Such complaints shall be in writing, signed and sworn to by the person making the complaint, and shall state with specificity the facts in relation to the alleged violation. The accounts, forms, records and memoranda shall be available at all reasonable times for inspection by authorized representatives of the State commission or by any local liquor control commissioner or his or her authorized representative. The commission, may, from time to time, alter, amend or repeal, in whole or in part, any uniform system of accounts, or the
form and manner of keeping accounts.

(8) In the conduct of any hearing authorized to be held by the commission, to appoint, at the commission's discretion, hearing officers to conduct hearings involving complex issues or issues that will require a protracted period of time to resolve, to examine, or cause to be examined, under oath, any licensee, and to examine or cause to be examined the books and records of such licensee; to hear testimony and take proof material for its information in the discharge of its duties hereunder; to administer or cause to be administered oaths; for any such purpose to issue subpoena or subpoenas to require the attendance of witnesses and the production of books, which shall be effective in any part of this State, and to adopt rules to implement its powers under this paragraph (8).

This study shall address the
extent to which Illinois currently complies with the provisions of P.L. 102-321 and the rules promulgated pursuant thereto.

As part of its report, the Commission shall provide the following essential information:

(i) the number of retail distributors of tobacco products, by type and geographic area, in the State;

(ii) the number of reported citations and successful convictions, categorized by type and location of retail distributor, for violation of the Sale of Tobacco to Minors Act and the Smokeless Tobacco Limitation Act;

(14) On or before April 30, 2008 and every 2 years thereafter, the Commission shall present a written report to the Governor and the General Assembly that shall be based on a study of the impact of this amendatory Act of the 95th General Assembly on the business of soliciting, selling, and shipping wine from inside and outside of this State directly to residents of this State. As part of its report, the Commission shall provide all of the following information:

(A) The amount of State excise and sales tax revenues generated.

(B) The amount of licensing fees received.

(C) The number of cases of wine shipped from inside and outside of this State directly to residents of this State.

(D) The number of alcohol compliance operations
(E) The number of winery shipper's licenses issued.

(F) The number of each of the following: reported violations; cease and desist notices issued by the Commission; notices of violations issued by the Commission and to the Department of Revenue; and notices and complaints of violations to law enforcement officials, including, without limitation, the Illinois Attorney General and the U.S. Department of Treasury's Alcohol and Tobacco Tax and Trade Bureau.

(15) As a means to reduce the underage consumption of alcoholic liquors, the Commission shall conduct alcohol compliance operations to investigate whether businesses that are soliciting, selling, and shipping wine from inside or outside of this State directly to residents of this State are licensed by this State or are selling or attempting to sell wine to persons under 21 years of age in violation of this Act.

(16) The Commission shall, in addition to notifying any appropriate law enforcement agency, submit notices of complaints or violations of Sections 6-29 and 6-29.1 by persons who do not hold a winery shipper's license under this amendatory Act to the Illinois Attorney General and to the U.S. Department of Treasury's Alcohol and Tobacco Tax and Trade Bureau.
(17) (A) A person licensed to make wine under the laws of another state who has a winery shipper's license under this amendatory Act and annually produces less than 25,000 gallons of wine or a person who has a first-class or second-class wine manufacturer's license, a first-class or second-class wine-maker's license, or a limited wine manufacturer's license under this Act and annually produces less than 25,000 gallons of wine may make application to the Commission for a self-distribution exemption to allow the sale of not more than 5,000 gallons of the exemption holder's wine to retail licensees per year.

(B) In the application, which shall be sworn under penalty of perjury, such person shall state (1) the date it was established; (2) its volume of production and sales for each year since its establishment; (3) its efforts to establish distributor relationships; (4) that a self-distribution exemption is necessary to facilitate the marketing of its wine; and (5) that it will comply with the liquor and revenue laws of the United States, this State, and any other state where it is licensed.

