Be it enacted by the People of the State of Illinois,represented in the General Assembly:

Section 5. The Workers' Compensation Act is amended by
changing Section 2 as follows:

6 (820 ILCS 305/2) (from Ch. 48, par. 138.2)

An employer in this State, who does not come 7 Sec. 2. 8 within the classes enumerated by Section 3 of this Act, may 9 elect to provide and pay compensation for accidental injuries sustained by himself or any employee, arising out of and in 10 the course of the employment according to the provisions of 11 this Act, and thereby relieve himself from any liability for 12 13 the recovery of damages, except as herein provided. The State of Illinois hereby elects to provide and pay compensation 14 15 according to the provisions of this Act. For purposes of this Act, an injury arises out of the employment if the injury 16 would not have occurred but for the fact that the conditions 17 18 or obligations of the employment placed the employee in the 19 position where the employee was injured by a neutral force. A neutral force is a force that is neither personal to the 20 employee nor distinctly associated with the employment. 21

(a) Election by any employer to provide and pay compensation according to the provisions of this Act shall be made by the employer filing notice of such election with the Commission, or by insuring his liability to pay compensation under this Act in some insurance carrier authorized, licensed or permitted to do such insurance business in this State.

(b) Every employer within the provisions of this Act who
has elected to provide and pay compensation according to the
provisions of this Act by filing notice of such election with
the Commission, shall be bound thereby as to all his

employees until January 1st of the next succeeding year and
 for terms of each year thereafter.

Any such employer who may have once elected, may elect 3 4 not to provide and pay the compensation herein provided for 5 accidents resulting in either injury or death and occurring 6 after the expiration of any such calendar year by filing 7 notice of such election with the Commission at least 60 days 8 prior to the expiration of any such calendar year, and by 9 posting such notice at a conspicuous place in the plant, shop, office, room or place where such employee is employed, 10 11 or by personal service, in written or printed form, upon such 12 employees, at least 60 days prior to the expiration of any 13 such calendar year.

Every employer within the provisions of this Act who has elected to provide and pay compensation according to the provisions of this Act by insuring his liability to pay compensation under this Act, as above provided, shall be bound thereby as to all his employees until the date of expiration or cancellation of such policy of insurance, or any renewal thereof.

21 (C) In the event any employer mentioned in this section, 22 elects to provide and pay the compensation provided in this 23 Act, then every employee of such employer, as a part of his contract of hiring or who may be employed at the time of 24 the 25 effect of this Act and the acceptance of taking its provisions by such employer, shall be deemed to have accepted 26 all the provisions of this Act and shall be bound thereby 27 unless within 30 days after such hiring or after the taking 28 29 effect of this Act, and its acceptance by such employee, he 30 shall file a notice to the contrary with the Commission, whose duty it shall be to immediately notify the employer, 31 32 and until such notice to the contrary is given to the employer, the measure of liability of such employer shall be 33 34 determined according to the compensation provisions of this

-2-

1 Act.

2 However, any employee may withdraw from the operation of this Act, except those under Section 3, upon filing a written 3 4 notice of withdrawal at least 10 days prior to January 1st of 5 any year with the Commission, whose duty it shall be to 6 immediately notify such employer by registered mail, and, 7 until such notice to the contrary is given to such employer, the measure of liability of such employer shall be determined 8 9 according to the compensation provisions of this Act.

10 (d) Any such employer or employee may, without prejudice 11 to any existing right or claim withdraw his election to 12 reject this Act by giving 30 days' written notice in such 13 manner and form as may be provided by the Commission. 14 (Source: P.A. 83-190.)

31 An employer whose business or enterprise or a substantial 32 part thereof consists of hiring, procuring or furnishing 33 employees to or for other employers operating under and 34 subject to the provisions of this Act for the performance of

-4-

1 the work of such other employers and who pays such employees 2 their salary or wage notwithstanding that they are doing the 3 work of such other employers shall be deemed a loaning 4 employer within the meaning and provisions of this Section.

