AN ACT to revise the law by combining multiple enactments and making technical corrections.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Nature of this Act.

(a) This Act may be cited as the First 2008 General Revisory Act.

(b) This Act is not intended to make any substantive change in the law. It reconciles conflicts that have arisen from multiple amendments and enactments and makes technical corrections and revisions in the law.

This Act revises and, where appropriate, renumbers certain Sections that have been added or amended by more than one Public Act. In certain cases in which a repealed Act or Section has been replaced with a successor law, this Act may incorporate amendments to the repealed Act or Section into the successor law. This Act also corrects errors, revises cross-references, and deletes obsolete text.

(c) In this Act, the reference at the end of each amended Section indicates the sources in the Session Laws of Illinois that were used in the preparation of the text of that Section. The text of the Section included in this Act is intended to include the different versions of the Section found in the Public Acts included in the list of sources, but may not
include other versions of the Section to be found in Public Acts not included in the list of sources. The list of sources is not a part of the text of the Section.

(d) Public Acts 94-1069 through 95-702 were considered in the preparation of the combining revisories included in this Act. Many of those combining revisories contain no striking or underscoring because no additional changes are being made in the material that is being combined.

Section 15. The Election Code is amended by changing Section 17-23 as follows:
Sec. 17-23. Pollwatchers in a general election shall be authorized in the following manner:

(1) Each established political party shall be entitled to appoint two pollwatchers per precinct. Such pollwatchers must be affiliated with the political party for which they are pollwatching. For all elections, the pollwatchers must be registered to vote in Illinois.

(2) Each candidate shall be entitled to appoint two pollwatchers per precinct. For all elections, the pollwatchers must be registered to vote in Illinois.

(3) Each organization of citizens within the county or political subdivision, which has among its purposes or interests the investigation or prosecution of election frauds, and which shall have registered its name and address and the name and addresses of its principal officers with the proper election authority at least 40 days before the election, shall be entitled to appoint one pollwatcher per precinct. For all elections, the pollwatcher must be registered to vote in Illinois.

(3.5) Each State nonpartisan civic organization within the county or political subdivision shall be entitled to appoint one pollwatcher per precinct, provided that no more than 2 pollwatchers appointed by State nonpartisan civic organizations shall be present in a precinct polling place at
the same time. Each organization shall have registered the names and addresses of its principal officers with the proper election authority at least 40 days before the election. The pollwatchers must be registered to vote in Illinois. For the purpose of this paragraph, a "State nonpartisan civic organization" means any corporation, unincorporated association, or organization that:

(i) as part of its written articles of incorporation, bylaws, or charter or by separate written declaration, has among its stated purposes the provision of voter information and education, the protection of individual voters' rights, and the promotion of free and equal elections;

(ii) is organized or primarily conducts its activities within the State of Illinois; and

(iii) continuously maintains an office or business location within the State of Illinois, together with a current listed telephone number (a post office box number without a current listed telephone number is not sufficient).

(4) In any general election held to elect candidates for the offices of a municipality of less than 3,000,000 population that is situated in 2 or more counties, a pollwatcher who is a resident of Illinois shall be eligible to serve as a pollwatcher in any poll located within such municipality, provided that such pollwatcher otherwise complies with the
respective requirements of subsections (1) through (3) of this Section and is a registered voter in Illinois.

(5) Each organized group of proponents or opponents of a ballot proposition, which shall have registered the name and address of its organization or committee and the name and address of its chairman with the proper election authority at least 40 days before the election, shall be entitled to appoint one pollwatcher per precinct. The pollwatcher must be registered to vote in Illinois.

All pollwatchers shall be required to have proper credentials. Such credentials shall be printed in sufficient quantities, shall be issued by and under the facsimile signature(s) of the election authority and shall be available for distribution at least 2 weeks prior to the election. Such credentials shall be authorized by the real or facsimile signature of the State or local party official or the candidate or the presiding officer of the civic organization or the chairman of the proponent or opponent group, as the case may be. The election authority may not require any such party official or the candidate or the presiding officer of the civic organization or the chairman of the proponent or opponent group to submit the names or other information concerning pollwatchers before making credentials available to such persons or organizations.

Pollwatcher credentials shall be in substantially the following form:
POLLWATCHER CREDENTIALS

TO THE JUDGES OF ELECTION:

In accordance with the provisions of the Election Code, the undersigned hereby appoints ........... (name of pollwatcher) who resides at ............ (address) in the county of ............, ............ (township or municipality) of ............ (name), State of Illinois and who is duly registered to vote from this address, to act as a pollwatcher in the ............ precinct of the ............ ward (if applicable) of the ............ (township or municipality) of ............ at the ............ election to be held on (insert date).

........................ (Signature of Appointing Authority)

........................ TITLE (party official, candidate, civic organization president, proponent or opponent group chairman)

(address) in the county of ................., ................. (township or municipality) of ................. (name), State of Illinois, and is duly registered to vote in Illinois.

........................ (Precinct and/or Ward in (Signature of Pollwatcher)
Pollwatchers must present their credentials to the Judges of Election upon entering the polling place. Pollwatcher credentials properly executed and signed shall be proof of the qualifications of the pollwatcher authorized thereby. Such credentials are retained by the Judges and returned to the Election Authority at the end of the day of election with the other election materials. Once a pollwatcher has surrendered a valid credential, he may leave and reenter the polling place provided that such continuing action does not disrupt the conduct of the election. Pollwatchers may be substituted during the course of the day, but established political parties, candidates and qualified civic organizations can have only as many pollwatchers at any given time as are authorized in this Article. A substitute must present his signed credential to the judges of election upon entering the polling place. Election authorities must provide a sufficient number of credentials to allow for substitution of pollwatchers. After the polls have closed pollwatchers shall be allowed to remain until the canvass of votes is completed; but may leave and reenter only in cases of necessity, provided that such action is not so continuous as to disrupt the canvass of votes. Candidates seeking office in a district or municipality encompassing 2 or more counties shall be admitted to any and all polling places throughout such district or municipality
without regard to the counties in which such candidates are registered to vote. Actions of such candidates shall be governed in each polling place by the same privileges and limitations that apply to pollwatchers as provided in this Section. Any such candidate who engages in an activity in a polling place which could reasonably be construed by a majority of the judges of election as campaign activity shall be removed forthwith from such polling place.

Candidates seeking office in a district or municipality encompassing 2 or more counties who desire to be admitted to polling places on election day in such district or municipality shall be required to have proper credentials. Such credentials shall be printed in sufficient quantities, shall be issued by and under the facsimile signature of the election authority of the election jurisdiction where the polling place in which the candidate seeks admittance is located, and shall be available for distribution at least 2 weeks prior to the election. Such credentials shall be signed by the candidate.

Candidate credentials shall be in substantially the following form:

CANDIDATE CREDENTIALS

TO THE JUDGES OF ELECTION:

In accordance with the provisions of the Election Code, I ....... (name of candidate) hereby certify that I am a candidate for ....... (name of office) and seek admittance to .......
Pollwatchers shall be permitted to observe all proceedings and view all reasonably requested records relating to the conduct of the election, provided the secrecy of the ballot is not impinged, and to station themselves in a position in the voting room as will enable them to observe the judges making the signature comparison between the voter application and the voter registration record card; provided, however, that such pollwatchers shall not be permitted to station themselves in such close proximity to the judges of election so as to interfere with the orderly conduct of the election and shall not, in any event, be permitted to handle election materials. Pollwatchers may challenge for cause the voting qualifications of a person offering to vote and may call to the attention of the judges of election any incorrect procedure or apparent violations of this Code.

If a majority of the judges of election determine that the polling place has become too overcrowded with pollwatchers so
as to interfere with the orderly conduct of the election, the judges shall, by lot, limit such poll watchers to a reasonable number, except that each established or new political party shall be permitted to have at least one poll watcher present.

Representatives of an election authority, with regard to an election under its jurisdiction, the State Board of Elections, and law enforcement agencies, including but not limited to a United States Attorney, a State's attorney, the Attorney General, and a State, county, or local police department, in the performance of their official election duties, shall be permitted at all times to enter and remain in the polling place. Upon entering the polling place, such representatives shall display their official credentials or other identification to the judges of election.

Uniformed police officers assigned to polling place duty shall follow all lawful instructions of the judges of election.

The provisions of this Section shall also apply to supervised casting of absentee ballots as provided in Section 19-12.2 of this Act.

Section 25. The State Treasurer Act is amended by changing Section 16.5 as follows:

(15 ILCS 505/16.5)

Sec. 16.5. College Savings Pool. The State Treasurer may establish and administer a College Savings Pool to supplement and enhance the investment opportunities otherwise available to persons seeking to finance the costs of higher education. The State Treasurer, in administering the College Savings Pool, may receive moneys paid into the pool by a participant and may serve as the fiscal agent of that participant for the purpose of holding and investing those moneys.

"Participant", as used in this Section, means any person who has authority to withdraw funds, change the designated
beneficiary, or otherwise exercise control over an account. "Donor", as used in this Section, means any person who makes investments in the pool. "Designated beneficiary", as used in this Section, means any person on whose behalf an account is established in the College Savings Pool by a participant. Both in-state and out-of-state persons may be participants, donors, and designated beneficiaries in the College Savings Pool.

New accounts in the College Savings Pool may be processed through participating financial institutions. "Participating financial institution", as used in this Section, means any financial institution insured by the Federal Deposit Insurance Corporation and lawfully doing business in the State of Illinois and any credit union approved by the State Treasurer and lawfully doing business in the State of Illinois that agrees to process new accounts in the College Savings Pool. Participating financial institutions may charge a processing fee to participants to open an account in the pool that shall not exceed $30 until the year 2001. Beginning in 2001 and every year thereafter, the maximum fee limit shall be adjusted by the Treasurer based on the Consumer Price Index for the North Central Region as published by the United States Department of Labor, Bureau of Labor Statistics for the immediately preceding calendar year. Every contribution received by a financial institution for investment in the College Savings Pool shall be transferred from the financial institution to a location selected by the State Treasurer within one business day.
following the day that the funds must be made available in accordance with federal law. All communications from the State Treasurer to participants and donors shall reference the participating financial institution at which the account was processed.

The Treasurer may invest the moneys in the College Savings Pool in the same manner and in the same types of investments provided for the investment of moneys by the Illinois State Board of Investment. To enhance the safety and liquidity of the College Savings Pool, to ensure the diversification of the investment portfolio of the pool, and in an effort to keep investment dollars in the State of Illinois, the State Treasurer may make a percentage of each account available for investment in participating financial institutions doing business in the State. The State Treasurer may deposit with the participating financial institution at which the account was processed the following percentage of each account at a prevailing rate offered by the institution, provided that the deposit is federally insured or fully collateralized and the institution accepts the deposit: 10% of the total amount of each account for which the current age of the beneficiary is less than 7 years of age, 20% of the total amount of each account for which the beneficiary is at least 7 years of age and less than 12 years of age, and 50% of the total amount of each account for which the current age of the beneficiary is at least 12 years of age. The Treasurer shall develop, publish,
and implement an investment policy covering the investment of the moneys in the College Savings Pool. The policy shall be published (i) at least once each year in at least one newspaper of general circulation in both Springfield and Chicago and (ii) each year as part of the audit of the College Savings Pool by the Auditor General, which shall be distributed to all participants. The Treasurer shall notify all participants in writing, and the Treasurer shall publish in a newspaper of general circulation in both Chicago and Springfield, any changes to the previously published investment policy at least 30 calendar days before implementing the policy. Any investment policy adopted by the Treasurer shall be reviewed and updated if necessary within 90 days following the date that the State Treasurer takes office.

Participants shall be required to use moneys distributed from the College Savings Pool for qualified expenses at eligible educational institutions. "Qualified expenses", as used in this Section, means the following: (i) tuition, fees, and the costs of books, supplies, and equipment required for enrollment or attendance at an eligible educational institution and (ii) certain room and board expenses incurred while attending an eligible educational institution at least half-time. "Eligible educational institutions", as used in this Section, means public and private colleges, junior colleges, graduate schools, and certain vocational institutions that are described in Section 481 of the Higher
Education Act of 1965 (20 U.S.C. 1088) and that are eligible to participate in Department of Education student aid programs. A student shall be considered to be enrolled at least half-time if the student is enrolled for at least half the full-time academic work load for the course of study the student is pursuing as determined under the standards of the institution at which the student is enrolled. Distributions made from the pool for qualified expenses shall be made directly to the eligible educational institution, directly to a vendor, or in the form of a check payable to both the beneficiary and the institution or vendor. Any moneys that are distributed in any other manner or that are used for expenses other than qualified expenses at an eligible educational institution shall be subject to a penalty of 10% of the earnings unless the beneficiary dies, becomes disabled, or receives a scholarship that equals or exceeds the distribution. Penalties shall be withheld at the time the distribution is made.

The Treasurer shall limit the contributions that may be made on behalf of a designated beneficiary based on the limitations established by the Internal Revenue Service. The contributions made on behalf of a beneficiary who is also a beneficiary under the Illinois Prepaid Tuition Program shall be further restricted to ensure that the contributions in both programs combined do not exceed the limit established for the College Savings Pool. The Treasurer shall provide the Illinois Student Assistance Commission each year at a time designated by
the Commission, an electronic report of all participant accounts in the Treasurer's College Savings Pool, listing total contributions and disbursements from each individual account during the previous calendar year. As soon thereafter as is possible following receipt of the Treasurer's report, the Illinois Student Assistance Commission shall, in turn, provide the Treasurer with an electronic report listing those College Savings Pool participants who also participate in the State's prepaid tuition program, administered by the Commission. The Commission shall be responsible for filing any combined tax reports regarding State qualified savings programs required by the United States Internal Revenue Service. The Treasurer shall work with the Illinois Student Assistance Commission to coordinate the marketing of the College Savings Pool and the Illinois Prepaid Tuition Program when considered beneficial by the Treasurer and the Director of the Illinois Student Assistance Commission. The Treasurer's office shall not publicize or otherwise market the College Savings Pool or accept any moneys into the College Savings Pool prior to March 1, 2000. The Treasurer shall provide a separate accounting for each designated beneficiary to each participant, the Illinois Student Assistance Commission, and the participating financial institution at which the account was processed. No interest in the program may be pledged as security for a loan. Moneys held in an account invested in the Illinois College Savings Pool shall be exempt from all claims of the creditors of the
participant, donor, or designated beneficiary of that account, except for the non-exempt College Savings Pool transfers to or from the account as defined under subsection (j) of Section 12-1001 of the Code of Civil Procedure (735 ILCS 5/12-1001(j)).

The assets of the College Savings Pool and its income and operation shall be exempt from all taxation by the State of Illinois and any of its subdivisions. The accrued earnings on investments in the Pool once disbursed on behalf of a designated beneficiary shall be similarly exempt from all taxation by the State of Illinois and its subdivisions, so long as they are used for qualified expenses. Contributions to a College Savings Pool account during the taxable year may be deducted from adjusted gross income as provided in Section 203 of the Illinois Income Tax Act. The provisions of this paragraph are exempt from Section 250 of the Illinois Income Tax Act.

The Treasurer shall adopt rules he or she considers necessary for the efficient administration of the College Savings Pool. The rules shall provide whatever additional parameters and restrictions are necessary to ensure that the College Savings Pool meets all of the requirements for a qualified state tuition program under Section 529 of the Internal Revenue Code (26 U.S.C. 529). The rules shall provide for the administration expenses of the pool to be paid from its earnings and for the investment earnings in excess of the expenses and all moneys collected as penalties to be credited
or paid monthly to the several participants in the pool in a manner which equitably reflects the differing amounts of their respective investments in the pool and the differing periods of time for which those amounts were in the custody of the pool. Also, the rules shall require the maintenance of records that enable the Treasurer's office to produce a report for each account in the pool at least annually that documents the account balance and investment earnings. Notice of any proposed amendments to the rules and regulations shall be provided to all participants prior to adoption. Amendments to rules and regulations shall apply only to contributions made after the adoption of the amendment.

Upon creating the College Savings Pool, the State Treasurer shall give bond with 2 or more sufficient sureties, payable to and for the benefit of the participants in the College Savings Pool, in the penal sum of $1,000,000, conditioned upon the faithful discharge of his or her duties in relation to the College Savings Pool.

The Department shall distribute the pamphlets to physicians, pharmacists and persons 65 years of age or older or various senior citizen organizations throughout the State.

(19) To conduct a study by April 1, 1994 of the feasibility of implementing the Senior Companion Program throughout the State for the fiscal year beginning July 1, 1994.

(20) With respect to contracts in effect on July 1, 1994, the Department shall increase the grant amounts so that the reimbursement rates paid through the community care program for chore housekeeping services and home care aides are at the same rate, which shall be the higher of the 2 rates currently paid. With respect to all contracts entered into, renewed, or extended on or after July 1, 1994, the reimbursement rates paid through the community care program for chore housekeeping services and home care aides shall be the same.

(21) From funds appropriated to the Department from the
Meals on Wheels Fund, a special fund in the State treasury that is hereby created, and in accordance with State and federal guidelines and the intrastate funding formula, to make grants to area agencies on aging, designated by the Department, for the sole purpose of delivering meals to homebound persons 60 years of age and older.

(22) To distribute, through its area agencies on aging, information alerting seniors on safety issues regarding emergency weather conditions, including extreme heat and cold, flooding, tornadoes, electrical storms, and other severe storm weather. The information shall include all necessary instructions for safety and all emergency telephone numbers of organizations that will provide additional information and assistance.

(23) To develop guidelines for the organization and implementation of Volunteer Services Credit Programs to be administered by Area Agencies on Aging or community based senior service organizations. The Department shall hold public hearings on the proposed guidelines for public comment, suggestion, and determination of public interest. The guidelines shall be based on the findings of other states and of community organizations in Illinois that are currently operating volunteer services credit programs or demonstration volunteer services credit programs. The Department shall offer guidelines for all aspects of the programs including, but not limited to, the following:

(20 ILCS 105/4.02) (from Ch. 23, par. 6104.02)
(Text of Section before amendment by P.A. 95-565)

Sec. 4.02. The Department shall establish a program of services to prevent unnecessary institutionalization of
persons age 60 and older in need of long term care or who are established as persons who suffer from Alzheimer's disease or a related disorder under the Alzheimer's Disease Assistance Act, thereby enabling them to remain in their own homes or in other living arrangements. Such preventive services, which may be coordinated with other programs for the aged and monitored by area agencies on aging in cooperation with the Department, may include, but are not limited to, any or all of the following:

(a) home health services;
(b) home nursing services;
(c) home care aide services;
(d) chore and housekeeping services;
(e) adult day services;
(f) home-delivered meals;
(g) education in self-care;
(h) personal care services;
(i) adult day health services;
(j) habilitation services;
(k) respite care;
(k-5) community reintegration services;
(l) other nonmedical social services that may enable the person to become self-supporting; or
(m) clearinghouse for information provided by senior citizen home owners who want to rent rooms to or share living space with other senior citizens.

The Department shall establish eligibility standards for
such services taking into consideration the unique economic and social needs of the target population for whom they are to be provided. Such eligibility standards shall be based on the recipient's ability to pay for services; provided, however, that in determining the amount and nature of services for which a person may qualify, consideration shall not be given to the value of cash, property or other assets held in the name of the person's spouse pursuant to a written agreement dividing marital property into equal but separate shares or pursuant to a transfer of the person's interest in a home to his spouse, provided that the spouse's share of the marital property is not made available to the person seeking such services.

Beginning July 1, 2002, the Department shall require as a condition of eligibility that all financially eligible applicants and recipients apply for medical assistance under Article V of the Illinois Public Aid Code in accordance with rules promulgated by the Department.

The Department shall, in conjunction with the Department of Public Aid (now Department of Healthcare and Family Services), seek appropriate amendments under Sections 1915 and 1924 of the Social Security Act. The purpose of the amendments shall be to extend eligibility for home and community based services under Sections 1915 and 1924 of the Social Security Act to persons who transfer to or for the benefit of a spouse those amounts of income and resources allowed under Section 1924 of the Social Security Act. Subject to the approval of such amendments, the
Department shall extend the provisions of Section 5-4 of the Illinois Public Aid Code to persons who, but for the provision of home or community-based services, would require the level of care provided in an institution, as is provided for in federal law. Those persons no longer found to be eligible for receiving noninstitutional services due to changes in the eligibility criteria shall be given 60 days notice prior to actual termination. Those persons receiving notice of termination may contact the Department and request the determination be appealed at any time during the 60 day notice period. With the exception of the lengthened notice and time frame for the appeal request, the appeal process shall follow the normal procedure. In addition, each person affected regardless of the circumstances for discontinued eligibility shall be given notice and the opportunity to purchase the necessary services through the Community Care Program. If the individual does not elect to purchase services, the Department shall advise the individual of alternative services. The target population identified for the purposes of this Section are persons age 60 and older with an identified service need. Priority shall be given to those who are at imminent risk of institutionalization. The services shall be provided to eligible persons age 60 and older to the extent that the cost of the services together with the other personal maintenance expenses of the persons are reasonably related to the standards established for care in a group facility appropriate to the
person's condition. These non-institutional services, pilot projects or experimental facilities may be provided as part of or in addition to those authorized by federal law or those funded and administered by the Department of Human Services. The Departments of Human Services, Healthcare and Family Services, Public Health, Veterans' Affairs, and Commerce and Economic Opportunity and other appropriate agencies of State, federal and local governments shall cooperate with the Department on Aging in the establishment and development of the non-institutional services. The Department shall require an annual audit from all chore/housekeeping and home care aide vendors contracting with the Department under this Section. The annual audit shall assure that each audited vendor's procedures are in compliance with Department's financial reporting guidelines requiring an administrative and employee wage and benefits cost split as defined in administrative rules. The audit is a public record under the Freedom of Information Act. The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department of Healthcare and Family Services, to effect the following: (1) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (2) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped. On and after July 1, 1996, all nursing home
prescreenings for individuals 60 years of age or older shall be conducted by the Department.

As part of the Department on Aging's routine training of case managers and case manager supervisors, the Department may include information on family futures planning for persons who are age 60 or older and who are caregivers of their adult children with developmental disabilities. The content of the training shall be at the Department's discretion.

The Department is authorized to establish a system of recipient copayment for services provided under this Section, such copayment to be based upon the recipient's ability to pay but in no case to exceed the actual cost of the services provided. Additionally, any portion of a person's income which is equal to or less than the federal poverty standard shall not be considered by the Department in determining the copayment. The level of such copayment shall be adjusted whenever necessary to reflect any change in the officially designated federal poverty standard.

The Department, or the Department's authorized representative, shall recover the amount of moneys expended for services provided to or in behalf of a person under this Section by a claim against the person's estate or against the estate of the person's surviving spouse, but no recovery may be had until after the death of the surviving spouse, if any, and then only at such time when there is no surviving child who is under age 21, blind, or permanently and totally disabled. This
paragraph, however, shall not bar recovery, at the death of the person, of moneys for services provided to the person or in behalf of the person under this Section to which the person was not entitled; provided that such recovery shall not be enforced against any real estate while it is occupied as a homestead by the surviving spouse or other dependent, if no claims by other creditors have been filed against the estate, or, if such claims have been filed, they remain dormant for failure of prosecution or failure of the claimant to compel administration of the estate for the purpose of payment. This paragraph shall not bar recovery from the estate of a spouse, under Sections 1915 and 1924 of the Social Security Act and Section 5-4 of the Illinois Public Aid Code, who precedes a person receiving services under this Section in death. All moneys for services paid to or in behalf of the person under this Section shall be claimed for recovery from the deceased spouse's estate. "Homestead", as used in this paragraph, means the dwelling house and contiguous real estate occupied by a surviving spouse or relative, as defined by the rules and regulations of the Department of Healthcare and Family Services, regardless of the value of the property.

The Department shall develop procedures to enhance availability of services on evenings, weekends, and on an emergency basis to meet the respite needs of caregivers. Procedures shall be developed to permit the utilization of services in successive blocks of 24 hours up to the monthly
maximum established by the Department. Workers providing these services shall be appropriately trained.

Beginning on the effective date of this Amendatory Act of 1991, no person may perform chore/housekeeping and home care aide services under a program authorized by this Section unless that person has been issued a certificate of pre-service to do so by his or her employing agency. Information gathered to effect such certification shall include (i) the person's name, (ii) the date the person was hired by his or her current employer, and (iii) the training, including dates and levels. Persons engaged in the program authorized by this Section before the effective date of this amendatory Act of 1991 shall be issued a certificate of all pre- and in-service training from his or her employer upon submitting the necessary information. The employing agency shall be required to retain records of all staff pre- and in-service training, and shall provide such records to the Department upon request and upon termination of the employer's contract with the Department. In addition, the employing agency is responsible for the issuance of certifications of in-service training completed to their employees.

The Department is required to develop a system to ensure that persons working as home care aides and chore housekeepers receive increases in their wages when the federal minimum wage is increased by requiring vendors to certify that they are meeting the federal minimum wage statute for home care aides.
and chore housekeepers. An employer that cannot ensure that the minimum wage increase is being given to home care aides and chore housekeepers shall be denied any increase in reimbursement costs.

The Community Care Program Advisory Committee is created in the Department on Aging. The Director shall appoint individuals to serve in the Committee, who shall serve at their own expense. Members of the Committee must abide by all applicable ethics laws. The Committee shall advise the Department on issues related to the Department's program of services to prevent unnecessary institutionalization. The Committee shall meet on a bi-monthly basis and shall serve to identify and advise the Department on present and potential issues affecting the service delivery network, the program's clients, and the Department and to recommend solution strategies. Persons appointed to the Committee shall be appointed on, but not limited to, their own and their agency's experience with the program, geographic representation, and willingness to serve. The Director shall appoint members to the Committee to represent provider, advocacy, policy research, and other constituencies committed to the delivery of high quality home and community-based services to older adults. Representatives shall be appointed to ensure representation from community care providers including, but not limited to, adult day service providers, homemaker providers, case coordination and case management units, emergency home response providers, statewide
trade or labor unions that represent home care aides and direct care staff, area agencies on aging, adults over age 60, membership organizations representing older adults, and other organizational entities, providers of care, or individuals with demonstrated interest and expertise in the field of home and community care as determined by the Director.

Nominations may be presented from any agency or State association with interest in the program. The Director, or his or her designee, shall serve as the permanent co-chair of the advisory committee. One other co-chair shall be nominated and approved by the members of the committee on an annual basis. Committee members' terms of appointment shall be for 4 years with one-quarter of the appointees' terms expiring each year. A member shall continue to serve until his or her replacement is named. The Department shall fill vacancies that have a remaining term of over one year, and this replacement shall occur through the annual replacement of expiring terms. The Director shall designate Department staff to provide technical assistance and staff support to the committee. Department representation shall not constitute membership of the committee. All Committee papers, issues, recommendations, reports, and meeting memoranda are advisory only. The Director, or his or her designee, shall make a written report, as requested by the Committee, regarding issues before the Committee.

The Department on Aging and the Department of Human
Services shall cooperate in the development and submission of an annual report on programs and services provided under this Section. Such joint report shall be filed with the Governor and the General Assembly on or before September 30 each year.

The requirement for reporting to the General Assembly shall be satisfied by filing copies of the report with the Speaker, the Minority Leader and the Clerk of the House of Representatives and the President, the Minority Leader and the Secretary of the Senate and the Legislative Research Unit, as required by Section 3.1 of the General Assembly Organization Act and filing such additional copies with the State Government Report Distribution Center for the General Assembly as is required under paragraph (t) of Section 7 of the State Library Act.

Those persons previously found eligible for receiving non-institutional services whose services were discontinued under the Emergency Budget Act of Fiscal Year 1992, and who do not meet the eligibility standards in effect on or after July 1, 1992, shall remain ineligible on and after July 1, 1992. Those persons previously not required to cost-share and who were required to cost-share effective March 1, 1992, shall continue to meet cost-share requirements on and after July 1, 1992. Beginning July 1, 1992, all clients will be required to meet eligibility, cost-share, and other requirements and will have services discontinued or altered when they fail to meet these requirements.
Sec. 4.02. Community Care Program. The Department shall establish a program of services to prevent unnecessary institutionalization of persons age 60 and older in need of long term care or who are established as persons who suffer from Alzheimer's disease or a related disorder under the Alzheimer's Disease Assistance Act, thereby enabling them to remain in their own homes or in other living arrangements. Such preventive services, which may be coordinated with other programs for the aged and monitored by area agencies on aging in cooperation with the Department, may include, but are not limited to, any or all of the following:

(k) respite care;
(k-5) community reintegration services;
(k-6) flexible senior services;
(k-7) medication management;
(k-8) emergency home response;
(l) other nonmedical social services that may enable
the person to become self-supporting; or
(m) clearinghouse for information provided by senior
citizen home owners who want to rent rooms to or share
living space with other senior citizens.

The Department shall establish eligibility standards for
such services taking into consideration the unique economic and
social needs of the target population for whom they are to be
provided. Such eligibility standards shall be based on the
recipient's ability to pay for services; provided, however,
that in determining the amount and nature of services for which
a person may qualify, consideration shall not be given to the
value of cash, property or other assets held in the name of the
person's spouse pursuant to a written agreement dividing
marital property into equal but separate shares or pursuant to
a transfer of the person's interest in a home to his spouse,
provided that the spouse's share of the marital property is not
made available to the person seeking such services.

Beginning July 1, 2002, the Department shall require as a
condition of eligibility that all financially eligible
applicants apply for medical assistance under Article V of the
Illinois Public Aid Code in accordance with rules promulgated by the Department.

Beginning January 1, 2008, the Department shall require as a condition of eligibility that all new financially eligible applicants apply for and enroll in medical assistance under Article V of the Illinois Public Aid Code in accordance with rules promulgated by the Department.

The Department shall, in conjunction with the Department of Public Aid (now Department of Healthcare and Family Services), seek appropriate amendments under Sections 1915 and 1924 of the Social Security Act. The purpose of the amendments shall be to extend eligibility for home and community based services under Sections 1915 and 1924 of the Social Security Act to persons who transfer to or for the benefit of a spouse those amounts of income and resources allowed under Section 1924 of the Social Security Act. Subject to the approval of such amendments, the Department shall extend the provisions of Section 5-4 of the Illinois Public Aid Code to persons who, but for the provision of home or community-based services, would require the level of care provided in an institution, as is provided for in federal law. Those persons no longer found to be eligible for receiving noninstitutional services due to changes in the eligibility criteria shall be given 60 days notice prior to actual termination. Those persons receiving notice of termination may contact the Department and request the determination be appealed at any time during the 60 day notice period. With the
exception of the lengthened notice and time frame for the appeal request, the appeal process shall follow the normal procedure. In addition, each person affected regardless of the circumstances for discontinued eligibility shall be given notice and the opportunity to purchase the necessary services through the Community Care Program. If the individual does not elect to purchase services, the Department shall advise the individual of alternative services. The target population identified for the purposes of this Section are persons age 60 and older with an identified service need. Priority shall be given to those who are at imminent risk of institutionalization. The services shall be provided to eligible persons age 60 and older to the extent that the cost of the services together with the other personal maintenance expenses of the persons are reasonably related to the standards established for care in a group facility appropriate to the person's condition. These non-institutional services, pilot projects or experimental facilities may be provided as part of or in addition to those authorized by federal law or those funded and administered by the Department of Human Services. The Departments of Human Services, Healthcare and Family Services, Public Health, Veterans' Affairs, and Commerce and Economic Opportunity and other appropriate agencies of State, federal and local governments shall cooperate with the Department on Aging in the establishment and development of the non-institutional services. The Department shall require an
annual audit from all personal assistant, chore/housekeeping, and home care aide vendors contracting with the Department under this Section. The annual audit shall assure that each audited vendor's procedures are in compliance with Department's financial reporting guidelines requiring an administrative and employee wage and benefits cost split as defined in administrative rules. The audit is a public record under the Freedom of Information Act. The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department of Healthcare and Family Services, to effect the following: (1) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (2) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped. On and after July 1, 1996, all nursing home prescreenings for individuals 60 years of age or older shall be conducted by the Department.

As part of the Department on Aging's routine training of case managers and case manager supervisors, the Department may include information on family futures planning for persons who are age 60 or older and who are caregivers of their adult children with developmental disabilities. The content of the training shall be at the Department's discretion.

The Department is authorized to establish a system of
recipient copayment for services provided under this Section, such copayment to be based upon the recipient's ability to pay but in no case to exceed the actual cost of the services provided. Additionally, any portion of a person's income which is equal to or less than the federal poverty standard shall not be considered by the Department in determining the copayment. The level of such copayment shall be adjusted whenever necessary to reflect any change in the officially designated federal poverty standard.

The Department, or the Department's authorized representative, shall recover the amount of moneys expended for services provided to or in behalf of a person under this Section by a claim against the person's estate or against the estate of the person's surviving spouse, but no recovery may be had until after the death of the surviving spouse, if any, and then only at such time when there is no surviving child who is under age 21, blind, or permanently and totally disabled. This paragraph, however, shall not bar recovery, at the death of the person, of moneys for services provided to the person or in behalf of the person under this Section to which the person was not entitled; provided that such recovery shall not be enforced against any real estate while it is occupied as a homestead by the surviving spouse or other dependent, if no claims by other creditors have been filed against the estate, or, if such claims have been filed, they remain dormant for failure of prosecution or failure of the claimant to compel administration
of the estate for the purpose of payment. This paragraph shall not bar recovery from the estate of a spouse, under Sections 1915 and 1924 of the Social Security Act and Section 5-4 of the Illinois Public Aid Code, who precedes a person receiving services under this Section in death. All moneys for services paid to or in behalf of the person under this Section shall be claimed for recovery from the deceased spouse's estate. "Homestead", as used in this paragraph, means the dwelling house and contiguous real estate occupied by a surviving spouse or relative, as defined by the rules and regulations of the Department of Healthcare and Family Services, regardless of the value of the property.

The Department shall increase the effectiveness of the existing Community Care Program by:

(1) ensuring that in-home services included in the care plan are available on evenings and weekends;

(2) ensuring that care plans contain the services that eligible participants need based on the number of days in a month, not limited to specific blocks of time, as identified by the comprehensive assessment tool selected by the Department for use statewide, not to exceed the total monthly service cost maximum allowed for each service; the Department shall develop administrative rules to implement this item (2);

(3) ensuring that the participants have the right to choose the services contained in their care plan and to
direct how those services are provided, based on administrative rules established by the Department;

(4) ensuring that the determination of need tool is accurate in determining the participants' level of need; to achieve this, the Department, in conjunction with the Older Adult Services Advisory Committee, shall institute a study of the relationship between the Determination of Need scores, level of need, service cost maximums, and the development and utilization of service plans no later than May 1, 2008; findings and recommendations shall be presented to the Governor and the General Assembly no later than January 1, 2009; recommendations shall include all needed changes to the service cost maximums schedule and additional covered services;

(5) ensuring that homemakers can provide personal care services that may or may not involve contact with clients, including but not limited to:

(A) bathing;
(B) grooming;
(C) toileting;
(D) nail care;
(E) transferring;
(F) respiratory services;
(G) exercise; or
(H) positioning;

(6) ensuring that homemaker program vendors are not
restricted from hiring homemakers who are family members of clients or recommended by clients; the Department may not, by rule or policy, require homemakers who are family members of clients or recommended by clients to accept assignments in homes other than the client; and

(7) ensuring that the State may access maximum federal matching funds by seeking approval for the Centers for Medicare and Medicaid Services for modifications to the State's home and community based services waiver and additional waiver opportunities in order to maximize federal matching funds; this shall include, but not be limited to, modification that reflects all changes in the Community Care Program services and all increases in the services cost maximum.

By January 1, 2009 or as soon after the end of the Cash and Counseling Demonstration Project as is practicable, the Department may, based on its evaluation of the demonstration project, promulgate rules concerning personal assistant services, to include, but need not be limited to, qualifications, employment screening, rights under fair labor standards, training, fiduciary agent, and supervision requirements. All applicants shall be subject to the provisions of the Health Care Worker Background Check Act.

The Department shall develop procedures to enhance availability of services on evenings, weekends, and on an emergency basis to meet the respite needs of caregivers.
Procedures shall be developed to permit the utilization of services in successive blocks of 24 hours up to the monthly maximum established by the Department. Workers providing these services shall be appropriately trained.

Beginning on the effective date of this Amendatory Act of 1991, no person may perform chore/housekeeping and home care aide services under a program authorized by this Section unless that person has been issued a certificate of pre-service to do so by his or her employing agency. Information gathered to effect such certification shall include (i) the person's name, (ii) the date the person was hired by his or her current employer, and (iii) the training, including dates and levels. Persons engaged in the program authorized by this Section before the effective date of this amendatory Act of 1991 shall be issued a certificate of all pre- and in-service training from his or her employer upon submitting the necessary information. The employing agency shall be required to retain records of all staff pre- and in-service training, and shall provide such records to the Department upon request and upon termination of the employer's contract with the Department. In addition, the employing agency is responsible for the issuance of certifications of in-service training completed to their employees.

The Department is required to develop a system to ensure that persons working as home care aides and personal assistants receive increases in their wages when the
federal minimum wage is increased by requiring vendors to certify that they are meeting the federal minimum wage statute for home care aides and personal assistants chore housekeepers. An employer that cannot ensure that the minimum wage increase is being given to home care aides and personal assistants chore housekeepers shall be denied any increase in reimbursement costs.

The Community Care Program Advisory Committee is created in the Department on Aging. The Director shall appoint individuals to serve in the Committee, who shall serve at their own expense. Members of the Committee must abide by all applicable ethics laws. The Committee shall advise the Department on issues related to the Department's program of services to prevent unnecessary institutionalization. The Committee shall meet on a bi-monthly basis and shall serve to identify and advise the Department on present and potential issues affecting the service delivery network, the program's clients, and the Department and to recommend solution strategies. Persons appointed to the Committee shall be appointed on, but not limited to, their own and their agency's experience with the program, geographic representation, and willingness to serve. The Director shall appoint members to the Committee to represent provider, advocacy, policy research, and other constituencies committed to the delivery of high quality home and community-based services to older adults. Representatives shall be appointed to ensure representation from community care
providers including, but not limited to, adult day service providers, homemaker providers, case coordination and case management units, emergency home response providers, statewide trade or labor unions that represent home care aides and direct care staff, area agencies on aging, adults over age 60, membership organizations representing older adults, and other organizational entities, providers of care, or individuals with demonstrated interest and expertise in the field of home and community care as determined by the Director.

Nominations may be presented from any agency or State association with interest in the program. The Director, or his or her designee, shall serve as the permanent co-chair of the advisory committee. One other co-chair shall be nominated and approved by the members of the committee on an annual basis. Committee members' terms of appointment shall be for 4 years with one-quarter of the appointees' terms expiring each year. A member shall continue to serve until his or her replacement is named. The Department shall fill vacancies that have a remaining term of over one year, and this replacement shall occur through the annual replacement of expiring terms. The Director shall designate Department staff to provide technical assistance and staff support to the committee. Department representation shall not constitute membership of the committee. All Committee papers, issues, recommendations, reports, and meeting memoranda are advisory only. The Director, or his or her designee, shall make a written report, as
requested by the Committee, regarding issues before the Committee.

The Department on Aging and the Department of Human Services shall cooperate in the development and submission of an annual report on programs and services provided under this Section. Such joint report shall be filed with the Governor and the General Assembly on or before September 30 each year.

The requirement for reporting to the General Assembly shall be satisfied by filing copies of the report with the Speaker, the Minority Leader and the Clerk of the House of Representatives and the President, the Minority Leader and the Secretary of the Senate and the Legislative Research Unit, as required by Section 3.1 of the General Assembly Organization Act and filing such additional copies with the State Government Report Distribution Center for the General Assembly as is required under paragraph (t) of Section 7 of the State Library Act.

Those persons previously found eligible for receiving non-institutional services whose services were discontinued under the Emergency Budget Act of Fiscal Year 1992, and who do not meet the eligibility standards in effect on or after July 1, 1992, shall remain ineligible on and after July 1, 1992. Those persons previously not required to cost-share and who were required to cost-share effective March 1, 1992, shall continue to meet cost-share requirements on and after July 1, 1992. Beginning July 1, 1992, all clients will be required to
meet eligibility, cost-share, and other requirements and will have services discontinued or altered when they fail to meet these requirements.

For the purposes of this Section, "flexible senior services" refers to services that require one-time or periodic expenditures including, but not limited to, respite care, home modification, assistive technology, housing assistance, and transportation.

Sec. 4.08. Rural and small town meals program. Subject to appropriation, the Department may establish a program to ensure the availability of congregate or home-delivered meals in communities with populations of under 5,000 that are not located within the large urban counties of Cook, DuPage, Kane, Lake, or Will.

The Department may meet these requirements by entering into agreements with Area Agencies on Aging or Department designees, which shall in turn enter into grants or contractual agreements with such local entities as restaurants, cafes, churches, facilities licensed under the Nursing Home Care Act, the Assisted Living and Shared Housing Act, or the Hospital Licensing Act, facilities certified by the Department of
Healthcare and Family Services, senior centers, or Older American Act designated nutrition service providers.

First consideration shall be given to entities that can cost effectively meet the needs of seniors in the community by preparing the food locally.

In no instance shall funds provided pursuant to this Section be used to replace funds allocated to a given area or program as of the effective date of this amendatory Act of the 95th General Assembly.

The Department shall establish guidelines and standards by administrative rule, which shall include submission of an expenditure plan by the recipient of the funds.

Section 35. The Children and Family Services Act is amended by changing Section 5 as follows:

(20 ILCS 505/5) (from Ch. 23, par. 5005)
Sec. 5. Direct child welfare services; Department of Children and Family Services. To provide direct child welfare services when not available through other public or private child care or program facilities.

(a) For purposes of this Section:

(1) "Children" means persons found within the State who are under the age of 18 years. The term also includes persons under age 19 who:

(A) were committed to the Department pursuant to the Juvenile Court Act or the Juvenile Court Act of 1987, as amended, prior to the age of 18 and who continue under the jurisdiction of the court; or

(B) were accepted for care, service and training by the Department prior to the age of 18 and whose best interest in the discretion of the Department would be served by continuing that care, service and training because of severe emotional disturbances, physical disability, social adjustment or any combination thereof, or because of the need to complete an educational or vocational training program.

(2) "Homeless youth" means persons found within the State who are under the age of 19, are not in a safe and stable living situation and cannot be reunited with their families.

(3) "Child welfare services" means public social
services which are directed toward the accomplishment of the following purposes:

(A) protecting and promoting the health, safety and welfare of children, including homeless, dependent or neglected children;

(B) remedying, or assisting in the solution of problems which may result in, the neglect, abuse, exploitation or delinquency of children;

(C) preventing the unnecessary separation of children from their families by identifying family problems, assisting families in resolving their problems, and preventing the breakup of the family where the prevention of child removal is desirable and possible when the child can be cared for at home without endangering the child's health and safety;

(D) restoring to their families children who have been removed, by the provision of services to the child and the families when the child can be cared for at home without endangering the child's health and safety;

(E) placing children in suitable adoptive homes, in cases where restoration to the biological family is not safe, possible or appropriate;

(F) assuring safe and adequate care of children away from their homes, in cases where the child cannot be returned home or cannot be placed for adoption. At
the time of placement, the Department shall consider concurrent planning, as described in subsection (l-1) of this Section so that permanency may occur at the earliest opportunity. Consideration should be given so that if reunification fails or is delayed, the placement made is the best available placement to provide permanency for the child;

(G) (blank);

(H) (blank); and

(I) placing and maintaining children in facilities that provide separate living quarters for children under the age of 18 and for children 18 years of age and older, unless a child 18 years of age is in the last year of high school education or vocational training, in an approved individual or group treatment program, in a licensed shelter facility, or secure child care facility. The Department is not required to place or maintain children:

(i) who are in a foster home, or

(ii) who are persons with a developmental disability, as defined in the Mental Health and Developmental Disabilities Code, or

(iii) who are female children who are pregnant, pregnant and parenting or parenting, or

(iv) who are siblings, in facilities that provide separate living quarters for children 18
years of age and older and for children under 18 years of age.

(b) Nothing in this Section shall be construed to authorize the expenditure of public funds for the purpose of performing abortions.

(c) The Department shall establish and maintain tax-supported child welfare services and extend and seek to improve voluntary services throughout the State, to the end that services and care shall be available on an equal basis throughout the State to children requiring such services.

(d) The Director may authorize advance disbursements for any new program initiative to any agency contracting with the Department. As a prerequisite for an advance disbursement, the contractor must post a surety bond in the amount of the advance disbursement and have a purchase of service contract approved by the Department. The Department may pay up to 2 months operational expenses in advance. The amount of the advance disbursement shall be prorated over the life of the contract or the remaining months of the fiscal year, whichever is less, and the installment amount shall then be deducted from future bills. Advance disbursement authorizations for new initiatives shall not be made to any agency after that agency has operated during 2 consecutive fiscal years. The requirements of this Section concerning advance disbursements shall not apply with respect to the following: payments to local public agencies for child day care services as authorized by Section 5a of this
Act; and youth service programs receiving grant funds under Section 17a-4.

(e) (Blank).

(f) (Blank).

(g) The Department shall establish rules and regulations concerning its operation of programs designed to meet the goals of child safety and protection, family preservation, family reunification, and adoption, including but not limited to:

(1) adoption;
(2) foster care;
(3) family counseling;
(4) protective services;
(5) (blank);
(6) homemaker service;
(7) return of runaway children;
(8) (blank);
(9) placement under Section 5-7 of the Juvenile Court Act or Section 2-27, 3-28, 4-25 or 5-740 of the Juvenile Court Act of 1987 in accordance with the federal Adoption Assistance and Child Welfare Act of 1980; and
(10) interstate services.

Rules and regulations established by the Department shall include provisions for training Department staff and the staff of Department grantees, through contracts with other agencies or resources, in alcohol and drug abuse screening techniques approved by the Department of Human Services, as a successor to
the Department of Alcoholism and Substance Abuse, for the purpose of identifying children and adults who should be referred to an alcohol and drug abuse treatment program for professional evaluation.

(h) If the Department finds that there is no appropriate program or facility within or available to the Department for a ward and that no licensed private facility has an adequate and appropriate program or none agrees to accept the ward, the Department shall create an appropriate individualized, program-oriented plan for such ward. The plan may be developed within the Department or through purchase of services by the Department to the extent that it is within its statutory authority to do.

(i) Service programs shall be available throughout the State and shall include but not be limited to the following services:

(1) case management;
(2) homemakers;
(3) counseling;
(4) parent education;
(5) day care; and
(6) emergency assistance and advocacy.

In addition, the following services may be made available to assess and meet the needs of children and families:

(1) comprehensive family-based services;
(2) assessments;
(3) respite care; and

(4) in-home health services.

The Department shall provide transportation for any of the services it makes available to children or families or for which it refers children or families.

(j) The Department may provide categories of financial assistance and education assistance grants, and shall establish rules and regulations concerning the assistance and grants, to persons who adopt physically or mentally handicapped, older and other hard-to-place children who (i) immediately prior to their adoption were legal wards of the Department or (ii) were determined eligible for financial assistance with respect to a prior adoption and who become available for adoption because the prior adoption has been dissolved and the parental rights of the adoptive parents have been terminated or because the child's adoptive parents have died. The Department may continue to provide financial assistance and education assistance grants for a child who was determined eligible for financial assistance under this subsection (j) in the interim period beginning when the child's adoptive parents died and ending with the finalization of the new adoption of the child by another adoptive parent or parents. The Department may also provide categories of financial assistance and education assistance grants, and shall establish rules and regulations for the assistance and grants, to persons appointed guardian of the person under
Section 5-7 of the Juvenile Court Act or Section 2-27, 3-28, 4-25 or 5-740 of the Juvenile Court Act of 1987 for children who were wards of the Department for 12 months immediately prior to the appointment of the guardian.

The amount of assistance may vary, depending upon the needs of the child and the adoptive parents, as set forth in the annual assistance agreement. Special purpose grants are allowed where the child requires special service but such costs may not exceed the amounts which similar services would cost the Department if it were to provide or secure them as guardian of the child.

Any financial assistance provided under this subsection is inalienable by assignment, sale, execution, attachment, garnishment, or any other remedy for recovery or collection of a judgment or debt.

(j-5) The Department shall not deny or delay the placement of a child for adoption if an approved family is available either outside of the Department region handling the case, or outside of the State of Illinois.

(k) The Department shall accept for care and training any child who has been adjudicated neglected or abused, or dependent committed to it pursuant to the Juvenile Court Act or the Juvenile Court Act of 1987.

(l) Before July 1, 2000, the Department may provide, and beginning July 1, 2000, the Department shall offer family preservation services, as defined in Section 8.2 of the Abused
and Neglected Child Reporting Act, to help families, including adoptive and extended families. Family preservation services shall be offered (i) to prevent the placement of children in substitute care when the children can be cared for at home or in the custody of the person responsible for the children's welfare, (ii) to reunite children with their families, or (iii) to maintain an adoptive placement. Family preservation services shall only be offered when doing so will not endanger the children's health or safety. With respect to children who are in substitute care pursuant to the Juvenile Court Act of 1987, family preservation services shall not be offered if a goal other than those of subdivisions (A), (B), or (B-1) of subsection (2) of Section 2-28 of that Act has been set. Nothing in this paragraph shall be construed to create a private right of action or claim on the part of any individual or child welfare agency.

The Department shall notify the child and his family of the Department's responsibility to offer and provide family preservation services as identified in the service plan. The child and his family shall be eligible for services as soon as the report is determined to be "indicated". The Department may offer services to any child or family with respect to whom a report of suspected child abuse or neglect has been filed, prior to concluding its investigation under Section 7.12 of the Abused and Neglected Child Reporting Act. However, the child's or family's willingness to accept services shall not be
considered in the investigation. The Department may also provide services to any child or family who is the subject of any report of suspected child abuse or neglect or may refer such child or family to services available from other agencies in the community, even if the report is determined to be unfounded, if the conditions in the child's or family's home are reasonably likely to subject the child or family to future reports of suspected child abuse or neglect. Acceptance of such services shall be voluntary.

The Department may, at its discretion except for those children also adjudicated neglected or dependent, accept for care and training any child who has been adjudicated addicted, as a truant minor in need of supervision or as a minor requiring authoritative intervention, under the Juvenile Court Act or the Juvenile Court Act of 1987, but no such child shall be committed to the Department by any court without the approval of the Department. A minor charged with a criminal offense under the Criminal Code of 1961 or adjudicated delinquent shall not be placed in the custody of or committed to the Department by any court, except a minor less than 13 years of age committed to the Department under Section 5-710 of the Juvenile Court Act of 1987.

(1-1) The legislature recognizes that the best interests of the child require that the child be placed in the most permanent living arrangement as soon as is practically possible. To achieve this goal, the legislature directs the
Department of Children and Family Services to conduct concurrent planning so that permanency may occur at the earliest opportunity. Permanent living arrangements may include prevention of placement of a child outside the home of the family when the child can be cared for at home without endangering the child's health or safety; reunification with the family, when safe and appropriate, if temporary placement is necessary; or movement of the child toward the most permanent living arrangement and permanent legal status.

When determining reasonable efforts to be made with respect to a child, as described in this subsection, and in making such reasonable efforts, the child's health and safety shall be the paramount concern.

When a child is placed in foster care, the Department shall ensure and document that reasonable efforts were made to prevent or eliminate the need to remove the child from the child's home. The Department must make reasonable efforts to reunify the family when temporary placement of the child occurs unless otherwise required, pursuant to the Juvenile Court Act of 1987. At any time after the dispositional hearing where the Department believes that further reunification services would be ineffective, it may request a finding from the court that reasonable efforts are no longer appropriate. The Department is not required to provide further reunification services after such a finding.

A decision to place a child in substitute care shall be
made with considerations of the child's health, safety, and best interests. At the time of placement, consideration should also be given so that if reunification fails or is delayed, the placement made is the best available placement to provide permanency for the child.

The Department shall adopt rules addressing concurrent planning for reunification and permanency. The Department shall consider the following factors when determining appropriateness of concurrent planning:

1. the likelihood of prompt reunification;
2. the past history of the family;
3. the barriers to reunification being addressed by the family;
4. the level of cooperation of the family;
5. the foster parents' willingness to work with the family to reunite;
6. the willingness and ability of the foster family to provide an adoptive home or long-term placement;
7. the age of the child;
8. placement of siblings.

(m) The Department may assume temporary custody of any child if:

1. it has received a written consent to such temporary custody signed by the parents of the child or by the parent having custody of the child if the parents are not living together or by the guardian or custodian of the child if
the child is not in the custody of either parent, or

(2) the child is found in the State and neither a parent, guardian nor custodian of the child can be located.

If the child is found in his or her residence without a parent, guardian, custodian or responsible caretaker, the Department may, instead of removing the child and assuming temporary custody, place an authorized representative of the Department in that residence until such time as a parent, guardian or custodian enters the home and expresses a willingness and apparent ability to ensure the child's health and safety and resume permanent charge of the child, or until a relative enters the home and is willing and able to ensure the child's health and safety and assume charge of the child until a parent, guardian or custodian enters the home and expresses such willingness and ability to ensure the child's safety and resume permanent charge. After a caretaker has remained in the home for a period not to exceed 12 hours, the Department must follow those procedures outlined in Section 2-9, 3-11, 4-8, or 5-415 of the Juvenile Court Act of 1987.

The Department shall have the authority, responsibilities and duties that a legal custodian of the child would have pursuant to subsection (9) of Section 1-3 of the Juvenile Court Act of 1987. Whenever a child is taken into temporary custody pursuant to an investigation under the Abused and Neglected Child Reporting Act, or pursuant to a referral and acceptance under the Juvenile Court Act of 1987 of a minor in limited
custody, the Department, during the period of temporary custody and before the child is brought before a judicial officer as required by Section 2-9, 3-11, 4-8, or 5-415 of the Juvenile Court Act of 1987, shall have the authority, responsibilities and duties that a legal custodian of the child would have under subsection (9) of Section 1-3 of the Juvenile Court Act of 1987.

The Department shall ensure that any child taken into custody is scheduled for an appointment for a medical examination.

A parent, guardian or custodian of a child in the temporary custody of the Department who would have custody of the child if he were not in the temporary custody of the Department may deliver to the Department a signed request that the Department surrender the temporary custody of the child. The Department may retain temporary custody of the child for 10 days after the receipt of the request, during which period the Department may cause to be filed a petition pursuant to the Juvenile Court Act of 1987. If a petition is so filed, the Department shall retain temporary custody of the child until the court orders otherwise. If a petition is not filed within the 10 day period, the child shall be surrendered to the custody of the requesting parent, guardian or custodian not later than the expiration of the 10 day period, at which time the authority and duties of the Department with respect to the temporary custody of the child shall terminate.
(m-1) The Department may place children under 18 years of age in a secure child care facility licensed by the Department that cares for children who are in need of secure living arrangements for their health, safety, and well-being after a determination is made by the facility director and the Director or the Director's designate prior to admission to the facility subject to Section 2-27.1 of the Juvenile Court Act of 1987. This subsection (m-1) does not apply to a child who is subject to placement in a correctional facility operated pursuant to Section 3-15-2 of the Unified Code of Corrections, unless the child is a ward who was placed under the care of the Department before being subject to placement in a correctional facility and a court of competent jurisdiction has ordered placement of the child in a secure care facility.

(n) The Department may place children under 18 years of age in licensed child care facilities when in the opinion of the Department, appropriate services aimed at family preservation have been unsuccessful and cannot ensure the child's health and safety or are unavailable and such placement would be for their best interest. Payment for board, clothing, care, training and supervision of any child placed in a licensed child care facility may be made by the Department, by the parents or guardians of the estates of those children, or by both the Department and the parents or guardians, except that no payments shall be made by the Department for any child placed in a licensed child care facility for board, clothing, care,
training and supervision of such a child that exceed the average per capita cost of maintaining and of caring for a child in institutions for dependent or neglected children operated by the Department. However, such restriction on payments does not apply in cases where children require specialized care and treatment for problems of severe emotional disturbance, physical disability, social adjustment, or any combination thereof and suitable facilities for the placement of such children are not available at payment rates within the limitations set forth in this Section. All reimbursements for services delivered shall be absolutely inalienable by assignment, sale, attachment, garnishment or otherwise.

(o) The Department shall establish an administrative review and appeal process for children and families who request or receive child welfare services from the Department. Children who are wards of the Department and are placed by private child welfare agencies, and foster families with whom those children are placed, shall be afforded the same procedural and appeal rights as children and families in the case of placement by the Department, including the right to an initial review of a private agency decision by that agency. The Department shall insure that any private child welfare agency, which accepts wards of the Department for placement, affords those rights to children and foster families. The Department shall accept for administrative review and an appeal hearing a complaint made by (i) a child or foster family concerning a decision following an
initial review by a private child welfare agency or (ii) a prospective adoptive parent who alleges a violation of subsection (j-5) of this Section. An appeal of a decision concerning a change in the placement of a child shall be conducted in an expedited manner.

(p) There is hereby created the Department of Children and Family Services Emergency Assistance Fund from which the Department may provide special financial assistance to families which are in economic crisis when such assistance is not available through other public or private sources and the assistance is deemed necessary to prevent dissolution of the family unit or to reunite families which have been separated due to child abuse and neglect. The Department shall establish administrative rules specifying the criteria for determining eligibility for and the amount and nature of assistance to be provided. The Department may also enter into written agreements with private and public social service agencies to provide emergency financial services to families referred by the Department. Special financial assistance payments shall be available to a family no more than once during each fiscal year and the total payments to a family may not exceed $500 during a fiscal year.

(q) The Department may receive and use, in their entirety, for the benefit of children any gift, donation or bequest of money or other property which is received on behalf of such children, or any financial benefits to which such children are
or may become entitled while under the jurisdiction or care of the Department.

The Department shall set up and administer no-cost, interest-bearing accounts in appropriate financial institutions for children for whom the Department is legally responsible and who have been determined eligible for Veterans' Benefits, Social Security benefits, assistance allotments from the armed forces, court ordered payments, parental voluntary payments, Supplemental Security Income, Railroad Retirement payments, Black Lung benefits, or other miscellaneous payments. Interest earned by each account shall be credited to the account, unless disbursed in accordance with this subsection.

In disbursing funds from children's accounts, the Department shall:

(1) Establish standards in accordance with State and federal laws for disbursing money from children's accounts. In all circumstances, the Department's "Guardianship Administrator" or his or her designee must approve disbursements from children's accounts. The Department shall be responsible for keeping complete records of all disbursements for each account for any purpose.

(2) Calculate on a monthly basis the amounts paid from State funds for the child's board and care, medical care not covered under Medicaid, and social services; and
utilize funds from the child's account, as covered by regulation, to reimburse those costs. Monthly, disbursements from all children's accounts, up to 1/12 of $13,000,000, shall be deposited by the Department into the General Revenue Fund and the balance over 1/12 of $13,000,000 into the DCFS Children's Services Fund.

(3) Maintain any balance remaining after reimbursing for the child's costs of care, as specified in item (2). The balance shall accumulate in accordance with relevant State and federal laws and shall be disbursed to the child or his or her guardian, or to the issuing agency.

(r) The Department shall promulgate regulations encouraging all adoption agencies to voluntarily forward to the Department or its agent names and addresses of all persons who have applied for and have been approved for adoption of a hard-to-place or handicapped child and the names of such children who have not been placed for adoption. A list of such names and addresses shall be maintained by the Department or its agent, and coded lists which maintain the confidentiality of the person seeking to adopt the child and of the child shall be made available, without charge, to every adoption agency in the State to assist the agencies in placing such children for adoption. The Department may delegate to an agent its duty to maintain and make available such lists. The Department shall ensure that such agent maintains the confidentiality of the person seeking to adopt the child and of the child.
(s) The Department of Children and Family Services may establish and implement a program to reimburse Department and private child welfare agency foster parents licensed by the Department of Children and Family Services for damages sustained by the foster parents as a result of the malicious or negligent acts of foster children, as well as providing third party coverage for such foster parents with regard to actions of foster children to other individuals. Such coverage will be secondary to the foster parent liability insurance policy, if applicable. The program shall be funded through appropriations from the General Revenue Fund, specifically designated for such purposes.

(t) The Department shall perform home studies and investigations and shall exercise supervision over visitation as ordered by a court pursuant to the Illinois Marriage and Dissolution of Marriage Act or the Adoption Act only if:

(1) an order entered by an Illinois court specifically directs the Department to perform such services; and

(2) the court has ordered one or both of the parties to the proceeding to reimburse the Department for its reasonable costs for providing such services in accordance with Department rules, or has determined that neither party is financially able to pay.

The Department shall provide written notification to the court of the specific arrangements for supervised visitation and projected monthly costs within 60 days of the court order.
The Department shall send to the court information related to the costs incurred except in cases where the court has determined the parties are financially unable to pay. The court may order additional periodic reports as appropriate.

(u) In addition to other information that must be provided, whenever the Department places a child with a prospective adoptive parent or parents or in a licensed foster home, group home, child care institution, or in a relative home, the Department shall provide to the prospective adoptive parent or parents or other caretaker:

(1) available detailed information concerning the child's educational and health history, copies of immunization records (including insurance and medical card information), a history of the child's previous placements, if any, and reasons for placement changes excluding any information that identifies or reveals the location of any previous caretaker;

(2) a copy of the child's portion of the client service plan, including any visitation arrangement, and all amendments or revisions to it as related to the child; and

(3) information containing details of the child's individualized educational plan when the child is receiving special education services.

The caretaker shall be informed of any known social or behavioral information (including, but not limited to, criminal background, fire setting, perpetuation of sexual
abuse, destructive behavior, and substance abuse) necessary to care for and safeguard the children to be placed or currently in the home. The Department may prepare a written summary of the information required by this paragraph, which may be provided to the foster or prospective adoptive parent in advance of a placement. The foster or prospective adoptive parent may review the supporting documents in the child's file in the presence of casework staff. In the case of an emergency placement, casework staff shall at least provide known information verbally, if necessary, and must subsequently provide the information in writing as required by this subsection.

The information described in this subsection shall be provided in writing. In the case of emergency placements when time does not allow prior review, preparation, and collection of written information, the Department shall provide such information as it becomes available. Within 10 business days after placement, the Department shall obtain from the prospective adoptive parent or parents or other caretaker a signed verification of receipt of the information provided. Within 10 business days after placement, the Department shall provide to the child's guardian ad litem a copy of the information provided to the prospective adoptive parent or parents or other caretaker. The information provided to the prospective adoptive parent or parents or other caretaker shall be reviewed and approved regarding accuracy at the supervisory
Effective July 1, 1995, only foster care placements licensed as foster family homes pursuant to the Child Care Act of 1969 shall be eligible to receive foster care payments from the Department. Relative caregivers who, as of July 1, 1995, were approved pursuant to approved relative placement rules previously promulgated by the Department at 89 Ill. Adm. Code 335 and had submitted an application for licensure as a foster family home may continue to receive foster care payments only until the Department determines that they may be licensed as a foster family home or that their application for licensure is denied or until September 30, 1995, whichever occurs first.

The Department shall access criminal history record information as defined in the Illinois Uniform Conviction Information Act and information maintained in the adjudicatory and dispositional record system as defined in Section 2605-355 of the Department of State Police Law (20 ILCS 2605/2605-355) if the Department determines the information is necessary to perform its duties under the Abused and Neglected Child Reporting Act, the Child Care Act of 1969, and the Children and Family Services Act. The Department shall provide for interactive computerized communication and processing equipment that permits direct on-line communication with the Department of State Police's central criminal history data repository. The Department shall comply with all certification requirements and provide certified operators who have been
trained by personnel from the Department of State Police. In addition, one Office of the Inspector General investigator shall have training in the use of the criminal history information access system and have access to the terminal. The Department of Children and Family Services and its employees shall abide by rules and regulations established by the Department of State Police relating to the access and dissemination of this information.

(v-1) Prior to final approval for placement of a child, the Department shall conduct a criminal records background check of the prospective foster or adoptive parent, including fingerprint-based checks of national crime information databases. Final approval for placement shall not be granted if the record check reveals a felony conviction for child abuse or neglect, for spousal abuse, for a crime against children, or for a crime involving violence, including rape, sexual assault, or homicide, but not including other physical assault or battery, or if there is a felony conviction for physical assault, battery, or a drug-related offense committed within the past 5 years.

(v-2) Prior to final approval for placement of a child, the Department shall check its child abuse and neglect registry for information concerning prospective foster and adoptive parents, and any adult living in the home. If any prospective foster or adoptive parent or other adult living in the home has resided in another state in the preceding 5 years, the
Department shall request a check of that other state's child abuse and neglect registry.

(w) Within 120 days of August 20, 1995 (the effective date of Public Act 89-392), the Department shall prepare and submit to the Governor and the General Assembly, a written plan for the development of in-state licensed secure child care facilities that care for children who are in need of secure living arrangements for their health, safety, and well-being. For purposes of this subsection, secure care facility shall mean a facility that is designed and operated to ensure that all entrances and exits from the facility, a building or a distinct part of the building, are under the exclusive control of the staff of the facility, whether or not the child has the freedom of movement within the perimeter of the facility, building, or distinct part of the building. The plan shall include descriptions of the types of facilities that are needed in Illinois; the cost of developing these secure care facilities; the estimated number of placements; the potential cost savings resulting from the movement of children currently out-of-state who are projected to be returned to Illinois; the necessary geographic distribution of these facilities in Illinois; and a proposed timetable for development of such facilities.

Sec. 5. Direct child welfare services; Department of Children and Family Services. To provide direct child welfare services when not available through other public or private child care or program facilities.

(a) For purposes of this Section:

(1) "Children" means persons found within the State who are under the age of 18 years. The term also includes persons under age 19 who:

(A) were committed to the Department pursuant to the Juvenile Court Act or the Juvenile Court Act of 1987, as amended, prior to the age of 18 and who continue under the jurisdiction of the court; or

(B) were accepted for care, service and training by the Department prior to the age of 18 and whose best interest in the discretion of the Department would be served by continuing that care, service and training because of severe emotional disturbances, physical disability, social adjustment or any combination thereof, or because of the need to complete an educational or vocational training program.

(2) "Homeless youth" means persons found within the State who are under the age of 19, are not in a safe and stable living situation and cannot be reunited with their families.

(3) "Child welfare services" means public social
services which are directed toward the accomplishment of the following purposes:

(A) protecting and promoting the health, safety and welfare of children, including homeless, dependent or neglected children;

(B) remedying, or assisting in the solution of problems which may result in, the neglect, abuse, exploitation or delinquency of children;

(C) preventing the unnecessary separation of children from their families by identifying family problems, assisting families in resolving their problems, and preventing the breakup of the family where the prevention of child removal is desirable and possible when the child can be cared for at home without endangering the child's health and safety;

(D) restoring to their families children who have been removed, by the provision of services to the child and the families when the child can be cared for at home without endangering the child's health and safety;

(E) placing children in suitable adoptive homes, in cases where restoration to the biological family is not safe, possible or appropriate;

(F) assuring safe and adequate care of children away from their homes, in cases where the child cannot be returned home or cannot be placed for adoption. At
the time of placement, the Department shall consider concurrent planning, as described in subsection (l-1) of this Section so that permanency may occur at the earliest opportunity. Consideration should be given so that if reunification fails or is delayed, the placement made is the best available placement to provide permanency for the child;

(G) (blank);

(H) (blank); and

(I) placing and maintaining children in facilities that provide separate living quarters for children under the age of 18 and for children 18 years of age and older, unless a child 18 years of age is in the last year of high school education or vocational training, in an approved individual or group treatment program, in a licensed shelter facility, or secure child care facility. The Department is not required to place or maintain children:

(i) who are in a foster home, or

(ii) who are persons with a developmental disability, as defined in the Mental Health and Developmental Disabilities Code, or

(iii) who are female children who are pregnant, pregnant and parenting or parenting, or

(iv) who are siblings, in facilities that provide separate living quarters for children 18
(b) Nothing in this Section shall be construed to authorize the expenditure of public funds for the purpose of performing abortions.

(c) The Department shall establish and maintain tax-supported child welfare services and extend and seek to improve voluntary services throughout the State, to the end that services and care shall be available on an equal basis throughout the State to children requiring such services.

(d) The Director may authorize advance disbursements for any new program initiative to any agency contracting with the Department. As a prerequisite for an advance disbursement, the contractor must post a surety bond in the amount of the advance disbursement and have a purchase of service contract approved by the Department. The Department may pay up to 2 months operational expenses in advance. The amount of the advance disbursement shall be prorated over the life of the contract or the remaining months of the fiscal year, whichever is less, and the installment amount shall then be deducted from future bills. Advance disbursement authorizations for new initiatives shall not be made to any agency after that agency has operated during 2 consecutive fiscal years. The requirements of this Section concerning advance disbursements shall not apply with respect to the following: payments to local public agencies for child day care services as authorized by Section 5a of this
Act; and youth service programs receiving grant funds under Section 17a-4.

(e) (Blank).

(f) (Blank).

(g) The Department shall establish rules and regulations concerning its operation of programs designed to meet the goals of child safety and protection, family preservation, family reunification, and adoption, including but not limited to:

(1) adoption;
(2) foster care;
(3) family counseling;
(4) protective services;
(5) (blank);
(6) homemaker service;
(7) return of runaway children;
(8) (blank);
(9) placement under Section 5-7 of the Juvenile Court Act or Section 2-27, 3-28, 4-25 or 5-740 of the Juvenile Court Act of 1987 in accordance with the federal Adoption Assistance and Child Welfare Act of 1980; and
(10) interstate services.

Rules and regulations established by the Department shall include provisions for training Department staff and the staff of Department grantees, through contracts with other agencies or resources, in alcohol and drug abuse screening techniques approved by the Department of Human Services, as a successor to
the Department of Alcoholism and Substance Abuse, for the purpose of identifying children and adults who should be referred to an alcohol and drug abuse treatment program for professional evaluation.

(h) If the Department finds that there is no appropriate program or facility within or available to the Department for a ward and that no licensed private facility has an adequate and appropriate program or none agrees to accept the ward, the Department shall create an appropriate individualized, program-oriented plan for such ward. The plan may be developed within the Department or through purchase of services by the Department to the extent that it is within its statutory authority to do.

(i) Service programs shall be available throughout the State and shall include but not be limited to the following services:

(1) case management;
(2) homemakers;
(3) counseling;
(4) parent education;
(5) day care; and
(6) emergency assistance and advocacy.

In addition, the following services may be made available to assess and meet the needs of children and families:

(1) comprehensive family-based services;
(2) assessments;
(3) respite care; and

(4) in-home health services.

The Department shall provide transportation for any of the services it makes available to children or families or for which it refers children or families.

(j) The Department may provide categories of financial assistance and education assistance grants, and shall establish rules and regulations concerning the assistance and grants, to persons who adopt physically or mentally handicapped, older and other hard-to-place children who (i) immediately prior to their adoption were legal wards of the Department or (ii) were determined eligible for financial assistance with respect to a prior adoption and who become available for adoption because the prior adoption has been dissolved and the parental rights of the adoptive parents have been terminated or because the child's adoptive parents have died. The Department may continue to provide financial assistance and education assistance grants for a child who was determined eligible for financial assistance under this subsection (j) in the interim period beginning when the child's adoptive parents died and ending with the finalization of the new adoption of the child by another adoptive parent or parents. The Department may also provide categories of financial assistance and education assistance grants, and shall establish rules and regulations for the assistance and grants, to persons appointed guardian of the person under
Section 5-7 of the Juvenile Court Act or Section 2-27, 3-28, 4-25 or 5-740 of the Juvenile Court Act of 1987 for children who were wards of the Department for 12 months immediately prior to the appointment of the guardian.

The amount of assistance may vary, depending upon the needs of the child and the adoptive parents, as set forth in the annual assistance agreement. Special purpose grants are allowed where the child requires special service but such costs may not exceed the amounts which similar services would cost the Department if it were to provide or secure them as guardian of the child.

Any financial assistance provided under this subsection is inalienable by assignment, sale, execution, attachment, garnishment, or any other remedy for recovery or collection of a judgment or debt.

(j-5) The Department shall not deny or delay the placement of a child for adoption if an approved family is available either outside of the Department region handling the case, or outside of the State of Illinois.

(k) The Department shall accept for care and training any child who has been adjudicated neglected or abused, or dependent committed to it pursuant to the Juvenile Court Act or the Juvenile Court Act of 1987.

(l) Before July 1, 2000, the Department may provide, and beginning July 1, 2000, the Department shall offer family preservation services, as defined in Section 8.2 of the Abused
and Neglected Child Reporting Act, to help families, including adoptive and extended families. Family preservation services shall be offered (i) to prevent the placement of children in substitute care when the children can be cared for at home or in the custody of the person responsible for the children's welfare, (ii) to reunite children with their families, or (iii) to maintain an adoptive placement. Family preservation services shall only be offered when doing so will not endanger the children's health or safety. With respect to children who are in substitute care pursuant to the Juvenile Court Act of 1987, family preservation services shall not be offered if a goal other than those of subdivisions (A), (B), or (B-1) of subsection (2) of Section 2-28 of that Act has been set. Nothing in this paragraph shall be construed to create a private right of action or claim on the part of any individual or child welfare agency.

The Department shall notify the child and his family of the Department's responsibility to offer and provide family preservation services as identified in the service plan. The child and his family shall be eligible for services as soon as the report is determined to be "indicated". The Department may offer services to any child or family with respect to whom a report of suspected child abuse or neglect has been filed, prior to concluding its investigation under Section 7.12 of the Abused and Neglected Child Reporting Act. However, the child's or family's willingness to accept services shall not be
considered in the investigation. The Department may also provide services to any child or family who is the subject of any report of suspected child abuse or neglect or may refer such child or family to services available from other agencies in the community, even if the report is determined to be unfounded, if the conditions in the child's or family's home are reasonably likely to subject the child or family to future reports of suspected child abuse or neglect. Acceptance of such services shall be voluntary.

The Department may, at its discretion except for those children also adjudicated neglected or dependent, accept for care and training any child who has been adjudicated addicted, as a truant minor in need of supervision or as a minor requiring authoritative intervention, under the Juvenile Court Act or the Juvenile Court Act of 1987, but no such child shall be committed to the Department by any court without the approval of the Department. A minor charged with a criminal offense under the Criminal Code of 1961 or adjudicated delinquent shall not be placed in the custody of or committed to the Department by any court, except a minor less than 15 years of age committed to the Department under Section 5-710 of the Juvenile Court Act of 1987 or a minor for whom an independent basis of abuse, neglect, or dependency exists, which must be defined by departmental rule. An independent basis exists when the allegations or adjudication of abuse, neglect, or dependency do not arise from the same facts,
incident, or circumstances which give rise to a charge or adjudication of delinquency.

(1-1) The legislature recognizes that the best interests of the child require that the child be placed in the most permanent living arrangement as soon as is practically possible. To achieve this goal, the legislature directs the Department of Children and Family Services to conduct concurrent planning so that permanency may occur at the earliest opportunity. Permanent living arrangements may include prevention of placement of a child outside the home of the family when the child can be cared for at home without endangering the child's health or safety; reunification with the family, when safe and appropriate, if temporary placement is necessary; or movement of the child toward the most permanent living arrangement and permanent legal status.

When determining reasonable efforts to be made with respect to a child, as described in this subsection, and in making such reasonable efforts, the child's health and safety shall be the paramount concern.

When a child is placed in foster care, the Department shall ensure and document that reasonable efforts were made to prevent or eliminate the need to remove the child from the child's home. The Department must make reasonable efforts to reunify the family when temporary placement of the child occurs unless otherwise required, pursuant to the Juvenile Court Act of 1987. At any time after the dispositional hearing where the
Department believes that further reunification services would be ineffective, it may request a finding from the court that reasonable efforts are no longer appropriate. The Department is not required to provide further reunification services after such a finding.

A decision to place a child in substitute care shall be made with considerations of the child's health, safety, and best interests. At the time of placement, consideration should also be given so that if reunification fails or is delayed, the placement made is the best available placement to provide permanency for the child.

The Department shall adopt rules addressing concurrent planning for reunification and permanency. The Department shall consider the following factors when determining appropriateness of concurrent planning:

(1) the likelihood of prompt reunification;
(2) the past history of the family;
(3) the barriers to reunification being addressed by the family;
(4) the level of cooperation of the family;
(5) the foster parents' willingness to work with the family to reunite;
(6) the willingness and ability of the foster family to provide an adoptive home or long-term placement;
(7) the age of the child;
(8) placement of siblings.
(m) The Department may assume temporary custody of any child if:

(1) it has received a written consent to such temporary custody signed by the parents of the child or by the parent having custody of the child if the parents are not living together or by the guardian or custodian of the child if the child is not in the custody of either parent, or

(2) the child is found in the State and neither a parent, guardian nor custodian of the child can be located. If the child is found in his or her residence without a parent, guardian, custodian or responsible caretaker, the Department may, instead of removing the child and assuming temporary custody, place an authorized representative of the Department in that residence until such time as a parent, guardian or custodian enters the home and expresses a willingness and apparent ability to ensure the child's health and safety and resume permanent charge of the child, or until a relative enters the home and is willing and able to ensure the child's health and safety and assume charge of the child until a parent, guardian or custodian enters the home and expresses such willingness and ability to ensure the child's safety and resume permanent charge. After a caretaker has remained in the home for a period not to exceed 12 hours, the Department must follow those procedures outlined in Section 2-9, 3-11, 4-8, or 5-415 of the Juvenile Court Act of 1987.

The Department shall have the authority, responsibilities
and duties that a legal custodian of the child would have pursuant to subsection (9) of Section 1-3 of the Juvenile Court Act of 1987. Whenever a child is taken into temporary custody pursuant to an investigation under the Abused and Neglected Child Reporting Act, or pursuant to a referral and acceptance under the Juvenile Court Act of 1987 of a minor in limited custody, the Department, during the period of temporary custody and before the child is brought before a judicial officer as required by Section 2-9, 3-11, 4-8, or 5-415 of the Juvenile Court Act of 1987, shall have the authority, responsibilities and duties that a legal custodian of the child would have under subsection (9) of Section 1-3 of the Juvenile Court Act of 1987.

The Department shall ensure that any child taken into custody is scheduled for an appointment for a medical examination.

A parent, guardian or custodian of a child in the temporary custody of the Department who would have custody of the child if he were not in the temporary custody of the Department may deliver to the Department a signed request that the Department surrender the temporary custody of the child. The Department may retain temporary custody of the child for 10 days after the receipt of the request, during which period the Department may cause to be filed a petition pursuant to the Juvenile Court Act of 1987. If a petition is so filed, the Department shall retain temporary custody of the child until the court orders
otherwise. If a petition is not filed within the 10 day period, the child shall be surrendered to the custody of the requesting parent, guardian or custodian not later than the expiration of the 10 day period, at which time the authority and duties of the Department with respect to the temporary custody of the child shall terminate.

(m-1) The Department may place children under 18 years of age in a secure child care facility licensed by the Department that cares for children who are in need of secure living arrangements for their health, safety, and well-being after a determination is made by the facility director and the Director or the Director's designate prior to admission to the facility subject to Section 2-27.1 of the Juvenile Court Act of 1987. This subsection (m-1) does not apply to a child who is subject to placement in a correctional facility operated pursuant to Section 3-15-2 of the Unified Code of Corrections, unless the child is a ward who was placed under the care of the Department before being subject to placement in a correctional facility and a court of competent jurisdiction has ordered placement of the child in a secure care facility.

(n) The Department may place children under 18 years of age in licensed child care facilities when in the opinion of the Department, appropriate services aimed at family preservation have been unsuccessful and cannot ensure the child's health and safety or are unavailable and such placement would be for their best interest. Payment for board, clothing, care, training and
supervision of any child placed in a licensed child care facility may be made by the Department, by the parents or guardians of the estates of those children, or by both the Department and the parents or guardians, except that no payments shall be made by the Department for any child placed in a licensed child care facility for board, clothing, care, training and supervision of such a child that exceed the average per capita cost of maintaining and of caring for a child in institutions for dependent or neglected children operated by the Department. However, such restriction on payments does not apply in cases where children require specialized care and treatment for problems of severe emotional disturbance, physical disability, social adjustment, or any combination thereof and suitable facilities for the placement of such children are not available at payment rates within the limitations set forth in this Section. All reimbursements for services delivered shall be absolutely inalienable by assignment, sale, attachment, garnishment or otherwise.

(o) The Department shall establish an administrative review and appeal process for children and families who request or receive child welfare services from the Department. Children who are wards of the Department and are placed by private child welfare agencies, and foster families with whom those children are placed, shall be afforded the same procedural and appeal rights as children and families in the case of placement by the Department, including the right to an initial review of a
private agency decision by that agency. The Department shall insure that any private child welfare agency, which accepts wards of the Department for placement, affords those rights to children and foster families. The Department shall accept for administrative review and an appeal hearing a complaint made by (i) a child or foster family concerning a decision following an initial review by a private child welfare agency or (ii) a prospective adoptive parent who alleges a violation of subsection (j-5) of this Section. An appeal of a decision concerning a change in the placement of a child shall be conducted in an expedited manner.

(p) There is hereby created the Department of Children and Family Services Emergency Assistance Fund from which the Department may provide special financial assistance to families which are in economic crisis when such assistance is not available through other public or private sources and the assistance is deemed necessary to prevent dissolution of the family unit or to reunite families which have been separated due to child abuse and neglect. The Department shall establish administrative rules specifying the criteria for determining eligibility for and the amount and nature of assistance to be provided. The Department may also enter into written agreements with private and public social service agencies to provide emergency financial services to families referred by the Department. Special financial assistance payments shall be available to a family no more than once during each fiscal year.
and the total payments to a family may not exceed $500 during a fiscal year.

(q) The Department may receive and use, in their entirety, for the benefit of children any gift, donation or bequest of money or other property which is received on behalf of such children, or any financial benefits to which such children are or may become entitled while under the jurisdiction or care of the Department.

The Department shall set up and administer no-cost, interest-bearing accounts in appropriate financial institutions for children for whom the Department is legally responsible and who have been determined eligible for Veterans' Benefits, Social Security benefits, assistance allotments from the armed forces, court ordered payments, parental voluntary payments, Supplemental Security Income, Railroad Retirement payments, Black Lung benefits, or other miscellaneous payments. Interest earned by each account shall be credited to the account, unless disbursed in accordance with this subsection.

In disbursing funds from children's accounts, the Department shall:

(1) Establish standards in accordance with State and federal laws for disbursing money from children's accounts. In all circumstances, the Department's "Guardianship Administrator" or his or her designee must approve disbursements from children's accounts. The
Department shall be responsible for keeping complete records of all disbursements for each account for any purpose.

(2) Calculate on a monthly basis the amounts paid from State funds for the child's board and care, medical care not covered under Medicaid, and social services; and utilize funds from the child's account, as covered by regulation, to reimburse those costs. Monthly, disbursements from all children's accounts, up to 1/12 of $13,000,000, shall be deposited by the Department into the General Revenue Fund and the balance over 1/12 of $13,000,000 into the DCFS Children's Services Fund.

(3) Maintain any balance remaining after reimbursing for the child's costs of care, as specified in item (2). The balance shall accumulate in accordance with relevant State and federal laws and shall be disbursed to the child or his or her guardian, or to the issuing agency.

(r) The Department shall promulgate regulations encouraging all adoption agencies to voluntarily forward to the Department or its agent names and addresses of all persons who have applied for and have been approved for adoption of a hard-to-place or handicapped child and the names of such children who have not been placed for adoption. A list of such names and addresses shall be maintained by the Department or its agent, and coded lists which maintain the confidentiality of the person seeking to adopt the child and of the child shall
be made available, without charge, to every adoption agency in
the State to assist the agencies in placing such children for
adoption. The Department may delegate to an agent its duty to
maintain and make available such lists. The Department shall
ensure that such agent maintains the confidentiality of the
person seeking to adopt the child and of the child.

(s) The Department of Children and Family Services may
establish and implement a program to reimburse Department and
private child welfare agency foster parents licensed by the
Department of Children and Family Services for damages
sustained by the foster parents as a result of the malicious or
negligent acts of foster children, as well as providing third
party coverage for such foster parents with regard to actions
of foster children to other individuals. Such coverage will be
secondary to the foster parent liability insurance policy, if
applicable. The program shall be funded through appropriations
from the General Revenue Fund, specifically designated for such
purposes.

(t) The Department shall perform home studies and
investigations and shall exercise supervision over visitation
as ordered by a court pursuant to the Illinois Marriage and
Dissolution of Marriage Act or the Adoption Act only if:

(1) an order entered by an Illinois court specifically
directs the Department to perform such services; and

(2) the court has ordered one or both of the parties to
the proceeding to reimburse the Department for its
reasonable costs for providing such services in accordance with Department rules, or has determined that neither party is financially able to pay.

The Department shall provide written notification to the court of the specific arrangements for supervised visitation and projected monthly costs within 60 days of the court order. The Department shall send to the court information related to the costs incurred except in cases where the court has determined the parties are financially unable to pay. The court may order additional periodic reports as appropriate.

(u) In addition to other information that must be provided, whenever the Department places a child with a prospective adoptive parent or parents or in a licensed foster home, group home, child care institution, or in a relative home, the Department shall provide to the prospective adoptive parent or parents or other caretaker:

(1) available detailed information concerning the child's educational and health history, copies of immunization records (including insurance and medical card information), a history of the child's previous placements, if any, and reasons for placement changes excluding any information that identifies or reveals the location of any previous caretaker;

(2) a copy of the child's portion of the client service plan, including any visitation arrangement, and all amendments or revisions to it as related to the child; and
(3) information containing details of the child's individualized educational plan when the child is receiving special education services.

The caretaker shall be informed of any known social or behavioral information (including, but not limited to, criminal background, fire setting, perpetuation of sexual abuse, destructive behavior, and substance abuse) necessary to care for and safeguard the children to be placed or currently in the home. The Department may prepare a written summary of the information required by this paragraph, which may be provided to the foster or prospective adoptive parent in advance of a placement. The foster or prospective adoptive parent may review the supporting documents in the child's file in the presence of casework staff. In the case of an emergency placement, casework staff shall at least provide known information verbally, if necessary, and must subsequently provide the information in writing as required by this subsection.

The information described in this subsection shall be provided in writing. In the case of emergency placements when time does not allow prior review, preparation, and collection of written information, the Department shall provide such information as it becomes available. Within 10 business days after placement, the Department shall obtain from the prospective adoptive parent or parents or other caretaker a signed verification of receipt of the information provided.
Within 10 business days after placement, the Department shall provide to the child's guardian ad litem a copy of the information provided to the prospective adoptive parent or parents or other caretaker. The information provided to the prospective adoptive parent or parents or other caretaker shall be reviewed and approved regarding accuracy at the supervisory level.

(u-5) Effective July 1, 1995, only foster care placements licensed as foster family homes pursuant to the Child Care Act of 1969 shall be eligible to receive foster care payments from the Department. Relative caregivers who, as of July 1, 1995, were approved pursuant to approved relative placement rules previously promulgated by the Department at 89 Ill. Adm. Code 335 and had submitted an application for licensure as a foster family home may continue to receive foster care payments only until the Department determines that they may be licensed as a foster family home or that their application for licensure is denied or until September 30, 1995, whichever occurs first.

(v) The Department shall access criminal history record information as defined in the Illinois Uniform Conviction Information Act and information maintained in the adjudicatory and dispositional record system as defined in Section 2605-355 of the Department of State Police Law (20 ILCS 2605/2605-355) if the Department determines the information is necessary to perform its duties under the Abused and Neglected Child Reporting Act, the Child Care Act of 1969, and the Children and
Family Services Act. The Department shall provide for interactive computerized communication and processing equipment that permits direct on-line communication with the Department of State Police's central criminal history data repository. The Department shall comply with all certification requirements and provide certified operators who have been trained by personnel from the Department of State Police. In addition, one Office of the Inspector General investigator shall have training in the use of the criminal history information access system and have access to the terminal. The Department of Children and Family Services and its employees shall abide by rules and regulations established by the Department of State Police relating to the access and dissemination of this information.

(v-1) Prior to final approval for placement of a child, the Department shall conduct a criminal records background check of the prospective foster or adoptive parent, including fingerprint-based checks of national crime information databases. Final approval for placement shall not be granted if the record check reveals a felony conviction for child abuse or neglect, for spousal abuse, for a crime against children, or for a crime involving violence, including rape, sexual assault, or homicide, but not including other physical assault or battery, or if there is a felony conviction for physical assault, battery, or a drug-related offense committed within the past 5 years.
Prior to final approval for placement of a child, the Department shall check its child abuse and neglect registry for information concerning prospective foster and adoptive parents, and any adult living in the home. If any prospective foster or adoptive parent or other adult living in the home has resided in another state in the preceding 5 years, the Department shall request a check of that other state's child abuse and neglect registry.

Within 120 days of August 20, 1995 (the effective date of Public Act 89-392), the Department shall prepare and submit to the Governor and the General Assembly, a written plan for the development of in-state licensed secure child care facilities that care for children who are in need of secure living arrangements for their health, safety, and well-being. For purposes of this subsection, secure care facility shall mean a facility that is designed and operated to ensure that all entrances and exits from the facility, a building or a distinct part of the building, are under the exclusive control of the staff of the facility, whether or not the child has the freedom of movement within the perimeter of the facility, building, or distinct part of the building. The plan shall include descriptions of the types of facilities that are needed in Illinois; the cost of developing these secure care facilities; the estimated number of placements; the potential cost savings resulting from the movement of children currently out-of-state who are projected to be returned to Illinois; the
necessary geographic distribution of these facilities in Illinois; and a proposed timetable for development of such facilities.

Sec. 2310-216. Culturally Competent Healthcare Demonstration Program.

(a) Research demonstrates that racial and ethnic minorities generally receive health care that is of a lesser quality than the majority population and have poorer health outcomes on a number of measures. The 2007 State Health Improvement Plan calls for increased cultural competence in Illinois health care settings, based on national standards that indicate cultural competence is an important aspect of the quality of health care delivered to racial, ethnic, religious, and other minorities. Based on the research and national
standards, the General Assembly finds that increasing cultural
competence among health care providers will improve the quality
of health care delivered to minorities in Illinois.

(b) Subject to appropriation for this purpose, the
Department shall establish the Culturally Competent Health
Care Demonstration Program. For purposes of this Section,
"culturally competent health care" means the ability of health
care providers to understand and respond to the cultural and

encounter. The Program shall establish models that reflect best
practices in culturally competent health care and that expand
the delivery of culturally competent health care in Illinois.

(c) The Program shall consist of (i) demonstration grants
awarded by the Department to public or private health care
entities geographically distributed around the State; (ii) an
ongoing collaborative learning project among the grantees; and
(iii) an evaluation of the effect of the demonstration grants

minorities. The Department may contract with a vendor with
experience in racial and ethnic health disparities and cultural
competency to conduct the evaluation and provide support for
the collaborative learning project. The vendor shall be a
not-for-profit organization that represents a partnership of
public, private, and voluntary health organizations that
focuses on prevention, development of the public health system,
and the reduction of racial and ethnic health disparities, and
that engages health disparities stakeholders in its efforts.

(b) Execute leases of facilities and sites to, and charge for the use of any such facilities and sites by, any officer, department, board, commission or other agency of the State of Illinois, or the Director of the Department of Central Management Services when the Director is requested to, by and on behalf of, or for the use of, any officer, department, board, commission or other agency of the State of Illinois, or by the Board of Trustees of the University of Illinois, the Board of Trustees of Southern Illinois University, the Board of Trustees of Chicago State University, the Board of Trustees of Eastern Illinois University, the Board of Trustees of Governors State University, the Board of Trustees of Illinois State University, the Board of Trustees of Northeastern Illinois University, the Board of Trustees of Northern Illinois University, the Board of Trustees of Western Illinois University, or any public community college district board. (c) In the event of non-payment of rents reserved in such leases, maintain and operate such facilities and sites or execute leases thereof to others for any suitable purposes. Such leases to the officers, departments, boards, commissions, other agencies, the respective Boards of Trustees, or any public community college district board shall contain the provision that rents under such leases shall be payable solely from appropriations to be made by the General Assembly for the payment of such rent and any revenues derived from the operation of the leased premises.

(d) Borrow money and issue and sell bonds in such amount or amounts as the Authority may determine for the purpose of acquiring, constructing, completing or remodeling, or putting fixed equipment in any such facility; refund and refinance the same from time to time as often as advantageous and in the public interest to do so; and pledge any and all income of such Authority, and any revenues derived from such facilities, or any combination thereof, to secure the payment of such bonds and to redeem such bonds. All such bonds are subject to the provisions of Section 6 of this Act.

In addition to the permanent financing authorized by Sections 5 and 6 of this Act, the Illinois Building Authority may borrow money and issue interim notes in evidence thereof for any of the projects, or to perform any of the duties
authorized under this Act, and in addition may borrow money and issue interim notes for planning, architectural and engineering, acquisition of land, and purchase of fixed equipment as follows:

1. Whenever the Authority considers it advisable and in the interests of the Authority to borrow funds temporarily for any of the purposes enumerated in this Section, the Authority may from time to time, and pursuant to appropriate resolution, issue interim notes to evidence such borrowings including funds for the payment of interest on such borrowings and funds for all necessary and incidental expenses in connection with any of the purposes provided for by this Section and this Act until the date of the permanent financing. Any resolution authorizing the issuance of such notes shall describe the project to be undertaken and shall specify the principal amount, rate of interest (not exceeding the maximum rate authorized by the Bond Authorization Act, as amended at the time of the making of the contract,) and maturity date, but not to exceed 5 years from date of issue, and such other terms as may be specified in such resolution; however, time of payment of any such notes may be extended for a period of not exceeding 3 years from the maturity date thereof.

The Authority may provide for the registration of the notes in the name of the owner either as to principal alone, or as to both principal and interest, on such terms
and conditions as the Authority may determine by the resolution authorizing their issue. The notes shall be issued from time to time by the Authority as funds are borrowed, in the manner the Authority may determine. Interest on the notes may be made payable semiannually, annually or at maturity. The notes may be made redeemable, prior to maturity, at the option of the Authority, in the manner and upon the terms fixed by the resolution authorizing their issuance. The notes may be executed in the name of the Authority by the Chairman of the Authority or by any other officer or officers of the Authority as the Authority by resolution may direct, shall be attested by the Secretary or such other officer or officers of the Authority as the Authority may by resolution direct, and be sealed with the Authority's corporate seal. All such notes and the interest thereon may be secured by a pledge of any income and revenue derived by the Authority from the project to be undertaken with the proceeds of the notes and shall be payable solely from such income and revenue and from the proceeds to be derived from the sale of any revenue bonds for permanent financing authorized to be issued under Sections 5 and 6 of this Act, and from the property acquired with the proceeds of the notes.

