

# HB4488

## 99TH GENERAL ASSEMBLY

State of Illinois

2015 and 2016

**HB4488**

by Rep. Daniel J. Burke

### SYNOPSIS AS INTRODUCED:

20 ILCS 2310/2310-339

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Makes a technical change in a Section concerning the Chronic Kidney Disease Program.

LRB099 16687 MJP 41025 b

A BILL FOR

1 AN ACT concerning State government.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Department of Public Health Powers and  
5 Duties Law of the Civil Administrative Code of Illinois is  
6 amended by changing Section 2310-339 as follows:

7 (20 ILCS 2310/2310-339)

8 Sec. 2310-339. Chronic Kidney Disease Program.

9 (a) The ~~The~~ Department, subject to appropriation or other  
10 available funding, shall establish a Chronic Kidney Disease  
11 Awareness, Testing, Diagnosis and Treatment Program. The  
12 program may include, but is not limited to:

13 (1) Dissemination of information regarding the  
14 incidence of chronic kidney disease, the risk factors  
15 associated with chronic kidney disease, and the benefits of  
16 early testing, diagnosis and treatment of chronic kidney  
17 disease.

18 (2) Promotion information and counseling about  
19 treatment options.

20 (3) Establishment and promotion of referral services  
21 and testing programs.

22 (4) Development and dissemination, through print and  
23 broadcast media, of public service announcements that

1           publicize the importance of awareness, testing, diagnosis  
2           and treatment of chronic kidney disease.

3           (b) Any entity funded by the Program shall coordinate with  
4           other local providers of chronic kidney disease testing,  
5           diagnostic, follow-up, education, and advocacy services to  
6           avoid duplication of effort. Any entity funded by the Program  
7           shall comply with any applicable State and federal standards  
8           regarding chronic kidney disease testing.

9           (c) Administrative costs of the Department shall not exceed  
10          10% of the funds allocated to the Program. Indirect costs of  
11          the entities funded by this Program shall not exceed 12%. The  
12          Department shall define "indirect costs" in accordance with  
13          applicable State and federal law.

14          (d) Any entity funded by the Program shall collect data and  
15          maintain records that are determined by the Department to be  
16          necessary to facilitate the Department's ability to monitor and  
17          evaluate the effectiveness of the entities and the Program.  
18          Commencing with the Program's second year of operation, the  
19          Department shall submit an annual report to the General  
20          Assembly and the Governor. The report shall describe the  
21          activities and effectiveness of the Program and shall include,  
22          but is not limited to, the following types of information  
23          regarding those persons served by the Program: (i) the number,  
24          (ii) the ethnic, geographic, and age breakdown, (iii) the  
25          stages of progression, and (iv) the diagnostic and treatment  
26          status.

1           (e) The Department or any entity funded by the Program  
2 shall collect personal and medical information necessary to  
3 administer the Program from any individual applying for  
4 services under the Program. The information shall be  
5 confidential and shall not be disclosed other than for purposes  
6 directly connected with the administration of the Program or as  
7 otherwise provided by law or pursuant to prior written consent  
8 of the subject of the information.

9           (f) The Department or any entity funded by the Program may  
10 disclose the confidential information to medical personnel and  
11 fiscal intermediaries of the State to the extent necessary to  
12 administer the Program, and to other State public health  
13 agencies or medical researchers if the confidential  
14 information is necessary to carry out the duties of those  
15 agencies or researchers in the investigation, control, or  
16 surveillance of chronic kidney disease.

17           (g) The Department shall adopt rules to implement the  
18 Program in accordance with the Illinois Administrative  
19 Procedure Act.
