3 everything after the enacting clause with the following:

4 "Section 1. Short title. This Act may be cited as the
5 Beardstown Regional Flood Prevention District Act.

6 Section 3. Definitions. As used in this Act, the following
7 terms shall have the following meanings unless a different
8 meaning clearly appears from the context:

9 "Board" means the Board of Commissioners of the Beardstown
10 Regional Flood Prevention District.

11 "County board" means the Cass County Board.

12 "District" means the Beardstown Regional Flood Prevention
13 District created by this Act.

14 "Fund" means the Beardstown Regional Flood Prevention
15 District Property Tax Fund created under subsection (h) of
16 Section 20 of this Act.

1 Section 5. Creation; purpose.

2 (a) The Cass County Board may, by ordinance approved by the
3 affirmative vote of the majority of the members of the county
4 board, create the Beardstown Regional Flood Prevention
5 District to perform emergency levee repair and flood
6 prevention, prevent the loss of life or property, and comply
7 with the levee requirements imposed by the Federal Emergency
8 Management Agency and the United States Army Corps of
9 Engineers. The Beardstown Regional Flood Prevention District
10 shall include all properties located within the Federal
11 Emergency Management Agency's (FEMA's) floodplain map with a
12 Provisionally Accredited Levees (PAL) expiration date of
13 January 27, 2011, and all properties within or later annexed to
14 or incorporated into the South Beardstown Levee and Drainage
15 District, the Valley Levee and Drainage District, the Lost
16 Creek Levee and Drainage District, the City of Beardstown, and
17 the Beardstown Sanitary District regardless of the elevation of
18 the properties. The Beardstown Regional Flood Prevention
19 District shall work in concert with affected existing drainage
20 districts, the City of Beardstown, the Beardstown Sanitary
21 District, the Cass County Board, the people of Cass County,
22 FEMA, and the Army Corps of Engineers. In addition to the
23 powers and authority granted to the District in Section 15 of
24 this Act, the District shall be responsible for performing and
25 funding all regular and necessary repairs and maintenance to

1 the levees including, but not limited to: (i) the repair,
2 maintenance and replacement of pipes, relief wells,
3 infrastructure, and other structures existing on or within the
4 levees as of the effective date of this Act or which may be
5 constructed or installed by the District after its
6 establishment; (ii) the removal and abatement of unwanted
7 vegetation and nuisance animals; (iii) the mowing of the
8 levees; and (iv) the establishment and maintenance of levee sod
9 covering. The creation of the Beardstown Regional Flood
10 Protection District shall neither constitute nor be deemed a
11 conveyance of title or ownership to the district of any
12 properties within the district.

13 (b) The district created under this Act shall be dissolved
14 upon the later of (i) 25 years after the date the district is
15 created or (ii) the payment of all obligations of the county
16 and district under Section 20 of this Act and any federal
17 reimbursement moneys under Section 25 of this Act. The district
18 may be dissolved earlier if all federal reimbursement moneys
19 have been paid and all obligations of the county and district
20 incurred under this Act have been paid, including any
21 obligations related to bonds issued under Section 15 of this
22 Act and any obligations incurred pursuant to an
23 intergovernmental agreement. Upon dissolution of the district,
24 sole possession, control, and maintenance of the properties and
25 improvements within the district shall revert back to the South
26 Beardstown Levee and Drainage District, the Valley Levee and

1 Drainage District, the Lost Creek Levee and Drainage District,
2 the City of Beardstown, and the Beardstown Sanitary District,
3 as existed prior to the creation of the district.

4 Section 10. Commissioners.

5 (a) The affairs of the district shall be managed by a board
6 of 7 commissioners: one shall be appointed by the chairperson
7 of the county board; one shall be appointed by the Mayor of the
8 City of Beardstown; one shall be appointed by the Beardstown
9 Sanitary District; one shall be appointed by the South
10 Beardstown Levee and Drainage District; one shall be appointed
11 by the Valley Levee and Drainage District; one shall be
12 appointed by the Lost Creek Levee and Drainage District; and
13 one shall be appointed by a majority vote of the other 6
14 commissioners. All initial appointments under this Section
15 must be made within 60 days after the district is organized.

