

AN ACT concerning civil law.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The Adoption Act is amended by changing Sections 18.04, 18.05, 18.06, 18.07, 18.1, 18.1a, 18.1b, 18.2, 18.3, 18.3a, 18.5, and 18.6 as follows:

(750 ILCS 50/18.04)

Sec. 18.04. Original Birth Certificate Access ~~The Illinois Adoption Registry and Medical Information Exchange;~~ legislative intent. The General Assembly recognizes that it is the basic right of all persons to access their birth records, and, to this end, supports public policy that allows an adult adoptee to access his or her original birth certificate. The General Assembly further recognizes that there are circumstances under which a birth parent may have compelling reasons for wishing to remain anonymous to a child he or she surrendered for adoption. In an effort to balance these interests, the General Assembly supports public policy that releases a non-certified copy of the original birth certificate to an adult adopted person upon request unless a specific request for anonymity has been filed with the Registry by a birth parent named on the original birth certificate ~~the importance of creating a procedure by which mutually consenting~~

~~adult members of birth and adoptive families, and adult adopted or surrendered persons may voluntarily exchange vital medical information throughout the life of the adopted or surrendered person. The General Assembly supports public policy that requires explicit mutual consent prior to the release of confidential information. The General Assembly further recognizes that it is in the best interest of adopted and surrendered persons that birth family medical histories and the preferences regarding contact of all parties to an adoption be compiled, preserved and provided to mutually consenting members of birth and adoptive families.~~

Adoptive parents, adult children, and surviving spouses of deceased adoptees who do not wish to exchange identifying information or establish contact with one or more of the adopted or surrendered person's birth relatives may specify with whom they do not wish to exchange identifying information or do not wish to establish contact by filing a Denial of Information Exchange. ~~The Illinois Adoption Registry Application does not need to be completed in order to file a Denial of Information Exchange.~~

(3) Birth Parent Preference Form. Beginning January 1, 2011, birth parents who are eligible to register with the Illinois Adoption Registry and Medical Information Exchange and who wish to communicate their wishes regarding contact and/or the release of their identifying information on the non-certified copy of the original birth certificate released to an adult adopted or surrendered person or the surviving adult child or surviving spouse of a deceased adopted or surrendered person who has requested a copy of the adopted or surrendered person's original

birth certificate by filing a Request for a Non-Certified Copy of an Original Birth Certificate pursuant to subsection (e) of this Section, may file a Birth Parent Preference Form with the Registry. All Birth Parent Preference Forms on file with the Registry at the time of receipt of a Request for a Non-Certified Copy of an Original Birth Certificate from an adult adopted or surrendered person or the surviving adult child or surviving spouse of a deceased adopted or surrendered person shall be forwarded to the relevant adopted or surrendered person or surviving adult child or surviving spouse of a deceased adopted or surrendered person along with a non-certified copy of the adopted or surrendered person's original birth certificate as outlined in subsection (e) of this Section.

(e) Procedures for requesting a non-certified copy of an original birth certificate by an adult adopted or surrendered person or by a surviving adult child or surviving spouse of a deceased adopted or surrendered person:

(1) On or after the effective date of this amendatory Act of the 96th General Assembly, any adult adopted or surrendered person who was born in Illinois prior to January 1, 1946, may complete and file with the Registry a Request for a Non-Certified Copy of an Original Birth Certificate. The Registry shall provide such adult adopted or surrendered person with an unaltered, non-certified

copy of his or her original birth certificate upon receipt of the Request for a Non-Certified Copy of an Original Birth Certificate. Additionally, in cases where an adopted or surrendered person born in Illinois prior to January 1, 1946, is deceased, and one of his or her surviving adult children or his or her surviving spouse has registered with the Registry, he or she may complete and file with the Registry a Request for a Non-Certified Copy of an Original Birth Certificate. The Registry shall provide such surviving adult child or surviving spouse with an unaltered, non-certified copy of the adopted or surrendered person's original birth certificate upon receipt of the Request for a Non-Certified Copy of an Original Birth Certificate.

