16 Section 5. The Public Utilities Act is amended by changing
17 Section 2-203 as follows:

18 (220 ILCS 5/2-203)

19 (Section scheduled to be repealed on January 1, 2014)

20 Sec. 2-203. Public Utility Fund base maintenance
21 contribution. Each electric utility as defined in Section
22 16-102 of this Act providing service to more than 12,500
23 customers in this State on January 1, 1995 shall contribute
24 annually a pro rata share of a total amount of \$5,500,000 based

1 upon the number of kilowatt-hours delivered to retail customers
2 within this State by each such electric utility in the 12
3 months preceding the year of contribution. On or before May 1
4 of each year, the Illinois Commerce Commission shall determine
5 and notify the Illinois Department of Revenue of the pro rata
6 share owed by each electric utility based upon information
7 supplied annually to the Commission. On or before June 1 of
8 each year, the Department of Revenue shall send written
9 notification to each electric utility of the amount of pro rata
10 share they owe. These contributions shall be remitted to the
11 Department of Revenue no earlier than July 1 and no later than
12 July 31 of each year the contribution is due on a return
13 prescribed and furnished by the Department of Revenue showing
14 such information as the Department of Revenue may reasonably
15 require. The Department of Revenue shall place the funds
16 remitted under this Section in the Public Utility Fund in the
17 State treasury. The funds received pursuant to this Section
18 shall be subject to appropriation by the General Assembly. If
19 an electric utility does not remit its pro rata share to the
20 Department of Revenue, the Department of Revenue must inform
21 the Illinois Commerce Commission of such failure. The Illinois
22 Commerce Commission may then revoke the certification of that
23 electric utility. This Section is repealed on April 1, 2015
24 ~~January 1, 2014~~.
