FISCAL NOTE ACT
MAY APPLY

A BILL FOR

AN ACT concerning insurance.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Comprehensive Health Insurance Plan Act is amended by changing Sections 1.1, 2, 4, 7, and 12 as follows:

(215 ILCS 105/1.1) (from Ch. 73, par. 1301.1)

Sec. 1.1. The General Assembly hereby makes the following findings and declarations:

(a) The Comprehensive Health Insurance Plan is established as a State program that is intended to provide an alternate market for health insurance for certain uninsurable Illinois residents, and ~~further is intended to provide~~ an acceptable alternative market mechanism as described in the federal Health Insurance Portability and Accountability Act of 1996 for providing portable and accessible individual health insurance coverage for federally eligible individuals as defined in this Act.

(b) (Blank). ~~The State of Illinois may subsidize the cost of health insurance coverage offered by the Plan. However, since the State has only a limited amount of resources, the General Assembly declares that it intends for this program to provide portable and accessible individual health insurance coverage for every federally eligible individual who qualifies~~

~~for coverage in accordance with Section 15 of this Act, but does not intend for every eligible person who qualifies for Plan coverage in accordance with Section 7 of this Act to be guaranteed a right to be issued a policy under this Plan as a matter of entitlement.~~

(c) The Comprehensive Health Insurance Plan Board shall operate the Plan in a manner so that the estimated cost of the program during any fiscal year will not exceed the total income it expects to receive, regardless of the source of income ~~from policy premiums, investment income, assessments, or fees collected or received by the Board and other funds which are made available from appropriations for the Plan by the General Assembly for that fiscal year~~.

Sec. 7. Eligibility.

a. Except as provided in subsection (e) of this Section or in Section 15 of this Act, any person who is either a citizen of the United States or an alien lawfully admitted for permanent residence and who has been for a period of at least 180 days and continues to be a resident of this State shall be eligible for Plan coverage under this Section if evidence is provided of:

(2) A refusal by a health insurance issuer to issue individual health insurance coverage except at a rate exceeding the applicable Plan rate for which the person is responsible.

A rejection or refusal by a group health plan or health insurance issuer offering only stop-loss or excess of loss insurance or contracts, agreements, or other arrangements for reinsurance coverage with respect to the applicant shall not be sufficient evidence under this subsection.

b. The board shall promulgate a list of medical or health conditions for which a person who is either a citizen of the United States or an alien lawfully admitted for permanent residence and a resident of this State would be eligible for Plan coverage without applying for health insurance coverage pursuant to subsection a. of this Section. Persons who can

demonstrate the existence or history of any medical or health conditions on the list promulgated by the board shall not be required to provide the evidence specified in subsection a. of this Section. The list shall be effective on the first day of the operation of the Plan and may be amended from time to time as appropriate.

c. Family members of the same household who each are covered persons are eligible for optional family coverage under the Plan.

d. (Blank). ~~For persons qualifying for coverage in accordance with Section 7 of this Act, the board shall, if it determines that such appropriations as are made pursuant to Section 12 of this Act are insufficient to allow the board to accept all of the eligible persons which it projects will apply for enrollment under the Plan, limit or close enrollment to ensure that the Plan is not over subscribed and that it has sufficient resources to meet its obligations to existing enrollees. The board shall not limit or close enrollment for federally eligible individuals.~~

e. A person shall not be eligible for coverage under the Plan if:

(1) He or she has or obtains other coverage under a group health plan or health insurance coverage substantially similar to or better than a Plan policy as an insured or covered dependent or would be eligible to have that coverage if he or she elected to obtain it. Persons

(1.1) His or her prior coverage under a group health plan or health insurance coverage, provided or arranged by an employer of more than 10 employees was discontinued for any reason without the entire group or plan being discontinued and not replaced, provided he or she remains an employee, or dependent thereof, of the same employer.

In that

circumstance, coverage under the plan shall terminate as of the expiration of the preexisting condition limitation period. Under all other circumstances, coverage under the Plan shall automatically terminate as of the effective date of any medical assistance.

(3) Except as provided in Section 15, the person has previously participated in the Plan and voluntarily terminated Plan coverage, unless 12 months have elapsed since the person's latest voluntary termination of coverage.

(4) The person fails to pay the required premium under the covered person's terms of enrollment and participation, in which event the liability of the Plan shall be limited to benefits incurred under the Plan for the time period for which premiums had been paid and the covered person remained eligible for Plan coverage.

(5) The Plan has paid a total of $5,000,000 in benefits on behalf of the covered person.

(6) The person is a resident of a public institution.

(7) The person's premium is paid for or reimbursed under any government sponsored program or by any government agency or health care provider, except as an otherwise qualifying full-time employee, or dependent of such employee, of a government agency or health care provider or, except when a person's premium is paid by the U.S. Treasury Department pursuant to the federal Trade Act of

2002.

(8) The person has or later receives other benefits or funds from any settlement, judgement, or award resulting from any accident or injury, regardless of the date of the accident or injury, or any other circumstances creating a legal liability for damages due that person by a third party, whether the settlement, judgment, or award is in the form of a contract, agreement, or trust on behalf of a minor or otherwise and whether the settlement, judgment, or award is payable to the person, his or her dependent, estate, personal representative, or guardian in a lump sum or over time, so long as there continues to be benefits or assets remaining from those sources in an amount in excess of $300,000.