(2) Beginning November 15, 2011, any adult adopted or surrendered person who was born in Illinois on or after January 1, 1946, may complete and file with the Registry a Request for a Non-certified Copy of an Original Birth Certificate. Additionally, in cases where the adopted or surrendered person is deceased and one of his or her surviving adult children or his or her surviving spouse has registered with the Registry, he or she may complete and file with the Registry a Request for a Non-Certified Copy of an Original Birth Certificate. Upon receipt of such request from an adult adopted or surrendered person or from one of his or her surviving adult children or his or her

surviving spouse, the Registry shall:

(i) Determine if there is a Denial of Information Exchange which was filed by a birth parent named on the original birth certificate prior to January 1, 2011. If a Denial was filed by a birth parent named on the original birth certificate prior to January 1, 2011, and there is no proof of death in the Registry file for the birth parent who filed said Denial, the Registry shall inform the requesting adult adopted or surrendered person or the requesting surviving adult child or surviving spouse of a deceased adopted or surrendered person that they may receive a non-certified copy of the original birth certificate from which all identifying information pertaining to the birth parent who filed the Denial has been redacted. A requesting adult adopted or surrendered person shall also be informed in writing of his or her right to petition the court for the appointment of a confidential intermediary pursuant to Section 18.3a of this Act and, if applicable, to conduct a search through an agency post-adoption search program once 5 years have elapsed since the birth parent filed the Denial of Information Exchange with the Registry.

(ii) Determine if a birth parent named on the original birth certificate has filed a Birth Parent Preference Form. If one of the birth parents named on

the original birth certificate filed a Birth Parent Preference Form and selected Option A, B, C, or D, the Registry shall forward to the adult adopted or surrendered person or to the surviving adult child or surviving spouse of a deceased adopted or surrendered person a copy of the Birth Parent Preference Form. If one of the birth parents named on the original birth certificate filed a Birth Parent Preference Form and selected Option E, and there is no proof of death in the Registry file for the birth parent who filed said Birth Parent Preference Form, the Registry shall inform the requesting adult adopted or surrendered person or the requesting surviving adult child or surviving spouse of a deceased adopted or surrendered person that he or she may receive a non-certified copy of the original birth certificate from which identifying information pertaining to the birth parent who completed the Birth Parent Preference Form has been redacted per the birth parent's specifications on the Form. The Registry shall forward to the adult adopted or surrendered person or to the surviving adult child or surviving spouse of a deceased adopted or surrendered person a copy of the Birth Parent Preference Form filed by the birth parent from which identifying information has been redacted per the birth parent's specifications on the Form. The

requesting adult adopted or surrendered person shall also be informed in writing of his or her right to petition the court for the appointment of a confidential intermediary pursuant to Section 18.3a of this Act, and, if applicable, to conduct a search through an agency post-adoption search program once 5 years have elapsed since the birth parent filed the Birth Parent Preference Form, on which Option E was selected, with the Registry.

(iii) Determine if a birth parent named on the original birth certificate has filed an Information Exchange Authorization.

(iv) If the Registry has confirmed that a requesting adult adopted or surrendered person or the parent of a requesting adult child of a deceased adopted or surrendered person or the husband or wife of a requesting surviving spouse was not the object of a Denial of Information Exchange filed by a birth parent on or before December 31, 2010, and that no birth parent named on the original birth certificate has filed a Birth Parent Preference Form where Option E was selected prior to the receipt of a Request for a Non-Certified Copy of an Original Birth Certificate, the Registry shall provide the adult adopted or surrendered person or his or her surviving adult child or surviving spouse with an unaltered non-certified

copy of the adopted or surrendered person's original birth certificate.

(3) In cases where the Registry receives a Birth Parent Preference Form from a birth parent subsequent to the release of the non-certified copy of the original birth certificate to an adult adopted or surrendered person or to the surviving adult child or surviving spouse of a deceased adopted or surrendered person, the Birth Parent Preference Form shall be immediately forwarded to the adult adopted or surrendered person or to the surviving adult child or surviving spouse of the deceased adopted or surrendered person and the birth parent who filed the form shall be informed that the relevant original birth certificate has already been released.

