

1 AN ACT in relation to environmental safety.

2 Be it enacted by the People of the State of Illinois,
3 represented in the General Assembly:

4 Section 5. The Environmental Protection Act is amended
5 by changing Section 22.10 as follows:

6 (415 ILCS 5/22.10) (from Ch. 111 1/2, par. 1022.10)

7 Sec. 22.10. Permits; multiple generators. The Agency may
8 issue permits that which authorize owners or operators of
9 treatment, storage and disposal facilities to receive Agency
10 approved categories of waste from multiple generators.
