1 AMENDMENT TO SENATE BILL 1346

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 1346, AS AMENDED,  
3 by replacing everything after the enacting clause with the  
4 following:

5 "Section 5. The Illinois Municipal Code is amended by  
6 adding Section 11-101-3 as follows:

7 (65 ILCS 5/11-101-3 new)

8 Sec. 11-101-3. Integrated passenger transportation. The  
9 corporate authorities of each municipality with fewer than  
10 500,000 inhabitants that maintains a public airport shall have  
11 the power to plan, market, and otherwise support integrated  
12 passenger transportation within that municipality including,  
13 but not limited to:

14 (1) providing financial support for the development of  
15 integrated passenger facilities; and

16 (2) creating marketing materials cooperatively with

1 other transportation organizations.

2 For the purposes of this Section, "integrated passenger  
3 transportation" means the integration of surface, rail, and air  
4 passenger transportation services and facilities.

5 Any corporate authority of a municipality with fewer than  
6 500,000 inhabitants that plans to apply for federal grant  
7 assistance to support the development of integrated passenger  
8 transportation services or facilities shall consult with the  
9 Secretary of the Department of Transportation, local mass  
10 transit districts, if applicable, the Regional Transportation  
11 Authority, if applicable, and local municipal planning  
12 organizations to ensure the plan is consistent with the  
13 Department's published transportation improvement plans for  
14 integrated passenger transportation prior to its final grant  
15 application submission to the federal entity sponsoring the  
16 grant program.

17 The corporate authority shall obtain written approval from  
18 the Governor for the manner that the corporate authority  
19 intends to plan, market, and otherwise support integrated  
20 passenger transportation before exercising the powers granted  
21 by this Section. The requirement to obtain written approval  
22 from the Governor only applies to activities related to the  
23 exercise of powers granted by this Section and does not apply  
24 to any other powers otherwise granted by law.

25 Moneys in the Road Fund may not be used to implement this  
26 Section.

1 Section 10. The Airport Authorities Act is amended by  
2 adding Section 8.16 as follows:

3 (70 ILCS 5/8.16 new)

4 Sec. 8.16. Integrated passenger transportation. An airport  
5 authority of a municipality with fewer than 500,000 inhabitants  
6 that maintains a public airport shall have the power to plan,  
7 market, and otherwise support integrated passenger  
8 transportation within the area served by the authority  
9 including, but not limited to:

10 (1) providing financial support for the development of  
11 integrated passenger facilities; and

12 (2) creating marketing materials cooperatively with  
13 other transportation organizations.

14 For the purposes of this Section, "integrated  
15 transportation" means the integration of surface, rail, and air  
16 passenger transportation services and facilities.

17 Any interstate airport authority of a municipality with  
18 fewer than 500,000 inhabitants that plans to apply for federal  
19 grant assistance to support the development of integrated  
20 passenger transportation services or facilities shall consult  
21 with the Secretary of the Department of Transportation, local  
22 mass transit districts, if applicable, the Regional  
23 Transportation Authority, if applicable, and local municipal  
24 planning organizations to ensure the plan is consistent with

1 the Department's published transportation improvement plans  
2 for integrated passenger transportation prior to its final  
3 grant application submission to the federal entity sponsoring  
4 the grant program.

5 The airport authority shall obtain written approval from  
6 the Governor for the manner that the airport authority intends  
7 to plan, market, and otherwise support integrated passenger  
8 transportation before exercising the powers granted by this  
9 Section. The requirement to obtain written approval from the  
10 Governor only applies to activities related to the exercise of  
11 powers granted by this Section and does not apply to any other  
12 powers otherwise granted by law.

13 Moneys in the Road Fund may not be used to implement this  
14 Section.

15 Section 15. The Interstate Airport Authorities Act is  
16 amended by adding Section 4.1 as follows:

17 (70 ILCS 10/4.1 new)

18 Sec. 4.1. Integrated passenger transportation. An  
19 interstate airport authority that maintains a public airport  
20 shall have the power to plan, market, and otherwise support  
21 integrated passenger transportation within the area served by  
22 the authority including, but not limited to:

23 (1) providing financial support for the development of  
24 integrated passenger facilities; and

1           (2) creating marketing materials cooperatively with  
2           other transportation organizations.