(4) A copy of the original birth certificate shall only be released to adopted or surrendered persons who were born in Illinois; to surviving adult children or surviving spouses of deceased adopted or surrendered persons who were born in Illinois; or to 2 registered parties who have both consented to the release of a non-certified copy of the original birth certificate to one another through the Registry when the birth of the relevant adopted or surrendered person took place in Illinois.

(5) In cases where the Registry receives a Request for a Non-Certified Copy of an Original Birth Certificate from an adult adopted or surrendered person who has not

completed a Registry application and the file of that adopted or surrendered person includes an Information Exchange Authorization or Medical Information Exchange Questionnaire from one or more of his or her birth relatives, the Registry shall so inform the adult adopted or surrendered person and forward Registry application forms to him or her along with a non-certified copy of the original birth certificate consistent with the procedures outlined in this subsection (e).

(6) In cases where a birth parent registered with the Registry and filed a Medical Information Exchange Questionnaire prior to the effective date of this amendatory Act of the 96th General Assembly but gave no indication as to his or her wishes regarding contact or the sharing of identifying information, the Registry shall contact the birth parent by written letter prior to January 1, 2011, and provide him or her with the opportunity to indicate his or her preference regarding contact and the sharing of identifying information by submitting a Birth Parent Preference Form to the Registry prior to November 1, 2011.

(7) In cases where the Registry cannot locate a copy of the original birth certificate in the Registry file, they shall be authorized to request a copy of the original birth certificate from the Illinois county where the birth took place for placement in the Registry file.

(8) Adopted and surrendered persons who wish to have their names placed with the Illinois Adoption Registry and Medical Information Exchange may do so by completing a Registry application at any time, but completing a Registry application shall not be required for adopted and surrendered persons who seek only to obtain a copy of their original birth certificate or any relevant Birth Parent Preference Forms through the Registry.

(9) In cases where a birth parent filed a Denial of Information Exchange with the Registry prior to January 1, 2011, or filed a Birth Parent Preference Form with the Registry and selected Option E after January 1, 2011, and a proof of death for the birth parent who filed the Denial or the Birth Parent Preference Form has been filed with the Registry by either a confidential intermediary or a surviving relative of the deceased birth parent, the Registry shall be authorized to release an unaltered non-certified copy of the original birth certificate to an adult adopted or surrendered person or to the surviving adult child or surviving spouse of a deceased adopted or surrendered person who has filed a Request for a Non-Certified Copy of the Original Birth Certificate with the Registry.

(10) On and after the effective date of this amendatory Act of the 96th General Assembly, in cases where all birth parents named on the original birth certificate of an

adopted or surrendered person born after January 1, 1946, are deceased and copies of death certificates for all birth parents named on the original birth certificate have been filed with the Registry by either a confidential intermediary or a surviving relative of the deceased birth parent, the Registry shall be authorized to release a non-certified copy of the original birth certificate to the adopted or surrendered person upon receipt of his or her Request for a Non-Certified Copy of an Original Birth Certificate.

(f) ~~(e)~~ A registrant may complete all or any part of the Illinois Adoption Registry Application. All Illinois Adoption Registry Applications, Information Exchange Authorizations, Denials of Information Exchange, requests to revoke an Information Exchange Authorization or Denial of Information Exchange, and affidavits submitted to the Registry shall be accompanied by proof of identification.