16 (b) Of the initial appointments, 3 commissioners shall
17 serve a 2-year term and 4 commissioners shall serve a 4-year
18 term, as determined by lot. Their successors shall be appointed
19 for 4-year terms. No commissioner may serve for more than 20
20 years. Vacancies shall be filled in the same manner as original
21 appointments.

22 (c) Each commissioner must be a legal voter in Cass County,
23 and all commissioners shall reside in and own property that is
24 located within the district. Commissioners shall serve without
25 compensation, but may be reimbursed for reasonable expenses

1 incurred in the performance of their duties.

2 (d) A majority of the commissioners shall constitute a
3 quorum of the board for the transaction of business. An
4 affirmative vote of a majority of the commissioners shall be
5 sufficient to approve any action or expenditure.

6 (e) An alderman of the City of Beardstown, a member of the
7 county board, and a commissioner of each of the aforementioned
8 drainage districts and sanitation district may be appointed to
9 serve concurrently as commissioners of the district, and the
10 appointment shall be deemed lawful and not to constitute a
11 violation of the Public Officer Prohibited Activities Act, nor
12 to create an impermissible conflict of interest or
13 incompatibility of offices.

14 Section 15. Powers of the district. A district formed under
15 this Act has the following powers:

16 (1) To sue or be sued.

17 (2) To apply for and accept gifts, grants, and loans
18 from any public agency or private entity.

19 (3) To enter into intergovernmental agreements with
20 other governmental units including municipalities,
21 sanitary districts, or drainage districts to further
22 ensure levee repair, levee construction or reconstruction,
23 and flood prevention, including agreements with the United
24 States Army Corps of Engineers or any other agency or
25 department of the federal government.

1 (4) To undertake evaluation, planning, design,
2 construction, and related activities that are determined
3 to be urgently needed to stabilize, repair, restore,
4 improve, or replace existing levees.

5 (5) To address underseepage problems and old and
6 deteriorating gates, pipes, and other infrastructure
7 related to existing levees.

8 (6) To conduct evaluations of levees and other flood
9 control facilities including the performance of floodplain
10 mapping studies.

11 (7) To provide capital moneys for levee studies
12 including the construction of facilities for that purpose.

13 (8) To borrow money or receive money from the United
14 States Government or any agency thereof, or from any other
15 public or private source, for the purposes of the district.

16 (9) To enter into agreements with private property
17 owners.

18 (10) To issue revenue bonds for the purposes of the
19 district. Revenue bonds shall be payable from revenue
20 received from a property tax imposed under Section 20 of
21 this Act and from any other revenue sources available to
22 the flood prevention district. These bonds may be issued
23 with maturities not exceeding 25 years after the date of
24 issue, and in any amounts as may be necessary to provide
25 sufficient funds, together with interest, for the purposes
26 of the district. These bonds shall bear interest at a rate

1 of not more than the maximum rate authorized by the Bond
2 Authorization Act, as amended at the time of the making of
3 the contract of sale, payable semi-annually, may be made
4 registerable as to principal, and may be made payable and
5 callable as provided on any date at a price of par and
6 accrued interest under any terms and conditions as may be
7 fixed by an ordinance approved by the affirmative vote of
8 the county board. Bonds issued under this Section are
9 negotiable instruments. In case any officer whose
10 signature appears on the bonds or coupons ceases to hold
11 that office before the bonds are delivered, the officer's
12 signature shall nevertheless be valid and sufficient for
13 all purposes the same as though the officer had remained in
14 office until the bonds were delivered. The bonds shall be
15 sold in any manner and upon any terms as the district shall
16 determine, except that the selling price shall be such that
17 the interest cost to the district of the proceeds of the
18 bonds shall not exceed the maximum rate authorized by the
19 Bond Authorization Act, as amended at the time of the
20 making of the contract of sale, payable semi-annually,
21 computed to maturity according to the standard table of
22 bond values.

