SB2244 Engrossed

1 AN ACT concerning regulation.

## 2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

Section 5. The Tanning Facility Permit Act is amended by
changing Section 25 as follows:

6 (210 ILCS 145/25) (from Ch. 111 1/2, par. 8351-25)

7 Sec. 25. Operating requirements.

8 (1) Each tanning facility shall have on hand at all times 9 an operator adequately trained in the correct operation of the 10 facility so as to be able to inform and assist the public in 11 its proper use. Each operator shall perform the following 12 functions as a precondition to the public having access to the 13 tanning facility being made to the public:

(a) The operator shall require each person desiring to
use the facility to fill out a form specifying any and all
prescription medicines and over-the-counter medications
they are presently taking. The form shall be kept as a
permanent record of the individual's attendance and
progress.

(b) The operator shall require each person desiring to
use a tanning facility to use protective eyewear.

(c) The operator shall instruct the user in the properposition to maintain in relation to the tanning lamps

within the facility; the position of the safety railing, if applicable; the manual switching device to terminate the radiation in case of emergency; and a recommended time of exposure.

5 (d) The operator shall monitor the use of the facility 6 to ensure that the interior temperature does not exceed 100 7 degrees fahrenheit or 34 degrees centigrade.

8 (e) The operator shall inspect the facility to ensure 9 that the floors are dry. The floors are to be made dry 10 prior to each individual's use.

(f) The operator shall give each person using the 11 12 facility a written copy of the warning required under 13 subsection (h) of Section 20 of this Act prior to each 14 person's use of the facility. The operator shall post signs 15 warning consumers of the potential effects of radiation on 16 persons taking medication and the relationship of 17 radiation to skin cancer.

(g) The operator shall be responsible for proper
 sanitizing procedures for all sunlamp equipment and
 protective eyewear between every user.

(2) A tanning facility may not permit any person less than
18 years of age, regardless of whether the person has the
permission of a parent or guardian, to use tanning equipment or
a device defined as equipment that emits ultraviolet (UV)
radiation used for tanning of the skin, such as a sunlamp,
tanning booth, or tanning bed that emits electromagnetic

radiation with wavelengths in the air between 200 and 400 1 nanometers. For the purposes of this Section, "tanning 2 3 equipment" includes any accompanying equipment, such as protective eyewear, timers, and handrails. "Tanning equipment" 4 5 does not include any of the following: 6 (a) Phototherapy devices utilized by appropriate health care professionals under the direct supervision of a 7 physician who is trained in the use of phototherapy 8 9 devices. 10 (b) Devices used for personal use in a private 11 residence. 12 (c) Devices intended for purposes other than the 13 irradiation of human skin. (d) Devices used to apply chemicals to the skin to 14 achieve a bronze color, commonly referred to as spray-on, 15 16 mist-on, or sunless tans. 17 (Source: P.A. 87-636.)