~~(f) The Department shall establish the Illinois Adoption Registry Application form including the Medical Information Exchange Questionnaire by rule.~~

(f) The form of the Birth Parent Preference Form shall be substantially as follows:

In recognition of the basic right of all persons to access their birth records, Illinois law now provides for the release of original birth certificates to adopted and surrendered persons 21 years of age or older upon request. While many birth parents are comfortable sharing their identities or initiating contact with their birth sons and daughters once they have reached adulthood, Illinois law also recognizes that there may be unique situations where a birth parent might have a compelling reason for not wishing to establish contact with a birth son or daughter or for not wishing to release identifying information that appears on the original birth certificate of a birth son or daughter who has reached adulthood. The Illinois Adoption Registry and Medical Information Exchange (IARMIE) has therefore established this form to allow birth parents whose birth son or daughter was born on or after January 1, 1946, to express their wishes regarding contact and the sharing of identifying information listed on the original birth certificate with an adult adopted or surrendered person who has reached the age of 21.

In selecting one of the 5 options below, birth parents should keep in mind that the decision to deny an adult adopted or surrendered person access to identifying information on his or her original birth record and/or information about genetically-transmitted diseases is an important one that can

impact the adopted or surrendered person's life in many ways. A request for anonymity on this form only pertains to information that is provided to an adult adopted or surrendered person or his or her surviving relatives through the Registry and does not prevent the disclosure of identifying information that may be available to the adoptee through his or her adoptive parents and/or other means available to him or her. Birth parents who would prefer not to be contacted by their surrendered son or daughter are strongly urged to complete both the Non-Identifying Information Section included on the final page of this document and the Medical Questionnaire in order to provide their surrendered son or daughter with the background information their surrendered son or daughter may need to better understand himself or herself and his or her origins. Furthermore, birth parents whose surrendered son or daughter is under 21 years of age at the time of completion of this form are reminded that, since no original birth certificates are released by the IARMIE before an adoptee has reached the age of 21, and birth parents are encouraged to take as much time as they need to weigh the options available to them before completing this form. Should you need additional assistance in completing this form, please contact the agency that handled the adoption, if applicable, or the Illinois Adoption Registry and Medical Information Exchange at 217-557-5159.

After careful consideration, I, (insert your name), have made the following decision regarding contact with my

birth son/birth daughter, (insert birth son's/birth daughter's name at birth, if applicable), who was born in (insert city/town of birth) on (insert date of birth)..... and the release of my identifying information as it appears on his/her original birth certificate when he/she reaches the age of 21, and I have chosen Option (insert A, B, C, D, or E, as applicable). I realize that this form must be accompanied by a completed IARMIE application form as well as a Medical Information Exchange Questionnaire or the \$15 registration fee. I am also aware that I may revoke this decision at any time by completing a new Birth Parent Preference Form and filing it with the IARMIE. I understand that it is my responsibility to update the IARMIE with any changes to contact information provided below. I also understand that, while preferences regarding the release of identifying information through the Registry are binding unless the law should change in the future, any selection I have made regarding my preferred method of contact is not.

I understand that, although I have chosen to prohibit the release of my identity on the copy of the original birth certificate released to my birth son/birth daughter, he or she may request that a court-appointed confidential intermediary contact me to request updated medical information and/or confirm my desire to remain anonymous once 5 years have elapsed since the signing of this form; at the time of this subsequent search, I wish to be contacted through the person named below. In the event that an adopted or surrendered person is deceased, his or her surviving adult children may request a copy of the adopted or surrendered person's original birth certificate providing they have registered with the IARMIE; the

copy of this form and the non-certified copy of the original birth certificate forwarded to the surviving child of the adopted or surrendered person shall be redacted per your specifications on this form during your lifetime.

(750 ILCS 50/18.3a) (from Ch. 40, par. 1522.3a)

Sec. 18.3a. Confidential intermediary.

