1 HOUSE JOINT RESOLUTION

2 WHEREAS, In response to concerns regarding premium costs
3 for Illinois employers responsible for providing Workers'
4 Compensation Insurance coverage for their employees, the State
5 of Illinois enacted Public Act 97-0018 which created a
6 substantial reduction in benefits for injured workers, with the
7 intention of providing employers relief from the high costs of
8 workers' compensation premiums; and

9 WHEREAS, As a result of this Act, the National Council on
10 Compensation Insurance has subsequently recommended premium
11 rate reductions totaling nearly 20% for Illinois employers; and

12 WHEREAS, If fully implemented by insurers, such a rate
13 reduction would provide Illinois' employers with nearly \$1
14 billion in premium savings; and

15 WHEREAS, Employers have experienced premium reductions of
16 \$315 million, which represents only a fraction of the \$1
17 billion that would have been saved via full implementation of