23 (11) To acquire property by gift, grant, or
24 intergovernmental agreement.

25 (12) To retain professional staff to carry out the
26 functions of the district including, but not limited to,

1 administrative support personnel and legal counsel. The
2 district may employ a Chief Supervisor of Construction and
3 the Works with appropriate professional qualifications,
4 including a degree in engineering, construction,
5 hydrology, or a related field, or an equivalent combination
6 of education and experience. If the district employs a
7 Chief Supervisor of Construction and the Works, he or she
8 shall be vested with the authority to carry out the duties
9 and mission of the district, pursuant to the direction and
10 supervision of the board of commissioners.

11 (13) To reimburse any unit of local government for
12 costs advanced by the local government for expenses that
13 would have otherwise been paid out of the Beardstown
14 Regional Flood Prevention District Property Tax Fund, had
15 the fund been established at the time of the expenditure.
16 Nothing in this Section shall be construed to permit a unit
17 of local government to seek reimbursement from the district
18 for any expense related to levee maintenance, repair,
19 improvement, construction, staff, operating expenses, the
20 construction of facilities for any such purpose, or any
21 other non-emergency levee related expense that occurred
22 prior to an emergency situation involving the levees within
23 the county.

24 (14) To change the name of the district by an ordinance
25 approved by the affirmative vote of a majority of the
26 commissioners of the district.

1 (15) To adopt rules, procedures, and policies
2 concerning the operation and purpose of the district.

3 (16) To establish and maintain accounts with banks and
4 other financial institutions to further the purposes and
5 operations of the district.

6 (17) To expend monies in furtherance of the district's
7 purposes and operations.

8 Section 20. Property tax.

9 (a) The district organized under this Act shall, by
10 ordinance or resolution, petition the county board to levy a
11 property tax to accomplish its goals, purposes, and obligations
12 as set forth in Section 5 of this Act or to provide for the
13 payment of debt incurred in accordance with this Act.

14 (b) The manner of levying the tax authorized by subsection
15 (a) shall be as provided in this Section.

16 (c) A property tax may be levied by the district at a rate
17 not to exceed 0.7% to produce revenues required to accomplish
18 its goals, purposes, and obligations as set forth in Section 5
19 of this Act. Before the first levy of taxes in the district,
20 notice shall be given and a hearing shall be held under the
21 provisions of subsections (d) and (e). For purposes of this
22 subsection, the notice shall include:

23 (1) the time and place of the hearing;

24 (2) a notification that all interested persons,
25 including all persons owning taxable real property located

1 within the district, shall be given an opportunity to be
2 heard at the hearing regarding the tax levy and an
3 opportunity to file objections to the amount of the tax
4 levy; and

5 (3) the maximum rate of taxes to be extended in any
6 year and may include a maximum number of years the taxes
7 will be levied.

8 (d) After the first levy of taxes, taxes may be extended
9 without additional hearings, provided the taxes shall not
10 exceed the rate specified in the notice and the taxes shall not
11 be extended for a period longer than that outlined in
12 subsection (b) of Section 5. The district, by ordinance or
13 resolution, may petition the county board to increase the rate
14 of tax by no more than 0.1%. Any such increase must be approved
15 by the county board and by the electors.

16 The tax under this subsection may not be increased until,
17 by ordinance or resolution of the county board, the question of
18 imposing the tax has been submitted to the electors of the
19 county at a regular election and approved by a majority of the
20 electors voting on the question.

21 The election authority must submit the question in
22 substantially the following form:

23 Shall Cass County be authorized to increase the
24 property tax rate to be used exclusively for the operation
25 of the Beardstown Regional Flood Prevention District by
26 (insert up to 0.1%)?