Contemporaneously with the issue of revenue bonds as provided by this Act, all interim notes, even though they may not then have matured, shall be paid, both principal
and interest to date of payment, from the funds derived from the sale of revenue bonds for the permanent financing and such interim notes shall be surrendered and canceled.

2. The Authority, in order further to secure the payment of the interim notes, is, in addition to the foregoing, authorized and empowered to make any other or additional covenants, terms and conditions not inconsistent with the provisions of subparagraph (a) of this Section, and do any and all acts and things as may be necessary or convenient or desirable in order to secure payment of its interim notes, or in the discretion of the Authority, as will tend to make the interim notes more acceptable to lenders, notwithstanding that the covenants, acts or things may not be enumerated herein; however, nothing contained in this subparagraph shall authorize the Authority to secure the payment of the interim notes out of property or facilities, other than the facilities acquired with the proceeds of the interim notes, and any net income and revenue derived from the facilities and the proceeds of revenue bonds as hereinabove provided.

(e) Convey property, without charge, to the State or to the appropriate corporate agency of the State or to any public community college district board if and when all debts which have been secured by the income from such property have been paid.

(f) Enter into contracts regarding any matter connected
with any corporate purpose within the objects and purposes of this Act.

(g) Employ agents and employees necessary to carry out the duties and purposes of the Authority.

(h) Adopt all necessary by-laws, rules and regulations for the conduct of the business and affairs of the Authority, and for the management and use of facilities and sites acquired under the powers granted by this Act.

(i) Have and use a common seal and alter the same at pleasure.

The Interim notes shall constitute State debt of the State of Illinois within the meaning of any of the provisions of the Constitution and statutes of the State of Illinois.

No member, officer, agent or employee of the Authority, nor any other person who executes interim notes, shall be liable personally by reason of the issuance thereof.

With respect to instruments for the payment of money issued under this Section either before, on, or after the effective date of this amendatory Act of 1989, it is and always has been the intention of the General Assembly (i) that the Omnibus Bond Acts are and always have been supplementary grants of power to issue instruments in accordance with the Omnibus Bond Acts, regardless of any provision of this Act that may appear to be or to have been more restrictive than those Acts, (ii) that the provisions of this Section are not a limitation on the supplementary authority granted by the Omnibus Bond Acts, and
(iii) that instruments issued under this Section within the supplementary authority granted by the Omnibus Bond Acts are not invalid because of any provision of this Act that may appear to be or to have been more restrictive than those Acts. Section 80. The Illinois Finance Authority Act is amended by changing Sections 801-40 and 845-5 and by setting forth and renumbering multiple versions of Section 825-90 as follows:

(20 ILCS 3501/801-40)

Sec. 801-40. In addition to the powers otherwise authorized by law and in addition to the foregoing general corporate powers, the Authority shall also have the following additional specific powers to be exercised in furtherance of the purposes of this Act.

(a) The Authority shall have power (i) to accept grants, loans or appropriations from the federal government or the State, or any agency or instrumentality thereof, to be used for the operating expenses of the Authority, or for any purposes of the Authority, including the making of direct loans of such funds with respect to projects, and (ii) to enter into any agreement with the federal government or the State, or any agency or instrumentality thereof, in relationship to such grants, loans or appropriations.
(b) The Authority shall have power to procure and enter into contracts for any type of insurance and indemnity agreements covering loss or damage to property from any cause, including loss of use and occupancy, or covering any other insurable risk.

(c) The Authority shall have the continuing power to issue bonds for its corporate purposes. Bonds may be issued by the Authority in one or more series and may provide for the payment of any interest deemed necessary on such bonds, of the costs of issuance of such bonds, of any premium on any insurance, or of the cost of any guarantees, letters of credit or other similar documents, may provide for the funding of the reserves deemed necessary in connection with such bonds, and may provide for the refunding or advance refunding of any bonds or for accounts deemed necessary in connection with any purpose of the Authority. The bonds may bear interest payable at any time or times and at any rate or rates, notwithstanding any other provision of law to the contrary, and such rate or rates may be established by an index or formula which may be implemented or established by persons appointed or retained therefor by the Authority, or may bear no interest or may bear interest payable at maturity or upon redemption prior to maturity, may bear such date or dates, may be payable at such time or times and at such place or places, may mature at any time or times not later than 40 years from the date of issuance, may be sold at public or private sale at such time or times and at such price or prices,
may be secured by such pledges, reserves, guarantees, letters of credit, insurance contracts or other similar credit support or liquidity instruments, may be executed in such manner, may be subject to redemption prior to maturity, may provide for the registration of the bonds, and may be subject to such other terms and conditions all as may be provided by the resolution or indenture authorizing the issuance of such bonds. The holder or holders of any bonds issued by the Authority may bring suits at law or proceedings in equity to compel the performance and observance by any person or by the Authority or any of its agents or employees of any contract or covenant made with the holders of such bonds and to compel such person or the Authority and any of its agents or employees to perform any duties required to be performed for the benefit of the holders of any such bonds by the provision of the resolution authorizing their issuance, and to enjoin such person or the Authority and any of its agents or employees from taking any action in conflict with any such contract or covenant. Notwithstanding the form and tenor of any such bonds and in the absence of any express recital on the face thereof that it is non-negotiable, all such bonds shall be negotiable instruments. Pending the preparation and execution of any such bonds, temporary bonds may be issued as provided by the resolution. The bonds shall be sold by the Authority in such manner as it shall determine. The bonds may be secured as provided in the authorizing resolution by the receipts,
revenues, income and other available funds of the Authority and by any amounts derived by the Authority from the loan agreement or lease agreement with respect to the project or projects; and bonds may be issued as general obligations of the Authority payable from such revenues, funds and obligations of the Authority as the bond resolution shall provide, or may be issued as limited obligations with a claim for payment solely from such revenues, funds and obligations as the bond resolution shall provide. The Authority may grant a specific pledge or assignment of and lien on or security interest in such rights, revenues, income, or amounts and may grant a specific pledge or assignment of and lien on or security interest in any reserves, funds or accounts established in the resolution authorizing the issuance of bonds. Any such pledge, assignment, lien or security interest for the benefit of the holders of the Authority's bonds shall be valid and binding from the time the bonds are issued without any physical delivery or further act, and shall be valid and binding as against and prior to the claims of all other parties having claims against the Authority or any other person irrespective of whether the other parties have notice of the pledge, assignment, lien or security interest. As evidence of such pledge, assignment, lien and security interest, the Authority may execute and deliver a mortgage, trust agreement, indenture or security agreement or an assignment thereof. A remedy for any breach or default of the terms of any such agreement by the
Authority may be by mandamus proceedings in any court of competent jurisdiction to compel the performance and compliance therewith, but the agreement may prescribe by whom or on whose behalf such action may be instituted. It is expressly understood that the Authority may, but need not, acquire title to any project with respect to which it exercises its authority.

(d) With respect to the powers granted by this Act, the Authority may adopt rules and regulations prescribing the procedures by which persons may apply for assistance under this Act. Nothing herein shall be deemed to preclude the Authority, prior to the filing of any formal application, from conducting preliminary discussions and investigations with respect to the subject matter of any prospective application.

(e) The Authority shall have power to acquire by purchase, lease, gift or otherwise any property or rights therein from any person useful for its purposes, whether improved for the purposes of any prospective project, or unimproved. The Authority may also accept any donation of funds for its purposes from any such source. The Authority shall have no independent power of condemnation but may acquire any property or rights therein obtained upon condemnation by any other authority, governmental entity or unit of local government with such power.

(f) The Authority shall have power to develop, construct and improve either under its own direction, or through
collaboration with any approved applicant, or to acquire through purchase or otherwise, any project, using for such purpose the proceeds derived from the sale of its bonds or from governmental loans or grants, and to hold title in the name of the Authority to such projects.

(g) The Authority shall have power to lease pursuant to a lease agreement any project so developed and constructed or acquired to the approved tenant on such terms and conditions as may be appropriate to further the purposes of this Act and to maintain the credit of the Authority. Any such lease may provide for either the Authority or the approved tenant to assume initially, in whole or in part, the costs of maintenance, repair and improvements during the leasehold period. In no case, however, shall the total rentals from any project during any initial leasehold period or the total loan repayments to be made pursuant to any loan agreement, be less than an amount necessary to return over such lease or loan period (1) all costs incurred in connection with the development, construction, acquisition or improvement of the project and for repair, maintenance and improvements thereto during the period of the lease or loan; provided, however, that the rentals or loan repayments need not include costs met through the use of funds other than those obtained by the Authority through the issuance of its bonds or governmental loans; (2) a reasonable percentage additive to be agreed upon by the Authority and the borrower or tenant to cover a properly
allocable portion of the Authority's general expenses, including, but not limited to, administrative expenses, salaries and general insurance, and (3) an amount sufficient to pay when due all principal of, interest and premium, if any on, any bonds issued by the Authority with respect to the project. The portion of total rentals payable under clause (3) of this subsection (g) shall be deposited in such special accounts, including all sinking funds, acquisition or construction funds, debt service and other funds as provided by any resolution, mortgage or trust agreement of the Authority pursuant to which any bond is issued.

(h) The Authority has the power, upon the termination of any leasehold period of any project, to sell or lease for a further term or terms such project on such terms and conditions as the Authority shall deem reasonable and consistent with the purposes of the Act. The net proceeds from all such sales and the revenues or income from such leases shall be used to satisfy any indebtedness of the Authority with respect to such project and any balance may be used to pay any expenses of the Authority or be used for the further development, construction, acquisition or improvement of projects. In the event any project is vacated by a tenant prior to the termination of the initial leasehold period, the Authority shall sell or lease the facilities of the project on the most advantageous terms available. The net proceeds of any such disposition shall be treated in the same manner as the proceeds from sales or the
revenues or income from leases subsequent to the termination of any initial leasehold period.

(i) The Authority shall have the power to make loans to persons to finance a project, to enter into loan agreements with respect thereto, and to accept guarantees from persons of its loans or the resultant evidences of obligations of the Authority.

(j) The Authority may fix, determine, charge and collect any premiums, fees, charges, costs and expenses, including, without limitation, any application fees, commitment fees, program fees, financing charges or publication fees from any person in connection with its activities under this Act.

(k) In addition to the funds established as provided herein, the Authority shall have the power to create and establish such reserve funds and accounts as may be necessary or desirable to accomplish its purposes under this Act and to deposit its available monies into the funds and accounts.

(l) At the request of the governing body of any unit of local government, the Authority is authorized to market such local government's revenue bond offerings by preparing bond issues for sale, advertising for sealed bids, receiving bids at its offices, making the award to the bidder that offers the most favorable terms or arranging for negotiated placements or underwritings of such securities. The Authority may, at its discretion, offer for concurrent sale the revenue bonds of several local governments. Sales by the Authority of revenue
bonds under this Section shall in no way imply State guarantee of such debt issue. The Authority may require such financial information from participating local governments as it deems necessary in order to carry out the purposes of this subsection (1).

(m) The Authority may make grants to any county to which Division 5-37 of the Counties Code is applicable to assist in the financing of capital development, construction and renovation of new or existing facilities for hospitals and health care facilities under that Act. Such grants may only be made from funds appropriated for such purposes from the Build Illinois Bond Fund.

(n) The Authority may establish an urban development action grant program for the purpose of assisting municipalities in Illinois which are experiencing severe economic distress to help stimulate economic development activities needed to aid in economic recovery. The Authority shall determine the types of activities and projects for which the urban development action grants may be used, provided that such projects and activities are broadly defined to include all reasonable projects and activities the primary objectives of which are the development of viable urban communities, including decent housing and a suitable living environment, and expansion of economic opportunity, principally for persons of low and moderate incomes. The Authority shall enter into grant agreements from monies appropriated for such purposes from the Build Illinois
Bond Fund. The Authority shall monitor the use of the grants, and shall provide for audits of the funds as well as recovery by the Authority of any funds determined to have been spent in violation of this subsection (n) or any rule or regulation promulgated hereunder. The Authority shall provide technical assistance with regard to the effective use of the urban development action grants. The Authority shall file an annual report to the General Assembly concerning the progress of the grant program.

(o) The Authority may establish a Housing Partnership Program whereby the Authority provides zero-interest loans to municipalities for the purpose of assisting in the financing of projects for the rehabilitation of affordable multi-family housing for low and moderate income residents. The Authority may provide such loans only upon a municipality's providing evidence that it has obtained private funding for the rehabilitation project. The Authority shall provide 3 State dollars for every 7 dollars obtained by the municipality from sources other than the State of Illinois. The loans shall be made from monies appropriated for such purpose from the Build Illinois Bond Fund. The total amount of loans available under the Housing Partnership Program shall not exceed $30,000,000. State loan monies under this subsection shall be used only for the acquisition and rehabilitation of existing buildings containing 4 or more dwelling units. The terms of any loan made by the municipality under this subsection shall require
repayment of the loan to the municipality upon any sale or other transfer of the project.

(p) The Authority may award grants to universities and research institutions, research consortiums and other not-for-profit entities for the purposes of: remodeling or otherwise physically altering existing laboratory or research facilities, expansion or physical additions to existing laboratory or research facilities, construction of new laboratory or research facilities or acquisition of modern equipment to support laboratory or research operations provided that such grants (i) be used solely in support of project and equipment acquisitions which enhance technology transfer, and (ii) not constitute more than 60 percent of the total project or acquisition cost.

(q) Grants may be awarded by the Authority to units of local government for the purpose of developing the appropriate infrastructure or defraying other costs to the local government in support of laboratory or research facilities provided that such grants may not exceed 40% of the cost to the unit of local government.

(r) The Authority may establish a Direct Loan Program to make loans to individuals, partnerships or corporations for the purpose of an industrial project, as defined in Section 801-10 of this Act. For the purposes of such program and not by way of limitation on any other program of the Authority, the Authority shall have the power to issue bonds, notes, or other evidences
of indebtedness including commercial paper for purposes of
providing a fund of capital from which it may make such loans.
The Authority shall have the power to use any appropriations
from the State made especially for the Authority's Direct Loan
Program for additional capital to make such loans or for the
purposes of reserve funds or pledged funds which secure the
Authority's obligations of repayment of any bond, note or other
form of indebtedness established for the purpose of providing
capital for which it intends to make such loans under the
Direct Loan Program. For the purpose of obtaining such capital,
the Authority may also enter into agreements with financial
institutions and other persons for the purpose of selling loans
and developing a secondary market for such loans. Loans made
under the Direct Loan Program may be in an amount not to exceed
$300,000 and shall be made for a portion of an industrial
project which does not exceed 50% of the total project. No loan
may be made by the Authority unless approved by the affirmative
vote of at least 8 members of the board. The Authority shall
establish procedures and publish rules which shall provide for
the submission, review, and analysis of each direct loan
application and which shall preserve the ability of each board
member to reach an individual business judgment regarding the
propriety of making each direct loan. The collective discretion
of the board to approve or disapprove each loan shall be
unencumbered. The Authority may establish and collect such fees
and charges, determine and enforce such terms and conditions,
and charge such interest rates as it determines to be necessary and appropriate to the successful administration of the Direct Loan Program. The Authority may require such interests in collateral and such guarantees as it determines are necessary to project the Authority's interest in the repayment of the principal and interest of each loan made under the Direct Loan Program.

(s) The Authority may guarantee private loans to third parties up to a specified dollar amount in order to promote economic development in this State.

(t) The Authority may adopt rules and regulations as may be necessary or advisable to implement the powers conferred by this Act.

(u) The Authority shall have the power to issue bonds, notes or other evidences of indebtedness, which may be used to make loans to units of local government which are authorized to enter into loan agreements and other documents and to issue bonds, notes and other evidences of indebtedness for the purpose of financing the protection of storm sewer outfalls, the construction of adequate storm sewer outfalls, and the provision for flood protection of sanitary sewage treatment plans, in counties that have established a stormwater management planning committee in accordance with Section 5-1062 of the Counties Code. Any such loan shall be made by the Authority pursuant to the provisions of Section 820-5 to 820-60 of this Act. The unit of local government shall pay back to the
Authority the principal amount of the loan, plus annual interest as determined by the Authority. The Authority shall have the power, subject to appropriations by the General Assembly, to subsidize or buy down a portion of the interest on such loans, up to 4% per annum.

(v) The Authority may accept security interests as provided in Sections 11-3 and 11-3.3 of the Illinois Public Aid Code.

(w) Moral Obligation. In the event that the Authority determines that monies of the Authority will not be sufficient for the payment of the principal of and interest on its bonds during the next State fiscal year, the Chairperson, as soon as practicable, shall certify to the Governor the amount required by the Authority to enable it to pay such principal of and interest on the bonds. The Governor shall submit the amount so certified to the General Assembly as soon as practicable, but no later than the end of the current State fiscal year. This subsection shall apply only to any bonds or notes as to which the Authority shall have determined, in the resolution authorizing the issuance of the bonds or notes, that this subsection shall apply. Whenever the Authority makes such a determination, that fact shall be plainly stated on the face of the bonds or notes and that fact shall also be reported to the Governor. In the event of a withdrawal of moneys from a reserve fund established with respect to any issue or issues of bonds of the Authority to pay principal or interest on those bonds, the Chairperson of the Authority, as soon as practicable, shall
certify to the Governor the amount required to restore the reserve fund to the level required in the resolution or indenture securing those bonds. The Governor shall submit the amount so certified to the General Assembly as soon as practicable, but no later than the end of the current State fiscal year. The Authority shall obtain written approval from the Governor for any bonds and notes to be issued under this Section. In addition to any other bonds authorized to be issued under Sections 825-60, 825-65(e), 830-25 and 845-5, the principal amount of Authority bonds outstanding issued under this Section 801-40(w) or under 20 ILCS 3850/1-80 or 30 ILCS 360/2-6(c), which have been assumed by the Authority, shall not exceed $150,000,000. This subsection (w) shall in no way be applied to any bonds issued by the Authority on behalf of the Illinois Power Agency under Section 825-90 of this Act.

(x) The Authority may enter into agreements or contracts with any person necessary or appropriate to place the payment obligations of the Authority under any of its bonds in whole or in part on any interest rate basis, cash flow basis, or other basis desired by the Authority, including without limitation agreements or contracts commonly known as "interest rate swap agreements", "forward payment conversion agreements", and "futures", or agreements or contracts to exchange cash flows or a series of payments, or agreements or contracts, including without limitation agreements or contracts commonly known as "options", "puts", or "calls", to hedge payment, rate spread,
or similar exposure; provided that any such agreement or contract shall not constitute an obligation for borrowed money and shall not be taken into account under Section 845-5 of this Act or any other debt limit of the Authority or the State of Illinois.

Any such guarantee, agreement, or contract may contain terms and provisions necessary or desirable in
connection with the program, subject to the requirements established by this Article.

(6) To charge reasonable fees to defray the cost of obtaining letters of credit, insurance contracts, or other similar documents, and to charge such other reasonable fees to defray the cost of trustees, depositories, paying agents, legal counsel, bond registrars, escrow agents, and other administrative expenses. Any such fees shall be payable by the Agency, in such amounts and at such times as the Authority shall determine.

(7) To obtain and maintain guarantees, letters of credit, insurance contracts, or similar credit support or liquidity instruments that are deemed necessary or desirable in connection with any revenue bonds or other obligations of the Authority for any Agency revenue bonds.

(8) To provide technical assistance, at the request of the Agency, with respect to the financing or refinancing for any public purpose.

(9) To sell, transfer, or otherwise defease revenue bonds issued on behalf of the Agency at the request and authorization of the Agency.

(10) To enter into agreements or contracts with any person necessary or appropriate to place the payment obligations of the Agency relating to revenue bonds in whole or in part on any interest rate basis, cash flow basis, or other basis desired by the Authority, including
without limitation agreements or contracts commonly known as "interest rate swap agreements", "forward payment conversion agreements", and "futures", or agreements or contracts to exchange cash flows or a series of payments, or agreements or contracts, including without limitation agreements or contracts commonly known as "options", "puts" or "calls", to hedge payment, rate spread, or similar exposure; provided, that any such agreement or contract shall not constitute an obligation for borrowed money, and shall not be taken into account under Section 845-5 of this Act or any other debt limit of the Authority or the State of Illinois.

(11) To make and enter into all other agreements and contracts and execute all instruments necessary or incidental to performance of its duties and the execution of its powers under this Article.

(12) To contract for and finance the costs of audits and to contract for and finance the cost of project monitoring. Any such contract shall be executed only after it has been jointly negotiated by the Authority and the Agency.

(13) To exercise such other powers as are necessary or incidental to the foregoing.

(c) Illinois Power Agency participation. The Agency is authorized to voluntarily participate in this program as described in the Illinois Power Agency Act. The Authority may
issue revenue bonds on behalf of the Agency pursuant to an Agency loan agreement entered into by the parties as set forth in the Illinois Power Agency Act. Any proceeds from the sale of those revenue bonds shall be deposited into the Illinois Power Agency Facilities Fund to be used by the Agency for the purposes set forth in the Illinois Power Agency Act.

(d) Pledge of revenues by the Agency. Any pledge of revenues or other moneys made by the Agency shall be binding from the time the pledge is made. Revenues and other moneys so pledged shall be held in the Illinois Power Agency Facilities Fund, Illinois Power Agency Debt Service Fund, or other funds as directed by the Agency loan agreement. Revenues or other moneys so pledged and thereafter received by the State Treasurer shall immediately be subject to the lien of the pledge without any physical delivery thereof or further act, and the lien of any pledge shall be binding against all parties having claims of any kind of tort, contract, or otherwise against the Authority, irrespective of whether the parties have notice thereof. Neither the resolution nor any other instrument by which a pledge is created need be filed or recorded except in the records of the Authority. The State pledges to and agrees with the holders of revenue bonds, and the beneficial owners of the revenue bonds issued on behalf of the Agency, that the State shall not limit or restrict the rights hereby vested in the Authority to purchase, acquire, hold, sell, or defease revenue bonds or other investments or to establish and
collect such fees or other charges as may be convenient or necessary to produce sufficient revenues to meet the expenses of operation of the Authority, and to fulfill the terms of any agreement made with the holders of the revenue bonds issued by the Authority on behalf of the Agency or in any way impair the rights or remedies of the holders of those revenue bonds or the beneficial owners of the revenue bonds until those revenue bonds are fully paid and discharged or provision for their payment has been made. The revenue bonds shall not be a debt of the State, the Authority, any political subdivision thereof (other than the Agency to the extent provided therein), any governmental aggregator as defined in the Illinois Power Agency Act, or any local government, and neither the State, the Authority, any political subdivision thereof (other than the Agency to the extent provided therein), any governmental aggregator, nor any local government shall be liable thereon. The Authority shall not have the power to pledge the credit, the revenues, or the taxing power of the State, any political subdivision thereof (other than the Agency to the extent provided in the Agency loan agreement relating to the revenue bonds in question), any governmental aggregator, or of any local government, and neither the credit, the revenues, nor the taxing power of the State, any political subdivision thereof (other than the Agency to the extent provided in the Agency loan agreement relating to the revenue bonds in question), any governmental aggregator, or of any local government shall be,
or shall be deemed to be, pledged to the payment of any revenue bonds, or obligations of the Agency.

(e) Exemption from taxation. The creation of the Illinois Power Agency is in all respects for the benefit of the people of Illinois and for the improvement of their health, safety, welfare, comfort, and security, and its purposes are public purposes. In consideration thereof, the revenue bonds issued on behalf of the Agency pursuant to this Act and the income from these revenue bonds may be free from all taxation by the State or its political subdivisions, except for estate, transfer, and inheritance taxes. The exemption from taxation provided by the preceding sentence shall apply to the income on any revenue bonds issued on behalf of the Agency only if the Authority with concurrence of the Agency in its sole judgment determines that the exemption enhances the marketability of the revenue bonds or reduces the interest rates that would otherwise be borne by the revenue bonds and that the project for which the revenue bonds will be issued will be owned by the Agency or another governmental entity and that the project is used for public consumption. For purposes of Section 250 of the Illinois Income Tax Act, the exemption of the Agency shall terminate after all of the revenue bonds have been paid. The amount of the income that shall be added and then subtracted on the Illinois income tax return of a taxpayer, subject to Section 203 of the Illinois Income Tax Act, from federal adjusted gross income or federal taxable income in computing Illinois base income shall
be the interest net of any bond premium amortization.

This Act does not apply to a dialysis facility that provides only dialysis training, support, and related services to individuals with end stage renal disease who have elected to
receive home dialysis. This Act does not apply to a dialysis unit located in a licensed nursing home that offers or provides dialysis-related services to residents with end stage renal disease who have elected to receive home dialysis within the nursing home. The Board, however, may require these dialysis facilities and licensed nursing homes to report statistical information on a quarterly basis to the Board to be used by the Board to conduct analyses on the need for proposed kidney disease treatment centers.

This Act shall not apply to the closure of an entity or a portion of an entity licensed under the Nursing Home Care Act, with the exceptions of facilities operated by a county or Illinois Veterans Homes, that elects to convert, in whole or in part, to an assisted living or shared housing establishment licensed under the Assisted Living and Shared Housing Act.

(30 ILCS 105/8h)
Sec. 8h. Transfers to General Revenue Fund.
(a) Except as otherwise provided in this Section and Section 8n of this Act, and notwithstanding any other State law to the contrary, the Governor may, through June 30, 2007, from time to time direct the State Treasurer and Comptroller to transfer a specified sum from any fund held by the State Treasurer to the General Revenue Fund in order to help defray
the State's operating costs for the fiscal year. The total transfer under this Section from any fund in any fiscal year shall not exceed the lesser of (i) 8% of the revenues to be deposited into the fund during that fiscal year or (ii) an amount that leaves a remaining fund balance of 25% of the July 1 fund balance of that fiscal year. In fiscal year 2005 only, prior to calculating the July 1, 2004 final balances, the Governor may calculate and direct the State Treasurer with the Comptroller to transfer additional amounts determined by applying the formula authorized in Public Act 93-839 to the funds balances on July 1, 2003. No transfer may be made from a fund under this Section that would have the effect of reducing the available balance in the fund to an amount less than the amount remaining unexpended and unreserved from the total appropriation from that fund estimated to be expended for that fiscal year. This Section does not apply to any funds that are restricted by federal law to a specific use, to any funds in the Motor Fuel Tax Fund, the Intercity Passenger Rail Fund, the Hospital Provider Fund, the Medicaid Provider Relief Fund, the Teacher Health Insurance Security Fund, the Reviewing Court Alternative Dispute Resolution Fund, the Voters' Guide Fund, the Foreign Language Interpreter Fund, the Lawyers' Assistance Program Fund, the Supreme Court Federal Projects Fund, the Supreme Court Special State Projects Fund, the Supplemental Low-Income Energy Assistance Fund, the Good Samaritan Energy Trust Fund, the Low-Level Radioactive Waste Facility
Development and Operation Fund, the Horse Racing Equity Trust Fund, the Metabolic Screening and Treatment Fund, or the Hospital Basic Services Preservation Fund, or to any funds to which Section 70-50 of the Nurse Practice Act applies. No transfers may be made under this Section from the Pet Population Control Fund. Notwithstanding any other provision of this Section, for fiscal year 2004, the total transfer under this Section from the Road Fund or the State Construction Account Fund shall not exceed the lesser of (i) 5% of the revenues to be deposited into the fund during that fiscal year or (ii) 25% of the beginning balance in the fund. For fiscal year 2005 through fiscal year 2007, no amounts may be transferred under this Section from the Road Fund, the State Construction Account Fund, the Criminal Justice Information Systems Trust Fund, the Wireless Service Emergency Fund, or the Mandatory Arbitration Fund.

In determining the available balance in a fund, the Governor may include receipts, transfers into the fund, and other resources anticipated to be available in the fund in that fiscal year.

The State Treasurer and Comptroller shall transfer the amounts designated under this Section as soon as may be practicable after receiving the direction to transfer from the Governor.

changing Section 203 and by renumbering multiple versions of Section 50700 as follows:

(35 ILCS 5/203) (from Ch. 120, par. 2-203)

Sec. 203. Base income defined.

(a) Individuals.

(1) In general. In the case of an individual, base income means an amount equal to the taxpayer's adjusted gross income for the taxable year as modified by paragraph (2).

(2) Modifications. The adjusted gross income referred to in paragraph (1) shall be modified by adding thereto the sum of the following amounts:

(A) An amount equal to all amounts paid or accrued to the taxpayer as interest or dividends during the taxable year to the extent excluded from gross income in the computation of adjusted gross income, except stock dividends of qualified public utilities described in Section 305(e) of the Internal Revenue Code;

(B) An amount equal to the amount of tax imposed by this Act to the extent deducted from gross income in the computation of adjusted gross income for the taxable year;

(C) An amount equal to the amount received during the taxable year as a recovery or refund of real
property taxes paid with respect to the taxpayer's principal residence under the Revenue Act of 1939 and for which a deduction was previously taken under subparagraph (L) of this paragraph (2) prior to July 1, 1991, the retrospective application date of Article 4 of Public Act 87-17. In the case of multi-unit or multi-use structures and farm dwellings, the taxes on the taxpayer's principal residence shall be that portion of the total taxes for the entire property which is attributable to such principal residence;

(D) An amount equal to the amount of the capital gain deduction allowable under the Internal Revenue Code, to the extent deducted from gross income in the computation of adjusted gross income;

(D-5) An amount, to the extent not included in adjusted gross income, equal to the amount of money withdrawn by the taxpayer in the taxable year from a medical care savings account and the interest earned on the account in the taxable year of a withdrawal pursuant to subsection (b) of Section 20 of the Medical Care Savings Account Act or subsection (b) of Section 20 of the Medical Care Savings Account Act of 2000;

(D-10) For taxable years ending after December 31, 1997, an amount equal to any eligible remediation costs that the individual deducted in computing adjusted gross income and for which the individual claims a
credit under subsection (l) of Section 201;

(D-15) For taxable years 2001 and thereafter, an amount equal to the bonus depreciation deduction taken on the taxpayer's federal income tax return for the taxable year under subsection (k) of Section 168 of the Internal Revenue Code;

(D-16) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-15), then an amount equal to the aggregate amount of the deductions taken in all taxable years under subparagraph (Z) with respect to that property.

If the taxpayer continues to own property through the last day of the last tax year for which the taxpayer may claim a depreciation deduction for federal income tax purposes and for which the taxpayer was allowed in any taxable year to make a subtraction modification under subparagraph (Z), then an amount equal to that subtraction modification.

The taxpayer is required to make the addition modification under this subparagraph only once with respect to any one piece of property;

(D-17) An amount equal to the amount otherwise allowed as a deduction in computing base income for interest paid, accrued, or incurred, directly or
indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

This paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a foreign
person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such interest; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a foreign person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the foreign person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the foreign person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or
(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a foreign person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(D-18) An amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business
activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(a)(2)(D-17) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange,
or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets.

This paragraph shall not apply to the following:

(i) any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a foreign person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the foreign person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is
not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the foreign person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a foreign person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;
(D-19) For taxable years ending on or after December 31, 2008, an amount equal to the amount of insurance premium expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(a)(2)(D-17) of this Act.
(D-20) For taxable years beginning on or after January 1, 2002 and ending on or before December 31, 2006, in the case of a distribution from a qualified tuition program under Section 529 of the Internal Revenue Code, other than (i) a distribution from a College Savings Pool created under Section 16.5 of the State Treasurer Act or (ii) a distribution from the Illinois Prepaid Tuition Trust Fund, an amount equal to the amount excluded from gross income under Section 529(c)(3)(B). For taxable years beginning on or after January 1, 2007, in the case of a distribution from a qualified tuition program under Section 529 of the Internal Revenue Code, other than (i) a distribution from a College Savings Pool created under Section 16.5 of the State Treasurer Act, (ii) a distribution from the Illinois Prepaid Tuition Trust Fund, or (iii) a distribution from a qualified tuition program under Section 529 of the Internal Revenue Code that (I) adopts and determines that its offering materials comply with the College Savings Plans Network's disclosure principles and (II) has made reasonable efforts to inform in-state residents of the existence of in-state qualified tuition programs by informing Illinois residents directly and, where applicable, to inform financial intermediaries distributing the program to inform in-state residents of the existence
of in-state qualified tuition programs at least annually, an amount equal to the amount excluded from gross income under Section 529(c)(3)(B).

For the purposes of this subparagraph (D-20), a qualified tuition program has made reasonable efforts if it makes disclosures (which may use the term "in-state program" or "in-state plan" and need not specifically refer to Illinois or its qualified programs by name) (i) directly to prospective participants in its offering materials or makes a public disclosure, such as a website posting; and (ii) where applicable, to intermediaries selling the out-of-state program in the same manner that the out-of-state program distributes its offering materials;

(D-21) For taxable years beginning on or after January 1, 2007, in the case of transfer of moneys from a qualified tuition program under Section 529 of the Internal Revenue Code that is administered by the State to an out-of-state program, an amount equal to the amount of moneys previously deducted from base income under subsection (a)(2)(Y) of this Section.

(i) the addition modification relating to the net operating loss carried back or forward to the taxable year from any taxable year ending prior to December 31, 1986 shall be reduced by the amount of addition modification under this subparagraph (E) which related to that net operating loss and which was taken into account in calculating the base income of an earlier taxable year, and

(ii) the addition modification relating to the net operating loss carried back or forward to the taxable year from any taxable year ending prior to December 31, 1986 shall not exceed the amount of such carryback or carryforward;

For taxable years in which there is a net operating loss carryback or carryforward from more than one other taxable year ending prior to December 31, 1986, the addition modification provided in this subparagraph (E) shall be the sum of the amounts computed independently under the preceding provisions of this subparagraph (E) for each such taxable year;

(E-5) For taxable years ending after December 31, 1997, an amount equal to any eligible remediation costs that the corporation deducted in computing adjusted gross income and for which the corporation claims a credit under subsection (l) of Section 201;

If the taxpayer continues to own property through the last day of the last tax year for which the taxpayer may claim a depreciation deduction for federal income tax purposes and for which the taxpayer was allowed in any taxable year to make a subtraction modification under subparagraph (T), then an amount equal to that subtraction modification.

The taxpayer is required to make the addition modification under this subparagraph only once with respect to any one piece of property;

(E-12) An amount equal to the amount otherwise allowed as a deduction in computing base income for interest paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a
member of the same unitary business group but for the fact the foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

This paragraph shall not apply to the following:

(a) the foreign person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the foreign person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or
incurred, directly or indirectly, to a foreign person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(E-13) An amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after
December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence shall not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(b)(2)(E-12) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the foreign person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and
(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the foreign person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a foreign person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

December 31, 2008, an amount equal to the amount of insurance premium expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. (X) An amount equal to the income from intangible property taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with (i) a foreign person who would be a member of the taxpayer's unitary business group but for
the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be made for the same taxable year under Section 203(b)(2)(E-13) for intangible expenses and costs paid, accrued, or incurred, directly or indirectly, to the same foreign person; and

(Y) An amount equal to the income from insurance premiums taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be made for the same
taxable year under Section 203(a)(2)(D-18) for intangible expenses and costs paid, accrued, or incurred, directly or indirectly, to the same person.

(3) Special rule. For purposes of paragraph (2) (A), "gross income" in the case of a life insurance company, for tax years ending on and after December 31, 1994, shall mean the gross investment income for the taxable year.

(c) Trusts and estates.

(1) In general. In the case of a trust or estate, base income means an amount equal to the taxpayer's taxable income for the taxable year as modified by paragraph (2).

(2) Modifications. Subject to the provisions of paragraph (3), the taxable income referred to in paragraph (1) shall be modified by adding thereto the sum of the following amounts:

(A) An amount equal to all amounts paid or accrued to the taxpayer as interest or dividends during the taxable year to the extent excluded from gross income in the computation of taxable income;

(B) In the case of (i) an estate, $600; (ii) a trust which, under its governing instrument, is required to distribute all of its income currently, $300; and (iii) any other trust, $100, but in each such case, only to the extent such amount was deducted in the computation of taxable income;
(C) An amount equal to the amount of tax imposed by this Act to the extent deducted from gross income in the computation of taxable income for the taxable year;

(D) The amount of any net operating loss deduction taken in arriving at taxable income, other than a net operating loss carried forward from a taxable year ending prior to December 31, 1986;

(E) For taxable years in which a net operating loss carryback or carryforward from a taxable year ending prior to December 31, 1986 is an element of taxable income under paragraph (1) of subsection (e) or subparagraph (E) of paragraph (2) of subsection (e), the amount by which addition modifications other than those provided by this subparagraph (E) exceeded subtraction modifications in such taxable year, with the following limitations applied in the order that they are listed:

(i) the addition modification relating to the net operating loss carried back or forward to the taxable year from any taxable year ending prior to December 31, 1986 shall be reduced by the amount of addition modification under this subparagraph (E) which related to that net operating loss and which was taken into account in calculating the base income of an earlier taxable year, and

(ii) the addition modification relating to the
net operating loss carried back or forward to the taxable year from any taxable year ending prior to December 31, 1986 shall not exceed the amount of such carryback or carryforward;

For taxable years in which there is a net operating loss carryback or carryforward from more than one other taxable year ending prior to December 31, 1986, the addition modification provided in this subparagraph (E) shall be the sum of the amounts computed independently under the preceding provisions of this subparagraph (E) for each such taxable year;

(F) For taxable years ending on or after January 1, 1989, an amount equal to the tax deducted pursuant to Section 164 of the Internal Revenue Code if the trust or estate is claiming the same tax for purposes of the Illinois foreign tax credit under Section 601 of this Act;

(G) An amount equal to the amount of the capital gain deduction allowable under the Internal Revenue Code, to the extent deducted from gross income in the computation of taxable income;

(G-5) For taxable years ending after December 31, 1997, an amount equal to any eligible remediation costs that the trust or estate deducted in computing adjusted gross income and for which the trust or estate claims a credit under subsection (l) of Section 201;
(G-10) For taxable years 2001 and thereafter, an amount equal to the bonus depreciation deduction taken on the taxpayer's federal income tax return for the taxable year under subsection (k) of Section 168 of the Internal Revenue Code; and

(G-11) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (G-10), then an amount equal to the aggregate amount of the deductions taken in all taxable years under subparagraph (R) with respect to that property.

If the taxpayer continues to own property through the last day of the last tax year for which the taxpayer may claim a depreciation deduction for federal income tax purposes and for which the taxpayer was allowed in any taxable year to make a subtraction modification under subparagraph (R), then an amount equal to that subtraction modification.

The taxpayer is required to make the addition modification under this subparagraph only once with respect to any one piece of property;

(G-12) An amount equal to the amount otherwise allowed as a deduction in computing base income for interest paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after
December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

This paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a foreign
person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such interest; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a foreign person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the foreign person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the foreign person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or
(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a foreign person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(G-13) An amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business
activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence shall not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(c)(2)(G-12) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes: (1) expenses, losses, and costs for or related to the direct or indirect acquisition, use, maintenance or
management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets.

This paragraph shall not apply to the following:

(i) any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a foreign person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the foreign person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is
not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the foreign person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a foreign person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;
For taxable years ending on or after December 31, 2008, an amount equal to the amount of insurance premium expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(a)(2)(D-17) of this Act.
and by deducting from the total so obtained the sum of the following amounts:

(H) An amount equal to all amounts included in such total pursuant to the provisions of Sections 402(a), 402(c), 403(a), 403(b), 406(a), 407(a) and 408 of the Internal Revenue Code or included in such total as distributions under the provisions of any retirement or disability plan for employees of any governmental agency or unit, or retirement payments to retired partners, which payments are excluded in computing net earnings from self employment by Section 1402 of the Internal Revenue Code and regulations adopted pursuant thereto;

(I) The valuation limitation amount;

(J) An amount equal to the amount of any tax imposed by this Act which was refunded to the taxpayer and included in such total for the taxable year;

(K) An amount equal to all amounts included in taxable income as modified by subparagraphs (A), (B), (C), (D), (E), (F) and (G) which are exempt from taxation by this State either by reason of its statutes or Constitution or by reason of the Constitution, treaties or statutes of the United States; provided that, in the case of any statute of this State or, for taxable years ending on or after December 31, 2008, of the United States, any treaty of the United States, the
Illinois Constitution, or the United States Constitution that exempts income derived from bonds or other obligations from the tax imposed under this Act, the amount exempted shall be the income net of bond premium amortization, and, for taxable years ending on or after December 31, 2008, interest expense incurred on indebtedness to carry the bond or other obligation, expenses incurred in producing the income to be deducted, and all other related expenses. The amount of expenses to be taken into account under this provision may not exceed the amount of income that is exempted;

(L) With the exception of any amounts subtracted under subparagraph (K), an amount equal to the sum of all amounts disallowed as deductions by (i) Sections 171(a) (2) and 265(a)(2) of the Internal Revenue Code, as now or hereafter amended, and all amounts of expenses allocable to interest and disallowed as deductions by Section 265(1) of the Internal Revenue Code of 1954, as now or hereafter amended; and (ii) for taxable years ending on or after August 13, 1999, Sections 171(a)(2), 265, 280C, and 832(b)(5)(B)(i) of the Internal Revenue Code; the provisions of this subparagraph are exempt from the provisions of Section 250;

(M) An amount equal to those dividends included in such total which were paid by a corporation which
conducts business operations in an Enterprise Zone or zones created under the Illinois Enterprise Zone Act or a River Edge Redevelopment Zone or zones created under the River Edge Redevelopment Zone Act and conducts substantially all of its operations in an Enterprise Zone or Zones or a River Edge Redevelopment Zone or zones. This subparagraph (M) is exempt from the provisions of Section 250;

(N) An amount equal to any contribution made to a job training project established pursuant to the Tax Increment Allocation Redevelopment Act;

(O) An amount equal to those dividends included in such total that were paid by a corporation that conducts business operations in a federally designated Foreign Trade Zone or Sub-Zone and that is designated a High Impact Business located in Illinois; provided that dividends eligible for the deduction provided in subparagraph (M) of paragraph (2) of this subsection shall not be eligible for the deduction provided under this subparagraph (O);

(P) An amount equal to the amount of the deduction used to compute the federal income tax credit for restoration of substantial amounts held under claim of right for the taxable year pursuant to Section 1341 of the Internal Revenue Code of 1986;

(Q) For taxable year 1999 and thereafter, an amount
equal to the amount of any (i) distributions, to the extent includible in gross income for federal income tax purposes, made to the taxpayer because of his or her status as a victim of persecution for racial or religious reasons by Nazi Germany or any other Axis regime or as an heir of the victim and (ii) items of income, to the extent includible in gross income for federal income tax purposes, attributable to, derived from or in any way related to assets stolen from, hidden from, or otherwise lost to a victim of persecution for racial or religious reasons by Nazi Germany or any other Axis regime immediately prior to, during, and immediately after World War II, including, but not limited to, interest on the proceeds receivable as insurance under policies issued to a victim of persecution for racial or religious reasons by Nazi Germany or any other Axis regime by European insurance companies immediately prior to and during World War II; provided, however, this subtraction from federal adjusted gross income does not apply to assets acquired with such assets or with the proceeds from the sale of such assets; provided, further, this paragraph shall only apply to a taxpayer who was the first recipient of such assets after their recovery and who is a victim of persecution for racial or religious reasons by Nazi Germany or any other Axis regime or as an heir of the
victim. The amount of and the eligibility for any public assistance, benefit, or similar entitlement is not affected by the inclusion of items (i) and (ii) of this paragraph in gross income for federal income tax purposes. This paragraph is exempt from the provisions of Section 250;

(R) For taxable years 2001 and thereafter, for the taxable year in which the bonus depreciation deduction is taken on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code and for each applicable taxable year thereafter, an amount equal to "x", where:

(1) "y" equals the amount of the depreciation deduction taken for the taxable year on the taxpayer's federal income tax return on property for which the bonus depreciation deduction was taken in any year under subsection (k) of Section 168 of the Internal Revenue Code, but not including the bonus depreciation deduction;

(2) for taxable years ending on or before December 31, 2005, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429); and

(3) for taxable years ending after December 31, 2005:

(i) for property on which a bonus
depreciation deduction of 30% of the adjusted basis was taken, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429); and

(ii) for property on which a bonus depreciation deduction of 50% of the adjusted basis was taken, "x" equals "y" multiplied by 1.0.

The aggregate amount deducted under this subparagraph in all taxable years for any one piece of property may not exceed the amount of the bonus depreciation deduction taken on that property on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code. This subparagraph (R) is exempt from the provisions of Section 250;

(S) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (G-10), then an amount equal to that addition modification.

If the taxpayer continues to own property through the last day of the last tax year for which the taxpayer may claim a depreciation deduction for federal income tax purposes and for which the taxpayer was required in any taxable year to make an addition
modification under subparagraph (G-10), then an amount equal to that addition modification.

The taxpayer is allowed to take the deduction under this subparagraph only once with respect to any one piece of property.

This subparagraph (S) is exempt from the provisions of Section 250;

(T) The amount of (i) any interest income (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-17), 203(b)(2)(E-12), 203(c)(2)(G-12), or 203(d)(2)(D-7), but not to exceed the amount of such addition modification and (ii) any income from intangible property (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-18), 203(b)(2)(E-13), 203(c)(2)(G-13), or 203(d)(2)(D-8), but not to exceed the amount of such addition modification;

(U) An amount equal to the interest income taken into account for the taxable year (net of the deductions allocable thereto) with respect to
transactions with (i) a foreign person who would be a member of the taxpayer's unitary business group but for the fact the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be made for the same taxable year under Section 203(c)(2)(G-12) for interest paid, accrued, or incurred, directly or indirectly, to the same person;

(V) An amount equal to the income from intangible property taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity, but not to exceed the addition modification required to be made for the same taxable year under Section 203(c)(2)(G-13) for
intangible expenses and costs paid, accrued, or incurred, directly or indirectly, to the same foreign person; and

(W) (FF) An amount equal to the income from insurance premiums taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be made for the same taxable year under Section 203(a)(2)(D-18) for intangible expenses and costs paid, accrued, or incurred, directly or indirectly, to the same person.

(3) Limitation. The amount of any modification otherwise required under this subsection shall, under regulations prescribed by the Department, be adjusted by any amounts included therein which were properly paid, credited, or required to be distributed, or permanently set aside for charitable purposes pursuant to Internal Revenue Code Section 642(c) during the taxable year.

(d) Partnerships.
(1) In general. In the case of a partnership, base income means an amount equal to the taxpayer's taxable income for the taxable year as modified by paragraph (2).

(2) Modifications. The taxable income referred to in paragraph (1) shall be modified by adding thereto the sum of the following amounts:

(A) An amount equal to all amounts paid or accrued to the taxpayer as interest or dividends during the taxable year to the extent excluded from gross income in the computation of taxable income;

(B) An amount equal to the amount of tax imposed by this Act to the extent deducted from gross income for the taxable year;

(C) The amount of deductions allowed to the partnership pursuant to Section 707 (c) of the Internal Revenue Code in calculating its taxable income;

(D) An amount equal to the amount of the capital gain deduction allowable under the Internal Revenue Code, to the extent deducted from gross income in the computation of taxable income;

(D-5) For taxable years 2001 and thereafter, an amount equal to the bonus depreciation deduction taken on the taxpayer's federal income tax return for the taxable year under subsection (k) of Section 168 of the Internal Revenue Code;

(D-6) If the taxpayer sells, transfers, abandons,
or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-5), then an amount equal to the aggregate amount of the deductions taken in all taxable years under subparagraph (O) with respect to that property.

If the taxpayer continues to own property through the last day of the last tax year for which the taxpayer may claim a depreciation deduction for federal income tax purposes and for which the taxpayer was allowed in any taxable year to make a subtraction modification under subparagraph (O), then an amount equal to that subtraction modification.

The taxpayer is required to make the addition modification under this subparagraph only once with respect to any one piece of property;

(D-7) An amount equal to the amount otherwise allowed as a deduction in computing base income for interest paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact the foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person
who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

This paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a foreign person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such interest; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a foreign
person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the foreign person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the foreign person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm’s-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a foreign person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an
alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act; and

(D-8) An amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion
business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred or accrued. The preceding sentence shall not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(d)(2)(D-7) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this
subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets;

This paragraph shall not apply to the following:

(i) any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a foreign person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the foreign person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the foreign person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract
or agreement that reflects arm's-length terms;
or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a foreign person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. (e) Gross income; adjusted gross income; taxable income.

(1) In general. Subject to the provisions of paragraph (2) and subsection (b) (3), for purposes of this Section and Section 803(e), a taxpayer's gross income, adjusted gross income, or taxable income for the taxable year shall mean the amount of gross income, adjusted gross income or taxable income properly reportable for federal income tax purposes for the taxable year under the provisions of the Internal Revenue Code. Taxable income may be less than zero. However, for taxable years ending on or after December 31, 1986, net operating loss carryforwards from
taxable years ending prior to December 31, 1986, may not exceed the sum of federal taxable income for the taxable year before net operating loss deduction, plus the excess of addition modifications over subtraction modifications for the taxable year. For taxable years ending prior to December 31, 1986, taxable income may never be an amount in excess of the net operating loss for the taxable year as defined in subsections (c) and (d) of Section 172 of the Internal Revenue Code, provided that when taxable income of a corporation (other than a Subchapter S corporation), trust, or estate is less than zero and addition modifications, other than those provided by subparagraph (E) of paragraph (2) of subsection (b) for corporations or subparagraph (E) of paragraph (2) of subsection (c) for trusts and estates, exceed subtraction modifications, an addition modification must be made under those subparagraphs for any other taxable year to which the taxable income less than zero (net operating loss) is applied under Section 172 of the Internal Revenue Code or under subparagraph (E) of paragraph (2) of this subsection (e) applied in conjunction with Section 172 of the Internal Revenue Code.

(2) Special rule. For purposes of paragraph (1) of this subsection, the taxable income properly reportable for federal income tax purposes shall mean:

(A) Certain life insurance companies. In the case
of a life insurance company subject to the tax imposed by Section 801 of the Internal Revenue Code, life insurance company taxable income, plus the amount of distribution from pre-1984 policyholder surplus accounts as calculated under Section 815a of the Internal Revenue Code;

(B) Certain other insurance companies. In the case of mutual insurance companies subject to the tax imposed by Section 831 of the Internal Revenue Code, insurance company taxable income;

(C) Regulated investment companies. In the case of a regulated investment company subject to the tax imposed by Section 852 of the Internal Revenue Code, investment company taxable income;

(D) Real estate investment trusts. In the case of a real estate investment trust subject to the tax imposed by Section 857 of the Internal Revenue Code, real estate investment trust taxable income;

(E) Consolidated corporations. In the case of a corporation which is a member of an affiliated group of corporations filing a consolidated income tax return for the taxable year for federal income tax purposes, taxable income determined as if such corporation had filed a separate return for federal income tax purposes for the taxable year and each preceding taxable year for which it was a member of an affiliated group. For
purposes of this subparagraph, the taxpayer's separate taxable income shall be determined as if the election provided by Section 243(b) (2) of the Internal Revenue Code had been in effect for all such years;

(F) Cooperatives. In the case of a cooperative corporation or association, the taxable income of such organization determined in accordance with the provisions of Section 1381 through 1388 of the Internal Revenue Code;

(G) Subchapter S corporations. In the case of: (i) a Subchapter S corporation for which there is in effect an election for the taxable year under Section 1362 of the Internal Revenue Code, the taxable income of such corporation determined in accordance with Section 1363(b) of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 1363(b)(1) of the Internal Revenue Code to be separately stated; and (ii) a Subchapter S corporation for which there is in effect a federal election to opt out of the provisions of the Subchapter S Revision Act of 1982 and have applied instead the prior federal Subchapter S rules as in effect on July 1, 1982, the taxable income of such corporation determined in accordance with the federal Subchapter S rules as in effect on July 1, 1982; and

(H) Partnerships. In the case of a partnership,
taxable income determined in accordance with Section 703 of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 703(a)(1) to be separately stated but which would be taken into account by an individual in calculating his taxable income.

(3) Recapture of business expenses on disposition of asset or business. Notwithstanding any other law to the contrary, if in prior years income from an asset or business has been classified as business income and in a later year is demonstrated to be non-business income, then all expenses, without limitation, deducted in such later year and in the 2 immediately preceding taxable years related to that asset or business that generated the non-business income shall be added back and recaptured as business income in the year of the disposition of the asset or business. Such amount shall be apportioned to Illinois using the greater of the apportionment fraction computed for the business under Section 304 of this Act for the taxable year or the average of the apportionment fractions computed for the business under Section 304 of this Act for the taxable year and for the 2 immediately preceding taxable years.

(f) Valuation limitation amount.

(1) In general. The valuation limitation amount referred to in subsections (a) (2) (G), (c) (2) (I) and
(d)(2) (E) is an amount equal to:

(A) The sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of gain reportable under the provisions of Section 1245 or 1250 of the Internal Revenue Code) for all property in respect of which such gain was reported for the taxable year; plus

(B) The lesser of (i) the sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of capital gain) for all property in respect of which such gain was reported for federal income tax purposes for the taxable year, or (ii) the net capital gain for the taxable year, reduced in either case by any amount of such gain included in the amount determined under subsection (a) (2) (F) or (c) (2) (H).

(2) Pre-August 1, 1969 appreciation amount.

(A) If the fair market value of property referred to in paragraph (1) was readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is the lesser of (i) the excess of such fair market value over the taxpayer's basis (for determining gain) for such property on that date (determined under the Internal Revenue Code as in effect on that date), or (ii) the total gain realized and reportable for federal income tax purposes in respect of the sale, exchange or other disposition of such property.
(B) If the fair market value of property referred to in paragraph (1) was not readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is that amount which bears the same ratio to the total gain reported in respect of the property for federal income tax purposes for the taxable year, as the number of full calendar months in that part of the taxpayer's holding period for the property ending July 31, 1969 bears to the number of full calendar months in the taxpayer's entire holding period for the property.

(C) The Department shall prescribe such regulations as may be necessary to carry out the purposes of this paragraph.

(g) Double deductions. Unless specifically provided otherwise, nothing in this Section shall permit the same item to be deducted more than once.

(h) Legislative intention. Except as expressly provided by this Section there shall be no modifications or limitations on the amounts of income, gain, loss or deduction taken into account in determining gross income, adjusted gross income or taxable income for federal income tax purposes for the taxable year, or in the amount of such items entering into the computation of base income and net income under this Act for
such taxable year, whether in respect of property values as of
August 1, 1969 or otherwise.

intent to title the vehicle in the state in which the purchaser is a resident within 30 days after the sale and of the fact of the payment to the State of Illinois of tax in an amount equivalent to the state's rate of tax on taxable property in his or her state of residence and shall submit the statement to the appropriate tax collection agency in his or her state of residence. In addition, the retailer must retain a signed copy of the statement in his or her records. Nothing in this item shall be construed to require the removal of the vehicle from this state following the filing of an intent to title the vehicle in the purchaser's state of residence if the purchaser titles the vehicle in his or her state of residence within 30 days after the date of sale. The tax collected under this Act in accordance with this item (25-5) shall be proportionately distributed as if the tax were collected at the 6.25% general rate imposed under this Act.

(2) the aircraft is not based or registered in this State after the sale of the aircraft; and

(3) the seller retains in his or her books and records and provides to the Department a signed and dated certification from the purchaser, on a form prescribed by the Department, certifying that the requirements of this item (25-7) are met. The certificate must also include the name and address of the purchaser, the address of the location where the aircraft is to be titled or registered, the address of the primary physical location of the aircraft, and other information that the Department may reasonably require.

Sec. 15-170. Senior Citizens Homestead Exemption. An annual homestead exemption limited, except as described here with relation to cooperatives or life care facilities, to a maximum reduction set forth below from the property's value, as equalized or assessed by the Department, is granted for property that is occupied as a residence by a person 65 years of age or older who is liable for paying real estate taxes on the property and is an owner of record of the property or has a legal or equitable interest therein as evidenced by a written instrument, except for a leasehold interest, other than a leasehold interest of land on which a single family residence is located, which is occupied as a residence by a person 65 years or older who has an ownership interest therein, legal, equitable or as a lessee, and on which he or she is liable for the payment of property taxes. Before taxable year 2004, the
maximum reduction shall be $2,500 in counties with 3,000,000 or more inhabitants and $2,000 in all other counties. For taxable years 2004 through 2005, the maximum reduction shall be $3,000 in all counties. For taxable years 2006 and 2007, the maximum reduction shall be $3,500 and, for taxable years 2008 and thereafter, the maximum reduction is $4,000 in all counties.

For land improved with an apartment building owned and operated as a cooperative, the maximum reduction from the value of the property, as equalized by the Department, shall be multiplied by the number of apartments or units occupied by a person 65 years of age or older who is liable, by contract with the owner or owners of record, for paying property taxes on the property and is an owner of record of a legal or equitable interest in the cooperative apartment building, other than a leasehold interest. For land improved with a life care facility, the maximum reduction from the value of the property, as equalized by the Department, shall be multiplied by the number of apartments or units occupied by persons 65 years of age or older, irrespective of any legal, equitable, or leasehold interest in the facility, who are liable, under a contract with the owner or owners of record of the facility, for paying property taxes on the property. In a cooperative or a life care facility where a homestead exemption has been granted, the cooperative association or the management firm of the cooperative or facility shall credit the savings resulting from that exemption only to the apportioned tax liability of
the owner or resident who qualified for the exemption. Any person who willfully refuses to so credit the savings shall be guilty of a Class B misdemeanor. Under this Section and Sections 15-175, 15-176, and 15-177, "life care facility" means a facility as defined in Section 2 of the Life Care Facilities Act, with which the applicant for the homestead exemption has a life care contract as defined in that Act.

When a homestead exemption has been granted under this Section and the person qualifying subsequently becomes a resident of a facility licensed under the Nursing Home Care Act, the exemption shall continue so long as the residence continues to be occupied by the qualifying person's spouse if the spouse is 65 years of age or older, or if the residence remains unoccupied but is still owned by the person qualified for the homestead exemption.

A person who will be 65 years of age during the current assessment year shall be eligible to apply for the homestead exemption during that assessment year. Application shall be made during the application period in effect for the county of his residence.

Beginning with assessment year 2003, for taxes payable in 2004, property that is first occupied as a residence after January 1 of any assessment year by a person who is eligible for the senior citizens homestead exemption under this Section must be granted a pro-rata exemption for the assessment year. The amount of the pro-rata exemption is the exemption allowed
in the county under this Section divided by 365 and multiplied by the number of days during the assessment year the property is occupied as a residence by a person eligible for the exemption under this Section. The chief county assessment officer must adopt reasonable procedures to establish eligibility for this pro-rata exemption.

The assessor or chief county assessment officer may determine the eligibility of a life care facility to receive the benefits provided by this Section, by affidavit, application, visual inspection, questionnaire or other reasonable methods in order to insure that the tax savings resulting from the exemption are credited by the management firm to the apportioned tax liability of each qualifying resident. The assessor may request reasonable proof that the management firm has so credited the exemption.

The chief county assessment officer of each county with less than 3,000,000 inhabitants shall provide to each person allowed a homestead exemption under this Section a form to designate any other person to receive a duplicate of any notice of delinquency in the payment of taxes assessed and levied under this Code on the property of the person receiving the exemption. The duplicate notice shall be in addition to the notice required to be provided to the person receiving the exemption, and shall be given in the manner required by this Code. The person filing the request for the duplicate notice shall pay a fee of $5 to cover administrative costs to the
supervisor of assessments, who shall then file the executed designation with the county collector. Notwithstanding any other provision of this Code to the contrary, the filing of such an executed designation requires the county collector to provide duplicate notices as indicated by the designation. A designation may be rescinded by the person who executed such designation at any time, in the manner and form required by the chief county assessment officer.

The assessor or chief county assessment officer may determine the eligibility of residential property to receive the homestead exemption provided by this Section by application, visual inspection, questionnaire or other reasonable methods. The determination shall be made in accordance with guidelines established by the Department.

In counties with less than 3,000,000 inhabitants, the county board may by resolution provide that if a person has been granted a homestead exemption under this Section, the person qualifying need not reapply for the exemption.

In counties with less than 3,000,000 inhabitants, if the assessor or chief county assessment officer requires annual application for verification of eligibility for an exemption once granted under this Section, the application shall be mailed to the taxpayer.

The assessor or chief county assessment officer shall notify each person who qualifies for an exemption under this Section that the person may also qualify for deferral of real
estate taxes under the Senior Citizens Real Estate Tax Deferral Act. The notice shall set forth the qualifications needed for deferral of real estate taxes, the address and telephone number of county collector, and a statement that applications for deferral of real estate taxes may be obtained from the county collector.

Sec. 18-185. Short title; definitions. This Division 5 may be cited as the Property Tax Extension Limitation Law. As used in this Division 5:

"Consumer Price Index" means the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor.

"Extension limitation" means (a) the lesser of 5% or the percentage increase in the Consumer Price Index during the 12-month calendar year preceding the levy year or (b) the rate of increase approved by voters under Section 18-205.

"Affected county" means a county of 3,000,000 or more inhabitants or a county contiguous to a county of 3,000,000 or more inhabitants.
"Taxing district" has the same meaning provided in Section 1-150, except as otherwise provided in this Section. For the 1991 through 1994 levy years only, "taxing district" includes only each non-home rule taxing district having the majority of its 1990 equalized assessed value within any county or counties contiguous to a county with 3,000,000 or more inhabitants. Beginning with the 1995 levy year, "taxing district" includes only each non-home rule taxing district subject to this Law before the 1995 levy year and each non-home rule taxing district not subject to this Law before the 1995 levy year having the majority of its 1994 equalized assessed value in an affected county or counties. Beginning with the levy year in which this Law becomes applicable to a taxing district as provided in Section 18-213, "taxing district" also includes those taxing districts made subject to this Law as provided in Section 18-213.

"Aggregate extension" for taxing districts to which this Law applied before the 1995 levy year means the annual corporate extension for the taxing district and those special purpose extensions that are made annually for the taxing district, excluding special purpose extensions: (a) made for the taxing district to pay interest or principal on general obligation bonds that were approved by referendum; (b) made for any taxing district to pay interest or principal on general obligation bonds issued before October 1, 1991; (c) made for any taxing district to pay interest or principal on bonds
issued to refund or continue to refund those bonds issued before October 1, 1991; (d) made for any taxing district to pay interest or principal on bonds issued to refund or continue to refund bonds issued after October 1, 1991 that were approved by referendum; (e) made for any taxing district to pay interest or principal on revenue bonds issued before October 1, 1991 for payment of which a property tax levy or the full faith and credit of the unit of local government is pledged; however, a tax for the payment of interest or principal on those bonds shall be made only after the governing body of the unit of local government finds that all other sources for payment are insufficient to make those payments; (f) made for payments under a building commission lease when the lease payments are for the retirement of bonds issued by the commission before October 1, 1991, to pay for the building project; (g) made for payments due under installment contracts entered into before October 1, 1991; (h) made for payments of principal and interest on bonds issued under the Metropolitan Water Reclamation District Act to finance construction projects initiated before October 1, 1991; (i) made for payments of principal and interest on limited bonds, as defined in Section 3 of the Local Government Debt Reform Act, in an amount not to exceed the debt service extension base less the amount in items (b), (c), (e), and (h) of this definition for non-referendum obligations, except obligations initially issued pursuant to referendum; (j) made for payments of principal and interest on
bonds issued under Section 15 of the Local Government Debt Reform Act; (k) made by a school district that participates in the Special Education District of Lake County, created by special education joint agreement under Section 10-22.31 of the School Code, for payment of the school district's share of the amounts required to be contributed by the Special Education District of Lake County to the Illinois Municipal Retirement Fund under Article 7 of the Illinois Pension Code; the amount of any extension under this item (k) shall be certified by the school district to the county clerk; (l) made to fund expenses of providing joint recreational programs for the handicapped under Section 5-8 of the Park District Code or Section 11-95-14 of the Illinois Municipal Code; (m) made for temporary relocation loan repayment purposes pursuant to Sections 2-3.77 and 17-2.2d of the School Code; (n) made for payment of principal and interest on any bonds issued under the authority of Section 17-2.2d of the School Code; and (o) made for contributions to a firefighter's pension fund created under Article 4 of the Illinois Pension Code, to the extent of the amount certified under item (5) of Section 4-134 of the Illinois Pension Code.

"Aggregate extension" for the taxing districts to which this Law did not apply before the 1995 levy year (except taxing districts subject to this Law in accordance with Section 18-213) means the annual corporate extension for the taxing district and those special purpose extensions that are made
annually for the taxing district, excluding special purpose extensions: (a) made for the taxing district to pay interest or principal on general obligation bonds that were approved by referendum; (b) made for any taxing district to pay interest or principal on general obligation bonds issued before March 1, 1995; (c) made for any taxing district to pay interest or principal on bonds issued to refund or continue to refund those bonds issued before March 1, 1995; (d) made for any taxing district to pay interest or principal on bonds issued to refund or continue to refund bonds issued after March 1, 1995 that were approved by referendum; (e) made for any taxing district to pay interest or principal on revenue bonds issued before March 1, 1995 for payment of which a property tax levy or the full faith and credit of the unit of local government is pledged; however, a tax for the payment of interest or principal on those bonds shall be made only after the governing body of the unit of local government finds that all other sources for payment are insufficient to make those payments; (f) made for payments under a building commission lease when the lease payments are for the retirement of bonds issued by the commission before March 1, 1995 to pay for the building project; (g) made for payments due under installment contracts entered into before March 1, 1995; (h) made for payments of principal and interest on bonds issued under the Metropolitan Water Reclamation District Act to finance construction projects initiated before October 1, 1991; (h-4) made for

17-9.02 of the School Code.

"Aggregate extension" for all taxing districts to which
this Law applies in accordance with Section 18-213, except for
those taxing districts subject to paragraph (2) of subsection
(e) of Section 18-213, means the annual corporate extension for
the taxing district and those special purpose extensions that
are made annually for the taxing district, excluding special
purpose extensions: (a) made for the taxing district to pay
interest or principal on general obligation bonds that were
approved by referendum; (b) made for any taxing district to pay
interest or principal on general obligation bonds issued before
the date on which the referendum making this Law applicable to
the taxing district is held; (c) made for any taxing district
to pay interest or principal on bonds issued to refund or
continue to refund those bonds issued before the date on which
the referendum making this Law applicable to the taxing
district is held; (d) made for any taxing district to pay

"Aggregate extension" for all taxing districts to which this Law applies in accordance with paragraph (2) of subsection (e) of Section 18-213 means the annual corporate extension for the taxing district and those special purpose extensions that are made annually for the taxing district, excluding special purpose extensions: (a) made for the taxing district to pay interest or principal on general obligation bonds that were approved by referendum; (b) made for any taxing district to pay interest or principal on general obligation bonds issued before the effective date of this amendatory Act of 1997; (c) made for any taxing district to pay interest or principal on bonds issued to refund or continue to refund those bonds issued
before the effective date of this amendatory Act of 1997; (d)
made for any taxing district to pay interest or principal on
bonds issued to refund or continue to refund bonds issued after
the effective date of this amendatory Act of 1997 if the bonds
were approved by referendum after the effective date of this
amendatory Act of 1997; (e) made for any taxing district to pay
interest or principal on revenue bonds issued before the
effective date of this amendatory Act of 1997 for payment of
which a property tax levy or the full faith and credit of the
unit of local government is pledged; however, a tax for the
payment of interest or principal on those bonds shall be made
only after the governing body of the unit of local government
finds that all other sources for payment are insufficient to
make those payments; (f) made for payments under a building
commission lease when the lease payments are for the retirement
of bonds issued by the commission before the effective date of
this amendatory Act of 1997 to pay for the building project;
(g) made for payments due under installment contracts entered
into before the effective date of this amendatory Act of 1997;
(h) made for payments of principal and interest on limited
bonds, as defined in Section 3 of the Local Government Debt
Reform Act, in an amount not to exceed the debt service
extension base less the amount in items (b), (c), and (e) of
this definition for non-referendum obligations, except
obligations initially issued pursuant to referendum; (i) made
for payments of principal and interest on bonds issued under
Section 15 of the Local Government Debt Reform Act; (j) made for a qualified airport authority to pay interest or principal on general obligation bonds issued for the purpose of paying obligations due under, or financing airport facilities required to be acquired, constructed, installed or equipped pursuant to, contracts entered into before March 1, 1996 (but not including any amendments to such a contract taking effect on or after that date); (k) made to fund expenses of providing joint recreational programs for the handicapped under Section 5-8 of the Park District Code or Section 11-95-14 of the Illinois Municipal Code; and (l) made for contributions to a firefighter's pension fund created under Article 4 of the Illinois Pension Code, to the extent of the amount certified under item (5) of Section 4-134 of the Illinois Pension Code.

"Debt service extension base" means an amount equal to that portion of the extension for a taxing district for the 1994 levy year, or for those taxing districts subject to this Law in accordance with Section 18-213, except for those subject to paragraph (2) of subsection (e) of Section 18-213, for the levy year in which the referendum making this Law applicable to the taxing district is held, or for those taxing districts subject to this Law in accordance with paragraph (2) of subsection (e) of Section 18-213 for the 1996 levy year, constituting an extension for payment of principal and interest on bonds issued by the taxing district without referendum, but not including excluded non-referendum bonds. For park districts (i) that were
first subject to this Law in 1991 or 1995 and (ii) whose extension for the 1994 levy year for the payment of principal and interest on bonds issued by the park district without referendum (but not including excluded non-referendum bonds) was less than 51% of the amount for the 1991 levy year constituting an extension for payment of principal and interest on bonds issued by the park district without referendum (but not including excluded non-referendum bonds), "debt service extension base" means an amount equal to that portion of the extension for the 1991 levy year constituting an extension for payment of principal and interest on bonds issued by the park district without referendum (but not including excluded non-referendum bonds). The debt service extension base may be established or increased as provided under Section 18-212. "Excluded non-referendum bonds" means (i) bonds authorized by Public Act 88-503 and issued under Section 20a of the Chicago Park District Act for aquarium and museum projects; (ii) bonds issued under Section 15 of the Local Government Debt Reform Act; or (iii) refunding obligations issued to refund or to continue to refund obligations initially issued pursuant to referendum.

"Special purpose extensions" include, but are not limited to, extensions for levies made on an annual basis for unemployment and workers' compensation, self-insurance, contributions to pension plans, and extensions made pursuant to Section 6-601 of the Illinois Highway Code for a road
district's permanent road fund whether levied annually or not. The extension for a special service area is not included in the aggregate extension.

"Aggregate extension base" means the taxing district's last preceding aggregate extension as adjusted under Sections 18-135, 18-215, and 18-230. An adjustment under Section 18-135 shall be made for the 2007 levy year and all subsequent levy years whenever one or more counties within which a taxing district is located (i) used estimated valuations or rates when extending taxes in the taxing district for the last preceding levy year that resulted in the over or under extension of taxes, or (ii) increased or decreased the tax extension for the last preceding levy year as required by Section 18-135(c). Whenever an adjustment is required under Section 18-135, the aggregate extension base of the taxing district shall be equal to the amount that the aggregate extension of the taxing district would have been for the last preceding levy year if either or both (i) actual, rather than estimated, valuations or rates had been used to calculate the extension of taxes for the last levy year, or (ii) the tax extension for the last preceding levy year had not been adjusted as required by subsection (c) of Section 18-135.

"Levy year" has the same meaning as "year" under Section 1-155.

"New property" means (i) the assessed value, after final board of review or board of appeals action, of new improvements
or additions to existing improvements on any parcel of real property that increase the assessed value of that real property during the levy year multiplied by the equalization factor issued by the Department under Section 17-30, (ii) the assessed value, after final board of review or board of appeals action, of real property not exempt from real estate taxation, which real property was exempt from real estate taxation for any portion of the immediately preceding levy year, multiplied by the equalization factor issued by the Department under Section 17-30, including the assessed value, upon final stabilization of occupancy after new construction is complete, of any real property located within the boundaries of an otherwise or previously exempt military reservation that is intended for residential use and owned by or leased to a private corporation or other entity, and (iii) in counties that classify in accordance with Section 4 of Article IX of the Illinois Constitution, an incentive property's additional assessed value resulting from a scheduled increase in the level of assessment as applied to the first year final board of review market value. In addition, the county clerk in a county containing a population of 3,000,000 or more shall include in the 1997 recovered tax increment value for any school district, any recovered tax increment value that was applicable to the 1995 tax year calculations.

"Qualified airport authority" means an airport authority organized under the Airport Authorities Act and located in a
county bordering on the State of Wisconsin and having a population in excess of 200,000 and not greater than 500,000.

"Recovered tax increment value" means, except as otherwise provided in this paragraph, the amount of the current year's equalized assessed value, in the first year after a municipality terminates the designation of an area as a redevelopment project area previously established under the Tax Increment Allocation Development Act in the Illinois Municipal Code, previously established under the Industrial Jobs Recovery Law in the Illinois Municipal Code, previously established under the Economic Development Project Area Tax Increment Act of 1995, or previously established under the Economic Development Area Tax Increment Allocation Act, of each taxable lot, block, tract, or parcel of real property in the redevelopment project area over and above the initial equalized assessed value of each property in the redevelopment project area. For the taxes which are extended for the 1997 levy year, the recovered tax increment value for a non-home rule taxing district that first became subject to this Law for the 1995 levy year because a majority of its 1994 equalized assessed value was in an affected county or counties shall be increased if a municipality terminated the designation of an area in 1993 as a redevelopment project area previously established under the Tax Increment Allocation Development Act in the Illinois Municipal Code, previously established under the Industrial Jobs Recovery Law in the Illinois Municipal Code, or previously
established under the Economic Development Area Tax Increment Allocation Act, by an amount equal to the 1994 equalized assessed value of each taxable lot, block, tract, or parcel of real property in the redevelopment project area over and above the initial equalized assessed value of each property in the redevelopment project area. In the first year after a municipality removes a taxable lot, block, tract, or parcel of real property from a redevelopment project area established under the Tax Increment Allocation Development Act in the Illinois Municipal Code, the Industrial Jobs Recovery Law in the Illinois Municipal Code, or the Economic Development Area Tax Increment Allocation Act, "recovered tax increment value" means the amount of the current year's equalized assessed value of each taxable lot, block, tract, or parcel of real property removed from the redevelopment project area over and above the initial equalized assessed value of that real property before removal from the redevelopment project area.

Except as otherwise provided in this Section, "limiting rate" means a fraction the numerator of which is the last preceding aggregate extension base times an amount equal to one plus the extension limitation defined in this Section and the denominator of which is the current year's equalized assessed value of all real property in the territory under the jurisdiction of the taxing district during the prior levy year. For those taxing districts that reduced their aggregate extension for the last preceding levy year, the highest
aggregate extension in any of the last 3 preceding levy years shall be used for the purpose of computing the limiting rate. The denominator shall not include new property or the recovered tax increment value. If a new rate, a rate decrease, or a limiting rate increase has been approved at an election held after March 21, 2006, then (i) the otherwise applicable limiting rate shall be increased by the amount of the new rate or shall be reduced by the amount of the rate decrease, as the case may be, or (ii) in the case of a limiting rate increase, the limiting rate shall be equal to the rate set forth in the proposition approved by the voters for each of the years specified in the proposition, after which the limiting rate of the taxing district shall be calculated as otherwise provided.

Sec. 22-15. Service of notice. The purchaser or his or her assignee shall give the notice required by Section 22-10 by causing it to be published in a newspaper as set forth in Section 22-20. In addition, the notice shall be served by a sheriff (or if he or she is disqualified, by a coroner) of the county in which the property, or any part thereof, is located or, except in Cook County, by a person who is licensed or
registered as a private detective under the Private Detective, Private Alarm, Private Security, Fingerprint Vendor, and Locksmith Act of 2004 upon owners who reside on any part of the property sold by leaving a copy of the notice with those owners personally.

In counties of 3,000,000 or more inhabitants where a taxing district is a petitioner for tax deed pursuant to Section 21-90, in lieu of service by the sheriff or coroner the notice may be served by a special process server appointed by the circuit court as provided in this Section. The taxing district may move prior to filing one or more petitions for tax deed for appointment of such a special process server. The court, upon being satisfied that the person named in the motion is at least 18 years of age and is capable of serving notice as required under this Code, shall enter an order appointing such person as a special process server for a period of one year. The appointment may be renewed for successive periods of one year each by motion and order, and a copy of the original and any subsequent order shall be filed in each tax deed case in which a notice is served by the appointed person. Delivery of the notice to and service of the notice by the special process server shall have the same force and effect as its delivery to and service by the sheriff or coroner.

The same form of notice shall also be served upon all other owners and parties interested in the property, if upon diligent inquiry they can be found in the county, and upon the occupants
of the property in the following manner:

(a) as to individuals, by (1) leaving a copy of the notice with the person personally or (2) by leaving a copy at his or her usual place of residence with a person of the family, of the age of 13 years or more, and informing that person of its contents. The person making the service shall cause a copy of the notice to be sent by registered or certified mail, return receipt requested, to that party at his or her usual place of residence;

(b) as to public and private corporations, municipal, governmental and quasi-municipal corporations, partnerships, receivers and trustees of corporations, by leaving a copy of the notice with the person designated by the Civil Practice Law.

If the property sold has more than 4 dwellings or other rental units, and has a managing agent or party who collects rents, that person shall be deemed the occupant and shall be served with notice instead of the occupants of the individual units. If the property has no dwellings or rental units, but economic or recreational activities are carried on therein, the person directing such activities shall be deemed the occupant. Holders of rights of entry and possibilities of reverter shall not be deemed parties interested in the property.

When a party interested in the property is a trustee, notice served upon the trustee shall be deemed to have been served upon any beneficiary or note holder thereunder unless
the holder of the note is disclosed of record.

When a judgment is a lien upon the property sold, the holder of the lien shall be served with notice if the name of the judgment debtor as shown in the transcript, certified copy or memorandum of judgment filed of record is identical, as to given name and surname, with the name of the party interested as it appears of record.

If any owner or party interested, upon diligent inquiry and effort, cannot be found or served with notice in the county as provided in this Section, and the person in actual occupancy and possession is tenant to, or in possession under the owners or the parties interested in the property, then service of notice upon the tenant, occupant or person in possession shall be deemed service upon the owners or parties interested.

If any owner or party interested, upon diligent inquiry and effort cannot be found or served with notice in the county, then the person making the service shall cause a copy of the notice to be sent by registered or certified mail, return receipt requested, to that party at his or her residence, if ascertainable.

Sec. 22-15. Service of notice. The purchaser or his or her assignee shall give the notice required by Section 22-10 by causing it to be published in a newspaper as set forth in
Section 22-20. In addition, the notice shall be served by a sheriff (or if he or she is disqualified, by a coroner) of the county in which the property, or any part thereof, is located or, except in Cook County, by a person who is licensed or registered as a private detective under the Private Detective, Private Alarm, Private Security, Fingerprint Vendor, and Locksmith Act of 2004 upon owners who reside on any part of the property sold by leaving a copy of the notice with those owners personally.

In counties of 3,000,000 or more inhabitants where a taxing district is a petitioner for tax deed pursuant to Section 21-90, in lieu of service by the sheriff or coroner the notice may be served by a special process server appointed by the circuit court as provided in this Section. The taxing district may move prior to filing one or more petitions for tax deed for appointment of such a special process server. The court, upon being satisfied that the person named in the motion is at least 18 years of age and is capable of serving notice as required under this Code, shall enter an order appointing such person as a special process server for a period of one year. The appointment may be renewed for successive periods of one year each by motion and order, and a copy of the original and any subsequent order shall be filed in each tax deed case in which a notice is served by the appointed person. Delivery of the notice to and service of the notice by the special process server shall have the same force and effect as its delivery to
and service by the sheriff or coroner.

The same form of notice shall also be served, in the manner set forth under Sections 2-203, 2-204, 2-205, 2-205.1, and 2-211 of the Code of Civil Procedure, upon all other owners and parties interested in the property, if upon diligent inquiry they can be found in the county, and upon the occupants of the property.

If the property sold has more than 4 dwellings or other rental units, and has a managing agent or party who collects rents, that person shall be deemed the occupant and shall be served with notice instead of the occupants of the individual units. If the property has no dwellings or rental units, but economic or recreational activities are carried on therein, the person directing such activities shall be deemed the occupant. Holders of rights of entry and possibilities of reverter shall not be deemed parties interested in the property.

When a party interested in the property is a trustee, notice served upon the trustee shall be deemed to have been served upon any beneficiary or note holder thereunder unless the holder of the note is disclosed of record.

When a judgment is a lien upon the property sold, the holder of the lien shall be served with notice if the name of the judgment debtor as shown in the transcript, certified copy or memorandum of judgment filed of record is identical, as to given name and surname, with the name of the party interested as it appears of record.
If any owner or party interested, upon diligent inquiry and effort, cannot be found or served with notice in the county as provided in this Section, and the person in actual occupancy and possession is tenant to, or in possession under the owners or the parties interested in the property, then service of notice upon the tenant, occupant or person in possession shall be deemed service upon the owners or parties interested.

If any owner or party interested, upon diligent inquiry and effort cannot be found or served with notice in the county, then the person making the service shall cause a copy of the notice to be sent by registered or certified mail, return receipt requested, to that party at his or her residence, if ascertainable.

The changes to this Section made by Public Act 95-477 this amendatory Act of the 95th General Assembly apply only to matters in which a petition for tax deed is filed on or after June 1, 2008 (the effective date of Public Act 95-477) this amendatory Act of the 95th General Assembly.

(Text of Section before amendment by P.A. 95-477)
Sec. 22-20. Proof of service of notice; publication of notice. The sheriff or coroner serving notice under Section 22-15 shall endorse his or her return thereon and file it with
the Clerk of the Circuit Court and it shall be a part of the court record. A private detective or a special process server appointed under Section 22-15 shall make his or her return by affidavit and shall file it with the Clerk of the Circuit Court, where it shall be a part of the court record. If a sheriff, private detective, special process server, or coroner to whom any notice is delivered for service, neglects or refuses to make the return, the purchaser or his or her assignee may petition the court to enter a rule requiring the sheriff, private detective, special process server, or coroner to make return of the notice on a day to be fixed by the court, or to show cause on that day why he or she should not be attached for contempt of the court. The purchaser or assignee shall cause a written notice of the rule to be served upon the sheriff, private detective, special process server, or coroner. If good and sufficient cause to excuse the sheriff, private detective, special process server, or coroner is not shown, the court shall adjudge him or her guilty of a contempt, and shall proceed to punish him as in other cases of contempt.

If the property is located in a municipality in a county with less than 3,000,000 inhabitants, the purchaser or his or her assignee shall also publish a notice as to the owner or party interested, in some newspaper published in the municipality. If the property is not in a municipality in a county with less than 3,000,000 inhabitants, or if no newspaper is published therein, or if the property is in a county with

"Mineral-extraction activities" include exploring,

"Scrutinized business operations" means business operations that have caused a company to become a scrutinized company.

"Scrutinized company" means the company has business
operations that involve contracts with or provision of supplies or services to the Government of Iran, companies in which the Government of Iran has any direct or indirect equity share, consortia or projects commissioned by the Government of Iran, or companies involved in consortia or projects commissioned by the Government of Iran and:

(1) more than 10% of the company's revenues produced in or assets located in Iran involve oil-related activities or mineral-extraction activities; less than 75% of the company's revenues produced in or assets located in Iran involve contracts with or provision of oil-related or mineral-extraction products or services to the Government of Iran or a project or consortium created exclusively by that government; and the company has failed to take substantial action; or

(2) the company has, on or after August 5, 1996, made an investment of $20 million or more, or any combination of investments of at least $10 million each that in the aggregate equals or exceeds $20 million in any 12-month period, that directly or significantly contributes to the enhancement of Iran's ability to develop petroleum resources of Iran.

"Substantial action" means adopting, publicizing, and implementing a formal plan to cease scrutinized business operations within one year and to refrain from any such new business operations.
(b) Within 90 days after the effective date of this Section, a retirement system shall make its best efforts to identify all scrutinized companies in which the retirement system has direct or indirect holdings.

These efforts shall include the following, as appropriate in the retirement system's judgment:

(1) reviewing and relying on publicly available information regarding companies having business operations in Iran, including information provided by nonprofit organizations, research firms, international organizations, and government entities;

(2) contacting asset managers contracted by the retirement system that invest in companies having business operations in Iran; and

(3) Contacting other institutional investors that have divested from or engaged with companies that have business operations in Iran.

The retirement system may retain an independent research firm to identify scrutinized companies in which the retirement system has direct or indirect holdings. By the first meeting of the retirement system following the 90-day period described in this subsection (b), the retirement system shall assemble all scrutinized companies identified into a scrutinized companies list.

The retirement system shall update the scrutinized companies list annually based on evolving information from,
among other sources, those listed in this subsection (b).

(c) The retirement system shall adhere to the following procedures for companies on the scrutinized companies list:

(1) The retirement system shall determine the companies on the scrutinized companies list in which the retirement system owns direct or indirect holdings.

(2) For each company identified in item (1) of this subsection (c) that has only inactive business operations, the retirement system shall send a written notice informing the company of this Section and encouraging it to continue to refrain from initiating active business operations in Iran until it is able to avoid scrutinized business operations. The retirement system shall continue such correspondence semiannually.

(3) For each company newly identified in item (1) of this subsection (c) that has active business operations, the retirement system shall send a written notice informing the company of its scrutinized company status and that it may become subject to divestment by the retirement system. The notice must inform the company of the opportunity to clarify its Iran-related activities and encourage the company, within 90 days, to cease its scrutinized business operations or convert such operations to inactive business operations in order to avoid qualifying for divestment by the retirement system.

(4) If, within 90 days after the retirement system's
first engagement with a company pursuant to this subsection (c), that company ceases scrutinized business operations, the company shall be removed from the scrutinized companies list and the provisions of this Section shall cease to apply to it unless it resumes scrutinized business operations. If, within 90 days after the retirement system's first engagement, the company converts its scrutinized active business operations to inactive business operations, the company is subject to all provisions relating thereto.

(d) If, after 90 days following the retirement system's first engagement with a company pursuant to subsection (c), the company continues to have scrutinized active business operations, and only while such company continues to have scrutinized active business operations, the retirement system shall sell, redeem, divest, or withdraw all publicly traded securities of the company, except as provided in paragraph (f), from the retirement system's assets under management within 12 months after the company's most recent appearance on the scrutinized companies list.

If a company that ceased scrutinized active business operations following engagement pursuant to subsection (c) resumes such operations, this subsection (d) immediately applies, and the retirement system shall send a written notice to the company. The company shall also be immediately reintroduced onto the scrutinized companies list.
(e) The retirement system may not acquire securities of companies on the scrutinized companies list that have active business operations, except as provided in subsection (f).

(f) A company that the United States Government affirmatively declares to be excluded from its present or any future federal sanctions regime relating to Iran is not subject to divestment or the investment prohibition pursuant to subsections (d) and (e).

(g) Notwithstanding the provisions of this Section, paragraphs (d) and (e) do not apply to indirect holdings in a private market fund. However, the retirement system shall submit letters to the managers of those investment funds containing companies that have scrutinized active business operations requesting that they consider removing the companies from the fund or create a similar actively managed fund having indirect holdings devoid of the companies. If the manager creates a similar fund, the retirement system shall replace all applicable investments with investments in the similar fund in an expedited timeframe consistent with prudent investing standards.

(h) The retirement system shall file a report with the Public Pension Division of the Department of Financial and Professional Regulation that includes the scrutinized companies list within 30 days after the list is created. This report shall be made available to the public.

The retirement system shall file an annual report with the
Public Pension Division, which shall be made available to the public, that includes all of the following:

(1) A summary of correspondence with companies engaged by the retirement system under items (2) and (3) of subsection (c).

(2) All investments sold, redeemed, divested, or withdrawn in compliance with subsection (d).

(3) All prohibited investments under subsection (e).

(4) A summary of correspondence with private market funds notified under subsection (g).

(i) This Section expires upon the occurrence of any of the following:

(1) The United States revokes all sanctions imposed against the Government of Iran.

(2) The Congress or President of the United States declares that the Government of Iran has ceased to acquire weapons of mass destruction and to support international terrorism.

(3) The Congress or President of the United States, through legislation or executive order, declares that mandatory divestment of the type provided for in this Section interferes with the conduct of United States foreign policy.

(j) With respect to actions taken in compliance with this Act, including all good-faith determinations regarding companies as required by this Act, the retirement system is
exempt from any conflicting statutory or common law obligations, including any fiduciary duties under this Article and any obligations with respect to choice of asset managers, investment funds, or investments for the retirement system's securities portfolios.

(k) Notwithstanding any other provision of this Section to the contrary, the retirement system may cease divesting from scrutinized companies pursuant to subsection (d) or reinvest in scrutinized companies from which it divested pursuant to subsection (d) if clear and convincing evidence shows that the value of investments in scrutinized companies with active scrutinized business operations becomes equal to or less than 0.5% of the market value of all assets under management by the retirement system. Cessation of divestment, reinvestment, or any subsequent ongoing investment authorized by this Section is limited to the minimum steps necessary to avoid the contingency set forth in this subsection (k). For any cessation of divestment, reinvestment, or subsequent ongoing investment authorized by this Section, the retirement system shall provide a written report to the Public Pension Division in advance of initial reinvestment, updated semiannually thereafter as applicable, setting forth the reasons and justification, supported by clear and convincing evidence, for its decisions to cease divestment, reinvest, or remain invested in companies having scrutinized active business operations. This Section does not apply to reinvestment in companies on the grounds that
they have ceased to have scrutinized active business operations.

(1) If any provision of this Section or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Section are severable.

Until January 1, 2008, a person may transfer to a fund established under this Article up to 8 years of creditable service accumulated under Article 7 of this Code upon payment to the fund of an amount to be determined by the board, equal to (i) the difference between the amount of employee and employer contributions transferred to the fund under Section 7-139.11 and the amounts that would have been contributed had such contributions been made at the rates applicable to an employee under this Article, plus (ii) interest thereon at the effective rate for each year, compounded annually, from the date of service to the date of payment.

Sec. 5-152. Child's annuity - Conditions - Amount. A child's annuity shall be payable in the following cases of policemen who die on or after the effective date: (a) A policeman whose death results from injury incurred in the performance of an act or acts of duty; (b) a policeman who dies in service from any cause; (c) a policeman who withdraws upon or after attainment of age 50 and who enters upon or is eligible for annuity; (d) a present employee with at least 20 years of service who dies after withdrawal, whether or not he has entered upon annuity.

Only one annuity shall be granted and paid for the benefit of any child if both parents have been policemen.

The annuity shall be paid, without regard to the fact that the death of the deceased policeman parent may have occurred prior to the effective date of this amendatory Act of 1975, in an amount equal to 10% of the annual maximum salary attached to the classified civil service position of a first class patrolman on July 1, 1975, or the date of the policeman's death, whichever is later, for each child while a widow or widower of the deceased policeman survives and in an amount equal to 15% of the annual maximum salary attached to the classified civil service position of a first class patrolman on July 1, 1975, or the date of the policeman's death, whichever is later, while no widow or widower shall survive, provided
that if the combined annuities for the widow and children of a policeman who dies on or after September 26, 1969, as the result of an act of duty, or for the children of such policeman in any case wherein a widow or widower does not exist, exceed the salary that would ordinarily have been paid to him if he had been in the active discharge of his duties, all such annuities shall be reduced pro rata so that the combined annuities for the family shall not exceed such limitation. The compensation portion of the annuity of the widow shall not be considered in making such reduction. No age limitation in this Section or Section 5-151 shall apply to a child who is so physically or mentally handicapped as to be unable to support himself or herself. Benefits payable under this Section shall not be reduced or terminated by reason of any child's attainment of age 18 if he is then dependent by reason of a physical or mental disability but shall continue to be paid as long as such dependency continues. For the purposes of this subsection, "disability" means inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months.

In the case of a family of a policeman who dies on or after September 26, 1969, as the result of any cause other than the performance of an act of duty, in which annuities for such
family exceed an amount equal to 60% of the salary that would ordinarily have been paid to him if he had been in the active discharge of his duties, all such annuities shall be reduced pro rata so that the combined annuities shall not exceed such limitation.

Child's annuity shall be paid to the parent providing for the child, unless another person is appointed by a court of law as the child's guardian.

(40 ILCS 5/7-139) (from Ch. 108 1/2, par. 7-139)

Sec. 7-139. Credits and creditable service to employees.

(a) Each participating employee shall be granted credits and creditable service, for purposes of determining the amount of any annuity or benefit to which he or a beneficiary is entitled, as follows:

1. For prior service: Each participating employee who is an employee of a participating municipality or participating instrumentality on the effective date shall be granted creditable service, but no credits under paragraph 2 of this subsection (a), for periods of prior service for which credit has not been received under any other pension fund or retirement system established under this Code, as follows:

If the effective date of participation for the
If the effective date of participation for the participating municipality or participating instrumentality is on or before January 1, 1998, creditable service shall be granted for the entire period of prior service with that employer without any employee contribution.

If the effective date of participation for the participating municipality or participating instrumentality is after January 1, 1998, creditable service shall be granted for the last 20% of the period of prior service with that employer, but no more than 5 years, without any employee contribution. A participating employee may establish creditable service for the remainder of the period of prior service with that employer by making an application in writing, accompanied by payment of an employee contribution in an amount determined by the Fund, based on the employee contribution rates in effect at the time of application for the creditable service and the employee's salary rate on the effective date of participation for that employer, plus interest at the effective rate from the date of the prior service to the date of payment. Application for this creditable service may be made at any time while the employee is still in service.

A municipality that (i) has at least 35 employees; (ii) is located in a county with at least 2,000,000 inhabitants; and (iii) maintains an independent defined benefit pension
plan for the benefit of its eligible employees may restrict
creditable service in whole or in part for periods of prior
service with the employer if the governing body of the
municipality adopts an irrevocable resolution to restrict
that creditable service and files the resolution with the
board before the municipality's effective date of
participation.

Any person who has withdrawn from the service of a
participating municipality or participating
instrumentality prior to the effective date, who reenters
the service of the same municipality or participating
instrumentality after the effective date and becomes a
participating employee is entitled to creditable service
for prior service as otherwise provided in this subdivision
(a)(1) only if he or she renders 2 years of service as a
participating employee after the effective date. Application
for such service must be made while in a
participating status. The salary rate to be used in the
calculation of the required employee contribution, if any,
shall be the employee's salary rate at the time of first
reentering service with the employer after the employer's
effective date of participation.