(C) The Commission shall approve the application for a self-distribution exemption if such person: (1) is in compliance with State revenue and liquor laws; (2) is not a member of any affiliated group that
produces more than 25,000 gallons of wine per annum or
produces any other alcoholic liquor; (3) will not
annually produce for sale more than 25,000 gallons of
wine; and (4) will not annually sell more than 5,000
gallons of its wine to retail licensees.

(D) A self-distribution exemption holder shall
annually certify to the Commission its production of
wine in the previous 12 months and its anticipated
production and sales for the next 12 months. The
Commission may fine, suspend, or revoke a
self-distribution exemption after a hearing if it
finds that the exemption holder has made a material
misrepresentation in its application, violated a
revenue or liquor law of Illinois, exceeded production
of 25,000 gallons of wine in any calendar year, or
become part of an affiliated group producing more than
25,000 gallons of wine or any other alcoholic liquor.

(E) Except in hearings for violations of this Act
or amendatory Act or a bona fide investigation by duly
sworn law enforcement officials, the Commission, or
its agents, the Commission shall maintain the
production and sales information of a
self-distribution exemption holder as confidential and
shall not release such information to any person.

(F) The Commission shall issue regulations
governing self-distribution exemptions consistent with
this Section and this Act.

(G) Nothing in this subsection (17) shall prohibit a self-distribution exemption holder from entering into or simultaneously having a distribution agreement with a licensed Illinois distributor.

(H) It is the intent of this subsection (17) to promote and continue orderly markets. The General Assembly finds that in order to preserve Illinois' regulatory distribution system it is necessary to create an exception for smaller makers of wine as their wines are frequently adjusted in varietals, mixes, vintages, and taste to find and create market niches sometimes too small for distributor or importing distributor business strategies. Limited self-distribution rights will afford and allow smaller makers of wine access to the marketplace in order to develop a customer base without impairing the integrity of the 3-tier system.

(b) On or before April 30, 1999, the Commission shall present a written report to the Governor and the General Assembly that shall be based on a study of the impact of this amendatory Act of 1998 on the business of soliciting, selling, and shipping alcoholic liquor from outside of this State directly to residents of this State.

As part of its report, the Commission shall provide the following information:
Public Act 095-0634

HB0429 Enrolled LRB095 03618 KBJ 23639 b

manufacture beer only on the premises specified in the license, to make sales of the beer manufactured on the premises to importing distributors, distributors, and to non-licensees for use and consumption, to store the beer upon the premises, and to sell and offer for sale at retail from the licensed premises, provided that a brew pub licensee shall not sell for off-premises consumption more than 50,000 gallons per year.

(o) A caterer retailer license shall allow the holder to serve alcoholic liquors as an incidental part of a food service that serves prepared meals which excludes the serving of snacks as the primary meal, either on or off-site whether licensed or unlicensed.

(p) An auction liquor license shall allow the licensee to sell and offer for sale at auction wine and spirits for use or consumption, or for resale by an Illinois liquor licensee in accordance with provisions of this Act. An auction liquor license will be issued to a person and it will permit the auction liquor licensee to hold the auction anywhere in the State. An auction liquor license must be obtained for each auction at least 14 days in advance of the auction date.

(q) A special use permit license shall allow an Illinois licensed retailer to transfer a portion of its alcoholic liquor inventory from its retail licensed premises to the premises specified in the license hereby created, and to sell or offer for sale at retail, only in the premises specified in the license hereby created, the transferred alcoholic liquor for
use or consumption, but not for resale in any form. A special use permit license may be granted for the following time periods: one day or less; 2 or more days to a maximum of 15 days per location in any 12 month period. An applicant for the special use permit license must also submit with the application proof satisfactory to the State Commission that the applicant will provide dram shop liability insurance to the maximum limits and have local authority approval.

