receive a license as a health care worker in Illinois.

(c) Immediately after an Illinois State's Attorney files criminal charges alleging that a licensed health care worker, as defined in the Health Care Worker Self-Referral Act, has been charged with committed any offense for which the sentence includes registration as a sex offender; a criminal battery against a patient, including any offense based on sexual conduct or sexual penetration, in the course of patient care or treatment; or a forcible felony; then the prosecuting attorney State's Attorney shall provide notice to the Department of the health care worker's name, address, practice address, and license number and the patient's name and a copy of the criminal charges filed. Within 5 business days after receiving notice from the prosecuting attorney State's Attorney of the filing of criminal charges against the health care worker, the Secretary shall issue an administrative order that the health care worker shall immediately practice only with a chaperone during all patient encounters pending the outcome of the criminal proceedings. The chaperone must be a licensed health care worker. The chaperone shall provide written notice to all of the health care worker's patients explaining the Department's order to use a chaperone. Each patient shall sign an acknowledgement that they received the notice. The notice to the patient of criminal charges shall include, in 14-point font, the following statement: "The health care worker is presumed innocent until proven quilty of the charges.". The 1