2. For current service, each participating employee
shall be credited with:

   a. Additional credits of amounts equal to each
payment of additional contributions received from him
under Section 7-173, as of the date the corresponding payment of earnings is payable to him.

b. Normal credits of amounts equal to each payment of normal contributions received from him, as of the date the corresponding payment of earnings is payable to him, and normal contributions made for the purpose of establishing out-of-state service credits as permitted under the conditions set forth in paragraph 6 of this subsection (a).

c. Municipality credits in an amount equal to 1.4 times the normal credits, except those established by out-of-state service credits, as of the date of computation of any benefit if these credits would increase the benefit.

d. Survivor credits equal to each payment of survivor contributions received from the participating employee as of the date the corresponding payment of earnings is payable, and survivor contributions made for the purpose of establishing out-of-state service credits.

3. For periods of temporary and total and permanent disability benefits, each employee receiving disability benefits shall be granted creditable service for the period during which disability benefits are payable. Normal and survivor credits, based upon the rate of earnings applied for disability benefits, shall also be granted if such
credits would result in a higher benefit to any such employee or his beneficiary.

4. For authorized leave of absence without pay: A participating employee shall be granted credits and creditable service for periods of authorized leave of absence without pay under the following conditions:

   a. An application for credits and creditable service is submitted to the board while the employee is in a status of active employment, and within 2 years after termination of the leave of absence period for which credits and creditable service are sought.

   b. Not more than 12 complete months of creditable service for authorized leave of absence without pay shall be counted for purposes of determining any benefits payable under this Article.

   c. Credits and creditable service shall be granted for leave of absence only if such leave is approved by the governing body of the municipality, including approval of the estimated cost thereof to the municipality as determined by the fund, and employee contributions, plus interest at the effective rate applicable for each year from the end of the period of leave to date of payment, have been paid to the fund in accordance with Section 7-173. The contributions shall be computed upon the assumption earnings continued during the period of leave at the rate in effect when
the leave began.

d. Benefits under the provisions of Sections 7-141, 7-146, 7-150 and 7-163 shall become payable to employees on authorized leave of absence, or their designated beneficiary, only if such leave of absence is creditable hereunder, and if the employee has at least one year of creditable service other than the service granted for leave of absence. Any employee contributions due may be deducted from any benefits payable.

e. No credits or creditable service shall be allowed for leave of absence without pay during any period of prior service.

5. For military service: The governing body of a municipality or participating instrumentality may elect to allow creditable service to participating employees who leave their employment to serve in the armed forces of the United States for all periods of such service, provided that the person returns to active employment within 90 days after completion of full time active duty, but no creditable service shall be allowed such person for any period that can be used in the computation of a pension or any other pay or benefit, other than pay for active duty, for service in any branch of the armed forces of the United States. If necessary to the computation of any benefit, the board shall establish municipality credits for
participating employees under this paragraph on the assumption that the employee received earnings at the rate received at the time he left the employment to enter the armed forces. A participating employee in the armed forces shall not be considered an employee during such period of service and no additional death and no disability benefits are payable for death or disability during such period.

Any participating employee who left his employment with a municipality or participating instrumentality to serve in the armed forces of the United States and who again became a participating employee within 90 days after completion of full time active duty by entering the service of a different municipality or participating instrumentality, which has elected to allow creditable service for periods of military service under the preceding paragraph, shall also be allowed creditable service for his period of military service on the same terms that would apply if he had been employed, before entering military service, by the municipality or instrumentality which employed him after he left the military service and the employer costs arising in relation to such grant of creditable service shall be charged to and paid by that municipality or instrumentality.

Notwithstanding the foregoing, any participating employee shall be entitled to creditable service as required by any federal law relating to re-employment
rights of persons who served in the United States Armed Services. Such creditable service shall be granted upon payment by the member of an amount equal to the employee contributions which would have been required had the employee continued in service at the same rate of earnings during the military leave period, plus interest at the effective rate.

5.1. In addition to any creditable service established under paragraph 5 of this subsection (a), creditable service may be granted for up to 48 months of service in the armed forces of the United States.

In order to receive creditable service for military service under this paragraph 5.1, a participating employee must (1) apply to the Fund in writing and provide evidence of the military service that is satisfactory to the Board; (2) obtain the written approval of the current employer; and (3) make contributions to the Fund equal to (i) the employee contributions that would have been required had the service been rendered as a member, plus (ii) an amount determined by the board to be equal to the employer's normal cost of the benefits accrued for that military service, plus (iii) interest on items (i) and (ii) from the date of first membership in the Fund to the date of payment. The required interest shall be calculated at the regular interest rate.

The changes made to this paragraph 5.1 by Public Acts
95-483 and 95-486 this amendatory Act of the 95th General Assembly apply only to participating employees in service on or after August 28, 2007 (the effective date of those Public Acts) its effective date.

6. In no case shall more than 120 months of creditable service be granted under this provision.

7. For retroactive service: Any employee who could have but did not elect to become a participating employee, or
who should have been a participant in the Municipal Public Utilities Annuity and Benefit Fund before that fund was superseded, may receive creditable service for the period of service not to exceed 50 months; however, a current or former elected or appointed official of a participating municipality may establish credit under this paragraph for more than 50 months of service as an official of that municipality, if the excess over 50 months is approved by resolution of the governing body of the affected municipality filed with the Fund before January 1, 2002.

Any employee who is a participating employee on or after September 24, 1981 and who was excluded from participation by the age restrictions removed by Public Act 82-596 may receive creditable service for the period, on or after January 1, 1979, excluded by the age restriction and, in addition, if the governing body of the participating municipality or participating instrumentality elects to allow creditable service for all employees excluded by the age restriction prior to January 1, 1979, for service during the period prior to that date excluded by the age restriction. Any employee who was excluded from participation by the age restriction removed by Public Act 82-596 and who is not a participating employee on or after September 24, 1981 may receive creditable service for service after January 1, 1979. Creditable service under this paragraph shall be granted upon payment of the
employee contributions which would have been required had he participated, with interest at the effective rate for each year from the end of the period of service established to date of payment.

8. For accumulated unused sick leave: A participating employee who is applying for a retirement annuity shall be entitled to creditable service for that portion of the employee's accumulated unused sick leave for which payment is not received, as follows:

   a. Sick leave days shall be limited to those accumulated under a sick leave plan established by a participating municipality or participating instrumentality which is available to all employees or a class of employees.

   b. Only sick leave days accumulated with a participating municipality or participating instrumentality with which the employee was in service within 60 days of the effective date of his retirement annuity shall be credited; If the employee was in service with more than one employer during this period only the sick leave days with the employer with which the employee has the greatest number of unpaid sick leave days shall be considered.

   c. The creditable service granted shall be considered solely for the purpose of computing the amount of the retirement annuity and shall not be used
to establish any minimum service period required by any provision of the Illinois Pension Code, the effective date of the retirement annuity, or the final rate of earnings.

d. The creditable service shall be at the rate of 1/20 of a month for each full sick day, provided that no more than 12 months may be credited under this subdivision 8.

e. Employee contributions shall not be required for creditable service under this subdivision 8.

f. Each participating municipality and participating instrumentality with which an employee has service within 60 days of the effective date of his retirement annuity shall certify to the board the number of accumulated unpaid sick leave days credited to the employee at the time of termination of service.

9. For service transferred from another system:

Credits and creditable service shall be granted for service under Article 3, 4, 5, 8, 14, or 16 of this Act, to any active member of this Fund, and to any inactive member who has been a county sheriff, upon transfer of such credits pursuant to Section 3-110.3, 4-108.3, 5-235, 8-226.7, 14-105.6, or 16-131.4, and payment by the member of the amount by which (1) the employer and employee contributions that would have been required if he had participated in this Fund as a sheriff's law enforcement employee during
the period for which credit is being transferred, plus interest thereon at the effective rate for each year, compounded annually, from the date of termination of the service for which credit is being transferred to the date of payment, exceeds (2) the amount actually transferred to the Fund. Such transferred service shall be deemed to be service as a sheriff's law enforcement employee for the purposes of Section 7-142.1.

10. For service transferred from an Article 3 system under Section 3-110.8: Credits and creditable service shall be granted for service under Article 3 of this Act as provided in Section 3-110.8, to any active member of this Fund upon transfer of such credits pursuant to Section 3-110.8. If the amount by which (1) the employer and employee contributions that would have been required if he had participated in this Fund during the period for which credit is being transferred, plus interest thereon at the effective rate for each year, compounded annually, from the date of termination of the service for which credit is being transferred to the date of payment, exceeds (2) the amount actually transferred to the Fund, then the amount of creditable service established under this paragraph 10 shall be reduced by a corresponding amount in accordance with the rules and procedures established under this paragraph 10.

The board shall establish by rule the manner of making
the calculation required under this paragraph 10, taking into account the appropriate actuarial assumptions; the member's service, age, and salary history; the level of funding of the employer; and any other factors that the board determines to be relevant.

(b) Creditable service - amount:

1. One month of creditable service shall be allowed for each month for which a participating employee made contributions as required under Section 7-173, or for which creditable service is otherwise granted hereunder. Not more than 1 month of service shall be credited and counted for 1 calendar month, and not more than 1 year of service shall be credited and counted for any calendar year. A calendar month means a nominal month beginning on the first day thereof, and a calendar year means a year beginning January 1 and ending December 31.

2. A seasonal employee shall be given 12 months of creditable service if he renders the number of months of service normally required by the position in a 12-month period and he remains in service for the entire 12-month period. Otherwise a fractional year of service in the number of months of service rendered shall be credited.

3. An intermittent employee shall be given creditable service for only those months in which a contribution is made under Section 7-173.

(c) No application for correction of credits or creditable
service shall be considered unless the board receives an application for correction while (1) the applicant is a participating employee and in active employment with a participating municipality or instrumentality, or (2) while the applicant is actively participating in a pension fund or retirement system which is a participating system under the Retirement Systems Reciprocal Act. A participating employee or other applicant shall not be entitled to credits or creditable service unless the required employee contributions are made in a lump sum or in installments made in accordance with board rule.

(d) Upon the granting of a retirement, surviving spouse or child annuity, a death benefit or a separation benefit, on account of any employee, all individual accumulated credits shall thereupon terminate. Upon the withdrawal of additional contributions, the credits applicable thereto shall thereupon terminate. Terminated credits shall not be applied to increase the benefits any remaining employee would otherwise receive under this Article.

Until January 1, 2008, a person may transfer to the Illinois Municipal Retirement Systems up to 8 years of creditable service accumulated under Article 3 of this Code upon payment to the Fund of an amount to be determined by the board, equal to (i) the difference between the amount of employee and employer contributions transferred to the Fund under Section 3-110.8 and the amounts that would have been contributed had such contributions been made at the rates applicable to an employee under this Article, plus (ii) interest thereon at the effective rate for each year, compounded annually, from the date of service to the date of payment.
Sec. 9-121.6. Alternative annuity for county officers.

(a) Any county officer elected by vote of the people may elect to establish alternative credits for an alternative annuity by electing in writing to make additional optional contributions in accordance with this Section and procedures established by the board. Such elected county officer may discontinue making the additional optional contributions by notifying the Fund in writing in accordance with this Section and procedures established by the board.

Additional optional contributions for the alternative annuity shall be as follows:

(1) For service after the option is elected, an additional contribution of 3% of salary shall be contributed to the Fund on the same basis and under the same conditions as contributions required under Sections 9-170 and 9-176.

(2) For service before the option is elected, an additional contribution of 3% of the salary for the applicable period of service, plus interest at the effective rate from the date of service to the date of payment. All payments for past service must be paid in full before credit is given. No additional optional contributions may be made for any period of service for
which credit has been previously forfeited by acceptance of a refund, unless the refund is repaid in full with interest at the effective rate from the date of refund to the date of repayment.

(b) In lieu of the retirement annuity otherwise payable under this Article, any county officer elected by vote of the people who (1) has elected to participate in the Fund and make additional optional contributions in accordance with this Section, and (2) has attained age 60 with at least 10 years of service credit, or has attained age 65 with at least 8 years of service credit, may elect to have his retirement annuity computed as follows: 3% of the participant's salary at the time of termination of service for each of the first 8 years of service credit, plus 4% of such salary for each of the next 4 years of service credit, plus 5% of such salary for each year of service credit in excess of 12 years, subject to a maximum of 80% of such salary. To the extent such elected county officer has made additional optional contributions with respect to only a portion of his years of service credit, his retirement annuity will first be determined in accordance with this Section to the extent such additional optional contributions were made, and then in accordance with the remaining Sections of this Article to the extent of years of service credit with respect to which additional optional contributions were not made.

(c) In lieu of the disability benefits otherwise payable
under this Article, any county officer elected by vote of the people who (1) has elected to participate in the Fund, and (2) has become permanently disabled and as a consequence is unable to perform the duties of his office, and (3) was making optional contributions in accordance with this Section at the time the disability was incurred, may elect to receive a disability annuity calculated in accordance with the formula in subsection (b). For the purposes of this subsection, such elected county officer shall be considered permanently disabled only if: (i) disability occurs while in service as an elected county officer and is of such a nature as to prevent him from reasonably performing the duties of his office at the time; and (ii) the board has received a written certification by at least 2 licensed physicians appointed by it stating that such officer is disabled and that the disability is likely to be permanent.

(d) Refunds of additional optional contributions shall be made on the same basis and under the same conditions as provided under Section 9-164, 9-166 and 9-167. Interest shall be credited at the effective rate on the same basis and under the same conditions as for other contributions. Optional contributions under this Section shall be included in the amount of employee contributions used to compute the tax levy under Section 9-169.

(e) The effective date of this plan of optional alternative benefits and contributions shall be January 1, 1988, or the
date upon which approval is received from the U.S. Internal Revenue Service, whichever is later. The plan of optional alternative benefits and contributions shall not be available to any former county officer or employee receiving an annuity from the Fund on the effective date of the plan, unless he re-enters service as an elected county officer and renders at least 3 years of additional service after the date of re-entry.

(f) The plan of optional alternative benefits and contributions authorized under this Section applies only to county officers elected by vote of the people on or before January 1, 2008 (the effective date of Public Act 95-654) this amendatory Act of the 95th General Assembly.

(r) A member who participated in the University of Illinois Government Public Service Internship Program (GPSI) may establish creditable service for up to 2 years of that
participation by making the contribution required under this Section, plus an amount determined by the Board to be equal to the employer's normal cost of the benefit plus interest. The System shall determine a full-time salary equivalent for the purpose of calculating the required contribution. Credit may not be established under this subsection for any period for which service credit is established under any other provision of this Code.

(s) A member who worked as a nurse under a contractual agreement for the Department of Public Aid, or its successor agency, the Department of Human Services, in the Client Assessment Unit and was subsequently determined to be a State employee by the United States Internal Revenue Service and the Illinois Labor Relations Board may establish creditable service for those contractual services by making the contributions required under this Section. To establish credit under this subsection, the applicant must apply to the System by July 1, 2008.

and entered into the official record, that states the chief executive officer's reason for declaring an emergency situation, the names of all parties solicited for proposals, and their proposals and that includes a copy of the contract awarded. Nothing contained in this Section shall be construed to prohibit the Board of Commissioners from placing additional advertisements in recognized trade journals. Advertisements for bids shall describe the character of the proposed contract in sufficient detail to enable the bidders thereon to know what their obligation will be, either in the advertisement itself, or by reference to detailed plans and specifications on file in the office of the Public Building Commission at the time of the publication of the first announcement. Such advertisement shall also state the date, time, and place assigned for the opening of bids and no bids shall be received at any time subsequent to the time indicated in said advertisement. The Board of Commissioners may reject any and all bids received and readvertise for bids. All bids shall be open to public inspection in the office of the Public Building Commission after an award or final selection has been made. The successful bidder for such work shall enter into contracts furnished and prescribed by the Board of Commissioners and in addition to any other bonds required under this Act the successful bidder shall execute and give bond, payable to and to be approved by the Commission, with a corporate surety authorized to do business under the laws of the State of Illinois, in an amount to be
determined by the Board of Commissioners, conditioned upon the payment of all labor furnished and materials supplied in the prosecution of the contracted work. If the bidder whose bid has been accepted shall neglect or refuse to accept the contract within five (5) days after written notice that the same has been awarded to him, or if he accepts but does not execute the contract and give the proper security, the Commission may accept the next lowest bidder, or readvertise and relet in manner above provided. In case any work shall be abandoned by any contractor the Commission may, if the best interests of the Commission be thereby served, adopt on behalf of the Commission all subcontracts made by such contractor for such work and all such sub-contractors shall be bound by such adoption if made; and the Commission shall, in the manner provided herein, readvertise and relet the work specified in the original contract exclusive of so much thereof as shall be accepted. Every contract when made and entered into, as herein provided for, shall be executed, held by the Commission, and filed in its records, and one copy of which shall be given to the contractor.

(Text of Section after amendment by P.A. 95-595)

Sec. 20. Contracts let to lowest responsible bidder; competitive bidding; advertisement for bids; design-build contracts.
(a) All contracts to be let for the construction, alteration, improvement, repair, enlargement, demolition or removal of any buildings or other facilities, or for materials or supplies to be furnished, where the amount thereof is in excess of $20,000, shall be awarded as a design-build contract in accordance with Sections 20.3 through 20.20 or shall be let to the lowest responsible bidder, or bidders, on open competitive bidding.

(b) A contract awarded on the basis of competitive bidding shall be awarded after public advertisement published at least once in each week for three consecutive weeks prior to the opening of bids, in a daily newspaper of general circulation in the county where the commission is located, except in the case of an emergency situation, as determined by the chief executive officer. If a contract is awarded in an emergency situation, (i) the contract accepted must be based on the lowest responsible proposal after the commission has made a diligent effort to solicit multiple proposals by telephone, facsimile, or other efficient means and (ii) the chief executive officer must submit a report at the next regular meeting of the Board, to be ratified by the Board and entered into the official record, that states the chief executive officer's reason for declaring an emergency situation, the names of all parties solicited for proposals, and their proposals and that includes a copy of the contract awarded. Nothing contained in this Section shall be construed to prohibit the Board of
Commissioners from placing additional advertisements in recognized trade journals. Advertisements for bids shall describe the character of the proposed contract in sufficient detail to enable the bidders thereon to know what their obligation will be, either in the advertisement itself, or by reference to detailed plans and specifications on file in the office of the Public Building Commission at the time of the publication of the first announcement. Such advertisement shall also state the date, time, and place assigned for the opening of bids. No bids shall be received at any time subsequent to the time indicated in said advertisement.

(c) In addition to the requirements of Section 20.3, the Commission shall advertise a design-build solicitation at least once in a daily newspaper of general circulation in the county where the Commission is located. The date that Phase I submissions by design-build entities are due must be at least 14 calendar days after the date the newspaper advertisement for design-build proposals is first published. The advertisement shall identify the design-build project, the due date, the place and time for Phase I submissions, and the place where proposers can obtain a complete copy of the request for design-build proposals, including the criteria for evaluation and the scope and performance criteria. The Commission is not precluded from using other media or from placing advertisements in addition to the one required under this subsection.

(d) The Board of Commissioners may reject any and all bids
and proposals received and may readvertise for bids or issue a new request for design-build proposals.

(e) All bids shall be open to public inspection in the office of the Public Building Commission after an award or final selection has been made. The successful bidder for such work shall enter into contracts furnished and prescribed by the Board of Commissioners and in addition to any other bonds required under this Act the successful bidder shall execute and give bond, payable to and to be approved by the Commission, with a corporate surety authorized to do business under the laws of the State of Illinois, in an amount to be determined by the Board of Commissioners, conditioned upon the payment of all labor furnished and materials supplied in the prosecution of the contracted work. If the bidder whose bid has been accepted shall neglect or refuse to accept the contract within five (5) days after written notice that the same has been awarded to him, or if he accepts but does not execute the contract and give the proper security, the Commission may accept the next lowest bidder, or readvertise and relet in manner above provided.

(f) In case any work shall be abandoned by any contractor or design-build entity, the Commission may, if the best interests of the Commission be thereby served, adopt on behalf of the Commission all subcontracts made by such contractor or design-build entity for such work and all such sub-contractors shall be bound by such adoption if made; and the Commission
shall, in the manner provided in this Act, readvertise and
relet, or request proposals and award design-build contracts
for, the work specified in the original contract exclusive of
so much thereof as shall be accepted. Every contract when made
and entered into, as provided in this Section or Section 20.20,
shall be executed, held by the Commission, and filed in its
records, and one copy of which shall be given to the contractor
or design-build entity.

(g) The provisions of this Section with respect to
design-build shall have no effect beginning 5 years after June
1, 2008 (the effective date of Public Act 95-595) this
amendatory Act of the 95th General Assembly.

Section 155. The Wireless Emergency Telephone Safety Act is
amended by changing Sections 17 and 35 as follows:

(50 ILCS 751/17)

(Section scheduled to be repealed on April 1, 2013)
Sec. 17. Wireless carrier surcharge.

(a) Except as provided in Section 45, each wireless carrier
shall impose a monthly wireless carrier surcharge per CMRS
connection that either has a telephone number within an area
code assigned to Illinois by the North American Numbering Plan
Administrator or has a billing address in this State. In the
case of prepaid wireless telephone service, this surcharge shall be remitted based upon the address associated with the point of purchase, the customer billing address, or the location associated with the MTN for each active prepaid wireless telephone that has a sufficient positive balance as of the last day of each month, if that information is available. No wireless carrier shall impose the surcharge authorized by this Section upon any subscriber who is subject to the surcharge imposed by a unit of local government pursuant to Section 45. Prior to January 1, 2008 (the effective date of Public Act 95-698) this amendatory Act of the 95th General Assembly, the surcharge amount shall be the amount set by the Wireless Enhanced 9-1-1 Board. Beginning on January 1, 2008 (the effective date of Public Act 95-698) this amendatory Act of the 95th General Assembly, the monthly surcharge imposed under this Section shall be $0.73 per CMRS connection. The wireless carrier that provides wireless service to the subscriber shall collect the surcharge from the subscriber. For mobile telecommunications services provided on and after August 1, 2002, any surcharge imposed under this Act shall be imposed based upon the municipality or county that encompasses the customer's place of primary use as defined in the Mobile Telecommunications Sourcing Conformity Act. The surcharge shall be stated as a separate item on the subscriber's monthly bill. The wireless carrier shall begin collecting the surcharge on bills issued within 90 days after the Wireless Enhanced
9-1-1 Board sets the monthly wireless surcharge. State and local taxes shall not apply to the wireless carrier surcharge.

(b) Except as provided in Section 45, a wireless carrier shall, within 45 days of collection, remit, either by check or by electronic funds transfer, to the State Treasurer the amount of the wireless carrier surcharge collected from each subscriber. Of the amounts remitted under this subsection prior to January 1, 2008 (the effective date of Public Act 95-698) this amendatory Act of the 95th General Assembly, and for surcharges imposed before January 1, 2008 (the effective date of Public Act 95-698) this amendatory Act of the 95th General Assembly but remitted after January 1, 2008 its effective date, the State Treasurer shall deposit one-third into the Wireless Carrier Reimbursement Fund and two-thirds into the Wireless Service Emergency Fund. For surcharges collected and remitted on or after January 1, 2008 (the effective date of Public Act 95-698) this amendatory Act of the 95th General Assembly, $0.1475 per surcharge collected shall be deposited into the Wireless Carrier Reimbursement Fund, and $0.5825 per surcharge collected shall be deposited into the Wireless Service Emergency Fund. Of the amounts deposited into the Wireless Carrier Reimbursement Fund under this subsection, $0.01 per surcharge collected may be distributed to the carriers to cover their administrative costs. Of the amounts deposited into the Wireless Service Emergency Fund under this subsection, $0.01 per surcharge collected may be disbursed to the Illinois
Commerce Commission to cover its administrative costs.

(c) The first such remittance by wireless carriers shall include the number of customers by zip code, and the 9-digit zip code if currently being used or later implemented by the carrier, that shall be the means by which the Illinois Commerce Commission shall determine distributions from the Wireless Service Emergency Fund. This information shall be updated no less often than every year. Wireless carriers are not required to remit surcharge moneys that are billed to subscribers but not yet collected. Any carrier that fails to provide the zip code information required under this subsection (c) or any prepaid wireless carrier that fails to provide zip code information based upon the addresses associated with its customers' points of purchase, customers' billing addresses, or locations associated with MTNs, as described in subsection (a) of this Section, shall be subject to the penalty set forth in subsection (f) of this Section.

(d) Within 90 days after August 13, 2007 (the effective date of Public Act 95-63) this amendatory Act of the 94th General Assembly, each wireless carrier must implement a mechanism for the collection of the surcharge imposed under subsection (a) of this Section from its subscribers. If a wireless carrier does not implement a mechanism for the collection of the surcharge from its subscribers in accordance with this subsection (d), then the carrier is required to remit the surcharge for all subscribers until the carrier is deemed
to be in compliance with this subsection (d) by the Illinois Commerce Commission.

(e) If before midnight on the last day of the third calendar month after the closing date of the remit period a wireless carrier does not remit the surcharge or any portion thereof required under this Section, then the surcharge or portion thereof shall be deemed delinquent until paid in full, and the Illinois Commerce Commission may impose a penalty against the carrier in an amount equal to the greater of:

1. $25 for each month or portion of a month from the time an amount becomes delinquent until the amount is paid in full; or

2. an amount equal to the product of 1% and the sum of all delinquent amounts for each month or portion of a month that the delinquent amounts remain unpaid.

A penalty imposed in accordance with this subsection (e) for a portion of a month during which the carrier provides the number of subscribers by zip code as required under subsection (c) of this Section shall be prorated for each day of that month during which the carrier had not provided the number of subscribers by zip code as required under subsection (c) of this Section. Any penalty imposed under this subsection (e) is in addition to the amount of the delinquency and is in addition to any other penalty imposed under this Section.

(f) If, before midnight on the last day of the third calendar month after the closing date of the remit period, a
wireless carrier does not provide the number of subscribers by zip code as required under subsection (c) of this Section, then the report is deemed delinquent and the Illinois Commerce Commission may impose a penalty against the carrier in an amount equal to the greater of:

(1) $25 for each month or portion of a month that the report is delinquent; or

(2) an amount equal to the product of 1/2¢ and the number of subscribers served by the wireless carrier.

A penalty imposed in accordance with this subsection (f) for a portion of a month during which the carrier pays the delinquent amount in full shall be prorated for each day of that month that the delinquent amount was paid in full. Any penalty imposed under this subsection (f) is in addition to any other penalty imposed under this Section.

(g) The Illinois Commerce Commission may enforce the collection of any delinquent amount and any penalty due and unpaid under this Section by legal action or in any other manner by which the collection of debts due the State of Illinois may be enforced under the laws of this State. The Executive Director of the Illinois Commerce Commission, or his or her designee, may excuse the payment of any penalty imposed under this Section if the Executive Director, or his or her designee, determines that the enforcement of this penalty is unjust.

(h) Notwithstanding any provision of law to the
contrary, nothing shall impair the right of wireless carriers to recover compliance costs for all emergency communications services that are not reimbursed out of the Wireless Carrier Reimbursement Fund directly from their customers via line-item charges on the customer's bill. Those compliance costs include all costs incurred by wireless carriers in complying with local, State, and federal regulatory or legislative mandates that require the transmission and receipt of emergency communications to and from the general public, including, but not limited to, E-911.

(i) The Auditor General shall conduct, on an annual basis, an audit of the Wireless Service Emergency Fund and the Wireless Carrier Reimbursement Fund for compliance with the requirements of this Act. The audit shall include, but not be limited to, the following determinations:

(1) Whether the Commission is maintaining detailed records of all receipts and disbursements from the Wireless Carrier Emergency Fund and the Wireless Carrier Reimbursement Fund.

(2) Whether the Commission's administrative costs charged to the funds are adequately documented and are reasonable.

(3) Whether the Commission's procedures for making grants and providing reimbursements in accordance with the Act are adequate.

(4) The status of the implementation of wireless 9-1-1
and E9-1-1 services in Illinois.

The Commission, the Department of State Police, and any other entity or person that may have information relevant to the audit shall cooperate fully and promptly with the Office of the Auditor General in conducting the audit. The Auditor General shall commence the audit as soon as possible and distribute the report upon completion in accordance with Section 3-14 of the Illinois State Auditing Act.

(50 ILCS 751/35)

(Section scheduled to be repealed on April 1, 2013)

Sec. 35. Wireless Carrier Reimbursement Fund; reimbursement.

(a) To recover costs from the Wireless Carrier Reimbursement Fund, the wireless carrier shall submit sworn invoices to the Illinois Commerce Commission. In no event may any invoice for payment be approved for (i) costs that are not related to compliance with the requirements established by the wireless enhanced 9-1-1 mandates of the Federal Communications Commission, (ii) costs with respect to any wireless enhanced 9-1-1 service that is not operable at the time the invoice is submitted, or (iii) costs in excess of the sum of (A) the carrier's balance, as determined under subsection (e) of this Section, plus (B) 100% of the surcharge remitted to the
Wireless Carrier Reimbursement Fund by the wireless carrier under Section 17(b) since the last annual review of the balance in the Wireless Carrier Reimbursement Fund under subsection (e) of this Section, less reimbursements paid to the carrier out of the Wireless Carrier Reimbursement Fund since the last annual review of the balance under subsection (e) of this Section, unless the wireless carrier received prior approval for the expenditures from the Illinois Commerce Commission.

(b) If in any month the total amount of invoices submitted to the Illinois Commerce Commission and approved for payment exceeds the amount available in the Wireless Carrier Reimbursement Fund, wireless carriers that have invoices approved for payment shall receive a pro-rata share of the amount available in the Wireless Carrier Reimbursement Fund based on the relative amount of their approved invoices available that month, and the balance of the payments shall be carried into the following months until all of the approved payments are made.

(c) A wireless carrier may not receive payment from the Wireless Carrier Reimbursement Fund for its costs of providing wireless enhanced 9-1-1 services in an area when a unit of local government or emergency telephone system board provides wireless 9-1-1 services in that area and was imposing and collecting a wireless carrier surcharge prior to July 1, 1998.

(d) The Illinois Commerce Commission shall maintain detailed records of all receipts and disbursements and shall
provide an annual accounting of all receipts and disbursements to the Auditor General.

(e) The Illinois Commerce Commission must annually review the balance in the Wireless Carrier Reimbursement Fund as of June 30 of each year and shall direct the Comptroller to transfer into the Wireless Services Emergency Fund for distribution in accordance with Section 25 of this Act any amount in excess of the amount of deposits into the Fund for the 24 months prior to June 30 less:

(1) the amount of paid and payables received by June 30 for the 24 months prior to June 30 as determined eligible under subsection (a) of this Section;

(2) the administrative costs associated with the Fund for the 24 months prior to June 30; and

(3) the prorated portion of any other adjustments made to the Fund in the 24 months prior to June 30.

After making the calculation required under this subsection (e), each carrier's available balance for purposes of reimbursements must be adjusted using the same calculation.

(f) The Illinois Commerce Commission shall adopt rules to govern the reimbursement process.

(g) On January 1, 2008 (the effective date of Public Act 95-698) Upon the effective date of this amendatory Act of the 95th General Assembly, or as soon thereafter as practical, the State Comptroller shall order transferred and the State Treasurer shall transfer the sum of $8,000,000 from the
Wireless Carrier Reimbursement Fund to the Wireless Service Emergency Fund. That amount shall be used by the Illinois Commerce Commission to make grants in the manner described in Section 25 of this Act.

Section 160. The Counties Code is amended by changing Sections 5-1069.3, 5-1095, and 5-1096.5 as follows:

(55 ILCS 5/5-1069.3)

Sec. 5-1069.3. Required health benefits. If a county, including a home rule county, is a self-insurer for purposes of providing health insurance coverage for its employees, the coverage shall include coverage for the post-mastectomy care benefits required to be covered by a policy of accident and health insurance under Section 356t and the coverage required under Sections 356g.5, 356u, 356w, 356x, 356z.6, and 356z.9, and 356z.10 of the Illinois Insurance Code. The requirement that health benefits be covered as provided in this Section is an exclusive power and function of the State and is a denial and limitation under Article VII, Section 6, subsection (h) of the Illinois Constitution. A home rule county to which this Section applies must comply with every provision of this Section.
(Source: P.A. 95-189, eff. 8-16-07; 95-422, eff. 8-24-07;
Sec. 5-1095. Community antenna television systems; satellite transmitted television programming.

(a) The County Board may license, tax or franchise the business of operating a community antenna television system or systems within the County and outside of a municipality, as defined in Section 1-1-2 of the Illinois Municipal Code.

When an area is annexed to a municipality, the annexing municipality shall thereby become the franchising authority with respect to that portion of any community antenna television system that, immediately before annexation, had provided cable television services within the annexed area under a franchise granted by the county, and the owner of that community antenna television system shall thereby be authorized to provide cable television services within the annexed area under the terms and provisions of the existing franchise. In that instance, the franchise shall remain in effect until, by its terms, it expires, except that any franchise fees payable under the franchise shall be payable only to the county for a period of 5 years or until, by its terms, the franchise expires, whichever occurs first. After the 5 year period, any franchise fees payable under the franchise shall be paid to the annexing municipality. In any instance in which a duly franchised community antenna television system is
providing cable television services within the annexing municipality at the time of annexation, the annexing municipality may permit that franchisee to extend its community antenna television system to the annexed area under terms and conditions that are no more burdensome nor less favorable to that franchisee than those imposed under any community antenna television franchise applicable to the annexed area at the time of annexation. The authorization to extend cable television service to the annexed area and any community antenna television system authorized to provide cable television services within the annexed area at the time of annexation shall not be subject to the provisions of subsection (e) of this Section.

(b) "Community antenna television system" as used in this Section, means any facility which is constructed in whole or in part in, on, under or over any highway or other public place and which is operated to perform for hire the service of receiving and amplifying the signals broadcast by one or more television stations and redistributing such signals by wire, cable or other means to members of the public who subscribe to such service except that such term does not include (i) any system which serves fewer than 50 subscribers or (ii) any system which serves only the residents of one or more apartment dwellings under common ownership, control or management, and commercial establishments located on the premises of such dwellings.
(c) The authority hereby granted does not include the authority to license or franchise telephone companies subject to the jurisdiction of the Illinois Commerce Commission or the Federal Communications Commission in connection with furnishing circuits, wires, cables or other facilities to the operator of a community antenna television system.

(c-1) Each franchise entered into by a county and a community antenna television system shall include the customer service and privacy standards and protections contained in Article XXII of the Public Utilities Act the Cable and Video Customers Protection Law. A franchise may not contain different penalties or consumer service and privacy standards and protections. Each franchise entered into by a county and a community antenna television system before June 30, 2007 (the effective date of Public Act 95-9) this amendatory Act of the 95th General Assembly shall be amended by this Section to incorporate the penalty provisions and customer service and privacy standards and protections contained in Article XXII of the Public Utilities Act the Cable and Video Customers Protection Law.

The County Board may, in the course of franchising such community antenna television system, grant to such franchisee the authority and the right and permission to use all public streets, rights of way, alleys, ways for public service facilities, parks, playgrounds, school grounds, or other public grounds, in which such county may have an interest, for
the construction, installation, operation, maintenance, alteration, addition, extension or improvement of a community antenna television system.

Any charge imposed by a community antenna television system franchised pursuant to this Section for the raising or removal of cables or lines to permit passage on, to or from a street shall not exceed the reasonable costs of work reasonably necessary to safely permit such passage. Pursuant to subsections (h) and (i) of Section 6 of Article VII of the Constitution of the State of Illinois, the General Assembly declares the regulation of charges which may be imposed by community antenna television systems for the raising or removal of cables or lines to permit passage on, to or from streets is a power or function to be exercised exclusively by the State and not to be exercised or performed concurrently with the State by any unit of local government, including any home rule unit.

The County Board may, upon written request by the franchisee of a community antenna television system, exercise its right of eminent domain solely for the purpose of granting an easement right no greater than 8 feet in width, extending no greater than 8 feet from any lot line for the purpose of extending cable across any parcel of property in the manner provided for by the law of eminent domain, provided, however, such franchisee deposits with the county sufficient security to pay all costs incurred by the county in the exercise of its
right of eminent domain.

Except as specifically provided otherwise in this Section, this Section is not a limitation on any home rule county.

(d) The General Assembly finds and declares that satellite-transmitted television programming should be available to those who desire to subscribe to such programming and that decoding devices should be obtainable at reasonable prices by those who are unable to obtain satellite-transmitted television programming through duly franchised community antenna television systems.

In any instance in which a person is unable to obtain satellite-transmitted television programming through a duly franchised community antenna television system either because the municipality and county in which such person resides has not granted a franchise to operate and maintain a community antenna television system, or because the duly franchised community antenna television system operator does not make cable television services available to such person, any programming company that delivers satellite-transmitted television programming in scrambled or encrypted form shall ensure that devices for decryption of such programming are made available to such person, through the local community antenna television operator or directly, for purchase or lease at prices reasonably related to the cost of manufacture and distribution of such devices.

(e) The General Assembly finds and declares that, in order
to ensure that community antenna television services are provided in an orderly, competitive and economically sound manner, the best interests of the public will be served by the establishment of certain minimum standards and procedures for the granting of additional cable television franchises.

Subject to the provisions of this subsection, the authority granted under subsection (a) hereof shall include the authority to license, franchise and tax more than one cable operator to provide community antenna television services within the territorial limits of a single franchising authority. For purposes of this subsection (e), the term:

(i) "Existing cable television franchise" means a community antenna television franchise granted by a county which is in use at the time such county receives an application or request by another cable operator for a franchise to provide cable antenna television services within all or any portion of the territorial area which is or may be served under the existing cable television franchise.

(ii) "Additional cable television franchise" means a franchise pursuant to which community antenna television services may be provided within the territorial areas, or any portion thereof, which may be served under an existing cable television franchise.

(iii) "Franchising Authority" is defined as that term is defined under Section 602(9) of the Cable Communications

(iv) "Cable operator" is defined as that term is defined under Section 602(4) of the Cable Communications Policy Act of 1984, Public Law 98-549.

Before granting an additional cable television franchise, the franchising authority shall:

(1) Give written notice to the owner or operator of any other community antenna television system franchised to serve all or any portion of the territorial area to be served by such additional cable television franchise, identifying the applicant for such additional franchise and specifying the date, time and place at which the franchising authority shall conduct public hearings to consider and determine whether such additional cable television franchise should be granted.

(2) Conduct a public hearing to determine the public need for such additional cable television franchise, the capacity of public rights-of-way to accommodate such additional community antenna television services, the potential disruption to existing users of public rights-of-way to be used by such additional franchise applicant to complete construction and to provide cable television services within the proposed franchise area, the long term economic impact of such additional cable television system within the community, and such other factors as the franchising authority shall deem
appropriate.

(3) Determine, based upon the foregoing factors, whether it is in the best interest of the county to grant such additional cable television franchise.

(4) If the franchising authority shall determine that it is in the best interest of the county to do so, it may grant the additional cable television franchise. Except as provided in paragraph (5) of this subsection (e), no such additional cable television franchise shall be granted under terms or conditions more favorable or less burdensome to the applicant than those required under the existing cable television franchise, including but not limited to terms and conditions pertaining to the territorial extent of the franchise, system design, technical performance standards, construction schedules, performance bonds, standards for construction and installation of cable television facilities, service to subscribers, public educational and governmental access channels and programming, production assistance, liability and indemnification, and franchise fees.

(5) Unless the existing cable television franchise provides that any additional cable television franchise shall be subject to the same terms or substantially equivalent terms and conditions as those of the existing cable television franchise, the franchising authority may grant an additional cable television franchise under
different terms and conditions than those of the existing franchise, in which event the franchising authority shall enter into good faith negotiations with the existing franchisee and shall, within 120 days after the effective date of the additional cable television franchise, modify the existing cable television franchise in a manner and to the extent necessary to ensure that neither the existing cable television franchise nor the additional cable television franchise, each considered in its entirety, provides a competitive advantage over the other, provided that prior to modifying the existing cable television franchise, the franchising authority shall have conducted a public hearing to consider the proposed modification. No modification in the terms and conditions of the existing cable television franchise shall obligate the existing cable television franchisee (1) to make any additional payment to the franchising authority, including the payment of any additional franchise fee, (2) to engage in any additional construction of the existing cable television system or, (3) to modify the specifications or design of the existing cable television system; and the inclusion of the factors identified in items (2) and (3) shall not be considered in determining whether either franchise considered in its entirety, has a competitive advantage over the other except to the extent that the additional franchisee provides additional video or data services or the equipment or
facilities necessary to generate and or carry such service. No modification in the terms and conditions of the existing cable television franchise shall be made if the existing cable television franchisee elects to continue to operate under all terms and conditions of the existing franchise.

If within the 120 day period the franchising authority and the existing cable television franchisee are unable to reach agreement on modifications to the existing cable television franchise, then the franchising authority shall modify the existing cable television franchise, effective 45 days thereafter, in a manner, and only to the extent, that the terms and conditions of the existing cable television franchise shall no longer impose any duty or obligation on the existing franchisee which is not also imposed under the additional cable television franchise; however, if by the modification the existing cable television franchisee is relieved of duties or obligations not imposed under the additional cable television franchise, then within the same 45 days and following a public hearing concerning modification of the additional cable television franchise within that 45 day period, the franchising authority shall modify the additional cable television franchise to the extent necessary to insure that neither the existing cable television franchise nor the additional cable television franchise, each considered in its entirety, shall have a competitive advantage over the
other.

No county shall be subject to suit for damages based upon the county's determination to grant or its refusal to grant an additional cable television franchise, provided that a public hearing as herein provided has been held and the franchising authority has determined that it is in the best interest of the county to grant or refuse to grant such additional franchise, as the case may be.

It is declared to be the law of this State, pursuant to paragraphs (h) and (i) of Section 6 of Article VII of the Illinois Constitution, that the establishment of minimum standards and procedures for the granting of additional cable television franchises as provided in this subsection (e) is an exclusive State power and function that may not be exercised concurrently by a home rule unit.

(55 ILCS 5/5-1096.5)

(a) A person or entity seeking to provide cable service or video service in this State after June 30, 2007 (the effective date of Public Act 95-9) this amendatory Act of the 95th General Assembly shall either (1) obtain a State-issued authorization pursuant to Section 21-401 of the Public Utilities Act 401 of the Cable and Video Competition Law of 2007 (220 ILCS 5/21-401); (2) obtain authorization pursuant to
Section 11-42-11 of the Illinois Municipal Code (65 ILCS 5/11-42-11); or (3) obtain authorization pursuant to Section 5-1095 of the Counties Code (55 ILCS 5/5-1095).

(b) A person or entity seeking to provide cable service or video service in this State after June 30, 2007 the effective date of this amendatory Act of the 95th General Assembly shall not use the public rights-of-way for the installation or construction of facilities for the provision of cable service or video service or offer cable service or video service until it has (i) obtained a State-issued authorization to offer or provide cable or video service under Section 21-401 of the Public Utilities Act 401 of the Cable and Video Competition Law of 2007; (ii) obtained authorization under Section 11-42-11 of the Illinois Municipal Code; or (iii) obtained authorization under Section 5-1095 of the Counties Code. Nothing in this Section shall prohibit a local unit of government from granting a permit to a person or entity for the use of the public rights-of-way to install or construct facilities to provide cable service or video service, at its sole discretion. No unit of local government shall be liable for denial or delay of a permit prior to the issuance of a State-issued authorization.

(c) For the purposes of subsection (e) of Section 5-1095 of this Code Section 5-1095(e), a State-issued authorization under Article XXI of the Public Utilities Act shall be considered substantially equivalent in terms and conditions as an existing cable provider.
(d) Nothing in Article XXI of the Public Utilities Act shall constitute a basis for modification of an existing cable franchise or an injunction against or for the recovery of damages from a municipality pursuant to subsection (e) of Section 5-1095 of this Code because of an application for or the issuance of a State-issued authorization under that Article XXI.

Sec. 11-5-1.5. Adult entertainment facility. It is prohibited within a municipality to locate an adult entertainment facility within 1,000 feet of the property boundaries of any school, day care center, cemetery, public park, forest preserve, public housing, and place of religious
worship, except that in a county with a population of more than 800,000 and less than 2,000,000 inhabitants, it is prohibited to locate, construct, or operate a new adult entertainment facility within one mile of the property boundaries of any school, day care center, cemetery, public park, forest preserve, public housing, or place of religious worship located anywhere within that county. Notwithstanding any other requirements of this Section, it is also prohibited to locate, construct, or operate a new adult entertainment facility within one mile of the property boundaries of any school, day care center, cemetery, public park, forest preserve, public housing, or place of religious worship located in that area of Cook County outside of the City of Chicago.

For the purposes of this Section, "adult entertainment facility" means (i) a striptease club or pornographic movie theatre whose business is the commercial sale, dissemination, or distribution of sexually explicit material, shows, or other exhibitions or (ii) an adult bookstore or adult video store in which 25% or more of its stock-in-trade, books, magazines, and films for sale, exhibition, or viewing on-premises are sexually explicit material.

(65 ILCS 5/11-42-11) (from Ch. 24, par. 11-42-11)
Sec. 11-42-11. Community antenna television systems;
satellite transmitted television programming.

(a) The corporate authorities of each municipality may license, franchise and tax the business of operating a community antenna television system as hereinafter defined. In municipalities with less than 2,000,000 inhabitants, the corporate authorities may, under the limited circumstances set forth in this Section, own (or lease as lessee) and operate a community antenna television system; provided that a municipality may not acquire, construct, own, or operate a community antenna television system for the use or benefit of private consumers or users, and may not charge a fee for that consumption or use, unless the proposition to acquire, construct, own, or operate a cable antenna television system has been submitted to and approved by the electors of the municipality in accordance with subsection (f). Before acquiring, constructing, or commencing operation of a community antenna television system, the municipality shall comply with the following:

(1) Give written notice to the owner or operator of any other community antenna television system franchised to serve all or any portion of the territorial area to be served by the municipality's community antenna television system, specifying the date, time, and place at which the municipality shall conduct public hearings to consider and determine whether the municipality should acquire, construct, or commence operation of a community antenna
television system. The public hearings shall be conducted at least 14 days after this notice is given.

(2) Publish a notice of the hearing in 2 or more newspapers published in the county, city, village, incorporated town, or town, as the case may be. If there is no such newspaper, then notice shall be published in any 2 or more newspapers published in the county and having a general circulation throughout the community. The public hearings shall be conducted at least 14 days after this notice is given.

(3) Conduct a public hearing to determine the means by which construction, maintenance, and operation of the system will be financed, including whether the use of tax revenues or other fees will be required.

(b) The words "community antenna television system" shall mean any facility which is constructed in whole or in part in, on, under or over any highway or other public place and which is operated to perform for hire the service of receiving and amplifying the signals broadcast by one or more television stations and redistributing such signals by wire, cable or other means to members of the public who subscribe to such service; except that such definition shall not include (i) any system which serves fewer than fifty subscribers, or (ii) any system which serves only the residents of one or more apartment dwellings under common ownership, control or management, and commercial establishments located on the premises of such
dwellings.

(c) The authority hereby granted does not include authority to license, franchise or tax telephone companies subject to jurisdiction of the Illinois Commerce Commission or the Federal Communications Commission in connection with the furnishing of circuits, wires, cables, and other facilities to the operator of a community antenna television system.

(c-1) Each franchise entered into by a municipality and a community antenna television system shall include the customer service and privacy standards and protections contained in Article XXII of the Public Utilities Act the Cable and Video Customers Protection Law. A franchise may not contain different penalties or consumer service and privacy standards and protections. Each franchise entered into by a municipality and a community antenna television system before June 30, 2007 (the effective date of Public Act 95-9) this amendatory Act of the 95th General Assembly shall be amended by this Section to incorporate the penalty provisions and customer service and privacy standards and protections contained in Article XXII of the Public Utilities Act the Cable and Video Customers Protection Law.

The corporate authorities of each municipality may, in the course of franchising such community antenna television system, grant to such franchisee the authority and the right and permission to use all public streets, rights of way, alleys, ways for public service facilities, parks,
playgrounds, school grounds, or other public grounds, in which such municipality may have an interest, for the construction, installation, operation, maintenance, alteration, addition, extension or improvement of a community antenna television system.

Any charge imposed by a community antenna television system franchised pursuant to this Section for the raising or removal of cables or lines to permit passage on, to or from a street shall not exceed the reasonable costs of work reasonably necessary to safely permit such passage. Pursuant to subsections (h) and (i) of Section 6 of Article VII of the Constitution of the State of Illinois, the General Assembly declares the regulation of charges which may be imposed by community antenna television systems for the raising or removal of cables or lines to permit passage on, to or from streets is a power or function to be exercised exclusively by the State and not to be exercised or performed concurrently with the State by any unit of local government, including any home rule unit.

The municipality may, upon written request by the franchisee of a community antenna television system, exercise its right of eminent domain solely for the purpose of granting an easement right no greater than 8 feet in width, extending no greater than 8 feet from any lot line for the purpose of extending cable across any parcel of property in the manner provided by the law of eminent domain, provided, however, such
franchisee deposits with the municipality sufficient security to pay all costs incurred by the municipality in the exercise of its right of eminent domain.

(d) The General Assembly finds and declares that satellite-transmitted television programming should be available to those who desire to subscribe to such programming and that decoding devices should be obtainable at reasonable prices by those who are unable to obtain satellite-transmitted television programming through duly franchised community antenna television systems.

In any instance in which a person is unable to obtain satellite-transmitted television programming through a duly franchised community antenna television system either because the municipality and county in which such person resides has not granted a franchise to operate and maintain a community antenna television system, or because the duly franchised community antenna television system operator does not make cable television services available to such person, any programming company that delivers satellite-transmitted television programming in scrambled or encrypted form shall ensure that devices for description of such programming are made available to such person, through the local community antenna television operator or directly, for purchase or lease at prices reasonably related to the cost of manufacture and distribution of such devices.

(e) The General Assembly finds and declares that, in order
to ensure that community antenna television services are provided in an orderly, competitive and economically sound manner, the best interests of the public will be served by the establishment of certain minimum standards and procedures for the granting of additional cable television franchises.

Subject to the provisions of this subsection, the authority granted under subsection (a) hereof shall include the authority to license, franchise and tax more than one cable operator to provide community antenna television services within the corporate limits of a single franchising authority. For purposes of this subsection (e), the term:

(i) "Existing cable television franchise" means a community antenna television franchise granted by a municipality which is in use at the time such municipality receives an application or request by another cable operator for a franchise to provide cable antenna television services within all or any portion of the territorial area which is or may be served under the existing cable television franchise.

(ii) "Additional cable television franchise" means a franchise pursuant to which community antenna television services may be provided within the territorial areas, or any portion thereof, which may be served under an existing cable television franchise.

(iii) "Franchising Authority" is defined as that term is defined under Section 602(9) of the Cable Communications
Policy Act of 1984, Public Law 98-549, but does not include any municipality with a population of 1,000,000 or more.

(iv) "Cable operator" is defined as that term is defined under Section 602(4) of the Cable Communications Policy Act of 1984, Public Law 98-549.

Before granting an additional cable television franchise, the franchising authority shall:

(1) Give written notice to the owner or operator of any other community antenna television system franchised to serve all or any portion of the territorial area to be served by such additional cable television franchise, identifying the applicant for such additional franchise and specifying the date, time and place at which the franchising authority shall conduct public hearings to consider and determine whether such additional cable television franchise should be granted.

(2) Conduct a public hearing to determine the public need for such additional cable television franchise, the capacity of public rights-of-way to accommodate such additional community antenna television services, the potential disruption to existing users of public rights-of-way to be used by such additional franchise applicant to complete construction and to provide cable television services within the proposed franchise area, the long term economic impact of such additional cable television system within the community, and such other
factors as the franchising authority shall deem appropriate.

(3) Determine, based upon the foregoing factors, whether it is in the best interest of the municipality to grant such additional cable television franchise.

(4) If the franchising authority shall determine that it is in the best interest of the municipality to do so, it may grant the additional cable television franchise. Except as provided in paragraph (5) of this subsection (e), no such additional cable television franchise shall be granted under terms or conditions more favorable or less burdensome to the applicant than those required under the existing cable television franchise, including but not limited to terms and conditions pertaining to the territorial extent of the franchise, system design, technical performance standards, construction schedules, performance bonds, standards for construction and installation of cable television facilities, service to subscribers, public educational and governmental access channels and programming, production assistance, liability and indemnification, and franchise fees.

(5) Unless the existing cable television franchise provides that any additional cable television franchise shall be subject to the same terms or substantially equivalent terms and conditions as those of the existing cable television franchise, the franchising authority may
grant an additional cable television franchise under different terms and conditions than those of the existing franchise, in which event the franchising authority shall enter into good faith negotiations with the existing franchisee and shall, within 120 days after the effective date of the additional cable television franchise, modify the existing cable television franchise in a manner and to the extent necessary to ensure that neither the existing cable television franchise nor the additional cable television franchise, each considered in its entirety, provides a competitive advantage over the other, provided that prior to modifying the existing cable television franchise, the franchising authority shall have conducted a public hearing to consider the proposed modification. No modification in the terms and conditions of the existing cable television franchise shall oblige the existing cable television franchisee (1) to make any additional payment to the franchising authority, including the payment of any additional franchise fee, (2) to engage in any additional construction of the existing cable television system or, (3) to modify the specifications or design of the existing cable television system; and the inclusion of the factors identified in items (2) and (3) shall not be considered in determining whether either franchise considered in its entirety, has a competitive advantage over the other except to the extent that the additional franchisee provides
additional video or data services or the equipment or facilities necessary to generate and or carry such service. No modification in the terms and conditions of the existing cable television franchise shall be made if the existing cable television franchisee elects to continue to operate under all terms and conditions of the existing franchise.

If within the 120 day period the franchising authority and the existing cable television franchisee are unable to reach agreement on modifications to the existing cable television franchise, then the franchising authority shall modify the existing cable television franchise, effective 45 days thereafter, in a manner, and only to the extent, that the terms and conditions of the existing cable television franchise shall no longer impose any duty or obligation on the existing franchisee which is not also imposed under the additional cable television franchise; however, if by the modification the existing cable television franchisee is relieved of duties or obligations not imposed under the additional cable television franchise, then within the same 45 days and following a public hearing concerning modification of the additional cable television franchise within that 45 day period, the franchising authority shall modify the additional cable television franchise to the extent necessary to insure that neither the existing cable television franchise nor the additional cable television franchise, each considered in
its entirety, shall have a competitive advantage over the other.

No municipality shall be subject to suit for damages based upon the municipality's determination to grant or its refusal to grant an additional cable television franchise, provided that a public hearing as herein provided has been held and the franchising authority has determined that it is in the best interest of the municipality to grant or refuse to grant such additional franchise, as the case may be.

It is declared to be the law of this State, pursuant to paragraphs (h) and (i) of Section 6 of Article VII of the Illinois Constitution, that the establishment of minimum standards and procedures for the granting of additional cable television franchises by municipalities with a population less than 1,000,000 as provided in this subsection (e) is an exclusive State power and function that may not be exercised concurrently by a home rule unit.

(f) No municipality may acquire, construct, own, or operate a community antenna television system unless the corporate authorities adopt an ordinance. The ordinance must set forth the action proposed; describe the plant, equipment, and property to be acquired or constructed; and specifically describe the manner in which the construction, acquisition, and operation of the system will be financed.

The ordinance may not take effect until the question of acquiring, construction, owning, or operating a community
antenna television system has been submitted to the electors of the municipality at a regular election and approved by a majority of the electors voting on the question. The corporate authorities must certify the question to the proper election authority, which must submit the question at an election in accordance with the Election Code.

The question must be submitted in substantially the following form:

Shall the ordinance authorizing the municipality to (insert action authorized by ordinance) take effect?

The votes must be recorded as "Yes" or "No".

If a majority of electors voting on the question vote in the affirmative, the ordinance shall take effect.

Not more than 30 or less than 15 days before the date of the referendum, the municipal clerk must publish the ordinance at least once in one or more newspapers published in the municipality or, if no newspaper is published in the municipality, in one or more newspapers of general circulation within the municipality.

(a) A person or entity seeking to provide cable service or video service in this State after June 30, 2007 (the effective date of Public Act 95-9) this amendatory Act of the 95th
General Assembly shall either (1) obtain a State-issued authorization pursuant to Section 21-401 of the Public Utilities Act; (2) obtain authorization pursuant to Section 11-42-11 of the Illinois Municipal Code; or (3) obtain authorization pursuant to Section 5-1095 of the Counties Code. All providers offering or providing cable or video service in this State shall have authorization pursuant to either (i) the Cable and Video Competition Law of 2007; (ii) Section 11-42-11 of the Illinois Municipal Code; or (iii) Section 5-1095 of the Counties Code.

(b) A person or entity seeking to provide cable service or video service in this State after June 30, 2007 (the effective date of this amendatory Act of the 95th General Assembly) shall not use the public rights-of-way for the installation or construction of facilities for the provision of cable service or video service or offer cable service or video service until it has (i) obtained a State-issued authorization to offer or provide cable or video service under Section 21-401 of the Public Utilities Act; (ii) obtained authorization under Section 11-42-11 of the Illinois Municipal Code; or (iii) obtained authorization under Section 5-1095 of the Counties Code. Nothing in this Section shall prohibit a local unit of government from granting a permit to a person or entity for the use of the public rights-of-way to install or construct facilities to provide cable service or video service, at its
sole discretion. No unit of local government shall be liable for denial or delay of a permit prior to the issuance of a State-issued authorization.

(c) For the purposes of subsection (e) of Section 11-42-11 of this Code Section 11-42-11(e), a State-issued authorization under Article XXI of the Public Utilities Act shall be considered substantially equivalent in terms and conditions as an existing cable provider.

(d) Nothing in Article XXI of the Public Utilities Act shall constitute a basis for modification of an existing cable franchise or an injunction against or for the recovery of damages from a municipality pursuant to Section 11-42-11 because of an application for or the issuance of a State-issued authorization under that Article XXI.

(65 ILCS 5/11-74.4-3) (from Ch. 24, par. 11-74.4-3)

Sec. 11-74.4-3. Definitions. The following terms, wherever used or referred to in this Division 74.4 shall have the following respective meanings, unless in any case a different meaning clearly appears from the context.

(a) For any redevelopment project area that has been designated pursuant to this Section by an ordinance adopted prior to November 1, 1999 (the effective date of Public Act 91-478), "blighted area" shall have the meaning set forth in this Section prior to that date.
On and after November 1, 1999, "blighted area" means any improved or vacant area within the boundaries of a redevelopment project area located within the territorial limits of the municipality where:

(1) If improved, industrial, commercial, and residential buildings or improvements are detrimental to the public safety, health, or welfare because of a combination of 5 or more of the following factors, each of which is (i) present, with that presence documented, to a meaningful extent so that a municipality may reasonably find that the factor is clearly present within the intent of the Act and (ii) reasonably distributed throughout the improved part of the redevelopment project area:

   (A) Dilapidation. An advanced state of disrepair or neglect of necessary repairs to the primary structural components of buildings or improvements in such a combination that a documented building condition analysis determines that major repair is required or the defects are so serious and so extensive that the buildings must be removed.

   (B) Obsolescence. The condition or process of falling into disuse. Structures have become ill-suited for the original use.

   (C) Deterioration. With respect to buildings, defects including, but not limited to, major defects in the secondary building components such as doors,
windows, porches, gutters and downspouts, and fascia. With respect to surface improvements, that the condition of roadways, alleys, curbs, gutters, sidewalks, off-street parking, and surface storage areas evidence deterioration, including, but not limited to, surface cracking, crumbling, potholes, depressions, loose paving material, and weeds protruding through paved surfaces.

(D) Presence of structures below minimum code standards. All structures that do not meet the standards of zoning, subdivision, building, fire, and other governmental codes applicable to property, but not including housing and property maintenance codes.

(E) Illegal use of individual structures. The use of structures in violation of applicable federal, State, or local laws, exclusive of those applicable to the presence of structures below minimum code standards.

(F) Excessive vacancies. The presence of buildings that are unoccupied or under-utilized and that represent an adverse influence on the area because of the frequency, extent, or duration of the vacancies.

(G) Lack of ventilation, light, or sanitary facilities. The absence of adequate ventilation for light or air circulation in spaces or rooms without windows, or that require the removal of dust, odor,
gas, smoke, or other noxious airborne materials. Inadequate natural light and ventilation means the absence of skylights or windows for interior spaces or rooms and improper window sizes and amounts by room area to window area ratios. Inadequate sanitary facilities refers to the absence or inadequacy of garbage storage and enclosure, bathroom facilities, hot water and kitchens, and structural inadequacies preventing ingress and egress to and from all rooms and units within a building.

(H) Inadequate utilities. Underground and overhead utilities such as storm sewers and storm drainage, sanitary sewers, water lines, and gas, telephone, and electrical services that are shown to be inadequate. Inadequate utilities are those that are: (i) of insufficient capacity to serve the uses in the redevelopment project area, (ii) deteriorated, antiquated, obsolete, or in disrepair, or (iii) lacking within the redevelopment project area.

(I) Excessive land coverage and overcrowding of structures and community facilities. The over-intensive use of property and the crowding of buildings and accessory facilities onto a site. Examples of problem conditions warranting the designation of an area as one exhibiting excessive land coverage are: (i) the presence of buildings either
improperly situated on parcels or located on parcels of inadequate size and shape in relation to present-day standards of development for health and safety and (ii) the presence of multiple buildings on a single parcel. For there to be a finding of excessive land coverage, these parcels must exhibit one or more of the following conditions: insufficient provision for light and air within or around buildings, increased threat of spread of fire due to the close proximity of buildings, lack of adequate or proper access to a public right-of-way, lack of reasonably required off-street parking, or inadequate provision for loading and service.

(J) Deleterious land use or layout. The existence of incompatible land-use relationships, buildings occupied by inappropriate mixed-uses, or uses considered to be noxious, offensive, or unsuitable for the surrounding area.

(K) Environmental clean-up. The proposed redevelopment project area has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or federal law,
provided that the remediation costs constitute a material impediment to the development or redevelopment of the redevelopment project area.

(L) Lack of community planning. The proposed redevelopment project area was developed prior to or without the benefit or guidance of a community plan. This means that the development occurred prior to the adoption by the municipality of a comprehensive or other community plan or that the plan was not followed at the time of the area's development. This factor must be documented by evidence of adverse or incompatible land-use relationships, inadequate street layout, improper subdivision, parcels of inadequate shape and size to meet contemporary development standards, or other evidence demonstrating an absence of effective community planning.

(M) The total equalized assessed value of the proposed redevelopment project area has declined for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated or is increasing at an annual rate that is less than the balance of the municipality for 3 of the last 5 calendar years for which information is available or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor
agency for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated.

(2) If vacant, the sound growth of the redevelopment project area is impaired by a combination of 2 or more of the following factors, each of which is (i) present, with that presence documented, to a meaningful extent so that a municipality may reasonably find that the factor is clearly present within the intent of the Act and (ii) reasonably distributed throughout the vacant part of the redevelopment project area to which it pertains:

   (A) Obsolete platting of vacant land that results in parcels of limited or narrow size or configurations of parcels of irregular size or shape that would be difficult to develop on a planned basis and in a manner compatible with contemporary standards and requirements, or platting that failed to create rights-of-ways for streets or alleys or that created inadequate right-of-way widths for streets, alleys, or other public rights-of-way or that omitted easements for public utilities.

   (B) Diversity of ownership of parcels of vacant land sufficient in number to retard or impede the ability to assemble the land for development.

   (C) Tax and special assessment delinquencies exist or the property has been the subject of tax sales under
the Property Tax Code within the last 5 years.

(D) Deterioration of structures or site improvements in neighboring areas adjacent to the vacant land.

(E) The area has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or federal law, provided that the remediation costs constitute a material impediment to the development or redevelopment of the redevelopment project area.

(F) The total equalized assessed value of the proposed redevelopment project area has declined for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated or is increasing at an annual rate that is less than the balance of the municipality for 3 of the last 5 calendar years for which information is available or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor agency for 3 of the last 5 calendar years prior to the
year in which the redevelopment project area is designated.

(3) If vacant, the sound growth of the redevelopment project area is impaired by one of the following factors that (i) is present, with that presence documented, to a meaningful extent so that a municipality may reasonably find that the factor is clearly present within the intent of the Act and (ii) is reasonably distributed throughout the vacant part of the redevelopment project area to which it pertains:

(A) The area consists of one or more unused quarries, mines, or strip mine ponds.

(B) The area consists of unused rail yards, rail tracks, or railroad rights-of-way.

(C) The area, prior to its designation, is subject to (i) chronic flooding that adversely impacts on real property in the area as certified by a registered professional engineer or appropriate regulatory agency or (ii) surface water that discharges from all or a part of the area and contributes to flooding within the same watershed, but only if the redevelopment project provides for facilities or improvements to contribute to the alleviation of all or part of the flooding.

(D) The area consists of an unused or illegal disposal site containing earth, stone, building debris, or similar materials that were removed from
construction, demolition, excavation, or dredge sites.

(E) Prior to November 1, 1999, the area is not less than 50 nor more than 100 acres and 75% of which is vacant (notwithstanding that the area has been used for commercial agricultural purposes within 5 years prior to the designation of the redevelopment project area), and the area meets at least one of the factors itemized in paragraph (1) of this subsection, the area has been designated as a town or village center by ordinance or comprehensive plan adopted prior to January 1, 1982, and the area has not been developed for that designated purpose.

(F) The area qualified as a blighted improved area immediately prior to becoming vacant, unless there has been substantial private investment in the immediately surrounding area.

(b) For any redevelopment project area that has been designated pursuant to this Section by an ordinance adopted prior to November 1, 1999 (the effective date of Public Act 91-478), "conservation area" shall have the meaning set forth in this Section prior to that date.

On and after November 1, 1999, "conservation area" means any improved area within the boundaries of a redevelopment project area located within the territorial limits of the municipality in which 50% or more of the structures in the area have an age of 35 years or more. Such an area is not yet a
blighted area but because of a combination of 3 or more of the following factors is detrimental to the public safety, health, morals or welfare and such an area may become a blighted area:

(1) Dilapidation. An advanced state of disrepair or neglect of necessary repairs to the primary structural components of buildings or improvements in such a combination that a documented building condition analysis determines that major repair is required or the defects are so serious and so extensive that the buildings must be removed.

(2) Obsolescence. The condition or process of falling into disuse. Structures have become ill-suited for the original use.

(3) Deterioration. With respect to buildings, defects including, but not limited to, major defects in the secondary building components such as doors, windows, porches, gutters and downspouts, and fascia. With respect to surface improvements, that the condition of roadways, alleys, curbs, gutters, sidewalks, off-street parking, and surface storage areas evidence deterioration, including, but not limited to, surface cracking, crumbling, potholes, depressions, loose paving material, and weeds protruding through paved surfaces.

(4) Presence of structures below minimum code standards. All structures that do not meet the standards of zoning, subdivision, building, fire, and other
governmental codes applicable to property, but not including housing and property maintenance codes.

(5) Illegal use of individual structures. The use of structures in violation of applicable federal, State, or local laws, exclusive of those applicable to the presence of structures below minimum code standards.

(6) Excessive vacancies. The presence of buildings that are unoccupied or under-utilized and that represent an adverse influence on the area because of the frequency, extent, or duration of the vacancies.

(7) Lack of ventilation, light, or sanitary facilities. The absence of adequate ventilation for light or air circulation in spaces or rooms without windows, or that require the removal of dust, odor, gas, smoke, or other noxious airborne materials. Inadequate natural light and ventilation means the absence or inadequacy of skylights or windows for interior spaces or rooms and improper window sizes and amounts by room area to window area ratios. Inadequate sanitary facilities refers to the absence or inadequacy of garbage storage and enclosure, bathroom facilities, hot water and kitchens, and structural inadequacies preventing ingress and egress to and from all rooms and units within a building.

(8) Inadequate utilities. Underground and overhead utilities such as storm sewers and storm drainage, sanitary sewers, water lines, and gas, telephone, and electrical
services that are shown to be inadequate. Inadequate utilities are those that are: (i) of insufficient capacity to serve the uses in the redevelopment project area, (ii) deteriorated, antiquated, obsolete, or in disrepair, or (iii) lacking within the redevelopment project area.

(9) Excessive land coverage and overcrowding of structures and community facilities. The over-intensive use of property and the crowding of buildings and accessory facilities onto a site. Examples of problem conditions warranting the designation of an area as one exhibiting excessive land coverage are: the presence of buildings either improperly situated on parcels or located on parcels of inadequate size and shape in relation to present-day standards of development for health and safety and the presence of multiple buildings on a single parcel. For there to be a finding of excessive land coverage, these parcels must exhibit one or more of the following conditions: insufficient provision for light and air within or around buildings, increased threat of spread of fire due to the close proximity of buildings, lack of adequate or proper access to a public right-of-way, lack of reasonably required off-street parking, or inadequate provision for loading and service.

(10) Deleterious land use or layout. The existence of incompatible land-use relationships, buildings occupied by inappropriate mixed-uses, or uses considered to be
noxious, offensive, or unsuitable for the surrounding area.

(11) Lack of community planning. The proposed redevelopment project area was developed prior to or without the benefit or guidance of a community plan. This means that the development occurred prior to the adoption by the municipality of a comprehensive or other community plan or that the plan was not followed at the time of the area's development. This factor must be documented by evidence of adverse or incompatible land-use relationships, inadequate street layout, improper subdivision, parcels of inadequate shape and size to meet contemporary development standards, or other evidence demonstrating an absence of effective community planning.

(12) The area has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or federal law, provided that the remediation costs constitute a material impediment to the development or redevelopment of the redevelopment project area.

(13) The total equalized assessed value of the proposed
redevelopment project area has declined for 3 of the last 5 calendar years for which information is available or is increasing at an annual rate that is less than the balance of the municipality for 3 of the last 5 calendar years for which information is available or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor agency for 3 of the last 5 calendar years for which information is available.

(c) "Industrial park" means an area in a blighted or conservation area suitable for use by any manufacturing, industrial, research or transportation enterprise, of facilities to include but not be limited to factories, mills, processing plants, assembly plants, packing plants, fabricating plants, industrial distribution centers, warehouses, repair overhaul or service facilities, freight terminals, research facilities, test facilities or railroad facilities.

(d) "Industrial park conservation area" means an area within the boundaries of a redevelopment project area located within the territorial limits of a municipality that is a labor surplus municipality or within 1 1/2 miles of the territorial limits of a municipality that is a labor surplus municipality if the area is annexed to the municipality; which area is zoned as industrial no later than at the time the municipality by ordinance designates the redevelopment project area, and which
area includes both vacant land suitable for use as an industrial park and a blighted area or conservation area contiguous to such vacant land.

(e) "Labor surplus municipality" means a municipality in which, at any time during the 6 months before the municipality by ordinance designates an industrial park conservation area, the unemployment rate was over 6% and was also 100% or more of the national average unemployment rate for that same time as published in the United States Department of Labor Bureau of Labor Statistics publication entitled "The Employment Situation" or its successor publication. For the purpose of this subsection, if unemployment rate statistics for the municipality are not available, the unemployment rate in the municipality shall be deemed to be the same as the unemployment rate in the principal county in which the municipality is located.

(f) "Municipality" shall mean a city, village, incorporated town, or a township that is located in the unincorporated portion of a county with 3 million or more inhabitants, if the county adopted an ordinance that approved the township's redevelopment plan.

(g) "Initial Sales Tax Amounts" means the amount of taxes paid under the Retailers' Occupation Tax Act, Use Tax Act, Service Use Tax Act, the Service Occupation Tax Act, the Municipal Retailers' Occupation Tax Act, and the Municipal Service Occupation Tax Act by retailers and servicemen on
transactions at places located in a State Sales Tax Boundary during the calendar year 1985.

(g-1) "Revised Initial Sales Tax Amounts" means the amount of taxes paid under the Retailers' Occupation Tax Act, Use Tax Act, Service Use Tax Act, the Service Occupation Tax Act, the Municipal Retailers' Occupation Tax Act, and the Municipal Service Occupation Tax Act by retailers and servicemen on transactions at places located within the State Sales Tax Boundary revised pursuant to Section 11-74.4-8a(9) of this Act.

(h) "Municipal Sales Tax Increment" means an amount equal to the increase in the aggregate amount of taxes paid to a municipality from the Local Government Tax Fund arising from sales by retailers and servicemen within the redevelopment project area or State Sales Tax Boundary, as the case may be, for as long as the redevelopment project area or State Sales Tax Boundary, as the case may be, exist over and above the aggregate amount of taxes as certified by the Illinois Department of Revenue and paid under the Municipal Retailers' Occupation Tax Act and the Municipal Service Occupation Tax Act by retailers and servicemen, on transactions at places of business located in the redevelopment project area or State Sales Tax Boundary, as the case may be, during the base year which shall be the calendar year immediately prior to the year in which the municipality adopted tax increment allocation financing. For purposes of computing the aggregate amount of such taxes for base years occurring prior to 1985, the
Department of Revenue shall determine the Initial Sales Tax Amounts for such taxes and deduct therefrom an amount equal to 4% of the aggregate amount of taxes per year for each year the base year is prior to 1985, but not to exceed a total deduction of 12%. The amount so determined shall be known as the "Adjusted Initial Sales Tax Amounts". For purposes of determining the Municipal Sales Tax Increment, the Department of Revenue shall for each period subtract from the amount paid to the municipality from the Local Government Tax Fund arising from sales by retailers and servicemen on transactions located in the redevelopment project area or the State Sales Tax Boundary, as the case may be, the certified Initial Sales Tax Amounts, the Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts for the Municipal Retailers' Occupation Tax Act and the Municipal Service Occupation Tax Act. For the State Fiscal Year 1989, this calculation shall be made by utilizing the calendar year 1987 to determine the tax amounts received. For the State Fiscal Year 1990, this calculation shall be made by utilizing the period from January 1, 1988, until September 30, 1988, to determine the tax amounts received from retailers and servicemen pursuant to the Municipal Retailers' Occupation Tax Act and the Municipal Service Occupation Tax Act, which shall have deducted therefrom nine-twelfths of the certified Initial Sales Tax Amounts, the Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts as appropriate. For the State Fiscal Year 1991,
this calculation shall be made by utilizing the period from October 1, 1988, to June 30, 1989, to determine the tax amounts received from retailers and servicemen pursuant to the Municipal Retailers' Occupation Tax and the Municipal Service Occupation Tax Act which shall have deducted therefrom nine-twelfths of the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts as appropriate. For every State Fiscal Year thereafter, the applicable period shall be the 12 months beginning July 1 and ending June 30 to determine the tax amounts received which shall have deducted therefrom the certified Initial Sales Tax Amounts, the Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts, as the case may be.

(i) "Net State Sales Tax Increment" means the sum of the following: (a) 80% of the first $100,000 of State Sales Tax Increment annually generated within a State Sales Tax Boundary; (b) 60% of the amount in excess of $100,000 but not exceeding $500,000 of State Sales Tax Increment annually generated within a State Sales Tax Boundary; and (c) 40% of all amounts in excess of $500,000 of State Sales Tax Increment annually generated within a State Sales Tax Boundary. If, however, a municipality established a tax increment financing district in a county with a population in excess of 3,000,000 before January 1, 1986, and the municipality entered into a contract or issued bonds after January 1, 1986, but before December 31,
1986, to finance redevelopment project costs within a State Sales Tax Boundary, then the Net State Sales Tax Increment means, for the fiscal years beginning July 1, 1990, and July 1, 1991, 100% of the State Sales Tax Increment annually generated within a State Sales Tax Boundary; and notwithstanding any other provision of this Act, for those fiscal years the Department of Revenue shall distribute to those municipalities 100% of their Net State Sales Tax Increment before any distribution to any other municipality and regardless of whether or not those other municipalities will receive 100% of their Net State Sales Tax Increment. For Fiscal Year 1999, and every year thereafter until the year 2007, for any municipality that has not entered into a contract or has not issued bonds prior to June 1, 1988 to finance redevelopment project costs within a State Sales Tax Boundary, the Net State Sales Tax Increment shall be calculated as follows: By multiplying the Net State Sales Tax Increment by 90% in the State Fiscal Year 1999; 80% in the State Fiscal Year 2000; 70% in the State Fiscal Year 2001; 60% in the State Fiscal Year 2002; 50% in the State Fiscal Year 2003; 40% in the State Fiscal Year 2004; 30% in the State Fiscal Year 2005; 20% in the State Fiscal Year 2006; and 10% in the State Fiscal Year 2007. No payment shall be made for State Fiscal Year 2008 and thereafter.

Municipalities that issued bonds in connection with a redevelopment project in a redevelopment project area within the State Sales Tax Boundary prior to July 29, 1991, or that
entered into contracts in connection with a redevelopment project in a redevelopment project area before June 1, 1988, shall continue to receive their proportional share of the Illinois Tax Increment Fund distribution until the date on which the redevelopment project is completed or terminated. If, however, a municipality that issued bonds in connection with a redevelopment project in a redevelopment project area within the State Sales Tax Boundary prior to July 29, 1991 retires the bonds prior to June 30, 2007 or a municipality that entered into contracts in connection with a redevelopment project in a redevelopment project area before June 1, 1988 completes the contracts prior to June 30, 2007, then so long as the redevelopment project is not completed or is not terminated, the Net State Sales Tax Increment shall be calculated, beginning on the date on which the bonds are retired or the contracts are completed, as follows: By multiplying the Net State Sales Tax Increment by 60% in the State Fiscal Year 2002; 50% in the State Fiscal Year 2003; 40% in the State Fiscal Year 2004; 30% in the State Fiscal Year 2005; 20% in the State Fiscal Year 2006; and 10% in the State Fiscal Year 2007. No payment shall be made for State Fiscal Year 2008 and thereafter. Refunding of any bonds issued prior to July 29, 1991, shall not alter the Net State Sales Tax Increment.

(j) "State Utility Tax Increment Amount" means an amount equal to the aggregate increase in State electric and gas tax charges imposed on owners and tenants, other than residential
customers, of properties located within the redevelopment project area under Section 9-222 of the Public Utilities Act, over and above the aggregate of such charges as certified by the Department of Revenue and paid by owners and tenants, other than residential customers, of properties within the redevelopment project area during the base year, which shall be the calendar year immediately prior to the year of the adoption of the ordinance authorizing tax increment allocation financing.

(k) "Net State Utility Tax Increment" means the sum of the following: (a) 80% of the first $100,000 of State Utility Tax Increment annually generated by a redevelopment project area; (b) 60% of the amount in excess of $100,000 but not exceeding $500,000 of the State Utility Tax Increment annually generated by a redevelopment project area; and (c) 40% of all amounts in excess of $500,000 of State Utility Tax Increment annually generated by a redevelopment project area. For the State Fiscal Year 1999, and every year thereafter until the year 2007, for any municipality that has not entered into a contract or has not issued bonds prior to June 1, 1988 to finance redevelopment project costs within a redevelopment project area, the Net State Utility Tax Increment shall be calculated as follows: By multiplying the Net State Utility Tax Increment by 90% in the State Fiscal Year 1999; 80% in the State Fiscal Year 2000; 70% in the State Fiscal Year 2001; 60% in the State Fiscal Year 2002; 50% in the State Fiscal Year 2003; 40% in the State Fiscal Year 2004.
Fiscal Year 2004; 30% in the State Fiscal Year 2005; 20% in the State Fiscal Year 2006; and 10% in the State Fiscal Year 2007. No payment shall be made for the State Fiscal Year 2008 and thereafter.

Municipalities that issue bonds in connection with the redevelopment project during the period from June 1, 1988 until 3 years after the effective date of this Amendatory Act of 1988 shall receive the Net State Utility Tax Increment, subject to appropriation, for 15 State Fiscal Years after the issuance of such bonds. For the 16th through the 20th State Fiscal Years after issuance of the bonds, the Net State Utility Tax Increment shall be calculated as follows: By multiplying the Net State Utility Tax Increment by 90% in year 16; 80% in year 17; 70% in year 18; 60% in year 19; and 50% in year 20. Refunding of any bonds issued prior to June 1, 1988, shall not alter the revised Net State Utility Tax Increment payments set forth above.

(l) "Obligations" mean bonds, loans, debentures, notes, special certificates or other evidence of indebtedness issued by the municipality to carry out a redevelopment project or to refund outstanding obligations.

(m) "Payment in lieu of taxes" means those estimated tax revenues from real property in a redevelopment project area derived from real property that has been acquired by a municipality which according to the redevelopment project or plan is to be used for a private use which taxing districts
would have received had a municipality not acquired the real property and adopted tax increment allocation financing and which would result from levies made after the time of the adoption of tax increment allocation financing to the time the current equalized value of real property in the redevelopment project area exceeds the total initial equalized value of real property in said area.

(n) "Redevelopment plan" means the comprehensive program of the municipality for development or redevelopment intended by the payment of redevelopment project costs to reduce or eliminate those conditions the existence of which qualified the redevelopment project area as a "blighted area" or "conservation area" or combination thereof or "industrial park conservation area," and thereby to enhance the tax bases of the taxing districts which extend into the redevelopment project area. On and after November 1, 1999 (the effective date of Public Act 91-478), no redevelopment plan may be approved or amended that includes the development of vacant land (i) with a golf course and related clubhouse and other facilities or (ii) designated by federal, State, county, or municipal government as public land for outdoor recreational activities or for nature preserves and used for that purpose within 5 years prior to the adoption of the redevelopment plan. For the purpose of this subsection, "recreational activities" is limited to mean camping and hunting. Each redevelopment plan shall set forth in writing the program to be undertaken to accomplish the
objectives and shall include but not be limited to:

(A) an itemized list of estimated redevelopment project costs;

(B) evidence indicating that the redevelopment project area on the whole has not been subject to growth and development through investment by private enterprise;

(C) an assessment of any financial impact of the redevelopment project area on or any increased demand for services from any taxing district affected by the plan and any program to address such financial impact or increased demand;

(D) the sources of funds to pay costs;

(E) the nature and term of the obligations to be issued;

(F) the most recent equalized assessed valuation of the redevelopment project area;

(G) an estimate as to the equalized assessed valuation after redevelopment and the general land uses to apply in the redevelopment project area;

(H) a commitment to fair employment practices and an affirmative action plan;

(I) if it concerns an industrial park conservation area, the plan shall also include a general description of any proposed developer, user and tenant of any property, a description of the type, structure and general character of the facilities to be developed, a description of the type,
class and number of new employees to be employed in the
operation of the facilities to be developed; and

(J) if property is to be annexed to the municipality,
the plan shall include the terms of the annexation
agreement.

The provisions of items (B) and (C) of this subsection (n)
shall not apply to a municipality that before March 14, 1994
(the effective date of Public Act 88-537) had fixed, either by
its corporate authorities or by a commission designated under
subsection (k) of Section 11-74.4-4, a time and place for a
public hearing as required by subsection (a) of Section
11-74.4-5. No redevelopment plan shall be adopted unless a
municipality complies with all of the following requirements:

(1) The municipality finds that the redevelopment
project area on the whole has not been subject to growth
and development through investment by private enterprise
and would not reasonably be anticipated to be developed
without the adoption of the redevelopment plan.

(2) The municipality finds that the redevelopment plan
and project conform to the comprehensive plan for the
development of the municipality as a whole, or, for
municipalities with a population of 100,000 or more,
regardless of when the redevelopment plan and project was
adopted, the redevelopment plan and project either: (i)
conforms to the strategic economic development or
redevelopment plan issued by the designated planning
authority of the municipality, or (ii) includes land uses that have been approved by the planning commission of the municipality.

(3) The redevelopment plan establishes the estimated dates of completion of the redevelopment project and retirement of obligations issued to finance redevelopment project costs. Those dates: shall not be later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 11-74.4-8 of this Act is to be made with respect to ad valorem taxes levied in the twenty-third calendar year after the year in which the ordinance approving the redevelopment project area is adopted if the ordinance was adopted on or after January 15, 1981; shall not be later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 11-74.4-8 of this Act is to be made with respect to ad valorem taxes levied in the thirty-third calendar year after the year in which the ordinance approving the redevelopment project area if the ordinance was adopted on May 20, 1985 by the Village of Wheeling; and shall not be later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 11-74.4-8 of this Act is to be made with respect to ad valorem taxes levied in the thirty-fifth calendar year after the year in which the ordinance approving the
redevelopment project area is adopted:

(B) if the ordinance was adopted in December 1983, April 1984, July 1985, or December 1989, or

The termination procedures of subsection (b) of Section 11-74.4-8 are not required for these redevelopment project areas in 2009 but are required in 2013. The extension allowed by this amendatory Act of 1993 shall not apply to real property tax increment allocation financing under Section 11-74.4-8.
A municipality may by municipal ordinance amend an existing redevelopment plan to conform to this paragraph (3) as amended by Public Act 91-478, which municipal ordinance may be adopted without further hearing or notice and without complying with the procedures provided in this Act pertaining to an amendment to or the initial approval of a redevelopment plan and project and designation of a redevelopment project area.

Those dates, for purposes of real property tax increment allocation financing pursuant to Section 11-74.4-8 only, shall be not more than 35 years for redevelopment project areas that were adopted on or after December 16, 1986 and for which at least $8 million worth of municipal bonds were authorized on or after December 19, 1989 but before January 1, 1990; provided that the municipality elects to extend the life of the redevelopment project area to 35 years by the adoption of an ordinance after at least 14 but not more than 30 days' written notice to the taxing bodies, that would otherwise constitute the joint review board for the redevelopment project area, before the adoption of the ordinance.

Those dates, for purposes of real property tax increment allocation financing pursuant to Section 11-74.4-8 only, shall be not more than 35 years for redevelopment project areas that were established on or after December 1, 1981 but before January 1, 1982 and for
which at least $1,500,000 worth of tax increment revenue bonds were authorized on or after September 30, 1990 but before July 1, 1991; provided that the municipality elects to extend the life of the redevelopment project area to 35 years by the adoption of an ordinance after at least 14 but not more than 30 days' written notice to the taxing bodies, that would otherwise constitute the joint review board for the redevelopment project area, before the adoption of the ordinance.

(3.5) The municipality finds, in the case of an industrial park conservation area, also that the municipality is a labor surplus municipality and that the implementation of the redevelopment plan will reduce unemployment, create new jobs and by the provision of new facilities enhance the tax base of the taxing districts that extend into the redevelopment project area.

(4) If any incremental revenues are being utilized under Section 8(a)(1) or 8(a)(2) of this Act in redevelopment project areas approved by ordinance after January 1, 1986, the municipality finds: (a) that the redevelopment project area would not reasonably be developed without the use of such incremental revenues, and (b) that such incremental revenues will be exclusively utilized for the development of the redevelopment project area.

(5) If the redevelopment plan will not result in
displacement of residents from 10 or more inhabited residential units, and the municipality certifies in the plan that such displacement will not result from the plan, a housing impact study need not be performed. If, however, the redevelopment plan would result in the displacement of residents from 10 or more inhabited residential units, or if the redevelopment project area contains 75 or more inhabited residential units and no certification is made, then the municipality shall prepare, as part of the separate feasibility report required by subsection (a) of Section 11-74.4-5, a housing impact study.

Part I of the housing impact study shall include (i) data as to whether the residential units are single family or multi-family units, (ii) the number and type of rooms within the units, if that information is available, (iii) whether the units are inhabited or uninhabited, as determined not less than 45 days before the date that the ordinance or resolution required by subsection (a) of Section 11-74.4-5 is passed, and (iv) data as to the racial and ethnic composition of the residents in the inhabited residential units. The data requirement as to the racial and ethnic composition of the residents in the inhabited residential units shall be deemed to be fully satisfied by data from the most recent federal census.

Part II of the housing impact study shall identify the inhabited residential units in the proposed redevelopment
project area that are to be or may be removed. If inhabited residential units are to be removed, then the housing impact study shall identify (i) the number and location of those units that will or may be removed, (ii) the municipality's plans for relocation assistance for those residents in the proposed redevelopment project area whose residences are to be removed, (iii) the availability of replacement housing for those residents whose residences are to be removed, and shall identify the type, location, and cost of the housing, and (iv) the type and extent of relocation assistance to be provided.

(6) On and after November 1, 1999, the housing impact study required by paragraph (5) shall be incorporated in the redevelopment plan for the redevelopment project area.

(7) On and after November 1, 1999, no redevelopment plan shall be adopted, nor an existing plan amended, nor shall residential housing that is occupied by households of low-income and very low-income persons in currently existing redevelopment project areas be removed after November 1, 1999 unless the redevelopment plan provides, with respect to inhabited housing units that are to be removed for households of low-income and very low-income persons, affordable housing and relocation assistance not less than that which would be provided under the federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and the regulations under
that Act, including the eligibility criteria. Affordable housing may be either existing or newly constructed housing. For purposes of this paragraph (7), "low-income households", "very low-income households", and "affordable housing" have the meanings set forth in the Illinois Affordable Housing Act. The municipality shall make a good faith effort to ensure that this affordable housing is located in or near the redevelopment project area within the municipality.

(8) On and after November 1, 1999, if, after the adoption of the redevelopment plan for the redevelopment project area, any municipality desires to amend its redevelopment plan to remove more inhabited residential units than specified in its original redevelopment plan, that change shall be made in accordance with the procedures in subsection (c) of Section 11-74.4-5.

(9) For redevelopment project areas designated prior to November 1, 1999, the redevelopment plan may be amended without further joint review board meeting or hearing, provided that the municipality shall give notice of any such changes by mail to each affected taxing district and registrant on the interested party registry, to authorize the municipality to expend tax increment revenues for redevelopment project costs defined by paragraphs (5) and (7.5), subparagraphs (E) and (F) of paragraph (11), and paragraph (11.5) of subsection (q) of Section 11-74.4-3, so
long as the changes do not increase the total estimated redevelopment project costs set out in the redevelopment plan by more than 5% after adjustment for inflation from the date the plan was adopted.

(o) "Redevelopment project" means any public and private development project in furtherance of the objectives of a redevelopment plan. On and after November 1, 1999 (the effective date of Public Act 91-478), no redevelopment plan may be approved or amended that includes the development of vacant land (i) with a golf course and related clubhouse and other facilities or (ii) designated by federal, State, county, or municipal government as public land for outdoor recreational activities or for nature preserves and used for that purpose within 5 years prior to the adoption of the redevelopment plan. For the purpose of this subsection, "recreational activities" is limited to mean camping and hunting.

(p) "Redevelopment project area" means an area designated by the municipality, which is not less in the aggregate than 1 1/2 acres and in respect to which the municipality has made a finding that there exist conditions which cause the area to be classified as an industrial park conservation area or a blighted area or a conservation area, or a combination of both blighted areas and conservation areas.

(q) "Redevelopment project costs" mean and include the sum total of all reasonable or necessary costs incurred or estimated to be incurred, and any such costs incidental to a
redevelopment plan and a redevelopment project. Such costs include, without limitation, the following:

(1) Costs of studies, surveys, development of plans, and specifications, implementation and administration of the redevelopment plan including but not limited to staff and professional service costs for architectural, engineering, legal, financial, planning or other services, provided however that no charges for professional services may be based on a percentage of the tax increment collected; except that on and after November 1, 1999 (the effective date of Public Act 91-478), no contracts for professional services, excluding architectural and engineering services, may be entered into if the terms of the contract extend beyond a period of 3 years. In addition, "redevelopment project costs" shall not include lobbying expenses. After consultation with the municipality, each tax increment consultant or advisor to a municipality that plans to designate or has designated a redevelopment project area shall inform the municipality in writing of any contracts that the consultant or advisor has entered into with entities or individuals that have received, or are receiving, payments financed by tax increment revenues produced by the redevelopment project area with respect to which the consultant or advisor has performed, or will be performing, service for the municipality. This requirement shall be satisfied by the
consultant or advisor before the commencement of services for the municipality and thereafter whenever any other contracts with those individuals or entities are executed by the consultant or advisor;

(1.5) After July 1, 1999, annual administrative costs shall not include general overhead or administrative costs of the municipality that would still have been incurred by the municipality if the municipality had not designated a redevelopment project area or approved a redevelopment plan;

(1.6) The cost of marketing sites within the redevelopment project area to prospective businesses, developers, and investors;

(2) Property assembly costs, including but not limited to acquisition of land and other property, real or personal, or rights or interests therein, demolition of buildings, site preparation, site improvements that serve as an engineered barrier addressing ground level or below ground environmental contamination, including, but not limited to parking lots and other concrete or asphalt barriers, and the clearing and grading of land;

(3) Costs of rehabilitation, reconstruction or repair or remodeling of existing public or private buildings, fixtures, and leasehold improvements; and the cost of replacing an existing public building if pursuant to the implementation of a redevelopment project the existing
public building is to be demolished to use the site for private investment or devoted to a different use requiring private investment;

(4) Costs of the construction of public works or improvements, except that on and after November 1, 1999, redevelopment project costs shall not include the cost of constructing a new municipal public building principally used to provide offices, storage space, or conference facilities or vehicle storage, maintenance, or repair for administrative, public safety, or public works personnel and that is not intended to replace an existing public building as provided under paragraph (3) of subsection (q) of Section 11-74.4-3 unless either (i) the construction of the new municipal building implements a redevelopment project that was included in a redevelopment plan that was adopted by the municipality prior to November 1, 1999 or (ii) the municipality makes a reasonable determination in the redevelopment plan, supported by information that provides the basis for that determination, that the new municipal building is required to meet an increase in the need for public safety purposes anticipated to result from the implementation of the redevelopment plan;

(5) Costs of job training and retraining projects, including the cost of "welfare to work" programs implemented by businesses located within the redevelopment project area;
(6) Financing costs, including but not limited to all necessary and incidental expenses related to the issuance of obligations and which may include payment of interest on any obligations issued hereunder including interest accruing during the estimated period of construction of any redevelopment project for which such obligations are issued and for not exceeding 36 months thereafter and including reasonable reserves related thereto;

(7) To the extent the municipality by written agreement accepts and approves the same, all or a portion of a taxing district's capital costs resulting from the redevelopment project necessarily incurred or to be incurred within a taxing district in furtherance of the objectives of the redevelopment plan and project.