3           For the purposes of this Section, "integrated  
4           transportation" means the integration of surface, rail, and air  
5           passenger transportation services and facilities.

6           An interstate airport authority that plans to apply for  
7           federal grant assistance to support the development of  
8           integrated passenger transportation services or facilities  
9           shall consult with the Secretary of the Department of  
10           Transportation, local mass transit districts, if applicable,  
11           the Regional Transportation Authority, if applicable, and  
12           local municipal planning organizations to ensure the plan is  
13           consistent with the Department's published transportation  
14           improvement plans for integrated passenger transportation  
15           prior to its final grant application submission to the federal  
16           entity sponsoring the grant program.

17           The interstate airport authority shall obtain written  
18           approval from the Governor for the manner that the interstate  
19           airport authority intends to plan, market, and otherwise  
20           support integrated passenger transportation before exercising  
21           the powers granted by this Section. The requirement to obtain  
22           written approval from the Governor only applies to activities  
23           related to the exercise of powers granted by this Section and  
24           does not apply to any other powers otherwise granted by law.

25           Moneys in the Road Fund may not be used to implement this  
26           Section.

1 Section 20. The Park District Code is amended by adding  
2 Section 8-10c as follows:

3 (70 ILCS 1205/8-10c new)

4 Sec. 8-10c. Integrated passenger transportation. A park  
5 district that maintains a public airport shall have the power  
6 to plan, market, and otherwise support integrated passenger  
7 transportation within the area served by the park district  
8 including, but not limited to:

9 (1) providing financial support for the development of  
10 integrated passenger facilities; and

11 (2) creating marketing materials cooperatively with  
12 other transportation organizations.

13 For the purposes of this Section, "integrated  
14 transportation" means the integration of surface, rail, and air  
15 passenger transportation services and facilities.

16 Any park district that plans to apply for federal grant  
17 assistance to support the development of integrated passenger  
18 transportation services or facilities shall consult with the  
19 Secretary of the Department of Transportation, local mass  
20 transit districts, if applicable, the Regional Transportation  
21 Authority, if applicable, and local municipal planning  
22 organizations to ensure the plan is consistent with the  
23 Department's published transportation improvement plans for  
24 integrated passenger transportation prior to its final grant

1 application submission to the federal entity sponsoring the  
2 grant program.

3 The park district shall obtain written approval from the  
4 Governor for the manner that the park district intends to plan,  
5 market, and otherwise support integrated passenger  
6 transportation before exercising the powers granted by this  
7 Section. The requirement to obtain written approval from the  
8 Governor only applies to activities related to the exercise of  
9 powers granted by this Section and does not apply to any other  
10 powers otherwise granted by law.

11 Moneys in the Road Fund may not be used to implement this  
12 Section.

13 Section 25. The County Airports Act is amended by adding  
14 Section 21.1 as follows:

15 (620 ILCS 50/21.1 new)

16 Sec. 21.1. Integrated passenger transportation. To plan,  
17 market, and otherwise support integrated passenger  
18 transportation within the county including, but not limited to:

19 (1) providing financial support for the development of  
20 integrated passenger facilities; and

21 (2) creating marketing materials cooperatively with  
22 other transportation organizations.

23 For the purposes of this Section, "integrated  
24 transportation" means the integration of surface, rail, and air

1 passenger transportation services and facilities.

2 If a county airports commission plans to apply for federal  
3 grant assistance to support the development of integrated  
4 passenger transportation services or facilities, it shall  
5 consult with the Secretary of the Department of Transportation,  
6 local mass transit districts, if applicable, the Regional  
7 Transportation Authority, if applicable, and local municipal  
8 planning organizations to ensure the plan is consistent with  
9 the Department's published transportation improvement plans  
10 for integrated passenger transportation prior to its final  
11 grant application submission to the federal entity sponsoring  
12 the grant program.

13 A county airports commission shall obtain written approval  
14 from the Governor for the manner that the commission intends to  
15 plan, market, and otherwise support integrated passenger  
16 transportation before exercising the powers granted by this  
17 Section. The requirement to obtain written approval from the  
18 Governor only applies to activities related to the exercise of  
19 powers granted by this Section and does not apply to any other  
20 powers otherwise granted by law.

21 Moneys in the Road Fund may not be used to implement this  
22 Section.

23 Section 99. Effective date. This Act takes effect upon  
24 becoming law.".
