HB5975 Engrossed

1 AN ACT concerning public aid.

## 2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

4 Section 5. The Illinois Public Aid Code is amended by 5 changing Section 5-5 as follows:

6 (305 ILCS 5/5-5) (from Ch. 23, par. 5-5)

7 Sec. 5-5. Medical services. The Illinois Department, by rule, shall determine the quantity and quality of and the rate 8 9 of reimbursement for the medical assistance for which payment will be authorized, and the medical services to be provided, 10 which may include all or part of the following: (1) inpatient 11 hospital services; (2) outpatient hospital services; (3) other 12 laboratory and X-ray services; (4) skilled nursing home 13 14 services; (5) physicians' services whether furnished in the office, the patient's home, a hospital, a skilled nursing home, 15 or elsewhere; (6) medical care, or any other type of remedial 16 17 care furnished by licensed practitioners; (7) home health care private duty nursing service; (9) clinic 18 services; (8) (10) dental services, including prevention and 19 services; 20 treatment of periodontal disease and dental caries disease for 21 pregnant women, provided by an individual licensed to practice 22 dentistry or dental surgery; for purposes of this item (10), "dental services" means diagnostic, preventive, or corrective 23

procedures provided by or under the supervision of a dentist in 1 2 the practice of his or her profession; (11) physical therapy 3 and related services; (12) prescribed drugs, dentures, and prosthetic devices; and eyeglasses prescribed by a physician 4 5 skilled in the diseases of the eye, or by an optometrist, whichever the person may select; (13) other diagnostic, 6 7 screening, preventive, and rehabilitative services, including to ensure that the individual's need for intervention or 8 9 treatment of mental disorders or substance use disorders or 10 co-occurring mental health and substance use disorders is 11 determined using а uniform screening, assessment, and 12 evaluation process inclusive of criteria, for children and adults; for purposes of this item (13), a uniform screening, 13 14 assessment, and evaluation process refers to a process that includes an appropriate evaluation and, as warranted, a 15 16 referral; "uniform" does not mean the use of a singular 17 instrument, tool, or process that all must utilize; (14) transportation and such other expenses as may be necessary; 18 (15) medical treatment of sexual assault survivors, as defined 19 20 in Section 1a of the Sexual Assault Survivors Emergency Treatment Act, for injuries sustained as a result of the sexual 21 22 assault, including examinations and laboratory tests to 23 discover evidence which may be used in criminal proceedings 24 arising from the sexual assault; (16) the diagnosis and 25 treatment of sickle cell anemia; and (17) any other medical 26 care, and any other type of remedial care recognized under the

laws of this State, but not including abortions, or induced 1 miscarriages or premature births, unless, in the opinion of a 2 3 physician, such procedures are necessary for the preservation of the life of the woman seeking such treatment, or except an 4 5 induced premature birth intended to produce a live viable child and such procedure is necessary for the health of the mother or 6 7 her unborn child. The Illinois Department, by rule, shall 8 prohibit any physician from providing medical assistance to 9 anyone eligible therefor under this Code where such physician 10 has been found quilty of performing an abortion procedure in a 11 wilful and wanton manner upon a woman who was not pregnant at 12 the time such abortion procedure was performed. The term "any 13 other type of remedial care" shall include nursing care and 14 nursing home service for persons who rely on treatment by 15 spiritual means alone through prayer for healing.

Notwithstanding any other provision of this Section, a comprehensive tobacco use cessation program that includes purchasing prescription drugs or prescription medical devices approved by the Food and Drug Administration shall be covered under the medical assistance program under this Article for persons who are otherwise eligible for assistance under this Article.

Notwithstanding any other provision of this Code, the Illinois Department may not require, as a condition of payment for any laboratory test authorized under this Article, that a physician's handwritten signature appear on the laboratory HB5975 Engrossed - 4 - LRB098 17566 KTG 52675 b

test order form. The Illinois Department may, however, impose other appropriate requirements regarding laboratory test order documentation.