(7.5) For redevelopment project areas designated (or redevelopment project areas amended to add or increase the number of tax-increment-financing assisted housing units) on or after November 1, 1999, an elementary, secondary, or unit school district's increased costs attributable to assisted housing units located within the redevelopment project area for which the developer or redeveloper receives financial assistance through an agreement with the municipality or because the municipality incurs the cost of necessary infrastructure improvements within the boundaries of the assisted housing sites necessary for the completion of that housing as authorized by this Act, and
which costs shall be paid by the municipality from the Special Tax Allocation Fund when the tax increment revenue is received as a result of the assisted housing units and shall be calculated annually as follows:

(A) for foundation districts, excluding any school district in a municipality with a population in excess of 1,000,000, by multiplying the district's increase in attendance resulting from the net increase in new students enrolled in that school district who reside in housing units within the redevelopment project area that have received financial assistance through an agreement with the municipality or because the municipality incurs the cost of necessary infrastructure improvements within the boundaries of the housing sites necessary for the completion of that housing as authorized by this Act since the designation of the redevelopment project area by the most recently available per capita tuition cost as defined in Section 10-20.12a of the School Code less any increase in general State aid as defined in Section 18-8.05 of the School Code attributable to these added new students subject to the following annual limitations:

(i) for unit school districts with a district average 1995-96 Per Capita Tuition Charge of less than $5,900, no more than 25% of the total amount of property tax increment revenue produced by
those housing units that have received tax increment finance assistance under this Act;

(ii) for elementary school districts with a district average 1995-96 Per Capita Tuition Charge of less than $5,900, no more than 17% of the total amount of property tax increment revenue produced by those housing units that have received tax increment finance assistance under this Act; and

(iii) for secondary school districts with a district average 1995-96 Per Capita Tuition Charge of less than $5,900, no more than 8% of the total amount of property tax increment revenue produced by those housing units that have received tax increment finance assistance under this Act.

(B) For alternate method districts, flat grant districts, and foundation districts with a district average 1995-96 Per Capita Tuition Charge equal to or more than $5,900, excluding any school district with a population in excess of 1,000,000, by multiplying the district's increase in attendance resulting from the net increase in new students enrolled in that school district who reside in housing units within the redevelopment project area that have received financial assistance through an agreement with the municipality or because the municipality incurs the cost of necessary infrastructure improvements within
the boundaries of the housing sites necessary for the
completion of that housing as authorized by this Act
since the designation of the redevelopment project
area by the most recently available per capita tuition
cost as defined in Section 10-20.12a of the School Code
less any increase in general state aid as defined in
Section 18-8.05 of the School Code attributable to
these added new students subject to the following
annual limitations:

(i) for unit school districts, no more than 40%
of the total amount of property tax increment
revenue produced by those housing units that have
received tax increment finance assistance under
this Act;

(ii) for elementary school districts, no more
than 27% of the total amount of property tax
increment revenue produced by those housing units
that have received tax increment finance
assistance under this Act; and

(iii) for secondary school districts, no more
than 13% of the total amount of property tax
increment revenue produced by those housing units
that have received tax increment finance
assistance under this Act.

(C) For any school district in a municipality with
a population in excess of 1,000,000, the following
restrictions shall apply to the reimbursement of increased costs under this paragraph (7.5):

(i) no increased costs shall be reimbursed unless the school district certifies that each of the schools affected by the assisted housing project is at or over its student capacity;

(ii) the amount reimbursable shall be reduced by the value of any land donated to the school district by the municipality or developer, and by the value of any physical improvements made to the schools by the municipality or developer; and

(iii) the amount reimbursed may not affect amounts otherwise obligated by the terms of any bonds, notes, or other funding instruments, or the terms of any redevelopment agreement.

Any school district seeking payment under this paragraph (7.5) shall, after July 1 and before September 30 of each year, provide the municipality with reasonable evidence to support its claim for reimbursement before the municipality shall be required to approve or make the payment to the school district. If the school district fails to provide the information during this period in any year, it shall forfeit any claim to reimbursement for that year. School districts may adopt a resolution waiving the right to all or a portion of the reimbursement
otherwise required by this paragraph (7.5). By acceptance of this reimbursement the school district waives the right to directly or indirectly set aside, modify, or contest in any manner the establishment of the redevelopment project area or projects;

(7.7) For redevelopment project areas designated (or redevelopment project areas amended to add or increase the number of tax-increment-financing assisted housing units) on or after January 1, 2005 (the effective date of Public Act 93-961), a public library district's increased costs attributable to assisted housing units located within the redevelopment project area for which the developer or redeveloper receives financial assistance through an agreement with the municipality or because the municipality incurs the cost of necessary infrastructure improvements within the boundaries of the assisted housing sites necessary for the completion of that housing as authorized by this Act shall be paid to the library district by the municipality from the Special Tax Allocation Fund when the tax increment revenue is received as a result of the assisted housing units. This paragraph (7.7) applies only if (i) the library district is located in a county that is subject to the Property Tax Extension Limitation Law or (ii) the library district is not located in a county that is subject to the Property Tax Extension Limitation Law but the district is prohibited by any other
law from increasing its tax levy rate without a prior voter referendum.

The amount paid to a library district under this paragraph (7.7) shall be calculated by multiplying (i) the net increase in the number of persons eligible to obtain a library card in that district who reside in housing units within the redevelopment project area that have received financial assistance through an agreement with the municipality or because the municipality incurs the cost of necessary infrastructure improvements within the boundaries of the housing sites necessary for the completion of that housing as authorized by this Act since the designation of the redevelopment project area by (ii) the per-patron cost of providing library services so long as it does not exceed $120. The per-patron cost shall be the Total Operating Expenditures Per Capita as stated in the most recent Illinois Public Library Statistics produced by the Library Research Center at the University of Illinois. The municipality may deduct from the amount that it must pay to a library district under this paragraph any amount that it has voluntarily paid to the library district from the tax increment revenue. The amount paid to a library district under this paragraph (7.7) shall be no more than 2% of the amount produced by the assisted housing units and deposited into the Special Tax Allocation Fund.

A library district is not eligible for any payment
under this paragraph (7.7) unless the library district has experienced an increase in the number of patrons from the municipality that created the tax-increment-financing district since the designation of the redevelopment project area.

Any library district seeking payment under this paragraph (7.7) shall, after July 1 and before September 30 of each year, provide the municipality with convincing evidence to support its claim for reimbursement before the municipality shall be required to approve or make the payment to the library district. If the library district fails to provide the information during this period in any year, it shall forfeit any claim to reimbursement for that year. Library districts may adopt a resolution waiving the right to all or a portion of the reimbursement otherwise required by this paragraph (7.7). By acceptance of such reimbursement, the library district shall forfeit any right to directly or indirectly set aside, modify, or contest in any manner whatsoever the establishment of the redevelopment project area or projects;

(8) Relocation costs to the extent that a municipality determines that relocation costs shall be paid or is required to make payment of relocation costs by federal or State law or in order to satisfy subparagraph (7) of subsection (n);

(9) Payment in lieu of taxes;
(10) Costs of job training, retraining, advanced vocational education or career education, including but not limited to courses in occupational, semi-technical or technical fields leading directly to employment, incurred by one or more taxing districts, provided that such costs (i) are related to the establishment and maintenance of additional job training, advanced vocational education or career education programs for persons employed or to be employed by employers located in a redevelopment project area; and (ii) when incurred by a taxing district or taxing districts other than the municipality, are set forth in a written agreement by or among the municipality and the taxing district or taxing districts, which agreement describes the program to be undertaken, including but not limited to the number of employees to be trained, a description of the training and services to be provided, the number and type of positions available or to be available, itemized costs of the program and sources of funds to pay for the same, and the term of the agreement. Such costs include, specifically, the payment by community college districts of costs pursuant to Sections 3-37, 3-38, 3-40 and 3-40.1 of the Public Community College Act and by school districts of costs pursuant to Sections 10-22.20a and 10-23.3a of The School Code;

(11) Interest cost incurred by a redeveloper related to the construction, renovation or rehabilitation of a
redevelopment project provided that:

(A) such costs are to be paid directly from the special tax allocation fund established pursuant to this Act;

(B) such payments in any one year may not exceed 30% of the annual interest costs incurred by the redeveloper with regard to the redevelopment project during that year;

(C) if there are not sufficient funds available in the special tax allocation fund to make the payment pursuant to this paragraph (11) then the amounts so due shall accrue and be payable when sufficient funds are available in the special tax allocation fund;

(D) the total of such interest payments paid pursuant to this Act may not exceed 30% of the total (i) cost paid or incurred by the redeveloper for the redevelopment project plus (ii) redevelopment project costs excluding any property assembly costs and any relocation costs incurred by a municipality pursuant to this Act; and

(E) the cost limits set forth in subparagraphs (B) and (D) of paragraph (11) shall be modified for the financing of rehabilitated or new housing units for low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act. The percentage of 75% shall be substituted
for 30% in subparagraphs (B) and (D) of paragraph (11).

(F) Instead of the eligible costs provided by subparagraphs (B) and (D) of paragraph (11), as modified by this subparagraph, and notwithstanding any other provisions of this Act to the contrary, the municipality may pay from tax increment revenues up to 50% of the cost of construction of new housing units to be occupied by low-income households and very low-income households as defined in Section 3 of the Illinois Affordable Housing Act. The cost of construction of those units may be derived from the proceeds of bonds issued by the municipality under this Act or other constitutional or statutory authority or from other sources of municipal revenue that may be reimbursed from tax increment revenues or the proceeds of bonds issued to finance the construction of that housing.

The eligible costs provided under this subparagraph (F) of paragraph (11) shall be an eligible cost for the construction, renovation, and rehabilitation of all low and very low-income housing units, as defined in Section 3 of the Illinois Affordable Housing Act, within the redevelopment project area. If the low and very low-income units are part of a residential redevelopment project that includes units not affordable to low and very
low-income households, only the low and very low-income units shall be eligible for benefits under subparagraph (F) of paragraph (11). The standards for maintaining the occupancy by low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act, of those units constructed with eligible costs made available under the provisions of this subparagraph (F) of paragraph (11) shall be established by guidelines adopted by the municipality. The responsibility for annually documenting the initial occupancy of the units by low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act, shall be that of the then current owner of the property. For ownership units, the guidelines will provide, at a minimum, for a reasonable recapture of funds, or other appropriate methods designed to preserve the original affordability of the ownership units. For rental units, the guidelines will provide, at a minimum, for the affordability of rent to low and very low-income households. As units become available, they shall be rented to income-eligible tenants. The municipality may modify these guidelines from time to time; the guidelines, however, shall be in effect for as long as tax increment revenue is being used to pay for costs associated with the units or for the
retirement of bonds issued to finance the units or for the life of the redevelopment project area, whichever is later.

(11.5) If the redevelopment project area is located within a municipality with a population of more than 100,000, the cost of day care services for children of employees from low-income families working for businesses located within the redevelopment project area and all or a portion of the cost of operation of day care centers established by redevelopment project area businesses to serve employees from low-income families working in businesses located in the redevelopment project area. For the purposes of this paragraph, "low-income families" means families whose annual income does not exceed 80% of the municipal, county, or regional median income, adjusted for family size, as the annual income and municipal, county, or regional median income are determined from time to time by the United States Department of Housing and Urban Development.

(12) Unless explicitly stated herein the cost of construction of new privately-owned buildings shall not be an eligible redevelopment project cost.

(13) After November 1, 1999 (the effective date of Public Act 91-478), none of the redevelopment project costs enumerated in this subsection shall be eligible redevelopment project costs if those costs would provide
direct financial support to a retail entity initiating operations in the redevelopment project area while terminating operations at another Illinois location within 10 miles of the redevelopment project area but outside the boundaries of the redevelopment project area municipality. For purposes of this paragraph, termination means a closing of a retail operation that is directly related to the opening of the same operation or like retail entity owned or operated by more than 50% of the original ownership in a redevelopment project area, but it does not mean closing an operation for reasons beyond the control of the retail entity, as documented by the retail entity, subject to a reasonable finding by the municipality that the current location contained inadequate space, had become economically obsolete, or was no longer a viable location for the retailer or serviceman.

If a special service area has been established pursuant to the Special Service Area Tax Act or Special Service Area Tax Law, then any tax increment revenues derived from the tax imposed pursuant to the Special Service Area Tax Act or Special Service Area Tax Law may be used within the redevelopment project area for the purposes permitted by that Act or Law as well as the purposes permitted by this Act.

(r) "State Sales Tax Boundary" means the redevelopment project area or the amended redevelopment project area boundaries which are determined pursuant to subsection (9) of
Section 11-74.4-8a of this Act. The Department of Revenue shall certify pursuant to subsection (9) of Section 11-74.4-8a the appropriate boundaries eligible for the determination of State Sales Tax Increment.

(s) "State Sales Tax Increment" means an amount equal to the increase in the aggregate amount of taxes paid by retailers and servicemen, other than retailers and servicemen subject to the Public Utilities Act, on transactions at places of business located within a State Sales Tax Boundary pursuant to the Retailers' Occupation Tax Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act, except such portion of such increase that is paid into the State and Local Sales Tax Reform Fund, the Local Government Distributive Fund, the Local Government Tax Fund and the County and Mass Transit District Fund, for as long as State participation exists, over and above the Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts for such taxes as certified by the Department of Revenue and paid under those Acts by retailers and servicemen on transactions at places of business located within the State Sales Tax Boundary during the base year which shall be the calendar year immediately prior to the year in which the municipality adopted tax increment allocation financing, less 3.0% of such amounts generated under the Retailers' Occupation Tax Act, Use Tax Act and Service Use Tax Act and the Service Occupation Tax Act, which sum shall be appropriated to the Department of Revenue to
cover its costs of administering and enforcing this Section. For purposes of computing the aggregate amount of such taxes for base years occurring prior to 1985, the Department of Revenue shall compute the Initial Sales Tax Amount for such taxes and deduct therefrom an amount equal to 4% of the aggregate amount of taxes per year for each year the base year is prior to 1985, but not to exceed a total deduction of 12%. The amount so determined shall be known as the "Adjusted Initial Sales Tax Amount". For purposes of determining the State Sales Tax Increment the Department of Revenue shall for each period subtract from the tax amounts received from retailers and servicemen on transactions located in the State Sales Tax Boundary, the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or Revised Initial Sales Tax Amounts for the Retailers' Occupation Tax Act, the Use Tax Act, the Service Use Tax Act and the Service Occupation Tax Act. For the State Fiscal Year 1989 this calculation shall be made by utilizing the calendar year 1987 to determine the tax amounts received. For the State Fiscal Year 1990, this calculation shall be made by utilizing the period from January 1, 1988, until September 30, 1988, to determine the tax amounts received from retailers and servicemen, which shall have deducted therefrom nine-twelfths of the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts as appropriate. For the State Fiscal Year 1991, this calculation shall be made by utilizing the
period from October 1, 1988, until June 30, 1989, to determine the tax amounts received from retailers and servicemen, which shall have deducted therefrom nine-twelfths of the certified Initial State Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts as appropriate. For every State Fiscal Year thereafter, the applicable period shall be the 12 months beginning July 1 and ending on June 30, to determine the tax amounts received which shall have deducted therefrom the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts. Municipalities intending to receive a distribution of State Sales Tax Increment must report a list of retailers to the Department of Revenue by October 31, 1988 and by July 31, of each year thereafter.

(t) "Taxing districts" means counties, townships, cities and incorporated towns and villages, school, road, park, sanitary, mosquito abatement, forest preserve, public health, fire protection, river conservancy, tuberculosis sanitarium and any other municipal corporations or districts with the power to levy taxes.

(u) "Taxing districts' capital costs" means those costs of taxing districts for capital improvements that are found by the municipal corporate authorities to be necessary and directly result from the redevelopment project.

(v) As used in subsection (a) of Section 11-74.4-3 of this Act, "vacant land" means any parcel or combination of parcels...
of real property without industrial, commercial, and residential buildings which has not been used for commercial agricultural purposes within 5 years prior to the designation of the redevelopment project area, unless the parcel is included in an industrial park conservation area or the parcel has been subdivided; provided that if the parcel was part of a larger tract that has been divided into 3 or more smaller tracts that were accepted for recording during the period from 1950 to 1990, then the parcel shall be deemed to have been subdivided, and all proceedings and actions of the municipality taken in that connection with respect to any previously approved or designated redevelopment project area or amended redevelopment project area are hereby validated and hereby declared to be legally sufficient for all purposes of this Act. For purposes of this Section and only for land subject to the subdivision requirements of the Plat Act, land is subdivided when the original plat of the proposed Redevelopment Project Area or relevant portion thereof has been properly certified, acknowledged, approved, and recorded or filed in accordance with the Plat Act and a preliminary plat, if any, for any subsequent phases of the proposed Redevelopment Project Area or relevant portion thereof has been properly approved and filed in accordance with the applicable ordinance of the municipality.

(w) "Annual Total Increment" means the sum of each municipality's annual Net Sales Tax Increment and each
municipality's annual Net Utility Tax Increment. The ratio of the Annual Total Increment of each municipality to the Annual Total Increment for all municipalities, as most recently calculated by the Department, shall determine the proportional shares of the Illinois Tax Increment Fund to be distributed to each municipality.

(65 ILCS 5/11-74.4-7) (from Ch. 24, par. 11-74.4-7)

Sec. 11-74.4-7. Obligations secured by the special tax allocation fund set forth in Section 11-74.4-8 for the redevelopment project area may be issued to provide for redevelopment project costs. Such obligations, when so issued, shall be retired in the manner provided in the ordinance authorizing the issuance of such obligations by the receipts of taxes levied as specified in Section 11-74.4-9 against the taxable property included in the area, by revenues as specified by Section 11-74.4-8a and other revenue designated by the
municipality. A municipality may in the ordinance pledge all or any part of the funds in and to be deposited in the special tax allocation fund created pursuant to Section 11-74.4-8 to the payment of the redevelopment project costs and obligations. Any pledge of funds in the special tax allocation fund shall provide for distribution to the taxing districts and to the Illinois Department of Revenue of moneys not required, pledged, earmarked, or otherwise designated for payment and securing of the obligations and anticipated redevelopment project costs and such excess funds shall be calculated annually and deemed to be "surplus" funds. In the event a municipality only applies or pledges a portion of the funds in the special tax allocation fund for the payment or securing of anticipated redevelopment project costs or of obligations, any such funds remaining in the special tax allocation fund after complying with the requirements of the application or pledge, shall also be calculated annually and deemed "surplus" funds. All surplus funds in the special tax allocation fund shall be distributed annually within 180 days after the close of the municipality's fiscal year by being paid by the municipal treasurer to the County Collector, to the Department of Revenue and to the municipality in direct proportion to the tax incremental revenue received as a result of an increase in the equalized assessed value of property in the redevelopment project area, tax incremental revenue received from the State and tax incremental revenue received from the municipality, but not to
exceed as to each such source the total incremental revenue received from that source. The County Collector shall thereafter make distribution to the respective taxing districts in the same manner and proportion as the most recent distribution by the county collector to the affected districts of real property taxes from real property in the redevelopment project area.

Without limiting the foregoing in this Section, the municipality may in addition to obligations secured by the special tax allocation fund pledge for a period not greater than the term of the obligations towards payment of such obligations any part or any combination of the following: (a) net revenues of all or part of any redevelopment project; (b) taxes levied and collected on any or all property in the municipality; (c) the full faith and credit of the municipality; (d) a mortgage on part or all of the redevelopment project; or (e) any other taxes or anticipated receipts that the municipality may lawfully pledge.

Such obligations may be issued in one or more series bearing interest at such rate or rates as the corporate authorities of the municipality shall determine by ordinance. Such obligations shall bear such date or dates, mature at such time or times not exceeding 20 years from their respective dates, be in such denomination, carry such registration privileges, be executed in such manner, be payable in such medium of payment at such place or places, contain such
covenants, terms and conditions, and be subject to redemption as such ordinance shall provide. Obligations issued pursuant to this Act may be sold at public or private sale at such price as shall be determined by the corporate authorities of the municipalities. No referendum approval of the electors shall be required as a condition to the issuance of obligations pursuant to this Division except as provided in this Section.

In the event the municipality authorizes issuance of obligations pursuant to the authority of this Division secured by the full faith and credit of the municipality, which obligations are other than obligations which may be issued under home rule powers provided by Article VII, Section 6 of the Illinois Constitution, or pledges taxes pursuant to (b) or (c) of the second paragraph of this section, the ordinance authorizing the issuance of such obligations or pledging such taxes shall be published within 10 days after such ordinance has been passed in one or more newspapers, with general circulation within such municipality. The publication of the ordinance shall be accompanied by a notice of (1) the specific number of voters required to sign a petition requesting the question of the issuance of such obligations or pledging taxes to be submitted to the electors; (2) the time in which such petition must be filed; and (3) the date of the prospective referendum. The municipal clerk shall provide a petition form to any individual requesting one.

If no petition is filed with the municipal clerk, as
hereinafter provided in this Section, within 30 days after the publication of the ordinance, the ordinance shall be in effect. But, if within that 30 day period a petition is filed with the municipal clerk, signed by electors in the municipality numbering 10% or more of the number of registered voters in the municipality, asking that the question of issuing obligations using full faith and credit of the municipality as security for the cost of paying for redevelopment project costs, or of pledging taxes for the payment of such obligations, or both, be submitted to the electors of the municipality, the corporate authorities of the municipality shall call a special election in the manner provided by law to vote upon that question, or, if a general, State or municipal election is to be held within a period of not less than 30 or more than 90 days from the date such petition is filed, shall submit the question at the next general, State or municipal election. If it appears upon the canvass of the election by the corporate authorities that a majority of electors voting upon the question voted in favor thereof, the ordinance shall be in effect, but if a majority of the electors voting upon the question are not in favor thereof, the ordinance shall not take effect.

The ordinance authorizing the obligations may provide that the obligations shall contain a recital that they are issued pursuant to this Division, which recital shall be conclusive evidence of their validity and of the regularity of their issuance.
In the event the municipality authorizes issuance of obligations pursuant to this Section secured by the full faith and credit of the municipality, the ordinance authorizing the obligations may provide for the levy and collection of a direct annual tax upon all taxable property within the municipality sufficient to pay the principal thereof and interest thereon as it matures, which levy may be in addition to and exclusive of the maximum of all other taxes authorized to be levied by the municipality, which levy, however, shall be abated to the extent that monies from other sources are available for payment of the obligations and the municipality certifies the amount of said monies available to the county clerk.

A certified copy of such ordinance shall be filed with the county clerk of each county in which any portion of the municipality is situated, and shall constitute the authority for the extension and collection of the taxes to be deposited in the special tax allocation fund.

A municipality may also issue its obligations to refund in whole or in part, obligations theretofore issued by such municipality under the authority of this Act, whether at or prior to maturity, provided however, that the last maturity of the refunding obligations shall not be expressed to mature later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 11-74.4-8 of this Act is to be made with respect to ad valorem taxes levied in the twenty-third calendar year after the year
in which the ordinance approving the redevelopment project area is adopted if the ordinance was adopted on or after January 15, 1981, not later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 11-74.4-8 of this Act is to be made with respect to ad valorem taxes levied in the thirty-third calendar year after the year in which the ordinance approving the redevelopment project area is adopted if the ordinance was adopted on May 20, 1985 by the Village of Wheeling, and not later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 11-74.4-8 of this Act is to be made with respect to ad valorem taxes levied in the thirty-fifth calendar year after the year in which the ordinance approving the redevelopment project area is adopted (A) if the ordinance was adopted before January 15, 1981, or (B) if the ordinance was adopted in December 1983, April 1984, July 1985, or December 1989, or (C) if the ordinance was adopted in December, 1987 and the redevelopment project is located within one mile of Midway Airport, or (D) if the ordinance was adopted before January 1, 1987 by a municipality in Mason County, or (E) if the municipality is subject to the Local Government Financial Planning and Supervision Act or the Financially Distressed City Law, or (F) if the ordinance was adopted in December 1984 by the Village of Rosemont, or (G) if the ordinance was adopted on December 31, 1986 by a municipality located in Clinton County for which at least
$250,000 of tax increment bonds were authorized on June 17, 1997, or if the ordinance was adopted on December 31, 1986 by a municipality with a population in 1990 of less than 3,600 that is located in a county with a population in 1990 of less than 34,000 and for which at least $250,000 of tax increment bonds were authorized on June 17, 1997, or (H) if the ordinance was adopted on October 5, 1982 by the City of Kankakee, or (I) if the ordinance was adopted on December 29, 1986 by East St. Louis, or if the ordinance was adopted on November 12, 1991 by the Village of Sauget, or (J) if the ordinance was adopted on February 11, 1985 by the City of Rock Island, or (K) if the ordinance was adopted before December 18, 1986 by the City of Moline, or (L) if the ordinance was adopted in September 1988 by Sauk Village, or (M) if the ordinance was adopted in October 1993 by Sauk Village, or (N) if the ordinance was adopted on December 29, 1986 by the City of Galva, or (O) if the ordinance was adopted in March 1991 by the City of Centreville, or (P) if the ordinance was adopted on January 23, 1991 by the City of East St. Louis, or (Q) if the ordinance was adopted on December 22, 1986 by the City of Aledo, or (R) if the ordinance was adopted on February 5, 1990 by the City of Clinton, or (S) if the ordinance was adopted on September 6, 1994 by the City of Freeport, or (T) if the ordinance was adopted on December 22, 1986 by the City of Tuscola, or (U) if the ordinance was adopted on December 23, 1986 by the City of Sparta, or (V) if the ordinance was adopted on December 23, 1986 by the City of

(4) The State Superintendent of Education shall approve or deny the report including recommendations to effectuate compliance with the code and, if approved, issue a certificate of approval.

(5) Upon receipt of the certificate of approval, the Regional Superintendent shall issue an order to effect any
approved recommendations included in the report. The report shall meet all of the following requirements:

(A) Items in the report shall be prioritized.

(B) Urgent items shall be considered as those items related to life safety problems that present an immediate hazard to the safety of students.

(C) Required items shall be considered as those items that are necessary for a safe environment but present less of an immediate hazard to the safety of students.

(e) The "Health/Life Safety Code for Public Schools" shall be the governing code for public schools; however, the provisions of this Section shall not preclude inspection of school premises and buildings pursuant to Section 9 of the Fire Investigation Act, provided that the provisions of the "Health/Life Safety Code for Public Schools", or such predecessor document authorized by this Section as may be applicable are used, and provided that those inspections are coordinated with the Regional Superintendent having jurisdiction over the public school facility.

Upon the adoption and passage of the resolution and the election or appointment by the school board of its own school treasurer: (1) the trustees of schools in the township or townships shall no longer have or exercise any powers or duties with respect to the school district or with respect to the school business, operations, or assets of the school district; (2) all books and records of the trustees of schools and all moneys, securities, loanable funds, and other assets relating to the school business and affairs of the school district shall be transferred and delivered to the school board; and (3) all legal title to and all right, title, and interest formerly held by the trustees of schools in any

(c) Notwithstanding the provisions of subsection (a), the offices of township treasurer and trustee of schools of any township located in a Class II county school unit shall be abolished as provided in this subsection if all of the following conditions are met:

(1) During the same 30 day period, each school board of each elementary and unit school district that is subject to the jurisdiction and authority of the township treasurer and trustees of schools of the township in which those offices are sought to be abolished gives written notice by certified mail, return receipt requested to the township treasurer and trustees of schools of that township of the date of a meeting of the school board, to be held not more than 90 nor less than 60 days after the date when the notice is given, at which meeting the school board is to consider and vote upon the question of whether there shall be submitted to the electors of the school district a proposition to abolish the offices of township treasurer and trustee of schools of that township. None of the notices given under this paragraph to the township
treasurer and trustees of schools of a township shall be deemed sufficient or in compliance with the requirements of this paragraph unless all of those notices are given within the same 30 day period.

(2) Each school board of each elementary and unit school district that is subject to the jurisdiction and authority of the township treasurer and trustees of schools of the township in which those offices are sought to be abolished, by the affirmative vote of at least 5 members of the school board at a school board meeting of which notice is given as required by paragraph (1) of this subsection, adopts a resolution requiring the secretary of the school board to certify to the proper election authorities for submission to the electors of the school district at the next consolidated election in accordance with the general election law a proposition to abolish the offices of township treasurer and trustee of schools of that township. None of the resolutions adopted under this paragraph by any elementary or unit school districts that are subject to the jurisdiction and authority of the township treasurer and trustees of schools of the township in which those offices are sought to be abolished shall be deemed in compliance with the requirements of this paragraph or sufficient to authorize submission of the proposition to abolish those offices to a referendum of the electors in any such school district unless all of the school boards of all of the
elementary and unit school districts that are subject to the jurisdiction and authority of the township treasurer and trustees of schools of that township adopt such a resolution in accordance with the provisions of this paragraph.

(3) The school boards of all of the elementary and unit school districts that are subject to the jurisdiction and authority of the township treasurer and trustees of schools of the township in which those offices are sought to be abolished submit a proposition to abolish the offices of township treasurer and trustee of schools of that township to the electors of their respective school districts at the same consolidated election in accordance with the general election law, the ballot in each such district to be in substantially the following form:

---

OFFICIAL BALLOT

Shall the offices of township treasurer and trustee of schools of Township ..... Range ..... be abolished?

YES

NO

---

(4) At the consolidated election at which the proposition to abolish the offices of township treasurer and trustee of schools of a township is submitted to the
electors of each elementary and unit school district that 
is subject to the jurisdiction and authority of the 
township treasurer and trustee of schools of that township, 
a majority of the electors voting on the proposition in 
each such elementary and unit school district votes in 
favor of the proposition as submitted to them.

If in each elementary and unit school district that is 
subject to the jurisdiction and authority of the township 
treasurer and trustees of schools of the township in which 
those offices are sought to be abolished a majority of the 
electors in each such district voting at the consolidated 
election on the proposition to abolish the offices of township 
treasurer and trustee of schools of that township votes in 
favor of the proposition as submitted to them, the proposition 
shall be deemed to have passed; but if in any such elementary 
or unit school district a majority of the electors voting on 
that proposition in that district fails to vote in favor of the 
proposition as submitted to them, then notwithstanding the vote 
of the electors in any other such elementary or unit school 
district on that proposition the proposition shall not be 
deemed to have passed in any of those elementary or unit school 
districts, and the offices of township treasurer and trustee of 
schools of the township in which those offices were sought to 
be abolished shall not be abolished, unless in each of those 
elementary and unit school districts remaining subject to the 
jurisdiction and authority of the township treasurer and
trustees of schools of that township proceedings are again initiated to abolish those offices and all of the proceedings and conditions prescribed in paragraphs (1) through (4) of this subsection are repeated and met in each of those elementary and unit school districts.

Notwithstanding the foregoing provisions of this Section or any other provision of the School Code, the offices of township treasurer and trustee of schools of a township that has a population of less than 200,000 and that contains a unit school district and is located in a Class II county school unit shall also be abolished as provided in this subsection if all of the conditions set forth in paragraphs (1), (2), and (3) of this subsection are met and if the following additional condition is met:

The electors in all of the school districts subject to the jurisdiction and authority of the township treasurer and trustees of schools of the township in which those offices are sought to be abolished shall vote at the consolidated election on the proposition to abolish the offices of township treasurer and trustee of schools of that township. If a majority of the electors in all of the school districts combined voting on the proposition vote in favor of the proposition, then the proposition shall be deemed to have passed; but if a majority of the electors voting on the proposition in all of the school district fails to vote in favor of the proposition as submitted to
them, then the proposition shall not be deemed to have passed and the offices of township treasurer and trustee of schools of the township in which those offices were sought to be abolished shall not be abolished, unless and until the proceedings detailed in paragraphs (1) through (3) of this subsection and the conditions set forth in this paragraph are met.

If the proposition to abolish the offices of township treasurer and trustee of schools of a township is deemed to have passed at the consolidated election as provided in this subsection, those offices shall be deemed abolished by operation of law effective on January 1 of the calendar year immediately following the calendar year in which that consolidated election is held, provided that if after the election, the trustees of schools by resolution elect to abolish the offices of township treasurer and trustee of schools effective on July 1 immediately following the election, then the offices shall be abolished on July 1 immediately following the election. On the date that the offices of township treasurer and trustee of schools of a township are deemed abolished by operation of law, the school board of each elementary and unit school district and the school board of each high school district that is subject to the jurisdiction and authority of the township treasurer and trustees of schools of that township at the time those offices are abolished: (i) shall appoint its own school treasurer as provided in Section
8-1; and (ii) unless the term of the contract of a township treasurer expires on the date that the office of township treasurer is abolished, shall pay to the former township treasurer its proportionate share of any aggregate compensation that, were the office of township treasurer not abolished at that time, would have been payable to the former township treasurer after that date over the remainder of the term of the contract of the former township treasurer that began prior to but ends after that date. In addition, on the date that the offices of township treasurer and trustee of schools of a township are deemed abolished as provided in this subsection, the school board of each elementary school, high school and unit school district that until that date is subject to the jurisdiction and authority of the township treasurer and trustees of schools of that township shall be deemed by operation of law to have agreed and assumed to pay and, when determined, shall pay to the Illinois Municipal Retirement Fund a proportionate share of the unfunded liability existing in that Fund at the time these offices are abolished in that calendar year for all annuities or other benefits then or thereafter to become payable from that Fund with respect to all periods of service performed prior to that date as a participating employee in that Fund by persons serving during those periods of service as a trustee of schools, township treasurer or regular employee in the office of the township treasurer of that township. That unfunded liability shall be
actuarially determined by the board of trustees of the Illinois Municipal Retirement Fund, and the board of trustees shall thereupon notify each school board required to pay a proportionate share of that unfunded liability of the aggregate amount of the unfunded liability so determined. The amount so paid to the Illinois Municipal Retirement Fund by each of those school districts shall be credited to the account of the township in that Fund. For each elementary school, high school and unit school district under the jurisdiction and authority of a township treasurer and trustees of schools of a township in which those offices are abolished as provided in this subsection, each such district's proportionate share of the aggregate compensation payable to the former township treasurer as provided in this paragraph and each such district's proportionate share of the aggregate amount of the unfunded liability payable to the Illinois Municipal Retirement Fund as provided in this paragraph shall be computed in accordance with the ratio that the number of pupils in average daily attendance in each such district for the school year last ending prior to the date on which the offices of township treasurer and trustee of schools of that township are abolished bears to the aggregate number of pupils in average daily attendance in all of those districts as so reported for that school year.

Upon abolition of the offices of township treasurer and trustee of schools of a township as provided in this
subsection: (i) the regional board of school trustees, in its corporate capacity, shall be deemed the successor in interest to the former trustees of schools of that township with respect to the common school lands and township loanable funds of the township; (ii) all right, title and interest existing or vested in the former trustees of schools of that township in the common school lands and township loanable funds of the township, and all records, moneys, securities and other assets, rights of property and causes of action pertaining to or constituting a part of those common school lands or township loanable funds, shall be transferred to and deemed vested by operation of law in the regional board of school trustees, which shall hold legal title to, manage and operate all common school lands and township loanable funds of the township, receive the rents, issues and profits therefrom, and have and exercise with respect thereto the same powers and duties as are provided by this Code to be exercised by regional boards of school trustees when acting as township land commissioners in counties having at least 220,000 but fewer than 2,000,000 inhabitants; (iii) the regional board of school trustees shall select to serve as its treasurer with respect to the common school lands and township loanable funds of the township a person from time to time also serving as the appointed school treasurer of any school district that was subject to the jurisdiction and authority of the township treasurer and trustees of schools of that township at the time those offices
were abolished, and the person selected to also serve as treasurer of the regional board of school trustees shall have his compensation for services in that capacity fixed by the regional board of school trustees, to be paid from the township loanable funds, and shall make to the regional board of school trustees the reports required to be made by treasurers of township land commissioners, give bond as required by treasurers of township land commissioners, and perform the duties and exercise the powers of treasurers of township land commissioners; (iv) the regional board of school trustees shall designate in the manner provided by Section 8-7, insofar as applicable, a depositary for its treasurer, and the proceeds of all rents, issues and profits from the common school lands and township loanable funds of that township shall be deposited and held in the account maintained for those purposes with that depositary and shall be expended and distributed therefrom as provided in Section 15-24 and other applicable provisions of this Code; and (v) whenever there is vested in the trustees of schools of a township at the time that office is abolished under this subsection the legal title to any school buildings or school sites used or occupied for school purposes by any elementary school, high school or unit school district subject to the jurisdiction and authority of those trustees of school at the time that office is abolished, the legal title to those school buildings and school sites shall be deemed transferred by operation of law to and invested in the school board of that
school district, in its corporate capacity Section 7-28, the same to be held, sold, exchanged leased or otherwise transferred in accordance with applicable provisions of this Code.

Notwithstanding Section 2-3.25g of this Code, a waiver of a mandate established under this Section may not be requested.

(6) The storage, transmittal, and protection of all biometric information from disclosure.

(c) Failure to provide written consent under item (1) of subsection (b) of this Section by the individual who has legal custody of the student or by the student, if he or she has reached the age of 18, must not be the basis for refusal of any services otherwise available to the student.
Sec. 10-20.41. Use of facilities by community organizations. School boards are encouraged to allow community organizations to use school facilities during non-school hours. If a school board allows a community organization to use school facilities during non-school hours, the board must adopt a formal policy governing the use of school facilities by community organizations during non-school hours. Sec. 10-22.22b. (a) The provisions of this subsection shall not apply to the deactivation of a high school facility under subsection (c). Where in its judgment the interests of the district and of the students therein will be best served, to deactivate any high school facility or elementary school.
facility in the district and send the students of such high school in grades 9 through 12 or such elementary school in grades kindergarten through 8, as applicable, to schools in other districts. Such action may be taken only with the approval of the voters in the district and the approval, by proper resolution, of the school board of the receiving district. The board of the district contemplating deactivation shall, by proper resolution, cause the proposition to deactivate the school facility to be submitted to the voters of the district at a regularly scheduled election. Notice shall be published at least 10 days prior to the date of the election at least once in one or more newspapers published in the district or, if no newspaper is published in the district, in one or more newspapers with a general circulation within the district. The notice shall be substantially in the following form:

NOTICE OF REFERENDUM TO DEACTIVATE THE ... SCHOOL FACILITY IN SCHOOL DISTRICT NO. ........

Notice is hereby given that on (insert date), a referendum will be held in ........ County (Counties) for the purpose of voting for or against the proposition to deactivate the ...... School facility in School District No. ...... and to send pupils in ...... School to School District(s) No. .......

The polls will be open at .... o'clock ... m., and close at .... o'clock ... m. of the same day.

.............
The proposition shall be in substantially the following form:

------------------------------------------------------------
Shall the Board of Education of School District No. ....,..., YES
...... County, Illinois, be authorized to deactivate ...
the .... School facility and to send pupils in ....,..., NO
School to School District(s) No. ....,...?
------------------------------------------------------------

If the majority of those voting upon the proposition in the district contemplating deactivation vote in favor of the proposition, the board of that district, upon approval of the board of the receiving district, shall execute a contract with the receiving district providing for the reassignment of students to the receiving district. If the deactivating district seeks to send its students to more than one district, it shall execute a contract with each receiving district. The length of the contract shall be for 2 school years, but the districts may renew the contract for additional one year or 2 year periods. Contract renewals shall be executed by January 1 of the year in which the existing contract expires. If the
majority of those voting upon the proposition do not vote in favor of the proposition, the school facility may not be deactivated.

The sending district shall pay to the receiving district an amount agreed upon by the 2 districts.

When the deactivation of school facilities becomes effective pursuant to this Section, the provisions of Section 24-12 relative to the contractual continued service status of teachers having contractual continued service whose positions are transferred from one board to the control of a different board shall apply, and the positions at the school facilities being deactivated held by teachers, as that term is defined in Section 24-11, having contractual continued service with the school district at the time of the deactivation shall be transferred to the control of the board or boards who shall be receiving the district's students on the following basis:

(2) positions of such teachers in contractual continued service that were full time positions and as to which there is no selection left under subparagraph 1 hereof shall be transferred to the appropriate board. The contractual continued service status of any teacher thereby transferred to another district is not lost and the receiving board is subject to the School Code with respect to such transferred teacher in the same manner as if such teacher was the district's employee during the time such teacher was actually employed by the board of the deactivating district from which the position was transferred.

When the deactivation of school facilities becomes effective pursuant to this Section, the provisions of subsection (b) of Section 10-23.5 of this Code relative to the transfer of educational support personnel employees shall apply, and the positions at the school facilities being deactivated that are held by educational support personnel employees at the time of the deactivation shall be transferred to the control of the board or boards that will be receiving the district's students on the following basis:

(A) positions of such educational support personnel employees that were full-time positions shall be transferred to the control of whichever of the boards the employees request, with the educational support personnel employees making these requests proceeding in the order of those with the greatest length of continuing service with
the board to those with the shortest length of continuing service with the board, provided that the number selecting one board over another board or other boards must not exceed that proportion of students going to such board or boards; and

(B) positions of such educational support personnel employees that were full-time positions and as to which there is no selection left under subdivision (A) shall be transferred to the appropriate board.

The length of continuing service of any educational support personnel employee thereby transferred to another district is not lost and the receiving board is subject to this Code with respect to that transferred educational support personnel employee in the same manner as if the educational support personnel employee was the district's employee during the time the educational support personnel employee was actually employed by the board of the deactivating district from which the position was transferred.

(b) The provisions of this subsection shall not apply to the reactivation of a high school facility which is deactivated under subsection (c). The sending district may, with the approval of the voters in the district, reactivate the school facility which was deactivated. The board of the district seeking to reactivate the school facility shall, by proper resolution, cause the proposition to reactivate to be submitted to the voters of the district at a regularly scheduled
election. Notice shall be published at least 10 days prior to the date of the election at least once in one or more newspapers published in the district or, if no newspaper is published in the district, in one or more newspapers with a general circulation within the district. The notice shall be substantially in the following form:

be authorized to reactivate the .... School facility and to discontinue sending pupils of School District No. .... NO to School District(s) No. ......?

(c) The school board of any unit school district which experienced a strike by a majority of its certified employees that endured for over 6 months during the regular school term of the 1986-1987 school year, and which during the ensuing 1987-1988 school year had an enrollment in grades 9 through 12 of less than 125 students may, when in its judgment the interests of the district and of the students therein will be best served thereby, deactivate the high school facilities within the district for the regular term of the 1988-1989 school year and, for that school year only, send the students of such high school in grades 9 through 12 to schools in adjoining or adjacent districts. Such action may only be taken: (a) by proper resolution of the school board deactivating its high school facilities and the approval, by proper resolution, of the school board of the receiving district or districts, and (b) pursuant to a contract between the sending and each receiving district, which contract or contracts: (i) shall provide for the reassignment of all students of the deactivated high school in grades 9 through 12 to the receiving district or districts; (ii) shall apply only to the regular school term of
the 1988-1989 school year; (iii) shall not be subject to renewal or extension; and (iv) shall require the sending district to pay to the receiving district the cost of educating each student who is reassigned to the receiving district, such costs to be an amount agreed upon by the sending and receiving district but not less than the per capita cost of maintaining the high school in the receiving district during the 1987-1988 school year. Any high school facility deactivated pursuant to this subsection for the regular school term of the 1988-1989 school year shall be reactivated by operation of law as of the end of the regular term of the 1988-1989 school year. The status as a unit school district of a district which deactivates its high school facilities pursuant to this subsection shall not be affected by reason of such deactivation of its high school facilities and such district shall continue to be deemed in law a school district maintaining grades kindergarten through 12 for all purposes relating to the levy, extension, collection and payment of the taxes of the district under Article 17 for the 1988-1989 school year.

(d) Whenever a school facility is reactivated pursuant to the provisions of this Section, then all teachers in contractual continued service who were honorably dismissed or transferred as part of the deactivation process, in addition to other rights they may have under the School Code, shall be recalled or transferred back to the original district.

Sec. 10-23.5. Educational support personnel employees.

(a) To employ such educational support personnel employees as it deems advisable and to define their employment duties; provided that residency within any school district shall not be considered in determining the employment or the compensation of any such employee, or whether to retain, promote, assign or transfer such employee. If an educational support personnel employee is removed or dismissed or the hours he or she works are reduced as a result of a decision of the school board (i) to decrease the number of educational support personnel employees employed by the board or (ii) to discontinue some particular type of educational support service, written notice shall be mailed to the employee and also given to the employee either by certified mail, return receipt requested, or personal delivery with receipt, at least 30 days before the employee is removed or dismissed or the hours he or she works are reduced, together with a statement of honorable dismissal and the reason therefor if applicable. However, if a reduction in hours is due to an unforeseen reduction in the student population, then the written notice must be mailed and given to the employee at least 5 days before the hours are reduced. The employee with the shorter length of continuing service with the district, within the respective category of position, shall be dismissed
first unless an alternative method of determining the sequence of dismissal is established in a collective bargaining agreement or contract between the board and any exclusive bargaining agent and except that this provision shall not impair the operation of any affirmative action program in the district, regardless of whether it exists by operation of law or is conducted on a voluntary basis by the board. If the board has any vacancies for the following school term or within one calendar year from the beginning of the following school term, the positions thereby becoming available within a specific category of position shall be tendered to the employees so removed or dismissed from that category or any other category of position, so far as they are qualified to hold such positions. Each board shall, in consultation with any exclusive employee representative or bargaining agent, each year establish a list, categorized by positions, showing the length of continuing service of each full time educational support personnel employee who is qualified to hold any such positions, unless an alternative method of determining a sequence of dismissal is established as provided for in this Section, in which case a list shall be made in accordance with the alternative method. Copies of the list shall be distributed to the exclusive employee representative or bargaining agent on or before February 1 of each year. Where an educational support personnel employee is dismissed by the board as a result of a decrease in the number of employees or the discontinuance of
the employee's job, the employee shall be paid all earned compensation on or before the third business day following his or her last day of employment.

The provisions of this amendatory Act of 1986 relating to residency within any school district shall not apply to cities having a population exceeding 500,000 inhabitants.

(b) In the case of a new school district or districts formed in accordance with Article 11E of this Code, a school district or districts that annex all of the territory of one or more entire other school districts in accordance with Article 7 of this Code, or a school district receiving students from a deactivated school facility in accordance with Section 10-22.22b of this Code, the employment of educational support personnel in the new, annexing, or receiving school district immediately following the reorganization shall be governed by this subsection (b). Lists of the educational support personnel employed in the individual districts for the school year immediately prior to the effective date of the new district or districts, annexation, or deactivation shall be combined for the districts forming the new district or districts, for the annexed and annexing districts, or for the deactivating and receiving districts, as the case may be. The combined list shall be categorized by positions, showing the length of continuing service of each full-time educational support personnel employee who is qualified to hold any such position. If there are more full-time educational support personnel
employees on the combined list than there are available positions in the new, annexing, or receiving school district, then the employing school board shall first remove or dismiss those educational support personnel employees with the shorter length of continuing service within the respective category of position, following the procedures outlined in subsection (a) of this Section. The employment and position of each educational support personnel employee on the combined list not so removed or dismissed shall be transferred to the new, annexing, or receiving school board, and the new, annexing, or receiving school board is subject to this Code with respect to any educational support personnel employee so transferred as if the educational support personnel employee had been the new, annexing, or receiving board's employee during the time the educational support personnel employee was actually employed by the school board of the district from which the employment and position were transferred.

The changes made by Public Act 95-148 this amendatory Act of the 95th General Assembly shall not apply to the formation of a new district or districts in accordance with Article 11E of this Code, the annexation of one or more entire districts in accordance with Article 7 of this Code, or the deactivation of a school facility in accordance with Section 10-22.22b of this Code effective on or before July 1, 2007.

(a) The State Board of Education shall make rules under which local school boards shall determine the eligibility of children to receive special education. Such rules shall ensure that a free appropriate public education be available to all children with disabilities as defined in Section 14-1.02. The State Board of Education shall require local school districts to administer non-discriminatory procedures or tests to limited English proficiency students coming from homes in which a language other than English is used to determine their eligibility to receive special education. The placement of low English proficiency students in special education programs and facilities shall be made in accordance with the test results reflecting the student's linguistic, cultural and special education needs. For purposes of determining the eligibility of children the State Board of Education shall include in the rules definitions of "case study", "staff conference", "individualized educational program", and "qualified specialist" appropriate to each category of children with disabilities as defined in this Article. For purposes of determining the eligibility of children from homes in which a language other than English is used, the State Board of Education shall include in the rules definitions for "qualified
bilingual specialists" and "linguistically and culturally appropriate individualized educational programs". For purposes of this Section, as well as Sections 14-8.02a, 14-8.02b, and 14-8.02c of this Code, "parent" means a parent as defined in the federal Individuals with Disabilities Education Act (20 U.S.C. 1401(23)).

(b) No child shall be eligible for special education facilities except with a carefully completed case study fully reviewed by professional personnel in a multidisciplinary staff conference and only upon the recommendation of qualified specialists or a qualified bilingual specialist, if available. At the conclusion of the multidisciplinary staff conference, the parent of the child shall be given a copy of the multidisciplinary conference summary report and recommendations, which includes options considered, and be informed of their right to obtain an independent educational evaluation if they disagree with the evaluation findings conducted or obtained by the school district. If the school district's evaluation is shown to be inappropriate, the school district shall reimburse the parent for the cost of the independent evaluation. The State Board of Education shall, with advice from the State Advisory Council on Education of Children with Disabilities on the inclusion of specific independent educational evaluators, prepare a list of suggested independent educational evaluators. The State Board of Education shall include on the list clinical psychologists
licensed pursuant to the Clinical Psychologist Licensing Act. Such psychologists shall not be paid fees in excess of the amount that would be received by a school psychologist for performing the same services. The State Board of Education shall supply school districts with such list and make the list available to parents at their request. School districts shall make the list available to parents at the time they are informed of their right to obtain an independent educational evaluation. However, the school district may initiate an impartial due process hearing under this Section within 5 days of any written parent request for an independent educational evaluation to show that its evaluation is appropriate. If the final decision is that the evaluation is appropriate, the parent still has a right to an independent educational evaluation, but not at public expense. An independent educational evaluation at public expense must be completed within 30 days of a parent written request unless the school district initiates an impartial due process hearing or the parent or school district offers reasonable grounds to show that such 30 day time period should be extended. If the due process hearing decision indicates that the parent is entitled to an independent educational evaluation, it must be completed within 30 days of the decision unless the parent or the school district offers reasonable grounds to show that such 30 day period should be extended. If a parent disagrees with the summary report or recommendations of the multidisciplinary
conference or the findings of any educational evaluation which results therefrom, the school district shall not proceed with a placement based upon such evaluation and the child shall remain in his or her regular classroom setting. No child shall be eligible for admission to a special class for the educable mentally disabled or for the trainable mentally disabled except with a psychological evaluation and recommendation by a school psychologist. Consent shall be obtained from the parent of a child before any evaluation is conducted. If consent is not given by the parent or if the parent disagrees with the findings of the evaluation, then the school district may initiate an impartial due process hearing under this Section. The school district may evaluate the child if that is the decision resulting from the impartial due process hearing and the decision is not appealed or if the decision is affirmed on appeal. The determination of eligibility shall be made and the IEP meeting shall be completed within 60 school days from the date of written parental consent. In those instances when written parental consent is obtained with fewer than 60 pupil attendance days left in the school year, the eligibility determination shall be made and the IEP meeting shall be completed prior to the first day of the following school year. After a child has been determined to be eligible for a special education class, such child must be placed in the appropriate program pursuant to the individualized educational program by or no later than the beginning of the next school semester. The
appropriate program pursuant to the individualized educational program of students whose native tongue is a language other than English shall reflect the special education, cultural and linguistic needs. No later than September 1, 1993, the State Board of Education shall establish standards for the development, implementation and monitoring of appropriate bilingual special individualized educational programs. The State Board of Education shall further incorporate appropriate monitoring procedures to verify implementation of these standards. The district shall indicate to the parent and the State Board of Education the nature of the services the child will receive for the regular school term while waiting placement in the appropriate special education class.

If the child is deaf, hard of hearing, blind, or visually impaired and he or she might be eligible to receive services from the Illinois School for the Deaf or the Illinois School for the Visually Impaired, the school district shall notify the parents, in writing, of the existence of these schools and the services they provide and shall make a reasonable effort to inform the parents of the existence of other, local schools that provide similar services and the services that these other schools provide. This notification shall include without limitation information on school services, school admissions criteria, and school contact information.

In the development of the individualized education program for a student who has a disability on the autism spectrum
(which includes autistic disorder, Asperger's disorder, pervasive developmental disorder not otherwise specified, childhood disintegrative disorder, and Rett Syndrome, as defined in the Diagnostic and Statistical Manual of Mental Disorders, fourth edition (DSM-IV, 2000)), the IEP team shall consider all of the following factors:

(1) The verbal and nonverbal communication needs of the child.

(2) The need to develop social interaction skills and proficiencies.

(3) The needs resulting from the child's unusual responses to sensory experiences.

(4) The needs resulting from resistance to environmental change or change in daily routines.

(5) The needs resulting from engagement in repetitive activities and stereotyped movements.

(6) The need for any positive behavioral interventions, strategies, and supports to address any behavioral difficulties resulting from autism spectrum disorder.

(7) Other needs resulting from the child's disability that impact progress in the general curriculum, including social and emotional development.

Public Act 95-257 This amendatory Act of the 95th General Assembly does not create any new entitlement to a service, program, or benefit, but must not affect any entitlement to a
service, program, or benefit created by any other law.

If the student may be eligible to participate in the Home-Based Support Services Program for Mentally Disabled Adults authorized under the Developmental Disability and Mental Disability Services Act upon becoming an adult, the student's individualized education program shall include plans for (i) determining the student's eligibility for those home-based services, (ii) enrolling the student in the program of home-based services, and (iii) developing a plan for the student's most effective use of the home-based services after the student becomes an adult and no longer receives special educational services under this Article. The plans developed under this paragraph shall include specific actions to be taken by specified individuals, agencies, or officials.

(c) In the development of the individualized education program for a student who is functionally blind, it shall be presumed that proficiency in Braille reading and writing is essential for the student's satisfactory educational progress. For purposes of this subsection, the State Board of Education shall determine the criteria for a student to be classified as functionally blind. Students who are not currently identified as functionally blind who are also entitled to Braille instruction include: (i) those whose vision loss is so severe that they are unable to read and write at a level comparable to their peers solely through the use of vision, and (ii) those who show evidence of progressive vision loss that may result in
functional blindness. Each student who is functionally blind shall be entitled to Braille reading and writing instruction that is sufficient to enable the student to communicate with the same level of proficiency as other students of comparable ability. Instruction should be provided to the extent that the student is physically and cognitively able to use Braille. Braille instruction may be used in combination with other special education services appropriate to the student's educational needs. The assessment of each student who is functionally blind for the purpose of developing the student's individualized education program shall include documentation of the student's strengths and weaknesses in Braille skills. Each person assisting in the development of the individualized education program for a student who is functionally blind shall receive information describing the benefits of Braille instruction. The individualized education program for each student who is functionally blind shall specify the appropriate learning medium or media based on the assessment report.

(d) To the maximum extent appropriate, the placement shall provide the child with the opportunity to be educated with children who are not disabled; provided that children with disabilities who are recommended to be placed into regular education classrooms are provided with supplementary services to assist the children with disabilities to benefit from the regular classroom instruction and are included on the teacher's regular education class register. Subject to the limitation of
the preceding sentence, placement in special classes, separate schools or other removal of the disabled child from the regular educational environment shall occur only when the nature of the severity of the disability is such that education in the regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. The placement of limited English proficiency students with disabilities shall be in non-restrictive environments which provide for integration with non-disabled peers in bilingual classrooms. Annually, each January, school districts shall report data on students from non-English speaking backgrounds receiving special education and related services in public and private facilities as prescribed in Section 2-3.30. If there is a disagreement between parties involved regarding the special education placement of any child, either in-state or out-of-state, the placement is subject to impartial due process procedures described in Article 10 of the Rules and Regulations to Govern the Administration and Operation of Special Education.

(e) No child who comes from a home in which a language other than English is the principal language used may be assigned to any class or program under this Article until he has been given, in the principal language used by the child and used in his home, tests reasonably related to his cultural environment. All testing and evaluation materials and procedures utilized for evaluation and placement shall not be linguistically, racially or culturally discriminatory.
(f) Nothing in this Article shall be construed to require any child to undergo any physical examination or medical treatment whose parents object thereto on the grounds that such examination or treatment conflicts with his religious beliefs.

(g) School boards or their designee shall provide to the parents of a child prior written notice of any decision (a) proposing to initiate or change, or (b) refusing to initiate or change, the identification, evaluation, or educational placement of the child or the provision of a free appropriate public education to their child, and the reasons therefor. Such written notification shall also inform the parent of the opportunity to present complaints with respect to any matter relating to the educational placement of the student, or the provision of a free appropriate public education and to have an impartial due process hearing on the complaint. The notice shall inform the parents in the parents' native language, unless it is clearly not feasible to do so, of their rights and all procedures available pursuant to this Act and the federal Individuals with Disabilities Education Improvement Act of 2004 (Public Law 108-446); it shall be the responsibility of the State Superintendent to develop uniform notices setting forth the procedures available under this Act and the federal Individuals with Disabilities Education Improvement Act of 2004 (Public Law 108-446) to be used by all school boards. The notice shall also inform the parents of the availability upon request of a list of free or low-cost legal and other relevant
services available locally to assist parents in initiating an impartial due process hearing. Any parent who is deaf, or does not normally communicate using spoken English, who participates in a meeting with a representative of a local educational agency for the purposes of developing an individualized educational program shall be entitled to the services of an interpreter.

(105 ILCS 5/14C-8) (from Ch. 122, par. 14C-8)

Sec. 14C-8. Teacher certification - Qualifications - Issuance of certificates. No person shall be eligible for employment by a school district as a teacher of transitional bilingual education without either (a) holding a valid teaching certificate issued pursuant to Article 21 of this Code and meeting such additional language and course requirements as prescribed by the State Board of Education or (b) meeting the
requirements set forth in this Section. The Certification Board shall issue certificates valid for teaching in all grades of the common school in transitional bilingual education programs to any person who presents it with satisfactory evidence that he possesses an adequate speaking and reading ability in a language other than English in which transitional bilingual education is offered and communicative skills in English, and possessed within 5 years previous to his or her applying for a certificate under this Section a valid teaching certificate issued by a foreign country, or by a State or possession or territory of the United States, or other evidence of teaching preparation as may be determined to be sufficient by the Certification Board, or holds a degree from an institution of higher learning in a foreign country which the Certification Board determines to be the equivalent of a bachelor's degree from a recognized institution of higher learning in the United States; provided that any person seeking a certificate under this Section must meet the following additional requirements:

(1) Such persons must be in good health;
(2) Such persons must be of sound moral character;
(3) Such persons must be legally present in the United States and possess legal authorization for employment;
(4) Such persons must not be employed to replace any presently employed teacher who otherwise would not be replaced for any reason.

Certificates issuable pursuant to this Section shall be
issuable only during the 5 years immediately following the effective date of this Act and thereafter for additional periods of one year only upon a determination by the State Board of Education that a school district lacks the number of teachers necessary to comply with the mandatory requirements of Section 14C-3 of this Article for the establishment and maintenance of programs of transitional bilingual education and said certificates issued by the Certification Board shall be valid for a period of 6 years following their date of issuance and shall not be renewed, except that one renewal for a period of two years may be granted if necessary to permit the holder of a certificate issued under this Section to acquire a teaching certificate pursuant to Article 21 of this Code. Such certificates and the persons to whom they are issued shall be exempt from the provisions of Article 21 of this Code except that Sections 21-12, 21-13, 21-16, 21-17, 21-21, 21-22, 21-23 and 21-24 shall continue to be applicable to all such certificates.

After the effective date of this amendatory Act of 1984, an additional renewal for a period to expire August 31, 1985, may be granted. The State Board of Education shall report to the General Assembly on or before January 31, 1985 its recommendations for the qualification of teachers of bilingual education and for the qualification of teachers of English as a second language. Said qualification program shall take effect no later than August 31, 1985.
Beginning July 1, 2001, the State Board of Education shall implement a test or tests to assess the speaking, reading, writing, and grammar skills of applicants for a certificate issued under this Section in the English language and in the language of the transitional bilingual education program requested by the applicant and shall establish appropriate fees for these tests. The State Board of Education, in consultation with the Certification Board, shall promulgate rules to implement the required tests, including specific provisions to govern test selection, test validation, determination of a passing score, administration of the test or tests, frequency of administration, applicant fees, identification requirements for test takers, frequency of applicants taking the tests, the years for which a score is valid, waiving tests for individuals who have satisfactorily passed other tests, and the consequences of dishonest conduct in the application for or taking of the tests.

If the qualifications of an applicant for a certificate valid for teaching in transitional bilingual education programs in all grades of the common schools do not meet the requirements established for the issuance of that certificate, the Certification Board nevertheless shall issue the applicant a substitute teacher's certificate under Section 21-9 whenever it appears from the face of the application submitted for certification as a teacher of transitional bilingual education and the evidence presented in support thereof that the
applicant's qualifications meet the requirements established for the issuance of a certificate under Section 21-9; provided, that if it does not appear from the face of such application and supporting evidence that the applicant is qualified for issuance of a certificate under Section 21-9 the Certification Board shall evaluate the application with reference to the requirements for issuance of certificates under Section 21-9 and shall inform the applicant, at the time it denies the application submitted for certification as a teacher of transitional bilingual education, of the additional qualifications which the applicant must possess in order to meet the requirements established for issuance of (i) a certificate valid for teaching in transitional bilingual education programs in all grades of the common schools and (ii) a substitute teacher's certificate under Section 21-9.

(105 ILCS 5/18-12) (from Ch. 122, par. 18-12)

Sec. 18-12. Dates for filing State aid claims. The school board of each school district shall require teachers, principals, or superintendents to furnish from records kept by them such data as it needs in preparing and certifying to the regional superintendent its school district report of claims provided in Sections 18-8.05 through 18-9 as required by the State Superintendent of Education. The district claim shall be
based on the latest available equalized assessed valuation and tax rates, as provided in Section 18-8.05 and shall use the average daily attendance as determined by the method outlined in Section 18-8.05 and shall be certified and filed with the regional superintendent by June 21 for districts with an official school calendar end date before June 15 or within 2 weeks following the official school calendar end date for districts with a school year end date of June 15 or later. The regional superintendent shall certify and file with the State Superintendent of Education district State aid claims by July 1 for districts with an official school calendar end date before June 15 or no later than July 15 for districts with an official school calendar end date of June 15 or later. Failure to so file by these deadlines constitutes a forfeiture of the right to receive payment by the State until such claim is filed and vouchered for payment. The regional superintendent of schools shall certify the county report of claims by July 15; and the State Superintendent of Education shall voucher for payment those claims to the State Comptroller as provided in Section 18-11.

Except as otherwise provided in this Section, if any school district fails to provide the minimum school term specified in Section 10-19, the State aid claim for that year shall be reduced by the State Superintendent of Education in an amount equivalent to .56818% for each day less than the number of days required by this Code.
If the State Superintendent of Education determines that the failure to provide the minimum school term was occasioned by an act or acts of God, or was occasioned by conditions beyond the control of the school district which posed a hazardous threat to the health and safety of pupils, the State aid claim need not be reduced.

If the State Superintendent of Education determines that the failure to provide the minimum school term was due to a school being closed on or after September 11, 2001 for more than one-half day of attendance due to a bioterrorism or terrorism threat that was investigated by a law enforcement agency, the State aid claim shall not be reduced.

If, during any school day, (i) a school district has provided at least one clock hour of instruction but must close the schools due to adverse weather conditions or due to a condition beyond the control of the school district that poses a hazardous threat to the health and safety of pupils prior to providing the minimum hours of instruction required for a full day of attendance, (ii) the school district must delay the start of the school day due to adverse weather conditions and this delay prevents the district from providing the minimum hours of instruction required for a full day of attendance, or (iii) a school district has provided at least one clock hour of instruction but must dismiss students from one or more recognized school buildings due to a condition beyond the control of the school district, the partial day of attendance
may be counted as a full day of attendance. The partial day of attendance and the reasons therefor shall be certified in writing within a month of the closing or delayed start by the local school district superintendent to the Regional Superintendent of Schools for forwarding to the State Superintendent of Education for approval.

If a school building is ordered to be closed by the school board, in consultation with a local emergency response agency, due to a condition that poses a hazardous threat to the health and safety of pupils, then the school district shall have a grace period of 4 days in which the general State aid claim shall not be reduced so that alternative housing of the pupils may be located.

No exception to the requirement of providing a minimum school term may be approved by the State Superintendent of Education pursuant to this Section unless a school district has first used all emergency days provided for in its regular calendar.

If the State Superintendent of Education declares that an energy shortage exists during any part of the school year for the State or a designated portion of the State, a district may operate the school attendance centers within the district 4 days of the week during the time of the shortage by extending each existing school day by one clock hour of school work, and the State aid claim shall not be reduced, nor shall the employees of that district suffer any reduction in salary or
benefits as a result thereof. A district may operate all attendance centers on this revised schedule, or may apply the schedule to selected attendance centers, taking into consideration such factors as pupil transportation schedules and patterns and sources of energy for individual attendance centers.

No State aid claim may be filed for any district unless the district superintendent executes and files with the State Superintendent of Education, in the method prescribed by the Superintendent, certification that the district has complied with the requirements of Section 10-22.5 in regard to the nonsegregation of pupils on account of color, creed, race, sex or nationality.

No State aid claim may be filed for any district unless the district superintendent executes and files with the State Superintendent of Education, in the method prescribed by the Superintendent, a sworn statement that to the best of his or her knowledge or belief the employing or assigning personnel have complied with Section 24-4 in all respects.

Electronically submitted State aid claims shall be submitted by duly authorized district or regional individuals over a secure network that is password protected. The electronic submission of a State aid claim must be accompanied with an affirmation that all of the provisions of Sections 18-8.05 through 18-9, 10-22.5, and 24-4 of this Code are met in all respects.
Sec. 27-8.1. Health examinations and immunizations.

(1) In compliance with rules and regulations which the Department of Public Health shall promulgate, and except as hereinafter provided, all children in Illinois shall have a health examination as follows: within one year prior to entering kindergarten or the first grade of any public, private, or parochial elementary school; upon entering the sixth and ninth grades of any public, private, or parochial school; prior to entrance into any public, private, or parochial nursery school; and, irrespective of grade, immediately prior to or upon entrance into any public, private, or parochial school or nursery school, each child shall present proof of having been examined in accordance with this Section and the rules and regulations promulgated hereunder.

A tuberculosis skin test screening shall be included as a required part of each health examination included under this Section if the child resides in an area designated by the Department of Public Health as having a high incidence of tuberculosis. Additional health examinations of pupils, including eye examinations, may be required when deemed necessary by school authorities. Parents are encouraged to have their children undergo eye examinations at the same points in
time required for health examinations.

(1.5) In compliance with rules adopted by the Department of Public Health and except as otherwise provided in this Section, all children in kindergarten and the second and sixth grades of any public, private, or parochial school shall have a dental examination. Each of these children shall present proof of having been examined by a dentist in accordance with this Section and rules adopted under this Section before May 15th of the school year. If a child in the second or sixth grade fails to present proof by May 15th, the school may hold the child's report card until one of the following occurs: (i) the child presents proof of a completed dental examination or (ii) the child presents proof that a dental examination will take place within 60 days after May 15th. The Department of Public Health shall establish, by rule, a waiver for children who show an undue burden or a lack of access to a dentist. Each public, private, and parochial school must give notice of this dental examination requirement to the parents and guardians of students at least 60 days before May 15th of each school year.

(1.10) Except as otherwise provided in this Section, all children enrolling in kindergarten in a public, private, or parochial school on or after the effective date of this amendatory Act of the 95th General Assembly and any student enrolling for the first time in a public, private, or parochial school on or after the effective date of this amendatory Act of the 95th General Assembly shall have an eye examination. Each
of these children shall present proof of having been examined by a physician licensed to practice medicine in all of its branches or a licensed optometrist within the previous year, in accordance with this Section and rules adopted under this Section, before October 15th of the school year. If the child fails to present proof by October 15th, the school may hold the child's report card until one of the following occurs: (i) the child presents proof of a completed eye examination or (ii) the child presents proof that an eye examination will take place within 60 days after October 15th. The Department of Public Health shall establish, by rule, a waiver for children who show an undue burden or a lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or to a licensed optometrist. Each public, private, and parochial school must give notice of this eye examination requirement to the parents and guardians of students in compliance with rules of the Department of Public Health. Nothing in this Section shall be construed to allow a school to exclude a child from attending because of a parent's or guardian's failure to obtain an eye examination for the child.

(2) The Department of Public Health shall promulgate rules and regulations specifying the examinations and procedures that constitute a health examination, which shall include the collection of data relating to obesity (including at a minimum, date of birth, gender, height, weight, blood pressure, and date
of exam), and a dental examination and may recommend by rule that certain additional examinations be performed. The rules and regulations of the Department of Public Health shall specify that a tuberculosis skin test screening shall be included as a required part of each health examination included under this Section if the child resides in an area designated by the Department of Public Health as having a high incidence of tuberculosis. The Department of Public Health shall specify that a diabetes screening as defined by rule shall be included as a required part of each health examination. Diabetes testing is not required.

Physicians licensed to practice medicine in all of its branches, advanced practice nurses who have a written collaborative agreement with a collaborating physician which authorizes them to perform health examinations, or physician assistants who have been delegated the performance of health examinations by their supervising physician shall be responsible for the performance of the health examinations, other than dental examinations, eye examinations, and vision and hearing screening, and shall sign all report forms required by subsection (4) of this Section that pertain to those portions of the health examination for which the physician, advanced practice nurse, or physician assistant is responsible. If a registered nurse performs any part of a health examination, then a physician licensed to practice medicine in all of its branches must review and sign all
required report forms. Licensed dentists shall perform all
dental examinations and shall sign all report forms required by
subsection (4) of this Section that pertain to the dental
examinations. Physicians licensed to practice medicine in all
its branches or licensed optometrists shall perform all eye
examinations required by this Section and shall sign all report
forms required by subsection (4) of this Section that pertain
to the eye examination. For purposes of this Section, an eye
examination shall at a minimum include history, visual acuity,
subjective refraction to best visual acuity near and far,
internal and external examination, and a glaucoma evaluation,
as well as any other tests or observations that in the
professional judgment of the doctor are necessary. Vision and
hearing screening tests, which shall not be considered
examinations as that term is used in this Section, shall be
conducted in accordance with rules and regulations of the
Department of Public Health, and by individuals whom the
Department of Public Health has certified. In these rules and
regulations, the Department of Public Health shall require that
individuals conducting vision screening tests give a child's
parent or guardian written notification, before the vision
screening is conducted, that states, "Vision screening is not a
substitute for a complete eye and vision evaluation by an eye
doctor. Your child is not required to undergo this vision
screening if an optometrist or ophthalmologist has completed
and signed a report form indicating that an examination has
been administered within the previous 12 months."

(3) Every child shall, at or about the same time as he or she receives a health examination required by subsection (1) of this Section, present to the local school proof of having received such immunizations against preventable communicable diseases as the Department of Public Health shall require by rules and regulations promulgated pursuant to this Section and the Communicable Disease Prevention Act.

(4) The individuals conducting the health examination, dental examination, or eye examination shall record the fact of having conducted the examination, and such additional information as required, including for a health examination data relating to obesity (including at a minimum, date of birth, gender, height, weight, blood pressure, and date of exam), on uniform forms which the Department of Public Health and the State Board of Education shall prescribe for statewide use. The examiner shall summarize on the report form any condition that he or she suspects indicates a need for special services, including for a health examination factors relating to obesity. The individuals confirming the administration of required immunizations shall record as indicated on the form that the immunizations were administered.

(5) If a child does not submit proof of having had either the health examination or the immunization as required, then the child shall be examined or receive the immunization, as the case may be, and present proof by October 15 of the current
school year, or by an earlier date of the current school year established by a school district. To establish a date before October 15 of the current school year for the health examination or immunization as required, a school district must give notice of the requirements of this Section 60 days prior to the earlier established date. If for medical reasons one or more of the required immunizations must be given after October 15 of the current school year, or after an earlier established date of the current school year, then the child shall present, by October 15, or by the earlier established date, a schedule for the administration of the immunizations and a statement of the medical reasons causing the delay, both the schedule and the statement being issued by the physician, advanced practice nurse, physician assistant, registered nurse, or local health department that will be responsible for administration of the remaining required immunizations. If a child does not comply by October 15, or by the earlier established date of the current school year, with the requirements of this subsection, then the local school authority shall exclude that child from school until such time as the child presents proof of having had the health examination as required and presents proof of having received those required immunizations which are medically possible to receive immediately. During a child's exclusion from school for noncompliance with this subsection, the child's parents or legal guardian shall be considered in violation of Section 26-1 and subject to any penalty imposed by Section
26-10. This subsection (5) does not apply to dental examinations and eye examinations.

(6) Every school shall report to the State Board of Education by November 15, in the manner which that agency shall require, the number of children who have received the necessary immunizations and the health examination (other than a dental examination or eye examination) as required, indicating, of those who have not received the immunizations and examination as required, the number of children who are exempt from health examination and immunization requirements on religious or medical grounds as provided in subsection (8). Every school shall report to the State Board of Education by June 30, in the manner that the State Board requires, the number of children who have received the required dental examination, indicating, of those who have not received the required dental examination, the number of children who are exempt from the dental examination on religious grounds as provided in subsection (8) of this Section and the number of children who have received a waiver under subsection (1.5) of this Section. Every school shall report to the State Board of Education by June 30, in the manner that the State Board requires, the number of children who have received the required eye examination, indicating, of those who have not received the required eye examination, the number of children who are exempt from the eye examination as provided in subsection (8) of this Section, the number of children who have received a waiver under subsection (1.10) of
this Section, and the total number of children in noncompliance with the eye examination requirement. This reported information shall be provided to the Department of Public Health by the State Board of Education.

(7) Upon determining that the number of pupils who are required to be in compliance with subsection (5) of this Section is below 90% of the number of pupils enrolled in the school district, 10% of each State aid payment made pursuant to Section 18-8.05 to the school district for such year may be withheld by the State Board of Education until the number of students in compliance with subsection (5) is the applicable specified percentage or higher.

(8) Parents or legal guardians who object to health, dental, or eye examinations or any part thereof, or to immunizations, on religious grounds shall not be required to submit their children or wards to the examinations or immunizations to which they so object if such parents or legal guardians present to the appropriate local school authority a signed statement of objection, detailing the grounds for the objection. If the physical condition of the child is such that any one or more of the immunizing agents should not be administered, the examining physician, advanced practice nurse, or physician assistant responsible for the performance of the health examination shall endorse that fact upon the health examination form. Exempting a child from the health, dental, or eye examination does not exempt the child from
participation in the program of physical education training provided in Sections 27-5 through 27-7 of this Code.

(9) For the purposes of this Section, "nursery schools" means those nursery schools operated by elementary school systems or secondary level school units or institutions of higher learning.

(105 ILCS 5/27-23.7)

Sec. 27-23.7. Bullying prevention education; gang resistance education and training.

(a) The General Assembly finds that bullying has a negative effect on the social environment of schools, creates a climate of fear among students, inhibits their ability to learn, and leads to other antisocial behavior. Bullying behavior has been linked to other forms of antisocial behavior, such as vandalism, shoplifting, skipping and dropping out of school, fighting, using drugs and alcohol, sexual harassment, and sexual violence.

The General Assembly further finds that the instance of
youth delinquent gangs continues to rise on a statewide basis. Given the higher rates of criminal offending among gang members, as well as the availability of increasingly lethal weapons, the level of criminal activity by gang members has taken on new importance for law enforcement agencies, schools, the community, and prevention efforts.

(b) In this Section:

"Bullying prevention" means and includes instruction in all of the following:

1. Intimidation.
2. Student victimization.
4. Sexual violence.
5. Strategies for student-centered problem solving regarding bullying.

"Gang resistance education and training" means and includes instruction in, without limitation, each of the following subject matters when accompanied by a stated objective of reducing gang activity and educating children in grades K through 12 about the consequences of gang involvement:

1. Conflict resolution.
2. Cultural sensitivity.
3. Personal goal setting.
4. Resisting peer pressure.

(c) Each school district may make suitable provisions for instruction in bullying prevention and gang resistance education.
education and training in all grades and include such instruction in the courses of study regularly taught therein. A school board may collaborate with a community-based agency providing specialized curricula in bullying prevention whose ultimate outcome is to prevent sexual violence. For the purposes of gang resistance education and training, a school board must collaborate with State and local law enforcement agencies. The State Board of Education may assist in the development of instructional materials and teacher training in relation to bullying prevention and gang resistance education and training.

(d) Beginning 180 days after August 23, 2007 (the effective date of Public Act 95-349) this amendatory Act of the 95th General Assembly, each school district shall create and maintain a policy on bullying, which policy must be filed with the State Board of Education. Each school district must communicate its policy on bullying to its students and their parent or guardian on an annual basis. The policy must be updated every 2 years and filed with the State Board of Education after being updated. The State Board of Education shall monitor the implementation of policies created under this subsection (d).

Sec. 34-18.34. Student biometric information.

(a) For the purposes of this Section, "biometric information" means any information that is collected through an identification process for individuals based on their unique behavioral or physiological characteristics, including fingerprint, hand geometry, voice, or facial recognition or iris or retinal scans.

(b) If the school district collects biometric information from students, the district shall adopt a policy that requires, at a minimum, all of the following:

(1) Written permission from the individual who has legal custody of the student, as defined in Section 10-20.12b of this Code, or from the student if he or she has reached the age of 18.

(2) The discontinuation of use of a student's biometric information under either of the following conditions:

(A) upon the student's graduation or withdrawal from the school district; or

(B) upon receipt in writing of a request for discontinuation by the individual having legal custody of the student or by the student if he or she has reached the age of 18.

(3) The destruction of all of a student's biometric information within 30 days after the biometric information is discontinued in accordance with item (2) of this subsection (b).
(4) The use of biometric information solely for identification or fraud prevention.

(5) A prohibition on the sale, lease, or other disclosure of biometric information to another person or entity, unless:

(A) the individual who has legal custody of the student or the student, if he or she has reached the age of 18, consents to the disclosure; or

(B) the disclosure is required by court order.

(6) The storage, transmittal, and protection of all biometric information from disclosure.

(c) Failure to provide written consent under item (1) of subsection (b) of this Section by the individual who has legal custody of the student or by the student, if he or she has reached the age of 18, must not be the basis for refusal of any services otherwise available to the student.

Sec. 34-18.35 34-18.34. Use of facilities by community organizations. The board is encouraged to allow community organizations to use school facilities during non-school hours. If the board allows a community organization to use school facilities during non-school hours, the board must adopt a formal policy governing the use of school facilities by community organizations during non-school hours. The policy
shall prohibit such use if it interferes with any school functions or the safety of students or school personnel or affects the property or liability of the school district.

Section 185. The Public Community College Act is amended by renumbering Section 2.24 as follows:

(110 ILCS 805/2-25)
Sec. 2-25. College and Career Readiness Pilot Program.
(a) The General Assembly finds that there is a direct and significant link between students being academically prepared
for college and success in postsecondary education. Many students enter college unprepared for the academic rigors of college and require noncredit remedial courses to attain skills and knowledge needed for regular, credit coursework. Remediation lengthens time to degree, imposes additional costs on students and colleges, and uses student financial aid for courses that will not count toward a degree. All high school juniors take the Prairie State Achievement Examination, which contains the ACT college assessment exam. ACT test elements and scores can be correlated to specific course placements in community colleges. Customized ACT test results can be used in collaboration with high schools to assist high school students identify areas for improvement and help them close skill gaps during their senior year. Greater college and career readiness will reduce the need for remediation, lower educational costs, shorten time to degree, and increase the overall success rate of Illinois college students.

(b) Subject to appropriation, the State Board shall create a 3-year pilot project, to be known as the College and Career Readiness Pilot Program. The goals of the program are as follows:

(1) To diagnose college readiness by developing a system to align ACT scores to specific community college courses in developmental and freshman curriculums.

(2) To reduce remediation by decreasing the need for remedial coursework in mathematics, reading, and writing
at the college level through (i) increasing the number of students enrolled in a college-prep core curriculum, (ii) assisting students in improving college readiness skills, and (iii) increasing successful student transitions into postsecondary education.

(3) To align high school and college curriculums.

(4) To provide resources and academic support to students to enrich the senior year of high school through remedial or advanced coursework and other interventions.

(5) To develop an appropriate evaluation process to measure the effectiveness of readiness intervention strategies.

(c) The first year of the program created under this Section shall begin with the high school class of 2008.

(1) The State Board shall select 4 community colleges to participate in the program based on all of the following:

   (A) The percentage of students in developmental coursework.

   (B) Demographics of student enrollment, including socioeconomic status, race and ethnicity, and enrollments of first-generation college students.

   (C) Geographic diversity.

   (D) The willingness of the community college to submit developmental and introductory courses to ACT for analysis of college placement.
(E) The ability of the community college to partner with local high schools to develop college and career readiness strategies and college readiness teams.

(2) The State Board shall work with ACT to analyze up to 10 courses at each participating community college for purposes of determining student placement and college readiness.

(3) Each participating community college shall establish an agreement with a high school or schools to do all of the following:

(A) Create a data-sharing agreement.

(B) Create a Readiness Prescription for each student, showing all of the following:

(i) The readiness status for college-level work.

(ii) Course recommendations for remediation or for advanced coursework in Advanced Placement classes or dual credit and dual enrollment programs.

(iii) Additional academic support services, including tutoring, mentoring, and college application assistance.

(C) Create college and career readiness teams comprised of faculty and counselors or advisers from the community college and high school, the college and career readiness coordinator from the community
college, and other members as determined by the high school and community college. The teams may include local business or civic leaders. The teams shall develop intervention strategies as follows:

(i) Use the Readiness Prescription to develop a contract with each student for remedial or advanced coursework to be taken during the senior year.

(ii) Monitor student progress.

(iii) Provide readiness support services.

(D) Retest students in the spring of 2008 to assess progress and college readiness.

(4) The State Board shall work with participating community colleges and high schools to develop an appropriate evaluation process to measure effectiveness of intervention strategies, including all of the following:

(A) Baseline data for each participating school.

(B) Baseline data for the Illinois system.

(C) Comparison of ACT scores from March 2007 to March 2008.

(D) Student enrollment in college in the fall of 2008.

(E) Placement of college and career readiness students in developmental and regular courses in the fall of 2008.

(F) Retention of college and career readiness
students in the spring semester of 2009.

(5) The State Board shall work with participating community colleges and high schools to establish operational processes and a budget for college and career readiness pilot programs, including all of the following:

(A) Employment of a college and career readiness coordinator at each community college site.

(B) Establishment of a budget.

(C) Creation of college and career readiness teams, resources, and partnership agreements.

(d) The second year of the program created under this Section shall begin with the high school class of 2009. In the second year, the State Board shall have all of the following duties:

(1) Analyze courses at 3 new community college sites.

(2) Undertake intervention strategies through college and career readiness teams with students in the class of 2009.

(3) Monitor and assist college and career readiness graduates from the class of 2008 in college.

(e) The third year of the program created under this Section shall begin with the high school class of 2010. In the third year, the State Board shall have all of the following duties:

(1) Analyze courses at 5 new community college sites.

(2) Add college and career readiness teams at 3 new
sites (from year 2 of the program).

(3) Undertake intervention strategies through college and career readiness teams with students of the class of 2010 at 7 sites.

(4) Monitor and assist students from the classes of 2008 and 2009 in college.

Section 200. The Illinois Insurance Code is amended by changing Section 223 and by setting forth and renumbering multiple versions of Section 356z.9 as follows:

(215 ILCS 5/223) (from Ch. 73, par. 835)
Sec. 223. Director to value policies - Legal standard of valuation.
(1) The Director shall annually value, or cause to be valued, the reserve liabilities (hereinafter called reserves) for all outstanding life insurance policies and annuity and
pure endowment contracts of every life insurance company doing business in this State, except that in the case of an alien company, such valuation shall be limited to its United States business, and may certify the amount of any such reserves, specifying the mortality table or tables, rate or rates of interest, and methods (net level premium method or other) used in the calculation of such reserves. Other assumptions may be incorporated into the reserve calculation to the extent permitted by the National Association of Insurance Commissioners' Accounting Practices and Procedures Manual. In calculating such reserves, he may use group methods and approximate averages for fractions of a year or otherwise. In lieu of the valuation of the reserves herein required of any foreign or alien company, he may accept any valuation made, or caused to be made, by the insurance supervisory official of any state or other jurisdiction when such valuation complies with the minimum standard herein provided and if the official of such state or jurisdiction accepts as sufficient and valid for all legal purposes the certificate of valuation of the Director when such certificate states the valuation to have been made in a specified manner according to which the aggregate reserves would be at least as large as if they had been computed in the manner prescribed by the law of that state or jurisdiction.

Any such company which at any time has adopted any standard of valuation producing greater aggregate reserves than those calculated according to the minimum standard herein provided
may, with the approval of the Director, adopt any lower standard of valuation, but not lower than the minimum herein provided, however, that, for the purposes of this subsection, the holding of additional reserves previously determined by a qualified actuary to be necessary to render the opinion required by subsection (1a) shall not be deemed to be the adoption of a higher standard of valuation. In the valuation of policies the Director shall give no consideration to, nor make any deduction because of, the existence or the possession by the company of

(a) policy liens created by any agreement given or assented to by any assured subsequent to July 1, 1937, for which liens such assured has not received cash or other consideration equal in value to the amount of such liens, or

(b) policy liens created by any agreement entered into in violation of Section 232 unless the agreement imposing or creating such liens has been approved by a Court in a proceeding under Article XIII, or in the case of a foreign or alien company has been approved by a court in a rehabilitation or liquidation proceeding or by the insurance official of its domiciliary state or country, in accordance with the laws thereof.

(1a) This subsection shall become operative at the end of the first full calendar year following the effective date of this amendatory Act of 1991.
(A) General.

(1) Every life insurance company doing business in this State shall annually submit the opinion of a qualified actuary as to whether the reserves and related actuarial items held in support of the policies and contracts specified by the Director by regulation are computed appropriately, are based on assumptions that satisfy contractual provisions, are consistent with prior reported amounts and comply with applicable laws of this State. The Director by regulation shall define the specifics of this opinion and add any other items deemed to be necessary to its scope.

(2) The opinion shall be submitted with the annual statement reflecting the valuation of reserve liabilities for each year ending on or after December 31, 1992.

(3) The opinion shall apply to all business in force including individual and group health insurance plans, in form and substance acceptable to the Director as specified by regulation.

(4) The opinion shall be based on standards adopted from time to time by the Actuarial Standards Board and on additional standards as the Director may by regulation prescribe.

(5) In the case of an opinion required to be submitted by a foreign or alien company, the Director
may accept the opinion filed by that company with the insurance supervisory official of another state if the Director determines that the opinion reasonably meets the requirements applicable to a company domiciled in this State.

(6) For the purpose of this Section, "qualified actuary" means a member in good standing of the American Academy of Actuaries who meets the requirements set forth in its regulations.

(7) Except in cases of fraud or willful misconduct, the qualified actuary shall not be liable for damages to any person (other than the insurance company and the Director) for any act, error, omission, decision or conduct with respect to the actuary's opinion.

(8) Disciplinary action by the Director against the company or the qualified actuary shall be defined in regulations by the Director.

(9) A memorandum, in form and substance acceptable to the Director as specified by regulation, shall be prepared to support each actuarial opinion.

(10) If the insurance company fails to provide a supporting memorandum at the request of the Director within a period specified by regulation or the Director determines that the supporting memorandum provided by the insurance company fails to meet the standards prescribed by the regulations or is otherwise
unacceptable to the Director, the Director may engage a qualified actuary at the expense of the company to review the opinion and the basis for the opinion and prepare the supporting memorandum as is required by the Director.

(11) Any memorandum in support of the opinion, and any other material provided by the company to the Director in connection therewith, shall be kept confidential by the Director and shall not be made public and shall not be subject to subpoena, other than for the purpose of defending an action seeking damages from any person by reason of any action required by this Section or by regulations promulgated hereunder; provided, however, that the memorandum or other material may otherwise be released by the Director (a) with the written consent of the company or (b) to the American Academy of Actuaries upon request stating that the memorandum or other material is required for the purpose of professional disciplinary proceedings and setting forth procedures satisfactory to the Director for preserving the confidentiality of the memorandum or other material. Once any portion of the confidential memorandum is cited by the company in its marketing or is cited before any governmental agency other than a state insurance department or is released by the company to the news media, all portions of the
confidential memorandum shall be no longer confidential.

(B) Actuarial analysis of reserves and assets supporting those reserves.

(1) Every life insurance company, except as exempted by or under regulation, shall also annually include in the opinion required by paragraph (A)(1) of this subsection (1a), an opinion of the same qualified actuary as to whether the reserves and related actuarial items held in support of the policies and contracts specified by the Director by regulation, when considered in light of the assets held by the company with respect to the reserves and related actuarial items including, but not limited to, the investment earnings on the assets and the considerations anticipated to be received and retained under the policies and contracts, make adequate provision for the company's obligations under the policies and contracts including, but not limited to, the benefits under and expenses associated with the policies and contracts.

(2) The Director may provide by regulation for a transition period for establishing any higher reserves which the qualified actuary may deem necessary in order to render the opinion required by this Section.

(2) This subsection shall apply to only those policies and
contracts issued prior to the operative date of Section 229.2 (the Standard Non-forfeiture Law).

(a) Except as otherwise in this Article provided, the legal minimum standard for valuation of contracts issued before January 1, 1908, shall be the Actuaries or Combined Experience Table of Mortality with interest at 4% per annum and for valuation of contracts issued on or after that date shall be the American Experience Table of Mortality with either Craig's or Buttolph's Extension for ages under 10 and with interest at 3 1/2% per annum. The legal minimum standard for the valuation of group insurance policies under which premium rates are not guaranteed for a period in excess of 5 years shall be the American Men Ultimate Table of Mortality with interest at 3 1/2% per annum. Any life company may, at its option, value its insurance contracts issued on or after January 1, 1938, in accordance with their terms on the basis of the American Men Ultimate Table of Mortality with interest not higher than 3 1/2% per annum.

(b) Policies issued prior to January 1, 1908, may continue to be valued according to a method producing reserves not less than those produced by the full preliminary term method. Policies issued on and after January 1, 1908, may be valued according to a method producing reserves not less than those produced by the modified preliminary term method hereinafter described in
paragraph (c). Policies issued on and after January 1, 1938, may be valued either according to a method producing reserves not less than those produced by such modified preliminary term method or by the select and ultimate method on the basis that the rate of mortality during the first 5 years after the issuance of such contracts respectively shall be calculated according to the following percentages of rates shown by the American Experience Table of Mortality:

(i) first insurance year 50% thereof;
(ii) second insurance year 65% thereof;
(iii) third insurance year 75% thereof;
(iv) fourth insurance year 85% thereof;
(v) fifth insurance year 95% thereof;

(c) If the premium charged for the first policy year under a limited payment life preliminary term policy providing for the payment of all premiums thereon in less than 20 years from the date of the policy or under an endowment preliminary term policy, exceeds that charged for the first policy year under 20 payment life preliminary term policies of the same company, the reserve thereon at the end of any year, including the first, shall not be less than the reserve on a 20 payment life preliminary term policy issued in the same year at the same age, together with an amount which shall be equivalent to the accumulation of a net level premium sufficient to provide
for a pure endowment at the end of the premium payment period, equal to the difference between the value at the end of such period of such a 20 payment life preliminary term policy and the full net level premium reserve at such time of such a limited payment life or endowment policy. The premium payment period is the period during which premiums are concurrently payable under such 20 payment life preliminary term policy and such limited payment life or endowment policy.

(d) The legal minimum standard for the valuations of annuities issued on and after January 1, 1938, shall be the American Annuitant's Table with interest not higher than 3 3/4% per annum, and all annuities issued before that date shall be valued on a basis not lower than that used for the annual statement of the year 1937; but annuities deferred 10 or more years and written in connection with life insurance shall be valued on the same basis as that used in computing the consideration or premiums therefor, or upon any higher standard at the option of the company.

(e) The Director may vary the standards of interest and mortality as to contracts issued in countries other than the United States and may vary standards of mortality in particular cases of invalid lives and other extra hazards.

(f) The legal minimum standard for valuation of waiver of premium disability benefits or waiver of premium and income disability benefits issued on and after January 1,
1938, shall be the Class (3) Disability Table (1926) modified to conform to the contractual waiting period, with interest at not more than 3 1/2% per annum; but in no event shall the values be less than those produced by the basis used in computing premiums for such benefits. The legal minimum standard for the valuation of such benefits issued prior to January 1, 1938, shall be such as to place an adequate value, as determined by sound insurance practices, on the liabilities thereunder and shall be such that the value of the benefits under each and every policy shall in no case be less than the value placed upon the future premiums.

(g) The legal minimum standard for the valuation of industrial policies issued on or after January 1, 1938, shall be the American Experience Table of Mortality or the Standard Industrial Mortality Table or the Substandard Industrial Mortality Table with interest at 3 1/2% per annum by the net level premium method, or in accordance with their terms by the modified preliminary term method hereinabove described.

(h) Reserves for all such policies and contracts may be calculated, at the option of the company, according to any standards which produce greater aggregate reserves for all such policies and contracts than the minimum reserves required by this subsection.

(3) This subsection shall apply to only those policies and
contracts issued on or after January 1, 1948 or such earlier operative date of Section 229.2 (the Standard Non-forfeiture Law) as shall have been elected by the insurance company issuing such policies or contracts.

(a) Except as otherwise provided in subsections (4), (6), and (7), the minimum standard for the valuation of all such policies and contracts shall be the Commissioners Reserve valuation method defined in paragraphs (b) and (f) of this subsection and in subsection 5, 3 1/2% interest for such policies issued prior to September 8, 1977, 5 1/2% interest for single premium life insurance policies and 4 1/2% interest for all other such policies issued on or after September 8, 1977, and the following tables:

(i) The Commissioners 1941 Standard Ordinary Mortality Table for all Ordinary policies of life insurance issued on the standard basis, excluding any disability and accidental death benefits in such policies, for such policies issued prior to the operative date of subsection (4a) of Section 229.2 (Standard Non-forfeiture Law); and the Commissioners 1958 Standard Ordinary Mortality Table for such policies issued on or after such operative date but prior to the operative date of subsection (4c) of Section 229.2 provided that for any category of such policies issued on female risks all modified net premiums and present values referred to in this Act
may, prior to September 8, 1977, be calculated according to an age not more than 3 years younger than the actual age of the insured and, after September 8, 1977, calculated according to an age not more than 6 years younger than the actual age of the insured; and for such policies issued on or after the operative date of subsection (4c) of Section 229.2, (i) the Commissioners 1980 Standard Ordinary Mortality Table, or (ii) at the election of the company for any one or more specified plans of life insurance, the Commissioners 1980 Standard Ordinary Mortality Table with Ten-Year Select Mortality Factors, or (iii) any ordinary mortality table adopted after 1980 by the National Association of Insurance Commissioners and approved by regulations promulgated by the Director for use in determining the minimum standard of valuation for such policies.