(9) Within the 5 years prior to the date a person's Plan application is received by the Board, the person's coverage under any health care benefit program as defined in 18 U.S.C. 24, including any public or private plan or contract under which any medical benefit, item, or service is provided, was terminated as a result of any act or practice that constitutes fraud under State or federal law or as a result of an intentional misrepresentation of material fact; or if that person knowingly and willfully obtained or attempted to obtain, or fraudulently aided or attempted to aid any other person in obtaining, any coverage or benefits under the Plan to which that person

was not entitled.

f. The board or the administrator shall require verification of residency and may require any additional information or documentation, or statements under oath, when necessary to determine residency upon initial application and for the entire term of the policy.

g. Coverage shall cease (i) on the date a person is no longer a resident of Illinois, (ii) on the date a person requests coverage to end, (iii) upon the death of the covered person, (iv) on the date State law requires cancellation of the policy, or (v) at the Plan's option, 30 days after the Plan makes any inquiry concerning a person's eligibility or place of residence to which the person does not reply.

h. Except under the conditions set forth in subsection g of this Section, the coverage of any person who ceases to meet the eligibility requirements of this Section shall be terminated at the end of the current policy period for which the necessary premiums have been paid.

(215 ILCS 105/12) (from Ch. 73, par. 1312)

Sec. 12. Deficit or surplus.

a. If premiums or other receipts by the Board exceed the amount required for the operation of the Plan, including actual losses and administrative expenses of the Plan, the Board shall direct that the excess be held at interest, in a bank

designated by the Board, or used to offset future losses or to reduce Plan premiums. In this subsection, the term "future losses" includes reserves for incurred but not reported claims.

b. (Blank). ~~Any deficit incurred or expected to be incurred on behalf of eligible persons who qualify for plan coverage under Section 7 of this Act shall be recouped by an appropriation made by the General Assembly.~~

c. For the purposes of this Section, a deficit shall be incurred when anticipated losses and incurred but not reported claims expenses exceed anticipated income from earned premiums net of administrative expenses.

d. Any deficit incurred or expected to be incurred on behalf of ~~federally~~ eligible persons ~~individuals~~ who qualify for Plan coverage under Section 7 of this Act and any deficit incurred or expected to be incurred on behalf of federally eligible individuals who qualify for Plan coverage under Section 15 of this Act shall be recouped by an assessment of all insurers made in accordance with the provisions of this Section. The Board shall ~~within 90 days of the effective date of this amendatory Act of 1997 and~~ within the first quarter of each fiscal year ~~thereafter~~ assess all insurers for the anticipated deficit in accordance with the provisions of this Section. The Board ~~board~~ may also make additional assessments no more than 4 times a year to fund unanticipated deficits, implementation expenses, and cash flow needs.

e. An insurer's assessment shall be determined by

multiplying the total assessment, as determined in subsection d. of this Section, by a fraction, the numerator of which equals that insurer's direct Illinois premiums during the preceding calendar year and the denominator of which equals the total of all insurers' direct Illinois premiums. The Board may exempt those insurers whose share as determined under this subsection would be so minimal as to not exceed the estimated cost of levying the assessment.

f. The Board shall charge and collect from each insurer the amounts determined to be due under this Section. The assessment shall be billed by Board invoice based upon the insurer's direct Illinois premium income as shown in its annual statement for the preceding calendar year as filed with the Director. The invoice shall be due upon receipt and must be paid no later than 30 days after receipt by the insurer.

g. When an insurer fails to pay the full amount of any assessment of $100 or more due under this Section there shall be added to the amount due as a penalty the greater of $50 or an amount equal to 5% of the deficiency for each month or part of a month that the deficiency remains unpaid.

h. Amounts collected under this Section shall be paid to the Board for deposit into the Plan Fund authorized by Section 3 of this Act.

i. An insurer may petition the Director for an abatement or deferment of all or part of an assessment imposed by the Board. The Director may abate or defer, in whole or in part, the

assessment if, in the opinion of the Director, payment of the assessment would endanger the ability of the insurer to fulfill its contractual obligations. In the event an assessment against an insurer is abated or deferred in whole or in part, the amount by which the assessment is abated or deferred shall be assessed against the other insurers in a manner consistent with the basis for assessments set forth in this subsection. The insurer receiving a deferment shall remain liable to the plan for the deficiency for 4 years.

j. The board shall establish procedures for appeal by any insurer subject to assessment pursuant to this Section. Such procedures shall require that:

(1) Any insurer that wishes to appeal all or any part of an assessment made pursuant to this Section shall first pay the amount of the assessment as set forth in the invoice provided by the board within the time provided in subsection f. of this Section. The board shall hold such payments in a separate interest-bearing account. The payments shall be accompanied by a statement in writing that the payment is made under appeal. The statement shall specify the grounds for the appeal. The insurer may be represented in its appeal by counsel or other representative of its choosing.

(2) Within 90 days following the payment of an assessment under appeal by any insurer, the board shall notify the insurer or representative designated by the

insurer in writing of its determination with respect to the appeal and the basis or bases for that determination unless the Board notifies the insurer that a reasonable amount of additional time is required to resolve the issues raised by the appeal.

(3) The board shall refer to the Director any question concerning the amount of direct Illinois premium income as shown in an insurer's annual statement for the preceding calendar year on file with the Director on the invoice date of the assessment. Unless additional time is required to resolve the question, the Director shall within 60 days report to the board in writing his determination respecting the amount of direct Illinois premium income on file on the invoice date of the assessment.

(4) In the event the board determines that the insurer is entitled to a refund, the refund shall be paid within 30 days following the date upon which the board makes its determination, together with the accrued interest. Interest on any refund due an insurer shall be paid at the rate actually earned by the Board on the separate account.

(5) The amount of any such refund shall then be assessed against all insurers in a manner consistent with the basis for assessment as otherwise authorized by this Section.

(6) The board's determination with respect to any appeal received pursuant to this subsection shall be a

final administrative decision as defined in Section 3-101 of the Code of Civil Procedure. The provisions of the Administrative Review Law shall apply to and govern all proceedings for the judicial review of final administrative decisions of the board.
