The application form shall include all addresses from which the applicant for a winery shipper's license intends to ship wine, including the name and address of any third party, except for a common carrier, authorized to ship wine on behalf of the manufacturer. The application form shall include an acknowledgement consenting to the jurisdiction of the Commission, the Illinois Department of Revenue, and the courts of this State concerning the enforcement of this Act and any related laws, rules, and regulations, including authorizing the Department of Revenue and the Commission to conduct audits for the purpose of ensuring compliance with Public Act 95-634, and an acknowledgement that the wine manufacturer is in compliance with Section 6-2 of this Act. The winery shipper's license holder shall affirm under penalty of perjury, as part of the winery shipper's license application or renewal, that he or she only ships wine, either directly or indirectly through a third-party provider, from the licensee's own production.

Except for a common carrier, a third-party provider shipping wine on behalf of a winery shipper's license holder is the agent of the winery shipper's license holder and, as such, a winery shipper's license holder is responsible for the acts and omissions of the third-party provider acting on behalf of the license holder. A third-party provider, except for a common carrier, that engages in shipping wine into Illinois on behalf of a winery shipper's license holder shall consent to the jurisdiction of the State Commission and the State. Any third-party, except for a common carrier, holding such an appointment shall, by February 1 of each calendar year and upon request by the State Commission or the Department of Revenue, file with the State Commission a statement detailing each shipment made to an Illinois resident. (2) the quantity of the products delivered; and

(3) the date and address of the shipment.

If the Department of Revenue or the State Commission requests a statement under this paragraph, the third-party provider must provide that statement no later than 30 days after the request is made. Any books, records, supporting papers, and documents containing information and data relating to a statement under this paragraph shall be kept and preserved for a period of 3 years, unless their destruction sooner is authorized, in writing, by the Director of Revenue, and shall be open and available to inspection by the Director of Revenue or the State Commission or any duly authorized officer, agent, or employee of the State Commission or the Department of Revenue, at all times during business hours of the day. Any person who violates any provision of this paragraph or any rule of the State Commission for the administration and enforcement of these provisions of this paragraph is guilty of a Class C misdemeanor. In case of a continuing violation, each day's continuance thereof shall be a separate and distinct offense.

The State Commission shall adopt rules as soon as practicable to implement the requirements of Public Act 99-904 and shall adopt rules prohibiting any such third-party appointment of a third-party provider, except for a common
carrier, that has been deemed by the State Commission to have violated the provisions of this Act with regard to any winery shipper licensee.

A winery shipper licensee must pay to the Department of Revenue the State liquor gallonage tax under Section 8-1 for all wine that is sold by the licensee and shipped to a person in this State. For the purposes of Section 8-1, a winery shipper licensee shall be taxed in the same manner as a manufacturer of wine. A licensee who is not otherwise required to register under the Retailers' Occupation Tax Act must register under the Use Tax Act to collect and remit use tax to the Department of Revenue for all gallons of wine that are sold by the licensee and shipped to persons in this State. If a licensee fails to remit the tax imposed under this Act in accordance with the provisions of Article VIII of this Act, the winery shipper's license shall be revoked in accordance with the provisions of Article VII of this Act. If a licensee fails to properly register and remit tax under the Use Tax Act or the Retailers' Occupation Tax Act for all wine that is sold by the winery shipper and shipped to persons in this State, the winery shipper's license shall be revoked in accordance with the provisions of Article VII of this Act.

A winery shipper licensee must collect, maintain, and submit to the Commission on a semi-annual basis the total number of cases per resident of wine shipped to residents of this State. A winery shipper licensed under this subsection (r)

Pursuant to paragraph (5.1) or (5.3) of subsection (a) of Section 3-12, the State Commission may receive, respond to, and investigate any complaint and impose any of the remedies specified in paragraph (1) of subsection (a) of Section 3-12.

As used in this subsection, "third-party provider" means any entity that provides fulfillment house services, including warehousing, packaging, distribution, order processing, or shipment of wine, but not the sale of wine, on behalf of a licensed winery shipper.

(s) A craft distiller tasting permit license shall allow an Illinois licensed craft distiller to transfer a portion of its alcoholic liquor inventory from its craft distiller licensed premises to the premises specified in the license hereby created and to conduct a sampling, only in the premises specified in the license hereby created, of the transferred alcoholic liquor in accordance with subsection (c) of Section 6-31 of this Act. The transferred alcoholic liquor may not be sold or resold in any form. An applicant for the craft distiller tasting permit license must also submit with the application proof satisfactory to the State Commission that the applicant will provide dram shop liability insurance to the maximum limits and have local authority approval.

