6 (35 ILCS 200/18-185)

7 Sec. 18-185. Short title; definitions. This Division 5 may  
8 be cited as the Property Tax Extension Limitation Law. As used  
9 in this Division 5:

10 "Consumer Price Index" means the Consumer Price Index for  
11 All Urban Consumers for all items published by the United  
12 States Department of Labor.

13 "Extension limitation" means (a) the lesser of 5% or the  
14 percentage increase in the Consumer Price Index during the  
15 12-month calendar year preceding the levy year or (b) the rate  
16 of increase approved by voters under Section 18-205.

17 "Affected county" means a county of 3,000,000 or more  
18 inhabitants or a county contiguous to a county of 3,000,000 or  
19 more inhabitants.

20 "Taxing district" has the same meaning provided in Section  
21 1-150, except as otherwise provided in this Section. For the  
22 1991 through 1994 levy years only, "taxing district" includes  
23 only each non-home rule taxing district having the majority of

3 Beginning with the 1995 levy year, "taxing district" includes  
4 only each non-home rule taxing district subject to this Law  
5 before the 1995 levy year and each non-home rule taxing  
6 district not subject to this Law before the 1995 levy year  
7 having the majority of its 1994 equalized assessed value in an  
8 affected county or counties. Beginning with the levy year in  
9 which this Law becomes applicable to a taxing district as  
10 provided in Section 18-213, "taxing district" also includes  
11 those taxing districts made subject to this Law as provided in  
12 Section 18-213.

13 "Aggregate extension" for taxing districts to which this  
14 Law applied before the 1995 levy year means the annual  
15 corporate extension for the taxing district and those special  
16 purpose extensions that are made annually for the taxing  
17 district, excluding special purpose extensions: (a) made for  
18 the taxing district to pay interest or principal on general  
19 obligation bonds that were approved by referendum; (b) made for  
20 any taxing district to pay interest or principal on general  
21 obligation bonds issued before October 1, 1991; (c) made for

2 principal on revenue bonds issued before October 1, 1991 for  
3 payment of which a property tax levy or the full faith and  
4 credit of the unit of local government is pledged; however, a  
5 tax for the payment of interest or principal on those bonds  
6 shall be made only after the governing body of the unit of  
7 local government finds that all other sources for payment are  
8 insufficient to make those payments; (f) made for payments  
9 under a building commission lease when the lease payments are  
10 for the retirement of bonds issued by the commission before  
11 October 1, 1991, to pay for the building project; (g) made for

21 accordance with Section 18-213, except for those subject to  
22 paragraph (2) of subsection (e) of Section 18-213, for the levy  
23 year in which the referendum making this Law applicable to the  
24 taxing district is held, or for those taxing districts subject  
25 to this Law in accordance with paragraph (2) of subsection (e)  
26 of Section 18-213 for the 1996 levy year, constituting an

1 extension for payment of principal and interest on bonds issued  
2 by the taxing district without referendum, but not including  
3 excluded non-referendum bonds. For park districts (i) that were  
4 first subject to this Law in 1991 or 1995 and (ii) whose  
5 extension for the 1994 levy year for the payment of principal  
6 and interest on bonds issued by the park district without  
7 referendum (but not including excluded non-referendum bonds)  
8 was less than 51% of the amount for the 1991 levy year  
9 constituting an extension for payment of principal and interest  
10 on bonds issued by the park district without referendum (but  
11 not including excluded non-referendum bonds), "debt service  
12 extension base" means an amount equal to that portion of the  
13 extension for the 1991 levy year constituting an extension for  
14 payment of principal and interest on bonds issued by the park  
15 district without referendum (but not including excluded  
16 non-referendum bonds). A debt service extension base  
17 established or increased at any time pursuant to any provision  
18 of this Law, except Section 18-212, shall be increased each  
19 year commencing with the later of (i) the 2009 levy year or  
20 (ii) the first levy year in which this Law becomes applicable  
21 to the taxing district, by the lesser of 5% or the percentage  
22 increase in the Consumer Price Index during the 12-month  
23 calendar year preceding the levy year. The debt service  
24 extension base may be established or increased as provided  
25 under Section 18-212. "Excluded non-referendum bonds" means  
26 (i) bonds authorized by Public Act 88-503 and issued under

2 museum projects; (ii) bonds issued under Section 15 of the  
3 Local Government Debt Reform Act; or (iii) refunding  
4 obligations issued to refund or to continue to refund  
5 obligations initially issued pursuant to referendum.