On and after July 1, 2012, the Department of Healthcare and 4 5 Family Services may provide the following services to persons 6 eligible for assistance under this Article who are 7 participating in education, training or employment programs 8 operated by the Department of Human Services as successor to 9 the Department of Public Aid:

10 (1) dental services provided by or under the 11 supervision of a dentist; and

(2) eyeglasses prescribed by a physician skilled in the
diseases of the eye, or by an optometrist, whichever the
person may select.

Notwithstanding any other provision of this Code and 15 16 subject to federal approval, the Department may adopt rules to 17 allow a dentist who is volunteering his or her service at no render dental services 18 cost to through enrolled an 19 not-for-profit health clinic without the dentist personally 20 enrolling as a participating provider in the medical assistance program. A not-for-profit health clinic shall include a public 21 22 health clinic or Federally Qualified Health Center or other 23 enrolled provider, as determined by the Department, through which dental services covered under this Section are performed. 24 25 The Department shall establish a process for payment of claims for reimbursement for covered dental services rendered under 26

HB5975 Engrossed - 5 - LRB098 17566 KTG 52675 b

1 this provision.

26

The Illinois Department, by rule, may distinguish and classify the medical services to be provided only in accordance with the classes of persons designated in Section 5-2.

5 The Department of Healthcare and Family Services must 6 provide coverage and reimbursement for amino acid-based 7 elemental formulas, regardless of delivery method, for the 8 diagnosis and treatment of (i) eosinophilic disorders and (ii) 9 short bowel syndrome when the prescribing physician has issued 10 a written order stating that the amino acid-based elemental 11 formula is medically necessary.

12 The Illinois Department shall authorize the provision of, 13 and shall authorize payment for, screening by low-dose 14 mammography for the presence of occult breast cancer for women 15 35 years of age or older who are eligible for medical 16 assistance under this Article, as follows:

17 (A) A baseline mammogram for women 35 to 39 years of18 age.

(B) An annual mammogram for women 40 years of age orolder.

(C) A mammogram at the age and intervals considered medically necessary by the woman's health care provider for women under 40 years of age and having a family history of breast cancer, prior personal history of breast cancer, positive genetic testing, or other risk factors.

(D) A comprehensive ultrasound screening of an entire

HB5975 Engrossed - 6 - LRB098 17566 KTG 52675 b

breast or breasts if a mammogram demonstrates heterogeneous or dense breast tissue, when medically necessary as determined by a physician licensed to practice medicine in all of its branches.

5 All screenings shall include a physical breast exam, instruction on self-examination and information regarding the 6 7 frequency of self-examination and its value as a preventative 8 tool. For purposes of this Section, "low-dose mammography" 9 means the x-ray examination of the breast using equipment 10 dedicated specifically for mammography, including the x-ray 11 tube, filter, compression device, and image receptor, with an 12 average radiation exposure delivery of less than one rad per 13 breast for 2 views of an average size breast. The term also 14 includes digital mammography.

On and after January 1, 2012, providers participating in a quality improvement program approved by the Department shall be reimbursed for screening and diagnostic mammography at the same rate as the Medicare program's rates, including the increased reimbursement for digital mammography.

The Department shall convene an expert panel including representatives of hospitals, free-standing mammography facilities, and doctors, including radiologists, to establish quality standards.

24 Subject to federal approval, the Department shall 25 establish a rate methodology for mammography at federally 26 qualified health centers and other encounter-rate clinics. HB5975 Engrossed - 7 - LRB098 17566 KTG 52675 b

These clinics or centers may also collaborate with other
 hospital-based mammography facilities.

The Department shall establish a methodology to remind women who are age-appropriate for screening mammography, but who have not received a mammogram within the previous 18 months, of the importance and benefit of screening mammography.