(r) A winery shipper's license shall allow a person with a first-class or second-class wine manufacturer's license, a first-class or second-class wine-maker's license, or a limited wine manufacturer's license or who is licensed to make wine under the laws of another state to ship wine made by that licensee directly to a resident of this State who is 21 years of age or older for that resident's personal use and not for resale. Prior to receiving a winery shipper's license, an applicant for the license must provide the Commission with a true copy of its current license in any state in which it is licensed as a manufacturer of wine. An applicant for a winery shipper's license must also complete an application form that provides any other information the Commission deems necessary. The application form shall include an acknowledgement consenting to the jurisdiction of the Commission, the Illinois Department of Revenue, and the courts of this State concerning the enforcement of this Act and any related laws, rules, and regulations, including authorizing the Department of Revenue
and the Commission to conduct audits for the purpose of ensuring compliance with this amendatory Act.

A winery shipper licensee must pay to the Department of Revenue the State liquor gallonage tax under Section 8-1 for all wine that is sold by the licensee and shipped to a person in this State. For the purposes of Section 8-1, a winery shipper licensee shall be taxed in the same manner as a manufacturer of wine. A licensee who is not otherwise required to register under the Retailers' Occupation Tax Act must register under the Use Tax Act to collect and remit use tax to the Department of Revenue for all gallons of wine that are sold by the licensee and shipped to persons in this State. If a licensee fails to remit the tax imposed under this Act in accordance with the provisions of Article VIII of this Act, the winery shipper's license shall be revoked in accordance with the provisions of Article VII of this Act. If a licensee fails to properly register and remit tax under the Use Tax Act or the Retailers' Occupation Tax Act for all wine that is sold by the winery shipper and shipped to persons in this State, the winery shipper's license shall be revoked in accordance with the provisions of Article VII of this Act.

A winery shipper licensee must collect, maintain, and submit to the Commission on a semi-annual basis the total number of cases per resident of wine shipped to residents of this State. A winery shipper licensed under this subsection (r) must comply with the requirements of Section 6-29 of this
Sec. 5-3. License fees. Except as otherwise provided herein, at the time application is made to the State Commission for a license of any class, the applicant shall pay to the State Commission the fee hereinafter provided for the kind of license applied for.

Fees collected under this Section shall be paid into the Dram Shop Fund. On and after July 1, 2003, of the funds received for a retailer's license, in addition to the first $175, an additional $75 shall be paid into the Dram Shop Fund, and $250 shall be paid into the General Revenue Fund. Beginning June 30, 1990 and on June 30 of each subsequent year through June 29, 2003, any balance over $5,000,000 remaining in the Dram Shop Fund shall be credited to State liquor licensees and applied against their fees for State liquor licenses for the following year. The amount credited to each licensee shall be a proportion of the balance in the Dram Fund that is the same as the proportion of the license fee paid by the licensee under this Section for the period in which the balance was
accumulated to the aggregate fees paid by all licensees during that period.

No fee shall be paid for licenses issued by the State Commission to the following non-beverage users:

(a) Hospitals, sanitariums, or clinics when their use of alcoholic liquor is exclusively medicinal, mechanical or scientific.

(b) Universities, colleges of learning or schools when their use of alcoholic liquor is exclusively medicinal, mechanical or scientific.

(c) Laboratories when their use is exclusively for the purpose of scientific research.

(235 ILCS 5/6-4) (from Ch. 43, par. 121)

Sec. 6-4. (a) No person licensed by any licensing authority as a distiller, or a wine manufacturer, or any subsidiary or affiliate thereof, or any officer, associate, member, partner, representative, employee, agent or shareholder owning more than 5% of the outstanding shares of such person shall be issued an importing distributor's or distributor's license, nor shall any person licensed by any licensing authority as an importing distributor, distributor or retailer, or any subsidiary or affiliate thereof, or any officer or associate, member, partner, representative, employee, agent or shareholder owning more than 5% of the outstanding shares of
such person be issued a distiller's license or a wine manufacturer's license; and no person or persons licensed as a distiller by any licensing authority shall have any interest, directly or indirectly, with such distributor or importing distributor.

