

98TH GENERAL ASSEMBLY

State of Illinois

2013 and 2014

HB0015

Introduced 1/9/2013, by Rep. Mary E. Flowers

SYNOPSIS AS INTRODUCED:

20 ILCS 2310/2310-665 new

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Requires the Department of Public Health to establish a 3-year pilot program for the Chicago school district in which the Department shall require an electrocardiogram (EKG) test as part of the health examination that student athletes are required to undergo. Requires the Department and the State Board of Education to develop and post on their publicly accessible Internet websites guidelines and other relevant materials to inform and educate students participating in or desiring to participate in an athletic activity, their parents, and their coaches about the nature and warning signs of sudden cardiac arrest. Sets forth provisions concerning a sudden cardiac arrest symptoms and warning signs information sheet, informational meetings regarding the symptoms and warning signs of sudden cardiac arrest, and a sudden cardiac arrest training course. Provides that (i) a public school student who exhibits signs or symptoms of sudden cardiac arrest while participating in an athletic activity must be removed by the coach from participation at that time, (ii) if a student is known to have exhibited signs or symptoms of sudden cardiac arrest at any time prior to or following an athletic activity, the student must be prevented from participating in an athletic activity, and (iii) a student removed or prevented from participating in an athletic activity shall not return to participation until the student is evaluated and cleared for return to participation in writing by a physician licensed to practice medicine in all of its branches, certified nurse practitioner, or cardiologist; sets forth penalties.

A BILL FOR

1 AN ACT concerning education.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 1. Findings. The General Assembly makes the
5 following findings:

6 (1) efforts must be made to protect student athletes
7 from sudden cardiac arrest, which claims 7,000 young lives
8 a year;

9 (2) of those 7,000 lives lost, the vast majority did
10 not know they had a problem;

11 (3) heart screening to identify those persons at risk
12 for sudden cardiac death saves lives; and

13 (4) it is imperative that coaches and student athletes
14 learn about the possible symptoms of sudden cardiac arrest
15 and that student athletes get screened.

16 Section 5. The Department of Public Health Powers and
17 Duties Law of the Civil Administrative Code of Illinois is
18 amended by adding Section 2310-665 as follows:

19 (20 ILCS 2310/2310-665 new)

20 Sec. 2310-665. Sudden cardiac arrest prevention.

21 (a) In this Section:

22 "Athletic activity" means all of the following:

1 (1) Interscholastic athletics.

2 (2) An athletic contest or competition, other than
3 interscholastic athletics, that is sponsored by or
4 associated with a public school, including cheerleading,
5 club-sponsored sports activities, and sports activities
6 sponsored by school-affiliated organizations.

7 (3) Noncompetitive cheerleading that is sponsored by
8 or associated with a public school.

9 (4) Practices, interschool practices, and scrimmages
10 for all of the activities listed under items (1), (2), and
11 (3) of this definition.

12 (b) The Department shall establish a 3-year pilot program
13 for City of Chicago School District 299 in which the Department
14 shall require an electrocardiogram (EKG) test as part of the
15 health examination that student athletes are required to
16 undergo. It shall be the responsibility of the parent or
17 guardian of the student athlete to pay for the cost of the EKG
18 test.

19 (c) The Department and the State Board of Education shall
20 develop and post on their publicly accessible Internet websites
21 guidelines and other relevant materials to inform and educate
22 students participating in or desiring to participate in an
23 athletic activity, their parents, and their coaches about the
24 nature and warning signs of sudden cardiac arrest, including
25 the risks associated with continuing to play or practice after
26 experiencing one or more symptoms of sudden cardiac arrest,

1 including fainting, difficulty breathing, chest pains,
2 dizziness, and an abnormal racing heart rate.

3 In developing the guidelines and materials, the Department
4 and the State Board of Education may utilize existing materials
5 developed by organizations such as Parent Heart Watch and the
6 SADS (Sudden Arrhythmia Death Syndromes) Foundation.

7 A public school student participating in or desiring to
8 participate in an athletic activity and the student's parent or
9 guardian shall, each school year and prior to participation by
10 the student in an athletic activity, sign and return to the
11 student's school an acknowledgment of receipt and review of a
12 sudden cardiac arrest symptoms and warning signs information
13 sheet developed by the school board.

14 (d) A public school may hold an informational meeting prior
15 to the start of each athletic season for all ages of
16 competitors regarding the symptoms and warning signs of sudden
17 cardiac arrest. In addition to students, parents, coaches, and
18 other school officials, informational meetings may include
19 physicians licensed to practice medicine in all of its
20 branches, pediatric cardiologists, and athletic trainers.

21 (e) A public school student who, as determined by a game
22 official, coach from the student's team, certified athletic
23 trainer, physician licensed to practice medicine in all of its
24 branches, or other official designated by the student's school,
25 exhibits signs or symptoms of sudden cardiac arrest while
26 participating in an athletic activity must be removed by the

1 coach from participation at that time, subject to this
2 subsection (e).

3 If a public school student is known to have exhibited signs
4 or symptoms of sudden cardiac arrest at any time prior to or
5 following an athletic activity, the student must be prevented
6 from participating in an athletic activity, subject to this
7 subsection (e).

8 A student removed or prevented from participating in an
9 athletic activity under this subsection (e) shall not return to
10 participation until the student is evaluated and cleared for
11 return to participation in writing by a physician licensed to
12 practice medicine in all of its branches, certified nurse
13 practitioner, or cardiologist. In order to help determine
14 whether a student is ready to return to play, the licensed
15 physician or certified nurse practitioner may consult any other
16 licensed or certified medical professionals.

17 (f) Once each school year, a coach of an athletic activity
18 for a public school shall complete a sudden cardiac arrest
19 training course offered by a provider approved by the
20 Department. A coach of an athletic activity may not coach the
21 athletic activity until the coach completes the training course
22 required under this subsection (f).

23 (g) A school board shall establish the following minimum
24 penalties for a coach found in violation of the requirements
25 under subsection (e) of this Section, which penalties shall
26 apply 2 years following the effective date of this amendatory

1 Act of the 98th General Assembly:

2 (1) For a first violation, suspension from coaching any
3 athletic activity for the remainder of the season.

4 (2) For a second violation, suspension from coaching
5 any athletic activity for the remainder of the season and
6 for the next season.

7 (3) For a third violation, permanent suspension from
8 coaching any athletic activity.

9 (h) The sponsors of youth athletic activities not
10 associated with a public school are encouraged to follow the
11 guidance stated in this Section.

12 (i) Nothing in this Section shall be construed to do the
13 following:

14 (1) abridge or limit any rights provided under a
15 collective bargaining agreement in effect on the effective
16 date of this amendatory Act of the 98th General Assembly or
17 any rights provided under the Illinois Educational Labor
18 Relations Act; or

19 (2) create, establish, expand, reduce, contract, or
20 eliminate any civil liability on the part of any public
21 school, public school employee, or school board.

22 (j) The Department and the State Board of Education may
23 adopt any rules necessary to implement this Section.