(a) General purposes. Notwithstanding any other provision of this Act, any adopted or surrendered person 21 years of age or over, any adoptive parent or legal guardian of an adopted or surrendered person under the age of 21, or any birth parent of an adopted or surrendered person who is 21 years of age or over may petition the court in any county in the State of Illinois for appointment of a confidential intermediary as provided in this Section for the purpose of exchanging medical information with one or more mutually consenting biological relatives,

obtaining identifying information about one or more mutually consenting biological relatives, or arranging contact with one or more mutually consenting biological relatives. Additionally, in cases where an adopted or surrendered person is deceased, an adult child of the adopted or surrendered person or his or her adoptive parents or surviving spouse may file a petition under this Section and in cases where the birth parent is deceased, an adult birth sibling of the adopted or surrendered person or of the deceased birth parent may file a petition under this Section for the purpose of exchanging medical information with one or more mutually consenting biological relatives of the adopted or surrendered person, obtaining identifying information about one or more mutually consenting biological relatives of the adopted or surrendered person, or arranging contact with one or more mutually consenting biological relatives of the adopted or surrendered person. Beginning January 1, 2006, any adopted or surrendered person 21 years of age or over; any adoptive parent or legal guardian of an adopted or surrendered person under the age of 21; any birth parent, birth sibling, birth aunt, or birth uncle of an adopted or surrendered person over the age of 21; any surviving child, adoptive parent, or surviving spouse of a deceased adopted or surrendered person who wishes to petition the court for the appointment of a confidential intermediary shall be required to accompany their petition with proof of registration with the Illinois Adoption Registry and Medical

Information Exchange.

(b) Petition. Upon petition by an adopted or surrendered person 21 years of age or over (an "adult adopted or surrendered person"), an adoptive parent or legal guardian of an adopted or surrendered person under the age of 21, or a birth parent of an adopted or surrendered person who is 21 years of age or over, the court shall appoint a confidential intermediary. Upon petition by an adult child, adoptive parent or surviving spouse of an adopted or surrendered person who is deceased, by an adult birth sibling of an adopted or surrendered person whose common birth parent is deceased and whose adopted or surrendered birth sibling is 21 years of age or over, or by an adult sibling of a birth parent who is deceased, and whose surrendered child is 21 years of age or over, the court may appoint a confidential intermediary if the court finds that the disclosure is of greater benefit than nondisclosure. The petition shall state which biological relative or relatives are being sought and shall indicate if the petitioner wants to do any one or more of the following: exchange medical information with the biological relative or relatives, obtain identifying information from the biological relative or relatives, or to arrange contact with the biological relative.

(c) Order. The order appointing the confidential intermediary shall allow that intermediary to conduct a search for the sought-after relative by accessing those records

described in subsection (g) of this Section.

(d) Fees and expenses. The court shall condition the appointment of the confidential intermediary on the petitioner's payment of the intermediary's fees and expenses in advance of the commencement of the work of the confidential intermediary. However, no fee shall be charged if the petitioner is an adult adopted or surrendered person and the sought-after relative is a birth parent who filed a Denial with the Registry prior to January 1, 2011, or filed a Birth Parent Preference Form on which Option E was selected after January 1, 2011 and more than 5 years have transpired since the birth parent filed the Denial of Information Exchange or Birth Parent Preference Form on which Option E was selected.

(e) Eligibility of intermediary. The court may appoint as confidential intermediary any person certified by the Department of Children and Family Services as qualified to serve as a confidential intermediary. Certification shall be dependent upon the confidential intermediary completing a course of training including, but not limited to, applicable federal and State privacy laws.

(f) Confidential Intermediary Council. There shall be established under the Department of Children and Family Services a Confidential Intermediary Advisory Council. One member shall be an attorney representing the Attorney General's Office appointed by the Attorney General. One member shall be a currently certified confidential intermediary appointed by the

Director of the Department of Children and Family Services. The Director shall also appoint 5 additional members. When making those appointments, the Director shall consider advocates for adopted persons, adoptive parents, birth parents, lawyers who represent clients in private adoptions, lawyers specializing in privacy law, and representatives of agencies involved in adoptions. The Director shall appoint one of the 7 members as the chairperson. An attorney from the Department of Children and Family Services and the person directly responsible for administering the confidential intermediary program shall serve as ex-officio, non-voting advisors to the Council. Council members shall serve at the discretion of the Director and shall receive no compensation other than reasonable expenses approved by the Director. The Council shall meet no less than twice yearly and shall meet at least once yearly with the Registry Advisory Council, and shall make recommendations to the Director regarding the development of rules, procedures, and forms that will ensure efficient and effective operation of the confidential intermediary process, including:

(1) Standards for certification for confidential intermediaries.

