

AN ACT concerning criminal law, which may be referred to as the Emergency Medical Services Access Law.

WHEREAS, Drug-overdose deaths are the second leading cause of accidental death in the nation and deaths have increased significantly in recent years, in both the Chicago Metropolitan Area and across Illinois; and

WHEREAS, The General Assembly finds that drug-overdose deaths could be substantially decreased if immunity from criminal prosecution for Class 4 felony violations of the Illinois Controlled Substances Act and Class 3 felony violations of the Methamphetamine Control and Community Protection Act were granted to a person possessing a small amount of the drug who, in good faith, seeks emergency medical assistance for someone experiencing a drug-related overdose and if this immunity were granted for the same Class 4 felony violations of the Illinois Controlled Substances Act and the Class 3 felony violations of the Methamphetamine Control and Community Protection Act to a person who is experiencing a drug-related overdose; therefore

**Be it enacted by the People of the State of Illinois, represented in the General Assembly:**

Section 5. The Illinois Controlled Substances Act is

Nothing in this Section is intended to interfere with or prevent the investigation, arrest, or prosecution of any person for the delivery or distribution of cannabis, methamphetamine or other controlled substances, drug-induced homicide, or any other crime.

Section 10. The Methamphetamine Control and Community

Protection Act is amended by adding Section 115 as follows:

Nothing in this Section is intended to interfere with or prevent the investigation, arrest, or prosecution of any person for the delivery or distribution of cannabis, methamphetamine or other controlled substances, drug-induced homicide, or any other crime.

Section 15. The Unified Code of Corrections is amended by changing Section 5-5-3.1 as follows:

(a) The following grounds shall be accorded weight in favor of withholding or minimizing a sentence of imprisonment:

(1) The defendant's criminal conduct neither caused nor threatened serious physical harm to another.

(2) The defendant did not contemplate that his criminal conduct would cause or threaten serious physical harm to another.

(3) The defendant acted under a strong provocation.

(6) The defendant has compensated or will compensate the victim of his criminal conduct for the damage or injury that he sustained.

(7) The defendant has no history of prior delinquency or criminal activity or has led a law-abiding life for a substantial period of time before the commission of the present crime.

(8) The defendant's criminal conduct was the result of circumstances unlikely to recur.

(9) The character and attitudes of the defendant indicate that he is unlikely to commit another crime.

(10) The defendant is particularly likely to comply with the terms of a period of probation.

(11) The imprisonment of the defendant would entail excessive hardship to his dependents.

(12) The imprisonment of the defendant would endanger his or her medical condition.

(13) The defendant was mentally retarded as defined in Section 5-1-13 of this Code.

(14) The defendant sought or obtained emergency

medical assistance for an overdose and was convicted of a Class 3 felony or higher possession, manufacture, or delivery of a controlled, counterfeit, or look-alike substance or a controlled substance analog under the Illinois Controlled Substances Act or a Class 2 felony or higher possession, manufacture or delivery of methamphetamine under the Methamphetamine Control and Community Protection Act.

(b) If the court, having due regard for the character of the offender, the nature and circumstances of the offense and the public interest finds that a sentence of imprisonment is the most appropriate disposition of the offender, or where other provisions of this Code mandate the imprisonment of the offender, the grounds listed in paragraph (a) of this subsection shall be considered as factors in mitigation of the term imposed.
