14 prospective basis. The amount of the payment rate for all

2 facilities shall be based upon projected budgets. The annually
3 established payment rate shall take effect on July 1 in 1984
4 and subsequent years. No rate increase and no update for

6 July 1, 2011, unless specifically provided for in this Section.
7 The changes made by Public Act 93-841 extending the duration of
8 the prohibition against a rate increase or update for inflation
9 are effective retroactive to July 1, 2004. For facilities
10 licensed by the Department of Public Health under the Nursing

7 or intermediate care facilities, a new payment methodology must
8 be implemented for the nursing component of the rate effective
9 July 1, 2003. The Department of Public Aid (now Healthcare and
10 Family Services) shall develop the new payment methodology
11 using the Minimum Data Set (MDS) as the instrument to collect
12 information concerning nursing home resident condition
13 necessary to compute the rate. The Department shall develop the
14 new payment methodology to meet the unique needs of Illinois
15 nursing home residents while remaining subject to the
16 appropriations provided by the General Assembly. A transition
17 period from the payment methodology in effect on June 30, 2003
18 to the payment methodology in effect on July 1, 2003 shall be
19 provided for a period not exceeding 3 years and 184 days after
20 implementation of the new payment methodology as follows:

21 (A) For a facility that would receive a lower nursing
22 component rate per patient day under the new system than
23 the facility received effective on the date immediately
24 preceding the date that the Department implements the new
25 payment methodology, the nursing component rate per
26 patient day for the facility shall be held at the level in

1 effect on the date immediately preceding the date that the
2 Department implements the new payment methodology until a
3 higher nursing component rate of reimbursement is achieved
4 by that facility.

5 (B) For a facility that would receive a higher nursing
6 component rate per patient day under the payment
7 methodology in effect on July 1, 2003 than the facility
8 received effective on the date immediately preceding the
9 date that the Department implements the new payment
10 methodology, the nursing component rate per patient day for
11 the facility shall be adjusted.

12 (C) Notwithstanding paragraphs (A) and (B), the
13 nursing component rate per patient day for the facility
14 shall be adjusted subject to appropriations provided by the
15 General Assembly.

16 For facilities licensed by the Department of Public Health
17 under the Nursing Home Care Act as Intermediate Care for the
18 Developmentally Disabled facilities or Long Term Care for Under
19 Age 22 facilities, the rates taking effect on March 1, 2001
20 shall include a statewide increase of 7.85%, as defined by the
21 Department.

22 Notwithstanding any other provision of this Section, for
23 facilities licensed by the Department of Public Health under
24 the Nursing Home Care Act as skilled nursing facilities or
25 intermediate care facilities, the numerator of the ratio used
26 by the Department of Healthcare and Family Services to compute

1 the rate payable under this Section using the Minimum Data Set
2 (MDS) methodology shall incorporate the following annual
3 amounts as the additional funds appropriated to the Department
4 specifically to pay for rates based on the MDS nursing
5 component methodology in excess of the funding in effect on
6 December 31, 2006:

7 (i) For rates taking effect January 1, 2007,
8 \$60,000,000.

9 (ii) For rates taking effect January 1, 2008,

14 facilities licensed by the Department of Public Health under
15 the Nursing Home Care Act as skilled nursing facilities or
16 intermediate care facilities, the support component of the
17 rates taking effect on January 1, 2008 shall be computed using
18 the most recent cost reports on file with the Department of
19 Healthcare and Family Services no later than April 1, 2005,
20 updated for inflation to January 1, 2006.

21 For facilities licensed by the Department of Public Health
22 under the Nursing Home Care Act as Intermediate Care for the

24 Age 22 facilities, the rates taking effect on April 1, 2002
25 shall include a statewide increase of 2.0%, as defined by the
26 Department. This increase terminates on July 1, 2002; beginning

1 July 1, 2002 these rates are reduced to the level of the rates
2 in effect on March 31, 2002, as defined by the Department.

3 For facilities licensed by the Department of Public Health
4 under the Nursing Home Care Act as skilled nursing facilities
5 or intermediate care facilities, the rates taking effect on
6 July 1, 2001 shall be computed using the most recent cost
7 reports on file with the Department of Public Aid no later than
8 April 1, 2000, updated for inflation to January 1, 2001. For
9 rates effective July 1, 2001 only, rates shall be the greater
10 of the rate computed for July 1, 2001 or the rate effective on
11 June 30, 2001.

12 Notwithstanding any other provision of this Section, for
13 facilities licensed by the Department of Public Health under
14 the Nursing Home Care Act as skilled nursing facilities or
15 intermediate care facilities, the Illinois Department shall
16 determine by rule the rates taking effect on July 1, 2002,
17 which shall be 5.9% less than the rates in effect on June 30,
18 2002.

