(10 ILCS 5/7-19) (from Ch. 46, par. 7-19)

Sec. 7-19. The primary ballot of each political party for each precinct shall be arranged and printed substantially in the manner following:

1. Designating words. At the top of the ballot shall be printed in large capital letters, words designating the ballot, if a Republican ballot, the designating words shall be: "REPUBLICAN PRIMARY BALLOT"; if a Democratic ballot the designating words shall be: "DEMOCRATIC PRIMARY BALLOT"; and in like manner for each political party.

2. Order of Names, Directions to Voters, etc. Beginning not less than one inch below designating words, the name of each office to be filled shall be printed in capital letters. Such names may be printed on the ballot either in a single column or in 2 or more columns and in the following order, to-wit:

President of the United States, State offices, congressional offices, delegates and alternate delegates to be elected from the State at large to National nominating conventions, delegates and alternate delegates to be elected from congressional districts to National nominating conventions, member or members of the State central committee, trustees of sanitary districts, county offices, judicial officers, city, village and incorporated town offices, town offices, or of such of the said offices as candidates are to be nominated for at such primary, and precinct, township or ward

committeemen. If two or more columns are used, the foregoing offices to and including member of the State central committee shall be listed in the left-hand column and Senatorial offices, as defined in Section 8-3, shall be the first offices listed in the second column.

Below the name of each office shall be printed in small letters the directions to voters: "Vote for one"; "Vote for not more than two"; "Vote for not more than three". If no candidate or candidates file for an office and if no person or persons file a declaration as a write-in candidate for that office, then below the title of that office the election authority instead shall print "No Candidate".

Next to the name of each candidate for delegate or alternate delegate to a national nominating convention shall appear either (a) the name of the candidate's preference for President of the United States or the word "uncommitted" or (b) no official designation, depending upon the action taken by the State central committee pursuant to Section 7-10.3 of this Act.

Below the name of each office shall be printed in capital letters the names of all candidates, arranged in the order in which their petitions for nominations were filed, except as otherwise provided in Sections 7-14 and 7-17 of this Article. Opposite and in front of the name of each candidate shall be printed a square and all squares upon the primary ballot shall be of uniform size. The names of each team of candidates for Governor and Lieutenant Governor, however, shall be printed

within a bracket, and a single square shall be printed in front of the bracket. Spaces between the names of candidates under each office shall be uniform and sufficient spaces shall separate the names of candidates for one office from the names of candidates for another office, to avoid confusion and to permit the writing in of the names of other candidates.

Where voting machines or electronic voting systems are used, the provisions of this Section may be modified as required or authorized by Article 24 or Article 24A, whichever is applicable.

(10 ILCS 5/7-46) (from Ch. 46, par. 7-46)

Sec. 7-46. On receiving from the primary judges a primary ballot of his party, the primary elector shall forthwith and without leaving the polling place, retire alone to one of the voting booths and prepare such primary ballot by marking a cross (X) in the square in front of and opposite the name of each candidate of his choice for each office to be filled, and for delegates and alternate delegates to national nominating conventions, and for committeemen, if committeemen are being elected at such primary. A cross (X) in the square in front of the bracket enclosing the names of a team of candidates for Governor and Lieutenant Governor counts as one vote for each of those candidates.

Any primary elector may, instead of voting for any

candidate for nomination or for committeeman or for delegate or alternate delegate to national nominating conventions, whose name is printed on the primary ballot, write in the name of any other person affiliated with such party as a candidate for the nomination for any office, or for committeeman, or for delegates or alternate delegates to national nominating conventions, and indicate his choice of such candidate or committeeman or delegate or alternate delegate, by placing to the left of and opposite the name thus written a square and placing in the square a cross (X). A primary elector, however, may not by this method vote separately for Governor and Lieutenant Governor but must write in the names of candidates of his or her choice for both offices and indicate his or her choice of those names by placing a single square to the left of those names and placing in that square a cross (X).

Where voting machines or electronic voting systems are used, the provisions of this section may be modified as required or authorized by Article 24 or Article 24A, whichever is applicable.

(10 ILCS 5/7-52) (from Ch. 46, par. 7-52)

Sec. 7-52. Immediately upon closing the polls, the primary judges shall proceed to canvass the votes in the manner following:

(1) They shall separate and count the ballots of each

political party.

(2) They shall then proceed to ascertain the number of names entered on the applications for ballot under each party affiliation.

(3) If the primary ballots of any political party exceed the number of applications for ballot by voters of such political party, the primary ballots of such political party shall be folded and replaced in the ballot box, the box closed, well shaken and again opened and one of the primary judges, who shall be blindfolded, shall draw out so many of the primary ballots of such political party as shall be equal to such excess. Such excess ballots shall be marked "Excess-Not Counted" and signed by a majority of the judges and shall be placed in the "After 6:00 p.m. Defective Ballots Envelope". The number of excess ballots shall be noted in the remarks section of the Certificate of Results. "Excess" ballots shall not be counted in the total of "defective" ballots;

(4) The primary judges shall then proceed to count the primary ballots of each political party separately; and as the primary judges shall open and read the primary ballots, 3 of the judges shall carefully and correctly mark upon separate tally sheets the votes which each candidate of the party whose name is written or printed on the primary ballot has received, in a separate column for that purpose, with the name of such candidate, the name of his political party and the name of the office for which he is a candidate for nomination at the head

of such column. The same column, however, shall be used for both names of the same team of candidates for Governor and Lieutenant Governor.

Where voting machines or electronic voting systems are used, the provisions of this section may be modified as required or authorized by Article 24 or Article 24A, whichever is applicable.

(Source: P.A. 80-484.)

(10 ILCS 5/7-53) (from Ch. 46, par. 7-53)

Sec. 7-53. As soon as the ballots of a political party shall have been read and the votes of the political party counted, as provided in the last above section, the 3 judges in charge of the tally sheets shall foot up the tally sheets so as to show the total number of votes cast for each candidate of the political party and for each candidate for State Central committeeman and precinct committeeman, township committeeman or ward committeeman, and delegate and alternate delegate to National nominating conventions, and certify the same to be correct. Thereupon, the primary judges shall set down in a certificate of results on the tally sheet, under the name of the political party, the name of each candidate voted for upon the primary ballot, written at full length, the name of the office for which he is a candidate for nomination or for committeeman, or delegate or alternate delegate to National nominating conventions, the total number of votes which the

candidate received, and they shall also set down the total number of ballots voted by the primary electors of the political party in the precinct. The certificate of results shall be made substantially in the following form:

Such line or lines shall be proximate to an area provided for marking votes for the write-in candidate or candidates. The number of write-in lines for an office shall equal the number of persons who have filed declarations of intent to be write-in candidates plus an additional line or lines for write-in candidates who qualify to file declarations to be write-in candidates under Sections 17-16.1 and 18-9.1 when the certification of ballot

contains the words "OBJECTION PENDING" next to the name of that candidate, up to the number of candidates for which a voter may vote. More than one amendment to the constitution may be placed on the same portion of the ballot sheet or marking device.
