1 AN ACT concerning local government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Municipal Code is amended by adding
5 Section 11-101-3 as follows:

6 (65 ILCS 5/11-101-3 new)

7 Sec. 11-101-3. Integrated passenger transportation. The
8 corporate authorities of each municipality that maintain a
9 public airport shall have the power to plan, market, and
10 otherwise support integrated passenger transportation within
11 that municipality including, but not limited to:

12 (1) providing financial support for the development of
13 integrated passenger facilities; and

14 (2) creating marketing materials cooperatively with
15 other transportation organizations.

16 For the purposes of this Section, "integrated passenger
17 transportation" means the integration of surface, rail, and air
18 passenger transportation services and facilities.

19 Any corporate authority that plans to apply for federal
20 grant assistance to support the development of integrated
21 passenger transportation services or facilities shall consult
22 with the Secretary of the Department of Transportation, local
23 mass transit districts, if applicable, the Regional

1 Transportation Authority, if applicable, and local municipal
2 planning organizations to ensure the plan is consistent with
3 the Department's published transportation improvement plans
4 for integrated passenger transportation prior to its final
5 grant application submission to the federal entity sponsoring
6 the grant program.

7 Section 10. The Airport Authorities Act is amended by
8 adding Section 8.16 as follows:

9 (70 ILCS 5/8.16 new)

10 Sec. 8.16. Integrated passenger transportation. An airport
11 authority that maintains a public airport shall have the power
12 to plan, market, and otherwise support integrated passenger
13 transportation within the area served by the authority
14 including, but not limited to:

15 (1) providing financial support for the development of
16 integrated passenger facilities; and

17 (2) creating marketing materials cooperatively with
18 other transportation organizations.

19 For the purposes of this Section, "integrated
20 transportation" means the integration of surface, rail, and air
21 passenger transportation services and facilities.

22 Any airport authority that plans to apply for federal grant
23 assistance to support the development of integrated passenger
24 transportation services or facilities shall consult with the

1 Secretary of the Department of Transportation, local mass
2 transit districts, if applicable, the Regional Transportation
3 Authority, if applicable, and local municipal planning
4 organizations to ensure the plan is consistent with the
5 Department's published transportation improvement plans for
6 integrated passenger transportation prior to its final grant
7 application submission to the federal entity sponsoring the
8 grant program.

9 Section 15. The Interstate Airport Authorities Act is
10 amended by adding Section 4.1 as follows:

11 (70 ILCS 10/4.1 new)

12 Sec. 4.1. Integrated passenger transportation. An
13 interstate airport authority that maintains a public airport
14 shall have the power to plan, market, and otherwise support
15 integrated passenger transportation within the area served by
16 the authority including, but not limited to:

17 (1) providing financial support for the development of
18 integrated passenger facilities; and

19 (2) creating marketing materials cooperatively with
20 other transportation organizations.

21 For the purposes of this Section, "integrated
22 transportation" means the integration of surface, rail, and air
23 passenger transportation services and facilities.

24 An interstate airport authority that plans to apply for

1 federal grant assistance to support the development of
2 integrated passenger transportation services or facilities
3 shall consult with the Secretary of the Department of
4 Transportation, local mass transit districts, if applicable,
5 the Regional Transportation Authority, if applicable, and
6 local municipal planning organizations to ensure the plan is
7 consistent with the Department's published transportation
8 improvement plans for integrated passenger transportation
9 prior to its final grant application submission to the federal
10 entity sponsoring the grant program.

11 Section 20. The Park District Code is amended by adding
12 Section 8-10c as follows:

13 (70 ILCS 1205/8-10c new)

14 Sec. 8-10c. Integrated passenger transportation. A park
15 district that maintains a public airport shall have the power
16 to plan, market, and otherwise support integrated passenger
17 transportation within the area served by the park district
18 including, but not limited to:

19 (1) providing financial support for the development of
20 integrated passenger facilities; and

21 (2) creating marketing materials cooperatively with
22 other transportation organizations.

23 For the purposes of this Section, "integrated
24 transportation" means the integration of surface, rail, and air

1 passenger transportation services and facilities.

2 Any park district that plans to apply for federal grant
3 assistance to support the development of integrated passenger
4 transportation services or facilities shall consult with the
5 Secretary of the Department of Transportation, local mass
6 transit districts, if applicable, the Regional Transportation
7 Authority, if applicable, and local municipal planning
8 organizations to ensure the plan is consistent with the
9 Department's published transportation improvement plans for
10 integrated passenger transportation prior to its final grant
11 application submission to the federal entity sponsoring the
12 grant program.

13 Section 25. The County Airports Act is amended by adding
14 Section 21.1 as follows:

15 (620 ILCS 50/21.1 new)

16 Sec. 21.1. Integrated passenger transportation. To plan,
17 market, and otherwise support integrated passenger
18 transportation within the county including, but not limited to:

19 (1) providing financial support for the development of
20 integrated passenger facilities; and

21 (2) creating marketing materials cooperatively with
22 other transportation organizations.

23 For the purposes of this Section, "integrated
24 transportation" means the integration of surface, rail, and air

1 passenger transportation services and facilities.

2 If the County Airports Commission plans to apply for
3 federal grant assistance to support the development of
4 integrated passenger transportation services or facilities
5 shall consult with the Secretary of the Department of
6 Transportation, local mass transit districts, if applicable,
7 the Regional Transportation Authority, if applicable, and
8 local municipal planning organizations to ensure the plan is
9 consistent with the Department's published transportation
10 improvement plans for integrated passenger transportation
11 prior to its final grant application submission to the federal
12 entity sponsoring the grant program.

13 Section 99. Effective date. This Act takes effect upon
14 becoming law.
