22 (105 ILCS 128/20)

23 Sec. 20. Number of drills; incidents covered; local
24 authority participation.

25 (a) During each academic year, schools must conduct a

1 minimum of 3 school evacuation drills to address and prepare
2 students and school personnel for fire incidents. These drills
3 must meet all of the following criteria:

4 (1) One of the 3 school evacuation drills shall require
5 the participation of the appropriate local fire department
6 or district.

7 (A) Each local fire department or fire district
8 must contact the appropriate school administrator or
9 his or her designee no later than September 1 of each
10 year in order to arrange for the participation of the
11 department or district in the school evacuation drill.

12 (B) Each school administrator or his or her
13 designee must contact the responding local fire
14 official no later than September 15 of each year and
15 propose to the local fire official 4 dates within the
16 month of October, during at least 2 different weeks of
17 October, on which the drill shall occur. The fire
18 official may choose any of the 4 available dates, and
19 if he or she does so, the drill shall occur on that
20 date.

21 (C) The school administrator or his or her designee
22 and the local fire official may also, by mutual
23 agreement, set any other date for the drill, including
24 a date outside of the month of October.

25 (D) If the fire official does not select one of the
26 4 offered dates in October or set another date by

1 mutual agreement, the requirement that the school
2 include the local fire service in one of its mandatory
3 school evacuation drills shall be waived. Schools,
4 however, shall continue to be strongly encouraged to
5 include the fire service in a school evacuation drill
6 at a mutually agreed-upon time.

7 (E) Upon the participation of the local fire
8 service, the appropriate local fire official shall
9 certify that the school evacuation drill was
10 conducted.

11 (F) When scheduling the school evacuation drill,
12 the school administrator or his or her designee and the
13 local fire department or fire district may, by mutual
14 agreement on or before September 14, choose to waive
15 the provisions of subparagraphs (B), (C), and (D) of
16 this paragraph (1).

17 Additional school evacuation drills for fire incidents
18 may involve the participation of the appropriate local fire
19 department or district.

20 (2) Schools may conduct additional school evacuation
21 drills to account for other evacuation incidents,
22 including without limitation suspicious items or bomb
23 threats.

24 (3) All drills shall be conducted at each school
25 building that houses school children.

26 (b) During each academic year, schools must conduct a

1 minimum of one bus evacuation drill. This drill shall be
2 accounted for in the curriculum in all public schools and in
3 all other educational institutions in this State that are
4 supported or maintained, in whole or in part, by public funds
5 and that provide instruction in any of the grades kindergarten
6 through 12. This curriculum shall include instruction in safe
7 bus riding practices for all students. Schools may conduct
8 additional bus evacuation drills. All drills shall be conducted
9 at each school building that houses school children.

10 (c) During each academic year, schools must conduct a law
11 enforcement drill to address a school shooting incident
12 ~~incidents, including without limitation reverse evacuations,~~
13 ~~lock downs, shootings, bomb threats, or hazardous materials.~~
14 Such drills must be conducted according to the school
15 district's or private school's emergency and crisis response
16 plans, protocols, and procedures, with the participation of the
17 appropriate law enforcement agency. Law enforcement drills may
18 be conducted on days and times when students are not present in
19 the school building. All drills must be conducted at each
20 school building that houses school children.

21 (1) A law enforcement drill must meet all of the
22 following criteria:

23 (A) During each calendar year, the appropriate
24 local law enforcement agency shall contact the
25 appropriate school administrator to request to
26 participate in a law enforcement drill. The school

1 administrator and local law enforcement agency shall
2 set, by mutual agreement, a date for the drill.

3 (A-5) The drill shall require the on-site
4 participation of the local law enforcement agency. If a
5 mutually agreeable date cannot be reached between the
6 school administrator and the appropriate local law
7 enforcement agency, then the school shall still hold
8 the drill without participation from the agency. and
9 ~~may actively participate on site in a drill.~~

10 (B) Upon the participation of a local law
11 enforcement agency in a law enforcement drill, the
12 appropriate local law enforcement official shall
13 certify that the law enforcement drill was conducted
14 and notify the school in a timely manner of any
15 deficiencies noted during the drill.

16 (2) Schools may conduct additional law enforcement
17 drills at their discretion.

18 (3) (Blank).

19 (d) During each academic year, schools must conduct a
20 minimum of one severe weather and shelter-in-place drill to
21 address and prepare students and school personnel for possible
22 tornado incidents and may conduct additional severe weather and
23 shelter-in-place drills to account for other incidents,
24 including without limitation earthquakes or hazardous
25 materials. All drills shall be conducted at each school
26 building that houses school children.