(ii) For all Industrial Life Insurance policies issued on the standard basis, excluding any disability and accidental death benefits in such policies—the 1941 Standard Industrial Mortality Table for such policies issued prior to the operative date of subsection 4 (b) of Section 229.2 (Standard Non-forfeiture Law); and for such policies issued on or after such operative date the Commissioners 1961 Standard Industrial Mortality Table or any industrial
mortality table adopted after 1980 by the National Association of Insurance Commissioners and approved by regulations promulgated by the Director for use in determining the minimum standard of valuation for such policies.

(iii) For Individual Annuity and Pure Endowment contracts, excluding any disability and accidental death benefits in such policies--the 1937 Standard Annuity Mortality Table--or, at the option of the company, the Annuity Mortality Table for 1949, Ultimate, or any modification of either of these tables approved by the Director.

(iv) For Group Annuity and Pure Endowment contracts, excluding any disability and accidental death benefits in such policies--the Group Annuity Mortality Table for 1951, any modification of such table approved by the Director, or, at the option of the company, any of the tables or modifications of tables specified for Individual Annuity and Pure Endowment contracts.

(v) For Total and Permanent Disability Benefits in or supplementary to Ordinary policies or contracts for policies or contracts issued on or after January 1, 1966, the tables of Period 2 disablement rates and the 1930 to 1950 termination rates of the 1952 Disability Study of the Society of Actuaries, with due regard to
the type of benefit, or any tables of disablement rates and termination rates adopted after 1980 by the National Association of Insurance Commissioners and approved by regulations promulgated by the Director for use in determining the minimum standard of valuation for such policies; for policies or contracts issued on or after January 1, 1961, and prior to January 1, 1966, either such tables or, at the option of the company, the Class (3) Disability Table (1926); and for policies issued prior to January 1, 1961, the Class (3) Disability Table (1926). Any such table shall, for active lives, be combined with a mortality table permitted for calculating the reserves for life insurance policies.

(vi) For Accidental Death benefits in or supplementary to policies--for policies issued on or after January 1, 1966, the 1959 Accidental Death Benefits Table or any accidental death benefits table adopted after 1980 by the National Association of Insurance Commissioners and approved by regulations promulgated by the Director for use in determining the minimum standard of valuation for such policies; for policies issued on or after January 1, 1961, and prior to January 1, 1966, any of such tables or, at the option of the company, the Inter-Company Double Indemnity Mortality Table; and for policies issued
prior to January 1, 1961, the Inter-Company Double
Indemnity Mortality Table. Either table shall be
combined with a mortality table permitted for
calculating the reserves for life insurance policies.

(vii) For Group Life Insurance, life insurance
issued on the substandard basis and other special
benefits--such tables as may be approved by the
Director.

(b) Except as otherwise provided in paragraph (f) of
subsection (3), subsection (5), and subsection (7)
reserves according to the Commissioners reserve valuation
method, for the life insurance and endowment benefits of
policies providing for a uniform amount of insurance and
requiring the payment of uniform premiums shall be the
excess, if any, of the present value, at the date of
valuation, of such future guaranteed benefits provided for
by such policies, over the then present value of any future
modified net premiums therefor. The modified net premiums
for any such policy shall be such uniform percentage of the
respective contract premiums for such benefits that the
present value, at the date of issue of the policy, of all
such modified net premiums shall be equal to the sum of the
then present value of such benefits provided for by the
policy and the excess of (A) over (B), as follows:

(A) A net level annual premium equal to the present
value, at the date of issue, of such benefits provided
for after the first policy year, divided by the present value, at the date of issue, of an annuity of one per annum payable on the first and each subsequent anniversary of such policy on which a premium falls due; provided, however, that such net level annual premium shall not exceed the net level annual premium on the 19 year premium whole life plan for insurance of the same amount at an age one year higher than the age at issue of such policy.

(B) A net one year term premium for such benefits provided for in the first policy year.

For any life insurance policy issued on or after January 1, 1987, for which the contract premium in the first policy year exceeds that of the second year with no comparable additional benefit being provided in that first year, which policy provides an endowment benefit or a cash surrender value or a combination thereof in an amount greater than such excess premium, the reserve according to the Commissioners reserve valuation method as of any policy anniversary occurring on or before the assumed ending date, defined herein as the first policy anniversary on which the sum of any endowment benefit and any cash surrender value then available is greater than such excess premium, shall, except as otherwise provided in paragraph (f) of subsection (3), be the greater of the reserve as of such policy anniversary calculated as described in the preceding part
of this paragraph (b) and the reserve as of such policy anniversary calculated as described in the preceding part of this paragraph (b) with (i) the value defined in subpart A of the preceding part of this paragraph (b) being reduced by 15% of the amount of such excess first year premium, (ii) all present values of benefits and premiums being determined without reference to premiums or benefits provided for by the policy after the assumed ending date, (iii) the policy being assumed to mature on such date as an endowment, and (iv) the cash surrender value provided on such date being considered as an endowment benefit. In making the above comparison, the mortality and interest bases stated in paragraph (a) of subsection (3) and in subsection (6) 6 shall be used.

Reserves according to the Commissioners reserve valuation method for (i) life insurance policies providing for a varying amount of insurance or requiring the payment of varying premiums, (ii) group annuity and pure endowment contracts purchased under a retirement plan or plan of deferred compensation, established or maintained by an employer (including a partnership or sole proprietorship) or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under Section 408 of the Internal Revenue Code, as now or hereafter amended, (iii) disability and accidental death benefits in all policies
and contracts, and (iv) all other benefits, except life
insurance and endowment benefits in life insurance
policies and benefits provided by all other annuity and
pure endowment contracts, shall be calculated by a method
consistent with the principles of this paragraph (b),
except that any extra premiums charged because of
impairments or special hazards shall be disregarded in the
determination of modified net premiums.

(c) In no event shall a company's aggregate reserves
for all life insurance policies, excluding disability and
accidental death benefits be less than the aggregate
reserves calculated in accordance with the methods set
forth in paragraphs (b), (f), and (g) of subsection (3) and
in subsection (5) and the mortality table or tables and
rate or rates of interest used in calculating
non-forfeiture benefits for such policies.

(d) In no event shall the aggregate reserves for all
policies, contracts, and benefits be less than the
aggregate reserves determined by the qualified actuary to
be necessary to render the opinion required by subsection
(1a).

(e) Reserves for any category of policies, contracts or
benefits as established by the Director, may be calculated,
at the option of the company, according to any standards
which produce greater aggregate reserves for such category
than those calculated according to the minimum standard
herein provided, but the rate or rates of interest used for policies and contracts, other than annuity and pure endowment contracts, shall not be higher than the corresponding rate or rates of interest used in calculating any nonforfeiture benefits provided for therein.

(f) If in any contract year the gross premium charged by any life insurance company on any policy or contract is less than the valuation net premium for the policy or contract calculated by the method used in calculating the reserve thereon but using the minimum valuation standards of mortality and rate of interest, the minimum reserve required for such policy or contract shall be the greater of either the reserve calculated according to the mortality table, rate of interest, and method actually used for such policy or contract, or the reserve calculated by the method actually used for such policy or contract but using the minimum standards of mortality and rate of interest and replacing the valuation net premium by the actual gross premium in each contract year for which the valuation net premium exceeds the actual gross premium. The minimum valuation standards of mortality and rate of interest referred to in this paragraph (f) are those standards stated in subsection (6) and paragraph (a) of subsection (3).

For any life insurance policy issued on or after January 1, 1987, for which the gross premium in the first
policy year exceeds that of the second year with no comparable additional benefit provided in that first year, which policy provides an endowment benefit or a cash surrender value or a combination thereof in an amount greater than such excess premium, the foregoing provisions of this paragraph (f) shall be applied as if the method actually used in calculating the reserve for such policy were the method described in paragraph (b) of subsection (3), ignoring the second paragraph of said paragraph (b). The minimum reserve at each policy anniversary of such a policy shall be the greater of the minimum reserve calculated in accordance with paragraph (b) of subsection (3), including the second paragraph of said paragraph (b), and the minimum reserve calculated in accordance with this paragraph (f).

(g) In the case of any plan of life insurance which provides for future premium determination, the amounts of which are to be determined by the insurance company based on then estimates of future experience, or in the case of any plan of life insurance or annuity which is of such a nature that the minimum reserves cannot be determined by the methods described in paragraphs (b) and (f) of subsection (3) and subsection (5), the reserves which are held under any such plan shall:

(i) be appropriate in relation to the benefits and the pattern of premiums for that plan, and
(ii) be computed by a method which is consistent with the principles of this Standard Valuation Law, as determined by regulations promulgated by the Director.

(4) Except as provided in subsection (6), the minimum standard for the valuation of all individual annuity and pure endowment contracts issued on or after the operative date of this subsection, as defined herein, and for all annuities and pure endowments purchased on or after such operative date under group annuity and pure endowment contracts shall be the Commissioners Reserve valuation methods defined in paragraph (b) of subsection (3) and subsection (5) and the following tables and interest rates:

(a) For individual single premium immediate annuity contracts, excluding any disability and accidental death benefits in such contracts, the 1971 Individual Annuity Mortality Table, any individual annuity mortality table adopted after 1980 by the National Association of Insurance Commissioners and approved by regulations promulgated by the Director for use in determining the minimum standard of valuation for such contracts, or any modification of those tables approved by the Director, and 7 1/2% interest.

(b) For individual and pure endowment contracts other than single premium annuity contracts, excluding any disability and accidental death benefits in such contracts, the 1971 Individual Annuity Mortality Table, any individual annuity mortality table adopted after 1980
by the National Association of Insurance Commissioners and approved by regulations promulgated by the Director for use in determining the minimum standard of valuation for such contracts, or any modification of those tables approved by the Director, and 5 1/2% interest for single premium deferred annuity and pure endowment contracts and 4 1/2% interest for all other such individual annuity and pure endowment contracts.

(c) For all annuities and pure endowments purchased under group annuity and pure endowment contracts, excluding any disability and accidental death benefits purchased under such contracts, the 1971 Group Annuity Mortality Table, any group annuity mortality table adopted after 1980 by the National Association of Insurance Commissioners and approved by regulations promulgated by the Director for use in determining the minimum standard of valuation for such annuities and pure endowments, or any modification of those tables approved by the Director, and 7 1/2% interest.

After September 8, 1977, any company may file with the Director a written notice of its election to comply with the provisions of this subsection after a specified date before January 1, 1979, which shall be the operative date of this subsection for such company; provided, a company may elect a different operative date for individual annuity and pure endowment contracts from that elected for group annuity and
pure endowment contracts. If a company makes no election, the operative date of this subsection for such company shall be January 1, 1979.

(5) This subsection shall apply to all annuity and pure endowment contracts other than group annuity and pure endowment contracts purchased under a retirement plan or plan of deferred compensation, established or maintained by an employer (including a partnership or sole proprietorship) or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under Section 408 of the Internal Revenue Code, as now or hereafter amended.

Reserves according to the Commissioners annuity reserve method for benefits under annuity or pure endowment contracts, excluding any disability and accidental death benefits in such contracts, shall be the greatest of the respective excesses of the present values, at the date of valuation, of the future guaranteed benefits, including guaranteed nonforfeiture benefits, provided for by such contracts at the end of each respective contract year, over the present value, at the date of valuation, of any future valuation considerations derived from future gross considerations, required by the terms of such contract, that become payable prior to the end of such respective contract year. The future guaranteed benefits shall be determined by using the mortality table, if any, and the interest rate, or rates, specified in such contracts for
determining guaranteed benefits. The valuation considerations are the portions of the respective gross considerations applied under the terms of such contracts to determine nonforfeiture values.

(6)(a) Applicability of this subsection. (i) The interest rates used in determining the minimum standard for the valuation of

(A) all life insurance policies issued in a particular calendar year, on or after the operative date of subsection (4c) of Section 229.2 (Standard Nonforfeiture Law),

(B) all individual annuity and pure endowment contracts issued in a particular calendar year ending on or after December 31, 1983,

(C) all annuities and pure endowments purchased in a particular calendar year ending on or after December 31, 1983, under group annuity and pure endowment contracts, and

(D) the net increase in a particular calendar year ending after December 31, 1983, in amounts held under guaranteed interest contracts shall be the calendar year statutory valuation interest rates, as defined in this subsection.

(b) Calendar Year Statutory Valuation Interest Rates.

(i) The calendar year statutory valuation interest rates shall be determined according to the following formulae, rounding "I" to the nearest .25%.

(A) For life insurance,
I = .03 + W (R1 - .03) + W/2 (R2 - .09).

(B) For single premium immediate annuities and annuity benefits involving life contingencies arising from other annuities with cash settlement options and from guaranteed interest contracts with cash settlement options,

I = .03 + W (R - .03) or with prior approval of the Director I = .03 + W (Rq - .03).

For the purposes of this subparagraph (i), "I" equals the calendar year statutory valuation interest rate, "R" is the reference interest rate defined in this subsection, "R1" is the lesser of R and .09, "R2" is the greater of R and .09, "Rq" is the quarterly reference interest rate defined in this subsection, and "W" is the weighting factor defined in this subsection.

(C) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on an issue year basis, except as stated in (B), the formula for life insurance stated in (A) applies to annuities and guaranteed interest contracts with guarantee durations in excess of 10 years, and the formula for single premium immediate annuities stated in (B) above applies to annuities and guaranteed
interest contracts with guarantee durations of 10 years or less.

(D) For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the formula for single premium immediate annuities stated in (B) applies.

(E) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a change in fund basis, the formula for single premium immediate annuities stated in (B) applies.

(ii) If the calendar year statutory valuation interest rate for any life insurance policy issued in any calendar year determined without reference to this subparagraph differs from the corresponding actual rate for similar policies issued in the immediately preceding calendar year by less than .5%, the calendar year statutory valuation interest rate for such life insurance policy shall be the corresponding actual rate for the immediately preceding calendar year. For purposes of applying this subparagraph, the calendar year statutory valuation interest rate for life insurance policies issued in a calendar year shall be determined for 1980, using the reference interest rate defined for 1979, and shall be determined for each
subsequent calendar year regardless of when subsection (4c) of Section 229.2 (Standard Nonforfeiture Law) becomes operative.

(c) Weighting Factors.

(i) The weighting factors referred to in the formulae stated in paragraph (b) are given in the following tables.

(A) Weighting Factors for Life Insurance.

For life insurance, the guarantee duration is the maximum number of years the life insurance can remain in force on a basis guaranteed in the policy or under options to convert to plans of life insurance with premium rates or nonforfeiture values or both which are guaranteed in the original policy.

(B) The weighting factor for single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and guaranteed interest contracts with cash settlement
(C) The weighting factors for other annuities and for guaranteed interest contracts, except as stated in (B) of this subparagraph (i), shall be as specified in tables (1), (2), and (3) of this subpart (C), according to the rules and definitions in (4), (5) and (6) of this subpart (C).

(2) For annuities and guaranteed interest contracts valued on a change in fund basis, the factors shown in (1) for Plan Types A, B and C are increased by .15, .25 and .05, respectively.

(3) For annuities and guaranteed interest contracts valued on an issue year basis, other
than those with no cash settlement options, which do not guarantee interest on considerations received more than one year after issue or purchase, and for annuities and guaranteed interest contracts valued on a change in fund basis which do not guarantee interest rates on considerations received more than 12 months beyond the valuation date, the factors shown in (1), or derived in (2), for Plan Types A, B and C are increased by .05.

(4) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, the guarantee duration is the number of years for which the contract guarantees interest rates in excess of the calendar year statutory valuation interest rate for life insurance policies with guarantee durations in excess of 20 years. For other annuities with no cash settlement options, and for guaranteed interest contracts with no cash settlement options, the guarantee duration is the number of years from the date of issue or date of purchase to the date annuity benefits are scheduled to commence.

(5) The plan types used in the above tables
are defined as follows.

Plan Type A is a plan under which the policyholder may not withdraw funds, or may withdraw funds at any time but only (a) with an adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurance company, (b) without such an adjustment but in installments over 5 years or more, or (c) as an immediate life annuity.

Plan Type B is a plan under which the policyholder may not withdraw funds before expiration of the interest rate guarantee, or may withdraw funds before such expiration but only (a) with an adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurance company, or (b) without such adjustment but in installments over 5 years or more. At the end of the interest rate guarantee, funds may be withdrawn without such adjustment in a single sum or installments over less than 5 years.

Plan Type C is a plan under which the policyholder may withdraw funds before expiration of the interest rate guarantee in a single sum or installments over less than 5
years either (a) without adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurance company, or (b) subject only to a fixed surrender charge stipulated in the contract as a percentage of the fund.

(6) A company may elect to value guaranteed interest contracts with cash settlement options and annuities with cash settlement options on either an issue year basis or on a change in fund basis. Guaranteed interest contracts with no cash settlement options and other annuities with no cash settlement options shall be valued on an issue year basis. As used in this Section, "issue year basis of valuation" refers to a valuation basis under which the interest rate used to determine the minimum valuation standard for the entire duration of the annuity or guaranteed interest contract is the calendar year valuation interest rate for the year of issue or year of purchase of the annuity or guaranteed interest contract. "Change in fund basis of valuation", as used in this Section, refers to a valuation basis under which the interest rate used to determine the minimum
valuation standard applicable to each change in the fund held under the annuity or guaranteed interest contract is the calendar year valuation interest rate for the year of the change in the fund.

(d) Reference Interest Rate. (4) The reference interest rate referred to in paragraph (b) of this subsection is defined as follows.

(A) For all life insurance, the reference interest rate is the lesser of the average over a period of 36 months, and the average over a period of 12 months, with both periods ending on June 30, or with prior approval of the Director ending on December 31, of the calendar year next preceding the year of issue, of Moody's Corporate Bond Yield Average - Monthly Average Corporates, as published by Moody's Investors Service, Inc.

(B) For single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, the reference interest rate is the average over a period of 12 months, ending on June 30, or with prior approval of the Director ending on December 31, of the calendar year of issue or year of purchase, of Moody's Corporate Bond Yield Average - Monthly Average
Corporates, as published by Moody's Investors Service, Inc.

(C) For annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a year of issue basis, except those described in (B), with guarantee durations in excess of 10 years, the reference interest rate is the lesser of the average over a period of 36 months and the average over a period of 12 months, ending on June 30, or with prior approval of the Director ending on December 31, of the calendar year of issue or purchase, of Moody's Corporate Bond Yield Average-Monthly Average Corporates, as published by Moody's Investors Service, Inc.

(D) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a year of issue basis, except those described in (B), with guarantee durations of 10 years or less, the reference interest rate is the average over a period of 12 months, ending on June 30, or with prior approval of the Director ending on December 31, of the calendar year of issue or purchase, of Moody's Corporate Bond Yield Average-Monthly Average Corporates, as published by Moody's Investors Service, Inc.

(E) For annuities with no cash settlement options
and for guaranteed interest contracts with no cash settlement options, the reference interest rate is the average over a period of 12 months, ending on June 30, or with prior approval of the Director ending on December 31, of the calendar year of issue or purchase, of Moody's Corporate Bond Yield Average-Monthly Average Corporates, as published by Moody's Investors Service, Inc.

(F) For annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a change in fund basis, except those described in (B), the reference interest rate is the average over a period of 12 months, ending on June 30, or with prior approval of the Director ending on December 31, of the calendar year of the change in the fund, of Moody's Corporate Bond Yield Average-Monthly Average Corporates, as published by Moody's Investors Service, Inc.

(G) For annuities valued by a formula based on Rq, the quarterly reference interest rate is, with the prior approval of the Director, the average within each of the 4 consecutive calendar year quarters ending on March 31, June 30, September 30 and December 31 of the calendar year of issue or year of purchase of Moody's Corporate Bond Yield Average-Monthly Average Corporates, as published by Moody's Investors Service,
Inc.

(e) Alternative Method for Determining Reference Interest Rates. In the event that the Moody's Corporate Bond Yield Average-Monthly Average Corporates is no longer published by Moody's Investors Services, Inc., or in the event that the National Association of Insurance Commissioners determines that Moody's Corporate Bond Yield Average-Monthly Average Corporates as published by Moody's Investors Service, Inc. is no longer appropriate for the determination of the reference interest rate, then an alternative method for determination of the reference interest rate, which is adopted by the National Association of Insurance Commissioners and approved by regulations promulgated by the Director, may be substituted.

(7) Minimum Standards for Health (Disability, Accident and Sickness) Plans. The Director shall promulgate a regulation containing the minimum standards applicable to the valuation of health (disability, sickness and accident) plans.

(c) In considering the merger, consolidation, or other acquisition of control of a Health Maintenance Organization pursuant to Article VIII 1/2 of the Illinois Insurance Code,

(1) the Director shall give primary consideration to
the continuation of benefits to enrollees and the financial conditions of the acquired Health Maintenance Organization after the merger, consolidation, or other acquisition of control takes effect;

(2)(i) the criteria specified in subsection (1)(b) of Section 131.8 of the Illinois Insurance Code shall not apply and (ii) the Director, in making his determination with respect to the merger, consolidation, or other acquisition of control, need not take into account the effect on competition of the merger, consolidation, or other acquisition of control;

(3) the Director shall have the power to require the following information:

(A) certification by an independent actuary of the adequacy of the reserves of the Health Maintenance Organization sought to be acquired;

(B) pro forma financial statements reflecting the combined balance sheets of the acquiring company and the Health Maintenance Organization sought to be acquired as of the end of the preceding year and as of a date 90 days prior to the acquisition, as well as pro forma financial statements reflecting projected combined operation for a period of 2 years;

e) In considering any management contract or service agreement subject to Section 141.1 of the Illinois Insurance Code, the Director (i) shall, in addition to the criteria specified in Section 141.2 of the Illinois Insurance Code, take into account the effect of the management contract or service agreement on the continuation of benefits to enrollees and the financial condition of the health maintenance organization to be managed or serviced, and (ii) need not take into account the effect of the management contract or service agreement on competition.

f) Except for small employer groups as defined in the Small Employer Rating, Renewability and Portability Health Insurance Act and except for medicare supplement policies as defined in Section 363 of the Illinois Insurance Code, a Health Maintenance Organization may by contract agree with a group or other enrollment unit to effect refunds or charge additional premiums under the following terms and conditions:
(i) the amount of, and other terms and conditions with respect to, the refund or additional premium are set forth in the group or enrollment unit contract agreed in advance of the period for which a refund is to be paid or additional premium is to be charged (which period shall not be less than one year); and

(ii) the amount of the refund or additional premium shall not exceed 20% of the Health Maintenance Organization's profitable or unprofitable experience with respect to the group or other enrollment unit for the period (and, for purposes of a refund or additional premium, the profitable or unprofitable experience shall be calculated taking into account a pro rata share of the Health Maintenance Organization's administrative and marketing expenses, but shall not include any refund to be made or additional premium to be paid pursuant to this subsection (f)). The Health Maintenance Organization and the group or enrollment unit may agree that the profitable or unprofitable experience may be calculated taking into account the refund period and the immediately preceding 2 plan years.

The Health Maintenance Organization shall include a statement in the evidence of coverage issued to each enrollee describing the possibility of a refund or additional premium, and upon request of any group or enrollment unit, provide to the group or enrollment unit a description of the method used
to calculate (1) the Health Maintenance Organization's profitable experience with respect to the group or enrollment unit and the resulting refund to the group or enrollment unit or (2) the Health Maintenance Organization's unprofitable experience with respect to the group or enrollment unit and the resulting additional premium to be paid by the group or enrollment unit.

In no event shall the Illinois Health Maintenance Organization Guaranty Association be liable to pay any contractual obligation of an insolvent organization to pay any refund authorized under this Section.

Section 220. The Public Utilities Act is amended by renumbering Section 12-103, by changing Sections 8-206, 13-507.1, 13-701, 16-111, 21-101, 21-101.1, 21-201, 21-301, 21-401, 21-601, 21-801, 21-901, 21-1001, 21-1101, 21-1201, and 21-1301, and by renumbering and changing Article 70 as follows:

(220 ILCS 5/8-103)

Sec. 8-103. Energy efficiency and demand-response measures.

(a) It is the policy of the State that electric utilities are required to use cost-effective energy efficiency and demand-response measures to reduce delivery load. Requiring investment in cost-effective energy efficiency and demand-response measures will reduce direct and indirect costs to consumers by decreasing environmental impacts and by avoiding or delaying the need for new generation, transmission, and distribution infrastructure. It serves the public interest to allow electric utilities to recover costs for reasonably and prudently incurred expenses for energy efficiency and demand-response measures. As used in this Section, "cost-effective" means that the measures satisfy the total resource cost test. The low-income measures described in
subsection (f)(4) of this Section shall not be required to meet the total resource cost test. For purposes of this Section, the terms "energy-efficiency", "demand-response", "electric utility", and "total resource cost test" shall have the meanings set forth in the Illinois Power Agency Act. For purposes of this Section, the amount per kilowatthour means the total amount paid for electric service expressed on a per kilowatthour basis. For purposes of this Section, the total amount paid for electric service includes without limitation estimated amounts paid for supply, transmission, distribution, surcharges, and add-on-taxes.

(b) Electric utilities shall implement cost-effective energy efficiency measures to meet the following incremental annual energy savings goals:

   (1) 0.2% of energy delivered in the year commencing June 1, 2008;
   
   (2) 0.4% of energy delivered in the year commencing June 1, 2009;
   
   (3) 0.6% of energy delivered in the year commencing June 1, 2010;
   
   (4) 0.8% of energy delivered in the year commencing June 1, 2011;
   
   (5) 1% of energy delivered in the year commencing June 1, 2012;
   
   (6) 1.4% of energy delivered in the year commencing June 1, 2013;
(7) 1.8% of energy delivered in the year commencing June 1, 2014; and

(8) 2% of energy delivered in the year commencing June 1, 2015 and each year thereafter.

(c) Electric utilities shall implement cost-effective demand-response measures to reduce peak demand by 0.1% over the prior year for eligible retail customers, as defined in Section 16-111.5 of this Act. This requirement commences June 1, 2008 and continues for 10 years.

(d) Notwithstanding the requirements of subsections (b) and (c) of this Section, an electric utility shall reduce the amount of energy efficiency and demand-response measures implemented in any single year by an amount necessary to limit the estimated average increase in the amounts paid by retail customers in connection with electric service due to the cost of those measures to:

(1) in 2008, no more than 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2007;

(2) in 2009, the greater of an additional 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2008 or 1% of the amount paid per kilowatthour by those customers during the year ending May 31, 2007;

(3) in 2010, the greater of an additional 0.5% of the amount paid per kilowatthour by those customers during
the year ending May 31, 2009 or 1.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2007;

(4) in 2011, the greater of an additional 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2010 or 2% of the amount paid per kilowatthour by those customers during the year ending May 31, 2007; and

(5) thereafter, the amount of energy efficiency and demand-response measures implemented for any single year shall be reduced by an amount necessary to limit the estimated average net increase due to the cost of these measures included in the amounts paid by eligible retail customers in connection with electric service to no more than the greater of 2.015% of the amount paid per kilowatthour by those customers during the year ending May 31, 2007 or the incremental amount per kilowatthour paid for these measures in 2011.

No later than June 30, 2011, the Commission shall review the limitation on the amount of energy efficiency and demand-response measures implemented pursuant to this Section and report to the General Assembly its findings as to whether that limitation unduly constrains the procurement of energy efficiency and demand-response measures.

(e) Electric utilities shall be responsible for overseeing the design, development, and filing of energy efficiency and
demand-response plans with the Commission. Electric utilities shall implement 100% of the demand-response measures in the plans. Electric utilities shall implement 75% of the energy efficiency measures approved by the Commission, and may, as part of that implementation, outsource various aspects of program development and implementation. The remaining 25% of those energy efficiency measures approved by the Commission shall be implemented by the Department of Commerce and Economic Opportunity, and must be designed in conjunction with the utility and the filing process. The Department may outsource development and implementation of energy efficiency measures. A minimum of 10% of the entire portfolio of cost-effective energy efficiency measures shall be procured from units of local government, municipal corporations, school districts, and community college districts. The Department shall coordinate the implementation of these measures.

The apportionment of the dollars to cover the costs to implement the Department's share of the portfolio of energy efficiency measures shall be made to the Department once the Department has executed grants or contracts for energy efficiency measures and provided supporting documentation for those grants and the contracts to the utility.

The details of the measures implemented by the Department shall be submitted by the Department to the Commission in connection with the utility's filing regarding the energy efficiency and demand-response measures that the utility
A utility providing approved energy efficiency and demand-response measures in the State shall be permitted to recover costs of those measures through an automatic adjustment clause tariff filed with and approved by the Commission. The tariff shall be established outside the context of a general rate case. Each year the Commission shall initiate a review to reconcile any amounts collected with the actual costs and to determine the required adjustment to the annual tariff factor to match annual expenditures.

Each utility shall include, in its recovery of costs, the costs estimated for both the utility's and the Department's implementation of energy efficiency and demand-response measures. Costs collected by the utility for measures implemented by the Department shall be submitted to the Department pursuant to Section 605-323 of the Civil Administrative Code of Illinois and shall be used by the Department solely for the purpose of implementing these measures. A utility shall not be required to advance any moneys to the Department but only to forward such funds as it has collected. The Department shall report to the Commission on an annual basis regarding the costs actually incurred by the Department in the implementation of the measures. Any changes to the costs of energy efficiency measures as a result of plan modifications shall be appropriately reflected in amounts recovered by the utility and turned over to the Department.
The portfolio of measures, administered by both the utilities and the Department, shall, in combination, be designed to achieve the annual savings targets described in subsections (b) and (c) of this Section, as modified by subsection (d) of this Section.

The utility and the Department shall agree upon a reasonable portfolio of measures and determine the measurable corresponding percentage of the savings goals associated with measures implemented by the utility or Department.

No utility shall be assessed a penalty under subsection (f) of this Section for failure to make a timely filing if that failure is the result of a lack of agreement with the Department with respect to the allocation of responsibilities or related costs or target assignments. In that case, the Department and the utility shall file their respective plans with the Commission and the Commission shall determine an appropriate division of measures and programs that meets the requirements of this Section.

If the Department is unable to meet incremental annual performance goals for the portion of the portfolio implemented by the Department, then the utility and the Department shall jointly submit a modified filing to the Commission explaining the performance shortfall and recommending an appropriate course going forward, including any program modifications that may be appropriate in light of the evaluations conducted under item (7) of subsection (f) of this Section. In this case, the
utility obligation to collect the Department's costs and turn over those funds to the Department under this subsection (e) shall continue only if the Commission approves the modifications to the plan proposed by the Department.

(f) No later than November 15, 2007, each electric utility shall file an energy efficiency and demand-response plan with the Commission to meet the energy efficiency and demand-response standards for 2008 through 2010. Every 3 years thereafter, each electric utility shall file an energy efficiency and demand-response plan with the Commission. If a utility does not file such a plan, it shall face a penalty of $100,000 per day until the plan is filed. Each utility's plan shall set forth the utility's proposals to meet the utility's portion of the energy efficiency standards identified in subsection (b) and the demand-response standards identified in subsection (c) of this Section as modified by subsections (d) and (e), taking into account the unique circumstances of the utility's service territory. The Commission shall seek public comment on the utility's plan and shall issue an order approving or disapproving each plan within 3 months after its submission. If the Commission disapproves a plan, the Commission shall, within 30 days, describe in detail the reasons for the disapproval and describe a path by which the utility may file a revised draft of the plan to address the Commission's concerns satisfactorily. If the utility does not refile with the Commission within 60 days, the utility shall be
subject to penalties at a rate of $100,000 per day until the plan is filed. This process shall continue, and penalties shall accrue, until the utility has successfully filed a portfolio of energy efficiency and demand-response measures. Penalties shall be deposited into the Energy Efficiency Trust Fund. In submitting proposed energy efficiency and demand-response plans and funding levels to meet the savings goals adopted by this Act the utility shall:

(1) Demonstrate that its proposed energy efficiency and demand-response measures will achieve the requirements that are identified in subsections (b) and (c) of this Section, as modified by subsections (d) and (e).

(2) Present specific proposals to implement new building and appliance standards that have been placed into effect.

(3) Present estimates of the total amount paid for electric service expressed on a per kilowatthour basis associated with the proposed portfolio of measures designed to meet the requirements that are identified in subsections (b) and (c) of this Section, as modified by subsections (d) and (e).

(4) Coordinate with the Department and the Department of Healthcare and Family Services to present a portfolio of energy efficiency measures targeted to households at or below 150% of the poverty level at a level proportionate to those households' share of total annual utility revenues in
Illinois.

(5) Demonstrate that its overall portfolio of energy efficiency and demand-response measures, not including programs covered by item (4) of this subsection (f), are cost-effective using the total resource cost test and represent a diverse cross-section of opportunities for customers of all rate classes to participate in the programs.

(6) Include a proposed cost-recovery tariff mechanism to fund the proposed energy efficiency and demand-response measures and to ensure the recovery of the prudently and reasonably incurred costs of Commission-approved programs.

(7) Provide for an annual independent evaluation of the performance of the cost-effectiveness of the utility's portfolio of measures and the Department's portfolio of measures, as well as a full review of the 3-year results of the broader net program impacts and, to the extent practical, for adjustment of the measures on a going-forward basis as a result of the evaluations. The resources dedicated to evaluation shall not exceed 3% of portfolio resources in any given year.

(g) No more than 3% of energy efficiency and demand-response program revenue may be allocated for demonstration of breakthrough equipment and devices.

(h) This Section does not apply to an electric utility that on December 31, 2005 provided electric service to fewer than
100,000 customers in Illinois.

(i) If, after 2 years, an electric utility fails to meet the efficiency standard specified in subsection (b) of this Section, as modified by subsections (d) and (e), it shall make a contribution to the Low-Income Home Energy Assistance Program. The combined total liability for failure to meet the goal shall be $1,000,000, which shall be assessed as follows: a large electric utility shall pay $665,000, and a medium electric utility shall pay $335,000. If, after 3 years, an electric utility fails to meet the efficiency standard specified in subsection (b) of this Section, as modified by subsections (d) and (e), it shall make a contribution to the Low-Income Home Energy Assistance Program. The combined total liability for failure to meet the goal shall be $1,000,000, which shall be assessed as follows: a large electric utility shall pay $665,000, and a medium electric utility shall pay $335,000. In addition, the responsibility for implementing the energy efficiency measures of the utility making the payment shall be transferred to the Illinois Power Agency if, after 3 years, or in any subsequent 3-year period, the utility fails to meet the efficiency standard specified in subsection (b) of this Section, as modified by subsections (d) and (e). The Agency shall implement a competitive procurement program to procure resources necessary to meet the standards specified in this Section as modified by subsections (d) and (e), with costs for those resources to be recovered in the same manner as
products purchased through the procurement plan as provided in Section 16-111.5. The Director shall implement this requirement in connection with the procurement plan as provided in Section 16-111.5.

For purposes of this Section, (i) a "large electric utility" is an electric utility that, on December 31, 2005, served more than 2,000,000 electric customers in Illinois; (ii) a "medium electric utility" is an electric utility that, on December 31, 2005, served 2,000,000 or fewer but more than 100,000 electric customers in Illinois; and (iii) Illinois electric utilities that are affiliated by virtue of a common parent company are considered a single electric utility.

(j) If, after 3 years, or any subsequent 3-year period, the Department fails to implement the Department's share of energy efficiency measures required by the standards in subsection (b), then the Illinois Power Agency may assume responsibility for and control of the Department's share of the required energy efficiency measures. The Agency shall implement a competitive procurement program to procure resources necessary to meet the standards specified in this Section, with the costs of these resources to be recovered in the same manner as provided for the Department in this Section.

(k) No electric utility shall be deemed to have failed to meet the energy efficiency standards to the extent any such failure is due to a failure of the Department or the Agency. (Source: P.A. 95-481, eff. 8-28-07; revised 12-7-07.)
(220 ILCS 5/8-206) (from Ch. 111 2/3, par. 8-206)

Sec. 8-206. Winter termination for nonpayment.

(a) Notwithstanding any other provision of this Act, no electric or gas public utility shall disconnect service to any residential customer or mastermetered apartment building for nonpayment of a bill or deposit where gas or electricity is used as the primary source of space heating or is used to control or operate the primary source of space heating equipment at the premises during the period of time from December 1 through and including March 31 of the immediately succeeding calendar year, unless:

(1) The utility (i) has offered the customer a deferred payment arrangement allowing for payment of past due amounts over a period of not less than 4 months not to extend beyond the following November and the option to enter into a levelized payment plan for the payment of future bills. The maximum down payment requirements shall not exceed 10% of the amount past due and owing at the time of entering into the agreement; and (ii) has provided the customer with the names, addresses and telephone numbers of governmental and private agencies which may provide assistance to customers of public utilities in paying their utility bills; the utility shall obtain the approval of an agency before placing the name of that agency on any list which will be used to provide such information to
customers;

(2) The customer has refused or failed to enter into a deferred payment arrangement as described in paragraph (1) of this subsection (a); and

(3) All notice requirements as provided by law and rules or regulations of the Commission have been met.

(b) Prior to termination of service for any residential customer or mastermetered apartment building during the period from December 1 through and including March 31 of the immediately succeeding calendar year, all electric and gas public utilities shall, in addition to all other notices:

(1) Notify the customer or an adult residing at the customer's premises by telephone, a personal visit to the customer's premises or by first class mail, informing the customer that:

   (i) the customer's account is in arrears and the customer's service is subject to termination for nonpayment of a bill;

   (ii) the customer can avoid disconnection of service by entering into a deferred payment agreement to pay past due amounts over a period not to extend beyond the following November and the customer has the option to enter into a levelized payment plan for the payment of future bills;

   (iii) the customer may apply for any available assistance to aid in the payment of utility bills from
any governmental or private agencies from the list of such agencies provided to the customer by the utility.

Provided, however, that a public utility shall be required to make only one such contact with the customer during any such period from December 1 through and including March 31 of the immediately succeeding calendar year.

(2) Each public utility shall maintain records which shall include, but not necessarily be limited to, the manner by which the customer was notified and the time, date and manner by which any prior but unsuccessful attempts to contact were made. These records shall also describe the terms of the deferred payment arrangements offered to the customer and those entered into by the utility and customers. These records shall indicate the total amount past due, the down payment, the amount remaining to be paid and the number of months allowed to pay the outstanding balance. No public utility shall be required to retain records pertaining to unsuccessful attempts to contact or deferred payment arrangements rejected by the customer after such customer has entered into a deferred payment arrangement with such utility.

(c) No public utility shall disconnect service for nonpayment of a bill until the lapse of 6 business days after making the notification required by paragraph (1) of subsection (b) so as to allow the customer an opportunity to:
(1) Enter into a deferred payment arrangement and the option to enter into a levelized payment plan for the payment of future bills.

(2) Contact a governmental or private agency that may provide assistance to customers for the payment of public utility bills.

(d) Any residential customer who enters into a deferred payment arrangement pursuant to this Act, and subsequently during that period of time set forth in subsection (a) becomes subject to termination, shall be given notice as required by law and any rule or regulation of the Commission prior to termination of service.

(e) During that time period set forth in subsection (a), a utility shall not require a down payment for a deposit from a residential customer in excess of 20% of the total deposit requested. An additional 4 months shall be allowed to pay the remainder of the deposit. This provision shall not apply to mastermetered apartment buildings or other nonresidential customers.

(f) During that period of time set forth in subsection (a), no utility may refuse to offer a deferred payment agreement to a residential customer who has defaulted on such an agreement within the past 12 months. However, no utility shall be required to enter into more than one deferred payment arrangement under this Section with any residential customer or mastermetered apartment building during the period from...
December 1 through and including March 31 of the immediately succeeding calendar year.

(g) In order to enable customers to take advantage of energy assistance programs, customers who can demonstrate that their applications for a local, state or federal energy assistance program have been approved may request that the amount they will be entitled to receive as a regular energy assistance payment be deducted and set aside from the amount past due on which they make deferred payment arrangements. Payment on the set-aside amount shall be credited when the energy assistance voucher or check is received, according to the utility's common business practice.

(h) In no event shall any utility send a final notice to any customer who has entered into a current deferred payment agreement and has not defaulted on that deferred payment agreement, unless the final notice pertains to a deposit request.

(i) Each utility shall include with each disconnection notice sent during the period for December 1 through and including March 31 of the immediately succeeding calendar year to a residential customer an insert explaining the above provisions and providing a telephone number of the utility company which the consumer may call to receive further information.

(j) Each utility shall file with the Commission prior to December 1 of each year a plan detailing the implementation of
this Section. This plan shall contain, but not be limited to:

(1) a description of the methods to be used to notify residential customers as required in this Section, including the forms of written and oral notices which shall be required to include all the information contained in subsection (b) of this Section.

(2) a listing of the names, addresses and telephone numbers of governmental and private agencies which may provide assistance to residential customers in paying their utility bills.

(3) the program of employee education and information which shall be used by the company in the implementation of this Section.

(4) a description of methods to be utilized to inform residential customers of those governmental and private agencies and current and planned methods of cooperation with those agencies to identify the customers who qualify for assistance in paying their utility bills.

A utility which has a plan on file with the Commission need not resubmit a new plan each year. However, any alteration of the plan on file must be submitted and approved prior to December 1 of any year.

All plans are subject to review and approval by the Commission. The Commission may direct a utility to alter its plan to comply with the requirements of this Section.

(k) Notwithstanding any other provision of this Act, no
electric or gas public utility shall disconnect service to any residential customer who is a participant under Section 6 of the Energy Assistance Act for nonpayment of a bill or deposit where gas or electricity is used as the primary source of space heating or is used to control or operate the primary source of space heating equipment at the premises during the period of time from December 1 through and including March 31 of the immediately succeeding calendar year.

Sec. 16-111. Rates and restructuring transactions during mandatory transition period; restructuring and other transactions.

(a) During the mandatory transition period, notwithstanding any provision of Article IX of this Act, and except as provided in subsections (b) and (f) of this Section, the Commission shall not (i) initiate, authorize or order any change by way of increase (other than in connection with a request for rate increase which was filed after September 1,
1997 but prior to October 15, 1997, by an electric utility serving less than 12,500 customers in this State), (ii) initiate or, unless requested by the electric utility, authorize or order any change by way of decrease, restructuring or unbundling (except as provided in Section 16-109A), in the rates of any electric utility that were in effect on October 1, 1996, or (iii) in any order approving any application for a merger pursuant to Section 7-204 that was pending as of May 16, 1997, impose any condition requiring any filing for an increase, decrease, or change in, or other review of, an electric utility's rates or enforce any such condition of any such order; provided, however, that this subsection shall not prohibit the Commission from:

(1) approving the application of an electric utility to implement an alternative to rate of return regulation or a regulatory mechanism that rewards or penalizes the electric utility through adjustment of rates based on utility performance, pursuant to Section 9-244;

(2) authorizing an electric utility to eliminate its fuel adjustment clause and adjust its base rate tariffs in accordance with subsection (b), (d), or (f) of Section 9-220 of this Act, to fix its fuel adjustment factor in accordance with subsection (c) of Section 9-220 of this Act, or to eliminate its fuel adjustment clause in accordance with subsection (e) of Section 9-220 of this Act;
(3) ordering into effect tariffs for delivery services and transition charges in accordance with Sections 16-104 and 16-108, for real-time pricing in accordance with Section 16-107, or the options required by Section 16-110 and subsection (n) of 16-112, allowing a billing experiment in accordance with Section 16-106, or modifying delivery services tariffs in accordance with Section 16-109; or

(4) ordering or allowing into effect any tariff to recover charges pursuant to Sections 9-201.5, 9-220.1, 9-221, 9-222 (except as provided in Section 9-222.1), 16-108, and 16-114 of this Act, Section 5-5 of the Electricity Infrastructure Maintenance Fee Law, Section 6-5 of the Renewable Energy, Energy Efficiency, and Coal Resources Development Law of 1997, and Section 13 of the Energy Assistance Act.

After December 31, 2004, the provisions of this subsection (a) shall not apply to an electric utility whose average residential retail rate was less than or equal to 90% of the average residential retail rate for the "Midwest Utilities", as that term is defined in subsection (b) of this Section, based on data reported on Form 1 to the Federal Energy Regulatory Commission for calendar year 1995, and which served between 150,000 and 250,000 retail customers in this State on January 1, 1995 unless the electric utility or its holding company has been acquired by or merged with an affiliate of another electric utility subsequent to January 1, 2002. This exemption
shall be limited to this subsection (a) and shall not extend to any other provisions of this Act.

(b) Notwithstanding the provisions of subsection (a), each Illinois electric utility serving more than 12,500 customers in Illinois shall file tariffs (i) reducing, effective August 1, 1998, each component of its base rates to residential retail customers by 15% from the base rates in effect immediately prior to January 1, 1998 and (ii) if the public utility provides electric service to (A) more than 500,000 customers but less than 1,000,000 customers in this State on January 1, 1999, reducing, effective May 1, 2002, each component of its base rates to residential retail customers by an additional 5% from the base rates in effect immediately prior to January 1, 1998, or (B) at least 1,000,000 customers in this State on January 1, 1999, reducing, effective October 1, 2001, each component of its base rates to residential retail customers by an additional 5% from the base rates in effect immediately prior to January 1, 1998. Provided, however, that (A) if an electric utility's average residential retail rate is less than or equal to the average residential retail rate for a group of Midwest Utilities (consisting of all investor-owned electric utilities with annual system peaks in excess of 1000 megawatts in the States of Illinois, Indiana, Iowa, Kentucky, Michigan, Missouri, Ohio, and Wisconsin), based on data reported on Form 1 to the Federal Energy Regulatory Commission for calendar year 1995, then it shall only be required to file tariffs (i)
reducing, effective August 1, 1998, each component of its base rates to residential retail customers by 5% from the base rates in effect immediately prior to January 1, 1998, (ii) reducing, effective October 1, 2000, each component of its base rates to residential retail customers by the lesser of 5% of the base rates in effect immediately prior to January 1, 1998 or the percentage by which the electric utility's average residential retail rate exceeds the average residential retail rate of the Midwest Utilities, based on data reported on Form 1 to the Federal Energy Regulatory Commission for calendar year 1999, and (iii) reducing, effective October 1, 2002, each component of its base rates to residential retail customers by an additional amount equal to the lesser of 5% of the base rates in effect immediately prior to January 1, 1998 or the percentage by which the electric utility's average residential retail rate exceeds the average residential retail rate of the Midwest Utilities, based on data reported on Form 1 to the Federal Energy Regulatory Commission for calendar year 2001; and (B) if the average residential retail rate of an electric utility serving between 150,000 and 250,000 retail customers in this State on January 1, 1995 is less than or equal to 90% of the average residential retail rate for the Midwest Utilities, based on data reported on Form 1 to the Federal Energy Regulatory Commission for calendar year 1995, then it shall only be required to file tariffs (i) reducing, effective August 1, 1998, each component of its base rates to residential retail
customers by 2% from the base rates in effect immediately prior to January 1, 1998; (ii) reducing, effective October 1, 2000, each component of its base rates to residential retail customers by 2% from the base rate in effect immediately prior to January 1, 1998; and (iii) reducing, effective October 1, 2002, each component of its base rates to residential retail customers by 1% from the base rates in effect immediately prior to January 1, 1998. Provided, further, that any electric utility for which a decrease in base rates has been or is placed into effect between October 1, 1996 and the dates specified in the preceding sentences of this subsection, other than pursuant to the requirements of this subsection, shall be entitled to reduce the amount of any reduction or reductions in its base rates required by this subsection by the amount of such other decrease. The tariffs required under this subsection shall be filed 45 days in advance of the effective date. Notwithstanding anything to the contrary in Section 9-220 of this Act, no restatement of base rates in conjunction with the elimination of a fuel adjustment clause under that Section shall result in a lesser decrease in base rates than customers would otherwise receive under this subsection had the electric utility's fuel adjustment clause not been eliminated.

(c) Any utility reducing its base rates by 15% on August 1, 1998 pursuant to subsection (b) shall include the following statement on its bills for residential customers from August 1 through December 31, 1998: "Effective August 1, 1998, your
rates have been reduced by 15% by the Electric Service Customer Choice and Rate Relief Law of 1997 passed by the Illinois General Assembly.". Any utility reducing its base rates by 5% on August 1, 1998, pursuant to subsection (b) shall include the following statement on its bills for residential customers from August 1 through December 31, 1998: "Effective August 1, 1998, your rates have been reduced by 5% by the Electric Service Customer Choice and Rate Relief Law of 1997 passed by the Illinois General Assembly."

Any utility reducing its base rates by 2% on August 1, 1998 pursuant to subsection (b) shall include the following statement on its bills for residential customers from August 1 through December 31, 1998: "Effective August 1, 1998, your rates have been reduced by 2% by the Electric Service Customer Choice and Rate Relief Law of 1997 passed by the Illinois General Assembly."

(d) (Blank.)

(e) (Blank.)

(f) During the mandatory transition period, an electric utility may file revised tariffs reducing the price of any tariffed service offered by the electric utility for all customers taking that tariffed service, which shall be effective 7 days after filing.

(g) Until all classes of tariffed services are declared competitive, an electric utility may, without obtaining any approval of the Commission other than that provided for in this
subsection and notwithstanding any other provision of this Act or any rule or regulation of the Commission that would require such approval:

(1) implement a reorganization, other than a merger of 2 or more public utilities as defined in Section 3-105 or their holding companies;

(2) retire generating plants from service;

(3) sell, assign, lease or otherwise transfer assets to an affiliated or unaffiliated entity and as part of such transaction enter into service agreements, power purchase agreements, or other agreements with the transferee; provided, however, that the prices, terms and conditions of any power purchase agreement must be approved or allowed into effect by the Federal Energy Regulatory Commission; or

(4) use any accelerated cost recovery method including accelerated depreciation, accelerated amortization or other capital recovery methods, or record reductions to the original cost of its assets.

In order to implement a reorganization, retire generating plants from service, or sell, assign, lease or otherwise transfer assets pursuant to this Section, the electric utility shall comply with subsections (c) and (d) of Section 16-128, if applicable, and subsection (k) of this Section, if applicable, and provide the Commission with at least 30 days notice of the proposed reorganization or transaction, which notice shall include the following information:
(i) a complete statement of the entries that the electric utility will make on its books and records of account to implement the proposed reorganization or transaction together with a certification from an independent certified public accountant that such entries are in accord with generally accepted accounting principles and, if the Commission has previously approved guidelines for cost allocations between the utility and its affiliates, a certification from the chief accounting officer of the utility that such entries are in accord with those cost allocation guidelines;

(ii) a description of how the electric utility will use proceeds of any sale, assignment, lease or transfer to retire debt or otherwise reduce or recover the costs of services provided by such electric utility;

(iii) a list of all federal approvals or approvals required from departments and agencies of this State, other than the Commission, that the electric utility has or will obtain before implementing the reorganization or transaction;

(iv) an irrevocable commitment by the electric utility that it will not, as a result of the transaction, impose any stranded cost charges that it might otherwise be allowed to charge retail customers under federal law or increase the transition charges that it is otherwise entitled to collect under this Article XVI; and
(v) if the electric utility proposes to sell, assign, lease or otherwise transfer a generating plant that brings the amount of net dependable generating capacity transferred pursuant to this subsection to an amount equal to or greater than 15% of the electric utility's net dependable capacity as of the effective date of this amendatory Act of 1997, and enters into a power purchase agreement with the entity to which such generating plant is sold, assigned, leased, or otherwise transferred, the electric utility also agrees, if its fuel adjustment clause has not already been eliminated, to eliminate its fuel adjustment clause in accordance with subsection (b) of Section 9-220 for a period of time equal to the length of any such power purchase agreement or successor agreement, or until January 1, 2005, whichever is longer; if the capacity of the generating plant so transferred and related power purchase agreement does not result in the elimination of the fuel adjustment clause under this subsection, and the fuel adjustment clause has not already been eliminated, the electric utility shall agree that the costs associated with the transferred plant that are included in the calculation of the rate per kilowatt-hour to be applied pursuant to the electric utility's fuel adjustment clause during such period shall not exceed the per kilowatt-hour cost associated with such generating plant included in the electric utility's fuel adjustment clause during the full
calendar year preceding the transfer, with such limit to be
adjusted each year thereafter by the Gross Domestic Product
Implicit Price Deflator; and.

(vi) In addition, if the electric utility proposes
to sell, assign, or lease, (A) either (1) an amount of
generating plant that brings the amount of net dependable
generating capacity transferred pursuant to this
subsection to an amount equal to or greater than 15% of its
net dependable capacity on the effective date of this
amendatory Act of 1997, or (2) one or more generating
plants with a total net dependable capacity of 1100
megawatts, or (B) transmission and distribution facilities
that either (1) bring the amount of transmission and
distribution facilities transferred pursuant to this
subsection to an amount equal to or greater than 15% of the
electric utility's total depreciated original cost
investment in such facilities, or (2) represent an
investment of $25,000,000 in terms of total depreciated
original cost, the electric utility shall provide, in
addition to the information listed in subparagraphs (i)
through (v), the following information: (A) a description
of how the electric utility will meet its service
obligations under this Act in a safe and reliable manner
and (B) the electric utility's projected earned rate of
return on common equity for each year from the date of the
notice through December 31, 2006 both with and without the
proposed transaction. If the Commission has not issued an order initiating a hearing on the proposed transaction within 30 days after the date the electric utility's notice is filed, the transaction shall be deemed approved. The Commission may, after notice and hearing, prohibit the proposed transaction if it makes either or both of the following findings: (1) that the proposed transaction will render the electric utility unable to provide its tariffed services in a safe and reliable manner, or (2) that there is a strong likelihood that consummation of the proposed transaction will result in the electric utility being entitled to request an increase in its base rates. Any hearing initiated by the Commission into the proposed transaction shall be completed, and the Commission's final order approving or prohibiting the proposed transaction shall be entered, within 90 days after the date the electric utility's notice was filed. Provided, however, that a sale, assignment, or lease of transmission facilities to an independent system operator that meets the requirements of Section 16-126 shall not be subject to Commission approval under this Section.

In any proceeding conducted by the Commission pursuant to this subparagraph (vi), intervention shall be limited to parties with a direct interest in the transaction which is the subject of the hearing and any statutory consumer protection agency as defined in subsection (d) of Section
9-102.1. Notwithstanding the provisions of Section 10-113 of this Act, any application seeking rehearing of an order issued under this subparagraph (vi), whether filed by the electric utility or by an intervening party, shall be filed within 10 days after service of the order.

The Commission shall not in any subsequent proceeding or otherwise, review such a reorganization or other transaction authorized by this Section, but shall retain the authority to allocate costs as stated in Section 16-111(i). An entity to which an electric utility sells, assigns, leases or transfers assets pursuant to this subsection (g) shall not, as a result of the transactions specified in this subsection (g), be deemed a public utility as defined in Section 3-105. Nothing in this subsection (g) shall change any requirement under the jurisdiction of the Illinois Department of Nuclear Safety including, but not limited to, the payment of fees. Nothing in this subsection (g) shall exempt a utility from obtaining a certificate pursuant to Section 8-406 of this Act for the construction of a new electric generating facility. Nothing in this subsection (g) is intended to exempt the transactions hereunder from the operation of the federal or State antitrust laws. Nothing in this subsection (g) shall require an electric utility to use the procedures specified in this subsection for any of the transactions specified herein. Any other procedure available under this Act may, at the electric utility's election, be used for any such transaction.
(h) During the mandatory transition period, the Commission shall not establish or use any rates of depreciation, which for purposes of this subsection shall include amortization, for any electric utility other than those established pursuant to subsection (c) of Section 5-104 of this Act or utilized pursuant to subsection (g) of this Section. Provided, however, that in any proceeding to review an electric utility's rates for tariffed services pursuant to Section 9-201, 9-202, 9-250 or 16-111(d) of this Act, the Commission may establish new rates of depreciation for the electric utility in the same manner provided in subsection (d) of Section 5-104 of this Act. An electric utility implementing an accelerated cost recovery method including accelerated depreciation, accelerated amortization or other capital recovery methods, or recording reductions to the original cost of its assets, pursuant to subsection (g) of this Section, shall file a statement with the Commission describing the accelerated cost recovery method to be implemented or the reduction in the original cost of its assets to be recorded. Upon the filing of such statement, the accelerated cost recovery method or the reduction in the original cost of assets shall be deemed to be approved by the Commission as though an order had been entered by the Commission.

(i) Subsequent to the mandatory transition period, the Commission, in any proceeding to establish rates and charges for tariffed services offered by an electric utility, shall
consider only (1) the then current or projected revenues, costs, investments and cost of capital directly or indirectly associated with the provision of such tariffed services; (2) collection of transition charges in accordance with Sections 16-102 and 16-108 of this Act; (3) recovery of any employee transition costs as described in Section 16-128 which the electric utility is continuing to incur, including recovery of any unamortized portion of such costs previously incurred or committed, with such costs to be equitably allocated among bundled services, delivery services, and contracts with alternative retail electric suppliers; and (4) recovery of the costs associated with the electric utility's compliance with decommissioning funding requirements; and shall not consider any other revenues, costs, investments or cost of capital of either the electric utility or of any affiliate of the electric utility that are not associated with the provision of tariffed services. In setting rates for tariffed services, the Commission shall equitably allocate joint and common costs and investments between the electric utility's competitive and tariffed services. In determining the justness and reasonableness of the electric power and energy component of an electric utility's rates for tariffed services subsequent to the mandatory transition period and prior to the time that the provision of such electric power and energy is declared competitive, the Commission shall consider the extent to which the electric utility's tariffed rates for such component for
each customer class exceed the market value determined pursuant to Section 16-112, and, if the electric power and energy component of such tariffed rate exceeds the market value by more than 10% for any customer class, may establish such electric power and energy component at a rate equal to the market value plus 10%.

(j) During the mandatory transition period, an electric utility may elect to transfer to a non-operating income account under the Commission's Uniform System of Accounts either or both of (i) an amount of unamortized investment tax credit that is in addition to the ratable amount which is credited to the electric utility's operating income account for the year in accordance with Section 46(f)(2) of the federal Internal Revenue Code of 1986, as in effect prior to P.L. 101-508, or (ii) "excess tax reserves", as that term is defined in Section 203(e)(2)(A) of the federal Tax Reform Act of 1986, provided that (A) the amount transferred may not exceed the amount of the electric utility's assets that were created pursuant to Statement of Financial Accounting Standards No. 71 which the electric utility has written off during the mandatory transition period, and (B) the transfer shall not be effective until approved by the Internal Revenue Service. An electric utility electing to make such a transfer shall file a statement with the Commission stating the amount and timing of the transfer for which it intends to request approval of the Internal Revenue Service, along with a copy of its proposed
request to the Internal Revenue Service for a ruling. The Commission shall issue an order within 14 days after the electric utility's filing approving, subject to receipt of approval from the Internal Revenue Service, the proposed transfer.

(k) If an electric utility is selling or transferring to a single buyer 5 or more generating plants located in this State with a total net dependable capacity of 5000 megawatts or more pursuant to subsection (g) of this Section and has obtained a sale price or consideration that exceeds 200% of the book value of such plants, the electric utility must provide to the Governor, the President of the Illinois Senate, the Minority Leader of the Illinois Senate, the Speaker of the Illinois House of Representatives, and the Minority Leader of the Illinois House of Representatives no later than 15 days after filing its notice under subsection (g) of this Section or 5 days after the date on which this subsection (k) becomes law, whichever is later, a written commitment in which such electric utility agrees to expend $2 billion outside the corporate limits of any municipality with 1,000,000 or more inhabitants within such electric utility's service area, over a 6-year period beginning with the calendar year in which the notice is filed, on projects, programs, and improvements within its service area relating to transmission and distribution including, without limitation, infrastructure expansion, repair and replacement, capital investments, operations and
maintenance, and vegetation management.

(l) Notwithstanding any other provision of this Act or any rule, regulation, or prior order of the Commission, a public utility providing electric and gas service may do any one or more of the following: transfer assets to, reorganize with, or merge with one or more public utilities under common holding company ownership or control in the manner prescribed in subsection (g) of this Section. No merger transaction costs, such as fees paid to attorneys, investment bankers, and other consultants, incurred in connection with a merger pursuant to this subsection (l) shall be recoverable in any subsequent rate proceeding. Approval of a merger pursuant to this subsection (l) shall not constitute approval of, or otherwise require, rate recovery of other costs incurred in connection with, or to implement the merger, such as the cost of restructuring, combining, or integrating debt, assets, or systems. Such other costs may be recovered only to the extent that the surviving utility can demonstrate that the cost savings produced by such restructuring, combination, or integration exceed the associated costs. Nothing in this subsection (l) shall impair the terms or conditions of employment or the collective bargaining rights of any employees of the utilities that are transferring assets, reorganizing, or merging.

(m) If an electric utility that on December 31, 2005 provided electric service to at least 100,000 customers in Illinois transfers assets, reorganizes, or merges under this
Section, then the same provisions apply that applied during the mandatory transition period under Section 16-128.

(220 ILCS 5/21-101)
(Section scheduled to be repealed on October 1, 2013)
Sec. 21-101. Findings. With respect to cable and video competition, the General Assembly finds that:

(a) The economy in the State of Illinois will be enhanced by investment in new communications, cable services, and video services infrastructure, including broadband facilities, fiber optic, and Internet protocol technologies.

(b) Cable services and video services bring important daily benefits to Illinois consumers by providing news, education, and entertainment.

(c) Competitive cable service and video service providers are capable of providing new video programming services and competition to Illinois consumers and of decreasing the prices for video programming services paid by Illinois consumers.

(d) Although there has been some competitive entry into the facilities-based video programming market since current franchising requirements in this State were enacted, further entry by facilities-based providers could
benefit consumers, provided cable and video services are equitably available to all Illinois consumers at reasonable prices.

(e) The provision of competitive cable services and video services is a matter of statewide concern that extends beyond the boundaries of individual local units of government. Notwithstanding the foregoing, public rights-of-way are limited resources over which the municipality has a custodial duty to ensure that they are used, repaired, and maintained in a manner that best serves the public interest.

(f) The State authorization process and uniform standards and procedures in this Article are intended to enable rapid and widespread entry by competitive providers, which will bring to Illinois consumers the benefits of video competition, including providing consumers with more choice, lower prices, higher speed and more advanced Internet access, more diverse and varied news, public information, education, and entertainment programming, and will bring to this State and its local units of government the benefits of new infrastructure investment, job growth, and innovation in broadband and Internet protocol technologies and deployment.

(g) Providing an incumbent cable or video service provider with the option to secure a State-issued authorization through the termination of existing cable
franchises between incumbent cable and video service providers and any local franchising authority is part of the new regulatory framework established by this Article. This Article is intended to best ensure equal treatment and parity among providers and technologies.

(220 ILCS 5/21-101.1)

(Section scheduled to be repealed on October 1, 2013)

Sec. 21-101.1. Applicability. The provisions of Public Act 95-9 this amendatory Act of the 95th Illinois General Assembly shall apply only to a holder of a cable service or video service authorization issued by the Commission pursuant to this Article XXI of the Public Utilities Act, and shall not apply to any person or entity that provides cable television services under a cable television franchise issued by any municipality or county pursuant to Section 11-42-11 of the Illinois Municipal Code (65 ILCS 5/11-42-11) or Section 5-1095 of the Counties Code (55 ILCS 5/5-1095), unless specifically provided for herein. A local unit of government that has an existing agreement for the provision of video services with a company or entity that uses its telecommunications facilities to provide video service as of May 30, 2007 may continue to operate under that agreement or may, at its discretion, terminate the existing agreement and require the video provider to obtain a State-issued authorization under this Article.
Sec. 21-201. Definitions. As used in this Article:

(a) "Access" means that the cable or video provider is capable of providing cable services or video services at the household address using any technology, other than direct-to-home satellite service, that provides 2-way broadband Internet capability and video programming, content, and functionality, regardless of whether any customer has ordered service or whether the owner or landlord or other responsible person has granted access to the household. (220 ILCS 5/21-301)

(Section scheduled to be repealed on October 1, 2013)
Sec. 21-301. Eligibility.

(a) A person or entity seeking to provide cable service or video service in this State after June 30, 2007 (the effective date of Public Act 95-9) this amendatory Act of the 95th General Assembly shall either (1) obtain a State-issued authorization pursuant to Section 21-401 of the Public Utilities Cable and Video Competition Act (220 ILCS 5/21-401); (2) obtain authorization pursuant to Section 11-42-11 of the Illinois Municipal Code (65 ILCS 5/11-42-11); or (3) obtain authorization pursuant to Section 5-1095 of the Counties Code (55 ILCS 5/5-1095).

(b) An incumbent cable operator shall be eligible to apply for a State-issued authorization as provided in subsection (c) of this Section. Upon expiration of its current franchise agreement, an incumbent cable operator may obtain State authorization from the Commission pursuant to this Article or may pursue a franchise renewal with the appropriate local franchise authority under State and federal law. An incumbent cable operator and any successor-in-interest that receives a State-issued authorization shall be obligated to provide access to cable services or video services within any local unit of government at the same levels required by the local franchising authorities for the local unit of government on June 30, 2007 (the effective date of Public Act 95-9) this amendatory Act of the 95th General Assembly.

(c)(1) An incumbent cable operator may elect to terminate
its agreement with the local franchising authority and obtain a State-issued authorization by providing written notice to the Commission and the affected local franchising authority and any entity authorized by that franchising authority to manage public, education, and government access at least 180 days prior to its filing an application for a State-issued authorization. The existing agreement shall be terminated on the date that the Commission issues the State-issued authorization.

(2) An incumbent cable operator that elects to terminate an existing agreement with a local franchising authority under this Section is responsible for remitting to the affected local franchising authority and any entity designated by that local franchising authority to manage public, education, and government access before the 46th day after the date the agreement is terminated any accrued but unpaid fees due under the terminated agreement. If that incumbent cable operator has credit remaining from prepaid franchise fees, such amount of the remaining credit may be deducted from any future fees the incumbent cable operator must pay to the local franchising authority pursuant to subsection (b) of Section 21-801 of this Act. Section 21-801(b) of this Article.

(3) An incumbent cable operator that elects to terminate an existing agreement with a local franchising authority under this Section shall pay the affected local
franchising authority and any entity designated by that franchising authority to manage public, education, and government access, at the time that they would have been due, all monetary payments for public, education, or government access that would have been due during the remaining term of the agreement had it not been terminated as provided in this paragraph. All payments made by an incumbent cable operator pursuant to the previous sentence of this paragraph may be credited against the fees that that operator owes under item (1) of subsection (d) of Section 21-801(d)(1) of this Act.

(d) For purposes of this Article, the Commission shall be the franchising authority for cable service or video service providers that apply for and obtain a State-issued authorization under this Article with regard to the footprint covered by such authorization. Notwithstanding any other provision of this Article, holders using telecommunications facilities to provide cable service or video service are not obligated to provide that service outside the holder's telecommunications service area.

(e) Any person or entity that applies for and obtains a State-issued authorization under this Article shall not be subject to Section 11-42-11 of the Illinois Municipal Code (65 ILCS 5/11-42-11) or Section 5-1095 of the Counties Code (55 ILCS 5/5-1095), except as provided in this Article. Except as provided under this Article, neither the Commission nor any
local unit of government may require a person or entity that has applied for and obtained a State-issued authorization to obtain a separate franchise or pay any franchise fee on cable service or video service.

All cable or video providers offering or providing service in this State shall have authorization pursuant to either (i) the Cable and Video Competition Law of 2007 (220 ILCS 5/21-100 et seq.); (ii) Section 11-42-11 of the Illinois Municipal Code (65 ILCS 5/11-42-11); or (iii) Section 5-1095 of the Counties Code (55 ILCS 5/5-1095).

(2) Nothing in this Section shall prohibit a local unit of government from granting a permit to a person or entity for the use of the public rights-of-way to install or
construct facilities to provide cable service or video service, at its sole discretion. No unit of local government shall be liable for denial or delay of a permit prior to the issuance of a State-issued authorization.

(b) The application to the Commission for State-issued authorization shall contain a completed affidavit submitted by the applicant and signed by an officer or general partner of the applicant affirming all of the following:

(1) That the applicant has filed or will timely file with the Federal Communications Commission all forms required by that agency in advance of offering cable service or video service in this State.\footnote{Public Act 095-0876}

(2) That the applicant agrees to comply with all applicable federal and State statutes and regulations.\footnote{Public Act 095-0876}

(3) That the applicant agrees to comply with all applicable local unit of government regulations.\footnote{Public Act 095-0876}

(4) An exact description of the cable service or video service area where the cable service or video service will be offered during the term of the State-issued authorization. The service area shall be identified in terms of either (i) exchanges, as that term is defined in Section 13-206 of this Act; (ii) a collection of United States Census Bureau Block numbers (13 digit); (iii) if the area is smaller than the areas identified in either (i) or (ii), by geographic information system digital boundaries meeting or exceeding national
map accuracy standards; or (iv) local unit of government. The description shall include the number of low-income households within the service area or footprint. If an applicant is a incumbent cable operator, the incumbent cable operator and any successor-in-interest shall be obligated to provide access to cable services or video services within any local units of government at the same levels required by the local franchising authorities for the local unit of government on June 30, 2007 (the effective date of Public Act 95-9), this amendatory Act of the 95th General Assembly and its application shall provide a description of an area no smaller than the service areas contained in its franchise or franchises within the jurisdiction of the local unit of government in which it seeks to offer cable or video service.

(5) The location and telephone number of the applicant's principal place of business within this State and the names of the applicant's principal executive officers who are responsible for communications concerning the application and the services to be offered pursuant to the application, the applicant's legal name, and any name or names under which the applicant does or will provide cable services or video services in this State.

(6) A certification that the applicant has concurrently delivered a copy of the application to all local units of government that include all or any part of
the service area identified in item (4) of this subsection (b) subsection (b)(4) within such local unit of government's jurisdictional boundaries.

(7) The expected date that cable service or video service will be initially offered in the area identified in item (4) of this subsection (b) subsection (b)(4). In the event that a holder does not offer cable services or video services within three months after the expected date, it shall amend its application and update the expected date service will be offered and explain the delay in offering cable services or video services.

(8) The application shall include adequate assurance that the applicant possesses the financial, managerial, legal, and technical qualifications necessary to construct and operate the proposed system, and to promptly repair any damage to the public right-of-way caused by the applicant, and to pay the cost of removal of its facilities. To accomplish these requirements, the applicant may, at the time the applicant seeks to use the public rights-of-way in that jurisdiction, be required by the State of Illinois or and/or later be required by the local unit of government, or both, to post a bond, produce a certificate of insurance, or otherwise demonstrate its financial responsibility.

(9) The application shall include the applicant's general standards related to customer service required by Section 22-501 of this Act, which shall include, but
not be limited to, installation, disconnection, service and repair obligations; appointment hours; employee ID requirements; customer service telephone numbers and hours; procedures for billing, charges, deposits, refunds, and credits; procedures for termination of service; notice of deletion of programming service and changes related to transmission of programming or changes or increases in rates; use and availability of parental control or lock-out devices; complaint procedures and procedures for bill dispute resolution and a description of the rights and remedies available to consumers if the holder does not materially meet their customer service standards; and special services for customers with visual, hearing or mobility disabilities.

(c)(1) The applicant may designate information that it submits in its application or subsequent reports as confidential or proprietary, provided that the applicant states the reasons the confidential designation is necessary. The Commission shall provide adequate protection for such information pursuant to Section 4-404 of this Act Section 5/4-404 of the Public Utilities Act. If the Commission, a local unit of government, or any other party seeks public disclosure of information designated as confidential, the Commission shall consider the confidential designation in a proceeding under the Illinois Administrative Procedure Act, and the burden of proof to demonstrate that the designated information is confidential shall be upon the applicant.
Designated information shall remain confidential pending the Commission's determination of whether the information is entitled to confidential treatment. Information designated as confidential shall be provided to local units of government for purposes of assessing compliance with this Article as permitted under a Protective Order issued by the Commission pursuant to the Commission's rules and to the Attorney General pursuant to Section 6.5 of the Attorney General Act [15 ILCS 205/6.5]. Information designated as confidential under this Section or determined to be confidential upon Commission review shall only be disclosed pursuant to a valid and enforceable subpoena or court order or as required by the Freedom of Information Act. Nothing herein shall delay the application approval timeframes set forth in this Article.

(2) Information regarding the location of video services that have been or are being offered to the public and aggregate information included in the reports required by this Article shall not be designated or treated as confidential.

(d)(1) The Commission shall post all applications it receives under this Article on its web site within 5 five (5) business days.

(2) The Commission shall notify an applicant for a cable service or video service authorization whether the applicant's application and affidavit are complete on or before the 15th business day after the applicant submits
the application. If the application and affidavit are not complete, the Commission shall state in its notice all of the reasons the application or affidavit are incomplete, and the applicant shall resubmit a complete application. The Commission shall have 30 days after submission by the applicant of a complete application and affidavit to issue the service authorization. If the Commission does not notify the applicant regarding the completeness of the application and affidavit or issue the service authorization within the time periods required under this subsection, the application and affidavit shall be considered complete and the service authorization issued upon the expiration of the 30th day.

(e) The authorization issued by the Commission will expire on the date listed in Section 21-1601 of this Act and shall contain or include all of the following:

(1) A grant of authority to provide cable service or video service in the service area footprint as requested in the application, subject to the laws of the State and the ordinances, rules, and regulations of the local units of government.

(2) A grant of authority to use, occupy, and construct facilities in the public rights-of-way for the delivery of cable service or video service in the service area footprint, subject to the laws, ordinances, rules, or regulations of this State and local units of governments.
(3) A statement that the grant of authority is subject to lawful operation of the cable service or video service by the applicant, its affiliated entities, or its successors-in-interest.

(4) The Commission shall notify a local unit of government within 3 three (3) business days of the grant of any authorization within a service area footprint if that authorization includes any part of the local unit of government's jurisdictional boundaries.

(f) The authorization issued pursuant to this Section 401 of this Article by the Commission may be transferred to any successor-in-interest to the applicant to which it is initially granted without further Commission action if the successor-in-interest (i) submits an application and the information required by subsection (b) of this Section 21-401(b) for the successor-in-interest and (ii) is not in violation of this Article or of any federal, State, or local law, ordinance, rule, or regulation. A successor-in-interest shall file its application and notice of transfer with the Commission and the relevant local units of government no less than 15 fifteen (15) business days prior to the completion of the transfer. The Commission is not required or authorized to act upon the notice of transfer; however, the transfer is not effective until the Commission approves the successor-in-interest's application. A local unit of government or the Attorney General may seek to bar a transfer
of ownership by filing suit in a court of competent jurisdiction predicated on the existence of a material and continuing breach of this Article by the holder, a pattern of noncompliance with customer service standards by the potential successor-in-interest, or the insolvency of the potential successor-in-interest. If a transfer is made when there are violations of this Article or of any federal, State, or local law, ordinance, rule, or regulation, the successor-in-interest shall be subject to three times the penalties provided for in this Article.

(g) The authorization issued pursuant to Section 21-401 of this Article by the Commission may be terminated, or its cable service or video service area footprint may be modified, by the cable service provider or video service provider by submitting notice to the Commission and to the relevant local unit of government containing a description of the change on the same terms as the initial description pursuant to item (4) of subsection (b) of this Section Section 21-401(b)(4). The Commission is not required or authorized to act upon that notice. It shall be a violation of this Article for a holder to discriminate against potential residential subscribers because of the race or income of the residents in the local area in which the group resides by terminating or modifying its cable service or video service area footprint. It shall be a violation of this Article for a holder to terminate or modify its cable service or video service area footprint if it leaves
an area with no cable service or video service from any provider.

(h) The Commission's authority to administer this Article is limited to the powers and duties explicitly provided under this Article. Its authority under this Article does not include or limit the powers and duties that the Commission has under the other Articles of this Act, the Public Utilities Act, the Illinois Administrative Procedure Act (5 ILCS 100/), or any other law or regulation to conduct proceedings other than as provided in subsection (c) above, or has to promulgate rules or regulations. The Commission shall not have the authority to limit or expand the obligations and requirements provided in this Section or to regulate or control a person or entity to the extent that person or entity is providing cable service or video service except as provided in this Article.

(220 ILCS 5/21-601)

(Section scheduled to be repealed on October 1, 2013)

Sec. 21-601. Public, education, and government access. For the purposes of this Section, "programming" means content produced or provided by any person, group, governmental agency, or noncommercial public or private agency or organization.

(a) Not later than 90 days after a request by the local unit of government or its designee that has received notice under subsection (a) of Section 21-801 of
this Act Article, the holder shall (i) designate the same amount of capacity on its network to provide for public, education, and government access use as the incumbent cable operator is required to designate under its franchise terms in effect with a local unit of government on January 1, 2007; and (ii) retransmit to its subscribers the same number of public, education, and government access channels as the incumbent cable operator was retransmitting to subscribers on January 1, 2007.

(b) If the local unit of government produces or maintains the public education or government programming in a manner or form that is compatible with the holder's network, it shall transmit such programming to the holder in that form provided that form permits will permit the holder to satisfy the requirements of subsection (c) of this Section of Section 21-601(e). If the local unit of government does not produce or maintain such programming in that manner or form, then the holder shall be responsible for any changes in the form of the transmission necessary to make public, education, and government programming compatible with the technology or protocol used by the holder to deliver services. The holder shall receive programming from the local unit of government (or the local unit of government's public, education, and government programming providers) and transmit that public, education, and government programming directly to the holder's subscribers within the local unit of government's jurisdiction
at no cost to the local unit of government or the public, education, and government programming providers. If the holder is required to change the form of the transmission, the local unit of government or its designee shall provide reasonable access to the holder to allow the holder to transmit the public, education, and government programming in an economical manner subject to the requirements of subsection (c) of this Section 21-601(c).

(c) The holder shall provide to subscribers public, education, and government access channel capacity at equivalent visual and audio quality and equivalent functionality, from the viewing perspective of the subscriber, to that of commercial channels carried on the holder's basic cable or video service offerings or tiers without the need for any equipment other than the equipment necessary to receive the holder's basic cable or video service offerings or tiers.

(d) The holder and an incumbent cable operator shall negotiate in good faith to interconnect their networks, if needed, for the purpose of providing public, education, and government programming. Interconnection may be accomplished by direct cable, microwave link, satellite, or other reasonable method of connection. The holder and the incumbent cable operator shall provide interconnection of the public, education, and government channels on reasonable terms and conditions and may not withhold the interconnection. If a holder and an incumbent cable operator cannot reach a mutually
acceptable interconnection agreement, the local unit of government may require the incumbent cable operator to allow the holder to interconnect its network with the incumbent cable operator's network at a technically feasible point on their networks. If no technically feasible point for interconnection is available, the holder and an incumbent cable operator shall each make an interconnection available to the public, education, and government channel originators at their local origination points and shall provide the facilities necessary for the interconnection. The cost of any interconnection shall be borne by the holder unless otherwise agreed to by the parties. The interconnection required by this subsection shall be completed within the 90-day deadline set forth in subsection (a) of this Section.

(e) The public, education, and government channels shall be for the exclusive use of the local unit of government or its designee to provide public, education, and government programming. The public, education, and government channels shall be used only for noncommercial purposes. However, advertising, underwriting, or sponsorship recognition may be carried on the channels for the purpose of funding public, education, and government access related activities.

(f) Public, education, and government channels shall all be carried on the holder's basic cable or video service offerings or tiers. To the extent feasible, the public, education, and government channels shall not be separated numerically from
other channels carried on the holder's basic cable or video service offerings or tiers, and the channel numbers for the public, education, and government channels shall be the same channel numbers used by the incumbent cable operator unless prohibited by federal law. After the initial designation of public, education, and government channel numbers, the channel numbers shall not be changed without the agreement of the local unit of government or the entity to which the local unit of government has assigned responsibility for managing public, education, and government access channels unless the change is required by federal law. Each channel shall be capable of carrying a National Television System Committee (NTSC) television signal.

(g) The holder shall provide a listing of public, education, and government channels on channel cards and menus provided to subscribers in a manner equivalent to other channels if the holder uses such cards and menus. Further, the holder shall provide a listing of public, education, and government programming on its electronic program guide if such a guide is utilized by the holder. It is the public, education, and government entity’s responsibility to provide the holder or its designated agent, as determined by the holder, with program schedules and information in a timely manner.

(h) If less than three public, education, and government channels are provided within the local unit of government as of January 1, 2007, a local unit of government whose jurisdiction
lies within the authorized service area of the holder may initially request the holder to designate sufficient capacity for up to 3 three public, education, and government channels. A local unit of government or its designee that seeks to add additional capacity shall give the holder a written notification specifying the number of additional channels to be used, specifying the number of channels in actual use, and verifying that the additional channels requested will be put into actual use.

(i) The holder shall, within 90 days of a request by the local unit of government or its designated public, education, or government access entity, provide sufficient capacity for an additional channel for public, education, and government access when the programming on a given access channel exceeds 40 hours per week as measured on a quarterly basis. The additional channel shall not be used for any purpose other than for carrying additional public, education, or government access programming.

(j) The public, education, and government access programmer is solely responsible for the content that it provides over designated public, education, or government channels. A holder shall not exercise any editorial control over any programming on any channel designed for public, education, or government use or on any other channel required by law or a binding agreement with the local unit of government.
(k) A holder shall not be subject to any civil or criminal liability for any program carried on any channel designated for public, education, or government use.

(l) A court of competent jurisdiction shall have exclusive jurisdiction to enforce any requirement under this Section or resolve any dispute regarding the requirements set forth in this Section, and no provider of cable service or video service may be barred from providing service or be required to terminate service as a result of that dispute or enforcement action.

(Section scheduled to be repealed on October 1, 2013)

Sec. 21-801. Applicable fees payable to the local unit of government.

(a) Prior to offering cable service or video service in a local unit of government's jurisdiction, a holder shall notify the local unit of government. The notice shall be given to the local unit of government at least 10 days before the holder begins to offer cable service or video service within the boundaries of that local unit of government.

(b) In any local unit of government in which a holder offers cable service or video service on a commercial basis, the holder shall be liable for and pay the service provider fee to the local unit of government. The local unit of government
shall adopt an ordinance imposing such a fee. The holder's liability for the fee shall commence on the first day of the calendar month that is at least 30 days after the holder receives such ordinance. The ordinance shall be sent by mail, postage prepaid, to the address listed on the holder's application provided to the local unit of government pursuant to item (6) of subsection (b) of Section 21-401 of this Act. The fee authorized by this Section shall be 5% of gross revenues or the same as the fee paid to the local unit of government by any incumbent cable operator providing cable service. The payment of the service provider fee shall be due on a quarterly basis, 45 days after the close of the calendar quarter. If mailed, the fee is considered paid on the date it is postmarked. Except as provided in this Article, the local unit of government may not demand any additional fees or charges from the holder and may not demand the use of any other calculation method other than allowed under this Article.

(c) For purposes of this Article, "gross revenues" means all consideration of any kind or nature, including, without limitation, cash, credits, property, and in-kind contributions received by the holder for the operation of a cable or video system to provide cable service or video service within the holder's cable service or video service area within the local unit of government's jurisdiction.

(1) Gross revenues shall include the following:

(i) Recurring charges for cable service or video
(ii) Event-based charges for cable service or video service, including, but not limited to, pay-per-view and video-on-demand charges.

(iii) Rental of set-top boxes and other cable service or video service equipment.

(iv) Service charges related to the provision of cable service or video service, including, but not limited to, activation, installation, and repair charges.

(v) Administrative charges related to the provision of cable service or video service, including, but not limited to, service order and service termination charges.

(vi) Late payment fees or charges, insufficient funds check charges, and other charges assessed to recover the costs of collecting delinquent payments.

(vii) A pro rata portion of all revenue derived by the holder or its affiliates pursuant to compensation arrangements for advertising or for promotion or exhibition of any products or services derived from the operation of the holder's network to provide cable service or video service within the local unit of government's jurisdiction. The allocation shall be based on the number of subscribers in the local unit of government divided by the total number of subscribers.
in relation to the relevant regional or national compensation arrangement.

(viii) Compensation received by the holder that is derived from the operation of the holder's network to provide cable service or video service with respect to commissions that are received by the holder as compensation for promotion or exhibition of any products or services on the holder's network, such as a "home shopping" or similar channel, subject to item (ix) of this paragraph (1) subsection (b)(ix).

(ix) In the case of a cable service or video service that is bundled or integrated functionally with other services, capabilities, or applications, the portion of the holder's revenue attributable to the other services, capabilities, or applications shall be included in gross revenue unless the holder can reasonably identify the division or exclusion of the revenue from its books and records that are kept in the regular course of business.

(x) The service provider fee permitted by subsection (b) of this Section Section 21-801(b) of this Article.

(2) Gross revenues do not include any of the following:

(i) Revenues not actually received, even if billed, such as bad debt, subject to item (vi) of paragraph (1) of this subsection (c) Section
21-801(c)(1)(vi).  

(ii) Refunds, discounts, or other price adjustments that reduce the amount of gross revenues received by the holder of the State-issued authorization to the extent the refund, rebate, credit, or discount is attributable to cable service or video service.

(iii) Regardless of whether the services are bundled, packaged, or functionally integrated with cable service or video service, any revenues received from services not classified as cable service or video service, including, without limitation, revenue received from telecommunications services, information services, or the provision of directory or Internet advertising, including yellow pages, white pages, banner advertisement, and electronic publishing, or any other revenues attributed by the holder to noncable service or nonvideo service in accordance with the holder's books and records and records kept in the regular course of business and any applicable laws, rules, regulations, standards, or orders.

(iv) The sale of cable services or video services for resale in which the purchaser is required to collect the service provider fee from the purchaser's subscribers to the extent the purchaser certifies in writing that it will resell the service within the
local unit of government's jurisdiction and pay the fee permitted by subsection (b) of this Section Section 21-801(b) with respect to the service.

(v) Any tax or fee of general applicability imposed upon the subscribers or the transaction by a city, State, federal, or any other governmental entity and collected by the holder of the State-issued authorization and required to be remitted to the taxing entity, including sales and use taxes.

(vi) Security deposits collected from subscribers.

(vii) Amounts paid by subscribers to "home shopping" or similar vendors for merchandise sold through any home shopping channel offered as part of the cable service or video service.

(3) Revenue of an affiliate of a holder shall be included in the calculation of gross revenues to the extent the treatment of the revenue as revenue of the affiliate rather than the holder has the effect of evading the payment of the fee permitted by subsection (b) of this Section Section 21-801(b) of this Article which would otherwise be paid by the cable service or video service.

(d)(1) The holder shall pay to the local unit of government or the entity designated by that local unit of government to manage public, education, and government access, upon request as support for public, education, and government access, a fee equal to no less than (i) 1% of gross revenues or (ii) if
greater, the percentage of gross revenues that incumbent cable operators pay to the local unit of government or its designee for public, education, and government access support in the local unit of government's jurisdiction. For purposes of item (ii) of paragraph (1) of this subsection (d) subparagraph (d)(1)(ii) above, the percentage of gross revenues that all incumbent cable operators pay shall be equal to the annual sum of the payments that incumbent cable operators in the service area are obligated to pay by franchises and agreements or by contracts with the local government designee for public, education and government access in effect on January 1, 2007, including the total of any lump sum payments required to be made over the term of each franchise or agreement divided by the number of years of the applicable term, divided by the annual sum of such incumbent cable operator(s) or operators' gross revenues during the immediately prior calendar year. The sum of payments includes any payments that an incumbent cable operator is required to pay pursuant to item (3) of subsection (c) of Section 21-301 of this Article.

(2) A local unit of government may require all holders of a State-issued authorization and all cable operators franchised by that local unit of government on June 30, 2007 (the effective date of this Section) hereof in the franchise area to provide to the local unit of government, or to the entity designated by that local unit of
government to manage public, education, and government access, information sufficient to calculate the public, education, and government access equivalent fee and any credits under paragraph (1) of this subsection (d).

subsection (d)(1).

(3) The fee shall be due on a quarterly basis and paid 45 days after the close of the calendar quarter. Each payment shall include a statement explaining the basis for the calculation of the fee. If mailed, the fee is considered paid on the date it is postmarked. The liability of the holder for payment of the fee under this subsection shall commence on the same date as the payment of the service provider fee pursuant to subsection (b) of this Section.

(e) The holder may identify and collect the amount of the service provider fee as a separate line item on the regular bill of each subscriber.

(f) The holder may identify and collect the amount of the public, education, and government programming support fee as a separate line item on the regular bill of each subscriber.

(g) All determinations and computations under this Section shall be made pursuant to the definition of gross revenues set forth in this Section and shall be made pursuant to generally accepted accounting principles.

(h) Nothing contained in this Article shall be construed to exempt a holder from any tax that is or may later be imposed by
the local unit of government, including any tax that is or may later be required to be paid by or through the holder with respect to cable service or video service. A State-issued authorization shall not affect any requirement of the holder with respect to payment of the local unit of government's simplified municipal telecommunications tax or any other tax as it applies to any telephone service provided by the holder. A State-issued authorization shall not affect any requirement of the holder with respect to payment of the local unit of government's 911 or E911 fees, taxes or charges.

Sec. 21-901. Audits.

(a) Upon receiving notice under item (4) of subsection (e) of Section 21-401 of this Act that a holder has received State-issued authorization under this Article, a local unit of government shall notify the holder of the requirements it imposes on other cable service or video service providers in its jurisdiction to submit to an audit of its books and records. The holder shall comply with the same requirements the local unit of government imposes on other cable service or video service providers in its jurisdiction to audit the holder's books and records and to recompute any amounts determined to be payable under the requirements of the
local unit of government. If all local franchises between the
local unit of government and a cable operator terminate, the
audit requirements shall be those adopted by the local
government pursuant to the Local Government Taxpayers' Bill of
Rights Act, 50 ILCS 45. No acceptance of amounts remitted
should be construed as an accord that the amounts are correct.

(b) Any additional amount due after an audit shall be paid
within 30 days after the local unit of government's submission
of an invoice for the sum.

(220 ILCS 5/21-1001)
(Section scheduled to be repealed on October 1, 2013)
Sec. 21-1001. Local unit of government authority.
(a) The holder of a State-issued authorization shall comply
with all the applicable construction and technical standards
and right-of-way occupancy standards set forth in a local unit
of government's code of ordinances relating to the use of
public rights-of-way, pole attachments, permit obligations,
indemnification, performance bonds, penalties, or liquidated
damages. The applicable requirements for a holder that is using
its existing telecommunications network or constructing a
telecommunications network shall be the same requirements that
the local unit of government imposes on telecommunications
providers in its jurisdiction. The applicable requirements for
a holder that is using or constructing a cable system shall be
the same requirements the local unit of government imposes on other cable operators in its jurisdiction.

(b) A local unit of government shall allow the holder to install, construct, operate, maintain, and remove a cable service, video service, or telecommunications network within a public right-of-way and shall provide the holder with open, comparable, nondiscriminatory, and competitively neutral access to the public right-of-way on the same terms applicable to other cable service or video service providers or cable operators in its jurisdiction. Notwithstanding any other provisions of law, if a local unit of government is permitted by law to require the holder of a State authorization to seek a permit to install, construct, operate, maintain or remove its cable service, video service, or telecommunications network within a public right-of-way, those permits shall be deemed granted within 45 days after being submitted, if not otherwise acted upon by the local unit of government, provided the holder complies with the requirements applicable to the holder in its jurisdiction.

(c) A local unit of government may impose reasonable terms, but it may not discriminate against the holder with respect to any of the following:

(1) The authorization or placement of a cable service, video service, or telecommunications network or equipment in public rights-of-way.

(2) Access to a building.
(3) A local unit of government utility pole attachment.

(d) If a local unit of government imposes a permit fee on incumbent cable operators, it may impose a permit fee on the holder only to the extent it imposes such a fee on incumbent cable operators. In all other cases, these fees may not exceed the actual, direct costs incurred by the local unit of government for issuing the relevant permit. In no event may a fee under this Section be levied if the holder already has paid a permit fee of any kind in connection with the same activity that would otherwise be covered by the permit fee under this Section provided no additional equipment, work, function, or other burden is added to the existing activity for which the permit was issued.

(e) Nothing in this Article shall affect the rights that any holder has under Section 4 of the Telephone Line Right of Way Act (220 ILCS 65/4).

(f) In addition to the other requirements in this Section, if the holder installs, upgrades, constructs, operates, maintains, and removes facilities or equipment within a public right-of-way to provide cable service or video service, it shall comply with the following:

(1) The holder must locate its equipment in the right-of-way as to cause only minimum interference with the use of streets, alleys, and other public ways and places, and to cause only minimum impact upon and interference with the rights and reasonable convenience of property
owners who adjoin any of the said streets, alleys, or other public ways. No fixtures shall be placed in any public ways in such a manner to interfere with the usual travel on such public ways, nor shall such fixtures or equipment limit the visibility of vehicular or pedestrian traffic, or both.

(2) The holder shall comply with a local unit of government's reasonable requests to place equipment on public property where possible and promptly comply with local unit of government direction with respect to the location and screening of equipment and facilities. In constructing or upgrading its cable or video network in the right-of-way, the holder shall use the smallest suitable equipment enclosures and power pedestals and cabinets then in use by the holder for the application.

(3) The holder's construction practices shall be in accordance with all applicable Sections of the Occupational Safety and Health Act of 1970, as amended, as well as all applicable State laws, including the Illinois Civil Administrative Code of Illinois, and local codes, where applicable, as adopted by the local unit of government. All installation of electronic equipment shall be of a permanent nature, durable and, where applicable, installed in accordance with the provisions of the National Electrical Safety Code of the National Bureau of Standards and National Electrical Code of the National Board of Fire
Underwriters.

(4) The holder shall not interfere with the local unit of government's performance of public works. Nothing in the State-issued authorization shall be in preference or hindrance to the right of the local unit of government to perform or carry on any public works or public improvements of any kind. The holder expressly agrees that it shall, at its own expense, protect, support, temporarily disconnect, relocate in the same street or other public place, or remove from such street or other public place any of the network, system, facilities or equipment when required to do so by the local unit of government because of necessary public health, safety and welfare improvements. In the event a holder and other users of a public right-of-way, including incumbent cable operators or utilities, of a public right-of-way are required to relocate and compensation is paid to the users of such public right-of-way, such parties shall be treated equally with respect to such compensation.

(5) The holder shall comply with all local units of government inspection requirements. The making of post-construction, subsequent or and/or periodic inspections, or both, or the failure to do so shall not operate to relieve the holder of any responsibility, obligation or liability.

(6) The holder shall maintain insurance or provide
evidence of self insurance as required by an applicable ordinance of the local unit of government.

(7) The holder shall reimburse all reasonable make-ready expenses, including aerial and underground installation expenses requested by the holder to the local unit of government within 30 thirty (30) days of billing to the holder, provided that such charges shall be at the same rates as charges to others for the same or similar services.