7 The Department shall establish a performance goal for 8 primary care providers with respect to their female patients 9 over age 40 receiving an annual mammogram. This performance 10 goal shall be used to provide additional reimbursement in the 11 form of a quality performance bonus to primary care providers 12 who meet that goal.

13 The Department shall devise a means of case-managing or 14 patient navigation for beneficiaries diagnosed with breast 15 cancer. This program shall initially operate as a pilot program 16 in areas of the State with the highest incidence of mortality 17 related to breast cancer. At least one pilot program site shall be in the metropolitan Chicago area and at least one site shall 18 19 be outside the metropolitan Chicago area. An evaluation of the 20 pilot program shall be carried out measuring health outcomes 21 and cost of care for those served by the pilot program compared 22 to similarly situated patients who are not served by the pilot 23 program.

Any medical or health care provider shall immediately recommend, to any pregnant woman who is being provided prenatal services and is suspected of drug abuse or is addicted as HB5975 Engrossed - 8 - LRB098 17566 KTG 52675 b

defined in the Alcoholism and Other Drug Abuse and Dependency 1 2 Act, referral to a local substance abuse treatment provider 3 licensed by the Department of Human Services or to a licensed hospital which provides substance abuse treatment services. 4 5 The Department of Healthcare and Family Services shall assure coverage for the cost of treatment of the drug abuse or 6 7 addiction for pregnant recipients in accordance with the 8 Illinois Medicaid Program in conjunction with the Department of 9 Human Services.

10 All medical providers providing medical assistance to 11 pregnant women under this Code shall receive information from 12 the Department on the availability of services under the Drug 13 Free Families with a Future or any comparable program providing 14 management services for addicted women, including case 15 information on appropriate referrals for other social services 16 that may be needed by addicted women in addition to treatment 17 for addiction.

18 The Illinois Department, in cooperation with the Departments of Human Services (as successor to the Department 19 20 of Alcoholism and Substance Abuse) and Public Health, through a 21 public awareness campaign, may provide information concerning 22 treatment for alcoholism and drug abuse and addiction, prenatal 23 health care, and other pertinent programs directed at reducing the number of drug-affected infants born to recipients of 24 25 medical assistance.

Neither the Department of Healthcare and Family Services

26

HB5975 Engrossed - 9 - LRB098 17566 KTG 52675 b

nor the Department of Human Services shall sanction the
 recipient solely on the basis of her substance abuse.

3 The Illinois Department shall establish such regulations governing the dispensing of health services under this Article 4 5 as it shall deem appropriate. The Department should seek the 6 advice of formal professional advisory committees appointed by 7 the Director of the Illinois Department for the purpose of 8 providing regular advice on policy and administrative matters, 9 information dissemination and educational activities for and health care providers, and consistency in 10 medical 11 procedures to the Illinois Department.

12 The Illinois Department may develop and contract with 13 Partnerships of medical providers to arrange medical services for persons eligible under Section 5-2 of this Code. 14 15 Implementation of this Section may be by demonstration projects 16 in certain geographic areas. The Partnership shall be 17 represented by a sponsor organization. The Department, by rule, shall develop qualifications for sponsors of Partnerships. 18 Nothing in this Section shall be construed to require that the 19 20 sponsor organization be a medical organization.

The sponsor must negotiate formal written contracts with medical providers for physician services, inpatient and outpatient hospital care, home health services, treatment for alcoholism and substance abuse, and other services determined necessary by the Illinois Department by rule for delivery by Partnerships. Physician services must include prenatal and HB5975 Engrossed - 10 - LRB098 17566 KTG 52675 b

obstetrical care. The Illinois Department shall reimburse medical services delivered by Partnership providers to clients in target areas according to provisions of this Article and the Illinois Health Finance Reform Act, except that:

5 (1) Physicians participating in a Partnership and 6 providing certain services, which shall be determined by 7 the Illinois Department, to persons in areas covered by the 8 Partnership may receive an additional surcharge for such 9 services.