(2) Oversight of methods used to verify that intermediaries are complying with the appropriate laws.

(3) Training for confidential intermediaries, including training with respect to federal and State privacy laws.

(4) The relationship between confidential intermediaries and the court system, including the development of sample orders defining the scope of the intermediaries' access to information.

(5) Any recent violations of policy or procedures by confidential intermediaries and remedial steps, including decertification, to prevent future violations.

(g) Access. Subject to the limitations of subsection (i) of this Section, the confidential intermediary shall have access to vital records or a comparable public entity that maintains vital records in another state in accordance with that state's laws, maintained by the Department of Public Health and its local designees for the maintenance of vital records or a comparable public entity that maintains vital records in another state in accordance with that state's laws and all records of the court or any adoption agency, public or private, as limited in this Section, which relate to the adoption or the identity and location of an adopted or surrendered person, of an adult child or surviving spouse of a deceased adopted or surrendered person, or of a birth parent, birth sibling, or the sibling of a deceased birth parent. The confidential intermediary shall not have access to any personal health information protected by the Standards for Privacy of Individually Identifiable Health Information adopted by the U.S. Department of Health and Human Services under the Health Insurance Portability and Accountability Act of 1996 unless the

confidential intermediary has obtained written consent from the person whose information is being sought by an adult adopted or surrendered person or, if that person is a minor child, that person's parent or guardian. Confidential intermediaries shall be authorized to inspect confidential relinquishment and adoption records. The confidential intermediary shall not be authorized to access medical records, financial records, credit records, banking records, home studies, attorney file records, or other personal records. In cases where a birth parent is being sought, an adoption agency shall inform the confidential intermediary of any statement filed pursuant to Section 18.3, hereinafter referred to as "the 18.3 statement", indicating a desire of the surrendering birth parent to have identifying information shared or to not have identifying information shared. If there was a clear statement of intent by the sought-after birth parent not to have identifying information shared, the confidential intermediary shall discontinue the search and inform the petitioning party of the sought-after relative's intent unless the birth parent filed the 18.3 statement prior to the effective date of this amendatory Act of the 96th General Assembly and more than 5 years have elapsed since the filing of the 18.3 statement. If the adult adopted or surrendered person is the subject of an 18.3 statement indicating a desire not to establish contact which was filed more than 5 years prior to the search request, the confidential intermediary shall confirm the petitioner's

desire to continue the search. Information provided to the confidential intermediary by an adoption agency shall be restricted to the full name, date of birth, place of birth, last known address, last known telephone number of the sought-after relative or, if applicable, of the children or siblings of the sought-after relative, and the 18.3 statement.

(h) Adoption agency disclosure of medical information. If the petitioner is an adult adopted or surrendered person or the adoptive parent of a minor and if the petitioner has signed a written authorization to disclose personal medical information, an adoption agency disclosing information to a confidential intermediary shall disclose available medical information about the adopted or surrendered person from birth through adoption.

(i) Duties of confidential intermediary in conducting a search. In conducting a search under this Section, the confidential intermediary shall first confirm that there is no Denial of Information Exchange on file with the Illinois Adoption Registry. If the petitioner is an adult child of an adopted or surrendered person who is deceased, the confidential intermediary shall additionally confirm that the adopted or surrendered person did not file a Denial of Information Exchange with the Illinois Adoption Registry during his or her life. If there is a Denial on file with the Registry, the confidential intermediary must discontinue the search unless the petitioner is an adult adopted or surrendered person and