A brewer warehouse permit may be issued to the holder of a class 1 brewer license or a class 2 brewer license. If the holder of the permit is a class 1 brewer licensee, the brewer

Sec. 6-6. Except as otherwise provided in this Act no manufacturer or distributor or importing distributor shall, directly or indirectly, sell, supply, furnish, give or pay for, or loan or lease, any furnishing, fixture or equipment on the premises of a place of business of another licensee authorized under this Act to sell alcoholic liquor at retail, either for consumption on or off the premises, nor shall he or she, directly or indirectly, pay for any such license, or advance, furnish, lend or give money for payment of such license, or purchase or become the owner of any note, mortgage, or other
evidence of indebtedness of such licensee or any form of security therefor, nor shall such manufacturer, or distributor, or importing distributor, directly or indirectly, be interested in the ownership, conduct or operation of the business of any licensee authorized to sell alcoholic liquor at retail, nor shall any manufacturer, or distributor, or importing distributor be interested directly or indirectly or as owner or part owner of said premises or as lessee or lessor thereof, in any premises upon which alcoholic liquor is sold at retail.

No manufacturer or distributor or importing distributor shall, directly or indirectly or through a subsidiary or affiliate, or by any officer, director or firm of such manufacturer, distributor or importing distributor, furnish, give, lend or rent, install, repair or maintain, to or for any retail licensee in this State, any signs or inside advertising materials except as provided in this Section and Section 6-5. With respect to retail licensees, other than any government owned or operated auditorium, exhibition hall, recreation facility or other similar facility holding a retailer's license as described in Section 6-5, a manufacturer, distributor, or importing distributor may furnish, give, lend or rent and erect, install, repair and maintain to or for any retail licensee, for use at any one time in or about or in connection with a retail establishment on which the products of the manufacturer, distributor or importing distributor are sold,
the following signs and inside advertising materials as authorized in subparts (i), (ii), (iii), and (iv):

   (i) Permanent outside signs shall cost not more than $3,000 per manufacturer, exclusive of erection, installation, repair and maintenance costs, and permit fees and shall bear only the manufacturer's name, brand name, trade name, slogans, markings, trademark, or other symbols commonly associated with and generally used in identifying the product including, but not limited to, "cold beer", "on tap", "carry out", and "packaged liquor".

   (ii) Temporary outside signs shall include, but not be limited to, banners, flags, pennants, streamers, and other items of a temporary and non-permanent nature, and shall cost not more than $1,000 per manufacturer. Each temporary outside sign must include the manufacturer's name, brand name, trade name, slogans, markings, trademark, or other symbol commonly associated with and generally used in identifying the product. Temporary outside signs may also include, for example, the product, price, packaging, date or dates of a promotion and an announcement of a retail licensee's specific sponsored event, if the temporary outside sign is intended to promote a product, and provided that the announcement of the retail licensee's event and the product promotion are held simultaneously. However, temporary outside signs may not include names, slogans, markings, or logos that relate to the retailer. Nothing in
this subpart (ii) shall prohibit a distributor or importing distributor from bearing the cost of creating or printing a temporary outside sign for the retail licensee's specific sponsored event or from bearing the cost of creating or printing a temporary sign for a retail licensee containing, for example, community goodwill expressions, regional sporting event announcements, or seasonal messages, provided that the primary purpose of the temporary outside sign is to highlight, promote, or advertise the product. In addition, temporary outside signs provided by the manufacturer to the distributor or importing distributor may also include, for example, subject to the limitations of this Section, preprinted community goodwill expressions, sporting event announcements, seasonal messages, and manufacturer promotional announcements. However, a distributor or importing distributor shall not bear the cost of such manufacturer preprinted signs.

(iii) Permanent inside signs, whether visible from the outside or the inside of the premises, include, but are not limited to: alcohol lists and menus that may include names, slogans, markings, or logos that relate to the retailer; neons; illuminated signs; clocks; table lamps; mirrors; tap handles; decalcomanias; window painting; and window trim. All neons, illuminated signs, clocks, table lamps, mirrors, and tap handles are the property of the manufacturer and shall be returned to the manufacturer or
its agent upon request. All permanent inside signs in place and in use at any one time shall cost in the aggregate not more than $6,000 per manufacturer. A permanent inside sign must include the manufacturer's name, brand name, trade name, slogans, markings, trademark, or other symbol commonly associated with and generally used in identifying the product. However, permanent inside signs may not include names, slogans, markings, or logos that relate to the retailer. For the purpose of this subpart (iii), all permanent inside signs may be displayed in an adjacent courtyard or patio commonly referred to as a "beer garden" that is a part of the retailer's licensed premises.