6 "Special purpose extensions" include, but are not limited  
7 to, extensions for levies made on an annual basis for  
8 unemployment and workers' compensation, self-insurance,  
9 contributions to pension plans, and extensions made pursuant to  
10 Section 6-601 of the Illinois Highway Code for a road  
11 district's permanent road fund whether levied annually or not.  
12 The extension for a special service area is not included in the  
13 aggregate extension.

14 "Aggregate extension base" means the taxing district's  
15 last preceding aggregate extension as adjusted under Sections  
16 18-135, 18-215, and 18-230. An adjustment under Section 18-135  
17 shall be made for the 2007 levy year and all subsequent levy  
18 years whenever one or more counties within which a taxing  
19 district is located (i) used estimated valuations or rates when  
20 extending taxes in the taxing district for the last preceding  
21 levy year that resulted in the over or under extension of  
22 taxes, or (ii) increased or decreased the tax extension for the  
23 last preceding levy year as required by Section 18-135(c).  
24 Whenever an adjustment is required under Section 18-135, the  
25 aggregate extension base of the taxing district shall be equal  
26 to the amount that the aggregate extension of the taxing

1 district would have been for the last preceding levy year if  
2 either or both (i) actual, rather than estimated, valuations or  
3 rates had been used to calculate the extension of taxes for the  
4 last levy year, or (ii) the tax extension for the last  
5 preceding levy year had not been adjusted as required by  
6 subsection (c) of Section 18-135.

7 "Levy year" has the same meaning as "year" under Section  
8 1-155.

9 "New property" means (i) the assessed value, after final  
10 board of review or board of appeals action, of new improvements  
11 or additions to existing improvements on any parcel of real  
12 property that increase the assessed value of that real property  
13 during the levy year multiplied by the equalization factor  
14 issued by the Department under Section 17-30, (ii) the assessed  
15 value, after final board of review or board of appeals action,  
16 of real property not exempt from real estate taxation, which  
17 real property was exempt from real estate taxation for any  
18 portion of the immediately preceding levy year, multiplied by  
19 the equalization factor issued by the Department under Section  
20 17-30, including the assessed value, upon final stabilization  
21 of occupancy after new construction is complete, of any real  
22 property located within the boundaries of an otherwise or  
23 previously exempt military reservation that is intended for  
24 residential use and owned by or leased to a private corporation  
25 or other entity, and (iii) in counties that classify in  
26 accordance with Section 4 of Article IX of the Illinois

1 Constitution, an incentive property's additional assessed  
2 value resulting from a scheduled increase in the level of  
3 assessment as applied to the first year final board of review  
4 market value. In addition, the county clerk in a county  
5 containing a population of 3,000,000 or more shall include in  
6 the 1997 recovered tax increment value for any school district,  
7 any recovered tax increment value that was applicable to the  
8 1995 tax year calculations.

9 "Qualified airport authority" means an airport authority  
10 organized under the Airport Authorities Act and located in a  
11 county bordering on the State of Wisconsin and having a  
12 population in excess of 200,000 and not greater than 500,000.