However, an importing distributor or distributor, which on January 1, 1985 is owned by a brewer, or any subsidiary or affiliate thereof or any officer, associate, member, partner, representative, employee, agent or shareholder owning more than 5% of the outstanding shares of the importing distributor or distributor referred to in this paragraph, may own or acquire an ownership interest of more than 5% of the outstanding shares of a wine manufacturer and be issued a wine manufacturer's license by any licensing authority.

(b) The foregoing provisions shall not apply to any person licensed by any licensing authority as a distiller or wine manufacturer, or to any subsidiary or affiliate of any distiller or wine manufacturer who shall have been heretofore licensed by the State Commission as either an importing distributor or distributor during the annual licensing period expiring June 30, 1947, and shall actually have made sales regularly to retailers.

(c) Provided, however, that in such instances where a distributor's or importing distributor's license has been issued to any distiller or wine manufacturer or to any subsidiary or affiliate of any distiller or wine manufacturer
who has, during the licensing period ending June 30, 1947, sold or distributed as such licensed distributor or importing distributor alcoholic liquors and wines to retailers, such distiller or wine manufacturer or any subsidiary or affiliate of any distiller or wine manufacturer holding such distributor's or importing distributor's license may continue to sell or distribute to retailers such alcoholic liquors and wines which are manufactured, distilled, processed or marketed by distillers and wine manufacturers whose products it sold or distributed to retailers during the whole or any part of its licensing periods; and such additional brands and additional products may be added to the line of such distributor or importing distributor, provided, that such brands and such products were not sold or distributed by any distributor or importing distributor licensed by the State Commission during the licensing period ending June 30, 1947, but can not sell or distribute to retailers any other alcoholic liquors or wines.

(d) It shall be unlawful for any distiller licensed anywhere to have any stock ownership or interest in any distributor's or importing distributor's license wherein any other person has an interest therein who is not a distiller and does not own more than 5% of any stock in any distillery. Nothing herein contained shall apply to such distillers or their subsidiaries or affiliates, who had a distributor's or importing distributor's license during the licensing period ending June 30, 1947, which license was owned in whole by such
distiller, or subsidiaries or affiliates of such distiller.

(e) Any person having been licensed as a manufacturer shall be permitted to receive one retailer's license for the premises in which he actually conducts such business, permitting the sale of beer only on such premises, but no such person shall be entitled to more than one retailer's license in any event, and, other than a manufacturer of beer as stated above, no manufacturer or distributor or importing distributor, excluding airplane licensees exercising powers provided in paragraph (i) of Section 5-1 of this Act, or any subsidiary or affiliate thereof, or any officer, associate, member, partner, representative, employee or agent, or shareholder shall be issued a retailer's license, nor shall any person having a retailer's license, excluding airplane licensees exercising powers provided in paragraph (i) of Section 5-1 of this Act, or any subsidiary or affiliate thereof, or any officer, associate, member, partner, representative or agent, or shareholder be issued a manufacturer's license, importing distributor's license.

(f) However, the foregoing prohibitions against any person licensed as a distiller or wine manufacturer being issued a retailer's license shall not apply:

(i) to any hotel, motel or restaurant whose principal business is not the sale of alcoholic liquors if said retailer's sales of any alcoholic liquors manufactured, sold, distributed or controlled, directly or indirectly, by any
affiliate, subsidiary, officer, associate, member, partner, representative, employee, agent or shareholder owning more than 5% of the outstanding shares of such person does not exceed 10% of the total alcoholic liquor sales of said retail licensee; and

(ii) where the Commission determines, having considered the public welfare, the economic impact upon the State and the entirety of the facts and circumstances involved, that the purpose and intent of this Section would not be violated by granting an exemption.