10 (2) The Department may elect to consider and negotiate
 11 financial incentives to encourage the development of
 12 Partnerships and the efficient delivery of medical care.

13 (3) Persons receiving medical services through 14 Partnerships may receive medical and case management 15 services above the level usually offered through the 16 medical assistance program.

17 Medical providers shall be required to meet certain qualifications to participate in Partnerships to ensure the 18 19 deliverv of hiqh quality medical services. These 20 qualifications shall be determined by rule of the Illinois 21 Department and may be higher than qualifications for 22 participation in the medical assistance program. Partnership 23 sponsors may prescribe reasonable additional qualifications for participation by medical providers, only with the prior 24 25 written approval of the Illinois Department.

26 Nothing in this Section shall limit the free choice of

HB5975 Engrossed - 11 - LRB098 17566 KTG 52675 b

practitioners, hospitals, and other providers of medical 1 2 services by clients. In order to ensure patient freedom of 3 choice, the Illinois Department shall immediately promulgate all rules and take all other necessary actions so that provided 4 5 services may be accessed from therapeutically certified optometrists to the full extent of the Illinois Optometric 6 7 Practice Act of 1987 without discriminating between service 8 providers.

9 The Department shall apply for a waiver from the United 10 States Health Care Financing Administration to allow for the 11 implementation of Partnerships under this Section.

12 The Illinois Department shall require health care 13 providers to maintain records that document the medical care 14 and services provided to recipients of Medical Assistance under 15 this Article. Such records must be retained for a period of not 16 less than 6 years from the date of service or as provided by 17 applicable State law, whichever period is longer, except that if an audit is initiated within the required retention period 18 then the records must be retained until the audit is completed 19 20 and every exception is resolved. The Illinois Department shall 21 require health care providers to make available, when 22 authorized by the patient, in writing, the medical records in a 23 timely fashion to other health care providers who are treating or serving persons eligible for Medical Assistance under this 24 Article. All dispensers of medical services shall be required 25 26 to maintain and retain business and professional records

sufficient to fully and accurately document the nature, scope, 1 2 details and receipt of the health care provided to persons eligible for medical assistance under this Code, in accordance 3 with regulations promulgated by the Illinois Department. The 4 5 rules and regulations shall require that proof of the receipt 6 prescription drugs, dentures, prosthetic devices of and eyeglasses by eligible persons under this Section accompany 7 each claim for reimbursement submitted by the dispenser of such 8 9 medical services. No such claims for reimbursement shall be 10 approved for payment by the Illinois Department without such 11 proof of receipt, unless the Illinois Department shall have put 12 into effect and shall be operating a system of post-payment 13 audit and review which shall, on a sampling basis, be deemed 14 adequate by the Illinois Department to assure that such drugs, 15 dentures, prosthetic devices and eyeglasses for which payment 16 is being made are actually being received by eligible 17 recipients. Within 90 days after the effective date of this amendatory Act of 1984, the Illinois Department shall establish 18 a current list of acquisition costs for all prosthetic devices 19 20 and any other items recognized as medical equipment and supplies reimbursable under this Article and shall update such 21 22 list on a quarterly basis, except that the acquisition costs of 23 all prescription drugs shall be updated no less frequently than every 30 days as required by Section 5-5.12. 24

The rules and regulations of the Illinois Department shall require that a written statement including the required opinion HB5975 Engrossed - 13 - LRB098 17566 KTG 52675 b

of a physician shall accompany any claim for reimbursement for abortions, or induced miscarriages or premature births. This statement shall indicate what procedures were used in providing such medical services.

5 Notwithstanding any other law to the contrary, the Illinois Department shall, within 365 days after July 22, 2013 (the 6 7 effective date of Public Act 98-104) this amendatory Act of the 98th General Assembly, establish procedures to permit skilled 8 9 care facilities licensed under the Nursing Home Care Act to 10 submit monthly billing claims for reimbursement purposes. 11 Following development of these procedures, the Department 12 shall have an additional 365 days to test the viability of the 13 new system and to ensure that any necessary operational or 14 structural changes to its information technology platforms are 15 implemented.

