1 AMENDMENT TO SENATE BILL 2244

2 AMENDMENT NO. _____. Amend Senate Bill 2244 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Tanning Facility Permit Act is amended by
5 changing Section 25 as follows:

6 (210 ILCS 145/25) (from Ch. 111 1/2, par. 8351-25)

7 Sec. 25. Operating requirements.

8 (1) Each tanning facility shall have on hand at all times
9 an operator adequately trained in the correct operation of the
10 facility so as to be able to inform and assist the public in
11 its proper use. Each operator shall perform the following
12 functions as a precondition to the public having access to the
13 tanning facility being made to the public:

14 (a) The operator shall require each person desiring to
15 use the facility to fill out a form specifying any and all
16 prescription medicines and over-the-counter medications

1 they are presently taking. The form shall be kept as a
2 permanent record of the individual's attendance and
3 progress.

4 (b) The operator shall require each person desiring to
5 use a tanning facility to use protective eyewear.

6 (c) The operator shall instruct the user in the proper
7 position to maintain in relation to the tanning lamps
8 within the facility; the position of the safety railing, if
9 applicable; the manual switching device to terminate the
10 radiation in case of emergency; and a recommended time of
11 exposure.

12 (d) The operator shall monitor the use of the facility
13 to ensure that the interior temperature does not exceed 100
14 degrees fahrenheit or 34 degrees centigrade.

15 (e) The operator shall inspect the facility to ensure
16 that the floors are dry. The floors are to be made dry
17 prior to each individual's use.

18 (f) The operator shall give each person using the
19 facility a written copy of the warning required under
20 subsection (h) of Section 20 of this Act prior to each
21 person's use of the facility. The operator shall post signs
22 warning consumers of the potential effects of radiation on
23 persons taking medication and the relationship of
24 radiation to skin cancer.

25 (g) The operator shall be responsible for proper
26 sanitizing procedures for all sunlamp equipment and

1 protective eyewear between every user.

2 (2) A tanning facility may not permit any person less than
3 18 years of age, regardless of whether the person has the
4 permission of a parent or guardian, to use tanning equipment or
5 a device defined as equipment that emits ultraviolet (UV)
6 radiation used for tanning of the skin, such as a sunlamp,
7 tanning booth, or tanning bed that emits electromagnetic
8 radiation with wavelengths in the air between 200 and 400
9 nanometers. For the purposes of this Section, "tanning
10 equipment" includes any accompanying equipment, such as
11 protective eyewear, timers, and handrails. "Tanning equipment"
12 does not include any of the following:

13 (a) Phototherapy devices utilized by appropriate
14 health care professionals under the direct supervision of a
15 physician who is trained in the use of phototherapy
16 devices.

17 (b) Devices used for personal use in a private
18 residence.

19 (c) Devices intended for purposes other than the
20 irradiation of human skin.

21 (d) Devices used to apply chemicals to the skin to
22 achieve a bronze color, commonly referred to as spray-on,
23 mist-on, or sunless tans.