1 The election authority must record the votes as "Yes" or "No".

2 If a majority of the electors voting on the question vote
3 in the affirmative, then the county may, thereafter, increase
4 the rate of tax.

5 The rate of tax may be increased more than once under this
6 subsection, but not at the same election.

7 (d) Within a period of 61 to 120 calendar days following
8 the adoption of the ordinance establishing the district, the
9 district shall fix a time and a place for a public hearing.
10 Notice of the hearing shall be given by publication and
11 mailing. Notice by publication shall be given by publication at
12 least once not less than 15 days before the hearing in a
13 newspaper of general circulation within the district. Notice by
14 mailing shall be given by depositing the notice in the United
15 States mails addressed to the person or persons in whose name
16 the general taxes for the last preceding year were paid on each
17 lot, block, tract, or parcel of land lying within the district.
18 The notice shall be mailed not less than 10 days before the
19 time set for the public hearing. In the event taxes for the
20 last preceding year were not paid, the notice shall be sent to
21 the person last listed on the tax rolls before that year as the
22 owner of the property.

23 (e) At the public hearing any interested person, including
24 all persons owning taxable real property located within the
25 district, may file with the district written objections to and
26 may be heard orally in respect to any issues embodied in the

1 notice. The district shall hear and determine all protests and
2 objections at the hearing, and the hearing may be adjourned or
3 recessed to another date without further notice other than a
4 motion to be entered upon the minutes fixing the time and place
5 of its adjournment.

6 (f) Bonds secured by the full faith and credit of the
7 district may be issued as described in paragraph (10) of
8 Section 10. Bonds, when so issued, shall be retired by the levy
9 of taxes as specified in subsection (c), against all of the
10 taxable real property included in the district as provided in
11 the ordinance or resolution authorizing the issuance of the
12 bonds. The county clerk shall annually extend taxes against all
13 of the taxable property situated in the county and contained in
14 the district in amounts sufficient to pay maturing principal
15 and interest of those bonds.

16 Before the issuance of bonds, notice shall be given and a
17 hearing shall be held under the provisions of subsections (d)
18 and (e). For purposes of this subsection, the notice shall
19 include:

20 (1) the time and place of the hearing;

21 (2) a notification that all interested persons,
22 including all persons owning taxable real property located
23 within the district, will be given an opportunity to be
24 heard at the hearing regarding the district's decision to
25 issue the bonds and an opportunity to file objections to
26 the issuance of the bonds; and

1 (3) the maximum amount of bonds proposed to be issued,
2 the maximum period of time over which the bonds shall be
3 retired, and the maximum interest rate the bonds shall
4 bear.

5 The questions of the property tax levy and the issuance of
6 bonds may be considered together at one hearing. Any bonds
7 issued shall not exceed the number of bonds, the interest rate,
8 and the period of extension set forth in the notice, unless an
9 additional hearing is held. No bonds issued under this Section
10 shall be regarded as indebtedness of the district for the
11 purpose of any limitation imposed by any law.

12 (g) If a petition signed by at least 30% of the electors
13 residing within the district and by at least 30% of the owners
14 of record of the land included within the boundaries of the
15 district is filed with the district within 60 days following
16 the final adjournment of the public hearing objecting to the
17 levy or imposition of the property tax or issuance of bonds, no
18 such tax may be levied or imposed or no such bonds may be
19 issued. The subject matter of the petition filed by the
20 electors and owners shall not be proposed by the district
21 within the next year. Each resident of the district registered
22 to vote at the time of the public hearing held with regard to
23 the district shall be considered an elector. Each person in
24 whose name legal title to land included within the boundaries
25 of the district is held according to the records of the county
26 in which the land is located shall be considered an owner of

1 record. Owners of record shall be determined at the time of the
2 public hearing held with regard to the district. Land owned in
3 the name of a land trust, corporation, estate, or partnership
4 shall be considered to have a single owner of record.