(g) Notwithstanding any of the foregoing prohibitions, a limited wine manufacturer may sell at retail at its manufacturing site for on or off premises consumption and may sell to distributors. A limited wine manufacturer licensee shall secure liquor liability insurance coverage in an amount at least equal to the maximum liability amounts set forth in subsection (a) of Section 6-21 of this Act.

(235 ILCS 5/6-29) (from Ch. 43, par. 144e)

Sec. 6-29. Winery shipper's license. Interstate reciprocal wine shipments.

(a) The General Assembly declares that the following is the intent of this Section:

(1) To authorize direct shipment of wine by an out-of-state maker of wine on the same basis permitted an
in-state maker of wine pursuant to the authority of the State under the provisions of Section 2 of the Twenty-First Amendment to the United States Constitution and in conformance with the United States Supreme Court decision decided on May 16, 2005 in Granholm v. Heald.

(2) To reaffirm that the General Assembly's findings and declarations that selling alcoholic liquor through various direct marketing means such as catalogs, newspapers, mailings, and the Internet directly to consumers of this State poses a serious threat to the State's efforts to further temperance and prevent youth from accessing alcoholic liquor and the expansion of youth access to additional types of alcoholic liquors.

(3) To maintain the State's broad powers granted by Section 2 of the Twenty-First Amendment to the United States Constitution to control the importation or sale of alcoholic liquor and its right to structure its alcoholic liquor distribution system.

(4) To ensure that the General Assembly, by authorizing limited direct shipment of wine to meet the directives of the United States Supreme Court, does not intend to impair or modify the State's distribution of wine through distributors or importing distributors, but only to permit limited shipment of wine for personal use.

(5) To provide that, in the event that a court of competent jurisdiction declares or finds that this
Section, which is enacted to conform Illinois law to the United States Supreme Court decision, is invalid or unconstitutional, the Illinois General Assembly at its earliest general session shall conduct hearings and study methods to conform to any directive or order of the court consistent with the temperance and revenue collection purposes of this Act.

(b) Notwithstanding any other provision of law, a wine shipper licensee may ship, for personal use and not for resale, not more than 12 cases of wine per year to any resident of this State who is 21 years of age or older.

(b-3) Notwithstanding any other provision of law, sale and shipment by a winery shipper licensee pursuant to this Section shall be deemed to constitute a sale in this State.

(b-5) The shipping container of any wine shipped under this Section shall be clearly labeled with the following words: "CONTAINS ALCOHOL. SIGNATURE OF A PERSON 21 YEARS OF AGE OR OLDER REQUIRED FOR DELIVERY. PROOF OF AGE AND IDENTITY MUST BE SHOWN BEFORE DELIVERY.". This warning must be prominently displayed on the packaging. A licensee shall require the transporter or common carrier that delivers the wine to obtain the signature of a person 21 years of age or older at the delivery address at the time of delivery. At the expense of the licensee, the licensee shall receive a delivery confirmation from the express company, common carrier, or contract carrier indicating the location of the delivery, time of delivery, and
the name and signature of the individual 21 years of age or older who accepts delivery. The Commission shall design and create a label or approve a label that must be affixed to the shipping container by the licensee.

   (a) Notwithstanding any other provision of law, an adult resident or holder of an alcoholic beverage license in a state which affords Illinois licensees or adult residents an equal reciprocal shipping privilege may ship, for personal use and not for resale, not more than 2 cases of wine (each case containing not more than 9 liters) per year to any adult resident of this State. Delivery of a shipment pursuant to this Section shall not be deemed to constitute a sale in this State.

   (b) The shipping container of any wine sent into or out of this State under this Section shall be clearly labeled to indicate that the package cannot be delivered to a person under the age of 21 years.

   (c) No broker within this State shall solicit consumers to engage in direct interstate reciprocal wine shipments under this Section. No shipper located outside this State may advertise such interstate reciprocal wine shipments in this State.

   (d) It is not the intent of this Section to impair the distribution of wine through distributors or importing distributors, but only to permit shipments of wine for personal use.

