14 Section 30. The Illinois Power of Attorney Act is amended
15 by changing Section 2-7.5 as follows:

16 (755 ILCS 45/2-7.5)

17 (Section scheduled to be repealed on July 1, 2011)

18 Sec. 2-7.5. Incapacitated principal.

19 (a) This Section shall apply only to an agent acting for a
20 principal who is incapacitated. A principal shall be considered
21 incapacitated if that individual is under a legal disability as
22 defined in Section 11a-2 of the Probate Act of 1975. A
23 principal shall also be considered incapacitated if: (i) a
24 physician licensed to practice medicine in all its branches has

1 examined the principal and has determined that the principal
2 lacks decision making capacity; and (ii) that physician has
3 made a written record of this determination and has signed the
4 written record within 90 days after the examination; and (iii)
5 the written record has been delivered to the agent. The agent
6 may rely conclusively on that written record.

7 (b) An agent shall provide a record of all receipts,
8 disbursements, and significant actions taken under the
9 authority of the agency when requested to do so: (i) by a

5 provider agency or the State Long Term Care Ombudsman was
6 without good cause, the court may assess reasonable costs and
7 attorney's fees against the agent, and order such other relief
8 as is appropriate.