5 (h) If a property tax is levied, the tax shall be extended
6 by the county clerk in the district in the manner provided by
7 the Property Tax Code based on assessed values as established
8 under that Act. A special fund shall be created in the county
9 treasury that shall be known as the Beardstown Regional Flood
10 Prevention District Property Tax Fund. The county treasurer
11 shall collect and deposit into the Fund the revenues generated
12 by the property tax. The county treasurer shall, within 30 days
13 of receiving tax revenues, disburse all revenues to the
14 district.

15 Section 25. Disbursement of federal funds.

16 (a) Any reimbursements for the construction of flood
17 protection facilities shall be appropriated to the district in
18 accordance with the location of the specific facility for which
19 the federal appropriation is made.

20 (b) If there are federal reimbursements to the district for
21 construction of flood protection facilities that were built
22 using revenues authorized by this Act, those funds shall be
23 used for the early retirement of bonds issued in accordance
24 with this Act.

25 (c) When all bond obligations of the district have been

1 paid, the remaining federal reimbursement moneys shall be
2 remitted in equal shares to the drainage districts and sanitary
3 district included within the boundaries of the district to be
4 used for the continued long-term maintenance of federal levees
5 and flood protection districts.

6 Section 30. Financial audit of the district. A financial
7 audit of the district shall be conducted annually by a
8 certified public accountant (CPA) that is licensed at the time
9 of the audit by the Illinois Department of Financial and
10 Professional Regulation. The CPA shall meet all of the general
11 standards concerning qualifications, independence, due
12 professional care, and quality control as required by the
13 Government Auditing Standards, 1994 Revision, Chapter 3,
14 including the requirements for continuing professional
15 education and external peer review. The financial audit is to
16 be performed in accordance with generally accepted auditing
17 standards issued by the American Institute of Certified Public
18 Accountants (AICPA) for field work and reporting, generally
19 accepted government auditing standards (GAGAS), and AICPA
20 Statements on Auditing Standards (SAS) current at the time the
21 audit is commenced. The audit shall be made publicly available
22 and sent to the county board chairperson and to the Secretary
23 of State.

24 Section 35. Budget of the district. The board shall adopt

1 an annual budget for the district in accordance with the fiscal
2 year adopted by the county board. The budget shall include
3 expected revenues by source and expenditures by project or by
4 function for the following year. The budget must be approved by
5 the county board prior to any expenditure by the district for
6 the fiscal year. The county board must approve or disapprove
7 the budget of the board within 30 calendar days after the
8 budget is received by the county board. If the county board
9 does not act to approve or disapprove the budget within 30
10 calendar days of receipt, it shall stand as approved. In
11 addition, the board shall submit an annual report to the county
12 board by the last day of the fiscal year detailing the
13 activities of the district.

14 Section 40. Procurement. The board shall conduct all
15 procurements in accordance with the requirements of the Local
16 Government Professional Services Selection Act and any
17 competitive bid requirements contained in Section 5-1022 of the
18 Counties Code.

15 Sec. 2. No alderman of any city, or member of the board of
16 trustees of any village, during the term of office for which he
17 or she is elected, may accept, be appointed to, or hold any
18 office by the appointment of the mayor or president of the
19 board of trustees, unless the alderman or board member is
20 granted a leave of absence from such office, or unless he or
21 she first resigns from the office of alderman or member of the
22 board of trustees, or unless the holding of another office is
23 authorized by law. The alderman or board member may, however,
24 serve as a volunteer fireman and receive compensation for that

1 service. The alderman may also serve as a commissioner of the
2 Beardstown Regional Flood Prevention District board. Any
3 appointment in violation of this Section is void. Nothing in
4 this Act shall be construed to prohibit an elected municipal
5 official from holding elected office in another unit of local
6 government as long as there is no contractual relationship
7 between the municipality and the other unit of local
8 government. This amendatory Act of 1995 is declarative of
9 existing law and is not a new enactment.
