)

Sec. 6-601. Penalties.

(a) It is a petty offense for any person to violate any of the provisions of this Chapter unless such violation is by this Code or other law of this State declared to be a misdemeanor or a felony.

(b) General penalties. Unless another penalty is in this Code or other laws of this State, every person convicted of a petty offense for the violation of any provision of this Chapter shall be punished by a fine of not more than $500.

(c) Unlicensed driving. Except as hereinafter provided a violation of Section 6-101 shall be:

1. A Class A misdemeanor if the person failed to obtain a driver's license or permit after expiration of a period of revocation.

2. A Class B misdemeanor if the person has been issued
a driver's license or permit, which has expired, and if the period of expiration is greater than one year; or if the person has never been issued a driver's license or permit, or is not qualified to obtain a driver's license or permit because of his age.

3. A petty offense if the person has been issued a temporary visitor's driver's license or permit and is unable to provide proof of liability insurance as provided in subsection (d-5) of Section 6-105.1.

Section 15. The Consular Identification Document Act is amended by changing Section 10 as follows:

(5 ILCS 230/10)

Sec. 10. Acceptance of consular identification document. (a) When requiring members of the public to provide identification, each State agency and officer and unit of local
government shall accept a consular identification document as valid identification of a person.

(b) A consular identification document shall be accepted for purposes of identification only and does not convey an independent right to receive benefits of any type.

(c) A consular identification document may not be accepted as identification for obtaining a driver's license, other than a temporary visitor's driver's license, or registering to vote.

(d) A consular identification document does not establish or indicate lawful U.S. immigration status and may not be viewed as valid for that purpose, nor does a consular identification document establish a foreign national's right to be in the United States or remain in the United States.

(e) The requirements of subsection (a) do not apply if:

(1) a federal law, regulation, or directive or a federal court decision requires a State agency or officer or a unit of local government to obtain different identification;

(2) a federal law, regulation, or directive preempts state regulation of identification requirements; or

(3) a State agency or officer or a unit of local government would be unable to comply with a condition imposed by a funding source which would cause the State agency or officer or unit of local government to lose funds from that source.

(f) Nothing in subsection (a) shall be construed to
prohibit a State agency or officer or a unit of local
government from:

(1) requiring additional information from persons in
order to verify a current address or other facts that would
enable the State agency or officer or unit of local
government to fulfill its responsibilities, except that
this paragraph (1) does not permit a State agency or
officer or a unit of local government to require additional
information solely in order to establish identification of
the person when the consular identification document is the
form of identification presented;

(2) requiring fingerprints for identification purposes
under circumstances where the State agency or officer or
unit of local government also requires fingerprints from
persons who have a driver's license or Illinois
Identification Card; or

(3) requiring additional evidence of identification if
the State agency or officer or unit of local government
reasonably believes that: (A) the consular identification
document is forged, fraudulent, or altered; or (B) the
holder does not appear to be the same person on the
consular identification document.