(8) The holder shall indemnify and hold harmless the local unit of government and all boards, officers, employees and representatives thereof from all claims, demands, causes of action, liability, judgments, costs and expenses, or losses for injury or death to persons or damage to property owned by, and Worker's Compensation claims against any parties indemnified herein, arising out of, caused by, or as a result of the holder's construction, lines, cable, erection, maintenance, use or presence of, or removal of any poles, wires, conduit, appurtenances thereto, or equipment or attachments thereto. The holder, however, shall not indemnify the local unit of government for any liabilities, damages, costs and expense resulting from the willful misconduct or negligence of the local unit of government, its officers, employees and agents. The obligations imposed pursuant to this Section by a local unit of government shall be competitively neutral.
(9) The holder, upon request, shall provide the local unit of government with information describing the location of the cable service or video service facilities and equipment located in the unit of local government's rights-of-way pursuant to its State-issued authorization. If designated by the holder as confidential, such information provided pursuant to this subsection shall be exempt from inspection and copying under the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq., pursuant to the exemption provided for under provision (mm) of item (1) of Section 7 of the Freedom of Information Act 5 ILCS 140/7(1)(mm) and any other present or future exemptions applicable to such information and shall not be disclosed by the unit of local government to any third party without the written consent of the holder.

(220 ILCS 5/21-1101)
(Section scheduled to be repealed on October 1, 2013)
Sec. 21-1101. Requirements to provide video services.
(a) The holder of a State-issued authorization shall not deny access to cable service or video service to any potential residential subscribers because of the race or income of the residents in the local area in which the potential subscribers reside.

(b)(1) If the holder is using telecommunications
facilities to provide cable or video service and has 1,000,000 or less telecommunications access lines in this State, but more than 300,000 telecommunications access lines in this State, the holder shall provide: (1) Provide access to its cable or video service to a number of households equal to at least 25% of its telecommunications access lines in this State within 3 years after the date a holder receives a State-issued authorization from the Commission and to a number not less than 35% of these households within 5 years after the date a holder receives a State-issued authorization from the Commission; provided, however, that the holder of a State-issued authorization is not required to meet the 35% requirement in this paragraph (1) subsection until 2 years after at least 15% of the households with access to the holder's video service subscribe to the service for 6 consecutive months. The holder's obligation to provide such access in the State shall be distributed, as the holder determines, within 3 three different designated market areas.

(2) Within 3 years after the date a holder receives a State-issued authorization from the Commission, at least 30% of the total households with access to the holder's cable or video service shall be low-income.

Within each designated market area identified in paragraph (1) of this subsection (b) (b)(1), the holder's obligation to offer service to low-income households shall be measured by each exchange, as that term is defined in
Section 13-206 of the Public Utilities Act, in which the holder chooses to provide cable or video service. The holder is under no obligation to serve or provide access to an entire exchange; however, in addition to the statewide obligation to provide low-income access provided by this Section, in each exchange in which the holder chooses to provide cable or video service, the holder shall provide access to a percentage of low-income households that is at least equal to the percentage of the total low-income households within that exchange.

(3) The number of telecommunication access lines in this Section shall be based on the number of access lines that exist as of June 30, 2007 (the effective date of Public Act 95-9) this amendatory Act of the 95th General Assembly.

(c)(1) If the holder of a State-issued authorization is using telecommunications facilities to provide cable or video service and has more than 1,000,000 telecommunications access lines in this State, the holder shall provide access to its cable or video service to a number of households equal to at least 35% of the households in the holder's telecommunications service area in the State within 3 years after the date a holder receives a State-issued authorization from the Commission and to a number not less than 50% of these households within 5 years after the date a holder receives a State-issued authorization from the Commission; provided,
however, that the holder of a State-issued authorization is not required to meet the 50% requirement in this paragraph (1) subsection until 2 years after at least 15% of the households with access to the holder's video service subscribe to the service for 6 consecutive months.

The holder's obligation to provide such access in the State shall be distributed, as the holder determines, within 3 three designated market areas, one in each of the northeastern, central, and southwestern portions of the holder's telecommunications service area in the State. The designated market area for the northeastern portion shall consist of 2 two separate and distinct reporting areas: (i) a city with more than 1,000,000 inhabitants, and (ii) all other local units of government on a combined basis within such designated market area in which it offers video service.

(B) If any state, in which a holder subject to this subsection (c) or one of its affiliates provides or seeks to provide cable or video service, adopts a law permitting state-issued authorization or statewide franchises to provide cable or video service that requires a cable or video provider to offer service to more than 35% of the households in the cable or video provider's service area in that state within 3 years, holders subject to this subsection (c) shall provide service in this State to the same percentage of households within 3 years of adoption of such law in that state.

Furthermore, if any state, in which a holder subject to
this subsection (c) or one of its affiliates provides or seeks to provide cable or video service, adopts a law requiring a holder of a state-issued authorization or statewide franchises to offer cable or video service to more than 35% of its households if less than 15% of the households with access to the holder's video service subscribe to the service for 6 consecutive months, then as a precondition to further build-out, holders subject to this subsection (c) shall be subject to the same percentage of service subscription in meeting its obligation to provide service to 50% of the households in this State.

(2) Within 3 years after the date a holder receives a State-issued authorization from the Commission, at least 30% of the total households with access to the holder's cable or video service shall be low-income.

Within each designated market area listed in paragraph (1) of this subsection (c), the holder's obligation to offer service to low-income households shall be measured by each exchange, as that term is defined in Section 13-206 of the Public Utilities Act in which the holder chooses to provide cable or video service. The holder is under no obligation to serve or provide access to an entire exchange; however, in addition to the statewide obligation to provide low-income access provided by this Section, in each exchange in which the holder chooses to provide cable or video service, the holder shall provide access to a
percentage of low-income households that is at least equal to the percentage of the total low-income households within that exchange.

(d)(1) All other holders shall only provide access to one or more exchanges, as that term is defined in Section 13-206 of this Public Utilities Act, or to local units of government and shall provide access to their cable or video service to a number of households equal to 35% of the households in the exchange or local unit of government within 3 years after the date a holder receives a State-issued authorization from the Commission and to a number not less than 50% of these households within 5 years after the date a holder receives a State-issued authorization from the Commission, provided, however, that if the holder is an incumbent cable operator or any successor-in-interest company, it shall be obligated to provide access to cable or video services within the jurisdiction of a local unit of government at the same levels required by the local franchising authorities for that local unit of government on June 30, 2007 (the effective date of Public Act 95-9) this amendatory Act of the 95th General Assembly.

(2) Within 3 years after the date a holder receives a State-issued authorization from the Commission, at least 30% of the total households with access to the holder's cable or video service shall be low-income.

Within each designated exchange, as that term is
defined in Section 13-206 of the Public Utilities Act, or local unit of government listed in paragraph (1) of this subsection (d)(1), the holder's obligation to offer service to low-income households shall be measured by each exchange or local unit of government in which the holder chooses to provide cable or video service. Except as provided in paragraph (1) of this subsection (d)(1), the holder is under no obligation to serve or provide access to an entire exchange or local unit of government; however, in addition to the statewide obligation to provide low-income access provided by this Section, in each exchange or local unit of government in which the holder chooses to provide cable or video service, the holder shall provide access to a percentage of low-income households that is at least equal to the percentage of the total low-income households within that exchange or local unit of government.

(e) A holder subject to subsection (c) of this Section 21-1101(e) shall provide wireline broadband service, defined as wireline service capable of supporting, in at least one direction, a speed in excess of 200 kilobits per second (kbps), to the network demarcation point at the subscriber's premises, to a number of households equal to 90% of the households in the holder's telecommunications service area by December 31, 2008, or shall pay within 30 days of December 31, 2008 a sum of $15,000,000 to the Digital Divide Elimination Infrastructure
Fund established pursuant to Section 13-301.3 of Article XIII of this Act, or any successor fund established by the General Assembly. In that event the holder is required to make a payment pursuant to this subsection (e), the holder shall have no further accounting for this payment, which shall be used in any part of the State for the purposes established in the Digital Divide Elimination Infrastructure Fund or for broadband deployment.

(f) The holder of a State-issued authorization may satisfy the requirements of subsections (b), (c), and (d) of this Section through the use of any technology, which shall not include direct-to-home satellite service, that offers service, functionality, and content that is demonstrably similar to that provided through the holder's video service system.

(g) In any investigation into or complaint alleging that the holder of a State-issued authorization has failed to meet the requirements of this Section, the following factors may be considered in justification or mitigation or as justification for an extension of time to meet the requirements of subsections (b), (c), and (d) of this Section:

1. The inability to obtain access to public and private rights-of-way under reasonable terms and conditions.

2. Barriers to competition arising from existing exclusive service arrangements in developments or buildings.
(3) The inability to access developments or buildings using reasonable technical solutions under commercially reasonable terms and conditions.

(4) Natural disasters.

(5) Other factors beyond the control of the holder.

(h) If the holder relies on the factors identified in subsection (g) of this Section in response to an investigation or complaint, the holder shall demonstrate the following:

(1) what substantial effort the holder of a State-issued authorization has taken to meet the requirements of subsections (a), (b), or (c) of this Section;

(2) which portions of subsection (g) of this Section apply; and

(3) the number of days it has been delayed or the requirements it cannot perform as a consequence of subsection (g) of this Section.

(i) The factors in subsection (g) of this Section may be considered by the Attorney General or by a court of competent jurisdiction in determining whether the holder is in violation of this Article.

(j) Every holder of a State-issued authorization, no later than April 1, 2009, and annually no later than April 1 thereafter, shall report to the Commission for each of the service areas as described in subsections (b), (c), and (d) of this Section in which it provides access to its video service
in the State, the following information:

(1) Cable service and video service information:

   (A) The number of households in the holder's telecommunications service area within each designated market area as described in subsections (b) and (c) of this Section or exchange or local unit of government as described in subsection (d) of this Section in which it offers video service.

   (B) The number of households in the holder's telecommunications service area within each designated market area as described in subsections (b) and (c) of this Section or exchange or local unit of government as described in subsection (d) of this Section that are offered access to video service by the holder.

   (C) The number of households in the holder's telecommunications service area in the State.

   (D) The number of households in the holder's telecommunications service area in the State that are offered access to video service by the holder.

(2) Low-income household information:

   (A) The number of low-income households in the holder's telecommunications service area within each designated market area as described in subsections (b) and (c) of this Section, as further identified in terms of exchanges, or exchange or local unit of government as described in subsection (d) of this Section, in
which it offers video service.

(B) The number of low-income households in the holder's telecommunications service area within each designated market area as described in subsections (b) and (c) of this Section, as further identified in terms of exchanges, or exchange or local unit of government as described in subsection (d) of this Section in the State that are offered access to video service by the holder.

(C) The number of low-income households in the holder's telecommunications service area in the State.

(D) The number of low-income households in the holder's telecommunications service area in the State that are offered access to video service by the holder.

(k) The Commission, within 30 days of receiving the first report from holders under this Section, and annually no later than July 1 thereafter, shall submit to the General Assembly a report that includes, based on year-end data, the information submitted by holders pursuant to subdivisions (1) and (2) of subsection (j) of this Section. The Commission shall make this report available to any member of the public or any local unit of government upon request. All information submitted to the Commission and designated by holders as confidential and proprietary shall be subject to the disclosure provisions in subsection (c) of Section 21-401 of this Act. No individually identifiable customer
information shall be subject to public disclosure.

This notice shall be offered when service is first activated and annually thereafter. The information in the notice shall include all of the information specified in paragraph (1) of this subsection (a)(1),

(b) General customer service obligations:

(1) Cable or video providers shall render reasonably efficient service, promptly make repairs, and interrupt service only as necessary and for good cause, during periods of minimum use of the system and for no more than 24 hours.

In the event that the cost of service is a promotional price or is for a limited period of time, the cost of service at the end of the promotion or limited period of time shall be disclosed.

(5) Cable or video providers shall provide customers a minimum of 30 days' written notice before increasing rates or eliminating transmission of programming and shall submit the notice to the local unit of government in advance of distribution to customers, provided that the cable or video provider is not in violation of this provision if the elimination of transmission of programming was outside the control of the provider, in which case the provider shall use reasonable efforts to provide as much notice as possible, and any rate decrease related to the elimination of transmission of programming shall be applied to the date of the change.

(6) Cable or video providers shall provide clear visual and audio reception that meets or exceeds applicable
Federal Communications Commission technical standards. If a customer experiences poor video or audio reception due to the equipment of the cable or video provider, the cable or video provider shall promptly repair the problem at its own expense.

(c) Bills, payment, and termination:

(1) Cable or video providers shall render monthly bills that are clear, accurate, and understandable.

(2) Every residential customer who pays bills directly to the cable or video provider shall have at least 28 days from the date of the bill to pay the listed charges.

(3) Customer payments shall be posted promptly. When the payment is sent by United States mail, payment is considered paid on the date it is postmarked.

(4) Cable or video providers may not terminate residential service for nonpayment of a bill unless the cable or video provider furnishes notice of the delinquency and impending termination at least 21 days prior to the proposed termination. Notice of proposed termination shall be mailed, postage prepaid, to the customer to whom service is billed. Notice of proposed termination shall not be mailed until the 29th day after the date of the bill for services. Notice of delinquency and impending termination may be part of a billing statement only if the notice is presented in a different color than the bill and is designed to be conspicuous. The cable or video providers
may not assess a late fee prior to the 29th day after the date of the bill for service.

(5) Every notice of impending termination shall include all of the following: the name and address of customer; the amount of the delinquency; the date on which payment is required to avoid termination; and the telephone number of the cable or video provider's service representative to make payment arrangements and to provide additional information about the charges for failure to return equipment and for reconnection, if any. No customer may be charged a fee for termination or disconnection of service, irrespective of whether the customer initiated termination or disconnection or the cable or video provider initiated termination or disconnection.

(6) Service may only be terminated on days when the customer is able to reach a service representative of the cable or video providers, either in person or by telephone.

(7) Any service terminated by a cable or video provider without good cause shall be restored without any reconnection fee, charge, or penalty; good cause for termination includes, but is not limited to, failure to pay a bill by the date specified in the notice of impending termination, payment by check for which there are insufficient funds, theft of service, abuse of equipment or personnel, or other similar subscriber actions.

(8) Cable or video providers shall cease charging a
customer for any or all services within one business day after it receives a request to immediately terminate service or on the day requested by the customer if such a date is at least 5 days from the date requested by the customer. Nothing in this subsection (c) shall prohibit the provider from billing for charges that the customer incurs prior to the date of termination. Cable or video providers shall issue a credit or a refund or return a deposit within 10 business days after the close of the customer's billing cycle following the request for termination or the return of equipment, if any, whichever is later.

(9) The customers or subscribers of a cable or video provider shall be allowed to disconnect their service at any time within the first 60 days after subscribing to or upgrading the service. Within this 60-day period, cable or video providers shall not charge or impose any fees or penalties on the customer for disconnecting service, including, but not limited to, any installation charge or the imposition of an early termination charge, except the cable or video provider may impose a charge or fee to offset any rebates or credits received by the customer and may impose monthly service or maintenance charges, including pay-per-view and premium services charges, during such 60-day period.

(10) Cable and video providers shall guarantee customer satisfaction for new or upgraded service and the
customer shall receive a pro-rata credit in an amount equal to the pro-rata charge for the remaining days of service being disconnected or replaced upon the customer's request if the customer is dissatisfied with the service and requests to discontinue the service within the first 60 days after subscribing to the upgraded service.

(d) Response to customer inquiries:

(1) Cable or video providers will maintain a toll-free telephone access line that is available to customers 24 hours a day, 7 days a week, to accept calls regarding installation, termination, service, and complaints. Trained, knowledgeable, qualified service representatives of the cable or video providers will be available to respond to customer telephone inquiries during normal business hours. Customer service representatives shall be able to provide credit, waive fees, schedule appointments, and change billing cycles. Any difficulties that cannot be resolved by the customer service representatives shall be referred to a supervisor who shall make his or her best efforts to resolve the issue immediately. If the supervisor does not resolve the issue to the customer's satisfaction, the customer shall be informed of the cable or video provider's complaint procedures and procedures for billing dispute resolution and given a description of the rights and remedies available to customers to enforce the terms of this
Article, including the customer's rights to have the complaint reviewed by the local unit of government, to request mediation, and to review in a court of competent jurisdiction.

(2) After normal business hours, the access line may be answered by a service or an automated response system, including an answering machine. Inquiries received by telephone or e-mail after normal business hours shall be responded to by a trained service representative on the next business day. The cable or video provider shall respond to a written billing inquiry within 10 days of receipt of the inquiry.

(3) Cable or video providers shall provide customers seeking non-standard installations with a total installation cost estimate and an estimated date of completion. The actual charge to the customer shall not exceed 10% of the estimated cost without the written consent of the customer.

(4) If the cable or video provider receives notice that an unsafe condition exists with respect to its equipment, it shall investigate such condition immediately and shall take such measures as are necessary to remove or eliminate the unsafe condition. The cable or video provider shall inform the local unit of government promptly, but no later than 2 hours after it receives notification of an unsafe condition that it has not remedied.
(5) Under normal operating conditions, telephone answer time by the cable or video provider's customer representative, including wait time, shall not exceed 30 seconds when the connection is made. If the call needs to be transferred, transfer time shall not exceed 30 seconds. These standards shall be met no less than 90% of the time under normal operating conditions, measured on a quarterly basis.

(6) Under normal operating conditions, the cable or video provider's customers will receive a busy signal less than 3% of the time.

(e) Installations, Outages and Service Calls. Under normal operating conditions, each of the following standards related to installations, outages, and service calls will be met no less than 95% of the time measured on a quarterly basis:

(1) Standard installations will be performed within 7 business days after an order has been placed. "Standard" installations are those that are located up to 125 feet from the existing distribution system.

(2) Excluding conditions beyond the control of the cable or video providers, the cable or video providers will begin working on "service interruptions" promptly and in no event later than 24 hours after the interruption is reported by the customer or otherwise becomes known to the cable or video providers. Cable or video providers must begin actions to correct other service problems the next
business day after notification of the service problem and correct the problem within 48 hours after the interruption is reported by the customer 95% of the time, measured on a quarterly basis.

(3) The "appointment window" alternatives for installations, service calls, and other installation activities will be either a specific time or, at a maximum, a 4-hour time block during evening, weekend, and normal business hours. The cable or video provider may schedule service calls and other installation activities outside of these hours for the express convenience of the customer.

(4) Cable or video providers may not cancel an appointment with a customer after 5:00 p.m. on the business day prior to the scheduled appointment. If the cable or video provider's representative is running late for an appointment with a customer and will not be able to keep the appointment as scheduled, the customer will be contacted. The appointment will be rescheduled, as necessary, at a time that is convenient for the customer, even if the rescheduled appointment is not within normal business hours.

(f) Public benefit obligation:

(1) All cable or video providers offering service pursuant to the Cable and Video Competition Law of 2007, the Illinois Municipal Code, or the Counties Code shall
provide a free service line drop and free basic service to all current and future public buildings within their footprint, including, but not limited to, all local unit of government buildings, public libraries, and public primary and secondary schools, whether owned or leased by that local unit of government ("eligible buildings"). Such service shall be used in a manner consistent with the government purpose for the eligible building and shall not be resold.

(2) This obligation only applies to those cable or video service providers whose cable service or video service systems pass eligible buildings and its cable or video service is generally available to residential subscribers in the same local unit of government in which the eligible building is located. The burden of providing such service at each eligible building shall be shared by all cable and video providers whose systems pass the eligible buildings in an equitable and competitively neutral manner, and nothing herein shall require duplicative installations by more than one cable or video provider at each eligible building. Cable or video providers operating in a local unit of government shall meet as necessary and determine who will provide service to eligible buildings under this subsection (f). If the cable or video providers are unable to reach an agreement, they shall meet with the local unit of government, which shall
determine which cable or video providers will serve each 
eligible building. The local unit of government shall bear 
the costs of any inside wiring or video equipment costs not 
ordinarily provided as part of the cable or video 
provider's basic offering.

(g) After the cable or video providers have offered service 
for one (1) year, the cable or video providers shall make an 
annual report to the Commission, to the local unit of 
government, and to the Attorney General that it is meeting the 
standards specified in this Article, identifying the number of 
complaints it received over the prior year in the State and 
specifying the number of complaints related to each of the 
following: (1) billing, charges, refunds, and credits; (2) 
installation or termination of service; (3) quality of service 
and repair; (4) programming; and (5) miscellaneous complaints 
that do not fall within these categories. Thereafter, the cable 
or video providers shall also provide, upon request by the 
local unit of government where service is offered and to the 
Attorney General, an annual public report that includes 
performance data described in subdivisions (5) and (6) of 
subsection (d) and subdivisions (1) and (2) of subsection (e) 
subsections (d)(5), (d)(6), (e)(1) and (e)(2) of this Section 
for cable services or video services. The performance data 
shall be disaggregated for each requesting local unit of 
government or local exchange, as that term is defined in 
Section 13-206 of this the Public Utilities Act, in which the
cable or video providers have customers.

(h) To the extent consistent with federal law, cable or video providers shall offer the lowest-cost basic cable or video service as a stand-alone service to residential customers at reasonable rates. Cable or video providers shall not require the subscription to any service other than the lowest-cost basic service or to any telecommunications or information service, as a condition of access to cable or video service, including programming offered on a per channel or per program basis. Cable or video providers shall not discriminate between subscribers to the lowest-cost basic service, subscribers to other cable services or video services, and other subscribers with regard to the rates charged for cable or video programming offered on a per channel or per program basis.

(i) To the extent consistent with federal law, cable or video providers shall ensure that charges for changes in the subscriber's selection of services or equipment shall be based on the cost of such change and shall not exceed nominal amounts when the system's configuration permits changes in service tier selection to be effected solely by coded entry on a computer terminal or by other similarly simple method.

(j) To the extent consistent with federal law, cable or video providers shall have a rate structure for the provision of cable or video service that is uniform throughout the area within the boundaries of the local unit of government. This subsection (j) is not intended to prohibit bulk discounts to
multiple dwelling units or to prohibit reasonable discounts to senior citizens or other economically disadvantaged groups.

(k) To the extent consistent with federal law, cable or video providers shall not charge a subscriber for any service or equipment that the subscriber has not affirmatively requested by name. For purposes of this subsection (k), a subscriber's failure to refuse a cable or video provider's proposal to provide service or equipment shall not be deemed to be an affirmative request for such service or equipment.

(l) No contract or service offering cable services or video services or any bundle including such services shall be for a term longer than one year. Any contract or service offering with a term of service that contains an early termination fee shall limit the early termination fee to not more than the amount of the discount reflected in the price for cable services or video services for the period during which the consumer benefited from the discount.

(m) Cable or video providers shall not discriminate in the provision of services for the hearing and visually impaired, and shall comply with the accessibility requirements of 47 U.S.C. 613. Cable or video providers shall deliver and pick-up or provide customers with pre-paid shipping and packaging for the return of converters and other necessary equipment at the home of customers with disabilities. Cable or video providers shall provide free use of a converter or remote control unit to mobility impaired customers.
(n)(1) To the extent consistent with federal law, cable or video providers shall comply with the provisions of 47 U.S.C. 532(h) and (j). The cable or video providers shall not exercise any editorial control over any video programming provided pursuant to this Section, or in any other way consider the content of such programming, except that a cable or video provider may refuse to transmit any leased access program or portion of a leased access program that contains obscenity, indecency, or nudity and may consider such content to the minimum extent necessary to establish a reasonable price for the commercial use of designated channel capacity by an unaffiliated person. This subsection (n) shall permit cable or video providers to enforce prospectively a written and published policy of prohibiting programming that the cable or video provider reasonably believes describes or depicts sexual or excretory activities or organs in a patently offensive manner as measured by contemporary community standards.

(2) Upon customer request, the cable or video provider shall, without charge, fully scramble or otherwise fully block the audio and video programming of each channel carrying such programming so that a person who is not a subscriber does not receive the channel or programming.

(3) In providing sexually explicit adult programming or other programming that is indecent on any channel of its service primarily dedicated to sexually oriented programming, the cable or video provider shall fully
scramble or otherwise fully block the video and audio portion of such channel so that a person who is not a subscriber to such channel or programming does not receive it.

(4) Scramble means to rearrange the content of the signal of the programming so that the programming cannot be viewed or heard in an understandable manner.

(o) Cable or video providers will maintain a listing, specific to the level of street address, of the areas where its cable or video services are available. Customers who inquire about purchasing cable or video service shall be informed about whether the cable or video provider's cable or video services are currently available to them at their specific location.

(p) Privacy protections. Cable or video providers shall not disclose the name, address, telephone number or other personally identifying information of a cable service or video service customer to be used in mailing lists or to be used for other commercial purposes not reasonably related to the conduct of its business unless the cable or video provider has provided to the customer a notice, separately or included in any other customer service notice, that clearly and conspicuously describes the customer's ability to prohibit the disclosure. Cable or video providers shall provide an address and telephone number for a customer to use without a toll charge to prevent disclosure of the customer's name and address in mailing lists or for other commercial purposes not reasonably related to the
conduct of its business to other businesses or affiliates of the cable or video provider. Cable or video providers shall comply with the consumer privacy requirements of the Communications Consumer Privacy Act, the Restricted Call Registry Act, and 47 U.S.C. 551 that are in effect as of June 30, 2007 (the effective date of Public Act 95-9) this amendatory Act of the 95th General Assembly, and as amended thereafter.

(q) Cable or video providers shall implement an informal process for handling inquiries from local units of government and customers concerning billing issues, service issues, privacy concerns, and other consumer complaints. In the event that an issue is not resolved through this informal process, a local unit of government or the customer may request nonbinding mediation with the cable or video provider, with each party to bear its own costs of such mediation. Selection of the mediator will be by mutual agreement, and preference will be given to mediation services that do not charge the consumer for their services. In the event that the informal process does not produce a satisfactory result to the customer or the local unit of government, enforcement may be pursued as provided in subdivision (4) of subsection (r) of this Section (r)(4).

(r) The Attorney General and the local unit of government may enforce all of the customer service and privacy protection standards of this Section with respect to complaints received from residents within the local unit of government's
jurisdiction, but it may not adopt or seek to enforce any additional or different customer service or performance standards under any other authority or provision of law.

(1) The local unit of government may, by ordinance, provide a schedule of penalties for any material breach of this Section by cable or video providers in addition to the penalties provided herein. No monetary penalties shall be assessed for a material breach if it is out of the reasonable control of the cable or video providers or its affiliate. Monetary penalties adopted in an ordinance pursuant to this Section shall apply on a competitively neutral basis to all providers of cable service or video service within the local unit of government's jurisdiction. In no event shall the penalties imposed under this subsection exceed $750 for each day of the material breach, and these penalties shall not exceed $25,000 for each occurrence of a material breach per customer.

(2) For purposes of this Section, "material breach" means any substantial failure of a cable or video service provider to comply with service quality and other standards specified in any provision of this Act. The Attorney General or the local unit of government shall give the cable or video provider written notice of any alleged material breaches of this Act and allow such provider at least 30 days from receipt of the notice to remedy the
specified material breach.

(3) A material breach, for the purposes of assessing penalties, shall be deemed to have occurred for each day that a material breach has not been remedied by the cable service or video service provider after the expiration of the period specified in subdivision (2) of this subsection in each local unit of government's jurisdiction, irrespective of the number of customers affected.

(4) Any customer, the Attorney General, or a local unit of government may pursue alleged violations of this Act by the cable or video provider in a court of competent jurisdiction. A cable or video provider may seek judicial review of a decision of a local unit of government imposing penalties in a court of competent jurisdiction. No local unit of government shall be subject to suit for damages or other relief based upon its action in connection with its enforcement or review of any of the terms, conditions, and rights contained in this Act except a court may require the return of any penalty it finds was not properly assessed or imposed.

(s) Cable or video providers shall credit customers for violations in the amounts stated herein. The credits shall be applied on the statement issued to the customer for the next monthly billing cycle following the violation or following the discovery of the violation. Cable or video providers are responsible for providing the credits described herein and the
customer is under no obligation to request the credit. If the customer is no longer taking service from the cable or video provider, the credit amount will be refunded to the customer by check within 30 days of the termination of service. A local unit of government may, by ordinance, adopt a schedule of credits payable directly to customers for breach of the customer service standards and obligations contained in this Article, provided the schedule of customer credits applies on a competitively neutral basis to all providers of cable service or video service in the local unit of government's jurisdiction and the credits are not greater than the credits provided in this Section.

(1) Failure to provide notice of customer service standards upon initiation of service: $25.00.

(2) Failure to install service within 7 days: Waiver of 50% of the installation fee or the monthly fee for the lowest-cost basic service, whichever is greater. Failure to install service within 14 days: Waiver of 100% of the installation fee or the monthly fee for the lowest-cost basic service, whichever is greater.

(3) Failure to remedy service interruptions or poor video or audio service quality within 48 hours: Pro-rata credit of total regular monthly charges equal to the number of days of the service interruption.

(4) Failure to keep an appointment or to notify the customer prior to the close of business on the business day

(305 ILCS 5/9A-11) (from Ch. 23, par. 9A-11)

Sec. 9A-11. Child Care.

(a) The General Assembly recognizes that families with children need child care in order to work. Child care is expensive and families with low incomes, including those who are transitioning from welfare to work, often struggle to pay the costs of day care. The General Assembly understands the importance of helping low income working families become and remain self-sufficient. The General Assembly also believes
that it is the responsibility of families to share in the costs of child care. It is also the preference of the General Assembly that all working poor families should be treated equally, regardless of their welfare status.

(b) To the extent resources permit, the Illinois Department shall provide child care services to parents or other relatives as defined by rule who are working or participating in employment or Department approved education or training programs. At a minimum, the Illinois Department shall cover the following categories of families:

1. recipients of TANF under Article IV participating in work and training activities as specified in the personal plan for employment and self-sufficiency;
2. families transitioning from TANF to work;
3. families at risk of becoming recipients of TANF;
4. families with special needs as defined by rule; and
5. working families with very low incomes as defined by rule.

The Department shall specify by rule the conditions of eligibility, the application process, and the types, amounts, and duration of services. Eligibility for child care benefits and the amount of child care provided may vary based on family size, income, and other factors as specified by rule.

In determining income eligibility for child care benefits, the Department annually, at the beginning of each fiscal year, shall establish, by rule, one income threshold for each family
size, in relation to percentage of State median income for a family of that size, that makes families with incomes below the specified threshold eligible for assistance and families with incomes above the specified threshold ineligible for assistance. Through and including fiscal year 2007, the specified threshold must be no less than 50% of the then-current State median income for each family size. Beginning in fiscal year 2008, the specified threshold must be no less than 185% of the then-current federal poverty level for each family size.

In determining eligibility for assistance, the Department shall not give preference to any category of recipients or give preference to individuals based on their receipt of benefits under this Code.

The Department shall allocate $7,500,000 annually for a test program for families who are income-eligible for child care assistance, who are not recipients of TANF under Article IV, and who need child care assistance to participate in education and training activities. The Department shall specify by rule the conditions of eligibility for this test program.

Nothing in this Section shall be construed as conferring entitlement status to eligible families.

The Illinois Department is authorized to lower income eligibility ceilings, raise parent co-payments, create waiting lists, or take such other actions during a fiscal year as are
necessary to ensure that child care benefits paid under this Article do not exceed the amounts appropriated for those child care benefits. These changes may be accomplished by emergency rule under Section 5-45 of the Illinois Administrative Procedure Act, except that the limitation on the number of emergency rules that may be adopted in a 24-month period shall not apply.

The Illinois Department may contract with other State agencies or child care organizations for the administration of child care services.

(c) Payment shall be made for child care that otherwise meets the requirements of this Section and applicable standards of State and local law and regulation, including any requirements the Illinois Department promulgates by rule in addition to the licensure requirements promulgated by the Department of Children and Family Services and Fire Prevention and Safety requirements promulgated by the Office of the State Fire Marshal and is provided in any of the following:

(1) a child care center which is licensed or exempt from licensure pursuant to Section 2.09 of the Child Care Act of 1969;

(2) a licensed child care home or home exempt from licensing;

(3) a licensed group child care home;

(4) other types of child care, including child care provided by relatives or persons living in the same home as
the child, as determined by the Illinois Department by rule.

(c-5) (b-5) Solely for the purposes of coverage under the Illinois Public Labor Relations Act, child and day care home providers, including licensed and license exempt, participating in the Department's child care assistance program shall be considered to be public employees and the State of Illinois shall be considered to be their employer as of the effective date of this amendatory Act of the 94th General Assembly, but not before. The State shall engage in collective bargaining with an exclusive representative of child and day care home providers participating in the child care assistance program concerning their terms and conditions of employment that are within the State's control. Nothing in this subsection shall be understood to limit the right of families receiving services defined in this Section to select child and day care home providers or supervise them within the limits of this Section. The State shall not be considered to be the employer of child and day care home providers for any purposes not specifically provided in this amendatory Act of the 94th General Assembly, including but not limited to, purposes of vicarious liability in tort and purposes of statutory retirement or health insurance benefits. Child and day care home providers shall not be covered by the State Employees Group Insurance Act of 1971.

In accordence child and day care home providers and their
selected representative rights under the Illinois Public Labor Relations Act, the State intends that the State action exemption to application of federal and State antitrust laws be fully available to the extent that their activities are authorized by this amendatory Act of the 94th General Assembly.

(d) The Illinois Department shall, by rule, require co-payments for child care services by any parent, including parents whose only income is from assistance under this Code. The co-payment shall be assessed based on a sliding scale based on family income, family size, and the number of children in care. Co-payments shall not be increased due solely to a change in the methodology for counting family income.

(d-5) The Illinois Department, in consultation with its Child Care and Development Advisory Council, shall develop a plan to revise the child care assistance program’s co-payment scale. The plan shall be completed no later than February 1, 2008, and shall include:

(1) findings as to the percentage of income that the average American family spends on child care and the relative amounts that low-income families and the average American family spend on other necessities of life;
(2) recommendations for revising the child care co-payment scale to assure that families receiving child care services from the Department are paying no more than they can reasonably afford;
(3) recommendations for revising the child care
co-payment scale to provide at-risk children with complete access to Preschool for All and Head Start; and

(4) recommendations for changes in child care program policies that affect the affordability of child care.

(e) (Blank).

(f) The Illinois Department shall, by rule, set rates to be paid for the various types of child care. Child care may be provided through one of the following methods:

(1) arranging the child care through eligible providers by use of purchase of service contracts or vouchers;

(2) arranging with other agencies and community volunteer groups for non-reimbursed child care;

(3) (blank); or

(4) adopting such other arrangements as the Department determines appropriate.

(f-5) (Blank).

(g) Families eligible for assistance under this Section shall be given the following options:

(1) receiving a child care certificate issued by the Department or a subcontractor of the Department that may be used by the parents as payment for child care and development services only; or

(2) if space is available, enrolling the child with a child care provider that has a purchase of service contract with the Department or a subcontractor of the Department
for the provision of child care and development services. The Department may identify particular priority populations for whom they may request special consideration by a provider with purchase of service contracts, provided that the providers shall be permitted to maintain a balance of clients in terms of household incomes and families and children with special needs, as defined by rule.

Section 265. The Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act is amended by changing Section 4 as follows:

(320 ILCS 25/4) (from Ch. 67 1/2, par. 404)

Sec. 4. Amount of Grant.

(a) In general. Any individual 65 years or older or any individual who will become 65 years old during the calendar year in which a claim is filed, and any surviving spouse of such a claimant, who at the time of death received or was entitled to receive a grant pursuant to this Section, which surviving spouse will become 65 years of age within the 24
months immediately following the death of such claimant and which surviving spouse but for his or her age is otherwise qualified to receive a grant pursuant to this Section, and any disabled person whose annual household income is less than the income eligibility limitation, as defined in subsection (a-5) and whose household is liable for payment of property taxes accrued or has paid rent constituting property taxes accrued and is domiciled in this State at the time he or she files his or her claim is entitled to claim a grant under this Act. With respect to claims filed by individuals who will become 65 years old during the calendar year in which a claim is filed, the amount of any grant to which that household is entitled shall be an amount equal to 1/12 of the amount to which the claimant would otherwise be entitled as provided in this Section, multiplied by the number of months in which the claimant was 65 in the calendar year in which the claim is filed.

(a-5) Income eligibility limitation. For purposes of this Section, "income eligibility limitation" means an amount:

(i) for grant years before the 1998 grant year, less than $14,000;
(ii) for the 1998 and 1999 grant year, less than $16,000;
(iii) for grant years 2000 through 2007:
   (A) less than $21,218 for a household containing one person;
   (B) less than $28,480 for a household containing 2
persons; or

(C) less than $35,740 for a household containing 3 or more persons; or

(iv) for grant years 2008 and thereafter:

(A) less than $22,218 for a household containing one person;

(B) less than $29,480 for a household containing 2 persons; or

(C) less than $36,740 for a household containing 3 or more persons.

(b) Limitation. Except as otherwise provided in subsections (a) and (f) of this Section, the maximum amount of grant which a claimant is entitled to claim is the amount by which the property taxes accrued which were paid or payable during the last preceding tax year or rent constituting property taxes accrued upon the claimant's residence for the last preceding taxable year exceeds 3 1/2% of the claimant's household income for that year but in no event is the grant to exceed (i) $700 less 4.5% of household income for that year for those with a household income of $14,000 or less or (ii) $70 if household income for that year is more than $14,000.

(c) Public aid recipients. If household income in one or more months during a year includes cash assistance in excess of $55 per month from the Department of Healthcare and Family Services or the Department of Human Services (acting as successor to the Department of Public Aid under the Department
of Human Services Act) which was determined under regulations of that Department on a measure of need that included an allowance for actual rent or property taxes paid by the recipient of that assistance, the amount of grant to which that household is entitled, except as otherwise provided in subsection (a), shall be the product of (1) the maximum amount computed as specified in subsection (b) of this Section and (2) the ratio of the number of months in which household income did not include such cash assistance over $55 to the number twelve. If household income did not include such cash assistance over $55 for any months during the year, the amount of the grant to which the household is entitled shall be the maximum amount computed as specified in subsection (b) of this Section. For purposes of this paragraph (c), "cash assistance" does not include any amount received under the federal Supplemental Security Income (SSI) program.

(d) Joint ownership. If title to the residence is held jointly by the claimant with a person who is not a member of his or her household, the amount of property taxes accrued used in computing the amount of grant to which he or she is entitled shall be the same percentage of property taxes accrued as is the percentage of ownership held by the claimant in the residence.

(e) More than one residence. If a claimant has occupied more than one residence in the taxable year, he or she may claim only one residence for any part of a month. In the case
of property taxes accrued, he or she shall prorate 1/12 of the total property taxes accrued on his or her residence to each month that he or she owned and occupied that residence; and, in the case of rent constituting property taxes accrued, shall prorate each month's rent payments to the residence actually occupied during that month.

(f) There is hereby established a program of pharmaceutical assistance to the aged and disabled which shall be administered by the Department in accordance with this Act, to consist of payments to authorized pharmacies, on behalf of beneficiaries of the program, for the reasonable costs of covered prescription drugs. Each beneficiary who pays $5 for an identification card shall pay no additional prescription costs. Each beneficiary who pays $25 for an identification card shall pay $3 per prescription. In addition, after a beneficiary receives $2,000 in benefits during a State fiscal year, that beneficiary shall also be charged 20% of the cost of each prescription for which payments are made by the program during the remainder of the fiscal year. To become a beneficiary under this program a person must: (1) be (i) 65 years of age or older, or (ii) the surviving spouse of such a claimant, who at the time of death received or was entitled to receive benefits pursuant to this subsection, which surviving spouse will become 65 years of age within the 24 months immediately following the death of such claimant and which surviving spouse but for his or her age is otherwise qualified to receive benefits pursuant
to this subsection, or (iii) disabled, and (2) be domiciled in this State at the time he or she files his or her claim, and (3) have a maximum household income of less than the income eligibility limitation, as defined in subsection (a-5). In addition, each eligible person must (1) obtain an identification card from the Department, (2) at the time the card is obtained, sign a statement assigning to the State of Illinois benefits which may be otherwise claimed under any private insurance plans, and (3) present the identification card to the dispensing pharmacist.

The Department may adopt rules specifying participation requirements for the pharmaceutical assistance program, including copayment amounts, identification card fees, expenditure limits, and the benefit threshold after which a 20% charge is imposed on the cost of each prescription, to be in effect on and after July 1, 2004. Notwithstanding any other provision of this paragraph, however, the Department may not increase the identification card fee above the amount in effect on May 1, 2003 without the express consent of the General Assembly. To the extent practicable, those requirements shall be commensurate with the requirements provided in rules adopted by the Department of Healthcare and Family Services to implement the pharmacy assistance program under Section 5-5.12a of the Illinois Public Aid Code.

Whenever a generic equivalent for a covered prescription drug is available, the Department shall reimburse only for the
reasonable costs of the generic equivalent, less the co-pay established in this Section, unless (i) the covered prescription drug contains one or more ingredients defined as a narrow therapeutic index drug at 21 CFR 320.33, (ii) the prescriber indicates on the face of the prescription "brand medically necessary", and (iii) the prescriber specifies that a substitution is not permitted. When issuing an oral prescription for covered prescription medication described in item (i) of this paragraph, the prescriber shall stipulate "brand medically necessary" and that a substitution is not permitted. If the covered prescription drug and its authorizing prescription do not meet the criteria listed above, the beneficiary may purchase the non-generic equivalent of the covered prescription drug by paying the difference between the generic cost and the non-generic cost plus the beneficiary co-pay.

Any person otherwise eligible for pharmaceutical assistance under this Act whose covered drugs are covered by any public program for assistance in purchasing any covered prescription drugs shall be ineligible for assistance under this Act to the extent such costs are covered by such other plan.

The fee to be charged by the Department for the identification card shall be equal to $5 per coverage year for persons below the official poverty line as defined by the United States Department of Health and Human Services and $25
per coverage year for all other persons.

In the event that 2 or more persons are eligible for any benefit under this Act, and are members of the same household, (1) each such person shall be entitled to participate in the pharmaceutical assistance program, provided that he or she meets all other requirements imposed by this subsection and (2) each participating household member contributes the fee required for that person by the preceding paragraph for the purpose of obtaining an identification card.

The provisions of this subsection (f), other than this paragraph, are inoperative after December 31, 2005. Beneficiaries who received benefits under the program established by this subsection (f) are not entitled, at the termination of the program, to any refund of the identification card fee paid under this subsection.

(g) Effective January 1, 2006, there is hereby established a program of pharmaceutical assistance to the aged and disabled, entitled the Illinois Seniors and Disabled Drug Coverage Program, which shall be administered by the Department of Healthcare and Family Services and the Department on Aging in accordance with this subsection, to consist of coverage of specified prescription drugs on behalf of beneficiaries of the program as set forth in this subsection. The program under this subsection replaces and supersedes the program established under subsection (f), which shall end at midnight on December 31, 2005.
To become a beneficiary under the program established under this subsection, a person must:

(1) be (i) 65 years of age or older or (ii) disabled; and

(2) be domiciled in this State; and

(3) enroll with a qualified Medicare Part D Prescription Drug Plan if eligible and apply for all available subsidies under Medicare Part D; and

(4) have a maximum household income of (i) less than $21,218 for a household containing one person, (ii) less than $28,480 for a household containing 2 persons, or (iii) less than $35,740 for a household containing 3 or more persons. If any income eligibility limit set forth in items (i) through (iii) is less than 200% of the Federal Poverty Level for any year, the income eligibility limit for that year for households of that size shall be income equal to or less than 200% of the Federal Poverty Level.

All individuals enrolled as of December 31, 2005, in the pharmaceutical assistance program operated pursuant to subsection (f) of this Section and all individuals enrolled as of December 31, 2005, in the SeniorCare Medicaid waiver program operated pursuant to Section 5-5.12a of the Illinois Public Aid Code shall be automatically enrolled in the program established by this subsection for the first year of operation without the need for further application, except that they must apply for Medicare Part D and the Low Income Subsidy under Medicare Part
D. A person enrolled in the pharmaceutical assistance program operated pursuant to subsection (f) of this Section as of December 31, 2005, shall not lose eligibility in future years due only to the fact that they have not reached the age of 65.

To the extent permitted by federal law, the Department may act as an authorized representative of a beneficiary in order to enroll the beneficiary in a Medicare Part D Prescription Drug Plan if the beneficiary has failed to choose a plan and, where possible, to enroll beneficiaries in the low-income subsidy program under Medicare Part D or assist them in enrolling in that program.

Beneficiaries under the program established under this subsection shall be divided into the following 5 eligibility groups:

(A) Eligibility Group 1 shall consist of beneficiaries who are not eligible for Medicare Part D coverage and who are:

(i) disabled and under age 65; or

(ii) age 65 or older, with incomes over 200% of the Federal Poverty Level; or

(iii) age 65 or older, with incomes at or below 200% of the Federal Poverty Level and not eligible for federally funded means-tested benefits due to immigration status.

(B) Eligibility Group 2 shall consist of beneficiaries otherwise described in Eligibility Group 1 but who are
(C) Eligibility Group 3 shall consist of beneficiaries age 65 or older, with incomes at or below 200% of the Federal Poverty Level, who are not barred from receiving federally funded means-tested benefits due to immigration status and are eligible for Medicare Part D coverage.

(D) Eligibility Group 4 shall consist of beneficiaries age 65 or older, with incomes at or below 200% of the Federal Poverty Level, who are not barred from receiving federally funded means-tested benefits due to immigration status and are not eligible for Medicare Part D coverage.

If the State applies and receives federal approval for a waiver under Title XIX of the Social Security Act, persons in Eligibility Group 4 shall continue to receive benefits through the approved waiver, and Eligibility Group 4 may be expanded to include disabled persons under age 65 with incomes under 200% of the Federal Poverty Level who are not eligible for Medicare and who are not barred from receiving federally funded means-tested benefits due to immigration status.

(E) On and after January 1, 2007, Eligibility Group 5 shall consist of beneficiaries who are otherwise described in Eligibility Groups 2 and 3 who have a diagnosis of HIV or AIDS.

The program established under this subsection shall cover the cost of covered prescription drugs in excess of the
beneficiary cost-sharing amounts set forth in this paragraph that are not covered by Medicare. In 2006, beneficiaries shall pay a co-payment of $2 for each prescription of a generic drug and $5 for each prescription of a brand-name drug. In future years, beneficiaries shall pay co-payments equal to the co-payments required under Medicare Part D for "other low-income subsidy eligible individuals" pursuant to 42 CFR 423.782(b). For individuals in Eligibility Groups 1, 2, 3, and 4, once the program established under this subsection and Medicare combined have paid $1,750 in a year for covered prescription drugs, the beneficiary shall pay 20% of the cost of each prescription in addition to the co-payments set forth in this paragraph. For individuals in Eligibility Group 5, once the program established under this subsection and Medicare combined have paid $1,750 in a year for covered prescription drugs, the beneficiary shall pay 20% of the cost of each prescription in addition to the co-payments set forth in this paragraph unless the drug is included in the formulary of the Illinois AIDS Drug Assistance Program operated by the Illinois Department of Public Health. If the drug is included in the formulary of the Illinois AIDS Drug Assistance Program, individuals in Eligibility Group 5 shall continue to pay the co-payments set forth in this paragraph after the program established under this subsection and Medicare combined have paid $1,750 in a year for covered prescription drugs.

For beneficiaries eligible for Medicare Part D coverage,
the program established under this subsection shall pay 100% of the premiums charged by a qualified Medicare Part D Prescription Drug Plan for Medicare Part D basic prescription drug coverage, not including any late enrollment penalties. Qualified Medicare Part D Prescription Drug Plans may be limited by the Department of Healthcare and Family Services to those plans that sign a coordination agreement with the Department.

Notwithstanding Section 3.15, for purposes of the program established under this subsection, the term "covered prescription drug" has the following meanings:

For Eligibility Group 1, "covered prescription drug" means: (1) any cardiovascular agent or drug; (2) any insulin or other prescription drug used in the treatment of diabetes, including syringe and needles used to administer the insulin; (3) any prescription drug used in the treatment of arthritis; (4) any prescription drug used in the treatment of cancer; (5) any prescription drug used in the treatment of Alzheimer's disease; (6) any prescription drug used in the treatment of Parkinson's disease; (7) any prescription drug used in the treatment of glaucoma; (8) any prescription drug used in the treatment of lung disease and smoking-related illnesses; (9) any prescription drug used in the treatment of osteoporosis; and (10) any prescription drug used in the treatment of multiple sclerosis. The Department may add additional therapeutic
classes by rule. The Department may adopt a preferred drug list within any of the classes of drugs described in items (1) through (10) of this paragraph. The specific drugs or therapeutic classes of covered prescription drugs shall be indicated by rule.

For Eligibility Group 2, "covered prescription drug" means those drugs covered for Eligibility Group 1 that are also covered by the Medicare Part D Prescription Drug Plan in which the beneficiary is enrolled.

For Eligibility Group 3, "covered prescription drug" means those drugs covered by the Medicare Part D Prescription Drug Plan in which the beneficiary is enrolled.

For Eligibility Group 4, "covered prescription drug" means those drugs covered by the Medical Assistance Program under Article V of the Illinois Public Aid Code.

For Eligibility Group 5, for individuals otherwise described in Eligibility Group 2, "covered prescription drug" means: (1) those drugs covered for Eligibility Group 2 that are also covered by the Medicare Part D Prescription Drug Plan in which the beneficiary is enrolled; and (2) those drugs included in the formulary of the Illinois AIDS Drug Assistance Program operated by the Illinois Department of Public Health that are also covered by the Medicare Part D Prescription Drug Plan in which the beneficiary is enrolled. For Eligibility Group 5, for
individuals otherwise described in Eligibility Group 3, "covered prescription drug" means those drugs covered by the Medicare Part D Prescription Drug Plan in which the beneficiary is enrolled.

An individual in Eligibility Group 1, 2, 3, 4, or 5 may opt to receive a $25 monthly payment in lieu of the direct coverage described in this subsection.

Any person otherwise eligible for pharmaceutical assistance under this subsection whose covered drugs are covered by any public program is ineligible for assistance under this subsection to the extent that the cost of those drugs is covered by the other program.

The Department of Healthcare and Family Services shall establish by rule the methods by which it will provide for the coverage called for in this subsection. Those methods may include direct reimbursement to pharmacies or the payment of a capitated amount to Medicare Part D Prescription Drug Plans.

For a pharmacy to be reimbursed under the program established under this subsection, it must comply with rules adopted by the Department of Healthcare and Family Services regarding coordination of benefits with Medicare Part D Prescription Drug Plans. A pharmacy may not charge a Medicare-enrolled beneficiary of the program established under this subsection more for a covered prescription drug than the appropriate Medicare cost-sharing less any payment from or on behalf of the Department of Healthcare and Family Services.
The Department of Healthcare and Family Services or the Department on Aging, as appropriate, may adopt rules regarding applications, counting of income, proof of Medicare status, mandatory generic policies, and pharmacy reimbursement rates and any other rules necessary for the cost-efficient operation of the program established under this subsection.

For purposes of this paragraph, a school board member is granted the authority in his or her individual capacity to direct the superintendent of the school district or other equivalent school administrator to comply with the requirements of this Act concerning the reporting of child abuse.

Whenever such person is required to report under this Act in his capacity as a member of the staff of a medical or other public or private institution, school, facility or agency, or as a member of the clergy, he shall make report immediately to the Department in accordance with the provisions of this Act and may also notify the person in charge of such institution, school, facility or agency, or church, synagogue, temple,

Under no circumstances shall any person in charge of such institution, school, facility or agency, or church, synagogue, temple, mosque, or other religious institution, or his designated agent to whom such notification has been made, exercise any control, restraint, modification or other change in the report or the forwarding of such report to the Department.

The privileged quality of communication between any professional person required to report and his patient or client shall not apply to situations involving abused or neglected children and shall not constitute grounds for failure to report as required by this Act.

Any person who knowingly and willfully violates any provision of this Section other than a second or subsequent violation of transmitting a false report as described in the preceding paragraph, is guilty of a Class A misdemeanor for a first violation and a Class 4 felony for a second or subsequent violation; except that if the person acted as part of a plan or scheme having as its object the prevention of discovery of an abused or neglected child by lawful authorities for the purpose of protecting or insulating any person or entity from arrest or prosecution, the person is guilty of a Class 4 felony for a first offense and a Class 3 felony for a second or subsequent offense (regardless of whether the second or subsequent offense involves any of the same facts or persons as the first or other prior offense).

A child whose parent, guardian or custodian in good faith
selects and depends upon spiritual means through prayer alone for the treatment or cure of disease or remedial care may be considered neglected or abused, but not for the sole reason that his parent, guardian or custodian accepts and practices such beliefs.

A child shall not be considered neglected or abused solely because the child is not attending school in accordance with the requirements of Article 26 of the School Code, as amended.

Sec. 55.8. Tire retailers.

(a) Any person selling new or used tires at retail or offering new or used tires for retail sale in this State shall:

(1) beginning on June 20, 2003 (the effective date of Public Act 93-32), collect from retail customers a fee of $2 per new or used tire sold and delivered in this State, to be paid to the Department of Revenue and deposited into the Used Tire Management Fund, less a collection allowance of 10 cents per tire to be retained by the retail seller and a collection allowance of 10 cents per tire to be retained by the Department of Revenue and paid into the General Revenue Fund;

(1.5) beginning on July 1, 2003, collect from retail customers an additional 50 cents per new or used tire sold and delivered in this State; the money collected from this fee shall be deposited into the Emergency Public Health Fund;

(2) accept for recycling used tires from customers, at the point of transfer, in a quantity equal to the number of new tires purchased; and

(3) post in a conspicuous place a written notice at least 8.5 by 11 inches in size that includes the universal
recycling symbol and the following statements: "DO NOT put used tires in the trash."; "Recycle your used tires."; and "State law requires us to accept used tires for recycling, in exchange for new tires purchased."

(b) A person who accepts used tires for recycling under subsection (a) shall not allow the tires to accumulate for periods of more than 90 days.

(c) The requirements of subsection (a) of this Section do not apply to mail order sales nor shall the retail sale of a motor vehicle be considered to be the sale of tires at retail or offering of tires for retail sale. Instead of filing returns, retailers of tires may remit the tire user fee of $1.00 per tire to their suppliers of tires if the supplier of tires is a registered retailer of tires and agrees or otherwise arranges to collect and remit the tire fee to the Department of Revenue, notwithstanding the fact that the sale of the tire is a sale for resale and not a sale at retail. A tire supplier who enters into such an arrangement with a tire retailer shall be liable for the tax on all tires sold to the tire retailer and must (i) provide the tire retailer with a receipt that separately reflects the tire tax collected from the retailer on each transaction and (ii) accept used tires for recycling from the retailer's customers. The tire supplier shall be entitled to the collection allowance of 10 cents per tire.

The retailer of the tires must maintain in its books and records evidence that the appropriate fee was paid to the tire
supplier and that the tire supplier has agreed to remit the fee to the Department of Revenue for each tire sold by the retailer. Otherwise, the tire retailer shall be directly liable for the fee on all tires sold at retail. Tire retailers paying the fee to their suppliers are not entitled to the collection allowance of 10 cents per tire.

(d) The requirements of subsection (a) of this Section shall apply exclusively to tires to be used for vehicles defined in Section 1-217 of the Illinois Vehicle Code, aircraft tires, special mobile equipment, and implements of husbandry.

(e) The requirements of paragraph (1) of subsection (a) do not apply to the sale of reprocessed tires. For purposes of this Section, "reprocessed tire" means a used tire that has been recapped, retreaded, or regrooved and that has not been placed on a vehicle wheel rim.

This season shall be restricted to gun or bow and arrow hunting only. The Department shall publicly announce, via statewide news release, the season dates and shooting hours, the counties and sites open to hunting, permit requirements, application dates, hunting rules, legal weapons, and reporting requirements.

The Department is authorized to establish a separate harvest period at specific sites within the State for the purpose of harvesting surplus deer that cannot be taken during the regular season provided for the taking of deer. This season shall be restricted to gun or bow and arrow hunting only and shall be established during the period of September 1st to February 15th, both inclusive. The Department shall publish suitable prescribed rules and regulations established by administrative rule pertaining to management restrictions applicable to this special harvest program. The Department shall allow unused gun deer permits that are left over from a regular season for the taking of deer to be rolled over and used during any separate harvest period held within 6 months of the season for which those tags were issued at no additional cost to the permit holder subject to the management restrictions applicable to the special harvest program.

Any person using a dog for tracking wounded deer must maintain physical control of the dog at all times by means of a maximum 50 foot lead attached to the dog's collar or harness. Tracking wounded deer is permissible at night, but at no time outside of legal deer hunting hours or seasons shall any person handling or accompanying a dog being used for tracking wounded deer be in possession of any firearm or archery device. (c) When a vehicle is abandoned or left unattended on a highway other than a toll highway, interstate highway, or expressway, outside of an urban district for 24 hours or more, its removal by a towing service may be authorized by a law enforcement agency having jurisdiction.

(d) When an abandoned, unattended, wrecked, burned or partially dismantled vehicle is creating a traffic hazard
because of its position in relation to the highway or its physical appearance is causing the impeding of traffic, its immediate removal from the highway or private property adjacent to the highway by a towing service may be authorized by a law enforcement agency having jurisdiction.

(e) Whenever a peace officer reasonably believes that a person under arrest for a violation of Section 11-501 of this Code or a similar provision of a local ordinance is likely, upon release, to commit a subsequent violation of Section 11-501, or a similar provision of a local ordinance, the arresting officer shall have the vehicle which the person was operating at the time of the arrest impounded for a period of not more than 12 hours after the time of arrest. However, such vehicle may be released by the arresting law enforcement agency prior to the end of the impoundment period if:

(1) the vehicle was not owned by the person under arrest, and the lawful owner requesting such release possesses a valid operator's license, proof of ownership, and would not, as determined by the arresting law enforcement agency, indicate a lack of ability to operate a motor vehicle in a safe manner, or who would otherwise, by operating such motor vehicle, be in violation of this Code; or

(2) the vehicle is owned by the person under arrest, and the person under arrest gives permission to another person to operate such vehicle, provided however, that the
other person possesses a valid operator's license and would not, as determined by the arresting law enforcement agency, indicate a lack of ability to operate a motor vehicle in a safe manner or who would otherwise, by operating such motor vehicle, be in violation of this Code.

(e-5) Whenever a registered owner of a vehicle is taken into custody for operating the vehicle in violation of Section 11-501 of this Code or a similar provision of a local ordinance or Section 6-303 of this Code, a law enforcement officer may have the vehicle immediately impounded for a period not less than:

(2) 48 hours for a third violation of Section 11-501 of this Code or a similar provision of a local ordinance or Section 6-303 of this Code or a combination of these offenses.

The vehicle may be released sooner if the vehicle is owned by the person under arrest and the person under arrest gives permission to another person to operate the vehicle and that other person possesses a valid operator's license and would not, as determined by the arresting law enforcement agency, indicate a lack of ability to operate a motor vehicle in a safe manner or would otherwise, by operating the motor vehicle, be
in violation of this Code.

(f) Except as provided in Chapter 18a of this Code, the owner or lessor of privately owned real property within this State, or any person authorized by such owner or lessor, or any law enforcement agency in the case of publicly owned real property may cause any motor vehicle abandoned or left unattended upon such property without permission to be removed by a towing service without liability for the costs of removal, transportation or storage or damage caused by such removal, transportation or storage. The towing or removal of any vehicle from private property without the consent of the registered owner or other legally authorized person in control of the vehicle is subject to compliance with the following conditions and restrictions:

1. Any towed or removed vehicle must be stored at the site of the towing service's place of business. The site must be open during business hours, and for the purpose of redemption of vehicles, during the time that the person or firm towing such vehicle is open for towing purposes.

2. The towing service shall within 30 minutes of completion of such towing or removal, notify the law enforcement agency having jurisdiction of such towing or removal, and the make, model, color and license plate number of the vehicle, and shall obtain and record the name of the person at the law enforcement agency to whom such information was reported.
3. If the registered owner or legally authorized person entitled to possession of the vehicle shall arrive at the scene prior to actual removal or towing of the vehicle, the vehicle shall be disconnected from the tow truck and that person shall be allowed to remove the vehicle without interference, upon the payment of a reasonable service fee of not more than one half the posted rate of the towing service as provided in paragraph 6 of this subsection, for which a receipt shall be given.

4. The rebate or payment of money or any other valuable consideration from the towing service or its owners, managers or employees to the owners or operators of the premises from which the vehicles are towed or removed, for the privilege of removing or towing those vehicles, is prohibited. Any individual who violates this paragraph shall be guilty of a Class A misdemeanor.

5. Except for property appurtenant to and obviously a part of a single family residence, and except for instances where notice is personally given to the owner or other legally authorized person in control of the vehicle that the area in which that vehicle is parked is reserved or otherwise unavailable to unauthorized vehicles and they are subject to being removed at the owner or operator's expense, any property owner or lessor, prior to towing or removing any vehicle from private property without the consent of the owner or other legally authorized person in
control of that vehicle, must post a notice meeting the following requirements:

a. Except as otherwise provided in subparagraph a.1 of this subdivision (f)5, the notice must be prominently placed at each driveway access or curb cut allowing vehicular access to the property within 5 feet from the public right-of-way line. If there are no curbs or access barriers, the sign must be posted not less than one sign each 100 feet of lot frontage.

a.1. In a municipality with a population of less than 250,000, as an alternative to the requirement of subparagraph a of this subdivision (f)5, the notice for a parking lot contained within property used solely for a 2-family, 3-family, or 4-family residence may be prominently placed at the perimeter of the parking lot, in a position where the notice is visible to the occupants of vehicles entering the lot.

b. The notice must indicate clearly, in not less than 2 inch high light-reflective letters on a contrasting background, that unauthorized vehicles will be towed away at the owner's expense.

c. The notice must also provide the name and current telephone number of the towing service towing or removing the vehicle.

d. The sign structure containing the required notices must be permanently installed with the bottom
of the sign not less than 4 feet above ground level, and must be continuously maintained on the property for not less than 24 hours prior to the towing or removing of any vehicle.

6. Any towing service that tows or removes vehicles and proposes to require the owner, operator, or person in control of the vehicle to pay the costs of towing and storage prior to redemption of the vehicle must file and keep on record with the local law enforcement agency a complete copy of the current rates to be charged for such services, and post at the storage site an identical rate schedule and any written contracts with property owners, lessors, or persons in control of property which authorize them to remove vehicles as provided in this Section.

7. No person shall engage in the removal of vehicles from private property as described in this Section without filing a notice of intent in each community where he intends to do such removal, and such notice shall be filed at least 7 days before commencing such towing.

8. No removal of a vehicle from private property shall be done except upon express written instructions of the owners or persons in charge of the private property upon which the vehicle is said to be trespassing.

9. Vehicle entry for the purpose of removal shall be allowed with reasonable care on the part of the person or firm towing the vehicle. Such person or firm shall be
liable for any damages occasioned to the vehicle if such entry is not in accordance with the standards of reasonable care.

10. When a vehicle has been towed or removed pursuant to this Section, it must be released to its owner or custodian within one half hour after requested, if such request is made during business hours. Any vehicle owner or custodian or agent shall have the right to inspect the vehicle before accepting its return, and no release or waiver of any kind which would release the towing service from liability for damages incurred during the towing and storage may be required from any vehicle owner or other legally authorized person as a condition of release of the vehicle. A detailed, signed receipt showing the legal name of the towing service must be given to the person paying towing or storage charges at the time of payment, whether requested or not.

This Section shall not apply to law enforcement, firefighting, rescue, ambulance, or other emergency vehicles which are marked as such or to property owned by any governmental entity.

When an authorized person improperly causes a motor vehicle to be removed, such person shall be liable to the owner or lessee of the vehicle for the cost or removal, transportation and storage, any damages resulting from the removal, transportation and storage, attorney's fee and court costs.
Any towing or storage charges accrued shall be payable by the use of any major credit card, in addition to being payable in cash.

11. Towing companies shall also provide insurance coverage for areas where vehicles towed under the provisions of this Chapter will be impounded or otherwise stored, and shall adequately cover loss by fire, theft or other risks.

Any person who fails to comply with the conditions and restrictions of this subsection shall be guilty of a Class C misdemeanor and shall be fined not less than $100 nor more than $500.

(g) When a vehicle is determined to be a hazardous dilapidated motor vehicle pursuant to Section 11-40-3.1 of the Illinois Municipal Code, its removal and impoundment by a towing service may be authorized by a law enforcement agency with appropriate jurisdiction.

When a vehicle removal from either public or private property is authorized by a law enforcement agency, the owner of the vehicle shall be responsible for all towing and storage charges.

Vehicles removed from public or private property and stored by a commercial vehicle relocator or any other towing service in compliance with this Section and Sections 4-201 and 4-202 of this Code, or at the request of the vehicle owner or operator, shall be subject to a possessor lien for services pursuant to
the Labor and Storage Lien (Small Amount) Act. The provisions of Section 1 of that Act relating to notice and implied consent shall be deemed satisfied by compliance with Section 18a-302 and subsection (6) of Section 18a-300. In no event shall such lien be greater than the rate or rates established in accordance with subsection (6) of Section 18a-200 of this Code. In no event shall such lien be increased or altered to reflect any charge for services or materials rendered in addition to those authorized by this Act. Every such lien shall be payable by use of any major credit card, in addition to being payable in cash.

Any personal property belonging to the vehicle owner in a vehicle subject to a lien under this subsection (g) shall likewise be subject to that lien, excepting only: food; medicine; perishable property; any operator's licenses; any cash, credit cards, or checks or checkbooks; and any wallet, purse, or other property containing any operator's license or other identifying documents or materials, cash, credit cards, checks, or checkbooks.

No lien under this subsection (g) shall: exceed $2,000 in its total amount; or be increased or altered to reflect any charge for services or materials rendered in addition to those authorized by this Act.

(h) Whenever a peace officer issues a citation to a driver for a violation of subsection (a) of Section 11-506 of this Code, the arresting officer may have the vehicle which the
person was operating at the time of the arrest impounded for a period of 5 days after the time of arrest. An impounding agency shall release a motor vehicle impounded under this subsection (h) to the registered owner of the vehicle under any of the following circumstances:

(1) If the vehicle is a stolen vehicle; or

(2) If the person ticketed for a violation of subsection (a) of Section 11-506 of this Code was not authorized by the registered owner of the vehicle to operate the vehicle at the time of the violation; or

(3) If the registered owner of the vehicle was neither the driver nor a passenger in the vehicle at the time of the violation or was unaware that the driver was using the vehicle to engage in street racing; or

(4) If the legal owner or registered owner of the vehicle is a rental car agency; or

(5) If, prior to the expiration of the impoundment period specified above, the citation is dismissed or the defendant is found not guilty of the offense.

Sec. 4-203. Removal of motor vehicles or other vehicles; Towing or hauling away.

(a) When a vehicle is abandoned, or left unattended, on a toll highway, interstate highway, or expressway for 2 hours or more, its removal by a towing service may be authorized by a law enforcement agency having jurisdiction.

(b) When a vehicle is abandoned on a highway in an urban district 10 hours or more, its removal by a towing service may be authorized by a law enforcement agency having jurisdiction.

(c) When a vehicle is abandoned or left unattended on a highway other than a toll highway, interstate highway, or expressway, outside of an urban district for 24 hours or more, its removal by a towing service may be authorized by a law enforcement agency having jurisdiction.

(d) When an abandoned, unattended, wrecked, burned or partially dismantled vehicle is creating a traffic hazard
because of its position in relation to the highway or its physical appearance is causing the impeding of traffic, its immediate removal from the highway or private property adjacent to the highway by a towing service may be authorized by a law enforcement agency having jurisdiction.

(e) Whenever a peace officer reasonably believes that a person under arrest for a violation of Section 11-501 of this Code or a similar provision of a local ordinance is likely, upon release, to commit a subsequent violation of Section 11-501, or a similar provision of a local ordinance, the arresting officer shall have the vehicle which the person was operating at the time of the arrest impounded for a period of not more than 12 hours after the time of arrest. However, such vehicle may be released by the arresting law enforcement agency prior to the end of the impoundment period if:

(1) the vehicle was not owned by the person under arrest, and the lawful owner requesting such release possesses a valid operator's license, proof of ownership, and would not, as determined by the arresting law enforcement agency, indicate a lack of ability to operate a motor vehicle in a safe manner, or who would otherwise, by operating such motor vehicle, be in violation of this Code; or

(2) the vehicle is owned by the person under arrest, and the person under arrest gives permission to another person to operate such vehicle, provided however, that the
other person possesses a valid operator's license and would not, as determined by the arresting law enforcement agency, indicate a lack of ability to operate a motor vehicle in a safe manner or who would otherwise, by operating such motor vehicle, be in violation of this Code.

(e-5) Whenever a registered owner of a vehicle is taken into custody for operating the vehicle in violation of Section 11-501 of this Code or a similar provision of a local ordinance or Section 6-303 of this Code, a law enforcement officer may have the vehicle immediately impounded for a period not less than:

(1) 24 hours for a second violation of Section 11-501 of this Code or a similar provision of a local ordinance or Section 6-303 of this Code or a combination of these offenses; or

(2) 48 hours for a third violation of Section 11-501 of this Code or a similar provision of a local ordinance or Section 6-303 of this Code or a combination of these offenses.

The vehicle may be released sooner if the vehicle is owned by the person under arrest and the person under arrest gives permission to another person to operate the vehicle and that other person possesses a valid operator's license and would not, as determined by the arresting law enforcement agency, indicate a lack of ability to operate a motor vehicle in a safe manner or would otherwise, by operating the motor vehicle, be
in violation of this Code.

(f) Except as provided in Chapter 18a of this Code, the owner or lessor of privately owned real property within this State, or any person authorized by such owner or lessor, or any law enforcement agency in the case of publicly owned real property may cause any motor vehicle abandoned or left unattended upon such property without permission to be removed by a towing service without liability for the costs of removal, transportation or storage or damage caused by such removal, transportation or storage. The towing or removal of any vehicle from private property without the consent of the registered owner or other legally authorized person in control of the vehicle is subject to compliance with the following conditions and restrictions:

1. Any towed or removed vehicle must be stored at the site of the towing service's place of business. The site must be open during business hours, and for the purpose of redemption of vehicles, during the time that the person or firm towing such vehicle is open for towing purposes.

2. The towing service shall within 30 minutes of completion of such towing or removal, notify the law enforcement agency having jurisdiction of such towing or removal, and the make, model, color and license plate number of the vehicle, and shall obtain and record the name of the person at the law enforcement agency to whom such information was reported.
3. If the registered owner or legally authorized person entitled to possession of the vehicle shall arrive at the scene prior to actual removal or towing of the vehicle, the vehicle shall be disconnected from the tow truck and that person shall be allowed to remove the vehicle without interference, upon the payment of a reasonable service fee of not more than one half the posted rate of the towing service as provided in paragraph 6 of this subsection, for which a receipt shall be given.

4. The rebate or payment of money or any other valuable consideration from the towing service or its owners, managers or employees to the owners or operators of the premises from which the vehicles are towed or removed, for the privilege of removing or towing those vehicles, is prohibited. Any individual who violates this paragraph shall be guilty of a Class A misdemeanor.

5. Except for property appurtenant to and obviously a part of a single family residence, and except for instances where notice is personally given to the owner or other legally authorized person in control of the vehicle that the area in which that vehicle is parked is reserved or otherwise unavailable to unauthorized vehicles and they are subject to being removed at the owner or operator's expense, any property owner or lessor, prior to towing or removing any vehicle from private property without the consent of the owner or other legally authorized person in
control of that vehicle, must post a notice meeting the following requirements:

a. Except as otherwise provided in subparagraph a.1 of this subdivision (f)5, the notice must be prominently placed at each driveway access or curb cut allowing vehicular access to the property within 5 feet from the public right-of-way line. If there are no curbs or access barriers, the sign must be posted not less than one sign each 100 feet of lot frontage.

a.1. In a municipality with a population of less than 250,000, as an alternative to the requirement of subparagraph a of this subdivision (f)5, the notice for a parking lot contained within property used solely for a 2-family, 3-family, or 4-family residence may be prominently placed at the perimeter of the parking lot, in a position where the notice is visible to the occupants of vehicles entering the lot.

b. The notice must indicate clearly, in not less than 2 inch high light-reflective letters on a contrasting background, that unauthorized vehicles will be towed away at the owner's expense.

c. The notice must also provide the name and current telephone number of the towing service towing or removing the vehicle.

d. The sign structure containing the required notices must be permanently installed with the bottom
of the sign not less than 4 feet above ground level, and must be continuously maintained on the property for not less than 24 hours prior to the towing or removing of any vehicle.

6. Any towing service that tows or removes vehicles and proposes to require the owner, operator, or person in control of the vehicle to pay the costs of towing and storage prior to redemption of the vehicle must file and keep on record with the local law enforcement agency a complete copy of the current rates to be charged for such services, and post at the storage site an identical rate schedule and any written contracts with property owners, lessors, or persons in control of property which authorize them to remove vehicles as provided in this Section. The towing and storage charges, however, shall not exceed the maximum allowed by the Illinois Commerce Commission under Section 18a-200.

7. No person shall engage in the removal of vehicles from private property as described in this Section without filing a notice of intent in each community where he intends to do such removal, and such notice shall be filed at least 7 days before commencing such towing.

8. No removal of a vehicle from private property shall be done except upon express written instructions of the owners or persons in charge of the private property upon which the vehicle is said to be trespassing.
9. Vehicle entry for the purpose of removal shall be allowed with reasonable care on the part of the person or firm towing the vehicle. Such person or firm shall be liable for any damages occasioned to the vehicle if such entry is not in accordance with the standards of reasonable care.

10. When a vehicle has been towed or removed pursuant to this Section, it must be released to its owner or custodian within one half hour after requested, if such request is made during business hours. Any vehicle owner or custodian or agent shall have the right to inspect the vehicle before accepting its return, and no release or waiver of any kind which would release the towing service from liability for damages incurred during the towing and storage may be required from any vehicle owner or other legally authorized person as a condition of release of the vehicle. A detailed, signed receipt showing the legal name of the towing service must be given to the person paying towing or storage charges at the time of payment, whether requested or not.

This Section shall not apply to law enforcement, firefighting, rescue, ambulance, or other emergency vehicles which are marked as such or to property owned by any governmental entity.

When an authorized person improperly causes a motor vehicle to be removed, such person shall be liable to the owner or
lessee of the vehicle for the cost or removal, transportation and storage, any damages resulting from the removal, transportation and storage, attorney's fee and court costs.

Any towing or storage charges accrued shall be payable by the use of any major credit card, in addition to being payable in cash.

11. Towing companies shall also provide insurance coverage for areas where vehicles towed under the provisions of this Chapter will be impounded or otherwise stored, and shall adequately cover loss by fire, theft or other risks.

Any person who fails to comply with the conditions and restrictions of this subsection shall be guilty of a Class C misdemeanor and shall be fined not less than $100 nor more than $500.

(g) When a vehicle is determined to be a hazardous dilapidated motor vehicle pursuant to Section 11-40-3.1 of the Illinois Municipal Code, its removal and impoundment by a towing service may be authorized by a law enforcement agency with appropriate jurisdiction.

When a vehicle removal from either public or private property is authorized by a law enforcement agency, the owner of the vehicle shall be responsible for all towing and storage charges.

Vehicles removed from public or private property and stored by a commercial vehicle relocate or any other towing service
authorized by a law enforcement agency in compliance with this Section and Sections 4-201 and 4-202 of this Code, or at the request of the vehicle owner or operator, shall be subject to a possessor lien for services pursuant to the Labor and Storage Lien (Small Amount) Act. The provisions of Section 1 of that Act relating to notice and implied consent shall be deemed satisfied by compliance with Section 18a-302 and subsection (6) of Section 18a-300. In no event shall such lien be greater than the rate or rates established in accordance with subsection (6) of Section 18a-200 of this Code. In no event shall such lien be increased or altered to reflect any charge for services or materials rendered in addition to those authorized by this Act. Every such lien shall be payable by use of any major credit card, in addition to being payable in cash.

Any personal property belonging to the vehicle owner in a vehicle subject to a lien under this subsection (g) shall likewise be subject to that lien, excepting only: food; medicine; perishable property; any operator's licenses; any cash, credit cards, or checks or checkbooks; and any wallet, purse, or other property containing any operator's license or other identifying documents or materials, cash, credit cards, checks, or checkbooks.

No lien under this subsection (g) shall: exceed $2,000 in its total amount; or be increased or altered to reflect any charge for services or materials rendered in addition to those authorized by this Act.
(h) Whenever a peace officer issues a citation to a driver for a violation of subsection (a) of Section 11-506 of this Code, the arresting officer may have the vehicle which the person was operating at the time of the arrest impounded for a period of 5 days after the time of arrest. An impounding agency shall release a motor vehicle impounded under this subsection (h) to the registered owner of the vehicle under any of the following circumstances:

(1) If the vehicle is a stolen vehicle; or

(2) If the person ticketed for a violation of subsection (a) of Section 11-506 of this Code was not authorized by the registered owner of the vehicle to operate the vehicle at the time of the violation; or

(3) If the registered owner of the vehicle was neither the driver nor a passenger in the vehicle at the time of the violation or was unaware that the driver was using the vehicle to engage in street racing; or

(4) If the legal owner or registered owner of the vehicle is a rental car agency; or

(5) If, prior to the expiration of the impoundment period specified above, the citation is dismissed or the defendant is found not guilty of the offense.

Sec. 6-113. Restricted licenses and permits.

(a) The Secretary of State upon issuing a drivers license or permit shall have the authority whenever good cause appears to impose restrictions suitable to the licensee's driving ability with respect to the type of, or special mechanical control devices required on, a motor vehicle which the licensee may operate or such other restrictions applicable to the licensee as the Secretary of State may determine to be appropriate to assure the safe operation of a motor vehicle by the licensee.

(b) The Secretary of State may either issue a special restricted license or permit or may set forth such restrictions
upon the usual license or permit form.

(c) The Secretary of State may issue a probationary license to a person whose driving privileges have been suspended pursuant to subsection (d) of this Section or subsections (a)(2), (a)(19) and (a)(20) of Section 6-206 of this Code. This subsection (c) does not apply to any driver required to possess a CDL for the purpose of operating a commercial motor vehicle. The Secretary of State shall promulgate rules pursuant to the Illinois Administrative Procedure Act, setting forth the conditions and criteria for the issuance and cancellation of probationary licenses.

(d) The Secretary of State may upon receiving satisfactory evidence of any violation of the restrictions of such license or permit suspend, revoke or cancel the same without preliminary hearing, but the licensee or permittee shall be entitled to a hearing as in the case of a suspension or revocation.

(e) It is unlawful for any person to operate a motor vehicle in any manner in violation of the restrictions imposed on a restricted license or permit issued to him.

(f) Whenever the holder of a restricted driving permit is issued a citation for any of the following offenses including similar local ordinances, the restricted driving permit is immediately invalidated:

1. Reckless homicide resulting from the operation of a motor vehicle;
2. Violation of Section 11-501 of this Act relating to the operation of a motor vehicle while under the influence of intoxicating liquor or narcotic drugs;

3. Violation of Section 11-401 of this Act relating to the offense of leaving the scene of a traffic accident involving death or injury;

4. Violation of Section 11-504 of this Act relating to the offense of drag racing; or

5. Violation of Section 11-506 of this Act relating to the offense of street racing.

The police officer issuing the citation shall confiscate the restricted driving permit and forward it, along with the citation, to the Clerk of the Circuit Court of the county in which the citation was issued.

(g) The Secretary of State may issue a special restricted license for a period of 12 months to individuals using vision aid arrangements other than standard eyeglasses or contact lenses, allowing the operation of a motor vehicle during nighttime hours. The Secretary of State shall adopt rules defining the terms and conditions by which the individual may obtain and renew this special restricted license. At a minimum, all drivers must meet the following requirements:

1. Possess a valid driver's license and have operated a motor vehicle during daylight hours for a period of 12 months using vision aid arrangements other than standard eyeglasses or contact lenses.

(h) Any driver issued a special restricted license as defined in subsection (g) whose privilege to drive during nighttime hours has been suspended due to an accident occurring during nighttime hours may request a hearing as provided in Section 2-118 of this Code to contest that suspension. If it is determined that the accident for which the driver was at fault was not influenced by the driver's use of vision aid arrangements other than standard eyeglasses or contact lenses, the Secretary may reinstate that driver's privilege to drive during nighttime hours.
Sec. 6-201. Authority to cancel licenses and permits.

(a) The Secretary of State is authorized to cancel any license or permit upon determining that the holder thereof:

5. is ineligible therefor under the provisions of Section 6-103 of this Act, as amended; or

6. has refused or neglected to submit an alcohol, drug, and intoxicating compound evaluation or to submit to examination or re-examination as required under this Act; or

7. has been convicted of violating the Cannabis Control Act, the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or...
the Use of Intoxicating Compounds Act while that individual was in actual physical control of a motor vehicle. For purposes of this Section, any person placed on probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, or Section 70 of the Methamphetamine Control and Community Protection Act shall not be considered convicted. Any person found guilty of this offense, while in actual physical control of a motor vehicle, shall have an entry made in the court record by the judge that this offense did occur while the person was in actual physical control of a motor vehicle and order the clerk of the court to report the violation to the Secretary of State as such. After the cancellation, the Secretary of State shall not issue a new license or permit for a period of one year after the date of cancellation. However, upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety, or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle between the person's residence and person's place of employment or within the scope of the person's employment related duties, or to allow transportation for the person or a household member of the person's family for the receipt of necessary medical care or, if the professional evaluation indicates, provide transportation for the petitioner for alcohol remedial or rehabilitative
activity, or for the person to attend classes, as a student, in an accredited educational institution; if the person is able to demonstrate that no alternative means of transportation is reasonably available; provided that the Secretary's discretion shall be limited to cases where undue hardship would result from a failure to issue such restricted driving permit. In each case the Secretary of State may issue such restricted driving permit for such period as he deems appropriate, except that such permit shall expire within one year from the date of issuance. A restricted driving permit issued hereunder shall be subject to cancellation, revocation and suspension by the Secretary of State in like manner and for like cause as a driver's license issued hereunder may be cancelled, revoked or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a driver remedial or rehabilitative program. In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been revoked, suspended, cancelled, or disqualified under this
Code; or

8. failed to submit a report as required by Section 6-116.5 of this Code; or

9. has been convicted of a sex offense as defined in the Sex Offender Registration Act. The driver's license shall remain cancelled until the driver registers as a sex offender as required by the Sex Offender Registration Act, proof of the registration is furnished to the Secretary of State and the sex offender provides proof of current address to the Secretary; or

10. is ineligible for a license or permit under Section 6-107, 6-107.1, or 6-108 of this Code; or

11. refused or neglected to appear at a Driver Services facility to have the license or permit corrected and a new license or permit issued.

(b) Upon such cancellation the licensee or permittee must surrender the license or permit so cancelled to the Secretary of State.

(c) Except as provided in Sections 6-206.1 and 7-702.1, the Secretary of State shall have exclusive authority to grant, issue, deny, cancel, suspend and revoke driving privileges, drivers' licenses and restricted driving permits.

(d) The Secretary of State may adopt rules to implement this Section.

Sec. 6-201. Authority to cancel licenses and permits.
(a) The Secretary of State is authorized to cancel any license or permit upon determining that the holder thereof:
   1. was not entitled to the issuance thereof hereunder; or
   2. failed to give the required or correct information in his application; or
   3. failed to pay any fees, civil penalties owed to the Illinois Commerce Commission, or taxes due under this Act and upon reasonable notice and demand; or
   4. committed any fraud in the making of such application; or
   5. is ineligible therefor under the provisions of Section 6-103 of this Act, as amended; or
   6. has refused or neglected to submit an alcohol, drug, and intoxicating compound evaluation or to submit to examination or re-examination as required under this Act; or
   7. has been convicted of violating the Cannabis Control Act, the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or the Use of Intoxicating Compounds Act while that individual was in actual physical control of a motor vehicle. For
purposes of this Section, any person placed on probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, or Section 70 of the Methamphetamine Control and Community Protection Act shall not be considered convicted. Any person found guilty of this offense, while in actual physical control of a motor vehicle, shall have an entry made in the court record by the judge that this offense did occur while the person was in actual physical control of a motor vehicle and order the clerk of the court to report the violation to the Secretary of State as such. After the cancellation, the Secretary of State shall not issue a new license or permit for a period of one year after the date of cancellation. However, upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety, or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow transportation for the petitioner or a household member of the petitioner's family for the receipt of necessary medical care, or to provide transportation for the petitioner to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or for the petitioner to attend classes, as a student, in an
accredited educational institution. The petitioner must demonstrate that no alternative means of transportation is reasonably available; provided that the Secretary's discretion shall be limited to cases where undue hardship, as defined by the rules of the Secretary of State, would result from a failure to issue such restricted driving permit. In each case the Secretary of State may issue such restricted driving permit for such period as he deems appropriate, except that such permit shall expire within one year from the date of issuance. A restricted driving permit issued hereunder shall be subject to cancellation, revocation and suspension by the Secretary of State in like manner and for like cause as a driver's license issued hereunder may be cancelled, revoked or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a driver remedial or rehabilitative program. In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been revoked, suspended, cancelled, or disqualified under this Code; or
8. failed to submit a report as required by Section 6-116.5 of this Code; or

9. has been convicted of a sex offense as defined in the Sex Offender Registration Act. The driver's license shall remain cancelled until the driver registers as a sex offender as required by the Sex Offender Registration Act, proof of the registration is furnished to the Secretary of State and the sex offender provides proof of current address to the Secretary; or

10. is ineligible for a license or permit under Section 6-107, 6-107.1, or 6-108 of this Code; or

11. refused or neglected to appear at a Driver Services facility to have the license or permit corrected and a new license or permit issued.

(b) Upon such cancellation the licensee or permittee must surrender the license or permit so cancelled to the Secretary of State.

(c) Except as provided in Sections 6-206.1 and 7-702.1, the Secretary of State shall have exclusive authority to grant, issue, deny, cancel, suspend and revoke driving privileges, drivers' licenses and restricted driving permits.

(d) The Secretary of State may adopt rules to implement this Section.

Sec. 6-204. When Court to forward License and Reports.

(a) For the purpose of providing to the Secretary of State the records essential to the performance of the Secretary's duties under this Code to cancel, revoke or suspend the driver's license and privilege to drive motor vehicles of certain minors adjudicated truant minors in need of supervision, addicted, or delinquent and of persons found guilty of the criminal offenses or traffic violations which this Code recognizes as evidence relating to unfitness to safely operate motor vehicles, the following duties are imposed upon public officials:

(1) Whenever any person is convicted of any offense for which this Code makes mandatory the cancellation or revocation of the driver's license or permit of such person by the Secretary of State, the judge of the court in which such conviction is had shall require the surrender to the clerk of the court of all driver's licenses or permits then held by the person so convicted, and the clerk of the court shall, within 5 days thereafter, forward the same, together with a report of such conviction, to the Secretary.

(2) Whenever any person is convicted of any offense under this Code or similar offenses under a municipal ordinance, other than regulations governing standing,
parking or weights of vehicles, and excepting the following enumerated Sections of this Code: Sections 11-1406 (obstruction to driver's view or control), 11-1407 (improper opening of door into traffic), 11-1410 (coasting on downgrade), 11-1411 (following fire apparatus), 11-1419.01 (Motor Fuel Tax I.D. Card), 12-101 (driving vehicle which is in unsafe condition or improperly equipped), 12-201(a) (daytime lights on motorcycles), 12-202 (clearance, identification and side marker lamps), 12-204 (lamp or flag on projecting load), 12-205 (failure to display the safety lights required), 12-401 (restrictions as to tire equipment), 12-502 (mirrors), 12-503 (windshields must be unobstructed and equipped with wipers), 12-601 (horns and warning devices), 12-602 (mufflers, prevention of noise or smoke), 12-603 (seat safety belts), 12-702 (certain vehicles to carry flares or other warning devices), 12-703 (vehicles for oiling roads operated on highways), 12-710 (splash guards and replacements), 13-101 (safety tests), 15-101 (size, weight and load), 15-102 (width), 15-103 (height), 15-104 (name and address on second division vehicles), 15-107 (length of vehicle), 15-109.1 (cover or tarpaulin), 15-111 (weights), 15-112 (weights), 15-301 (weights), 15-316 (weights), 15-318 (weights), and also excepting the following enumerated Sections of the Chicago Municipal Code: Sections 27-245 (following fire apparatus), 27-254
sticker), 27-357 (identification of vehicles), 27-358 (projecting of loads), and also excepting the following enumerated paragraphs of Section 2-201 of the Rules and Regulations of the Illinois State Toll Highway Authority: (l) (driving unsafe vehicle on tollway), (m) (vehicles transporting dangerous cargo not properly indicated), it shall be the duty of the clerk of the court in which such conviction is had within 5 days thereafter to forward to the Secretary of State a report of the conviction and the court may recommend the suspension of the driver's license or permit of the person so convicted.

The reporting requirements of this subsection shall apply to all violations stated in paragraphs (1) and (2) of this subsection when the individual has been adjudicated under the Juvenile Court Act or the Juvenile Court Act of 1987. Such reporting requirements shall also apply to individuals adjudicated under the Juvenile Court Act or the Juvenile Court Act of 1987 who have committed a violation of Section 11-501 of this Code, or similar provision of a local ordinance, or Section 9-3 of the Criminal Code of 1961, as amended, relating to the offense of reckless homicide. The reporting requirements of this subsection shall also apply to a truant minor in need of supervision, an addicted minor, or a delinquent minor and whose driver's license and privilege to drive a motor vehicle has been ordered suspended for such times as determined by the Court, but only until he or she attains 18 years of age. It
shall be the duty of the clerk of the court in which adjudication is had within 5 days thereafter to forward to the Secretary of State a report of the adjudication and the court order requiring the Secretary of State to suspend the minor's driver's license and driving privilege for such time as determined by the Court, but only until he or she attains the age of 18 years. All juvenile court dispositions reported to the Secretary of State under this provision shall be processed by the Secretary of State as if the cases had been adjudicated in traffic or criminal court. However, information reported relative to the offense of reckless homicide, or Section 11-501 of this Code, or a similar provision of a local ordinance, shall be privileged and available only to the Secretary of State, courts, and police officers.

The reporting requirements of this subsection (a) apply to all violations listed in paragraphs (1) and (2) of this subsection (a), excluding parking violations, when the driver holds a CDL, regardless of the type of vehicle in which the violation occurred, or when any driver committed the violation in a commercial motor vehicle as defined in Section 6-500 of this Code.

(3) Whenever an order is entered vacating the forfeiture of any bail, security or bond given to secure appearance for any offense under this Code or similar offenses under municipal ordinance, it shall be the duty of the clerk of the court in which such vacation was had or
the judge of such court if such court has no clerk, within
5 days thereafter to forward to the Secretary of State a
report of the vacation.

(4) A report of any disposition of court supervision
for a violation of Sections 6-303, 11-401, 11-501 or a
similar provision of a local ordinance, 11-503, 11-504, and
11-506 shall be forwarded to the Secretary of State. A
report of any disposition of court supervision for a
violation of an offense defined as a serious traffic
violation in this Code or a similar provision of a local
ordinance committed by a person under the age of 21 years
shall be forwarded to the Secretary of State.

(5) Reports of conviction under this Code and
sentencing hearings under the Juvenile Court Act of 1987 in
an electronic format or a computer processible medium shall
be forwarded to the Secretary of State via the Supreme
Court in the form and format required by the Illinois
Supreme Court and established by a written agreement
between the Supreme Court and the Secretary of State. In
counties with a population over 300,000, instead of
forwarding reports to the Supreme Court, reports of
conviction under this Code and sentencing hearings under
the Juvenile Court Act of 1987 in an electronic format or a
computer processible medium may be forwarded to the
Secretary of State by the Circuit Court Clerk in a form and
format required by the Secretary of State and established
by written agreement between the Circuit Court Clerk and the Secretary of State. Failure to forward the reports of conviction or sentencing hearing under the Juvenile Court Act of 1987 as required by this Section shall be deemed an omission of duty and it shall be the duty of the several State's Attorneys to enforce the requirements of this Section.

(b) Whenever a restricted driving permit is forwarded to a court, as a result of confiscation by a police officer pursuant to the authority in Section 6-113(f), it shall be the duty of the clerk, or judge, if the court has no clerk, to forward such restricted driving permit and a facsimile of the officer's citation to the Secretary of State as expeditiously as practicable.

(c) For the purposes of this Code, a forfeiture of bail or collateral deposited to secure a defendant's appearance in court when forfeiture has not been vacated, or the failure of a defendant to appear for trial after depositing his driver's license in lieu of other bail, shall be equivalent to a conviction.

(d) For the purpose of providing the Secretary of State with records necessary to properly monitor and assess driver performance and assist the courts in the proper disposition of repeat traffic law offenders, the clerk of the court shall forward to the Secretary of State, on a form prescribed by the Secretary, records of a driver's participation in a driver
remedial or rehabilitative program which was required, through a court order or court supervision, in relation to the driver's arrest for a violation of Section 11-501 of this Code or a similar provision of a local ordinance. The clerk of the court shall also forward to the Secretary, either on paper or in an electronic format or a computer processible medium as required under paragraph (5) of subsection (a) of this Section, any disposition of court supervision for any traffic violation, excluding those offenses listed in paragraph (2) of subsection (a) of this Section. These reports shall be sent within 5 days after disposition, or, if the driver is referred to a driver remedial or rehabilitative program, within 5 days of the driver's referral to that program. These reports received by the Secretary of State, including those required to be forwarded under paragraph (a)(4), shall be privileged information, available only (i) to the affected driver, (ii) to the parent or guardian of a person under the age of 18 years holding an instruction permit or a graduated driver's license, and (iii) for use by the courts, police officers, prosecuting authorities, the Secretary of State, and the driver licensing administrator of any other state. In accordance with 49 C.F.R. Part 384, all reports of court supervision, except violations related to parking, shall be forwarded to the Secretary of State for all holders of a CDL or any driver who commits an offense while driving a commercial motor vehicle. These reports shall be recorded to the driver's record as a conviction for
use in the disqualification of the driver's commercial motor vehicle privileges and shall not be privileged information.