13 "Recovered tax increment value" means, except as otherwise  
14 provided in this paragraph, the amount of the current year's  
15 equalized assessed value, in the first year after a  
16 municipality terminates the designation of an area as a  
17 redevelopment project area previously established under the  
18 Tax Increment Allocation Development Act in the Illinois  
19 Municipal Code, previously established under the Industrial  
20 Jobs Recovery Law in the Illinois Municipal Code, previously  
21 established under the Economic Development Project Area Tax  
22 Increment Act of 1995, or previously established under the  
23 Economic Development Area Tax Increment Allocation Act, of each  
24 taxable lot, block, tract, or parcel of real property in the  
25 redevelopment project area over and above the initial equalized  
26 assessed value of each property in the redevelopment project

1 area. For the taxes which are extended for the 1997 levy year,  
2 the recovered tax increment value for a non-home rule taxing  
3 district that first became subject to this Law for the 1995  
4 levy year because a majority of its 1994 equalized assessed  
5 value was in an affected county or counties shall be increased  
6 if a municipality terminated the designation of an area in 1993  
7 as a redevelopment project area previously established under  
8 the Tax Increment Allocation Development Act in the Illinois  
9 Municipal Code, previously established under the Industrial  
10 Jobs Recovery Law in the Illinois Municipal Code, or previously  
11 established under the Economic Development Area Tax Increment  
12 Allocation Act, by an amount equal to the 1994 equalized  
13 assessed value of each taxable lot, block, tract, or parcel of  
14 real property in the redevelopment project area over and above  
15 the initial equalized assessed value of each property in the  
16 redevelopment project area. In the first year after a  
17 municipality removes a taxable lot, block, tract, or parcel of  
18 real property from a redevelopment project area established  
19 under the Tax Increment Allocation Development Act in the  
20 Illinois Municipal Code, the Industrial Jobs Recovery Law in  
21 the Illinois Municipal Code, or the Economic Development Area  
22 Tax Increment Allocation Act, "recovered tax increment value"  
23 means the amount of the current year's equalized assessed value  
24 of each taxable lot, block, tract, or parcel of real property  
25 removed from the redevelopment project area over and above the  
26 initial equalized assessed value of that real property before

1 removal from the redevelopment project area.

2 Except as otherwise provided in this Section, "limiting  
3 rate" means a fraction the numerator of which is the last  
4 preceding aggregate extension base times an amount equal to one  
5 plus the extension limitation defined in this Section and the  
6 denominator of which is the current year's equalized assessed  
7 value of all real property in the territory under the  
8 jurisdiction of the taxing district during the prior levy year.  
9 For those taxing districts that reduced their aggregate  
10 extension for the last preceding levy year, the highest  
11 aggregate extension in any of the last 3 preceding levy years  
12 shall be used for the purpose of computing the limiting rate.  
13 The denominator shall not include new property or the recovered  
14 tax increment value. If a new rate, a rate decrease, or a  
15 limiting rate increase has been approved at an election held  
16 after March 21, 2006, then (i) the otherwise applicable  
17 limiting rate shall be increased by the amount of the new rate  
18 or shall be reduced by the amount of the rate decrease, as the  
19 case may be, or (ii) in the case of a limiting rate increase,  
20 the limiting rate shall be equal to the rate set forth in the  
21 proposition approved by the voters for each of the years  
22 specified in the proposition, after which the limiting rate of  
23 the taxing district shall be calculated as otherwise provided.  
24 Notwithstanding any other provision of law, if the percentage  
25 change in the equalized assessed value of all property within  
26 the taxing district during the 12-month calendar year preceding

1 the levy year is less than the percentage change in the  
2 Consumer Price Index during that same period of time, then, not  
3 less than 30 days prior to extension, the corporate authorities  
4 of the taxing district must approve the limiting rate by  
5 ordinance or resolution, and must certify that limiting rate to  
6 the county clerk. The limiting rate may not exceed the maximum  
7 rate permitted under this Law. Notice of the rate shall be  
8 published at least once in a newspaper of general circulation  
9 in the taxing district not more than 30 days nor less than 10  
10 days before the ordinance or resolution is adopted. The  
11 publication must also contain all of the following information,  
12 in substantially the following form:

13 (1) As a result of the approval of the limiting rate,  
14 the aggregate extension for ... (insert each levy year for  
15 which the increase will apply) will be determined by the  
16 limiting rate set forth in the ordinance or resolution,  
17 rather than the otherwise applicable limiting rate  
18 calculated under the provisions of the Property Tax  
19 Extension Limitation Law (commonly known as the Property  
20 Tax Cap Law). This will result in a tax bill that will be  
21 higher than the tax bill that would have resulted from the  
22 rate that would have been calculated under the Property Tax  
23 Extension Limitation Law.