16 Notwithstanding any other law to the contrary, the Illinois 17 Department shall, within 365 days after the effective date of this amendatory Act of the 98th General Assembly, establish 18 19 procedures to permit ID/DD facilities licensed under the ID/DD Community Care Act to submit monthly billing claims for 20 reimbursement purposes. Following development of these 21 22 procedures, the Department shall have an additional 365 days to 23 test the viability of the new system and to ensure that any 24 necessary operational or structural changes to its information 25 technology platforms are implemented.

26 The Illinois Department shall require all dispensers of

HB5975 Engrossed - 14 - LRB098 17566 KTG 52675 b

medical services, other than an individual practitioner or 1 2 group of practitioners, desiring to participate in the Medical Assistance program established under this Article to disclose 3 all financial, beneficial, ownership, equity, surety or other 4 5 interests in any and all firms, corporations, partnerships, associations, business enterprises, joint ventures, agencies, 6 7 institutions or other legal entities providing any form of health care services in this State under this Article. 8

9 The Illinois Department may require that all dispensers of 10 medical services desiring to participate in the medical 11 assistance program established under this Article disclose, 12 under such terms and conditions as the Illinois Department may by rule establish, all inquiries from clients and attorneys 13 regarding medical bills paid by the Illinois Department, which 14 15 inquiries could indicate potential existence of claims or liens 16 for the Illinois Department.

17 Enrollment of a vendor shall be subject to a provisional period and shall be conditional for one year. During the period 18 19 of conditional enrollment, the Department may terminate the 20 vendor's eligibility to participate in, or may disenroll the vendor from, the medical assistance program without cause. 21 22 Unless otherwise specified, such termination of eligibility or 23 disenrollment is not subject to the Department's hearing process. However, a disenrolled vendor may reapply without 24 25 penalty.

26

The Department has the discretion to limit the conditional

HB5975 Engrossed - 15 - LRB098 17566 KTG 52675 b

enrollment period for vendors based upon category of risk of
 the vendor.

Prior to enrollment and during the conditional enrollment 3 period in the medical assistance program, all vendors shall be 4 5 subject to enhanced oversight, screening, and review based on 6 the risk of fraud, waste, and abuse that is posed by the 7 category of risk of the vendor. The Illinois Department shall 8 establish the procedures for oversight, screening, and review, 9 which may include, but need not be limited to: criminal and 10 financial background checks; fingerprinting; license, 11 certification, and authorization verifications; unscheduled or 12 unannounced site visits; database checks; prepayment audit 13 reviews; audits; payment caps; payment suspensions; and other screening as required by federal or State law. 14

15 The Department shall define or specify the following: (i) by provider notice, the "category of risk of the vendor" for 16 17 each type of vendor, which shall take into account the level of screening applicable to a particular category of vendor under 18 19 federal law and regulations; (ii) by rule or provider notice, the maximum length of the conditional enrollment period for 20 each category of risk of the vendor; and (iii) by rule, the 21 22 hearing rights, if any, afforded to a vendor in each category 23 of risk of the vendor that is terminated or disenrolled during the conditional enrollment period. 24

To be eligible for payment consideration, a vendor's payment claim or bill, either as an initial claim or as a resubmitted claim following prior rejection, must be received by the Illinois Department, or its fiscal intermediary, no later than 180 days after the latest date on the claim on which medical goods or services were provided, with the following exceptions:

6 (1) In the case of a provider whose enrollment is in 7 process by the Illinois Department, the 180-day period 8 shall not begin until the date on the written notice from 9 the Illinois Department that the provider enrollment is 10 complete.

11 (2) In the case of errors attributable to the Illinois 12 Department or any of its claims processing intermediaries 13 which result in an inability to receive, process, or 14 adjudicate a claim, the 180-day period shall not begin 15 until the provider has been notified of the error.