(Source: P.A. 86-1483.)
Sec. 6-29.1. Direct shipments of alcoholic liquor.

(a) The General Assembly makes the following findings:

(1) The General Assembly of Illinois, having reviewed this Act in light of the United States Supreme Court's 2005 decision in Granholm v. Heald, has determined to conform that law to the constitutional principles enunciated by the Court in a manner that best preserves the temperance, revenue, and orderly distribution values of this Act.

(2) Minimizing automobile accidents and fatalities, domestic violence, health problems, loss of productivity, unemployment, and other social problems associated with dependency and improvident use of alcoholic beverages remains the policy of Illinois.

(3) To the maximum extent constitutionally feasible, Illinois desires to collect sufficient revenue from excise and use taxes on alcoholic beverages for the purpose of responding to such social problems.

(4) Combined with family education and individual discipline, retail validation of age, and assessment of the capacity of the consumer remains the best pre-sale social protection against the problems associated with the abuse of alcoholic liquor.

(5) Therefore, the paramount purpose of this amendatory Act is to continue to carefully limit direct
shipment sales of wine produced by makers of wine and to continue to prohibit such direct shipment sales for spirits and beer.

For these reasons, the Commission shall establish a system to notify the out-of-state trade of this prohibition and to detect violations. The Commission shall request the Attorney General to extradite any offender.

(b) Pursuant to the Twenty-First Amendment of the United States Constitution allowing states to regulate the distribution and sale of alcoholic liquor and pursuant to the federal Webb-Kenyon Act declaring that alcoholic liquor shipped in interstate commerce must comply with state laws, the General Assembly hereby finds and declares that selling alcoholic liquor from a point outside this State through various direct marketing means, such as catalogs, newspapers, mailers, and the Internet, directly to residents of this State poses a serious threat to the State's efforts to prevent youths from accessing alcoholic liquor; to State revenue collections; and to the economy of this State.

Any person manufacturing, distributing, or selling alcoholic liquor who knowingly ships or transports or causes the shipping or transportation of any alcoholic liquor from a point outside this State to a person in this State who does not hold a manufacturer's, distributor's, importing distributor's, or non-resident dealer's license issued by the Liquor Control Commission, other than a shipment of sacramental wine to a bona
fide religious organization, a shipment authorized by Section 6-29, subparagraph (17) of Section 3-12, or any other shipment authorized by this Act, is in violation of this Act.

The Commission, upon determining, after investigation, that a person has violated this Section, shall give notice to the person by certified mail to cease and desist all shipments of alcoholic liquor into this State and to withdraw from this State within 5 working days after receipt of the notice all shipments of alcoholic liquor then in transit.

Whenever the Commission has reason to believe that a person has failed to comply with the Commission notice under this Section, it shall notify the Department of Revenue and file a complaint with the State's Attorney of the county where the alcoholic liquor was delivered or with appropriate law enforcement officials.

Failure to comply with the notice issued by the Commission under this Section constitutes a business offense for which the person shall be fined not more than $1,000 for a first offense, not more than $5,000 for a second offense, and not more than $10,000 for a third or subsequent offense. Each shipment of alcoholic liquor delivered in violation of the cease and desist notice shall constitute a separate offense.

(Source: P.A. 90-739, eff. 8-13-98.)

Section 90. Severability. The General Assembly recognizes that courts established pursuant to the Constitution of the
United States and the Constitution of the State of Illinois construe statutory provisions dealing with judicial interpretation, severability, and partial invalidity by determining whether the legislative intent was to enforce the remainder of the law enacted in the event of a judicial determination of partial invalidity. For the purpose of explaining such intent, if any provision, application, exemption, exception, or authorization of this amendatory Act, the Retailer's Occupation Tax Act, Section 3-7 of the Uniform Penalty and Interest Act, or the Liquor Control Act of 1934 is held invalid, then all other constitutional provisions, exemptions, exceptions, and authorizations of this amendatory Act are severable and shall be given effect.