24 (2) The additional tax extendable against property  
25 containing a single family residence and having a fair  
26 market value at the time of the referendum of \$100,000 is

1 estimated to be \$....

2 (3) Based upon an average annual percentage increase

3 (or decrease) in the market value of such property of %...

4 (insert percentage equal to the average annual percentage

5 increase or decrease for the prior 3 levy years, at the

6 time the submission of the proposition is initiated by the

7 taxing district, in the amount of (A) the equalized

8 assessed value of the taxable property in the taxing

9 district less (B) the new property included in the

10 equalized assessed value), the approximate amount of the

11 additional tax extendable against such property for the ...

12 levy year is estimated to be \$... and for the ... levy year

13 is estimated to be \$ ....

18 Sec. 18-195. Limitation. Tax extensions made under

19 Sections 18-45 and 18-105 are further limited by the provisions

20 of this Law.

21 For those taxing districts that have levied in any previous

22 levy year for any funds included in the aggregate extension,

23 the county clerk shall extend a rate for the sum of these funds

24 that is no greater than the limiting rate.

25 For those taxing districts that have never levied for any

1 funds included in the aggregate extension, the county clerk  
2 shall extend an amount no greater than the amount approved by  
3 the voters in a referendum under Section 18-210.

4 If a taxing district is required to approve a limiting rate  
5 by ordinance or resolution, then the county clerk shall extend  
6 a rate for the sum of all of the funds included in the  
7 aggregate extension that is no greater than the limiting rate  
8 adopted by the taxing district.

9 If the county clerk is required to reduce the aggregate  
10 extension of a taxing district by provisions of this Law, the  
11 county clerk shall proportionally reduce the extension for each  
12 fund unless otherwise requested by the taxing district.

13 Upon written request of the corporate authority of a  
14 village, the county clerk shall calculate separate limiting  
15 rates for the library funds and for the aggregate of the other  
16 village funds in order to reduce the funds as may be required  
17 under provisions of this Law. In calculating the limiting rate  
18 for the library, the county clerk shall use only the part of  
19 the aggregate extension base applicable to the library, and for  
20 any rate increase or decrease factor under Section 18-230 the  
21 county clerk shall use only any new rate or rate increase  
22 applicable to the library funds and the part of the rate  
23 applicable to the library in determining factors under that  
24 Section. The county clerk shall calculate the limiting rate for  
25 all other village funds using only the part of the aggregate  
26 extension base not applicable to the library, and for any rate

1 increase or decrease factor under Section 18-230 the county  
2 clerk shall use only any new rate or rate increase not  
3 applicable to the library funds and the part of the rate not  
4 applicable to the library in determining factors under that  
5 Section. If the county clerk is required to reduce the  
6 aggregate extension of the library portion of the levy, the  
7 county clerk shall proportionally reduce the extension for each  
8 library fund unless otherwise requested by the library board.  
9 If the county clerk is required to reduce the aggregate  
10 extension of the portion of the levy not applicable to the  
11 library, the county clerk shall proportionally reduce the  
12 extension for each fund not applicable to the library unless  
13 otherwise requested by the village.

