

1 AN ACT concerning snowmobile registration and safety.

2 Be it enacted by the People of the State of Illinois,  
3 represented in the General Assembly:

4 Section 5. The Snowmobile Registration and Safety Act is  
5 amended by changing Sections 3-2, 3-5, 3-8, 3-9, 3-11, 5-3,  
6 6-1, and 9-2 as follows:

7 (625 ILCS 40/3-2) (from Ch. 95 1/2, par. 603-2)

8 Sec. 3-2. Identification Number Application. The owner  
9 of each snowmobile requiring numbering by this State shall  
10 file an application for number with the Department on forms  
11 approved by it. The application shall be signed by the owner  
12 of the snowmobile and shall be accompanied by a fee of \$18  
13 ~~\$12~~. When a snowmobile dealer sells a snowmobile the dealer  
14 shall, at the time of sale, require the buyer to complete an  
15 application for the registration certificate, collect the  
16 required fee and mail the application and fee to the  
17 Department no later than 14 days after the date of sale.  
18 Combination application-receipt forms shall be provided by  
19 the Department and the dealer shall furnish the buyer with  
20 the completed receipt showing that application for  
21 registration has been made. This completed receipt shall be  
22 in the possession of the user of the snowmobile until the  
23 registration certificate is received. No snowmobile dealer  
24 may charge an additional fee to the buyer for performing this  
25 service required under this subsection. However, no  
26 purchaser exempted under Section 3-11 of this Act shall be  
27 charged any fee or be subject to the other requirements of  
28 this Section. The application form shall so state in clear  
29 language the requirements of this Section and the penalty for  
30 violation near the place on the application form provided for  
31 indicating the intention to register in another jurisdiction.

1 Each dealer shall maintain, for one year, a record in a form  
2 prescribed by the Department for each snowmobile sold. These  
3 records shall be open to inspection by the Department. Upon  
4 receipt of the application in approved form the Department  
5 shall enter the same upon the records of its office and issue  
6 to the applicant a certificate of number stating the number  
7 awarded to the snowmobile and the name and address of the  
8 owner.

21 certificate of number issued to the snowmobile to the new  
22 owner. Unless the application is made and fee paid within 30

30 and effect for approximately 3 years unless sooner terminated  
31 or discontinued in accordance with this Act. All new  
32 certificates issued will bear September 30 expiration dates

1 in the calendar year 3 years after the issuing date.  
2 Provided however, that the Department may, for purposes of  
3 implementing this Section, adopt rules for phasing in the  
4 issuance of new certificates and provide for 1, 2 or 3 year  
5 expiration dates and pro-rated payments or charges for each  
6 registration.

7 All certificates shall be renewed for 3 years from the  
8 nearest September 30 for a fee of \$18 ~~\$12~~. All certificates  
9 will be considered invalid after October 15 of the year of

14 decals" with all new certificates of number, all certificates  
15 of number transferred and renewed, and all certificates of  
16 number renewed. The decals issued for each year shall be of a

18 currently displayed. The decals shall be affixed to each side  
19 of the cowling of the snowmobile in the manner prescribed by  
20 the rules and regulations of the Department. The Department  
21 shall fix a day and month of the year on which certificates  
22 of number due to expire shall lapse and no longer be of any  
23 force and effect unless renewed pursuant to this Act.

24 No number or registration expiration decal, except a  
25 sticker or number which may be required by a political  
26 subdivision, or municipality, or state of this State, ~~or~~ other

32 snowmobiles required to be numbered hereunder, upon  
33 application to the Department upon forms prescribed by it,  
34 may obtain certificates of number for use in the testing or

1 demonstrating of such snowmobiles upon payment of \$18 ~~\$12~~ for  
2 each registration. Certificates of number so issued may be  
3 used by the applicant in the testing or demonstrating of  
4 snowmobiles by temporary placement of the registration  
5 expiration decals assigned by such certificates on the  
6 snowmobile so tested or demonstrated.