(iv) Temporary inside signs shall include, but are not limited to, lighted chalk boards, acrylic table tent beverage or hors d'oeuvre list holders, banners, flags, pennants, streamers, and inside advertising materials such as posters, placards, bowling sheets, table tents, inserts for acrylic table tent beverage or hors d'oeuvre list holders, sports schedules, or similar printed or illustrated materials and product displays, such as display racks, bins, barrels, or similar items, the primary function of which is to temporarily hold and display alcoholic beverages; however, such items, for example, as coasters, trays, napkins, glassware, growlers, crowlers, and cups shall not be deemed to be inside signs or advertising materials and may only be sold to retailers at
fair market value, which shall be no less than the cost of the item to the manufacturer, distributor, or importing distributor. All temporary inside signs and inside advertising materials in place and in use at any one time shall cost in the aggregate not more than $1,000 per manufacturer. Nothing in this subpart (iv) prohibits a distributor or importing distributor from paying the cost of printing or creating any temporary inside banner or inserts for acrylic table tent beverage or hors d'oeuvre list holders for a retail licensee, provided that the primary purpose for the banner or insert is to highlight, promote, or advertise the product. For the purpose of this subpart (iv), all temporary inside signs and inside advertising materials may be displayed in an adjacent courtyard or patio commonly referred to as a "beer garden" that is a part of the retailer's licensed premises.

The restrictions contained in this Section 6-6 do not apply to signs, or promotional or advertising materials furnished by manufacturers, distributors or importing distributors to a government owned or operated facility holding a retailer's license as described in Section 6-5.

No distributor or importing distributor shall directly or indirectly or through a subsidiary or affiliate, or by any officer, director or firm of such manufacturer, distributor or importing distributor, furnish, give, lend or rent, install, repair or maintain, to or for any retail licensee in this
State, any signs or inside advertising materials described in subparts (i), (ii), (iii), or (iv) of this Section except as the agent for or on behalf of a manufacturer, provided that the total cost of any signs and inside advertising materials including but not limited to labor, erection, installation and permit fees shall be paid by the manufacturer whose product or products said signs and inside advertising materials advertise and except as follows:

A distributor or importing distributor may purchase from or enter into a written agreement with a manufacturer or a manufacturer's designated supplier and such manufacturer or the manufacturer's designated supplier may sell or enter into an agreement to sell to a distributor or importing distributor permitted signs and advertising materials described in subparts (ii), (iii), or (iv) of this Section for the purpose of furnishing, giving, lending, renting, installing, repairing, or maintaining such signs or advertising materials to or for any retail licensee in this State. Any purchase by a distributor or importing distributor from a manufacturer or a manufacturer's designated supplier shall be voluntary and the manufacturer may not require the distributor or the importing distributor to purchase signs or advertising materials from the manufacturer or the manufacturer's designated supplier.

A distributor or importing distributor shall be deemed the owner of such signs or advertising materials purchased from a manufacturer or a manufacturer's designated supplier.
The provisions of Public Act 90-373 concerning signs or advertising materials delivered by a manufacturer to a distributor or importing distributor shall apply only to signs or advertising materials delivered on or after August 14, 1997.

A manufacturer, distributor, or importing distributor may furnish free social media advertising to a retail licensee if the social media advertisement does not contain the retail price of any alcoholic liquor and the social media advertisement complies with any applicable rules or regulations issued by the Alcohol and Tobacco Tax and Trade Bureau of the United States Department of the Treasury. A manufacturer, distributor, or importing distributor may list the names of one or more unaffiliated retailers in the advertisement of alcoholic liquor through social media. Nothing in this Section shall prohibit a retailer from communicating with a manufacturer, distributor, or importing distributor on social media or sharing media on the social media of a manufacturer, distributor, or importing distributor. A retailer may request free social media advertising from a manufacturer, distributor, or importing distributor. Nothing in this Section shall prohibit a manufacturer, distributor, or importing distributor from sharing, reposting, or otherwise forwarding a social media post by a retail licensee, so long as the sharing, reposting, or forwarding of the social media post does not contain the retail price of any alcoholic liquor. No manufacturer, distributor, or
importing distributor shall pay or reimburse a retailer, directly or indirectly, for any social media advertising services, except as specifically permitted in this Act. No retailer shall accept any payment or reimbursement, directly or indirectly, for any social media advertising services offered by a manufacturer, distributor, or importing distributor, except as specifically permitted in this Act. For the purposes of this Section, "social media" means a service, platform, or site where users communicate with one another and share media, such as pictures, videos, music, and blogs, with other users free of charge.

No person engaged in the business of manufacturing, importing or distributing alcoholic liquors shall, directly or indirectly, pay for, or advance, furnish, or lend money for the payment of any license for another. Any licensee who shall permit or assent, or be a party in any way to any violation or infringement of the provisions of this Section shall be deemed guilty of a violation of this Act, and any money loaned contrary to a provision of this Act shall not be recovered back, or any note, mortgage or other evidence of indebtedness, or security, or any lease or contract obtained or made contrary to this Act shall be unenforceable and void.

This Section shall not apply to airplane licensees exercising powers provided in paragraph (i) of Section 5-1 of this Act.