19 Notwithstanding any other provision of this Section, for
20 facilities licensed by the Department of Public Health under
21 the Nursing Home Care Act as skilled nursing facilities or
22 intermediate care facilities, if the payment methodologies
23 required under Section 5A-12 and the waiver granted under 42
24 CFR 433.68 are approved by the United States Centers for
25 Medicare and Medicaid Services, the rates taking effect on July
26 1, 2004 shall be 3.0% greater than the rates in effect on June

1 30, 2004. These rates shall take effect only upon approval and
2 implementation of the payment methodologies required under
3 Section 5A-12.

4 Notwithstanding any other provisions of this Section, for
5 facilities licensed by the Department of Public Health under
6 the Nursing Home Care Act as skilled nursing facilities or
7 intermediate care facilities, the rates taking effect on
8 January 1, 2005 shall be 3% more than the rates in effect on
9 December 31, 2004.

10 Notwithstanding any other provision of this Section, for
11 facilities licensed by the Department of Public Health under
12 the Nursing Home Care Act as skilled nursing facilities or
13 intermediate care facilities, effective January 1, 2009, the
14 per diem support component of the rates effective on January 1,
15 2008, computed using the most recent cost reports on file with
16 the Department of Healthcare and Family Services no later than
17 April 1, 2005, updated for inflation to January 1, 2006, shall
18 be increased to the amount that would have been derived using
19 standard Department of Healthcare and Family Services methods,
20 procedures, and inflators.

21 Notwithstanding any other provisions of this Section, for
22 facilities licensed by the Department of Public Health under
23 the Nursing Home Care Act as intermediate care facilities that
24 are federally defined as Institutions for Mental Disease, a
25 socio-development component rate equal to 6.6% of the
26 facility's nursing component rate as of January 1, 2006 shall

1 be established and paid effective July 1, 2006. The
2 socio-development component of the rate shall be increased by a
3 factor of 2.53 on the first day of the month that begins at
4 least 45 days after January 11, 2008 (the effective date of
5 Public Act 95-707). As of August 1, 2008, the socio-development
6 component rate shall be equal to 6.6% of the facility's nursing
7 component rate as of January 1, 2006, multiplied by a factor of
8 3.53. The Illinois Department may by rule adjust these
9 socio-development component rates, but in no case may such
10 rates be diminished.

11 For facilities licensed by the Department of Public Health
12 under the Nursing Home Care Act as Intermediate Care for the
13 Developmentally Disabled facilities or as long-term care

26 facilities licensed by the Department of Public Health under

1 the Nursing Home Care Act as skilled nursing facilities or
2 intermediate care facilities, effective January 1, 2005,
3 facility rates shall be increased by the difference between (i)
4 a facility's per diem property, liability, and malpractice
5 insurance costs as reported in the cost report filed with the
6 Department of Public Aid and used to establish rates effective
7 July 1, 2001 and (ii) those same costs as reported in the
8 facility's 2002 cost report. These costs shall be passed
9 through to the facility without caps or limitations, except for
10 adjustments required under normal auditing procedures.

11 Rates established effective each July 1 shall govern
12 payment for services rendered throughout that fiscal year,
13 except that rates established on July 1, 1996 shall be
14 increased by 6.8% for services provided on or after January 1,
15 1997. Such rates will be based upon the rates calculated for
16 the year beginning July 1, 1990, and for subsequent years
17 thereafter until June 30, 2001 shall be based on the facility
18 cost reports for the facility fiscal year ending at any point
19 in time during the previous calendar year, updated to the
20 midpoint of the rate year. The cost report shall be on file
21 with the Department no later than April 1 of the current rate
22 year. Should the cost report not be on file by April 1, the
23 Department shall base the rate on the latest cost report filed
24 by each skilled care facility and intermediate care facility,
25 updated to the midpoint of the current rate year. In
26 determining rates for services rendered on and after July 1,

1 1985, fixed time shall not be computed at less than zero. The
2 Department shall not make any alterations of regulations which
3 would reduce any component of the Medicaid rate to a level
4 below what that component would have been utilizing in the rate
5 effective on July 1, 1984.

6 (2) Shall take into account the actual costs incurred by
7 facilities in providing services for recipients of skilled
8 nursing and intermediate care services under the medical
9 assistance program.

10 (3) Shall take into account the medical and psycho-social
11 characteristics and needs of the patients.

12 (4) Shall take into account the actual costs incurred by
13 facilities in meeting licensing and certification standards
14 imposed and prescribed by the State of Illinois, any of its
15 political subdivisions or municipalities and by the U.S.
16 Department of Health and Human Services pursuant to Title XIX
17 of the Social Security Act.

18 The Department of Healthcare and Family Services shall
19 develop precise standards for payments to reimburse nursing