16 (3) In the case of a provider for whom the Illinois
 17 Department initiates the monthly billing process.

(4) In the case of a provider operated by a unit of
local government with a population exceeding 3,000,000
when local government funds finance federal participation
for claims payments.

For claims for services rendered during a period for which a recipient received retroactive eligibility, claims must be filed within 180 days after the Department determines the applicant is eligible. For claims for which the Illinois Department is not the primary payer, claims must be submitted HB5975 Engrossed - 17 - LRB098 17566 KTG 52675 b

to the Illinois Department within 180 days after the final
 adjudication by the primary payer.

In the case of long term care facilities, admission 3 documents shall be submitted within 30 days of an admission to 4 5 the facility through the Medical Electronic Data Interchange 6 (MEDI) or the Recipient Eligibility Verification (REV) System, 7 or shall be submitted directly to the Department of Human 8 Services using required admission forms. Confirmation numbers 9 assigned to an accepted transaction shall be retained by a 10 facility to verify timely submittal. Once an admission 11 transaction has been completed, all resubmitted claims 12 following prior rejection are subject to receipt no later than 13 180 days after the admission transaction has been completed.

14 Claims that are not submitted and received in compliance 15 with the foregoing requirements shall not be eligible for 16 payment under the medical assistance program, and the State 17 shall have no liability for payment of those claims.

To the extent consistent with applicable information and 18 privacy, security, and disclosure laws, State and federal 19 20 agencies and departments shall provide the Illinois Department access to confidential and other information and data necessary 21 22 to perform eligibility and payment verifications and other 23 Illinois Department functions. This includes, but is not 24 limited to: information pertaining to licensure; 25 certification; earnings; immigration status; citizenship; wage 26 reporting; unearned and earned income; pension income;

HB5975 Engrossed - 18 - LRB098 17566 KTG 52675 b

employment; supplemental security income; social security numbers; National Provider Identifier (NPI) numbers; the National Practitioner Data Bank (NPDB); program and agency exclusions; taxpayer identification numbers; tax delinquency; corporate information; and death records.

6 The Illinois Department shall enter into agreements with 7 State agencies and departments, and is authorized to enter into 8 agreements with federal agencies and departments, under which 9 such agencies and departments shall share data necessary for 10 medical assistance program integrity functions and oversight. 11 The Illinois Department shall develop, in cooperation with 12 other State departments and agencies, and in compliance with 13 applicable federal laws and regulations, appropriate and effective methods to share such data. At a minimum, and to the 14 15 extent necessary to provide data sharing, the Illinois 16 Department shall enter into agreements with State agencies and 17 departments, and is authorized to enter into agreements with federal agencies and departments, including but not limited to: 18 19 the Secretary of State; the Department of Revenue; the 20 Department of Public Health; the Department of Human Services; and the Department of Financial and Professional Regulation. 21

Beginning in fiscal year 2013, the Illinois Department shall set forth a request for information to identify the benefits of a pre-payment, post-adjudication, and post-edit claims system with the goals of streamlining claims processing and provider reimbursement, reducing the number of pending or HB5975 Engrossed - 19 - LRB098 17566 KTG 52675 b

rejected claims, and helping to ensure a more transparent 1 2 adjudication process through the utilization of: (i) provider data verification and provider screening technology; and (ii) 3 clinical code editing; and (iii) pre-pay, 4 preor 5 post-adjudicated predictive modeling with an integrated case 6 management system with link analysis. Such a request for information shall not be considered as a request for proposal 7 8 or as an obligation on the part of the Illinois Department to 9 take any action or acquire any products or services.

