28 physical examination, or both, as required by and at the
29 expense of the Department. The examining physicians or
30 clinical psychologists shall be those specifically designated
31 by the Board. The Board or the Department may order the
32 examining physician or clinical psychologist to present
33 testimony concerning this mental or physical examination of
34 the licensee or applicant. No information shall be excluded

1 by reason of any common law or statutory privilege relating
2 to communications between the licensee or applicant and the
3 examining physician or clinical psychologist. The person to
4 be examined may have, at his or her own expense, another
5 physician or clinical psychologist of his or her choice
6 present during all aspects of the examination. Failure of
7 any person to submit to a mental or physical examination,
8 when directed, shall be grounds for suspension of a license
9 until the person submits to the examination if the Board
10 finds, after notice and hearing, that the refusal to submit
11 to the examination was without reasonable cause.

12 If the Board finds a person unable to practice because of
13 the reasons set forth in this Section, the Board may require
14 that person to submit to care, counseling or treatment by
15 physicians or clinical psychologists approved or designated
16 by the Board, as a condition, term, or restriction for
17 continued, reinstated, or renewed licensure to practice; or,
18 in lieu of care, counseling or treatment, the Board may
19 recommend to the Department to file a complaint to
20 immediately suspend, revoke or otherwise discipline the
21 license of the person. Any person whose license was granted,
22 continued, reinstated, renewed, disciplined or supervised
23 subject to such terms, conditions or restrictions, and who
24 fails to comply with such terms, conditions or restrictions,
25 shall be referred to the Director for a determination as to
26 whether the person shall have his or her license suspended
27 immediately, pending a hearing by the Board.

28 In instances in which the Director immediately suspends a
29 person's license under this Section, a hearing on that
30 person's license must be convened by the Board within 15 days
31 after the suspension and completed without appreciable delay.
32 The Board shall have the authority to review the subject
33 person's record of treatment and counseling regarding the
34 impairment, to the extent permitted by applicable federal

1 statutes and regulations safeguarding the confidentiality of
2 medical records.

3 A person licensed under this Act and affected under this
4 Section shall be afforded an opportunity to demonstrate to
5 the Board that he or she can resume practice in compliance
6 with acceptable and prevailing standards under the provisions
7 of his or her license.

8 (b) The Illinois Clinical Psychologist Licensing and
9 Disciplinary Board shall prescribe by rule criteria for
10 disciplining, suspending, or revoking the prescriptive
11 authority of a psychologist certified to prescribe. The
12 Illinois Clinical Psychologist Licensing and Disciplinary
13 Board shall have the power and duty to require remediation,
14 suspension, or revocation of a psychologist's prescriptive
15 authority for a specified period of time to be determined at
16 the discretion of the Illinois Clinical Psychologist
17 Licensing and Disciplinary Board in accordance with State
18 law.