the sought-after birth relative filed the Denial 5 years or more prior to the search or the birth parent has not been the object of a search through the State confidential intermediary program for 10 or more years. If the petitioner is an adult adopted or surrendered person and there is a Birth Parent Preference Form on file with the Registry and the birth parent who completed the form selected Option E, the confidential intermediary must discontinue the search unless 5 years or more have elapsed since the filing of the Birth Parent Preference Form. If the petitioner is an adult birth sibling of an adopted or surrendered person or an adult sibling of a birth parent who is deceased, the confidential intermediary shall additionally confirm that the birth parent did not file a Denial of Information Exchange with the Registry during his or her life. If the confidential intermediary learns that a sought-after birth parent signed an 18.3 a statement indicating his or her intent not to have identifying information shared, and did not later file an Information Exchange Authorization or a Birth Parent Preference Form with the ~~Adoption~~ Registry, the confidential intermediary shall discontinue the search and inform the petitioning party of the birth parent's intent, unless the petitioner is an adult adopted or surrendered person and 5 years or more have elapsed since the birth parent signed the statement indicating his or her intent not to have identifying information shared. In cases where the birth parent filed a Denial of Information Exchange or Birth Parent

Preference Form where Option E was selected, or statement indicating his or her intent not to have identifying information shared less than 5 years prior to the search request and the petitioner is an adult adopted or surrendered person, the confidential intermediary shall inform the petitioner of the need to discontinue the search until 5 years have elapsed since the Denial of Information Exchange or Birth Parent Preference Form where Option E was selected, or statement was filed; in cases where a birth parent was previously the subject of a search through the State confidential intermediary program, the confidential intermediary shall inform the petitioner of the need to discontinue the search until 10 years or more have elapsed since the initial search was closed. In cases where a birth parent has been the object of 2 searches through the State confidential intermediary program, no subsequent search for the birth parent shall be authorized absent a court order to the contrary.

In conducting a search under this Section, the confidential intermediary shall attempt to locate the relative or relatives from whom the petitioner has requested information. If the sought-after relative is deceased or cannot be located after a diligent search, the confidential intermediary may contact other adult relatives of the sought-after relative.

The confidential intermediary shall contact a sought-after relative on behalf of the petitioner in a manner that respects

the sought-after relative's privacy and shall inform the sought-after relative of the petitioner's request for medical information, identifying information or contact as stated in the petition. Based upon the terms of the petitioner's request, the confidential intermediary shall contact a sought-after relative on behalf of the petitioner and inform the sought-after relative of the following options:

(1) The sought-after relative may totally reject one or all of the requests for medical information, identifying information or contact. The sought-after relative shall be informed that they can provide a medical questionnaire to be forwarded to the petitioner without releasing any identifying information. The confidential intermediary shall inform the petitioner of the sought-after relative's decision to reject the sharing of information or contact.

(2) The sought-after relative may consent to completing a medical questionnaire only. In this case, the confidential intermediary shall provide the questionnaire and ask the sought-after relative to complete it. The confidential intermediary shall forward the completed questionnaire to the petitioner and inform the petitioner of the sought-after relative's desire to not provide any additional information.

(3) The sought-after relative may communicate with the petitioner without having his or her identity disclosed. In this case, the confidential intermediary shall arrange the

desired communication in a manner that protects the identity of the sought-after relative. The confidential intermediary shall inform the petitioner of the sought-after relative's decision to communicate but not disclose his or her identity.

(4) The sought after relative may consent to initiate contact with the petitioner. If both the petitioner and the sought-after relative or relatives are eligible to register with the Illinois Adoption Registry, the confidential intermediary shall provide the necessary application forms and request that the sought-after relative register with the Illinois Adoption Registry. If either the petitioner or the sought-after relative or relatives are ineligible to register with the Illinois Adoption Registry, the confidential intermediary shall obtain written consents from both parties that they wish to disclose their identities to each other and to have contact with each other.

(j) Oath. The confidential intermediary shall sign an oath of confidentiality substantially as follows: "I,, being duly sworn, on oath depose and say: As a condition of appointment as a confidential intermediary, I affirm that:

(1) I will not disclose to the petitioner, directly or indirectly, any confidential information except in a manner consistent with the law.