10 The Illinois Department shall establish policies, 11 procedures, standards and criteria by rule for the acquisition, 12 repair and replacement of orthotic and prosthetic devices and 13 durable medical equipment. Such rules shall provide, but not be limited to, the following services: (1) immediate repair or 14 15 replacement of such devices by recipients; and (2) rental, 16 lease, purchase or lease-purchase of durable medical equipment 17 in a cost-effective manner, taking into consideration the recipient's medical prognosis, the extent of the recipient's 18 needs, and the requirements and costs for maintaining such 19 equipment. Subject to prior approval, such rules shall enable a 20 recipient to temporarily acquire and use alternative or 21 22 substitute devices equipment pending or repairs or 23 replacements of any device or equipment previously authorized 24 for such recipient by the Department.

The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the HB5975 Engrossed - 20 - LRB098 17566 KTG 52675 b

Department of Human Services and the Department on Aging, to 1 2 effect the following: (i) intake procedures and common 3 eligibility criteria for those persons who are receiving non-institutional services; and (ii) the establishment and 4 5 development of non-institutional services in areas of the State where they are not currently available or are undeveloped; and 6 (iii) notwithstanding any other provision of law, subject to 7 8 federal approval, on and after July 1, 2012, an increase in the 9 determination of need (DON) scores from 29 to 37 for applicants 10 for institutional and home and community-based long term care; 11 if and only if federal approval is not granted, the Department 12 may, in conjunction with other affected agencies, implement 13 utilization controls or changes in benefit packages to 14 effectuate a similar savings amount for this population; and (iv) no later than July 1, 2013, minimum level of care 15 for institutional 16 eligibility criteria and home and 17 community-based long term care; and (v) no later than October 2013, establish procedures to permit long term care 18 1. providers access to eligibility scores for individuals with an 19 20 admission date who are seeking or receiving services from the long term care provider. In order to select the minimum level 21 22 of care eligibility criteria, the Governor shall establish a 23 workgroup that includes affected agency representatives and 24 stakeholders representing the institutional and home and 25 community-based long term care interests. This Section shall 26 not restrict the Department from implementing lower level of

HB5975 Engrossed - 21 - LRB098 17566 KTG 52675 b

care eligibility criteria for community-based services in
 circumstances where federal approval has been granted.

The Illinois Department shall develop and operate, in cooperation with other State Departments and agencies and in compliance with applicable federal laws and regulations, appropriate and effective systems of health care evaluation and programs for monitoring of utilization of health care services and facilities, as it affects persons eligible for medical assistance under this Code.

10 The Illinois Department shall report annually to the 11 General Assembly, no later than the second Friday in April of 12 1979 and each year thereafter, in regard to:

13 (a) actual statistics and trends in utilization of
14 medical services by public aid recipients;

(b) actual statistics and trends in the provision of
the various medical services by medical vendors;

17 (c) current rate structures and proposed changes in
 18 those rate structures for the various medical vendors; and

19 (d) efforts at utilization review and control by the20 Illinois Department.

The period covered by each report shall be the 3 years ending on the June 30 prior to the report. The report shall include suggested legislation for consideration by the General Assembly. The filing of one copy of the report with the Speaker, one copy with the Minority Leader and one copy with the Clerk of the House of Representatives, one copy with the HB5975 Engrossed - 22 - LRB098 17566 KTG 52675 b

President, one copy with the Minority Leader and one copy with the Secretary of the Senate, one copy with the Legislative Research Unit, and such additional copies with the State Government Report Distribution Center for the General Assembly as is required under paragraph (t) of Section 7 of the State Library Act shall be deemed sufficient to comply with this Section.

8 Rulemaking authority to implement Public Act 95-1045, if 9 any, is conditioned on the rules being adopted in accordance 10 with all provisions of the Illinois Administrative Procedure 11 Act and all rules and procedures of the Joint Committee on 12 Administrative Rules; any purported rule not so adopted, for 13 whatever reason, is unauthorized.

On and after July 1, 2012, the Department shall reduce any rate of reimbursement for services or other payments or alter any methodologies authorized by this Code to reduce any rate of reimbursement for services or other payments in accordance with Section 5-5e.