14 Beginning with the 1998 levy year upon written direction of  
15 a county or township community mental health board, the county  
16 clerk shall calculate separate limiting rates for the community  
17 mental health funds and for the aggregate of the other county  
18 or township funds in order to reduce the funds as may be  
19 required under provisions of this Law. In calculating the  
20 limiting rate for the community mental health funds, the county  
21 clerk shall use only the part of the aggregate extension base  
22 applicable to the community mental health funds; and for any  
23 rate increase or decrease factor under Section 18-230, the  
24 county clerk shall use only any new rate or rate increase  
25 applicable to the community mental health funds and the part of  
26 the rate applicable to the community mental health board in

1 determining factors under that Section. The county clerk shall  
2 calculate the limiting rate for all other county or township  
3 funds using only the part of the aggregate extension base not  
4 applicable to community mental health funds; and for any rate  
5 increase or decrease factor under Section 18-230, the county  
6 clerk shall use only any new rate or rate increase not  
7 applicable to the community mental health funds and the part of  
8 the rate not applicable to the community mental health board in  
9 determining factors under that Section. If the county clerk is  
10 required to reduce the aggregate extension of the community  
11 mental health board portion of the levy, the county clerk shall  
12 proportionally reduce the extension for each community mental  
13 health fund unless otherwise directed by the community mental  
14 health board. If the county clerk is required to reduce the  
15 aggregate extension of the portion of the levy not applicable  
16 to the community mental health board, the county clerk shall  
17 proportionally reduce the extension for each fund not  
18 applicable to the community mental health board unless  
19 otherwise directed by the county or township.

20 If the county is not subject to Section 1.1 or 1.2 of the  
21 County Care for Persons with Developmental Disabilities Act,  
22 then, beginning with the 2001 levy year, upon written direction  
23 of a county or township board for care and treatment of persons  
24 with a developmental disability, the county clerk shall  
25 calculate separate limiting rates for the funds for persons  
26 with a developmental disability and for the aggregate of the

1 other county or township funds in order to reduce the funds as  
2 may be required under provisions of this Law. If the county is  
3 subject to Section 1.1 or 1.2 of the County Care for Persons  
4 with Developmental Disabilities Act, then, beginning with the  
5 levy year in which the voters approve the tax under Section 1.1  
6 or 1.2 of that Act, the county clerk shall calculate separate  
7 limiting rates for the funds for persons with a developmental  
8 disability and for the aggregate of the other county or  
9 township funds in order to reduce the funds as may be required  
10 under provisions of this Law. In calculating the limiting rate  
11 for the funds for persons with a developmental disability, the  
12 county clerk shall use only the part of the aggregate extension  
13 base applicable to the funds for persons with a developmental  
14 disability; and for any rate increase or decrease factor under  
15 Section 18-230, the county clerk shall use only any new rate or  
16 rate increase applicable to the funds for persons with a  
17 developmental disability and the part of the rate applicable to  
18 the board for care and treatment of persons with a  
19 developmental disability in determining factors under that  
20 Section. The county clerk shall calculate the limiting rate for  
21 all other county or township funds using only the part of the  
22 aggregate extension base not applicable to funds for persons  
23 with a developmental disability; and for any rate increase or  
24 decrease factor under Section 18-230, the county clerk shall  
25 use only any new rate or rate increase not applicable to the  
26 funds for persons with a developmental disability and the part

1 of the rate not applicable to the board for care and treatment  
2 of persons with a developmental disability in determining  
3 factors under that Section. If the county clerk is required to  
4 reduce the aggregate extension of the board for care and  
5 treatment of persons with a developmental disability portion of  
6 the levy, the county clerk shall proportionally reduce the  
7 extension for each fund for persons with a developmental  
8 disability unless otherwise directed by the board for care and  
9 treatment of persons with a developmental disability. If the  
10 county clerk is required to reduce the aggregate extension of  
11 the portion of the levy not applicable to the board for care  
12 and treatment of persons with a developmental disability, the  
13 county clerk shall proportionally reduce the extension for each  
14 fund not applicable to the board for care and treatment of  
15 persons with a developmental disability unless otherwise  
16 directed by the county or township.

19 becoming law.