The reporting requirements of this subsection shall apply to all violations stated in paragraphs (1) and (2) of this subsection when the individual has been adjudicated under the Juvenile Court Act or the Juvenile Court Act of 1987. Such reporting requirements shall also apply to individuals adjudicated under the Juvenile Court Act or the Juvenile Court Act of 1987 who have committed a violation of Section 11-501 of this Code, or similar provision of a local ordinance, or Section 9-3 of the Criminal Code of 1961, as amended, relating to the offense of reckless homicide. These reporting requirements also apply to individuals adjudicated under the
Juvenile Court Act of 1987 based on any offense determined to have been committed in furtherance of the criminal activities of an organized gang, as provided in Section 5-710 of that Act, and that involved the operation or use of a motor vehicle or the use of a driver's license or permit. The reporting requirements of this subsection shall also apply to a truant minor in need of supervision, an addicted minor, or a delinquent minor and whose driver's license and privilege to drive a motor vehicle has been ordered suspended for such times as determined by the Court, but only until he or she attains 18 years of age. It shall be the duty of the clerk of the court in which adjudication is had within 5 days thereafter to forward to the Secretary of State a report of the adjudication and the court order requiring the Secretary of State to suspend the minor's driver's license and driving privilege for such time as determined by the Court, but only until he or she attains the age of 18 years. All juvenile court dispositions reported to the Secretary of State under this provision shall be processed by the Secretary of State as if the cases had been adjudicated in traffic or criminal court. However, information reported relative to the offense of reckless homicide, or Section 11-501 of this Code, or a similar provision of a local ordinance, shall be privileged and available only to the Secretary of State, courts, and police officers.

The reporting requirements of this subsection (a) apply to all violations listed in paragraphs (1) and (2) of
this subsection (a), excluding parking violations, when
the driver holds a CDL, regardless of the type of vehicle
in which the violation occurred, or when any driver
committed the violation in a commercial motor vehicle as
defined in Section 6-500 of this Code.

(3) Whenever an order is entered vacating the
forfeiture of any bail, security or bond given to secure
appearance for any offense under this Code or similar
offenses under municipal ordinance, it shall be the duty of
the clerk of the court in which such vacation was had or
the judge of such court if such court has no clerk, within
5 days thereafter to forward to the Secretary of State a
report of the vacation.

(4) A report of any disposition of court supervision
for a violation of Sections 6-303, 11-401, 11-501 or a
similar provision of a local ordinance, 11-503, 11-504, and
11-506 shall be forwarded to the Secretary of State. A
report of any disposition of court supervision for a
violation of an offense defined as a serious traffic
violation in this Code or a similar provision of a local
ordinance committed by a person under the age of 21 years
shall be forwarded to the Secretary of State.

(5) Reports of conviction under this Code and
sentencing hearings under the Juvenile Court Act of 1987 in
an electronic format or a computer processible medium shall
be forwarded to the Secretary of State via the Supreme
Court in the form and format required by the Illinois Supreme Court and established by a written agreement between the Supreme Court and the Secretary of State. In counties with a population over 300,000, instead of forwarding reports to the Supreme Court, reports of conviction under this Code and sentencing hearings under the Juvenile Court Act of 1987 in an electronic format or a computer processible medium may be forwarded to the Secretary of State by the Circuit Court Clerk in a form and format required by the Secretary of State and established by written agreement between the Circuit Court Clerk and the Secretary of State. Failure to forward the reports of conviction or sentencing hearing under the Juvenile Court Act of 1987 as required by this Section shall be deemed an omission of duty and it shall be the duty of the several State's Attorneys to enforce the requirements of this Section.

(b) Whenever a restricted driving permit is forwarded to a court, as a result of confiscation by a police officer pursuant to the authority in Section 6-113(f), it shall be the duty of the clerk, or judge, if the court has no clerk, to forward such restricted driving permit and a facsimile of the officer's citation to the Secretary of State as expeditiously as practicable.

(c) For the purposes of this Code, a forfeiture of bail or collateral deposited to secure a defendant's appearance in
court when forfeiture has not been vacated, or the failure of a defendant to appear for trial after depositing his driver's license in lieu of other bail, shall be equivalent to a conviction.

(d) For the purpose of providing the Secretary of State with records necessary to properly monitor and assess driver performance and assist the courts in the proper disposition of repeat traffic law offenders, the clerk of the court shall forward to the Secretary of State, on a form prescribed by the Secretary, records of a driver's participation in a driver remedial or rehabilitative program which was required, through a court order or court supervision, in relation to the driver's arrest for a violation of Section 11-501 of this Code or a similar provision of a local ordinance. The clerk of the court shall also forward to the Secretary, either on paper or in an electronic format or a computer processible medium as required under paragraph (5) of subsection (a) of this Section, any disposition of court supervision for any traffic violation, excluding those offenses listed in paragraph (2) of subsection (a) of this Section. These reports shall be sent within 5 days after disposition, or, if the driver is referred to a driver remedial or rehabilitative program, within 5 days of the driver's referral to that program. These reports received by the Secretary of State, including those required to be forwarded under paragraph (a)(4), shall be privileged information, available only (i) to the affected driver, (ii) to
the parent or guardian of a person under the age of 18 years holding an instruction permit or a graduated driver's license, and (iii) for use by the courts, police officers, prosecuting authorities, the Secretary of State, and the driver licensing administrator of any other state. In accordance with 49 C.F.R. Part 384, all reports of court supervision, except violations related to parking, shall be forwarded to the Secretary of State for all holders of a CDL or any driver who commits an offense while driving a commercial motor vehicle. These reports shall be recorded to the driver's record as a conviction for use in the disqualification of the driver's commercial motor vehicle privileges and shall not be privileged information.

Sec. 6-205. Mandatory revocation of license or permit; Hardship cases.

(a) Except as provided in this Section, the Secretary of State shall immediately revoke the license, permit, or driving privileges of any driver upon receiving a report of the driver's conviction of any of the following offenses:

1. Reckless homicide resulting from the operation of a
motor vehicle;

2. Violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any combination thereof;

3. Any felony under the laws of any State or the federal government in the commission of which a motor vehicle was used;

4. Violation of Section 11-401 of this Code relating to the offense of leaving the scene of a traffic accident involving death or personal injury;

5. Perjury or the making of a false affidavit or statement under oath to the Secretary of State under this Code or under any other law relating to the ownership or operation of motor vehicles;

6. Conviction upon 3 charges of violation of Section 11-503 of this Code relating to the offense of reckless driving committed within a period of 12 months;

7. Conviction of any offense defined in Section 4-102 of this Code;

8. Violation of Section 11-504 of this Code relating to the offense of drag racing;

9. Violation of Chapters 8 and 9 of this Code;

10. Violation of Section 12-5 of the Criminal Code of
1961 arising from the use of a motor vehicle;

11. Violation of Section 11-204.1 of this Code relating to aggravated fleeing or attempting to elude a peace officer;

12. Violation of paragraph (1) of subsection (b) of Section 6-507, or a similar law of any other state, relating to the unlawful operation of a commercial motor vehicle;

13. Violation of paragraph (a) of Section 11-502 of this Code or a similar provision of a local ordinance if the driver has been previously convicted of a violation of that Section or a similar provision of a local ordinance and the driver was less than 21 years of age at the time of the offense;

14. Violation of Section 11-506 of this Code or a similar provision of a local ordinance relating to the offense of street racing.

(b) The Secretary of State shall also immediately revoke the license or permit of any driver in the following situations:

1. Of any minor upon receiving the notice provided for in Section 5-901 of the Juvenile Court Act of 1987 that the minor has been adjudicated under that Act as having committed an offense relating to motor vehicles prescribed in Section 4-103 of this Code;

2. Of any person when any other law of this State
requires either the revocation or suspension of a license or permit.

(c) Except as provided in subsection (c-5), whenever a person is convicted of any of the offenses enumerated in this Section, the court may recommend and the Secretary of State in his discretion, without regard to whether the recommendation is made by the court may, upon application, issue to the person a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow transportation for the petitioner or a household member of the petitioner's family for the receipt of necessary medical care or, if the professional evaluation indicates, provide transportation for the petitioner for alcohol remedial or rehabilitative activity, or for the petitioner to attend classes, as a student, in an accredited educational institution; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and the petitioner will not endanger the public safety or welfare; provided that the Secretary's discretion shall be limited to cases where undue hardship would result from a failure to issue the restricted driving permit.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance
or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, or if a person has been convicted of one violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961, relating to the offense of reckless homicide, or a similar provision of a law of another state, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment
purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. In each case the Secretary of State may issue a restricted driving permit for a period he deems appropriate, except that the permit shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a motor vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any similar out-of-state offense, or any combination thereof, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or
rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(c-5) The Secretary may not issue a restricted driving permit to any person who has been convicted of a second or subsequent violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961, relating to the offense of reckless homicide, or a similar provision of a law of another state.

(d) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the
appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may issue the applicant a license, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each, until the applicant attains 21 years of age.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount
not to exceed $20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit.

(d-5) The revocation of the license, permit, or driving privileges of a person convicted of a third or subsequent violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961, relating to the offense of reckless homicide, or a similar provision of a law of another state, is permanent. The Secretary may not, at any time, issue a license or permit to that person.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under
subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State shall require the use of ignition interlock devices on all vehicles owned by an individual who has been convicted of a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system.

(i) (Blank).

(j) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been revoked, suspended, cancelled, or disqualified under any provisions of this Code.

Sec. 6-205. Mandatory revocation of license or permit; Hardship cases.
(a) Except as provided in this Section, the Secretary of State shall immediately revoke the license, permit, or driving privileges of any driver upon receiving a report of the driver's conviction of any of the following offenses:

1. Reckless homicide resulting from the operation of a motor vehicle;

2. Violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any combination thereof;

3. Any felony under the laws of any State or the federal government in the commission of which a motor vehicle was used;

4. Violation of Section 11-401 of this Code relating to the offense of leaving the scene of a traffic accident involving death or personal injury;

5. Perjury or the making of a false affidavit or statement under oath to the Secretary of State under this Code or under any other law relating to the ownership or operation of motor vehicles;

6. Conviction upon 3 charges of violation of Section 11-503 of this Code relating to the offense of reckless driving committed within a period of 12 months;

7. Conviction of any offense defined in Section 4-102
of this Code;

8. Violation of Section 11-504 of this Code relating to the offense of drag racing;

9. Violation of Chapters 8 and 9 of this Code;

10. Violation of Section 12-5 of the Criminal Code of 1961 arising from the use of a motor vehicle;

11. Violation of Section 11-204.1 of this Code relating to aggravated fleeing or attempting to elude a peace officer;

12. Violation of paragraph (1) of subsection (b) of Section 6-507, or a similar law of any other state, relating to the unlawful operation of a commercial motor vehicle;

13. Violation of paragraph (a) of Section 11-502 of this Code or a similar provision of a local ordinance if the driver has been previously convicted of a violation of that Section or a similar provision of a local ordinance and the driver was less than 21 years of age at the time of the offense;

14. Violation of Section 11-506 of this Code or a similar provision of a local ordinance relating to the offense of street racing.

(b) The Secretary of State shall also immediately revoke the license or permit of any driver in the following situations:

1. Of any minor upon receiving the notice provided for
in Section 5-901 of the Juvenile Court Act of 1987 that the minor has been adjudicated under that Act as having committed an offense relating to motor vehicles prescribed in Section 4-103 of this Code;

2. Of any person when any other law of this State requires either the revocation or suspension of a license or permit;

3. Of any person adjudicated under the Juvenile Court Act of 1987 based on an offense determined to have been committed in furtherance of the criminal activities of an organized gang as provided in Section 5-710 of that Act, and that involved the operation or use of a motor vehicle or the use of a driver's license or permit. The revocation shall remain in effect for the period determined by the court. Upon the direction of the court, the Secretary shall issue the person a judicial driving permit, also known as a JDP. The JDP shall be subject to the same terms as a JDP issued under Section 6-206.1, except that the court may direct that a JDP issued under this subdivision (b)(3) be effective immediately.

(c) (1) Except as provided in subsection (c-5), whenever a person is convicted of any of the offenses enumerated in this Section, the court may recommend and the Secretary of State in his discretion, without regard to whether the recommendation is made by the court may, upon application, issue to the person a restricted driving
permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow transportation for the petitioner or a household member of the petitioner's family for the receipt of necessary medical care or to provide transportation for the petitioner to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or for the petitioner to attend classes, as a student, in an accredited educational institution; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare; provided that the Secretary's discretion shall be limited to cases where undue hardship, as defined by the rules of the Secretary of State, would result from a failure to issue the restricted driving permit. Those multiple offenders identified in subdivision (b)4 of Section 6-208 of this Code, however, shall not be eligible for the issuance of a restricted driving permit.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or
other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If:

(A) a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:

   (i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

   (ii) a statutory summary suspension under Section 11-501.1; or

   (iii) a suspension pursuant to Section 6-203.1 arising out of separate occurrences or

(B) a person has been convicted of one violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal
Code of 1961, relating to the offense of reckless homicide, or a similar provision of a law of another state, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. (4) The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. (5) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes. (6) In each case the Secretary of State may issue a restricted driving permit for a period he deems appropriate, except that the permit shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance or any similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited
as an element of the offense, or any similar out-of-state offense, or any combination of these offenses, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the petitioner to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(c-5) The Secretary may not issue a restricted driving permit to any person who has been convicted of a second or subsequent violation of Section 6-303 of this Code committed
while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961, relating to the offense of reckless homicide, or a similar provision of a law of another state.

(d)(1) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may reinstate the petitioner's driver's license and driving privileges, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3
of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:

(A) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(B) a statutory summary suspension under Section 11-501.1; or

(C) a suspension pursuant to Section 6-203.1, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $20 per month. The Secretary shall establish by rule the amount and the
procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against driving a vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

(6) A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit.

(d-5) The revocation of the license, permit, or driving privileges of a person convicted of a third or subsequent violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961, relating to the offense of reckless homicide, or a similar provision of a law of another state, is permanent. The Secretary may not, at any time, issue a license or permit to that person.

(e) This Section is subject to the provisions of the Driver
License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State shall require the use of ignition interlock devices on all vehicles owned by an individual who has been convicted of a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system.

(i) (Blank).

(j) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been revoked, suspended, cancelled, or disqualified under any provisions of this Code.

43. Has received a disposition of court supervision for a violation of subsection (a), (d), or (e) of Section 6-20 of the Liquor Control Act of 1934 or a similar provision of a local ordinance, in which case the suspension shall be for a period of 3 months; or

44. Is under the age of 21 years at the time of arrest and has been convicted of an offense against traffic regulations governing the movement of vehicles after
having previously had his or her driving privileges been suspended or revoked pursuant to subparagraph 36 of this Section.

For purposes of paragraphs 5, 9, 10, 12, 14, 19, 25, 26, and 27 of this subsection, license means any driver's license, any traffic ticket issued when the person's driver's license is deposited in lieu of bail, a suspension notice issued by the Secretary of State, a duplicate or corrected driver's license, a probationary driver's license or a temporary driver's license.

(b) If any conviction forming the basis of a suspension or revocation authorized under this Section is appealed, the Secretary of State may rescind or withhold the entry of the order of suspension or revocation, as the case may be, provided that a certified copy of a stay order of a court is filed with the Secretary of State. If the conviction is affirmed on appeal, the date of the conviction shall relate back to the time the original judgment of conviction was entered and the 6 month limitation prescribed shall not apply.

(c) 1. Upon suspending or revoking the driver's license or permit of any person as authorized in this Section, the Secretary of State shall immediately notify the person in writing of the revocation or suspension. The notice to be deposited in the United States mail, postage prepaid, to the last known address of the person.

2. If the Secretary of State suspends the driver's
license of a person under subsection 2 of paragraph (a) of this Section, a person's privilege to operate a vehicle as an occupation shall not be suspended, provided an affidavit is properly completed, the appropriate fee received, and a permit issued prior to the effective date of the suspension, unless 5 offenses were committed, at least 2 of which occurred while operating a commercial vehicle in connection with the driver's regular occupation. All other driving privileges shall be suspended by the Secretary of State. Any driver prior to operating a vehicle for occupational purposes only must submit the affidavit on forms to be provided by the Secretary of State setting forth the facts of the person's occupation. The affidavit shall also state the number of offenses committed while operating a vehicle in connection with the driver's regular occupation. The affidavit shall be accompanied by the driver's license. Upon receipt of a properly completed affidavit, the Secretary of State shall issue the driver a permit to operate a vehicle in connection with the driver's regular occupation only. Unless the permit is issued by the Secretary of State prior to the date of suspension, the privilege to drive any motor vehicle shall be suspended as set forth in the notice that was mailed under this Section. If an affidavit is received subsequent to the effective date of this suspension, a permit may be issued for the remainder of the suspension period.
The provisions of this subparagraph shall not apply to any driver required to possess a CDL for the purpose of operating a commercial motor vehicle.

Any person who falsely states any fact in the affidavit required herein shall be guilty of perjury under Section 6-302 and upon conviction thereof shall have all driving privileges revoked without further rights.

3. At the conclusion of a hearing under Section 2-118 of this Code, the Secretary of State shall either rescind or continue an order of revocation or shall substitute an order of suspension; or, good cause appearing therefor, rescind, continue, change, or extend the order of suspension. If the Secretary of State does not rescind the order, the Secretary may upon application, to relieve undue hardship, issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of his employment related duties, or to allow transportation for the petitioner, or a household member of the petitioner's family, to receive necessary medical care and if the professional evaluation indicates, provide transportation for alcohol remedial or rehabilitative activity, or for the petitioner to attend classes, as a student, in an accredited educational institution; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably
available and the petitioner will not endanger the public safety or welfare.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for
employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that all permits shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a motor vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any similar out-of-state offense, or any combination of those offenses, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit,
require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

(c-3) In the case of a suspension under paragraph 43 of subsection (a), reports received by the Secretary of State under this Section shall, except during the actual time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the driver licensing administrator of any other state, or the Secretary of State. However, beginning January 1, 2008, if the person is a CDL holder, the suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected driver or motor carrier or prospective motor carrier upon request.

(c-4) In the case of a suspension under paragraph 43 of subsection (a), the Secretary of State shall notify the person by mail that his or her driving privileges and driver's license will be suspended one month after the date of the mailing of the notice.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he or she reached the age of 18 years pursuant to any of the provisions of this Section, require the applicant to
participate in a driver remedial education course and be retested under Section 6-109 of this Code.

(d) This Section is subject to the provisions of the Drivers License Compact.

(e) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been suspended or revoked under any provisions of this Code.

(f) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been suspended, revoked, cancelled, or disqualified under any provisions of this Code.

(b) If any conviction forming the basis of a suspension or revocation authorized under this Section is appealed, the Secretary of State may rescind or withhold the entry of the order of suspension or revocation, as the case may be, provided that a certified copy of a stay order of a court is filed with the Secretary of State. If the conviction is affirmed on appeal, the date of the conviction shall relate back to the time the original judgment of conviction was entered and the 6 month limitation prescribed shall not apply.

(c) 1. Upon suspending or revoking the driver's license or permit of any person as authorized in this Section, the Secretary of State shall immediately notify the person in writing of the revocation or suspension. The notice to be deposited in the United States mail, postage prepaid, to the last known address of the person.

2. If the Secretary of State suspends the driver's license of a person under subsection 2 of paragraph (a) of this Section, a person's privilege to operate a vehicle as an occupation shall not be suspended, provided an affidavit is properly completed, the appropriate fee received, and a
permit issued prior to the effective date of the suspension, unless 5 offenses were committed, at least 2 of which occurred while operating a commercial vehicle in connection with the driver's regular occupation. All other driving privileges shall be suspended by the Secretary of State. Any driver prior to operating a vehicle for occupational purposes only must submit the affidavit on forms to be provided by the Secretary of State setting forth the facts of the person's occupation. The affidavit shall also state the number of offenses committed while operating a vehicle in connection with the driver's regular occupation. The affidavit shall be accompanied by the driver's license. Upon receipt of a properly completed affidavit, the Secretary of State shall issue the driver a permit to operate a vehicle in connection with the driver's regular occupation only. Unless the permit is issued by the Secretary of State prior to the date of suspension, the privilege to drive any motor vehicle shall be suspended as set forth in the notice that was mailed under this Section. If an affidavit is received subsequent to the effective date of this suspension, a permit may be issued for the remainder of the suspension period.

The provisions of this subparagraph shall not apply to any driver required to possess a CDL for the purpose of operating a commercial motor vehicle.

Any person who falsely states any fact in the affidavit
required herein shall be guilty of perjury under Section 6-302 and upon conviction thereof shall have all driving privileges revoked without further rights.

3. At the conclusion of a hearing under Section 2-118 of this Code, the Secretary of State shall either rescind or continue an order of revocation or shall substitute an order of suspension; or, good cause appearing therefor, rescind, continue, change, or extend the order of suspension. If the Secretary of State does not rescind the order, the Secretary may upon application, to relieve undue hardship (as defined by the rules of the Secretary of State), issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow transportation for the petitioner, or a household member of the petitioner's family, to receive necessary medical care, provide transportation to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or for the petitioner to attend classes, as a student, in an accredited educational institution. The petitioner must demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare. Those multiple offenders identified in subdivision (b)4 of
Section 6-208 of this Code, however, shall not be eligible for the issuance of a restricted driving permit.

(A) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(B) If a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension under Section 11-501.1; or

(iii) a suspension under Section 6-203.1, arising out of separate occurrences, that person, if issued a
restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(C) The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(D) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

(E) In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that all permits shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance or any similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or any similar out-of-state offense, or any combination of those offenses, until the expiration of at least one year from the date of the
revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

(c-3) In the case of a suspension under paragraph 43 of subsection (a), reports received by the Secretary of State under this Section shall, except during the actual time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the driver licensing administrator of any other state, or the Secretary of State. However, beginning January 1, 2008, if the person is a CDL holder, the suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected driver or motor carrier or prospective motor carrier upon
(c-4) In the case of a suspension under paragraph 43 of subsection (a), the Secretary of State shall notify the person by mail that his or her driving privileges and driver's license will be suspended one month after the date of the mailing of the notice.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he or she reached the age of 18 years pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be retested under Section 6-109 of this Code.

(d) This Section is subject to the provisions of the Drivers License Compact.

(e) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been suspended or revoked under any provisions of this Code.

(f) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been suspended, revoked, cancelled, or disqualified under any provisions of this Code.

For purposes of paragraphs 5, 9, 10, 12, 14, 19, 25, 26, and 27 of this subsection, license means any driver's license, any traffic ticket issued when the person's driver's license is deposited in lieu of bail, a suspension notice issued by the Secretary of State, a duplicate or corrected driver's license, a probationary driver's license or a temporary driver's license.

(b) If any conviction forming the basis of a suspension or revocation authorized under this Section is appealed, the Secretary of State may rescind or withhold the entry of the order of suspension or revocation, as the case may be, provided that a certified copy of a stay order of a court is filed with the Secretary of State. If the conviction is affirmed on
appeal, the date of the conviction shall relate back to the
time the original judgment of conviction was entered and the 6
month limitation prescribed shall not apply.

(c) 1. Upon suspending or revoking the driver's license or
permit of any person as authorized in this Section, the
Secretary of State shall immediately notify the person in
writing of the revocation or suspension. The notice to be
deposited in the United States mail, postage prepaid, to
the last known address of the person.

2. If the Secretary of State suspends the driver's
license of a person under subsection 2 of paragraph (a) of
this Section, a person's privilege to operate a vehicle as
an occupation shall not be suspended, provided an affidavit
is properly completed, the appropriate fee received, and a
permit issued prior to the effective date of the
suspension, unless 5 offenses were committed, at least 2 of
which occurred while operating a commercial vehicle in
connection with the driver's regular occupation. All other
driving privileges shall be suspended by the Secretary of
State. Any driver prior to operating a vehicle for
occupational purposes only must submit the affidavit on
forms to be provided by the Secretary of State setting
forth the facts of the person's occupation. The affidavit
shall also state the number of offenses committed while
operating a vehicle in connection with the driver's regular
occupation. The affidavit shall be accompanied by the
driver's license. Upon receipt of a properly completed affidavit, the Secretary of State shall issue the driver a permit to operate a vehicle in connection with the driver's regular occupation only. Unless the permit is issued by the Secretary of State prior to the date of suspension, the privilege to drive any motor vehicle shall be suspended as set forth in the notice that was mailed under this Section. If an affidavit is received subsequent to the effective date of this suspension, a permit may be issued for the remainder of the suspension period.

The provisions of this subparagraph shall not apply to any driver required to possess a CDL for the purpose of operating a commercial motor vehicle.

Any person who falsely states any fact in the affidavit required herein shall be guilty of perjury under Section 6-302 and upon conviction thereof shall have all driving privileges revoked without further rights.

3. At the conclusion of a hearing under Section 2-118 of this Code, the Secretary of State shall either rescind or continue an order of revocation or shall substitute an order of suspension; or, good cause appearing therefor, rescind, continue, change, or extend the order of suspension. If the Secretary of State does not rescind the order, the Secretary may upon application, to relieve undue hardship (as defined by the rules of the Secretary of State), issue a restricted driving permit granting the
privilege of driving a motor vehicle between the
petitioner's residence and petitioner's place of
employment or within the scope of the petitioner's
employment related duties, or to allow transportation for
the petitioner, or a household member of the petitioner's
family, to receive necessary medical care, provide
transportation to and from alcohol or drug remedial or
rehabilitative activity recommended by a licensed service
provider, or for the petitioner to attend classes, as a
student, in an accredited educational institution. The
petitioner must demonstrate that no alternative means of
transportation is reasonably available and that the
petitioner will not endanger the public safety or welfare.
Those multiple offenders identified in subdivision (b)4 of
Section 6-208 of this Code, however, shall not be eligible
for the issuance of a restricted driving permit.

(A) If a person's license or permit is revoked or
suspended due to 2 or more convictions of violating Section
11-501 of this Code or a similar provision of a local
ordinance or a similar out-of-state offense, or Section 9-3
of the Criminal Code of 1961, where the use of alcohol or
other drugs is recited as an element of the offense, or a
similar out-of-state offense, or a combination of these
offenses, arising out of separate occurrences, that
person, if issued a restricted driving permit, may not
operate a vehicle unless it has been equipped with an
ignition interlock device as defined in Section 1-129.1.

(B) If a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension under Section 11-501.1; or

(iii) a suspension under Section 6-203.1, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(C) The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(D) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's
employer when used solely for employment purposes.

(E) In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that all permits shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance or any similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or any similar out-of-state offense, or any combination of those offenses, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or
rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

(c-3) In the case of a suspension under paragraph 43 of subsection (a), reports received by the Secretary of State under this Section shall, except during the actual time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the driver licensing administrator of any other state, or the Secretary of State. However, beginning January 1, 2008, if the person is a CDL holder, the suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected driver or motor carrier or prospective motor carrier upon request.

(c-4) In the case of a suspension under paragraph 43 of subsection (a), the Secretary of State shall notify the person by mail that his or her driving privileges and driver's license will be suspended one month after the date of the mailing of the notice.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he or she reached the age of 18 years pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be
(d) This Section is subject to the provisions of the Drivers License Compact.

(e) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been suspended or revoked under any provisions of this Code.

(f) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been suspended, revoked, cancelled, or disqualified under any provisions of this Code.

Sec. 6-206.1. Judicial Driving Permit. Declaration of Policy. It is hereby declared a policy of the State of Illinois that the driver who is impaired by alcohol, other drug or drugs, or intoxicating compound or compounds is a threat to the public safety and welfare. Therefore, to provide a deterrent to such practice and to remove problem drivers from the highway, a
statutory summary driver's license suspension is appropriate. It is also recognized that driving is a privilege and therefore, that in some cases the granting of limited driving privileges, where consistent with public safety, is warranted during the period of suspension in the form of a judicial driving permit to drive for the purpose of employment, receiving drug treatment or medical care, and educational pursuits, where no alternative means of transportation is available.

The following procedures shall apply whenever a first offender is arrested for any offense as defined in Section 11-501 or a similar provision of a local ordinance:

(a) Subsequent to a notification of a statutory summary suspension of driving privileges as provided in Section 11-501.1, the first offender as defined in Section 11-500 may petition the circuit court of venue for a Judicial Driving Permit, hereinafter referred as a JDP, to relieve undue hardship. The court may issue a court order, pursuant to the criteria contained in this Section, directing the Secretary of State to issue such a JDP to the petitioner. A JDP shall not become effective prior to the 31st day of the original statutory summary suspension and shall always be subject to the following criteria:

1. If ordered for the purposes of employment, the JDP shall be only for the purpose of providing the petitioner the privilege of driving a motor vehicle between the
petitioner's residence and the petitioner's place of employment and return; or within the scope of the petitioner's employment related duties, shall be effective only during and limited to those specific times and routes actually required to commute or perform the petitioner's employment related duties.

2. The court, by a court order, may also direct the Secretary of State to issue a JDP to allow transportation for the petitioner, or a household member of the petitioner's family, to receive alcohol, drug, or intoxicating compound treatment or medical care, if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available. Such JDP shall be effective only during the specific times actually required to commute.

3. The court, by a court order, may also direct the Secretary of State to issue a JDP to allow transportation by the petitioner for educational purposes upon demonstrating that there are no alternative means of transportation reasonably available to accomplish those educational purposes. Such JDP shall be only for the purpose of providing transportation to and from the petitioner's residence and the petitioner's place of educational activity, and only during the specific times and routes actually required to commute or perform the petitioner's educational requirement.
4. The Court shall not issue an order granting a JDP to:

   (i) Any person unless and until the court, after considering the results of a current professional evaluation of the person's alcohol or other drug use by an agency pursuant to Section 15-10 of the Alcoholism and Other Drug Abuse and Dependency Act and other appropriate investigation of the person, is satisfied that granting the privilege of driving a motor vehicle on the highways will not endanger the public safety or welfare.

   (ii) Any person who has been convicted of reckless homicide within the previous 5 years.

   (iii) Any person whose privilege to operate a motor vehicle was invalid at the time of arrest for the current violation of Section 11-501, or a similar provision of a local ordinance, except in cases where the cause for a driver's license suspension has been removed at the time a JDP is effective. In any case, should the Secretary of State enter a suspension or revocation of driving privileges pursuant to the provisions of this Code while the JDP is in effect or pending, the Secretary shall take the prescribed action and provide a notice to the person and the court ordering the issuance of the JDP that all driving privileges, including those provided by the issuance
of the JDP, have been withdrawn.

(iv) Any person under the age of 18 years.

(v) Any person for the operation of a commercial motor vehicle if the person's driving privileges have been suspended under any provision of this Code in accordance with 49 C.F.R. Part 384.

(b) Prior to ordering the issuance of a JDP the Court should consider at least, but not be limited to, the following issues:

1. Whether the person is employed and no other means of commuting to the place of employment is available or that the person must drive as a condition of employment. The employer shall certify the hours of employment and the need and parameters necessary for driving as a condition to employment.

2. Whether the person must drive to secure alcohol or other medical treatment for himself or a family member.

3. Whether the person must drive for educational purposes. The educational institution shall certify the person's enrollment in and academic schedule at the institution.

4. Whether the person has been repeatedly convicted of traffic violations or involved in motor vehicle accidents to a degree which indicates disrespect for public safety.

5. Whether the person has been convicted of a traffic violation in connection with a traffic accident resulting
in the death of any person within the last 5 years.

6. Whether the person is likely to obey the limited provisions of the JDP.

7. Whether the person has any additional traffic violations pending in any court.

For purposes of this Section, programs conducting professional evaluations of a person's alcohol, other drug, or intoxicating compound use must report, to the court of venue, using a form prescribed by the Secretary of State. A copy of such evaluations shall be sent to the Secretary of State by the court. However, the evaluation information shall be privileged and only available to courts and to the Secretary of State, but shall not be admissible in the subsequent trial on the underlying charge.

(c) The scope of any court order issued for a JDP under this Section shall be limited to the operation of a motor vehicle as provided for in subsection (a) of this Section and shall specify the petitioner's residence, place of employment or location of educational institution, and the scope of job related duties, if relevant. The JDP shall also specify days of the week and specific hours of the day when the petitioner is able to exercise the limited privilege of operating a motor vehicle.

(c-1) If the petitioner is issued a citation for a violation of Section 6-303 during the period of a statutory summary suspension entered under Section 11-501.1 of this Code,
or if the petitioner is charged with a violation of Section 11-501 or a similar provision of a local ordinance or a similar out of state offense which occurs after the current violation of Section 11-501 or a similar provision of a local ordinance, the court may not grant the petitioner a JDP unless the petitioner is acquitted or the citation or complaint is otherwise dismissed.

If the petitioner is issued a citation for a violation of Section 6-303 or a violation of Section 11-501 or a similar provision of a local ordinance or a similar out of state offense during the term of the JDP, the officer issuing the citation, or the law enforcement agency employing that officer, shall confiscate the JDP and immediately send the JDP and notice of the citation to the court that ordered the issuance of the JDP. Within 10 days of receipt, the issuing court, upon notice to the petitioner, shall conduct a hearing to consider cancellation of the JDP. If the court enters an order of cancellation, the court shall forward the order to the Secretary of State, and the Secretary shall cancel the JDP and notify the petitioner of the cancellation. If, however, the petitioner is convicted of the offense before the JDP has been cancelled, the court of venue shall send notice of conviction to the court that ordered issuance of the JDP. The court receiving the notice shall immediately enter an order of cancellation and forward the order to the Secretary of State. The Secretary shall cancel the JDP and notify the petitioner of
the cancellation.

If the petitioner is issued a citation for any other traffic related offense during the term of the JDP, the officer issuing the citation, or the law enforcement agency employing that officer, shall send notice of the citation to the court that ordered issuance of the JDP. Upon receipt and notice to the petitioner and an opportunity for a hearing, the court shall determine whether the violation constitutes grounds for cancellation of the JDP. If the court enters an order of cancellation, the court shall forward the order to the Secretary of State, and the Secretary shall cancel the JDP and shall notify the petitioner of the cancellation.

(d) The Secretary of State shall, upon receiving a court order from the court of venue, issue a JDP to a successful Petitioner under this Section. Such court order form shall also contain a notification, which shall be sent to the Secretary of State, providing the name, driver's license number and legal address of the successful petitioner, and the full and detailed description of the limitations of the JDP. This information shall be available only to the courts, police officers, and the Secretary of State, except during the actual period the JDP is valid, during which time it shall be a public record. The Secretary of State shall design and furnish to the courts an official court order form to be used by the courts when directing the Secretary of State to issue a JDP.

Any submitted court order that contains insufficient data
or fails to comply with this Code shall not be utilized for JDP issuance or entered to the driver record but shall be returned to the issuing court indicating why the JDP cannot be so entered. A notice of this action shall also be sent to the JDP petitioner by the Secretary of State.

(e) The circuit court of venue may conduct the judicial hearing, as provided in Section 2-118.1, and the JDP hearing provided in this Section, concurrently. Such concurrent hearing shall proceed in the court in the same manner as in other civil proceedings.

(f) The circuit court of venue may, as a condition of the issuance of a JDP, prohibit the person from operating a motor vehicle not equipped with an ignition interlock device.

(Text of Section after amendment by P.A. 95-400 and 95-578)

Sec. 6-206.1. Monitoring Device Driving Permit. Declaration of Policy. It is hereby declared a policy of the State of Illinois that the driver who is impaired by alcohol, other drug or drugs, or intoxicating compound or compounds is a threat to the public safety and welfare. Therefore, to provide a deterrent to such practice and to remove problem drivers from the highway, a statutory summary driver's license suspension is appropriate. It is also recognized that driving is a privilege and therefore, that the granting of driving privileges, in a
manner consistent with public safety, is warranted during the period of suspension in the form of a monitoring device driving permit. A person who drives and fails to comply with the requirements of the monitoring device driving permit commits a violation of Section 6-303 of this Code.

The following procedures shall apply whenever a first offender is arrested for any offense as defined in Section 11-501 or a similar provision of a local ordinance:

(a) Subsequent to a notification of a statutory summary suspension of driving privileges as provided in Section 11-501.1, the court, after informing the first offender, as defined in Section 11-500, of his or her right to a monitoring device driving permit, hereinafter referred to as a MDDP, and of the obligations of the MDDP, shall enter an order directing the Secretary of State to issue a MDDP to the offender, unless the offender has opted, in writing, not to have a MDDP issued. However, the court shall not enter the order directing the Secretary of State to issue the MDDP, if the court finds:

(1) The offender's driver's license is otherwise invalid;

(2) Death or great bodily harm resulted from the arrest for Section 11-501;

(3) That the offender has been previously convicted of reckless homicide; or

(4) That the offender is less than 18 years of age.

Any court order for a MDDP shall order the person to pay
the Secretary of State a MDDP Administration Fee in an amount not to exceed $30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. The order shall further specify that the offender must have an ignition interlock device installed within 14 days of the date the Secretary issues the MDDP, and shall specify the vehicle in which the device is to be installed. The ignition interlock device provider must notify the Secretary, in a manner and form prescribed by the Secretary, of the installation. If the Secretary does not receive notice of installation, the Secretary shall cancel the MDDP.

A MDDP shall not become effective prior to the 31st day of the original statutory summary suspension.

(a-1) A person issued a MDDP may drive for any purpose and at any time, subject to the rules adopted by the Secretary of State under subsection (g). The person must, at his or her own expense, drive only vehicles equipped with an ignition interlock device as defined in Section 1-129.1, but in no event shall such person drive a commercial motor vehicle.

(a-2) Persons who are issued a MDDP and must drive employer-owned vehicles in the course of their employment duties may seek permission from the court to drive an employer-owned vehicle that does not have an ignition interlock device. The employee shall provide to the court a form, prescribed by the Secretary of State, completed by the employer
verifying that the employee must drive an employer-owned vehicle in the course of employment. If approved by the court, the form must be file stamped and must be in the driver's possession while operating an employer-owner vehicle not equipped with an ignition interlock device. No person may use this exemption to drive a school bus, school vehicle, or a vehicle designed to transport more than 15 passengers. No person may use this exemption to drive an employer-owned motor vehicle that is owned by an entity that is wholly or partially owned by the person holding the MDDP, or by a family member of the person holding the MDDP. No person may use this exemption to drive an employer-owned vehicle that is made available to the employee for personal use. No person may drive the exempted vehicle more than 12 hours per day, 6 days per week.

(b) (Blank).

(c) (Blank).

(c-1) If the person is issued a citation for a violation of Section 6-303 or a violation of Section 11-501 or a similar provision of a local ordinance or a similar out of state offense during the term of the MDDP, the officer issuing the citation, or the law enforcement agency employing that officer, shall confiscate the MDDP and immediately send the MDDP and notice of the citation to the court that ordered the issuance of the MDDP. Within 10 days of receipt, the issuing court, upon notice to the person, shall conduct a hearing to consider cancellation of the MDDP. If the court enters an order of
cancellation, the court shall forward the order to the Secretary of State, and the Secretary shall cancel the MDDP and notify the person of the cancellation. If, however, the person is convicted of the offense before the MDDP has been cancelled, the court of venue shall send notice of conviction to the court that ordered issuance of the MDDP. The court receiving the notice shall immediately enter an order of cancellation and forward the order to the Secretary of State. The Secretary shall cancel the MDDP and notify the person of the cancellation.

If the person is issued a citation for any other traffic related offense during the term of the MDDP, the officer issuing the citation, or the law enforcement agency employing that officer, shall send notice of the citation to the court that ordered issuance of the MDDP. Upon receipt and notice to the person and an opportunity for a hearing, the court shall determine whether the violation constitutes grounds for cancellation of the MDDP. If the court enters an order of cancellation, the court shall forward the order to the Secretary of State, and the Secretary shall cancel the MDDP and shall notify the person of the cancellation.

(c-5) If the court determines that the person seeking the MDDP is indigent, the court shall provide the person with a written document, in a form prescribed by the Secretary of State, as evidence of that determination, and the person shall provide that written document to an ignition interlock device
provider. The provider shall install an ignition interlock device on that person's vehicle without charge to the person, and seek reimbursement from the Indigent BAIID Fund.

(d) The Secretary of State shall, upon receiving a court order from the court of venue, issue a MDDP to a person who applies under this Section. Such court order form shall also contain a notification, which shall be sent to the Secretary of State, providing the name, driver's license number and legal address of the applicant. This information shall be available only to the courts, police officers, and the Secretary of State, except during the actual period the MDDP is valid, during which time it shall be a public record. The Secretary of State shall design and furnish to the courts an official court order form to be used by the courts when directing the Secretary of State to issue a MDDP.

Any submitted court order that contains insufficient data or fails to comply with this Code shall not be utilized for MDDP issuance or entered to the driver record but shall be returned to the issuing court indicating why the MDDP cannot be so entered. A notice of this action shall also be sent to the MDDP applicant by the Secretary of State.

(e) (Blank).

(f) (Blank).

(g) The Secretary of State shall adopt rules for implementing this Section. The rules adopted shall address issues including, but not limited to: compliance with the
requirements of the MDDP; methods for determining compliance with those requirements; the consequences of noncompliance with those requirements; what constitutes a violation of the MDDP; and the duties of a person or entity that supplies the ignition interlock device.

(h) The rules adopted under subsection (g) shall provide, at a minimum, that the person is not in compliance with the requirements of the MDDP if he or she:

(1) tampers or attempts to tamper with or circumvent the proper operation of the ignition interlock device;

(2) provides valid breath samples that register blood alcohol levels in excess of the number of times allowed under the rules;

(3) fails to provide evidence sufficient to satisfy the Secretary that the ignition interlock device has been installed in the designated vehicle or vehicles; or

(4) fails to follow any other applicable rules adopted by the Secretary.

(i) Any person or entity that supplies an ignition interlock device as provided under this Section shall, in addition to supplying only those devices which fully comply with all the rules adopted under subsection (g), provide the Secretary, within 7 days of inspection, all monitoring reports of each person who has had an ignition interlock device installed. These reports shall be furnished in a manner or form as prescribed by the Secretary.
(j) Upon making a determination that a violation of the requirements of the MDDP has occurred, the Secretary shall extend the summary suspension period for an additional 3 months beyond the originally imposed summary suspension period, during which time the person shall only be allowed to drive vehicles equipped with an ignition interlock device; provided further there are no limitations on the number of times the summary suspension may be extended. Any person whose summary suspension is extended pursuant to this Section shall have the right to contest the extension through an administrative hearing with the Secretary. If the summary suspension has already terminated prior to the Secretary receiving the monitoring report that shows a violation, the Secretary shall be authorized to suspend the person's driving privileges for 3 months. The only permit the person shall be eligible for during this new suspension period is a MDDP.

(k) A person who has had his or her summary suspension extended for the third time shall have his or her vehicle impounded for a period of 30 days, at the person's own expense. A person who has his or her summary suspension extended for the fourth time shall have his or her vehicle subject to seizure and forfeiture. The Secretary shall notify the prosecuting authority of any third or fourth extensions. Upon receipt of the notification, the prosecuting authority shall impound or forfeit the vehicle.

(l) A person whose driving privileges have been suspended
under Section 11-501.1 of this Code and who had a MDDP that was cancelled pursuant to subsection (c-1) of this Section, shall not be eligible for reinstatement when the summary suspension is scheduled to terminate, but instead shall be eligible only to apply for a restricted driving permit. If a restricted driving permit is granted, the offender may only operate vehicles equipped with an ignition interlock device, for a period of not less than twice the original summary suspension period.

(m) Any person or entity that supplies an ignition interlock device under this Section shall, for each ignition interlock device installed, pay 5% of the total gross revenue received for the device into the Indigent BAIID Fund. This 5% shall be clearly indicated as a separate surcharge on each invoice that is issued. The Secretary shall conduct an annual review of the fund to determine whether the surcharge is sufficient to provide for indigent users. The Secretary may increase or decrease this surcharge requirement as needed.

(n) Any person or entity that supplies an ignition interlock device under this Section that is requested to provide an ignition interlock device to a person who presents written documentation of indigency from the court, as provided in subsection (c-5) of this Section, shall install the device on the person's vehicle without charge to the person and shall seek reimbursement from the Indigent BAIID Fund.

(o) The Indigent BAIID Fund is created as a special fund in
the State treasury. The Secretary of State shall, subject to appropriation by the General Assembly, use all money in the Indigent BAIID Fund to reimburse ignition interlock device providers who have installed devices in vehicles of indigent persons pursuant to court orders issued under this Section. The Secretary shall make payments to such providers every 3 months. If the amount of money in the fund at the time payments are made is not sufficient to pay all requests for reimbursement submitted during that 3 month period, the Secretary shall make payments on a pro-rata basis, and those payments shall be considered payment in full for the requests submitted.

(p) The Monitoring Device Driving Permit Administration Fee Fund is created as a special fund in the State treasury. The Secretary of State shall, subject to appropriation by the General Assembly, use the money paid into this fund to offset its administrative costs for administering MDDPs.

The court shall monitor compliance with any remedial education or treatment recommendations contained in the professional evaluation. Programs conducting alcohol or other drug evaluation or remedial education must be licensed by the Department of Human Services. If the individual is not a resident of Illinois, however, the court may accept an alcohol or other drug

conjunction with another disposition. The court shall monitor compliance with any remedial education or treatment recommendations contained in the professional evaluation. Programs conducting alcohol or other drug evaluation or remedial education must be licensed by the Department of Human Services. If at the time of the violation, the alcohol concentration in the defendant's blood, breath, or urine was 0.16 or more based on the definition of blood, breath, or urine units in
Section 11-501.2, a mandatory minimum fine of $5,000 shall be imposed in addition to any other criminal or administrative sanction. If at the time of the fifth violation, the defendant was transporting a person under the age of 16, a mandatory fine of $25,000, and 25 days of community service in a program benefiting children shall be imposed in addition to any other criminal or administrative sanction.

(E) A sixth or subsequent violation of this Section or similar provision is a Class X felony. (G) A violation of subparagraph (F) of paragraph (1) of
this subsection (d) is a Class 2 felony, for which the defendant, unless the court determines that extraordinary circumstances exist and require probation, shall be sentenced to: (i) a term of imprisonment of not less than 3 years and not more than 14 years if the violation resulted in the death of one person; or (ii) a term of imprisonment of not less than 6 years and not more than 28 years if the violation resulted in the deaths of 2 or more persons.

(I) A violation of subparagraph (K) of paragraph (1) of this subsection (d), is a Class 2 felony and a mandatory fine of $2,500, and 25 days of community service in a program benefiting children shall be imposed in addition to any other criminal or administrative sanction. If the child being transported suffered bodily harm, but not great bodily harm, in a motor vehicle accident, and the violation was the proximate cause of that injury, a mandatory fine of $5,000 and 25 days of community service in a program benefiting children shall be imposed in addition to any other criminal or administrative sanction.

(3) Any person sentenced under this subsection (d) who receives a term of probation or conditional discharge must

(f) The imposition of a mandatory term of imprisonment or assignment of community service for a violation of this Section shall not be suspended or reduced by the court.

(g) Any penalty imposed for driving with a license that has been revoked for a previous violation of subsection (a) of this Section shall be in addition to the penalty imposed for any subsequent violation of subsection (a).

Sec. 11-501.1. Suspension of drivers license; statutory summary alcohol, other drug or drugs, or intoxicating compound or compounds related suspension; implied consent.

(a) Any person who drives or is in actual physical control of a motor vehicle upon the public highways of this State shall be deemed to have given consent, subject to the provisions of Section 11-501.2, to a chemical test or tests of blood, breath, or urine for the purpose of determining the content of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof in the person's blood if arrested, as evidenced by the issuance of a Uniform Traffic Ticket, for any offense as defined in Section 11-501 or a similar provision of a local ordinance, or if arrested for violating Section 11-401. The test or tests shall be administered at the direction of the arresting officer. The law enforcement agency employing the officer shall designate which of the aforesaid tests shall be administered. A urine test may be administered even after a blood or breath test or both has been administered. For purposes of this Section, an Illinois law enforcement officer of this State who is investigating the person for any offense defined in Section 11-501 may travel into an adjoining state, where the person has been transported for medical care, to complete an investigation and to request that the person submit to the test or tests set forth in this Section. The requirements of this Section that the person be arrested are
inapplicable, but the officer shall issue the person a Uniform Traffic Ticket for an offense as defined in Section 11-501 or a similar provision of a local ordinance prior to requesting that the person submit to the test or tests. The issuance of the Uniform Traffic Ticket shall not constitute an arrest, but shall be for the purpose of notifying the person that he or she is subject to the provisions of this Section and of the officer's belief of the existence of probable cause to arrest. Upon returning to this State, the officer shall file the Uniform Traffic Ticket with the Circuit Clerk of the county where the offense was committed, and shall seek the issuance of an arrest warrant or a summons for the person.

(b) Any person who is dead, unconscious, or who is otherwise in a condition rendering the person incapable of refusal, shall be deemed not to have withdrawn the consent provided by paragraph (a) of this Section and the test or tests may be administered, subject to the provisions of Section 11-501.2.

(c) A person requested to submit to a test as provided above shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test will result in the statutory summary suspension of the person's privilege to operate a motor vehicle, as provided in Section 6-208.1 of this Code, and will also result in the disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the person is a CDL
holder. The person shall also be warned by the law enforcement officer that if the person submits to the test or tests provided in paragraph (a) of this Section and the alcohol concentration in the person's blood or breath is 0.08 or greater, or any amount of a drug, substance, or compound resulting from the unlawful use or consumption of cannabis as covered by the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act is detected in the person's blood or urine, a statutory summary suspension of the person's privilege to operate a motor vehicle, as provided in Sections 6-208.1 and 11-501.1 of this Code, and a disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the person is a CDL holder, will be imposed.

A person who is under the age of 21 at the time the person is requested to submit to a test as provided above shall, in addition to the warnings provided for in this Section, be further warned by the law enforcement officer requesting the test that if the person submits to the test or tests provided in paragraph (a) of this Section and the alcohol concentration in the person's blood or breath is greater than 0.00 and less than 0.08, a suspension of the person's privilege to operate a
motor vehicle, as provided under Sections 6-208.2 and 11-501.8 of this Code, will be imposed. The results of this test shall be admissible in a civil or criminal action or proceeding arising from an arrest for an offense as defined in Section 11-501 of this Code or a similar provision of a local ordinance or pursuant to Section 11-501.4 in prosecutions for reckless homicide brought under the Criminal Code of 1961. These test results, however, shall be admissible only in actions or proceedings directly related to the incident upon which the test request was made.

(d) If the person refuses testing or submits to a test that discloses an alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound in the person's breath, blood, or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, the law enforcement officer shall immediately submit a sworn report to the circuit court of venue and the Secretary of State, certifying that the test or tests was or were requested under paragraph (a) and the person refused to submit to a test, or tests, or submitted to testing that disclosed an alcohol concentration of 0.08 or more.

(e) Upon receipt of the sworn report of a law enforcement
officer submitted under paragraph (d), the Secretary of State shall enter the statutory summary suspension and disqualification for the periods specified in Sections 6-208.1 and 6-514, respectively, and effective as provided in paragraph (g).

If the person is a first offender as defined in Section 11-500 of this Code, and is not convicted of a violation of Section 11-501 of this Code or a similar provision of a local ordinance, then reports received by the Secretary of State under this Section shall, except during the actual time the Statutory Summary Suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities or the Secretary of State. However, beginning January 1, 2008, if the person is a CDL holder, the statutory summary suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected driver or motor carrier or prospective motor carrier upon request. Reports received by the Secretary of State under this Section shall also be made available to the parent or guardian of a person under the age of 18 years that holds an instruction permit or a graduated driver's license, regardless of whether the statutory summary suspension is in effect.

(f) The law enforcement officer submitting the sworn report under paragraph (d) shall serve immediate notice of the statutory summary suspension on the person and the suspension
and disqualification shall be effective as provided in paragraph (g). In cases where the blood alcohol concentration of 0.08 or greater or any amount of a drug, substance, or compound resulting from the unlawful use or consumption of cannabis as covered by the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act is established by a subsequent analysis of blood or urine collected at the time of arrest, the arresting officer or arresting agency shall give notice as provided in this Section or by deposit in the United States mail of the notice in an envelope with postage prepaid and addressed to the person at his address as shown on the Uniform Traffic Ticket and the statutory summary suspension and disqualification shall begin as provided in paragraph (g). The officer shall confiscate any Illinois driver's license or permit on the person at the time of arrest. If the person has a valid driver's license or permit, the officer shall issue the person a receipt, in a form prescribed by the Secretary of State, that will allow that person to drive during the periods provided for in paragraph (g). The officer shall immediately forward the driver's license or permit to the circuit court of venue along with the sworn report provided for in paragraph (d).

(g) The statutory summary suspension and disqualification
referred to in this Section shall take effect on the 46th day following the date the notice of the statutory summary suspension was given to the person.

(h) The following procedure shall apply whenever a person is arrested for any offense as defined in Section 11-501 or a similar provision of a local ordinance:

Upon receipt of the sworn report from the law enforcement officer, the Secretary of State shall confirm the statutory summary suspension by mailing a notice of the effective date of the suspension to the person and the court of venue. The Secretary of State shall also mail notice of the effective date of the disqualification to the person. However, should the sworn report be defective by not containing sufficient information or be completed in error, the confirmation of the statutory summary suspension shall not be mailed to the person or entered to the record; instead, the sworn report shall be forwarded to the court of venue with a copy returned to the issuing agency identifying any defect.

(Text of Section before amendment by P.A. 95-627)

Sec. 11-501.8. Suspension of driver's license; persons under age 21.

(a) A person who is less than 21 years of age and who
drives or is in actual physical control of a motor vehicle upon the public highways of this State shall be deemed to have given consent to a chemical test or tests of blood, breath, or urine for the purpose of determining the alcohol content of the person's blood if arrested, as evidenced by the issuance of a Uniform Traffic Ticket for any violation of the Illinois Vehicle Code or a similar provision of a local ordinance, if a police officer has probable cause to believe that the driver has consumed any amount of an alcoholic beverage based upon evidence of the driver's physical condition or other first hand knowledge of the police officer. The test or tests shall be administered at the direction of the arresting officer. The law enforcement agency employing the officer shall designate which of the aforesaid tests shall be administered. A urine test may be administered even after a blood or breath test or both has been administered.

(b) A person who is dead, unconscious, or who is otherwise in a condition rendering that person incapable of refusal, shall be deemed not to have withdrawn the consent provided by paragraph (a) of this Section and the test or tests may be administered subject to the following provisions:

(1) Chemical analysis of the person's blood, urine, breath, or other bodily substance, to be considered valid under the provisions of this Section, shall have been performed according to standards promulgated by the Department of State Police by an individual possessing a
valid permit issued by that Department for this purpose. The Director of State Police is authorized to approve satisfactory techniques or methods, to ascertain the qualifications and competence of individuals to conduct analyses, to issue permits that shall be subject to termination or revocation at the direction of that Department, and to certify the accuracy of breath testing equipment. The Department of State Police shall prescribe regulations as necessary.

(ii) When a person submits to a blood test at the request of a law enforcement officer under the provisions of this Section, only a physician authorized to practice medicine, a registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician may withdraw blood for the purpose of determining the alcohol content therein. This limitation does not apply to the taking of breath or urine specimens.

(iii) The person tested may have a physician, qualified technician, chemist, registered nurse, or other qualified person of his or her own choosing administer a chemical test or tests in addition to any test or tests administered at the direction of a law enforcement officer. The failure or inability to obtain an additional test by a person shall not preclude the consideration of the previously performed chemical test.

(iv) Upon a request of the person who submits to a
chemical test or tests at the request of a law enforcement officer, full information concerning the test or tests shall be made available to the person or that person's attorney.

(v) Alcohol concentration means either grams of alcohol per 100 milliliters of blood or grams of alcohol per 210 liters of breath.

(vi) If a driver is receiving medical treatment as a result of a motor vehicle accident, a physician licensed to practice medicine, registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician shall withdraw blood for testing purposes to ascertain the presence of alcohol upon the specific request of a law enforcement officer. However, that testing shall not be performed until, in the opinion of the medical personnel on scene, the withdrawal can be made without interfering with or endangering the well-being of the patient.

(c) A person requested to submit to a test as provided above shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test, or submission to the test resulting in an alcohol concentration of more than 0.00, may result in the loss of that person's privilege to operate a motor vehicle and may result in the disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the
person is a CDL holder. The loss of driving privileges shall be imposed in accordance with Section 6-208.2 of this Code.

(d) If the person refuses testing or submits to a test that discloses an alcohol concentration of more than 0.00, the law enforcement officer shall immediately submit a sworn report to the Secretary of State on a form prescribed by the Secretary of State, certifying that the test or tests were requested under subsection (a) and the person refused to submit to a test or tests or submitted to testing which disclosed an alcohol concentration of more than 0.00. The law enforcement officer shall submit the same sworn report when a person under the age of 21 submits to testing under Section 11-501.1 of this Code and the testing discloses an alcohol concentration of more than 0.00 and less than 0.08.

Upon receipt of the sworn report of a law enforcement officer, the Secretary of State shall enter the suspension and disqualification on the individual's driving record and the suspension and disqualification shall be effective on the 46th day following the date notice of the suspension was given to the person. If this suspension is the individual's first driver's license suspension under this Section, reports received by the Secretary of State under this Section shall, except during the time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the Secretary of State, or the individual personally. However, beginning January 1, 2008,
if the person is a CDL holder, the report of suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected driver or motor carrier or prospective motor carrier upon request. Reports received by the Secretary of State under this Section shall also be made available to the parent or guardian of a person under the age of 18 years that holds an instruction permit or a graduated driver's license, regardless of whether the suspension is in effect.

The law enforcement officer submitting the sworn report shall serve immediate notice of this suspension on the person and the suspension and disqualification shall be effective on the 46th day following the date notice was given.

In cases where the blood alcohol concentration of more than 0.00 is established by a subsequent analysis of blood or urine, the police officer or arresting agency shall give notice as provided in this Section or by deposit in the United States mail of that notice in an envelope with postage prepaid and addressed to that person at his last known address and the loss of driving privileges shall be effective on the 46th day following the date notice was given.

Upon receipt of the sworn report of a law enforcement officer, the Secretary of State shall also give notice of the suspension and disqualification to the driver by mailing a notice of the effective date of the suspension and disqualification to the individual. However, should the sworn
report be defective by not containing sufficient information or be completed in error, the notice of the suspension and disqualification shall not be mailed to the person or entered to the driving record, but rather the sworn report shall be returned to the issuing law enforcement agency.

(e) A driver may contest this suspension and disqualification by requesting an administrative hearing with the Secretary of State in accordance with Section 2-118 of this Code. An individual whose blood alcohol concentration is shown to be more than 0.00 is not subject to this Section if he or she consumed alcohol in the performance of a religious service or ceremony. An individual whose blood alcohol concentration is shown to be more than 0.00 shall not be subject to this Section if the individual's blood alcohol concentration resulted only from ingestion of the prescribed or recommended dosage of medicine that contained alcohol. The petition for that hearing shall not stay or delay the effective date of the impending suspension. The scope of this hearing shall be limited to the issues of:

(1) whether the police officer had probable cause to believe that the person was driving or in actual physical control of a motor vehicle upon the public highways of the State and the police officer had reason to believe that the person was in violation of any provision of the Illinois Vehicle Code or a similar provision of a local ordinance; and
(2) whether the person was issued a Uniform Traffic Ticket for any violation of the Illinois Vehicle Code or a similar provision of a local ordinance; and

(3) whether the police officer had probable cause to believe that the driver had consumed any amount of an alcoholic beverage based upon the driver's physical actions or other first-hand knowledge of the police officer; and

(4) whether the person, after being advised by the officer that the privilege to operate a motor vehicle would be suspended if the person refused to submit to and complete the test or tests, did refuse to submit to or complete the test or tests to determine the person's alcohol concentration; and

(5) whether the person, after being advised by the officer that the privileges to operate a motor vehicle would be suspended if the person submits to a chemical test or tests and the test or tests disclose an alcohol concentration of more than 0.00, did submit to and complete the test or tests that determined an alcohol concentration of more than 0.00; and

(6) whether the test result of an alcohol concentration of more than 0.00 was based upon the person's consumption of alcohol in the performance of a religious service or ceremony; and

(7) whether the test result of an alcohol concentration
of more than 0.00 was based upon the person's consumption of alcohol through ingestion of the prescribed or recommended dosage of medicine.

Provided that the petitioner may subpoena the officer, the hearing may be conducted upon a review of the law enforcement officer's own official reports. Failure of the officer to answer the subpoena shall be grounds for a continuance if, in the hearing officer's discretion, the continuance is appropriate. At the conclusion of the hearing held under Section 2-118 of this Code, the Secretary of State may rescind, continue, or modify the suspension and disqualification. If the Secretary of State does not rescind the suspension and disqualification, a restricted driving permit may be granted by the Secretary of State upon application being made and good cause shown. A restricted driving permit may be granted to relieve undue hardship by allowing driving for employment, educational, and medical purposes as outlined in item (3) of part (c) of Section 6-206 of this Code. The provisions of item (3) of part (c) of Section 6-206 of this Code and of subsection (f) of that Section shall apply. The Secretary of State shall promulgate rules providing for participation in an alcohol education and awareness program or activity, a drug education and awareness program or activity, or both as a condition to the issuance of a restricted driving permit for suspensions imposed under this Section.

(f) The results of any chemical testing performed in
accordance with subsection (a) of this Section are not admissible in any civil or criminal proceeding, except that the results of the testing may be considered at a hearing held under Section 2-118 of this Code. However, the results of the testing may not be used to impose driver's license sanctions under Section 11-501.1 of this Code. A law enforcement officer may, however, pursue a statutory summary suspension of driving privileges under Section 11-501.1 of this Code if other physical evidence or first hand knowledge forms the basis of that suspension.

(g) This Section applies only to drivers who are under age 21 at the time of the issuance of a Uniform Traffic Ticket for a violation of the Illinois Vehicle Code or a similar provision of a local ordinance, and a chemical test request is made under this Section.

(h) The action of the Secretary of State in suspending, revoking, cancelling, or disqualifying any license or permit shall be subject to judicial review in the Circuit Court of Sangamon County or in the Circuit Court of Cook County, and the provisions of the Administrative Review Law and its rules are hereby adopted and shall apply to and govern every action for the judicial review of final acts or decisions of the Secretary of State under this Section.

Sec. 11-501.8. Suspension of driver's license; persons under age 21.

(a) A person who is less than 21 years of age and who drives or is in actual physical control of a motor vehicle upon the public highways of this State shall be deemed to have given consent to a chemical test or tests of blood, breath, or urine for the purpose of determining the alcohol content of the person's blood if arrested, as evidenced by the issuance of a Uniform Traffic Ticket for any violation of the Illinois Vehicle Code or a similar provision of a local ordinance, if a police officer has probable cause to believe that the driver has consumed any amount of an alcoholic beverage based upon evidence of the driver's physical condition or other first hand knowledge of the police officer. The test or tests shall be administered at the direction of the arresting officer. The law enforcement agency employing the officer shall designate which of the aforesaid tests shall be administered. A urine test may be administered even after a blood or breath test or both has been administered.

(b) A person who is dead, unconscious, or who is otherwise in a condition rendering that person incapable of refusal, shall be deemed not to have withdrawn the consent provided by paragraph (a) of this Section and the test or tests may be administered subject to the following provisions:

(i) Chemical analysis of the person's blood, urine,
breath, or other bodily substance, to be considered valid under the provisions of this Section, shall have been performed according to standards promulgated by the Department of State Police by an individual possessing a valid permit issued by that Department for this purpose. The Director of State Police is authorized to approve satisfactory techniques or methods, to ascertain the qualifications and competence of individuals to conduct analyses, to issue permits that shall be subject to termination or revocation at the direction of that Department, and to certify the accuracy of breath testing equipment. The Department of State Police shall prescribe regulations as necessary.

(ii) When a person submits to a blood test at the request of a law enforcement officer under the provisions of this Section, only a physician authorized to practice medicine, a registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician may withdraw blood for the purpose of determining the alcohol content therein. This limitation does not apply to the taking of breath or urine specimens.

(iii) The person tested may have a physician, qualified technician, chemist, registered nurse, or other qualified person of his or her own choosing administer a chemical test or tests in addition to any test or tests administered at the direction of a law enforcement officer. The failure
or inability to obtain an additional test by a person shall not preclude the consideration of the previously performed chemical test.

(iv) Upon a request of the person who submits to a chemical test or tests at the request of a law enforcement officer, full information concerning the test or tests shall be made available to the person or that person's attorney.

(v) Alcohol concentration means either grams of alcohol per 100 milliliters of blood or grams of alcohol per 210 liters of breath.

(vi) If a driver is receiving medical treatment as a result of a motor vehicle accident, a physician licensed to practice medicine, registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician shall withdraw blood for testing purposes to ascertain the presence of alcohol upon the specific request of a law enforcement officer. However, that testing shall not be performed until, in the opinion of the medical personnel on scene, the withdrawal can be made without interfering with or endangering the well-being of the patient.

(c) A person requested to submit to a test as provided above shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test, or submission to the test resulting in an alcohol concentration of more than
0.00, may result in the loss of that person's privilege to operate a motor vehicle and may result in the disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the person is a CDL holder. The loss of driving privileges shall be imposed in accordance with Section 6-208.2 of this Code.

(d) If the person refuses testing or submits to a test that discloses an alcohol concentration of more than 0.00, the law enforcement officer shall immediately submit a sworn report to the Secretary of State on a form prescribed by the Secretary of State, certifying that the test or tests were requested under subsection (a) and the person refused to submit to a test or tests or submitted to testing which disclosed an alcohol concentration of more than 0.00. The law enforcement officer shall submit the same sworn report when a person under the age of 21 submits to testing under Section 11-501.1 of this Code and the testing discloses an alcohol concentration of more than 0.00 and less than 0.08.

Upon receipt of the sworn report of a law enforcement officer, the Secretary of State shall enter the suspension and disqualification on the individual's driving record and the suspension and disqualification shall be effective on the 46th day following the date notice of the suspension was given to the person. If this suspension is the individual's first driver's license suspension under this Section, reports received by the Secretary of State under this Section shall,
except during the time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the Secretary of State, or the individual personally. However, beginning January 1, 2008, if the person is a CDL holder, the report of suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected driver or motor carrier or prospective motor carrier upon request. Reports received by the Secretary of State under this Section shall also be made available to the parent or guardian of a person under the age of 18 years that holds an instruction permit or a graduated driver's license, regardless of whether the suspension is in effect.

The law enforcement officer submitting the sworn report shall serve immediate notice of this suspension on the person and the suspension and disqualification shall be effective on the 46th day following the date notice was given.

In cases where the blood alcohol concentration of more than 0.00 is established by a subsequent analysis of blood or urine, the police officer or arresting agency shall give notice as provided in this Section or by deposit in the United States mail of that notice in an envelope with postage prepaid and addressed to that person at his last known address and the loss of driving privileges shall be effective on the 46th day following the date notice was given.

Upon receipt of the sworn report of a law enforcement
officer, the Secretary of State shall also give notice of the suspension and disqualification to the driver by mailing a notice of the effective date of the suspension and disqualification to the individual. However, should the sworn report be defective by not containing sufficient information or be completed in error, the notice of the suspension and disqualification shall not be mailed to the person or entered to the driving record, but rather the sworn report shall be returned to the issuing law enforcement agency.

(e) A driver may contest this suspension and disqualification by requesting an administrative hearing with the Secretary of State in accordance with Section 2-118 of this Code. An individual whose blood alcohol concentration is shown to be more than 0.00 is not subject to this Section if he or she consumed alcohol in the performance of a religious service or ceremony. An individual whose blood alcohol concentration is shown to be more than 0.00 shall not be subject to this Section if the individual's blood alcohol concentration resulted only from ingestion of the prescribed or recommended dosage of medicine that contained alcohol. The petition for that hearing shall not stay or delay the effective date of the impending suspension. The scope of this hearing shall be limited to the issues of:

(1) whether the police officer had probable cause to believe that the person was driving or in actual physical control of a motor vehicle upon the public highways of the
State and the police officer had reason to believe that the person was in violation of any provision of the Illinois Vehicle Code or a similar provision of a local ordinance; and

(2) whether the person was issued a Uniform Traffic Ticket for any violation of the Illinois Vehicle Code or a similar provision of a local ordinance; and

(3) whether the police officer had probable cause to believe that the driver had consumed any amount of an alcoholic beverage based upon the driver's physical actions or other first-hand knowledge of the police officer; and

(4) whether the person, after being advised by the officer that the privilege to operate a motor vehicle would be suspended if the person refused to submit to and complete the test or tests, did refuse to submit to or complete the test or tests to determine the person's alcohol concentration; and

(5) whether the person, after being advised by the officer that the privileges to operate a motor vehicle would be suspended if the person submits to a chemical test or tests and the test or tests disclose an alcohol concentration of more than 0.00, did submit to and complete the test or tests that determined an alcohol concentration of more than 0.00; and

(6) whether the test result of an alcohol concentration
of more than 0.00 was based upon the person's consumption of alcohol in the performance of a religious service or ceremony; and

(7) whether the test result of an alcohol concentration of more than 0.00 was based upon the person's consumption of alcohol through ingestion of the prescribed or recommended dosage of medicine.

At the conclusion of the hearing held under Section 2-118 of this Code, the Secretary of State may rescind, continue, or modify the suspension and disqualification. If the Secretary of State does not rescind the suspension and disqualification, a restricted driving permit may be granted by the Secretary of State upon application being made and good cause shown. A restricted driving permit may be granted to relieve undue hardship by allowing driving for employment, educational, and medical purposes as outlined in item (3) of part (c) of Section 6-206 of this Code. The provisions of item (3) of part (c) of Section 6-206 of this Code and of subsection (f) of that Section shall apply. The Secretary of State shall promulgate rules providing for participation in an alcohol education and awareness program or activity, a drug education and awareness program or activity, or both as a condition to the issuance of a restricted driving permit for suspensions imposed under this Section.

(f) The results of any chemical testing performed in accordance with subsection (a) of this Section are not
admissible in any civil or criminal proceeding, except that the results of the testing may be considered at a hearing held under Section 2-118 of this Code. However, the results of the testing may not be used to impose driver's license sanctions under Section 11-501.1 of this Code. A law enforcement officer may, however, pursue a statutory summary suspension of driving privileges under Section 11-501.1 of this Code if other physical evidence or first hand knowledge forms the basis of that suspension.

(g) This Section applies only to drivers who are under age 21 at the time of the issuance of a Uniform Traffic Ticket for a violation of the Illinois Vehicle Code or a similar provision of a local ordinance, and a chemical test request is made under this Section.

(h) The action of the Secretary of State in suspending, revoking, cancelling, or disqualifying any license or permit shall be subject to judicial review in the Circuit Court of Sangamon County or in the Circuit Court of Cook County, and the provisions of the Administrative Review Law and its rules are hereby adopted and shall apply to and govern every action for the judicial review of final acts or decisions of the Secretary of State under this Section.

Sec. 11-1301.3. Unauthorized use of parking places reserved for persons with disabilities.

(a) It shall be prohibited to park any motor vehicle which is not properly displaying registration plates or decals issued to a person with disabilities, as defined by Section 1-159.1, pursuant to Sections 3-616, 11-1301.1 or 11-1301.2, or to a disabled veteran pursuant to Section 3-609 or 3-609.01 of this Act, as evidence that the vehicle is operated by or for a person with disabilities or disabled veteran, in any parking place, including any private or public offstreet parking facility, specifically reserved, by the posting of an official sign as designated under Section 11-301, for motor vehicles displaying such registration plates. It shall be prohibited to park any motor vehicle in a designated access aisle adjacent to any parking place specifically reserved for persons with disabilities, by the posting of an official sign as designated under Section 11-301, for motor vehicles displaying such registration plates. When using the parking privileges for persons with disabilities, the parking decal or device must be displayed properly in the vehicle where it is clearly visible to law enforcement personnel, either hanging from the rearview mirror or placed on the dashboard of the vehicle in clear view. Any motor vehicle properly displaying a disability license plate or a parking decal or device containing the International symbol of access issued to persons with disabilities by any
local authority, state, district, territory or foreign country shall be recognized by State and local authorities as a valid license plate or device and receive the same parking privileges as residents of this State.

(a-1) An individual with a vehicle displaying disability license plates or a parking decal or device issued to a qualified person with a disability under Sections 3-616, 11-1301.1, or 11-1301.2 or to a disabled veteran under Section 3-609 or 3-609.01 is in violation of this Section if (i) the person using the disability license plate or parking decal or device is not the authorized holder of the disability license plate or parking decal or device or is not transporting the authorized holder of the disability license plate or parking decal or device to or from the parking location and (ii) the person uses the disability license plate or parking decal or device to exercise any privileges granted through the disability license plate or parking decals or devices under this Code.

(b) Any person or local authority owning or operating any public or private offstreet parking facility may, after notifying the police or sheriff's department, remove or cause to be removed to the nearest garage or other place of safety any vehicle parked within a stall or space reserved for use by a person with disabilities which does not display person with disabilities registration plates or a special decal or device as required under this Section.
(c) Any person found guilty of violating the provisions of subsection (a) shall be fined $250 in addition to any costs or charges connected with the removal or storage of any motor vehicle authorized under this Section; but municipalities by ordinance may impose a fine up to $350 and shall display signs indicating the fine imposed. If the amount of the fine is subsequently changed, the municipality shall change the sign to indicate the current amount of the fine. It shall not be a defense to a charge under this Section that either the sign posted pursuant to this Section or the intended accessible parking place does not comply with the technical requirements of Section 11-301, Department regulations, or local ordinance if a reasonable person would be made aware by the sign or notice on or near the parking place that the place is reserved for a person with disabilities.

(c-1) Any person found guilty of violating the provisions of subsection (a-1) shall be fined $500. The circuit clerk shall distribute $250 of the $500 fine imposed on any person who is found guilty of or pleads guilty to violating this Section, including any person placed on court supervision for violating this Section, to the law enforcement agency that issued the citation or made the arrest. If more than one law enforcement agency is responsible for issuing the citation or making the arrest, the $250 shall be shared equally.

(d) Local authorities shall impose fines as established in subsections (c) and (c-1) for violations of this Section.
(e) As used in this Section, "authorized holder" means an individual issued a disability license plate under Section 3-616 of this Code, an individual issued a parking decal or device under Section 11-1301.2 of this Code, or an individual issued a disabled veteran's license plate under Section 3-609 or 3-609.01 of this Code.

(f) Any person who commits a violation of subsection (a-1) may have his or her driving privileges suspended or revoked by the Secretary of State for a period of time determined by the Secretary of State. The Secretary of State may also suspend or revoke the disability license plates or parking decal or device for a period of time determined by the Secretary of State.

Sec. 11-1301.3. Unauthorized use of parking places reserved for persons with disabilities.

(a) It shall be prohibited to park any motor vehicle which is not properly displaying registration plates or decals issued to a person with disabilities, as defined by Section 1-159.1, pursuant to Sections 3-616, 11-1301.1 or 11-1301.2, or to a disabled veteran pursuant to Section 3-609 or 3-609.01 of this Act, as evidence that the vehicle is operated by or for a person with disabilities or disabled veteran, in any parking place, including any private or public offstreet parking
facility, specifically reserved, by the posting of an official sign as designated under Section 11-301, for motor vehicles displaying such registration plates. It shall be prohibited to park any motor vehicle in a designated access aisle adjacent to any parking place specifically reserved for persons with disabilities, by the posting of an official sign as designated under Section 11-301, for motor vehicles displaying such registration plates. When using the parking privileges for persons with disabilities, the parking decal or device must be displayed properly in the vehicle where it is clearly visible to law enforcement personnel, either hanging from the rearview mirror or placed on the dashboard of the vehicle in clear view. Disability license plates and parking decals and devices are not transferable from person to person. Proper usage of the disability license plate or parking decal or device requires the authorized holder to be present and enter or exit the vehicle at the time the parking privileges are being used. It is a violation of this Section to park in a space reserved for a person with disabilities if the authorized holder of the disability license plate or parking decal or device does not enter or exit the vehicle at the time the parking privileges are being used. Any motor vehicle properly displaying a disability license plate or a parking decal or device containing the International symbol of access issued to persons with disabilities by any local authority, state, district, territory or foreign country shall be recognized by State and
local authorities as a valid license plate or device and receive the same parking privileges as residents of this State.

(a-1) An individual with a vehicle displaying disability license plates or a parking decal or device issued to a qualified person with a disability under Sections 3-616, 11-1301.1, or 11-1301.2 or to a disabled veteran under Section 3-609 or 3-609.01 is in violation of this Section if (i) the person using the disability license plate or parking decal or device is not the authorized holder of the disability license plate or parking decal or device or is not transporting the authorized holder of the disability license plate or parking decal or device to or from the parking location and (ii) the person uses the disability license plate or parking decal or device to exercise any privileges granted through the disability license plate or parking decals or devices under this Code.

(b) Any person or local authority owning or operating any public or private offstreet parking facility may, after notifying the police or sheriff's department, remove or cause to be removed to the nearest garage or other place of safety any vehicle parked within a stall or space reserved for use by a person with disabilities which does not display person with disabilities registration plates or a special decal or device as required under this Section.

(c) Any person found guilty of violating the provisions of subsection (a) shall be fined $250 in addition to any costs or
charges connected with the removal or storage of any motor vehicle authorized under this Section; but municipalities by ordinance may impose a fine up to $350 and shall display signs indicating the fine imposed. If the amount of the fine is subsequently changed, the municipality shall change the sign to indicate the current amount of the fine. It shall not be a defense to a charge under this Section that either the sign posted pursuant to this Section or the intended accessible parking place does not comply with the technical requirements of Section 11-301, Department regulations, or local ordinance if a reasonable person would be made aware by the sign or notice on or near the parking place that the place is reserved for a person with disabilities.

   (c-1) Any person found guilty of violating the provisions of subsection (a-1) a first time shall be fined $500. Any person found guilty of violating subsection (a-1) a second time shall be fined $750, and the Secretary of State may revoke the person's driving privileges or suspend those privileges for a period of time to be determined by the Secretary. Any person found guilty of violating subsection (a-1) a third or subsequent time shall be fined $1,000, and the Secretary of State may revoke the person's driving privileges or suspend those privileges for a period of time to be determined by the Secretary. The Secretary of State may also revoke the disability license plates or parking decal or device of a person violating subsection (a-1) a third or subsequent time or
may suspend the person's disability license plates or parking decal or device for a period of time to be determined by the Secretary of State. The circuit clerk shall distribute 50% of the fine imposed on any person who is found guilty of or pleads guilty to violating this Section, including any person placed on court supervision for violating this Section, to the law enforcement agency that issued the citation or made the arrest. If more than one law enforcement agency is responsible for issuing the citation or making the arrest, the 50% of the fine imposed shall be shared equally. If an officer of the Secretary of State Department of Police arrested a person for a violation of this Section, 50% of the fine imposed shall be deposited into the Secretary of State Police Services Fund.

(d) Local authorities shall impose fines as established in subsections (c) and (c-1) for violations of this Section.

(e) As used in this Section, "authorized holder" means an individual issued a disability license plate under Section 3-616 of this Code, an individual issued a parking decal or device under Section 11-1301.2 of this Code, or an individual issued a disabled veteran's license plate under Section 3-609 or 3-609.01 of this Code.

(f) Any person who commits a violation of subsection (a-1) may have his or her driving privileges suspended or revoked by the Secretary of State for a period of time determined by the Secretary of State. The Secretary of State may also suspend or revoke the disability license plates or parking decal or device
for a period of time determined by the Secretary of State.

(625 ILCS 5/11-1426.1)
Sec. 11-1426.1. Operation of neighborhood vehicles on streets, roads, and highways.

(a) As used in this Section, "neighborhood vehicle" means a self-propelled, electronically powered four-wheeled motor vehicle (or a self-propelled, gasoline-powered four-wheeled motor vehicle with an engine displacement under 1,200 cubic centimeters) which is capable of attaining in one mile a speed of more than 20 miles per hour, but not more than 25 miles per hour, and which conforms to federal regulations under Title 49 C.F.R. Part 571.500.

(b) Except as otherwise provided in this Section, it is unlawful for any person to drive or operate a neighborhood vehicle upon any street, highway, or roadway in this State. If the operation of a neighborhood vehicle is authorized under subsection (d), the neighborhood vehicle may be operated only on streets where the posted speed limit is 35 miles per hour or less. This subsection (b) does not prohibit a neighborhood vehicle from crossing a road or street at an intersection where the road or street has a posted speed limit of more than 35 miles per hour.

(b-5) A person may not operate a neighborhood vehicle upon
any street, highway, or roadway in this State unless he or she has a valid Illinois driver's license issued in his or her name by the Secretary of State.

(c) Except as otherwise provided in subsection (c-5), no person operating a neighborhood vehicle shall make a direct crossing upon or across any highway under the jurisdiction of the State, tollroad, interstate highway, or controlled access highway in this State.

(c-5) A person may make a direct crossing at an intersection controlled by a traffic light or 4-way stop sign upon or across a highway under the jurisdiction of the State if the speed limit on the highway is 35 miles per hour or less at the place of crossing.

(d) A municipality, township, county, or other unit of local government may authorize, by ordinance or resolution, the operation of neighborhood vehicles on roadways under its jurisdiction if the unit of local government determines that the public safety will not be jeopardized. The Department may authorize the operation of neighborhood vehicles on the roadways under its jurisdiction if the Department determines that the public safety will not be jeopardized.

Before permitting the operation of neighborhood vehicles on its roadways, a municipality, township, county, other unit of local government, or the Department must consider the volume, speed, and character of traffic on the roadway and determine whether neighborhood vehicles may safely travel on or
cross the roadway. Upon determining that neighborhood vehicles may safely operate on a roadway and the adoption of an ordinance or resolution by a municipality, township, county, or other unit of local government, or authorization by the Department, appropriate signs shall be posted.

If a roadway is under the jurisdiction of more than one unit of government, neighborhood vehicles may not be operated on the roadway unless each unit of government agrees and takes action as provided in this subsection.

(e) No neighborhood vehicle may be operated on a roadway unless, at a minimum, it has the following: brakes, a steering apparatus, tires, a rearview mirror, red reflectorized warning devices in the front and rear, a slow moving emblem (as required of other vehicles in Section 12-709 of this Code) on the rear of the neighborhood vehicle, a headlight that emits a white light visible from a distance of 500 feet to the front, a tail lamp that emits a red light visible from at least 100 feet from the rear, brake lights, and turn signals. When operated on a roadway, a neighborhood vehicle shall have its headlight and tail lamps lighted as required by Section 12-201 of this Code.

(f) A person who drives or is in actual physical control of a neighborhood vehicle on a roadway while under the influence is subject to Sections 11-500 through 11-502 of this Code.

(b) A person under the age of 19 years who holds an instruction permit issued under Section 6-105 or 6-107.1, or a person under the age of 19 years who holds a graduated license issued under Section 6-107, may not drive a vehicle on a roadway while using a wireless phone.

(c) This Section does not apply to a person under the age of 19 years using a wireless telephone for emergency purposes, including, but not limited to, an emergency call to a law enforcement agency, health care provider, fire department, or other emergency services agency or entity.

(d) If a graduated driver's license holder over the age of 18 committed an offense against traffic regulations governing the movement of vehicles or any violation of Section 6-107 or Section 12-603.1 of this Code in the 6 months prior to the graduated driver's license holder's 18th birthday, and was subsequently convicted of the violation, the provisions of paragraph (b) shall continue to apply until such time as a period of 6 consecutive months has elapsed without an additional violation and subsequent conviction of an offense against traffic regulations governing the movement of vehicles.
or any violation of Section 6-107 or Section 12-603.1 of this Code.

This amount, less 2 1/2% that shall be used to defray administrative costs incurred by the clerk, shall be remitted by the clerk to the Treasurer within 60 days after receipt for deposit into the Trauma Center Fund. This additional fee of $100 shall not be considered a part of the fine for purposes of any reduction in the fine for time served either before or after sentencing. Not later than March 1 of each year the Circuit Clerk shall submit a report of the amount of funds remitted to the State Treasurer under this subsection during the preceding calendar year.

This amount, less 2 1/2% that shall be used to defray administrative costs incurred by the clerk, shall be remitted by the clerk to the Treasurer within 60 days after receipt for deposit into the Trauma Center Fund. This additional fee of $100 shall not be considered a part of the fine for purposes of any reduction in the fine for time served either before or after sentencing. In addition to the fee of $20, the person shall also pay a fee of $5, if not waived by the court. Section 310. The Juvenile Court Act of 1987 is amended by changing Sections 2-10, 2-28, and 5-710 as follows:

(705 ILCS 405/2-10) (from Ch. 37, par. 802-10)
(Text of Section before amendment by P.A. 95-405 and 95-642)

Sec. 2-10. Temporary custody hearing. At the appearance of the minor before the court at the temporary custody hearing, all witnesses present shall be examined before the court in relation to any matter connected with the allegations made in the petition.

(1) If the court finds that there is not probable cause to believe that the minor is abused, neglected or dependent it shall release the minor and dismiss the petition.

(2) If the court finds that there is probable cause to believe that the minor is abused, neglected or dependent, the
court shall state in writing the factual basis supporting its finding and the minor, his or her parent, guardian, custodian and other persons able to give relevant testimony shall be examined before the court. The Department of Children and Family Services shall give testimony concerning indicated reports of abuse and neglect, of which they are aware of through the central registry, involving the minor's parent, guardian or custodian. After such testimony, the court may, consistent with the health, safety and best interests of the minor, enter an order that the minor shall be released upon the request of parent, guardian or custodian if the parent, guardian or custodian appears to take custody. Custodian shall include any agency of the State which has been given custody or wardship of the child. If it is consistent with the health, safety and best interests of the minor, the court may also prescribe shelter care and order that the minor be kept in a suitable place designated by the court or in a shelter care facility designated by the Department of Children and Family Services or a licensed child welfare agency; however, a minor charged with a criminal offense under the Criminal Code of 1961 or adjudicated delinquent shall not be placed in the custody of or committed to the Department of Children and Family Services by any court, except a minor less than 13 years of age and committed to the Department of Children and Family Services under Section 5-710 of this Act or a minor for whom an independent basis of abuse, neglect, or dependency exists,
which must be defined by departmental rule. In placing the minor, the Department or other agency shall, to the extent compatible with the court's order, comply with Section 7 of the Children and Family Services Act. In determining the health, safety and best interests of the minor to prescribe shelter care, the court must find that it is a matter of immediate and urgent necessity for the safety and protection of the minor or of the person or property of another that the minor be placed in a shelter care facility or that he or she is likely to flee the jurisdiction of the court, and must further find that reasonable efforts have been made or that, consistent with the health, safety and best interests of the minor, no efforts reasonably can be made to prevent or eliminate the necessity of removal of the minor from his or her home. The court shall require documentation from the Department of Children and Family Services as to the reasonable efforts that were made to prevent or eliminate the necessity of removal of the minor from his or her home or the reasons why no efforts reasonably could be made to prevent or eliminate the necessity of removal. When a minor is placed in the home of a relative, the Department of Children and Family Services shall complete a preliminary background review of the members of the minor's custodian's household in accordance with Section 4.3 of the Child Care Act of 1969 within 90 days of that placement. If the minor is ordered placed in a shelter care facility of the Department of Children and Family Services or a licensed child welfare
agency, the court shall, upon request of the appropriate Department or other agency, appoint the Department of Children and Family Services Guardianship Administrator or other appropriate agency executive temporary custodian of the minor and the court may enter such other orders related to the temporary custody as it deems fit and proper, including the provision of services to the minor or his family to ameliorate the causes contributing to the finding of probable cause or to the finding of the existence of immediate and urgent necessity.

Where the Department of Children and Family Services Guardianship Administrator is appointed as the executive temporary custodian, the Department of Children and Family Services shall file with the court and serve on the parties a parent-child visiting plan, within 10 days, excluding weekends and holidays, after the appointment. The parent-child visiting plan shall set out the time and place of visits, the frequency of visits, the length of visits, who shall be present at the visits, and where appropriate, the minor's opportunities to have telephone and mail communication with the parents. For good cause, the court may waive the requirement to file the parent-child visiting plan or extend the time for filing the parent-child visiting plan. Any party may, by motion, request the court to review the parent-child visiting plan to determine whether it is reasonably calculated to expeditiously facilitate the achievement of the permanency goal and is consistent with the minor's best interest. The frequency,
duration, and locations of visitation shall be measured by the needs of the child and family, and not by the convenience of Department personnel. Child development principles shall be considered by the court in its analysis of how frequent visitation should be, how long it should last, where it should take place, and who should be present. If upon motion of the party to review the plan and after receiving evidence, the court determines that the parent-child visiting plan is not reasonably calculated to expeditiously facilitate the achievement of the permanency goal or that the restrictions placed on parent-child contact are contrary to the child's best interests, the court shall put in writing the factual basis supporting the determination and enter specific findings based on the evidence. The court shall enter an order for the Department to implement changes to the parent-child visiting plan, consistent with the court's findings. At any stage of proceeding, any party may by motion request the court to enter any orders necessary to implement the parent-child visiting plan. Nothing under this subsection (2) shall restrict the court from granting discretionary authority to the Department to increase opportunities for additional parent-child contacts, without further court orders. Nothing in this subsection (2) shall restrict the Department from immediately restricting or terminating parent-child contact, without either amending the parent-child visiting plan or obtaining a court order, where the Department or its assigns reasonably
believe that continuation of parent-child contact, as set out in the parent-child visiting plan, would be contrary to the child's health, safety, and welfare. The Department shall file with the court and serve on the parties any amendments to the visitation plan within 10 days, excluding weekends and holidays, of the change of the visitation. Any party may, by motion, request the court to review the parent-child visiting plan to determine whether the parent-child visiting plan is reasonably calculated to expeditiously facilitate the achievement of the permanency goal, and is consistent with the minor's health, safety, and best interest.

Acceptance of services shall not be considered an admission of any allegation in a petition made pursuant to this Act, nor may a referral of services be considered as evidence in any proceeding pursuant to this Act, except where the issue is whether the Department has made reasonable efforts to reunite the family. In making its findings that it is consistent with the health, safety and best interests of the minor to prescribe shelter care, the court shall state in writing (i) the factual basis supporting its findings concerning the immediate and urgent necessity for the protection of the minor or of the person or property of another and (ii) the factual basis supporting its findings that reasonable efforts were made to prevent or eliminate the removal of the minor from his or her home or that no efforts reasonably could be made to prevent or eliminate the removal of the minor from his or her home. The
parents, guardian, custodian, temporary custodian and minor shall each be furnished a copy of such written findings. The temporary custodian shall maintain a copy of the court order and written findings in the case record for the child. The order together with the court's findings of fact in support thereof shall be entered of record in the court.

Once the court finds that it is a matter of immediate and urgent necessity for the protection of the minor that the minor be placed in a shelter care facility, the minor shall not be returned to the parent, custodian or guardian until the court finds that such placement is no longer necessary for the protection of the minor.

If the child is placed in the temporary custody of the Department of Children and Family Services for his or her protection, the court shall admonish the parents, guardian, custodian or responsible relative that the parents must cooperate with the Department of Children and Family Services, comply with the terms of the service plans, and correct the conditions which require the child to be in care, or risk termination of their parental rights.

(3) If prior to the shelter care hearing for a minor described in Sections 2-3, 2-4, 3-3 and 4-3 the moving party is unable to serve notice on the party respondent, the shelter care hearing may proceed ex-parte. A shelter care order from an ex-parte hearing shall be endorsed with the date and hour of issuance and shall be filed with the clerk's office and entered
of record. The order shall expire after 10 days from the time it is issued unless before its expiration it is renewed, at a hearing upon appearance of the party respondent, or upon an affidavit of the moving party as to all diligent efforts to notify the party respondent by notice as herein prescribed. The notice prescribed shall be in writing and shall be personally delivered to the minor or the minor's attorney and to the last known address of the other person or persons entitled to notice. The notice shall also state the nature of the allegations, the nature of the order sought by the State, including whether temporary custody is sought, and the consequences of failure to appear and shall contain a notice that the parties will not be entitled to further written notices or publication notices of proceedings in this case, including the filing of an amended petition or a motion to terminate parental rights, except as required by Supreme Court Rule 11; and shall explain the right of the parties and the procedures to vacate or modify a shelter care order as provided in this Section. The notice for a shelter care hearing shall be substantially as follows:

NOTICE TO PARENTS AND CHILDREN
OF SHELTER CARE HEARING

On ................ at ..........., before the Honorable .............., (address:) ................., the State of Illinois will present evidence (1) that (name of child or children) ......................... are abused, neglected
or dependent for the following reasons:

(2) that there is "immediate and urgent necessity" to remove the child or children from the responsible relative.

YOUR FAILURE TO APPEAR AT THE HEARING MAY RESULT IN PLACEMENT of the child or children in foster care until a trial can be held. A trial may not be held for up to 90 days. You will not be entitled to further notices of proceedings in this case, including the filing of an amended petition or a motion to terminate parental rights.

At the shelter care hearing, parents have the following rights:

1. To ask the court to appoint a lawyer if they cannot afford one.

2. To ask the court to continue the hearing to allow them time to prepare.

3. To present evidence concerning:
   a. Whether or not the child or children were abused, neglected or dependent.
   b. Whether or not there is "immediate and urgent necessity" to remove the child from home (including: their ability to care for the child, conditions in the home, alternative means of protecting the child other than removal).
   c. The best interests of the child.

4. To cross examine the State's witnesses.
The Notice for rehearings shall be substantially as follows:

NOTICE OF PARENT'S AND CHILDREN'S RIGHTS
TO REHEARING ON TEMPORARY CUSTODY

If you were not present at and did not have adequate notice of the Shelter Care Hearing at which temporary custody of ............... was awarded to ................., you have the right to request a full rehearing on whether the State should have temporary custody of ................. To request this rehearing, you must file with the Clerk of the Juvenile Court (address): ......................, in person or by mailing a statement (affidavit) setting forth the following:

1. That you were not present at the shelter care hearing.
2. That you did not get adequate notice (explaining how the notice was inadequate).
3. Your signature.
4. Signature must be notarized.

The rehearing should be scheduled within 48 hours of your filing this affidavit.

At the rehearing, your rights are the same as at the initial shelter care hearing. The enclosed notice explains those rights.
At the Shelter Care Hearing, children have the following rights:

1. To have a guardian ad litem appointed.
2. To be declared competent as a witness and to present testimony concerning:
   a. Whether they are abused, neglected or dependent.
   b. Whether there is "immediate and urgent necessity" to be removed from home.
   c. Their best interests.
3. To cross examine witnesses for other parties.
4. To obtain an explanation of any proceedings and orders of the court.

