Upon subsequent retirement, his or her retirement annuity shall be the amount previously granted, plus the amount earned by the additional judicial service under the provisions in effect during the period of such additional service. However, if the participant was receiving the maximum rate of annuity at the time of re-employment, he or she may elect, in a written direction filed with the board, not to receive any additional service credit during the period of re-employment. This subsection (e) applies without regard to whether the person is in service as a judge under this Article on or after the effective date of this amendatory Act of the 93rd General Assembly. In this subsection, a "part-time employee" is a person who is not required to work at least 35 hours per week.

(f) A participant receiving a retirement annuity under this Article who has made an election under Section 1-123 and who is serving either as legal counsel in the Office of the Governor or as Chief Deputy Attorney General shall not be deemed to be regularly employed for compensation by an employer other than a county, nor to have resumed service as a judge, on the basis of that service, and the retirement annuity payments and other benefits of that person under this Code shall not be suspended, diminished, or otherwise impaired solely as a consequence of that service.
