4 Section 5. The Property Tax Code is amended by adding  
5 Section 18-203 as follows:

6 (35 ILCS 200/18-203 new)

7 Sec. 18-203. School districts; fire prevention and safety.

8 (a) After referendum approval under subsection (b), a  
9 school board may elect to provide that the aggregate extension  
10 of the school district does not include any extension made for  
11 either or both of the following purposes: (i) for fire  
12 prevention and safety purposes under Section 17-2.11 of the  
13 School Code and (ii) to pay the principal and interest on fire  
14 prevention and safety bonds issued under Section 17-2.11 of the  
15 School Code and bonds issued to refund any of those fire  
16 prevention and safety bonds.

17 (b) The extensions may not be exempted from the district's  
18 aggregate extension under subsection (a) until the question of  
19 exempting the extensions has been submitted to the electors of  
20 the school district at a regular election and approved by a  
21 majority of the electors voting on the question. The school  
22 board must certify the question to the proper election  
23 authority, which must submit the question at an election in

1 accordance with the Election Code.

2 The election authority must submit the question in  
3 substantially the following form:

4 Shall the aggregate extension of (name of school  
5 district) exclude any extension for (levy year) and all  
6 subsequent levy years made by the district for fire  
7 prevention and safety purposes under Section 17-2.11 of the  
8 School Code and to pay the principal and interest on or to  
9 refund any fire prevention and safety bonds issued under  
10 Section 17-2.11 of the School Code?

11 The election authority must record the votes as "Yes" or  
12 "No".

13 If a majority of the electors voting on the question vote  
14 in the affirmative, then the school board may, thereafter, make  
15 the election under subsection (a), and the exemptions from the  
16 district's aggregate extension shall apply for the specified  
17 levy years.

18 Section 99. Effective date. This Act takes effect upon  
19 becoming law.