(4) If the parent, guardian, legal custodian, responsible relative, minor age 8 or over, or counsel of the minor did not have actual notice of or was not present at the shelter care hearing, he or she may file an affidavit setting forth these facts, and the clerk shall set the matter for rehearing not later than 48 hours, excluding Sundays and legal holidays, after the filing of the affidavit. At the rehearing, the court shall proceed in the same manner as upon the original hearing.

(5) Only when there is reasonable cause to believe that the minor taken into custody is a person described in subsection (3) of Section 5-105 may the minor be kept or detained in a detention home or county or municipal jail. This Section shall in no way be construed to limit subsection (6).
(6) No minor under 16 years of age may be confined in a jail or place ordinarily used for the confinement of prisoners in a police station. Minors under 17 years of age must be kept separate from confined adults and may not at any time be kept in the same cell, room, or yard with adults confined pursuant to the criminal law.

(7) If the minor is not brought before a judicial officer within the time period as specified in Section 2-9, the minor must immediately be released from custody.

(8) If neither the parent, guardian or custodian appears within 24 hours to take custody of a minor released upon request pursuant to subsection (2) of this Section, then the clerk of the court shall set the matter for rehearing not later than 7 days after the original order and shall issue a summons directed to the parent, guardian or custodian to appear. At the same time the probation department shall prepare a report on the minor. If a parent, guardian or custodian does not appear at such rehearing, the judge may enter an order prescribing that the minor be kept in a suitable place designated by the Department of Children and Family Services or a licensed child welfare agency.

(9) Notwithstanding any other provision of this Section any interested party, including the State, the temporary custodian, an agency providing services to the minor or family under a service plan pursuant to Section 8.2 of the Abused and Neglected Child Reporting Act, foster parent, or any of their
representatives, on notice to all parties entitled to notice, may file a motion that it is in the best interests of the minor to modify or vacate a temporary custody order on any of the following grounds:

(a) It is no longer a matter of immediate and urgent necessity that the minor remain in shelter care; or

(b) There is a material change in the circumstances of the natural family from which the minor was removed and the child can be cared for at home without endangering the child's health or safety; or

(c) A person not a party to the alleged abuse, neglect or dependency, including a parent, relative or legal guardian, is capable of assuming temporary custody of the minor; or

(d) Services provided by the Department of Children and Family Services or a child welfare agency or other service provider have been successful in eliminating the need for temporary custody and the child can be cared for at home without endangering the child's health or safety.

In ruling on the motion, the court shall determine whether it is consistent with the health, safety and best interests of the minor to modify or vacate a temporary custody order.

The clerk shall set the matter for hearing not later than 14 days after such motion is filed. In the event that the court modifies or vacates a temporary custody order but does not vacate its finding of probable cause, the court may order that
appropriate services be continued or initiated in behalf of the minor and his or her family.

(10) When the court finds or has found that there is probable cause to believe a minor is an abused minor as described in subsection (2) of Section 2-3 and that there is an immediate and urgent necessity for the abused minor to be placed in shelter care, immediate and urgent necessity shall be presumed for any other minor residing in the same household as the abused minor provided:

(a) Such other minor is the subject of an abuse or neglect petition pending before the court; and

(b) A party to the petition is seeking shelter care for such other minor.

Once the presumption of immediate and urgent necessity has been raised, the burden of demonstrating the lack of immediate and urgent necessity shall be on any party that is opposing shelter care for the other minor.

(Text of Section after amendment by P.A. 95-405 and 95-642)

Sec. 2-10. Temporary custody hearing. At the appearance of the minor before the court at the temporary custody hearing, all witnesses present shall be examined before the court in relation to any matter connected with the allegations made in the petition.

(1) If the court finds that there is not probable cause to
believe that the minor is abused, neglected or dependent it shall release the minor and dismiss the petition.

(2) If the court finds that there is probable cause to believe that the minor is abused, neglected or dependent, the court shall state in writing the factual basis supporting its finding and the minor, his or her parent, guardian, custodian and other persons able to give relevant testimony shall be examined before the court. The Department of Children and Family Services shall give testimony concerning indicated reports of abuse and neglect, of which they are aware of through the central registry, involving the minor's parent, guardian or custodian. After such testimony, the court may, consistent with the health, safety and best interests of the minor, enter an order that the minor shall be released upon the request of parent, guardian or custodian if the parent, guardian or custodian appears to take custody. If it is determined that a parent's, guardian's, or custodian's compliance with critical services mitigates the necessity for removal of the minor from his or her home, the court may enter an Order of Protection setting forth reasonable conditions of behavior that a parent, guardian, or custodian must observe for a specified period of time, not to exceed 12 months, without a violation; provided, however, that the 12-month period shall begin anew after any violation. Custodian shall include any agency of the State which has been given custody or wardship of the child. If it is consistent with the health, safety and best
interests of the minor, the court may also prescribe shelter care and order that the minor be kept in a suitable place designated by the court or in a shelter care facility designated by the Department of Children and Family Services or a licensed child welfare agency; however, a minor charged with a criminal offense under the Criminal Code of 1961 or adjudicated delinquent shall not be placed in the custody of or committed to the Department of Children and Family Services by any court, except a minor less than 15 years of age and committed to the Department of Children and Family Services under Section 5-710 of this Act or a minor for whom an independent basis of abuse, neglect, or dependency exists. An independent basis exists when the allegations or adjudication of abuse, neglect, or dependency do not arise from the same facts, incident, or circumstances which give rise to a charge or adjudication of delinquency.

In placing the minor, the Department or other agency shall, to the extent compatible with the court's order, comply with Section 7 of the Children and Family Services Act. In determining the health, safety and best interests of the minor to prescribe shelter care, the court must find that it is a matter of immediate and urgent necessity for the safety and protection of the minor or of the person or property of another that the minor be placed in a shelter care facility or that he or she is likely to flee the jurisdiction of the court, and must further find that reasonable efforts have been made or
that, consistent with the health, safety and best interests of
the minor, no efforts reasonably can be made to prevent or
eliminate the necessity of removal of the minor from his or her
home. The court shall require documentation from the Department
of Children and Family Services as to the reasonable efforts
that were made to prevent or eliminate the necessity of removal
of the minor from his or her home or the reasons why no efforts
reasonably could be made to prevent or eliminate the necessity
of removal. When a minor is placed in the home of a relative,
the Department of Children and Family Services shall complete a
preliminary background review of the members of the minor's
custodian's household in accordance with Section 4.3 of the
Child Care Act of 1969 within 90 days of that placement. If the
minor is ordered placed in a shelter care facility of the
Department of Children and Family Services or a licensed child
welfare agency, the court shall, upon request of the
appropriate Department or other agency, appoint the Department
of Children and Family Services Guardianship Administrator or
other appropriate agency executive temporary custodian of the
minor and the court may enter such other orders related to the
temporary custody as it deems fit and proper, including the
provision of services to the minor or his family to ameliorate
the causes contributing to the finding of probable cause or to
the finding of the existence of immediate and urgent necessity.

Where the Department of Children and Family Services
Guardianship Administrator is appointed as the executive
temporary custodian, the Department of Children and Family Services shall file with the court and serve on the parties a parent-child visiting plan, within 10 days, excluding weekends and holidays, after the appointment. The parent-child visiting plan shall set out the time and place of visits, the frequency of visits, the length of visits, who shall be present at the visits, and where appropriate, the minor's opportunities to have telephone and mail communication with the parents. For good cause, the court may waive the requirement to file the parent-child visiting plan or extend the time for filing the parent-child visiting plan. Any party may, by motion, request the court to review the parent-child visiting plan to determine whether it is reasonably calculated to expeditiously facilitate the achievement of the permanency goal and is consistent with the minor's best interest. The frequency, duration, and locations of visitation shall be measured by the needs of the child and family, and not by the convenience of Department personnel. Child development principles shall be considered by the court in its analysis of how frequent visitation should be, how long it should last, where it should take place, and who should be present. If upon motion of the party to review the plan and after receiving evidence, the court determines that the parent-child visiting plan is not reasonably calculated to expeditiously facilitate the achievement of the permanency goal or that the restrictions placed on parent-child contact are contrary to the child's best
interests, the court shall put in writing the factual basis supporting the determination and enter specific findings based on the evidence. The court shall enter an order for the Department to implement changes to the parent-child visiting plan, consistent with the court's findings. At any stage of proceeding, any party may by motion request the court to enter any orders necessary to implement the parent-child visiting plan. Nothing under this subsection (2) shall restrict the court from granting discretionary authority to the Department to increase opportunities for additional parent-child contacts, without further court orders. Nothing in this subsection (2) shall restrict the Department from immediately restricting or terminating parent-child contact, without either amending the parent-child visiting plan or obtaining a court order, where the Department or its assigns reasonably believe that continuation of parent-child contact, as set out in the parent-child visiting plan, would be contrary to the child's health, safety, and welfare. The Department shall file with the court and serve on the parties any amendments to the visitation plan within 10 days, excluding weekends and holidays, of the change of the visitation. Any party may, by motion, request the court to review the parent-child visiting plan to determine whether the parent-child visiting plan is reasonably calculated to expeditiously facilitate the achievement of the permanency goal, and is consistent with the minor's health, safety, and best interest.
Acceptance of services shall not be considered an admission of any allegation in a petition made pursuant to this Act, nor may a referral of services be considered as evidence in any proceeding pursuant to this Act, except where the issue is whether the Department has made reasonable efforts to reunite the family. In making its findings that it is consistent with the health, safety and best interests of the minor to prescribe shelter care, the court shall state in writing (i) the factual basis supporting its findings concerning the immediate and urgent necessity for the protection of the minor or of the person or property of another and (ii) the factual basis supporting its findings that reasonable efforts were made to prevent or eliminate the removal of the minor from his or her home or that no efforts reasonably could be made to prevent or eliminate the removal of the minor from his or her home. The parents, guardian, custodian, temporary custodian and minor shall each be furnished a copy of such written findings. The temporary custodian shall maintain a copy of the court order and written findings in the case record for the child. The order together with the court's findings of fact in support thereof shall be entered of record in the court.

Once the court finds that it is a matter of immediate and urgent necessity for the protection of the minor that the minor be placed in a shelter care facility, the minor shall not be returned to the parent, custodian or guardian until the court finds that such placement is no longer necessary for the
protection of the minor.

If the child is placed in the temporary custody of the Department of Children and Family Services for his or her protection, the court shall admonish the parents, guardian, custodian or responsible relative that the parents must cooperate with the Department of Children and Family Services, comply with the terms of the service plans, and correct the conditions which require the child to be in care, or risk termination of their parental rights.

(3) If prior to the shelter care hearing for a minor described in Sections 2-3, 2-4, 3-3 and 4-3 the moving party is unable to serve notice on the party respondent, the shelter care hearing may proceed ex-parte. A shelter care order from an ex-parte hearing shall be endorsed with the date and hour of issuance and shall be filed with the clerk's office and entered of record. The order shall expire after 10 days from the time it is issued unless before its expiration it is renewed, at a hearing upon appearance of the party respondent, or upon an affidavit of the moving party as to all diligent efforts to notify the party respondent by notice as herein prescribed. The notice prescribed shall be in writing and shall be personally delivered to the minor or the minor's attorney and to the last known address of the other person or persons entitled to notice. The notice shall also state the nature of the allegations, the nature of the order sought by the State, including whether temporary custody is sought, and the
consequences of failure to appear and shall contain a notice that the parties will not be entitled to further written notices or publication notices of proceedings in this case, including the filing of an amended petition or a motion to terminate parental rights, except as required by Supreme Court Rule 11; and shall explain the right of the parties and the procedures to vacate or modify a shelter care order as provided in this Section. The notice for a shelter care hearing shall be substantially as follows:

**NOTICE TO PARENTS AND CHILDREN**

**OF SHELTER CARE HEARING**

On ................ at ........, before the Honorable ................, (address:) ................, the State of Illinois will present evidence (1) that (name of child or children) ....................... are abused, neglected or dependent for the following reasons:

.............................................. and (2) whether there is "immediate and urgent necessity" to remove the child or children from the responsible relative.

**YOUR FAILURE TO APPEAR AT THE HEARING MAY RESULT IN PLACEMENT** of the child or children in foster care until a trial can be held. A trial may not be held for up to 90 days. You will not be entitled to further notices of proceedings in this case, including the filing of an amended petition or a motion to terminate parental rights.

At the shelter care hearing, parents have the following
rights:

1. To ask the court to appoint a lawyer if they cannot afford one.

2. To ask the court to continue the hearing to allow them time to prepare.

3. To present evidence concerning:
   a. Whether or not the child or children were abused, neglected or dependent.
   b. Whether or not there is "immediate and urgent necessity" to remove the child from home (including: their ability to care for the child, conditions in the home, alternative means of protecting the child other than removal).
   c. The best interests of the child.

4. To cross examine the State's witnesses.

The Notice for rehearings shall be substantially as follows:

NOTICE OF PARENT'S AND CHILDREN'S RIGHTS
TO REHEARING ON TEMPORARY CUSTODY

If you were not present at and did not have adequate notice of the Shelter Care Hearing at which temporary custody of ............... was awarded to ............... , you have the right to request a full rehearing on whether the State should have temporary custody of ................. To request this rehearing,
you must file with the Clerk of the Juvenile Court (address): ......................, in person or by mailing a statement (affidavit) setting forth the following:

1. That you were not present at the shelter care hearing.

2. That you did not get adequate notice (explaining how the notice was inadequate).

3. Your signature.

4. Signature must be notarized.

The rehearing should be scheduled within 48 hours of your filing this affidavit.

At the rehearing, your rights are the same as at the initial shelter care hearing. The enclosed notice explains those rights.

At the Shelter Care Hearing, children have the following rights:

1. To have a guardian ad litem appointed.

2. To be declared competent as a witness and to present testimony concerning:

   a. Whether they are abused, neglected or dependent.

   b. Whether there is "immediate and urgent necessity" to be removed from home.

   c. Their best interests.

3. To cross examine witnesses for other parties.
4. To obtain an explanation of any proceedings and orders of the court.

(4) If the parent, guardian, legal custodian, responsible relative, minor age 8 or over, or counsel of the minor did not have actual notice of or was not present at the shelter care hearing, he or she may file an affidavit setting forth these facts, and the clerk shall set the matter for rehearing not later than 48 hours, excluding Sundays and legal holidays, after the filing of the affidavit. At the rehearing, the court shall proceed in the same manner as upon the original hearing.

(5) Only when there is reasonable cause to believe that the minor taken into custody is a person described in subsection (3) of Section 5-105 may the minor be kept or detained in a detention home or county or municipal jail. This Section shall in no way be construed to limit subsection (6).

(6) No minor under 16 years of age may be confined in a jail or place ordinarily used for the confinement of prisoners in a police station. Minors under 17 years of age must be kept separate from confined adults and may not at any time be kept in the same cell, room, or yard with adults confined pursuant to the criminal law.

(7) If the minor is not brought before a judicial officer within the time period as specified in Section 2-9, the minor must immediately be released from custody.

(8) If neither the parent, guardian or custodian appears within 24 hours to take custody of a minor released upon
request pursuant to subsection (2) of this Section, then the clerk of the court shall set the matter for rehearing not later than 7 days after the original order and shall issue a summons directed to the parent, guardian or custodian to appear. At the same time the probation department shall prepare a report on the minor. If a parent, guardian or custodian does not appear at such rehearing, the judge may enter an order prescribing that the minor be kept in a suitable place designated by the Department of Children and Family Services or a licensed child welfare agency.

(9) Notwithstanding any other provision of this Section any interested party, including the State, the temporary custodian, an agency providing services to the minor or family under a service plan pursuant to Section 8.2 of the Abused and Neglected Child Reporting Act, foster parent, or any of their representatives, on notice to all parties entitled to notice, may file a motion that it is in the best interests of the minor to modify or vacate a temporary custody order on any of the following grounds:

(a) It is no longer a matter of immediate and urgent necessity that the minor remain in shelter care; or

(b) There is a material change in the circumstances of the natural family from which the minor was removed and the child can be cared for at home without endangering the child's health or safety; or

(c) A person not a party to the alleged abuse, neglect
or dependency, including a parent, relative or legal guardian, is capable of assuming temporary custody of the minor; or

(d) Services provided by the Department of Children and Family Services or a child welfare agency or other service provider have been successful in eliminating the need for temporary custody and the child can be cared for at home without endangering the child's health or safety.

In ruling on the motion, the court shall determine whether it is consistent with the health, safety and best interests of the minor to modify or vacate a temporary custody order.

The clerk shall set the matter for hearing not later than 14 days after such motion is filed. In the event that the court modifies or vacates a temporary custody order but does not vacate its finding of probable cause, the court may order that appropriate services be continued or initiated in behalf of the minor and his or her family.

(10) When the court finds or has found that there is probable cause to believe a minor is an abused minor as described in subsection (2) of Section 2-3 and that there is an immediate and urgent necessity for the abused minor to be placed in shelter care, immediate and urgent necessity shall be presumed for any other minor residing in the same household as the abused minor provided:

(a) Such other minor is the subject of an abuse or neglect petition pending before the court; and
(b) A party to the petition is seeking shelter care for such other minor.

Once the presumption of immediate and urgent necessity has been raised, the burden of demonstrating the lack of immediate and urgent necessity shall be on any party that is opposing shelter care for the other minor.

(705 ILCS 405/2-28) (from Ch. 37, par. 802-28)
Sec. 2-28. Court review.

(1) The court may require any legal custodian or guardian of the person appointed under this Act to report periodically to the court or may cite him into court and require him or his agency, to make a full and accurate report of his or its doings in behalf of the minor. The custodian or guardian, within 10 days after such citation, shall make the report, either in writing verified by affidavit or orally under oath in open court, or otherwise as the court directs. Upon the hearing of the report the court may remove the custodian or guardian and appoint another in his stead or restore the minor to the custody of his parents or former guardian or custodian. However, custody of the minor shall not be restored to any parent, guardian or legal custodian in any case in which the minor is found to be neglected or abused under Section 2-3 or dependent under Section 2-4 of this Act, unless the minor can
be cared for at home without endangering the minor's health or safety and it is in the best interests of the minor, and if such neglect, abuse, or dependency is found by the court under paragraph (1) of Section 2-21 of this Act to have come about due to the acts or omissions or both of such parent, guardian or legal custodian, until such time as an investigation is made as provided in paragraph (5) and a hearing is held on the issue of the fitness of such parent, guardian or legal custodian to care for the minor and the court enters an order that such parent, guardian or legal custodian is fit to care for the minor.

(2) The first permanency hearing shall be conducted by the judge. Subsequent permanency hearings may be heard by a judge or by hearing officers appointed or approved by the court in the manner set forth in Section 2-28.1 of this Act. The initial hearing shall be held (a) within 12 months from the date temporary custody was taken, (b) if the parental rights of both parents have been terminated in accordance with the procedure described in subsection (5) of Section 2-21, within 30 days of the order for termination of parental rights and appointment of a guardian with power to consent to adoption, or (c) in accordance with subsection (2) of Section 2-13.1. Subsequent permanency hearings shall be held every 6 months or more frequently if necessary in the court's determination following the initial permanency hearing, in accordance with the standards set forth in this Section, until the court determines
that the plan and goal have been achieved. Once the plan and goal have been achieved, if the minor remains in substitute care, the case shall be reviewed at least every 6 months thereafter, subject to the provisions of this Section, unless the minor is placed in the guardianship of a suitable relative or other person and the court determines that further monitoring by the court does not further the health, safety or best interest of the child and that this is a stable permanent placement. The permanency hearings must occur within the time frames set forth in this subsection and may not be delayed in anticipation of a report from any source or due to the agency's failure to timely file its written report (this written report means the one required under the next paragraph and does not mean the service plan also referred to in that paragraph).

The public agency that is the custodian or guardian of the minor, or another agency responsible for the minor's care, shall ensure that all parties to the permanency hearings are provided a copy of the most recent service plan prepared within the prior 6 months at least 14 days in advance of the hearing. If not contained in the plan, the agency shall also include a report setting forth (i) any special physical, psychological, educational, medical, emotional, or other needs of the minor or his or her family that are relevant to a permanency or placement determination and (ii) for any minor age 16 or over, a written description of the programs and services that will enable the minor to prepare for independent living. The
agency's written report must detail what progress or lack of progress the parent has made in correcting the conditions requiring the child to be in care; whether the child can be returned home without jeopardizing the child's health, safety, and welfare, and if not, what permanency goal is recommended to be in the best interests of the child, and why the other permanency goals are not appropriate. The caseworker must appear and testify at the permanency hearing. If a permanency hearing has not previously been scheduled by the court, the moving party shall move for the setting of a permanency hearing and the entry of an order within the time frames set forth in this subsection.

At the permanency hearing, the court shall determine the future status of the child. The court shall set one of the following permanency goals:

(A) The minor will be returned home by a specific date within 5 months.

(B) The minor will be in short-term care with a continued goal to return home within a period not to exceed one year, where the progress of the parent or parents is substantial giving particular consideration to the age and individual needs of the minor.

(B-1) The minor will be in short-term care with a continued goal to return home pending a status hearing. When the court finds that a parent has not made reasonable efforts or reasonable progress to date, the court shall
identify what actions the parent and the Department must take in order to justify a finding of reasonable efforts or reasonable progress and shall set a status hearing to be held not earlier than 9 months from the date of adjudication nor later than 11 months from the date of adjudication during which the parent's progress will again be reviewed.

(C) The minor will be in substitute care pending court determination on termination of parental rights.

(D) Adoption, provided that parental rights have been terminated or relinquished.

(E) The guardianship of the minor will be transferred to an individual or couple on a permanent basis provided that goals (A) through (D) have been ruled out.

(F) The minor over age 15 will be in substitute care pending independence.

(G) The minor will be in substitute care because he or she cannot be provided for in a home environment due to developmental disabilities or mental illness or because he or she is a danger to self or others, provided that goals (A) through (D) have been ruled out.

In selecting any permanency goal, the court shall indicate in writing the reasons the goal was selected and why the preceding goals were ruled out. Where the court has selected a permanency goal other than (A), (B), or (B-1), the Department of Children and Family Services shall not provide further
reunification services, but shall provide services consistent with the goal selected.

The court shall set a permanency goal that is in the best interest of the child. In determining that goal, the court shall consult with the minor in an age-appropriate manner regarding the proposed permanency or transition plan for the minor. The court's determination shall include the following factors:

1. Age of the child.
2. Options available for permanence, including both out-of-State and in-State placement options.
3. Current placement of the child and the intent of the family regarding adoption.
4. Emotional, physical, and mental status or condition of the child.
5. Types of services previously offered and whether or not the services were successful and, if not successful, the reasons the services failed.
6. Availability of services currently needed and whether the services exist.
7. Status of siblings of the minor.

The court shall consider (i) the permanency goal contained in the service plan, (ii) the appropriateness of the services contained in the plan and whether those services have been provided, (iii) whether reasonable efforts have been made by all the parties to the service plan to achieve the goal, and
(iv) whether the plan and goal have been achieved. All evidence relevant to determining these questions, including oral and written reports, may be admitted and may be relied on to the extent of their probative value.

If the goal has been achieved, the court shall enter orders that are necessary to conform the minor's legal custody and status to those findings.

If, after receiving evidence, the court determines that the services contained in the plan are not reasonably calculated to facilitate achievement of the permanency goal, the court shall put in writing the factual basis supporting the determination and enter specific findings based on the evidence. The court also shall enter an order for the Department to develop and implement a new service plan or to implement changes to the current service plan consistent with the court's findings. The new service plan shall be filed with the court and served on all parties within 45 days of the date of the order. The court shall continue the matter until the new service plan is filed. Unless otherwise specifically authorized by law, the court is not empowered under this subsection (2) or under subsection (3) to order specific placements, specific services, or specific service providers to be included in the plan.

A guardian or custodian appointed by the court pursuant to this Act shall file updated case plans with the court every 6 months.

Rights of wards of the court under this Act are enforceable
against any public agency by complaints for relief by mandamus filed in any proceedings brought under this Act.

(3) Following the permanency hearing, the court shall enter a written order that includes the determinations required under subsection (2) of this Section and sets forth the following:

(a) The future status of the minor, including the permanency goal, and any order necessary to conform the minor's legal custody and status to such determination; or

(b) If the permanency goal of the minor cannot be achieved immediately, the specific reasons for continuing the minor in the care of the Department of Children and Family Services or other agency for short term placement, and the following determinations:

   (i) (Blank).

   (ii) Whether the services required by the court and by any service plan prepared within the prior 6 months have been provided and (A) if so, whether the services were reasonably calculated to facilitate the achievement of the permanency goal or (B) if not provided, why the services were not provided.

   (iii) Whether the minor's placement is necessary, and appropriate to the plan and goal, recognizing the right of minors to the least restrictive (most family-like) setting available and in close proximity to the parents' home consistent with the health, safety, best interest and special needs of the minor.
and, if the minor is placed out-of-State, whether the out-of-State placement continues to be appropriate and consistent with the health, safety, and best interest of the minor.

(iv) (Blank).

(v) (Blank).

(4) The minor or any person interested in the minor may apply to the court for a change in custody of the minor and the appointment of a new custodian or guardian of the person or for the restoration of the minor to the custody of his parents or former guardian or custodian.

When return home is not selected as the permanency goal:

(a) The Department, the minor, or the current foster parent or relative caregiver seeking private guardianship may file a motion for private guardianship of the minor. Appointment of a guardian under this Section requires approval of the court.

(b) The State's Attorney may file a motion to terminate parental rights of any parent who has failed to make reasonable efforts to correct the conditions which led to the removal of the child or reasonable progress toward the return of the child, as defined in subdivision (D)(m) of Section 1 of the Adoption Act or for whom any other unfitness ground for terminating parental rights as defined in subdivision (D) of Section 1 of the Adoption Act exists.
Custody of the minor shall not be restored to any parent, guardian or legal custodian in any case in which the minor is found to be neglected or abused under Section 2-3 or dependent under Section 2-4 of this Act, unless the minor can be cared for at home without endangering his or her health or safety and it is in the best interest of the minor, and if such neglect, abuse, or dependency is found by the court under paragraph (1) of Section 2-21 of this Act to have come about due to the acts or omissions or both of such parent, guardian or legal custodian, until such time as an investigation is made as provided in paragraph (5) and a hearing is held on the issue of the health, safety and best interest of the minor and the fitness of such parent, guardian or legal custodian to care for the minor and the court enters an order that such parent, guardian or legal custodian is fit to care for the minor. In the event that the minor has attained 18 years of age and the guardian or custodian petitions the court for an order terminating his guardianship or custody, guardianship or custody shall terminate automatically 30 days after the receipt of the petition unless the court orders otherwise. No legal custodian or guardian of the person may be removed without his consent until given notice and an opportunity to be heard by the court.

When the court orders a child restored to the custody of the parent or parents, the court shall order the parent or parents to cooperate with the Department of Children and Family
Services and comply with the terms of an after-care plan, or risk the loss of custody of the child and possible termination of their parental rights. The court may also enter an order of protective supervision in accordance with Section 2-24.

(5) Whenever a parent, guardian, or legal custodian files a motion for restoration of custody of the minor, and the minor was adjudicated neglected, abused, or dependent as a result of physical abuse, the court shall cause to be made an investigation as to whether the movant has ever been charged with or convicted of any criminal offense which would indicate the likelihood of any further physical abuse to the minor. Evidence of such criminal convictions shall be taken into account in determining whether the minor can be cared for at home without endangering his or her health or safety and fitness of the parent, guardian, or legal custodian.

(a) Any agency of this State or any subdivision thereof shall co-operate with the agent of the court in providing any information sought in the investigation.

(b) The information derived from the investigation and any conclusions or recommendations derived from the information shall be provided to the parent, guardian, or legal custodian seeking restoration of custody prior to the hearing on fitness and the movant shall have an opportunity at the hearing to refute the information or contest its significance.

(c) All information obtained from any investigation
shall be confidential as provided in Section 5-150 of this Act.

(705 ILCS 405/5-710)
(Text of Section before amendment by P.A. 95-337 and 95-642)

Sec. 5-710. Kinds of sentencing orders.
(1) The following kinds of sentencing orders may be made in respect of wards of the court:

(a) Except as provided in Sections 5-805, 5-810, 5-815, a minor who is found guilty under Section 5-620 may be:

(i) put on probation or conditional discharge and released to his or her parents, guardian or legal custodian, provided, however, that any such minor who is not committed to the Department of Juvenile Justice under this subsection and who is found to be a delinquent for an offense which is first degree murder, a Class X felony, or a forcible felony shall be placed on probation;

(ii) placed in accordance with Section 5-740, with or without also being put on probation or conditional discharge;

(iii) required to undergo a substance abuse assessment conducted by a licensed provider and
participate in the indicated clinical level of care;

(iv) placed in the guardianship of the Department of Children and Family Services, but only if the delinquent minor is under 13 years of age;

(v) placed in detention for a period not to exceed 30 days, either as the exclusive order of disposition or, where appropriate, in conjunction with any other order of disposition issued under this paragraph, provided that any such detention shall be in a juvenile detention home and the minor so detained shall be 10 years of age or older. However, the 30-day limitation may be extended by further order of the court for a minor under age 13 committed to the Department of Children and Family Services if the court finds that the minor is a danger to himself or others. The minor shall be given credit on the sentencing order of detention for time spent in detention under Sections 5-501, 5-601, 5-710, or 5-720 of this Article as a result of the offense for which the sentencing order was imposed. The court may grant credit on a sentencing order of detention entered under a violation of probation or violation of conditional discharge under Section 5-720 of this Article for time spent in detention before the filing of the petition alleging the violation. A minor shall not be deprived of credit for time spent in detention before the filing of a
violation of probation or conditional discharge alleging the same or related act or acts;

(vi) ordered partially or completely emancipated in accordance with the provisions of the Emancipation of Minors Act;

(vii) subject to having his or her driver's license or driving privileges suspended for such time as determined by the court but only until he or she attains 18 years of age;

(viii) put on probation or conditional discharge and placed in detention under Section 3-6039 of the Counties Code for a period not to exceed the period of incarceration permitted by law for adults found guilty of the same offense or offenses for which the minor was adjudicated delinquent, and in any event no longer than upon attainment of age 21; this subdivision (viii) notwithstanding any contrary provision of the law; or

(ix) ordered to undergo a medical or other procedure to have a tattoo symbolizing allegiance to a street gang removed from his or her body.

(b) A minor found to be guilty may be committed to the Department of Juvenile Justice under Section 5-750 if the minor is 13 years of age or older, provided that the commitment to the Department of Juvenile Justice shall be made only if a term of incarceration is permitted by law for adults found guilty of the offense for which the minor
was adjudicated delinquent. The time during which a minor is in custody before being released upon the request of a parent, guardian or legal custodian shall be considered as time spent in detention.

(c) When a minor is found to be guilty for an offense which is a violation of the Illinois Controlled Substances Act, the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act and made a ward of the court, the court may enter a disposition order requiring the minor to undergo assessment, counseling or treatment in a substance abuse program approved by the Department of Human Services.

(2) Any sentencing order other than commitment to the Department of Juvenile Justice may provide for protective supervision under Section 5-725 and may include an order of protection under Section 5-730.

(3) Unless the sentencing order expressly so provides, it does not operate to close proceedings on the pending petition, but is subject to modification until final closing and discharge of the proceedings under Section 5-750.

(4) In addition to any other sentence, the court may order any minor found to be delinquent to make restitution, in monetary or non-monetary form, under the terms and conditions of Section 5-5-6 of the Unified Code of Corrections, except that the "presentencing hearing" referred to in that Section shall be the sentencing hearing for purposes of this Section.
The parent, guardian or legal custodian of the minor may be ordered by the court to pay some or all of the restitution on the minor's behalf, pursuant to the Parental Responsibility Law. The State's Attorney is authorized to act on behalf of any victim in seeking restitution in proceedings under this Section, up to the maximum amount allowed in Section 5 of the Parental Responsibility Law.

(5) Any sentencing order where the minor is committed or placed in accordance with Section 5-740 shall provide for the parents or guardian of the estate of the minor to pay to the legal custodian or guardian of the person of the minor such sums as are determined by the custodian or guardian of the person of the minor as necessary for the minor's needs. The payments may not exceed the maximum amounts provided for by Section 9.1 of the Children and Family Services Act.

(6) Whenever the sentencing order requires the minor to attend school or participate in a program of training, the truant officer or designated school official shall regularly report to the court if the minor is a chronic or habitual truant under Section 26-2a of the School Code.

(7) In no event shall a guilty minor be committed to the Department of Juvenile Justice for a period of time in excess of that period for which an adult could be committed for the same act.

(8) A minor found to be guilty for reasons that include a violation of Section 21-1.3 of the Criminal Code of 1961 shall
be ordered to perform community service for not less than 30 and not more than 120 hours, if community service is available in the jurisdiction. The community service shall include, but need not be limited to, the cleanup and repair of the damage that was caused by the violation or similar damage to property located in the municipality or county in which the violation occurred. The order may be in addition to any other order authorized by this Section.

(8.5) A minor found to be guilty for reasons that include a violation of Section 3.02 or Section 3.03 of the Humane Care for Animals Act or paragraph (d) of subsection (1) of Section 21-1 of the Criminal Code of 1961 shall be ordered to undergo medical or psychiatric treatment rendered by a psychiatrist or psychological treatment rendered by a clinical psychologist. The order may be in addition to any other order authorized by this Section.

(9) In addition to any other sentencing order, the court shall order any minor found to be guilty for an act which would constitute, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, aggravated criminal sexual abuse, or criminal sexual abuse if committed by an adult to undergo medical testing to determine whether the defendant has any sexually transmissible disease including a test for infection with human immunodeficiency virus (HIV) or any other identified causative agency of acquired immunodeficiency syndrome (AIDS). Any medical test
shall be performed only by appropriately licensed medical practitioners and may include an analysis of any bodily fluids as well as an examination of the minor's person. Except as otherwise provided by law, the results of the test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the sentencing order was entered for the judge's inspection in camera. Acting in accordance with the best interests of the victim and the public, the judge shall have the discretion to determine to whom the results of the testing may be revealed. The court shall notify the minor of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall also notify the victim if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's parents or legal guardian, the court shall notify the victim's parents or the legal guardian, of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at the Department of Public Health facilities to all parties to whom the results of the testing are revealed. The court shall order that the cost of any test shall be paid by the county and may be taxed as costs against the minor.

(10) When a court finds a minor to be guilty the court shall, before entering a sentencing order under this Section,
make a finding whether the offense committed either: (a) was related to or in furtherance of the criminal activities of an organized gang or was motivated by the minor's membership in or allegiance to an organized gang, or (b) involved a violation of subsection (a) of Section 12-7.1 of the Criminal Code of 1961, a violation of any Section of Article 24 of the Criminal Code of 1961, or a violation of any statute that involved the wrongful use of a firearm. If the court determines the question in the affirmative, and the court does not commit the minor to the Department of Juvenile Justice, the court shall order the minor to perform community service for not less than 30 hours nor more than 120 hours, provided that community service is available in the jurisdiction and is funded and approved by the county board of the county where the offense was committed. The community service shall include, but need not be limited to, the cleanup and repair of any damage caused by a violation of Section 21-1.3 of the Criminal Code of 1961 and similar damage to property located in the municipality or county in which the violation occurred. When possible and reasonable, the community service shall be performed in the minor's neighborhood. This order shall be in addition to any other order authorized by this Section except for an order to place the minor in the custody of the Department of Juvenile Justice. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.
Sec. 5-710. Kinds of sentencing orders.

(1) The following kinds of sentencing orders may be made in respect of wards of the court:

(a) Except as provided in Sections 5-805, 5-810, 5-815, a minor who is found guilty under Section 5-620 may be:

   (i) put on probation or conditional discharge and released to his or her parents, guardian or legal custodian, provided, however, that any such minor who is not committed to the Department of Juvenile Justice under this subsection and who is found to be a delinquent for an offense which is first degree murder, a Class X felony, or a forcible felony shall be placed on probation;

   (ii) placed in accordance with Section 5-740, with or without also being put on probation or conditional discharge;

   (iii) required to undergo a substance abuse assessment conducted by a licensed provider and participate in the indicated clinical level of care;

   (iv) placed in the guardianship of the Department of Children and Family Services, but only if the delinquent minor is under 15 years of age or, pursuant to Article II of this Act, a minor for whom an
independent basis of abuse, neglect, or dependency exists. An independent basis exists when the allegations or adjudication of abuse, neglect, or dependency do not arise from the same facts, incident, or circumstances which give rise to a charge or adjudication of delinquency;

(v) placed in detention for a period not to exceed 30 days, either as the exclusive order of disposition or, where appropriate, in conjunction with any other order of disposition issued under this paragraph, provided that any such detention shall be in a juvenile detention home and the minor so detained shall be 10 years of age or older. However, the 30-day limitation may be extended by further order of the court for a minor under age 15 committed to the Department of Children and Family Services if the court finds that the minor is a danger to himself or others. The minor shall be given credit on the sentencing order of detention for time spent in detention under Sections 5-501, 5-601, 5-710, or 5-720 of this Article as a result of the offense for which the sentencing order was imposed. The court may grant credit on a sentencing order of detention entered under a violation of probation or violation of conditional discharge under Section 5-720 of this Article for time spent in detention before the filing of the petition alleging
the violation. A minor shall not be deprived of credit for time spent in detention before the filing of a violation of probation or conditional discharge alleging the same or related act or acts;

(vi) ordered partially or completely emancipated in accordance with the provisions of the Emancipation of Minors Act;

(vii) subject to having his or her driver's license or driving privileges suspended for such time as determined by the court but only until he or she attains 18 years of age;

(viii) put on probation or conditional discharge and placed in detention under Section 3-6039 of the Counties Code for a period not to exceed the period of incarceration permitted by law for adults found guilty of the same offense or offenses for which the minor was adjudicated delinquent, and in any event no longer than upon attainment of age 21; this subdivision (viii) notwithstanding any contrary provision of the law; or

(ix) ordered to undergo a medical or other procedure to have a tattoo symbolizing allegiance to a street gang removed from his or her body.

(b) A minor found to be guilty may be committed to the Department of Juvenile Justice under Section 5-750 if the minor is 13 years of age or older, provided that the commitment to the Department of Juvenile Justice shall be
made only if a term of incarceration is permitted by law for adults found guilty of the offense for which the minor was adjudicated delinquent. The time during which a minor is in custody before being released upon the request of a parent, guardian or legal custodian shall be considered as time spent in detention.

(c) When a minor is found to be guilty for an offense which is a violation of the Illinois Controlled Substances Act, the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act and made a ward of the court, the court may enter a disposition order requiring the minor to undergo assessment, counseling or treatment in a substance abuse program approved by the Department of Human Services.

(2) Any sentencing order other than commitment to the Department of Juvenile Justice may provide for protective supervision under Section 5-725 and may include an order of protection under Section 5-730.

(3) Unless the sentencing order expressly so provides, it does not operate to close proceedings on the pending petition, but is subject to modification until final closing and discharge of the proceedings under Section 5-750.

(4) In addition to any other sentence, the court may order any minor found to be delinquent to make restitution, in monetary or non-monetary form, under the terms and conditions of Section 5-5-6 of the Unified Code of Corrections, except
that the "presentencing hearing" referred to in that Section shall be the sentencing hearing for purposes of this Section. The parent, guardian or legal custodian of the minor may be ordered by the court to pay some or all of the restitution on the minor's behalf, pursuant to the Parental Responsibility Law. The State's Attorney is authorized to act on behalf of any victim in seeking restitution in proceedings under this Section, up to the maximum amount allowed in Section 5 of the Parental Responsibility Law.

(5) Any sentencing order where the minor is committed or placed in accordance with Section 5-740 shall provide for the parents or guardian of the estate of the minor to pay to the legal custodian or guardian of the person of the minor such sums as are determined by the custodian or guardian of the person of the minor as necessary for the minor's needs. The payments may not exceed the maximum amounts provided for by Section 9.1 of the Children and Family Services Act.

(6) Whenever the sentencing order requires the minor to attend school or participate in a program of training, the truant officer or designated school official shall regularly report to the court if the minor is a chronic or habitual truant under Section 26-2a of the School Code.

(7) In no event shall a guilty minor be committed to the Department of Juvenile Justice for a period of time in excess of that period for which an adult could be committed for the same act.
(8) A minor found to be guilty for reasons that include a violation of Section 21-1.3 of the Criminal Code of 1961 shall be ordered to perform community service for not less than 30 and not more than 120 hours, if community service is available in the jurisdiction. The community service shall include, but need not be limited to, the cleanup and repair of the damage that was caused by the violation or similar damage to property located in the municipality or county in which the violation occurred. The order may be in addition to any other order authorized by this Section.

(8.5) A minor found to be guilty for reasons that include a violation of Section 3.02 or Section 3.03 of the Humane Care for Animals Act or paragraph (d) of subsection (1) of Section 21-1 of the Criminal Code of 1961 shall be ordered to undergo medical or psychiatric treatment rendered by a psychiatrist or psychological treatment rendered by a clinical psychologist. The order may be in addition to any other order authorized by this Section.

(9) In addition to any other sentencing order, the court shall order any minor found to be guilty for an act which would constitute, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, aggravated criminal sexual abuse, or criminal sexual abuse if committed by an adult to undergo medical testing to determine whether the defendant has any sexually transmissible disease including a test for infection with human immunodeficiency
virus (HIV) or any other identified causative agency of acquired immunodeficiency syndrome (AIDS). Any medical test shall be performed only by appropriately licensed medical practitioners and may include an analysis of any bodily fluids as well as an examination of the minor's person. Except as otherwise provided by law, the results of the test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the sentencing order was entered for the judge's inspection in camera. Acting in accordance with the best interests of the victim and the public, the judge shall have the discretion to determine to whom the results of the testing may be revealed. The court shall notify the minor of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall also notify the victim if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's parents or legal guardian, the court shall notify the victim's parents or the legal guardian, of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at the Department of Public Health facilities to all parties to whom the results of the testing are revealed. The court shall order that the cost of any test shall be paid by the county and may be taxed as costs against the minor.
When a court finds a minor to be guilty the court shall, before entering a sentencing order under this Section, make a finding whether the offense committed either: (a) was related to or in furtherance of the criminal activities of an organized gang or was motivated by the minor's membership in or allegiance to an organized gang, or (b) involved a violation of subsection (a) of Section 12-7.1 of the Criminal Code of 1961, a violation of any Section of Article 24 of the Criminal Code of 1961, or a violation of any statute that involved the wrongful use of a firearm. If the court determines the question in the affirmative, and the court does not commit the minor to the Department of Juvenile Justice, the court shall order the minor to perform community service for not less than 30 hours nor more than 120 hours, provided that community service is available in the jurisdiction and is funded and approved by the county board of the county where the offense was committed. The community service shall include, but need not be limited to, the cleanup and repair of any damage caused by a violation of Section 21-1.3 of the Criminal Code of 1961 and similar damage to property located in the municipality or county in which the violation occurred. When possible and reasonable, the community service shall be performed in the minor's neighborhood. This order shall be in addition to any other order authorized by this Section except for an order to place the minor in the custody of the Department of Juvenile Justice. For the purposes of this Section, "organized gang" has the
meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(11) If the court determines that the offense was committed in furtherance of the criminal activities of an organized gang, as provided in subsection (10), and that the offense involved the operation or use of a motor vehicle or the use of a driver's license or permit, the court shall notify the Secretary of State of that determination and of the period for which the minor shall be denied driving privileges. If, at the time of the determination, the minor does not hold a driver's license or permit, the court shall provide that the minor shall not be issued a driver's license or permit until his or her 18th birthday. If the minor holds a driver's license or permit at the time of the determination, the court shall provide that the minor's driver's license or permit shall be revoked until his or her 21st birthday, or until a later date or occurrence determined by the court. If the minor holds a driver's license at the time of the determination, the court may direct the Secretary of State to issue the minor a judicial driving permit, also known as a JDP. The JDP shall be subject to the same terms as a JDP issued under Section 6-206.1 of the Illinois Vehicle Code, except that the court may direct that the JDP be effective immediately.

In the case of a public school, if permission is granted, the superintendent or school board president must inform the principal of the school where the sex offender will be present. Notification includes the nature of the sex offender's visit and the hours in which the sex offender will be present in the school. The sex offender is

(2.4) The rules and regulations on early release shall provide with respect to the offenses of aggravated battery with a machine gun or a firearm equipped with any device or attachment designed or used for silencing the report of a firearm or aggravated discharge of a machine gun or a firearm equipped with any device or attachment designed or used for silencing the report of a firearm, committed on or
after July 15, 1999 (the effective date of Public Act 91-121), that a prisoner serving a sentence for any of these offenses shall receive no more than 4.5 days of good conduct credit for each month of his or her sentence of imprisonment.

(2.5) The rules and regulations on early release shall provide that a prisoner who is serving a sentence for aggravated arson committed on or after July 27, 2001 (the effective date of Public Act 92-176) shall receive no more than 4.5 days of good conduct credit for each month of his or her sentence of imprisonment.

(3) The rules and regulations shall also provide that the Director may award up to 180 days additional good conduct credit for meritorious service in specific instances as the Director deems proper; except that no more than 90 days of good conduct credit for meritorious service shall be awarded to any prisoner who is serving a sentence for conviction of first degree murder, reckless homicide while under the influence of alcohol or any other drug, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, aggravated kidnapping, kidnapping, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, deviate
sexual assault, aggravated criminal sexual abuse, aggravated indecent liberties with a child, indecent liberties with a child, child pornography, heinous battery, aggravated battery of a spouse, aggravated battery of a spouse with a firearm, stalking, aggravated stalking, aggravated battery of a child, endangering the life or health of a child, or cruelty to a child. Notwithstanding the foregoing, good conduct credit for meritorious service shall not be awarded on a sentence of imprisonment imposed for conviction of: (i) one of the offenses enumerated in subdivision (a)(2)(i), (ii), or (iii) when the offense is committed on or after June 19, 1998 or subdivision (a)(2)(iv) when the offense is committed on or after June 23, 2005 (the effective date of Public Act 94-71) or subdivision (a)(2)(v) when the offense is committed on or after August 13, 2007 (the effective date of Public Act 95-134) the effective date of this amendatory Act of the 95th General Assembly, (ii) reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 when the offense is committed on or after January 1, 1999, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, (iii) one of the offenses enumerated in subdivision (a)(2.4) when
the offense is committed on or after July 15, 1999 (the effective date of Public Act 91-121), or (iv) aggravated arson when the offense is committed on or after July 27, 2001 (the effective date of Public Act 92-176).

(4) The rules and regulations shall also provide that the good conduct credit accumulated and retained under paragraph (2.1) of subsection (a) of this Section by any inmate during specific periods of time in which such inmate is engaged full-time in substance abuse programs, correctional industry assignments, or educational programs provided by the Department under this paragraph (4) and satisfactorily completes the assigned program as determined by the standards of the Department, shall be multiplied by a factor of 1.25 for program participation before August 11, 1993 and 1.50 for program participation on or after that date. However, no inmate shall be eligible for the additional good conduct credit under this paragraph (4) or (4.1) of this subsection (a) while assigned to a boot camp or electronic detention, or if convicted of an offense enumerated in subdivision (a)(2)(i), (ii), or (iii) of this Section that is committed on or after June 19, 1998 or subdivision (a)(2)(iv) of this Section that is committed on or after June 23, 2005 (the effective date of Public Act 94-71) or subdivision (a)(2)(v) of this Section that is committed on or after August 13, 2007 (the effective date of Public Act 95-134) this amendatory Act of
the 95th General Assembly, or if convicted of reckless
defenseless as defined in subsection (e) of Section 9-3 of the
Criminal Code of 1961 if the offense is committed on or
after January 1, 1999, or aggravated driving under the
influence of alcohol, other drug or drugs, or intoxicating
compound or compounds, or any combination thereof as
deefined in subparagraph (F) of paragraph (1) of subsection
(d) of Section 11-501 of the Illinois Vehicle Code, or if
convicted of an offense enumerated in paragraph (a) (2.4) of
this Section that is committed on or after July 15, 1999
(the effective date of Public Act 91-121), or first degree
murder, a Class X felony, criminal sexual assault, felony
criminal sexual abuse, aggravated criminal sexual abuse,
aggravated battery with a firearm, or any predecessor or
successor offenses with the same or substantially the same
elements, or any inchoate offenses relating to the
foregoing offenses. No inmate shall be eligible for the
additional good conduct credit under this paragraph (4) who
(i) has previously received increased good conduct credit
under this paragraph (4) and has subsequently been
convicted of a felony, or (ii) has previously served more
than one prior sentence of imprisonment for a felony in an
adult correctional facility.

Educational, vocational, substance abuse and
correctional industry programs under which good conduct
credit may be increased under this paragraph (4) and
paragraph (4.1) of this subsection (a) shall be evaluated by the Department on the basis of documented standards. The Department shall report the results of these evaluations to the Governor and the General Assembly by September 30th of each year. The reports shall include data relating to the recidivism rate among program participants.

Availability of these programs shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. Eligible inmates who are denied immediate admission shall be placed on a waiting list under criteria established by the Department. The inability of any inmate to become engaged in any such programs by reason of insufficient program resources or for any other reason established under the rules and regulations of the Department shall not be deemed a cause of action under which the Department or any employee or agent of the Department shall be liable for damages to the inmate.

(4.1) The rules and regulations shall also provide that an additional 60 days of good conduct credit shall be awarded to any prisoner who passes the high school level Test of General Educational Development (GED) while the prisoner is incarcerated. The good conduct credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of good conduct under any other paragraph of this Section, but shall also be pursuant to
the guidelines and restrictions set forth in paragraph (4) of subsection (a) of this Section. The good conduct credit provided for in this paragraph shall be available only to those prisoners who have not previously earned a high school diploma or a GED. If, after an award of the GED good conduct credit has been made and the Department determines that the prisoner was not eligible, then the award shall be revoked.

(4.5) The rules and regulations on early release shall also provide that when the court's sentencing order recommends a prisoner for substance abuse treatment and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354), the prisoner shall receive no good conduct credit awarded under clause (3) of this subsection (a) unless he or she participates in and completes a substance abuse treatment program. The Director may waive the requirement to participate in or complete a substance abuse treatment program and award the good conduct credit in specific instances if the prisoner is not a good candidate for a substance abuse treatment program for medical, programming, or operational reasons. Availability of substance abuse treatment shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. If treatment is not available and the requirement to participate and complete the treatment has not been waived by the Director, the
prisoner shall be placed on a waiting list under criteria established by the Department. The Director may allow a prisoner placed on a waiting list to participate in and complete a substance abuse education class or attend substance abuse self-help meetings in lieu of a substance abuse treatment program. A prisoner on a waiting list who is not placed in a substance abuse program prior to release may be eligible for a waiver and receive good conduct credit under clause (3) of this subsection (a) at the discretion of the Director.

(5) Whenever the Department is to release any inmate earlier than it otherwise would because of a grant of good conduct credit for meritorious service given at any time during the term, the Department shall give reasonable advance notice of the impending release to the State's Attorney of the county where the prosecution of the inmate took place.

(b) Whenever a person is or has been committed under several convictions, with separate sentences, the sentences shall be construed under Section 5-8-4 in granting and forfeiting of good time.

(c) The Department shall prescribe rules and regulations for revoking good conduct credit, or suspending or reducing the rate of accumulation of good conduct credit for specific rule violations, during imprisonment. These rules and regulations shall provide that no inmate may be penalized more than one
year of good conduct credit for any one infraction.

When the Department seeks to revoke, suspend or reduce the rate of accumulation of any good conduct credits for an alleged infraction of its rules, it shall bring charges therefor against the prisoner sought to be so deprived of good conduct credits before the Prisoner Review Board as provided in subparagraph (a)(4) of Section 3-3-2 of this Code, if the amount of credit at issue exceeds 30 days or when during any 12 month period, the cumulative amount of credit revoked exceeds 30 days except where the infraction is committed or discovered within 60 days of scheduled release. In those cases, the Department of Corrections may revoke up to 30 days of good conduct credit. The Board may subsequently approve the revocation of additional good conduct credit, if the Department seeks to revoke good conduct credit in excess of 30 days. However, the Board shall not be empowered to review the Department's decision with respect to the loss of 30 days of good conduct credit within any calendar year for any prisoner or to increase any penalty beyond the length requested by the Department.

The Director of the Department of Corrections, in appropriate cases, may restore up to 30 days good conduct credits which have been revoked, suspended or reduced. Any restoration of good conduct credits in excess of 30 days shall be subject to review by the Prisoner Review Board. However, the Board may not restore good conduct credit in excess of the
amount requested by the Director.

Nothing contained in this Section shall prohibit the Prisoner Review Board from ordering, pursuant to Section 3-3-9(a)(3)(i)(B), that a prisoner serve up to one year of the sentence imposed by the court that was not served due to the accumulation of good conduct credit.

(d) If a lawsuit is filed by a prisoner in an Illinois or federal court against the State, the Department of Corrections, or the Prisoner Review Board, or against any of their officers or employees, and the court makes a specific finding that a pleading, motion, or other paper filed by the prisoner is frivolous, the Department of Corrections shall conduct a hearing to revoke up to 180 days of good conduct credit by bringing charges against the prisoner sought to be deprived of the good conduct credits before the Prisoner Review Board as provided in subparagraph (a)(8) of Section 3-3-2 of this Code. If the prisoner has not accumulated 180 days of good conduct credit at the time of the finding, then the Prisoner Review Board may revoke all good conduct credit accumulated by the prisoner.

For purposes of this subsection (d):

1. "Frivolous" means that a pleading, motion, or other filing which purports to be a legal document filed by a prisoner in his or her lawsuit meets any or all of the following criteria:

   A. it lacks an arguable basis either in law or in
fact;

(B) it is being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;

(C) the claims, defenses, and other legal contentions therein are not warranted by existing law or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the establishment of new law;

(D) the allegations and other factual contentions do not have evidentiary support or, if specifically so identified, are not likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; or

(E) the denials of factual contentions are not warranted on the evidence, or if specifically so identified, are not reasonably based on a lack of information or belief.

(2) "Lawsuit" means a petition for post-conviction relief under Article 122 of the Code of Criminal Procedure of 1963, a motion pursuant to Section 116-3 of the Code of Criminal Procedure of 1963, a habeas corpus action under Article X of the Code of Civil Procedure or under federal law (28 U.S.C. 2254), a petition for claim under the Court of Claims Act or an action under the federal Civil Rights Act (42 U.S.C. 1983).
(e) Nothing in Public Act 90-592 or 90-593 affects the validity of Public Act 89-404.

(2.1) For all offenses, other than those enumerated in subdivision (a)(2)(i), (ii), or (iii) committed on or after June 19, 1998 or subdivision (a)(2)(iv) committed on or after June 23, 2005 (the effective date of Public Act 94-71) or subdivision (a)(2)(v) committed on or after August 13, 2007 (the effective date of Public Act 95-134) this amendatory Act of the 95th General Assembly or subdivision (a)(2)(vi)(v) committed on or after June 1, 2008 (the effective date of Public Act 95-625) this amendatory Act of the 95th General Assembly, and other than the offense of reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 committed on or after January 1, 1999, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of
subsection (d) of Section 11-501 of the Illinois Vehicle Code, the rules and regulations shall provide that a prisoner who is serving a term of imprisonment shall receive one day of good conduct credit for each day of his or her sentence of imprisonment or recommitment under Section 3-3-9. Each day of good conduct credit shall reduce by one day the prisoner's period of imprisonment or recommitment under Section 3-3-9.

(2.2) A prisoner serving a term of natural life imprisonment or a prisoner who has been sentenced to death shall receive no good conduct credit.

(2.3) The rules and regulations on early release shall provide that a prisoner who is serving a sentence for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 committed on or after January 1, 1999, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, shall receive no more than 4.5 days of good conduct credit for each month of his or her sentence of imprisonment.

(2.4) The rules and regulations on early release shall provide with respect to the offenses of aggravated battery with a machine gun or a firearm equipped with any device or attachment designed or used for silencing the report of a
firearm or aggravated discharge of a machine gun or a firearm equipped with any device or attachment designed or used for silencing the report of a firearm, committed on or after July 15, 1999 (the effective date of Public Act 91-121), that a prisoner serving a sentence for any of these offenses shall receive no more than 4.5 days of good conduct credit for each month of his or her sentence of imprisonment.

(2.5) The rules and regulations on early release shall provide that a prisoner who is serving a sentence for aggravated arson committed on or after July 27, 2001 (the effective date of Public Act 92-176) shall receive no more than 4.5 days of good conduct credit for each month of his or her sentence of imprisonment.

(3) The rules and regulations shall also provide that the Director may award up to 180 days additional good conduct credit for meritorious service in specific instances as the Director deems proper; except that no more than 90 days of good conduct credit for meritorious service shall be awarded to any prisoner who is serving a sentence for conviction of first degree murder, reckless homicide while under the influence of alcohol or any other drug, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the
Illinois Vehicle Code, aggravated kidnapping, kidnapping, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, deviate sexual assault, aggravated criminal sexual abuse, aggravated indecent liberties with a child, indecent liberties with a child, child pornography, heinous battery, aggravated battery of a spouse, aggravated battery of a spouse with a firearm, stalking, aggravated stalking, aggravated battery of a child, endangering the life or health of a child, or cruelty to a child. Notwithstanding the foregoing, good conduct credit for meritorious service shall not be awarded on a sentence of imprisonment imposed for conviction of: (i) one of the offenses enumerated in subdivision (a)(2)(i), (ii), or (iii) when the offense is committed on or after June 19, 1998 or subdivision (a)(2)(iv) when the offense is committed on or after June 23, 2005 (the effective date of Public Act 94-71) or subdivision (a)(2)(v) when the offense is committed on or after August 13, 2007 (the effective date of Public Act 95-134) this amendatory Act of the 95th General Assembly or subdivision (a)(2)(vi)(v) when the offense is committed on or after June 1, 2008 (the effective date of Public Act 95-625) this amendatory Act of the 95th General Assembly, (ii) reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 when the offense is committed on or after
January 1, 1999, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, (iii) one of the offenses enumerated in subdivision (a)(2.4) when the offense is committed on or after July 15, 1999 (the effective date of Public Act 91-121), or (iv) aggravated arson when the offense is committed on or after July 27, 2001 (the effective date of Public Act 92-176).

(4) The rules and regulations shall also provide that the good conduct credit accumulated and retained under paragraph (2.1) of subsection (a) of this Section by any inmate during specific periods of time in which such inmate is engaged full-time in substance abuse programs, correctional industry assignments, or educational programs provided by the Department under this paragraph (4) and satisfactorily completes the assigned program as determined by the standards of the Department, shall be multiplied by a factor of 1.25 for program participation before August 11, 1993 and 1.50 for program participation on or after that date. However, no inmate shall be eligible for the additional good conduct credit under this paragraph (4) or (4.1) of this subsection (a) while assigned to a boot camp or electronic detention, or if convicted of an offense enumerated in subdivision (a)(2)(i), (ii), or
(iii) of this Section that is committed on or after June 19, 1998 or subdivision (a)(2)(iv) of this Section that is committed on or after June 23, 2005 (the effective date of Public Act 94-71) or subdivision (a)(2)(v) of this Section that is committed on or after August 13, 2007 (the effective date of Public Act 95-134) this amendatory Act of the 95th General Assembly or subdivision (a)(2)(vi)(v) when the offense is committed on or after June 1, 2008 (the effective date of Public Act 95-625) this amendatory Act of the 95th General Assembly, or if convicted of reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 if the offense is committed on or after January 1, 1999, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, or if convicted of an offense enumerated in paragraph (a)(2.4) of this Section that is committed on or after July 15, 1999 (the effective date of Public Act 91-121), or first degree murder, a Class X felony, criminal sexual assault, felony criminal sexual abuse, aggravated criminal sexual abuse, aggravated battery with a firearm, or any predecessor or successor offenses with the same or substantially the same elements, or any inchoate offenses relating to the foregoing offenses. No inmate shall be eligible for the
additional good conduct credit under this paragraph (4) who (i) has previously received increased good conduct credit under this paragraph (4) and has subsequently been convicted of a felony, or (ii) has previously served more than one prior sentence of imprisonment for a felony in an adult correctional facility.

Educational, vocational, substance abuse and correctional industry programs under which good conduct credit may be increased under this paragraph (4) and paragraph (4.1) of this subsection (a) shall be evaluated by the Department on the basis of documented standards. The Department shall report the results of these evaluations to the Governor and the General Assembly by September 30th of each year. The reports shall include data relating to the recidivism rate among program participants.

Availability of these programs shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. Eligible inmates who are denied immediate admission shall be placed on a waiting list under criteria established by the Department. The inability of any inmate to become engaged in any such programs by reason of insufficient program resources or for any other reason established under the rules and regulations of the Department shall not be deemed a cause of action under which the Department or any employee or agent of the Department shall be liable for damages to the
(4.1) The rules and regulations shall also provide that an additional 60 days of good conduct credit shall be awarded to any prisoner who passes the high school level Test of General Educational Development (GED) while the prisoner is incarcerated. The good conduct credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of good conduct under any other paragraph of this Section, but shall also be pursuant to the guidelines and restrictions set forth in paragraph (4) of subsection (a) of this Section. The good conduct credit provided for in this paragraph shall be available only to those prisoners who have not previously earned a high school diploma or a GED. If, after an award of the GED good conduct credit has been made and the Department determines that the prisoner was not eligible, then the award shall be revoked.

(4.5) The rules and regulations on early release shall also provide that when the court's sentencing order recommends a prisoner for substance abuse treatment and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354), the prisoner shall receive no good conduct credit awarded under clause (3) of this subsection (a) unless he or she participates in and completes a substance abuse treatment program. The Director may waive the requirement to participate in or
complete a substance abuse treatment program and award the
good conduct credit in specific instances if the prisoner
is not a good candidate for a substance abuse treatment
program for medical, programming, or operational reasons.
Availability of substance abuse treatment shall be subject
to the limits of fiscal resources appropriated by the
General Assembly for these purposes. If treatment is not
available and the requirement to participate and complete
the treatment has not been waived by the Director, the
prisoner shall be placed on a waiting list under criteria
established by the Department. The Director may allow a
prisoner placed on a waiting list to participate in and
complete a substance abuse education class or attend
substance abuse self-help meetings in lieu of a substance
abuse treatment program. A prisoner on a waiting list who
is not placed in a substance abuse program prior to release
may be eligible for a waiver and receive good conduct
credit under clause (3) of this subsection (a) at the
discretion of the Director.

(4.6) The rules and regulations on early release shall
also provide that a prisoner who has been convicted of a
sex offense as defined in Section 2 of the Sex Offender
Registration Act shall receive no good conduct credit
unless he or she either has successfully completed or is
participating in sex offender treatment as defined by the
Sex Offender Management Board. However, prisoners who are
waiting to receive such treatment, but who are unable to do so due solely to the lack of resources on the part of the Department, may, at the Director's sole discretion, be awarded good conduct credit at such rate as the Director shall determine.

(5) Whenever the Department is to release any inmate earlier than it otherwise would because of a grant of good conduct credit for meritorious service given at any time during the term, the Department shall give reasonable advance notice of the impending release to the State's Attorney of the county where the prosecution of the inmate took place.

(b) Whenever a person is or has been committed under several convictions, with separate sentences, the sentences shall be construed under Section 5-8-4 in granting and forfeiting of good time.

(c) The Department shall prescribe rules and regulations for revoking good conduct credit, or suspending or reducing the rate of accumulation of good conduct credit for specific rule violations, during imprisonment. These rules and regulations shall provide that no inmate may be penalized more than one year of good conduct credit for any one infraction.

When the Department seeks to revoke, suspend or reduce the rate of accumulation of any good conduct credits for an alleged infraction of its rules, it shall bring charges therefor against the prisoner sought to be so deprived of good conduct
credits before the Prisoner Review Board as provided in subparagraph (a)(4) of Section 3-3-2 of this Code, if the amount of credit at issue exceeds 30 days or when during any 12 month period, the cumulative amount of credit revoked exceeds 30 days except where the infraction is committed or discovered within 60 days of scheduled release. In those cases, the Department of Corrections may revoke up to 30 days of good conduct credit. The Board may subsequently approve the revocation of additional good conduct credit, if the Department seeks to revoke good conduct credit in excess of 30 days. However, the Board shall not be empowered to review the Department's decision with respect to the loss of 30 days of good conduct credit within any calendar year for any prisoner or to increase any penalty beyond the length requested by the Department.

The Director of the Department of Corrections, in appropriate cases, may restore up to 30 days good conduct credits which have been revoked, suspended or reduced. Any restoration of good conduct credits in excess of 30 days shall be subject to review by the Prisoner Review Board. However, the Board may not restore good conduct credit in excess of the amount requested by the Director.

Nothing contained in this Section shall prohibit the Prisoner Review Board from ordering, pursuant to Section 3-3-9(a)(3)(i)(B), that a prisoner serve up to one year of the sentence imposed by the court that was not served due to the
accumulation of good conduct credit.

(d) If a lawsuit is filed by a prisoner in an Illinois or federal court against the State, the Department of Corrections, or the Prisoner Review Board, or against any of their officers or employees, and the court makes a specific finding that a pleading, motion, or other paper filed by the prisoner is frivolous, the Department of Corrections shall conduct a hearing to revoke up to 180 days of good conduct credit by bringing charges against the prisoner sought to be deprived of the good conduct credits before the Prisoner Review Board as provided in subparagraph (a)(8) of Section 3-3-2 of this Code. If the prisoner has not accumulated 180 days of good conduct credit at the time of the finding, then the Prisoner Review Board may revoke all good conduct credit accumulated by the prisoner.

For purposes of this subsection (d):

(1) "Frivolous" means that a pleading, motion, or other filing which purports to be a legal document filed by a prisoner in his or her lawsuit meets any or all of the following criteria:

(A) it lacks an arguable basis either in law or in fact;

(B) it is being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;

(C) the claims, defenses, and other legal
contentions therein are not warranted by existing law or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the establishment of new law;

Acting in accordance with the best interests of the public, the judge shall have the
discretion to determine to whom, if anyone, the results of the testing may be revealed. The court shall notify the defendant of a positive test showing an infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at Department of Public Health facilities to all parties to whom the results of the testing are revealed and shall direct the State's Attorney to provide the information to the victim when possible. A State's Attorney may petition the court to obtain the results of any HIV test administered under this Section, and the court shall grant the disclosure if the State's Attorney shows it is relevant in order to prosecute a charge of criminal transmission of HIV under Section 12-16.2 of the Criminal Code of 1961 against the defendant. Probation may be revoked or modified pursuant to Section 5-6-4; except where the court determines at the hearing that the defendant violated a condition of his or her probation

For the purposes of this Section, "family member" and "victim" shall have the meanings ascribed to them in Section 12-12 of the Criminal Code of 1961.

The court shall notify the defendant of the test results. The court shall also notify the victim if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's parents or legal guardian, the court shall notify the victim's parents or legal guardian of the test results. The court shall provide information on the availability of HIV testing and counseling at Department of Public Health facilities to all parties to whom the results of the testing are revealed and shall direct the State's Attorney to provide the information to the victim when possible. A State's Attorney may petition the court to obtain the results of any HIV test administered under this Section, and the court shall grant the disclosure if the State's Attorney shows it is relevant in order to prosecute a charge of criminal transmission of HIV under Section 12-16.2 of the Criminal Code of 1961 against the defendant. The court shall order that the cost of any such test shall be paid by the county and may be taxed as costs against the convicted defendant.

Except as otherwise provided by law, the results of such test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the conviction was entered for the judge's inspection in camera. Acting in accordance with the best interests of the public, the judge shall have the discretion to determine to whom, if anyone, the results of the testing may be revealed. The court shall notify the defendant of a positive test showing an infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at Department of Public Health facilities to all parties to whom the results of the testing are revealed and shall direct the State's Attorney to provide the information to the victim...
when possible. A State's Attorney may petition the court to obtain the results of any HIV test administered under this Section, and the court shall grant the disclosure if the State's Attorney shows it is relevant in order to prosecute a charge of criminal transmission of HIV under Section 12-16.2 of the Criminal Code of 1961 against the defendant. The court shall order that the cost of any such test shall be paid by the county and may be taxed as costs against the convicted defendant.

If a defendant fails to complete the
educational training required by his or her sentence during the term of incarceration, the Prisoner Review Board shall, as a condition of mandatory supervised release, require the defendant, at his or her own expense, to pursue a course of study toward a high school diploma or passage of the GED test. The Prisoner Review Board shall revoke the mandatory supervised release of a defendant who wilfully fails to comply with this subsection (j-5) upon his or her release from confinement in a penal institution while serving a mandatory supervised release term; however, the inability of the defendant after making a good faith effort to obtain financial aid or pay for the educational training shall not be deemed a wilful failure to comply. The Prisoner Review Board shall recommit the defendant whose mandatory supervised release term has been revoked under this subsection (j-5) as provided in Section 3-3-9. This subsection (j-5) does not apply to a defendant who has a high school diploma or has successfully passed the GED test. the Immigration and Nationality Act, is convicted of any felony or misdemeanor offense, the court after sentencing the defendant may, upon motion of the State's Attorney, hold sentence in abeyance and remand the defendant to the custody of the Attorney General of the United States or his or her designated agent to be deported when:

(1) a final order of deportation has been issued against the defendant pursuant to proceedings under the Immigration and Nationality Act, and

(2) the deportation of the defendant would not deprecate the seriousness of the defendant's conduct and would not be inconsistent with the ends of justice. Otherwise, the defendant shall be sentenced as provided in this Chapter V.

(B) If the defendant has already been sentenced for a felony or misdemeanor offense, or has been placed on probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, or Section 70 of the Methamphetamine Control and Community Protection Act, the court may, upon motion of the State's Attorney to suspend the sentence imposed, commit the defendant to the custody of the Attorney General of the United States or his or her designated agent when:

Sec. 5-6-1. Sentences of Probation and of Conditional Discharge and Disposition of Supervision. The General Assembly finds that in order to protect the public, the criminal justice system must compel compliance with the conditions of probation by responding to violations with swift, certain and fair punishments and intermediate sanctions. The Chief Judge of each circuit shall adopt a system of structured, intermediate sanctions for violations of the terms and conditions of a sentence of probation, conditional discharge or disposition of supervision.

(a) Except where specifically prohibited by other provisions of this Code, the court shall impose a sentence of probation or conditional discharge upon an offender unless, having regard to the nature and circumstance of the offense, and to the history, character and condition of the offender, the court is of the opinion that:

(1) his imprisonment or periodic imprisonment is necessary for the protection of the public; or

(2) probation or conditional discharge would deprecate
the seriousness of the offender's conduct and would be inconsistent with the ends of justice; or

(3) a combination of imprisonment with concurrent or consecutive probation when an offender has been admitted into a drug court program under Section 20 of the Drug Court Treatment Act is necessary for the protection of the public and for the rehabilitation of the offender.

The court shall impose as a condition of a sentence of probation, conditional discharge, or supervision, that the probation agency may invoke any sanction from the list of intermediate sanctions adopted by the chief judge of the circuit court for violations of the terms and conditions of the sentence of probation, conditional discharge, or supervision, subject to the provisions of Section 5-6-4 of this Act.

(b) The court may impose a sentence of conditional discharge for an offense if the court is of the opinion that neither a sentence of imprisonment nor of periodic imprisonment nor of probation supervision is appropriate.

(b-1) Subsections (a) and (b) of this Section do not apply to a defendant charged with a misdemeanor or felony under the Illinois Vehicle Code or reckless homicide under Section 9-3 of the Criminal Code of 1961 if the defendant within the past 12 months has been convicted of or pleaded guilty to a misdemeanor or felony under the Illinois Vehicle Code or reckless homicide under Section 9-3 of the Criminal Code of 1961.

(c) The court may, upon a plea of guilty or a stipulation
by the defendant of the facts supporting the charge or a finding of guilt, defer further proceedings and the imposition of a sentence, and enter an order for supervision of the defendant, if the defendant is not charged with: (i) a Class A misdemeanor, as defined by the following provisions of the Criminal Code of 1961: Sections 11-9.1; 12-3.2; 12-15; 26-5; 31-1; 31-6; 31-7; subsections (b) and (c) of Section 21-1; paragraph (1) through (5), (8), (10), and (11) of subsection (a) of Section 24-1; (ii) a Class A misdemeanor violation of Section 3.01, 3.03-1, or 4.01 of the Humane Care for Animals Act; or (iii) felony. If the defendant is not barred from receiving an order for supervision as provided in this subsection, the court may enter an order for supervision after considering the circumstances of the offense, and the history, character and condition of the offender, if the court is of the opinion that:

(1) the offender is not likely to commit further crimes;

(2) the defendant and the public would be best served if the defendant were not to receive a criminal record; and

(3) in the best interests of justice an order of supervision is more appropriate than a sentence otherwise permitted under this Code.

(c-5) Subsections (a), (b), and (c) of this Section do not apply to a defendant charged with a second or subsequent violation of Section 6-303 of the Illinois Vehicle Code.
committed while his or her driver's license, permit or privileges were revoked because of a violation of Section 9-3 of the Criminal Code of 1961, relating to the offense of reckless homicide, or a similar provision of a law of another state.

The court shall consider the statement of the prosecuting authority with regard to the standards set forth in this Section.
(e) The provisions of paragraph (c) shall not apply to a defendant charged with violating Section 16A-3 of the Criminal Code of 1961 if said defendant has within the last 5 years been:

(2) assigned supervision for a violation of Section
3-707, 3-708, 3-710, or 5-401.3 of the Illinois Vehicle Code or a similar provision of a local ordinance.

The court shall consider the statement of the prosecuting authority with regard to the standards set forth in this Section.

(h) The provisions of paragraph (c) shall not apply to a defendant under the age of 21 years charged with violating a serious traffic offense as defined in Section 1-187.001 of the Illinois Vehicle Code:

(1) unless the defendant, upon payment of the fines, penalties, and costs provided by law, agrees to attend and successfully complete a traffic safety program approved by the court under standards set by the Conference of Chief Circuit Judges. (j) All fines and costs imposed under this Section for any violation of Chapters 3, 4, 6, and 11 of the Illinois Vehicle Code, or a similar provision of a local ordinance, and any violation of the Child Passenger Protection Act, or a similar provision of a local ordinance, shall be collected and disbursed by the circuit clerk as provided under Section 27.5
of the Clerks of Courts Act.

(k) Any offender who is sentenced to probation or conditional discharge for a felony sex offense as defined in the Sex Offender Management Board Act or any offense that the court or probation department has determined to be sexually motivated as defined in the Sex Offender Management Board Act shall be required to refrain from any contact, directly or indirectly, with any persons specified by the court and shall be available for all evaluations and treatment programs required by the court or the probation department.

(b) The period of supervision shall be reasonable under all
of the circumstances of the case, but may not be longer than 2 years, unless the defendant has failed to pay the assessment required by Section 10.3 of the Cannabis Control Act, Section 411.2 of the Illinois Controlled Substances Act, or Section 80 of the Methamphetamine Control and Community Protection Act, in which case the court may extend supervision beyond 2 years. Additionally, the court shall order the defendant to perform no less than 30 hours of community service and not more than 120 hours of community service, if community service is available in the jurisdiction and is funded and approved by the county board where the offense was committed, when the offense (1) was related to or in furtherance of the criminal activities of an organized gang or was motivated by the defendant's membership in or allegiance to an organized gang; or (2) is a violation of any Section of Article 24 of the Criminal Code of 1961 where a disposition of supervision is not prohibited by Section 5-6-1 of this Code. The community service shall include, but not be limited to, the cleanup and repair of any damage caused by violation of Section 21-1.3 of the Criminal Code of 1961 and similar damages to property located within the municipality or county in which the violation occurred. Where possible and reasonable, the community service should be performed in the offender's neighborhood.

For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.
(c) The court may in addition to other reasonable conditions relating to the nature of the offense or the rehabilitation of the defendant as determined for each defendant in the proper discretion of the court require that the person:

If the court has ordered the defendant to make a report and appear in person under paragraph (1) of this subsection, a copy of the order of protection shall be transmitted to the person or agency so designated by the court;

(12) reimburse any "local anti-crime program" as defined in Section 7 of the Anti-Crime Advisory Council Act for any reasonable expenses incurred by the program on the
offender's case, not to exceed the maximum amount of the fine authorized for the offense for which the defendant was sentenced;

(13) contribute a reasonable sum of money, not to exceed the maximum amount of the fine authorized for the offense for which the defendant was sentenced, to a "local anti-crime program", as defined in Section 7 of the Anti-Crime Advisory Council Act;

(14) refrain from entering into a designated geographic area except upon such terms as the court finds appropriate. Such terms may include consideration of the purpose of the entry, the time of day, other persons accompanying the defendant, and advance approval by a probation officer;

(18) if placed on supervision for a sex offense as defined in subsection (a-5) of Section 3-1-2 of this Code, unless the offender is a parent or guardian of the person under 18 years of age present in the home and no non-familial minors are present, not participate in a holiday event involving children under 18 years of age, such as distributing candy or other items to children on Halloween, wearing a Santa Claus costume on or preceding Christmas, being employed as a department store Santa Claus, or wearing an Easter Bunny costume on or preceding Easter.

(d) The court shall defer entering any judgment on the charges until the conclusion of the supervision.

a disposition of supervision shall be deemed without adjudication of guilt and shall not be termed a conviction for purposes of disqualification or disabilities imposed by law upon conviction of a crime. Two years after the discharge and dismissal under this Section, unless the disposition of supervision was for a violation of Sections 3-707, 3-708, 3-710, 5-401.3, or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, or for a violation of Sections 12-3.2 or 16A-3 of the Criminal Code of 1961, in which case it shall be 5 years after discharge and dismissal, a person may have his record of arrest sealed or expunged as may be provided by law. However, any defendant placed on supervision before January 1, 1980, may move for sealing or expungement of his arrest record, as provided by law, at any time after discharge and dismissal under this Section. A person placed on supervision for a sexual offense committed against a minor as defined in subsection (g) of Section 5 of the Criminal Identification Act or for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance shall not have his or her record of arrest sealed or expunged.

(g) A defendant placed on supervision and who during the period of supervision undergoes mandatory drug or alcohol testing, or both, or is assigned to be placed on an approved electronic monitoring device, shall be ordered to pay the costs incidental to such mandatory drug or alcohol testing, or both,
and costs incidental to such approved electronic monitoring in accordance with the defendant's ability to pay those costs. The county board with the concurrence of the Chief Judge of the judicial circuit in which the county is located shall establish reasonable fees for the cost of maintenance, testing, and incidental expenses related to the mandatory drug or alcohol testing, or both, and all costs incidental to approved electronic monitoring, of all defendants placed on supervision. The concurrence of the Chief Judge shall be in the form of an administrative order. The fees shall be collected by the clerk of the circuit court. The clerk of the circuit court shall pay all moneys collected from these fees to the county treasurer who shall use the moneys collected to defray the costs of drug testing, alcohol testing, and electronic monitoring. The county treasurer shall deposit the fees collected in the county working cash fund under Section 6-27001 or Section 6-29002 of the Counties Code, as the case may be.

(h) A disposition of supervision is a final order for the purposes of appeal.

(i) The court shall impose upon a defendant placed on supervision after January 1, 1992 or to community service under the supervision of a probation or court services department after January 1, 2004, as a condition of supervision or supervised community service, a fee of $50 for each month of supervision or supervised community service ordered by the court, unless after determining the inability of the person
placed on supervision or supervised community service to pay
the fee, the court assesses a lesser fee. The court may not
impose the fee on a minor who is made a ward of the State under
the Juvenile Court Act of 1987 while the minor is in placement.
The fee shall be imposed only upon a defendant who is actively
supervised by the probation and court services department. The
fee shall be collected by the clerk of the circuit court. The
clerk of the circuit court shall pay all monies collected from
this fee to the county treasurer for deposit in the probation
and court services fund pursuant to Section 15.1 of the
Probation and Probation Officers Act.

A circuit court may not impose a probation fee in excess of
$25 per month unless: (1) the circuit court has adopted, by
administrative order issued by the chief judge, a standard
probation fee guide determining an offender's ability to pay,
under guidelines developed by the Administrative Office of the
Illinois Courts; and (2) the circuit court has authorized, by
administrative order issued by the chief judge, the creation of
a Crime Victim's Services Fund, to be administered by the Chief
Judge or his or her designee, for services to crime victims and
their families. Of the amount collected as a probation fee, not
to exceed $5 of that fee collected per month may be used to
provide services to crime victims and their families.

(j) All fines and costs imposed under this Section for any
violation of Chapters 3, 4, 6, and 11 of the Illinois Vehicle

violation of the Child Passenger Protection Act, or a similar provision of a local ordinance, shall be collected and disbursed by the circuit clerk as provided under Section 27.5 of the Clerks of Courts Act.

(k) A defendant at least 17 years of age who is placed on supervision for a misdemeanor in a county of 3,000,000 or more inhabitants and who has not been previously convicted of a misdemeanor or felony may as a condition of his or her supervision be required by the court to attend educational courses designed to prepare the defendant for a high school diploma and to work toward a high school diploma or to work toward passing the high school level Test of General Educational Development (GED) or to work toward completing a vocational training program approved by the court. The defendant placed on supervision must attend a public institution of education to obtain the educational or vocational training required by this subsection (k). The defendant placed on supervision shall be required to pay for the cost of the educational courses or GED test, if a fee is charged for those courses or test. The court shall revoke the supervision of a person who wilfully fails to comply with this subsection (k). The court shall resentence the defendant upon revocation of supervision as provided in Section 5-6-4. This subsection (k) does not apply to a defendant who has a high school diploma or has successfully passed the GED test. This subsection (k) does not apply to a defendant who is determined
by the court to be developmentally disabled or otherwise mentally incapable of completing the educational or vocational program.

(l) The court shall require a defendant placed on supervision for possession of a substance prohibited by the Cannabis Control Act, the Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act after a previous conviction or disposition of supervision for possession of a substance prohibited by the Cannabis Control Act, the Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act or a sentence of probation under Section 10 of the Cannabis Control Act or Section 410 of the Illinois Controlled Substances Act and after a finding by the court that the person is addicted, to undergo treatment at a substance abuse program approved by the court.

(m) The Secretary of State shall require anyone placed on court supervision for a violation of Section 3-707 of the Illinois Vehicle Code or a similar provision of a local ordinance to give proof of his or her financial responsibility as defined in Section 7-315 of the Illinois Vehicle Code. The proof shall be maintained by the individual in a manner satisfactory to the Secretary of State for a minimum period of 3 years after the date the proof is first filed. The proof shall be limited to a single action per arrest and may not be affected by any post-sentence disposition. The Secretary of
State shall suspend the driver's license of any person determined by the Secretary to be in violation of this subsection.

(n) Any offender placed on supervision for any offense that the court or probation department has determined to be sexually motivated as defined in the Sex Offender Management Board Act shall be required to refrain from any contact, directly or indirectly, with any persons specified by the court and shall be available for all evaluations and treatment programs required by the court or the probation department.

(o) An offender placed on supervision for a sex offense as defined in the Sex Offender Management Board Act shall refrain from residing at the same address or in the same condominium unit or apartment unit or in the same condominium complex or apartment complex with another person he or she knows or reasonably should know is a convicted sex offender or has been placed on supervision for a sex offense. (a) When a defendant is placed on supervision, the court shall enter an order for supervision specifying the period of such supervision, and shall defer further proceedings in the case until the conclusion of the period.

(b) The period of supervision shall be reasonable under all of the circumstances of the case, but may not be longer than 2 years, unless the defendant has failed to pay the assessment required by Section 10.3 of the Cannabis Control Act, Section 411.2 of the Illinois Controlled Substances Act, or Section 80 of the Methamphetamine Control and Community Protection Act, in which case the court may extend supervision beyond 2 years. Additionally, the court shall order the defendant to perform no less than 30 hours of community service and not more than 120 hours of community service, if community service is available in the jurisdiction and is funded and approved by the county board where the offense was committed, when the offense (1) was related to or in furtherance of the criminal activities of an organized gang or was motivated by the defendant's membership in or allegiance to an organized gang; or (2) is a violation of any Section of Article 24 of the Criminal Code of 1961 where a disposition of supervision is not prohibited by Section 5-6-1 of this Code. The community service shall include, but not be limited to, the cleanup and repair of any damage caused by violation of Section 21-1.3 of the Criminal Code of 1961 and similar damages to property located within the municipality or county in which the violation occurred. Where possible and
reasonable, the community service should be performed in the offender's neighborhood.

(a) There shall be added to every penalty imposed in sentencing for a sex offense as defined in Section 2 of the Sex Offender Registration Act an additional fine in the amount of $500 to be imposed upon a plea of guilty, stipulation of facts or finding of guilty resulting in a judgment of conviction or order of supervision.

(b) Such additional amount shall be assessed by the court imposing sentence and shall be collected by the circuit clerk in addition to the fine, if any, and costs in the case. Each such additional penalty shall be remitted by the circuit clerk within one month after receipt to the State Treasurer for deposit into the Sex Offender Investigation Fund. The circuit clerk shall retain 10% of such penalty for deposit into the Circuit Court Clerk Operation and Administrative Fund created by the Clerk of the Circuit Court to cover the costs incurred
in administering and enforcing this Section. Such additional penalty shall not be considered a part of the fine for purposes of any reduction in the fine for time served either before or after sentencing.

(c) Not later than March 1 of each year the clerk of the circuit court shall submit to the State Comptroller a report of the amount of funds remitted by him or her to the State Treasurer under this Section during the preceding calendar year. Except as otherwise provided by Supreme Court Rules, if a court in sentencing an offender levies a gross amount for fine, costs, fees and penalties, the amount of the additional penalty provided for herein shall be collected from the amount remaining after deducting from the gross amount levied all fees of the circuit clerk, the State's Attorney, and the sheriff. After deducting from the gross amount levied the fees and additional penalty provided for herein, less any other additional penalties provided by law, the clerk shall remit $100 of each $500 additional fine imposed under this Section to the State's Attorney of the county which prosecuted the case or the local law enforcement agency that investigated the case leading to the defendant's judgment of conviction or order of supervision and after such remission the net balance remaining to the entity authorized by law to receive the fine imposed in the case. For purposes of this Section "fees of the circuit clerk" shall include, if applicable, the fee provided for under Section 27.3a of the Clerks of Courts Act and the fee, if

(a) An offender who defaults in the payment of a fine or any installment of that fine may be held in contempt and imprisoned for nonpayment. The court may issue a summons for his appearance or a warrant of arrest.

(b) Unless the offender shows that his default was not due to his intentional refusal to pay, or not due to a failure on his part to make a good faith effort to pay, the court may order the offender imprisoned for a term not to exceed 6 months if the fine was for a felony, or 30 days if the fine was for a misdemeanor, a petty offense or a business offense. Payment of the fine at any time will entitle the offender to be released, but imprisonment under this Section shall not satisfy the payment of the fine.
(c) If it appears that the default in the payment of a fine is not intentional under paragraph (b) of this Section, the court may enter an order allowing the offender additional time for payment, reducing the amount of the fine or of each installment, or revoking the fine or the unpaid portion.

(d) When a fine is imposed on a corporation or unincorporated organization or association, it is the duty of the person or persons authorized to make disbursement of assets, and their superiors, to pay the fine from assets of the corporation or unincorporated organization or association. The failure of such persons to do so shall render them subject to proceedings under paragraphs (a) and (b) of this Section.

(e) A default in the payment of a fine, judgment order of forfeiture, order of restitution, or any installment thereof may be collected by any and all means authorized for the collection of money judgments. The State's Attorney of the county in which the fine, judgment order of forfeiture, or order of restitution was imposed may retain attorneys and private collection agents for the purpose of collecting any default in payment of any fine, judgment order of forfeiture, order of restitution, or installment thereof. The fees and costs incurred by the State's Attorney in any such collection and the fees and charges of attorneys and private collection agents retained by the State's Attorney for those purposes shall be charged to the offender.

Payment of the fine at any time will entitle the offender to be released, but imprisonment under this Section shall not satisfy the payment of the fine.

(c) If it appears that the default in the payment of a fine is not intentional under paragraph (b) of this Section, the court may enter an order allowing the offender additional time for payment, reducing the amount of the fine or of each installment, or revoking the fine or the unpaid portion.

(d) When a fine is imposed on a corporation or unincorporated organization or association, it is the duty of the person or persons authorized to make disbursement of assets, and their superiors, to pay the fine from assets of the corporation or unincorporated organization or association. The

The State's Attorney of the county in which the fine, fee, cost, order of restitution, or judgment of bond forfeiture, judgment order of forfeiture, or order of restitution was imposed may retain attorneys and private collection agents for the purpose of collecting any default in payment of any fine, fee, cost, order of restitution, or judgment of bond forfeiture, judgment order of forfeiture, order of restitution, or installment thereof, fee, cost, restitution, or judgment of bond forfeiture. An additional fee of 30% of the delinquent amount is to be charged to the offender for any amount of the fine, fee, cost, restitution, or judgment of bond forfeiture or installment of the fine, fee, cost, restitution, or judgment of bond forfeiture that remains unpaid after the time fixed for payment of the fine, fee, cost, restitution, or judgment of bond forfeiture by the court. The additional fee shall be payable to the State's Attorney in order to compensate the State's Attorney for costs incurred in collecting the delinquent amount. The State's Attorney may enter into agreements assigning any portion of the fee to the retained attorneys or
the private collection agent retained by the State's Attorney. Any agreement between the State's Attorney and the retained attorneys or collection agents shall require the approval of the Circuit Clerk of that county. A default in payment of a fine, fee, cost, restitution, or judgment of bond forfeiture shall draw interest at the rate of 9% per annum. Section 380. The Condominium Property Act is amended by changing Section 30 as follows:

(765 ILCS 605/30) (from Ch. 30, par. 330)
Sec. 30. Conversion condominiums; notice; recording.
(a)(1) No real estate may be submitted to the provisions of the Act as a conversion condominium unless (i) a notice of intent to submit the real estate to this Act (notice of intent) has been given to all persons who were tenants of the building located on the real estate on the date the notice is given. Such notice shall be given at least 30 days, and not more than 1 year prior to the recording of the declaration which submits the real estate to this Act; and (ii) the developer executes and acknowledges a certificate which shall be attached to and made a part of the declaration and which provides that the developer, prior to the execution by him or his agent of any agreement for the sale of a unit, has given a copy of the notice of intent to all persons who were tenants of the building located on the real estate on the date the notice of intent was given.

(2) (a)(2) If the owner fails to provide a tenant with notice of the intent to convert as defined in this Section,
the tenant permanently vacates the premises as a direct result of non-renewal of his or her lease by the owner, and the tenant's unit is converted to a condominium by the filing of a declaration submitting a property to this Act without having provided the required notice, then the owner is liable to the tenant for the following:

(A) the tenant's actual moving expenses incurred when moving from the subject property, not to exceed $1,500;

(B) three month's rent at the subject property; and

(C) reasonable attorney's fees and court costs.

(b) Any developer of a conversion condominium must, upon issuing the notice of intent, publish and deliver along with such notice of intent, a schedule of selling prices for all units subject to the condominium instruments and offer to sell such unit to the current tenants, except for units to be vacated for rehabilitation subsequent to such notice of intent. Such offer shall not expire earlier than 30 days after receipt of the offer by the current tenant, unless the tenant notifies the developer in writing of his election not to purchase the condominium unit.

(c) Any tenant who was a tenant as of the date of the notice of intent and whose tenancy expires (other than for cause) prior to the expiration of 120 days from the date on which a copy of the notice of intent was given to the tenant shall have the right to extend his tenancy on the same terms
and conditions and for the same rental until the expiration of such 120 day period by the giving of written notice thereof to the developer within 30 days of the date upon which a copy of the notice of intent was given to the tenant by the developer.

(d) Each lessee in a conversion condominium shall be informed by the developer at the time the notice of intent is given whether his tenancy will be renewed or terminated upon its expiration. If the tenancy is to be renewed, the tenant shall be informed of all charges, rental or otherwise, in connection with the new tenancy and the length of the term of occupancy proposed in conjunction therewith.

(e) For a period of 120 days following his receipt of the notice of intent, any tenant who was a tenant on the date the notice of intent was given shall be given the right to purchase his unit on substantially the same terms and conditions as set forth in a duly executed contract to purchase the unit, which contract shall conspicuously disclose the existence of, and shall be subject to, the right of first refusal. The tenant may exercise the right of first refusal by giving notice thereof to the developer prior to the expiration of 30 days from the giving of notice by the developer to the tenant of the execution of the contract to purchase the unit. The tenant may exercise such right of first refusal within 30 days from the giving of notice by the developer of the execution of a contract to purchase the unit, notwithstanding the expiration of the 120 day period following the tenant's receipt of the
notice of intent, if such contract was executed prior to the expiration of the 120 day period. The recording of the deed conveying the unit to the purchaser which contains a statement to the effect that the tenant of the unit either waived or failed to exercise the right of first refusal or option or had no right of first refusal or option with respect to the unit shall extinguish any legal or equitable right or interest to the possession or acquisition of the unit which the tenant may have or claim with respect to the unit arising out of the right of first refusal or option provided for in this Section. The foregoing provision shall not affect any claim which the tenant may have against the landlord for damages arising out of the right of first refusal provided for in this Section.

(f) During the 30 day period after the giving of notice of an executed contract in which the tenant may exercise the right of first refusal, the developer shall grant to such tenant access to any portion of the building to inspect any of its features or systems and access to any reports, warranties, or other documents in the possession of the developer which reasonably pertain to the condition of the building. Such access shall be subject to reasonable limitations, including as to hours. The refusal of the developer to grant such access is a business offense punishable by a fine of $500. Each refusal to an individual lessee who is a potential purchaser is a separate violation.

(g) Any notice provided for in this Section shall be deemed
given when a written notice is delivered in person or mailed, certified or registered mail, return receipt requested to the party who is being given the notice.

(h) Prior to their initial sale, units offered for sale in a conversion condominium and occupied by a tenant at the time of the offer shall be shown to prospective purchasers only a reasonable number of times and at appropriate hours. Units may only be shown to prospective purchasers during the last 90 days of any expiring tenancy.

(i) Any provision in any lease or other rental agreement, or any termination of occupancy on account of condominium conversion, not authorized herein, or contrary to or waiving the foregoing provisions, shall be deemed to be void as against public policy.

(j) A tenant is entitled to injunctive relief to enforce the provisions of subsections (a) and (c) of this Section.

(k) A non-profit housing organization, suing on behalf of an aggrieved tenant under this Section, may also recover compensation for reasonable attorney's fees and court costs necessary for filing such action.

(l) Nothing in this Section shall affect any provision in any lease or rental agreement in effect before this Act becomes law.

(m) Nothing in this amendatory Act of 1978 shall be construed to imply that there was previously a requirement to record the notice provided for in this Section.