5 (b) The term "employee" as used in this Act, shall be 6 construed to mean:

1. Every person in the service of the State, county, 7 8 city, town, township, incorporated village or school 9 district, body politic or municipal corporation therein, whether by election, appointment or contract of hire, express 10 11 or implied, oral or written, including any official of the State, or of any county, city, town, township, incorporated 12 village, school district, body 13 politic or municipal corporation therein and except any duly appointed member of 14 15 the fire department in any city whose population exceeds 16 500,000 according to the last Federal or State census, and except any member of a fire insurance patrol maintained by a 17 18 board of underwriters in this State. -5-

1 was made, including aliens, and minors who, for the purpose 2 of this Act, except Section 3 hereof, shall be considered the same and have the same power to contract, receive payments 3 4 and give quittances therefor, as adult employees. An employee or his or her dependents under this Act who shall have a 5 б cause of action by reason of an occupational disease, 7 disablement or death arising out of and in the course of his 8 or her employment may elect or pursue his or her remedy in 9 the State where the disease was contracted, or in the State where the contract of hire is made, or in the State where the 10 11 employment is principally localized.

12 (c) "Commission" means the Industrial Commission created 13 by the Workers' Compensation Act, approved July 9, 1951, as 14 amended.

In this Act the term "Occupational Disease" means 15 (d) a 16 disease arising out of and in the course of the employment or which has become aggravated and rendered disabling as a 17 result of the exposure of the employment. Such aggravation 18 19 shall arise out of a risk peculiar to or increased by the 20 employment and not common to the general public. <u>For</u> 21 purposes of this Act, a disease arises out of the employment 22 if the disease would not have occurred but for the fact that 23 the conditions or obligations of the employment placed the 24 employee in the position where the employee was exposed to 25 the disease by a neutral force. A neutral force is a force that is neither personal to the employee nor distinctly 26 27 associated with the employment.

A disease shall be deemed to arise out of the employment 28 29 if there is apparent to the rational mind, upon consideration 30 all the circumstances, a causal connection between the of 31 conditions under which the work is performed and the occupational disease. The disease need not to have been 32 foreseen or expected but after its contraction it must appear 33 34 to have had its origin or aggravation in a risk connected

-6-

with the employment and to have flowed from that source as a
 rational consequence.

An employee shall be conclusively deemed to have been 3 4 exposed to the hazards of an occupational disease when, for 5 any length of time however short, he or she is employed in an 6 occupation or process in which the hazard of the disease 7 exists; provided however, that in a claim of exposure to atomic radiation, the fact of such exposure must be verified 8 9 by the records of the central registry of radiation exposure maintained by the Department of Public Health or by some 10 11 other recognized governmental agency maintaining records of such exposures whenever and to the extent that the records 12 are on file with the Department of Public Health or the 13 14 agency.

The employer liable for the compensation in this Act 15 16 provided shall be the employer in whose employment the employee was last exposed to the hazard of the occupational 17 18 disease claimed upon regardless of the length of time of such 19 last exposure, except, in cases of silicosis or asbestosis, the only employer liable shall be the last employer in whose 20 21 employment the employee was last exposed during a period of 60 days or more after the effective date of this Act, to the 22 23 hazard of such occupational disease, and, in such cases, an exposure during a period of less than 60 24 days, after the 25 effective date of this Act, shall not be deemed a last exposure. If a miner who is suffering or suffered from 26 pneumoconiosis was employed for 10 years or more in one or 27 more coal mines there shall, effective July 1, 1973 be 28 а rebuttable presumption that his or her pneumoconiosis arose 29 30 out of such employment.

If a deceased miner was employed for 10 years or more in one or more coal mines and died from a respirable disease there shall, effective July 1, 1973, be a rebuttable presumption that his or her death was due to pneumoconiosis.

1 The insurance carrier liable shall be the carrier whose 2 policy was in effect covering the employer liable on the last 3 day of the exposure rendering such employer liable in 4 accordance with the provisions of this Act.

5 (e) "Disablement" means an impairment or partial б impairment, temporary or permanent, in the function of the 7 body or any of the members of the body, or the event of 8 becoming disabled from earning full wages at the work in 9 which the employee was engaged when last exposed to the hazards of the occupational disease by the employer from whom 10 11 he or she claims compensation, or equal wages in other suitable employment; and "disability" means the state of 12 13 being so incapacitated.

(f) No compensation shall be payable for or on account 14 of any occupational disease unless disablement, as herein 15 16 defined, occurs within two years after the last day of the last exposure to the hazards of the disease, except in cases 17 18 of occupational disease caused by berylliosis or by the 19 inhalation of silica dust or asbestos dust and, in such cases, within 3 years after the last day of the last exposure 20 21 to the hazards of such disease and except in the case of 22 occupational disease caused by exposure to radiological 23 materials or equipment, and in such case, within 25 years after the last day of last exposure to the hazards of such 24 25 disease.