(2) I recognize that violation of this oath subjects me

to civil liability and to a potential finding of contempt of court.

SUBSCRIBED AND SWORN to before me, a Notary Public, on (insert date)

....."

(k) Sanctions.

(1) Any confidential intermediary who improperly discloses confidential information identifying a sought-after relative shall be liable to the sought-after relative for damages and may also be found in contempt of court.

(2) Any person who learns a sought-after relative's identity, directly or indirectly, through the use of procedures provided in this Section and who improperly discloses information identifying the sought-after relative shall be liable to the sought-after relative for actual damages plus minimum punitive damages of \$10,000.

(3) The Department shall fine any confidential intermediary who improperly discloses confidential information in violation of item (1) or (2) of this subsection (k) an amount up to \$2,000 per improper disclosure. This fine does not affect civil liability under item (2) of this subsection (k). The Department shall deposit all fines and penalties collected under this Section into the Illinois Adoption Registry and Medical Information Fund.

(l) Death of person being sought. Notwithstanding any other provision of this Act, if the confidential intermediary discovers that the person being sought has died, he or she shall report this fact to the court, along with a copy of the death certificate. If the sought-after relative is a birth parent, the confidential intermediary shall also forward a copy of the birth parent's death certificate, if available, to the Registry for inclusion in the Registry file.

(m) Any confidential information obtained by the confidential intermediary during the course of his or her search shall be kept strictly confidential and shall be used for the purpose of arranging contact between the petitioner and the sought-after birth relative. At the time the case is closed, all identifying information shall be returned to the court for inclusion in the impounded adoption file.

(n) If the petitioner is an adopted or surrendered person 21 years of age or over or the adoptive parent or legal guardian of an adopted or surrendered person under the age of 21, any non-identifying information, as defined in Section 18.4, that is ascertained during the course of the search may be given in writing to the petitioner at any time during the search before the case is closed.

(o) Except as provided in subsection (k) of this Section, no liability shall accrue to the State, any State agency, any judge, any officer or employee of the court, any certified confidential intermediary, or any agency designated to oversee

confidential intermediary services for acts, omissions, or efforts made in good faith within the scope of this Section.

(p) An adoption agency that has received a request from a confidential intermediary for the full name, date of birth, last known address, or last known telephone number of a sought-after relative pursuant to subsection (g) of Section 18.3a ~~18.3~~, or for medical information regarding a sought-after relative pursuant to subsection (h) of Section 18.3a ~~18.3~~, must satisfactorily comply with this court order within a period of 45 days. The court shall order the adoption agency to reimburse the petitioner in an amount equal to all payments made by the petitioner to the confidential intermediary, and the adoption agency shall be subject to a civil monetary penalty of \$1,000 to be paid to the Department of Children and Family Services. Following the issuance of a court order finding that the adoption agency has not complied with Section 18.3, the adoption agency shall be subject to a monetary penalty of \$500 per day for each subsequent day of non-compliance. Proceeds from such fines shall be utilized by the Department of Children and Family Services to subsidize the fees of petitioners as referenced in subsection (d) of this Section.

(q) Provide information to eligible petitioner. The confidential intermediary may provide to eligible petitioners as described in subsections (a) and (b) of this Section, the name of the child welfare agency which had legal custody of the surrendered person or responsibility for placing the

surrendered person and any available contact information for such agency. In addition, the confidential intermediary may provide to such petitioners the name of the state in which the surrender occurred or in which the adoption was finalized.

Any reimbursements and fines, notwithstanding any reimbursement directly to the petitioner, paid under this subsection are in addition to other remedies a court may otherwise impose by law.

~~Proceeds from the penalties paid to the Department of Children and Family Services shall be deposited into the DCFS Children's Services Fund.~~ The Department of Children and Family Services shall submit reports to the Confidential Intermediary Advisory Council by July 1 and January 1 of each year in order to report the penalties assessed and collected under this subsection, the amounts of related deposits into the DCFS Children's Services Fund, and any expenditures from such deposits.
